"MR. SCHIFF ON PEACE.

TO THE EDITOR OF THE TIMES.

Sir,—The interview with Mr. Jacob Schiff reported by your Washington Correspondent—the proposal for a permanent peace that shall end not only this war, but war—comes as the one gleam of light in the world's darkness. But why almost extinguish it under the head of 'German Press Campaign'? And why does he speak of Mr. Schiff's 'brief for Germany'? As one associated for many years in philanthropic work with this noblest of millionaires, I should like to testify that, despite his early associations with Germany, he is one of the most patriotic Americans I have ever known. Descended from a long line of Jewish Rabbis and scholars—one of his ancestors was Chief Rabbi of the Great Synagogue, London, in the 18th century—Mr. Jacob Schiff might himself have sat to Lessing for the portrait of 'Nathan der Weise,' and

in proposing a conference to end Prussian militarism—and every other—he speaks not as the mouthpiece of Berlin, but with the voice of Jerusalem.

Yours faithfully,

Israel Zangwill

Jewish Territorial Organization, King's-chambers, Portugal-street,

Nov. 23."

Zangwill was indeed familiar with Schiff's "philanthropy". Zangwill mentioned Schiff's involvement in the war between Russia and Japan in 1911,

"[. . .]Mr. Jacob Schiff financing the Japanese war against Russia and building up the American Jewry[.]"—I. Zangwill, *The Problem of the Jewish Race*, Judean Publishing Company, New York, (1914), on page 14; which was first published as an article, "The Jewish Race", *The Independent*, Volume 71, Number 3271, (10 August 1911), pp. 288-295, at 292.

Schiff provided approximately $20,000,000.00USD (non-adjusted) for the Russian Revolution. [*See:* C. Knickerbocker, *New York Journal-American*, (3 February 1949). A. de Goulevitch, *Czarism and Revolution*, Omni Publications, Hawthorne, California, (1962), pp. 223-232. W. C. Jacob Schiff's "philanthropy" ultimately cost the lives of tens of millions of Russians and subjected hundreds of millions more to Jewish repression which has yet to subside. At the time Schiff wrecked Russia, Russia was in the Allied forces opposed to Germany. The Zionist Jewish bankers not only brought America into the war against our interests, they destroyed an ally in that war against Germany, thereby further harming American interests.

The *Encyclopaedia Judaica*, Volume 14 RED-SL, Encyclopaedia Judaica, Jerusalem, The Macmillan Company, New York, (1971), cols. 960-962, at 961, states,

"Schiff was prominently involved in floating loans to the government at home and to foreign nations, the most spectacular being a bond issue of $200,000,000 for Japan at the time of the Russo-Japanese War in 1904-05. Deeply angered by the anti-Semitic policies of the czarist regime in Russia, he was delighted to support the Japanese war effort. He consistently refused to participate in loans on behalf of Russia, and used his influence to prevent other firms from underwriting Russian loans, while providing financial support for Russian Jewish *self-defense groups. Schiff carried this policy into World War I, relenting only after the fall of czarism in 1917. At that time, he undertook to support the Kerensky government with a substantial loan."

The "anti-Semitic policies of the czarist regime in Russia" were the prohibition of racist Zionism, which the Czar prohibited because the Czar asked the Jews to integrate not segregate. The racism was Jewish, not Russian. The Czar and his predecessors wanted Jews in Russia to become Russian and assimilate. In the minds of the racist Zionists, that was an extermination campaign against the "Jewish race". Yet, these racist Jews used their control over the press to misrepresent the situation and make it appear that the Czar was racist.

The Czar was also confronted with murderous Jewish revolutionaries and Jewish led strikes that crippled the Russian economy and caused the Russian people to suffer and starve. But then, as now, Jews largely controlled the media and so Jews were able to blame the Czar for the wrongs Jews had done, and for the racist segregationism which Jews had insisted upon. In the Jewish media, the Czar became a racist for opposing Jewish racism and an enemy of the Russian People for trying to rescue them from the Jews who were out to destroy the Russian People.

Kerensky immediately emancipated the Jews after the Russian Revolution of 1917, so that Jews could take over the government, educational institutions, the press and other institutions of influence throughout the Russian Empire. Lenin made "anti-Semitism" an offense punishable by death, and thereby shielded all Jews from any criticism or accusation. [*See:* V. I. Behind this protective shield, Jews then mass murdered educated Gentiles, and elevated Jews into positions of power and influence. Crypto-Jews in the government changed their names to Russian-sounding names. It was a crime punishable by death to reveal their true Jewish identity.

Prominent Jews had long advocated the use of tyrants following revolutions. The Bolshevik Jews Schiff put into power after Kerensky, who had failed to rule with an iron scepter—the Jewish Bolsheviks mass murdered millions of Russian Christians, destroyed Russian Orthodox Churches while leaving synagogues intact, and pillaged, plundered and destroyed Russia for most of the Twentieth Century.

Those many Jews who hated Russians had their revenge. Russian culture was largely destroyed

in the process. Irreparable harm was done to the Russian people as a result of the mass murder of their best people and the introduction of carcinogens into their living environment. The famines and unemployment that the Jews blamed on the Czar, so as to cause the unrest which broke out in 1905, were instead due to Schiff and his Jewish financier friends. After Schiff's puppets came to power, they plundered Russia's vast wealth and sent it back to the Jewish financiers, a process which continues to this very day. Such was the nature of Jewish banker Jacob Schiff's "philanthropy".

There are many lessons to be learned from the story of how the Jewish bankers destroyed Russia. They used their control over the press to defame Russia and its leaders. They made Americans anti-Russian. In America, they made it illegal to speak out against the war and imprisoned those who did.

Ominously, we again see the Jewish controlled press defaming Russia and its leaders. We again see Jewish bankers promising and funding revolution. We again see Jews in Russia attempting to stir up disorder and chaos, which they blame on the Government. Was not the Twentieth Century of the slavery of the Slavs revenge enough to satisfy the racist Zionists? Was not the blood of tens of millions of innocent Russians enough to quench the thirst of these vampires, or must they again tear open the throat of Mother Russia and rip out the unborn children from her womb?

Ron Paul: Seeing Through the Glittering Generalities

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Allow me to preface this article with the statement that I hope Ron Paul wins the Republican primaries. Sometimes we need a Santa Claus to believe in if only to inspire us to hope. Sometimes we need a stooge to show us the way to empower ourselves.

Whether Paul wins the primaries, or not, the American People have won by way of an example as to how to organize and side step the media. That said, I am not naive. I have observed that the organization in support of Ron Paul has not come from the grass roots, but rather from the gold mines, gold merchants and Zionist Hollywood Jews. But do not let me spoil your belief in Santa until we have found a way to replace the illusion with American factories and sound currency issued by the People for the People.

Gold is not sound currency. It is a limited commodity the supply of which can be artificially and privately reduced and increased by way of fraud and collusion. Jewish bankers will demand the "freedom" to treat gold as a privileged commodity, the "freedom" to monopolize it in cartels, etc.

True freedom is best secured by a well educated and prosperous populace, and Ron Paul's domestic policies will not get us there.

I suspect that Ron Paul is running for President for one reason and one reason only. He is a tool of the Jewish bankers and their goal is to make us clamor for "banking reforms" which they have drafted and which will grant the bankers amnesty and/or immunity for their crimes; and which will bail the bankers out at the expense of the taxpayer; and which will secure debts owed to the bankers with hard, seizable assets and make them profits off of precious metals and allow the international Jewish bankers to continue to control the American money supply, regulate price levels, govern international trade, hinder or stimulate growth, etc.

Jewish organizations, Jewish controlled politicians and the Jewish controlled media are undermining our civil liberties, making us desperate to secure our natural rights which are recognized in the Constitution. Since Jewry has made us clamor to protect our rights, they are using Ron Paul to forward a deceptive message that the Constitution is our guarantee of rights and that it must be strictly adhered to in terms of Ron Paul's interpretation of it. They have created a dilemma and they are proposing their solution to the dilemma that they have deliberately created.

Our rights are secured by our existence and our ability to defend them, not by Ron Paul or the

Constitution. The Constitution is rather a social contract which recognizes our natural rights and serves as an enforceable agreement. If the courts and other branches of the government are corrupt, the Constitution is not a protection, but only a guide, and the contract has been breached. However, our rights and other means of enforcing our rights remain.

I believe that Paul is wrapping himself in the Constitution for one reason and one reason only. He, and those who pull his strings, want us to interpret the following part of the Constitution to mean that we should operate our economy on gold based currency:

"Article 1, Section 10 - Powers prohibited of States

No State shall enter into any Treaty, Alliance, or Confederation; grant Letters of Marque and Reprisal; coin Money; emit Bills of Credit; make any Thing but gold and silver Coin a Tender in Payment of Debts; pass any Bill of Attainder, ex post facto Law, or Law impairing the Obligation of Contracts, or grant any Title of Nobility."

This is why Paul speaks in glittering generalities of "freedom" and honoring the Constitution. In fact, he wants to take away our freedom to issue our own money through our government and without the intercession of the Jewish gold merchants. He wants to take away our freedom to recover our losses from the Jewish bankers. He cowers from confronting the traitorous Jewish fifth column which is stealing away our civil liberties.

If we truly want to secure our liberties and enforce those rights iterated in the Constitution, then we have to fight back against organized Jewry. This does not interest Paul. For him all that

glitters in his glittering generalities is gold, and our fundamental human rights are only props on the stage.

It appears that Ron Paul's goals are to secure the interests of the bankers, not our freedom. As the Jewish bankers maintain control over our economy and monetary system, they will maintain control over our lives. We have to fight for our rights, not by enslaving ourselves to gold, but by bettering ourselves through education and hard work, through savings and personal and social discipline; and by confronting our enemy directly and unapologetically.

World Jewry has brought us into perpetual war, which nets them profits and forwards their Zionist agenda for Mid-East hegemony and World rule. By controlling the cast of candidates for US President, Jewry has left us shredded on the two horns of another dilemma. We can elect their openly warmongering candidates, or we can elect their gold plated stooge. Our interests are not served by either side of the bull charging from behind to gore us in the rear.

We already elected a supposedly anti-war Congress and they have betrayed us. This traitorous Jewish controlled Congress can declare war at any time, no matter who is, or is not, elected President. We have to raise our voices in outrage and demand our government serve our interests. We have to demand the Congress prosecute the criminals Bush and Cheney. Then we will have power.

Electing Ron Paul gives him power, not us. We will have power when we exercise it directly through boycott, demonstrations, public debate, civil disobedience, etc. I do not see Ron Paul organizing such action which empowers the People, but then he is a politician trying to get

elected and what he is doing is working.

I wish him success. Perhaps, if by hook, crook or miracle, Paul wins the Republican primary, or even if he gives a strong showing, some genuine candidate will appear to run as a third party candidate. In any event, it will be healthy for Americans to become enthused about having alternatives, if only in an illusion. This will make it easier for others to enter the arena, but I caution against the hero worship which is being so heavily promoted.

Ron Paul is not a great man. His policies are unoriginal, scripted, simplistic and little more than disingenuous gimmicks to win support from the gullible and uninsightful for the Jewish bankers to again seize control of our money supply. By wrapping himself in the Constitution without enunciating sound policy, Paul is just like Huckabee, who is trying to win and serve Jewish interests by standing on the cross. We need to elevate the debate so that we can empower ourselves, not childishly worship the rather mediocre Ron Paul and play follow the leader.

Let Paul continue with his glittering generalities—that is politics in Jewish controlled America. We have to raise the level of debate among ourselves. No one will do it for us, and we have to defeat those who stand in our way.

The Dangerous Shabbas Goy John Robert Bolton

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Why is it that the talentless warmongering snake John Bolton has been so successful and slithered up the sandy slopes to the highest levels of international politics? Why are his villainous face and treacherous voice all over the Jewish controlled media?

In search of an answer, consider John Robert Bolton's ties to Zionist Jewry and their leash on him:

Bolton back on JINSA board

John R. Bolton

Without Jewish control over the mass media and the US Government, Bolton would be ignored as the sick joke that he is; but then again, if Jews did not control the media and American Government, it is doubtful that a sycophant like Bolton would be dancing to their tune.

A Self-Proclaimed Zionist Jew Attacks the Character of Armenians

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In an article "From the mountains of Ararat", which was published on the Israeli news journal *Haaretz.com*, James R. Russell states,

"[O]ne needs to recognize that there is real anti-Semitism in the Armenian community, and scapegoating of Israel and Zionism often goes well beyond the issues and becomes a cover for deeper hatreds. The Dashnaks, Hitler's wartime buddies, who are still a presence both within Armenia and in the diaspora, have jumped on the anti-Israel bandwagon, championing the Palestinian cause on American campuses."

Russell does not mention why some Armenians oppose Zionism. He merely implies that critics of Zionism are, merely by virtue of their criticism of Zionism, racists. He does not acknowledge that Zionism is itself widely considered to be a racist and ethnocentric ideology.

Furthermore, while attacking Armenians, Russell does not mention the reasons why Armenians have reacted to the Jewish campaigns to exterminate them and remove the Armenians from their ancestral homeland. Indeed, Russell makes no mention of the Jewish role in the Armenian genocide, instead scapegoating Moslems.

Portraying Jews as if perpetual innocent victims, Russell attacks the Armenian revolutionary party of the Dashnaks and implies that they pose a danger to Jews. However, he fails to discuss

the Jewish revolutionary parties which genocided 1.5 million Armenians, which Jewish mass murderers were led by the Jew Talaat Pasha.

A correspondent for the *Times* of London wrote in an article, "THE ARMENIAN MASSACRES: EXTERMINATING A RACE: A RECORD OF HORRORS", which was published on 8 October 1915, on page 5,

"TALAAT BEY'S POLICY

It is said by the Turks in their defence that the decision to deport the Eastern Armenians was only arrived at after the discovery of an Armenian plot in Constantinople and after the Van outbreak. But the Armenians executed in Constantinople in April were men of the Hintchak society who had been in prison for over a year, and the deportation or massacre of Armenians had begun at many places before the Van Armenians were criminal enough to help themselves. There can be no doubt that Enver, who has never shrunk from violent methods, approved of the policy that was adopted.

Commanding officers in the provinces received orders in April and May authorising them to deport all individuals or families whose presence might be regarded as politically or militarily dangerous, and in the case of some of the Cilician Armenians, deportation had begun earlier. But Talaat, who was in all probability the chief mover in the expulsion of Greeks from Western Anatolia, who has never scrupled to lie to an Ambassador or to encourage pro-Turkish intrigue in the dominions of friendly Powers, is the chief author

of these crimes. 'I intend to prevent any talk of Armenian autonomy for 50 years' and 'The Armenians are a. . . race; their disappearance would be no loss' are sayings attributed to him on excellent authority. He has had worthy supporters among the extremists of the Committee of Union and Progress, such as Mukhlis Bey, Carusso Effendi and his Jewish revolutionary supporters, Midhat Shukri and others, among officials such as the Valis of Diarbekr and Angora, and among the officers of gendarmerie, who, if one-tenth of the tales told by European and American refugees is true, have cast off all trace of the European training which French and British officers laboriously tried to instil in them and have too often become little better than licentious banditti.

[***]

DEPORTATION OR STARVATION

It remains to describe Talaat Bey's methods in detail. Massacre was followed by a crueller system of persecution than Abdul Hamid ever invented. The Red Sultan's abominations were seldom accompanied by the wholesale deportation of the survivors; the violation and abduction of women and the conversion of children, though sadly frequent in some places, were by no means general in the massacres of 1894-1896. Then the wild beast was allowed to run amok for 24 hours, and was then usually chained up.

In Talaat Bey's campaign the preliminary massacre, which was sometimes

omitted, was followed by the separation of the able-bodied men from their women folk. The former were drafted into labour battalions or simply disappeared. The women, children, and old men were next driven slowly across country. They were permitted to take no carts, baggage animals, or any large stock of provisions with them. They were shepherded from place to place by gendarmes, who violated some of the women, sold others, and robbed most. Infirm or aged folk, women great with child, and children were driven along till they dropped and died by the way. Gendarmes who returned to Alexandretta described with glee to Europeans how they robbed the fugitives. If these refused to give up their money their escort sometimes pushed them into streams or abandoned them in desolate places.

A European who witnessed the exodus of some of the Armenians of Cilicia says that most were footsore, all looked half starved, and no able-bodied man could be seen among them. At Osmanic on the road between Aleppo and Adana they were given only 8 hours' notice by the town crier to make ready for their departure. The French and British refugees from Urfa saw the bodies of "hundreds" of women and children lying by the road and met another of these lamentable half-starved caravans. An American who accompanied a group of Armenian exiles from Malatia reports that the road to Urfa was marked all along its course by the bodies of those who had died. Travellers by the Anatolian Railway report that the hills near Bilejik Geive, and other stations in the hinterland of Brusa were crowded with Armenians

from Brusa, Ismid, and other settlements near Constantinople, who had no shelter and were begging their bread. Large bodies of the exiles are said to have been simply led into the desert south of the Euphrates and left there to starve.

[***]

The attempts of the American Ambassador to procure some alleviation of the lot of the Armenians have thus far proved unsuccessful. Mr Morganthau, in the opinion of good observers, wasted too much diplomatic energy on behalf of the Zionists of Palestine, who were in no danger of massacre, to have any force to spare. Talaat and Bedri simply own that persecuting Armenians amuses them and turn a deaf ear to American pleadings. German and Austro-Hungarian residents in Turkey at first approved of the punishment of Armenian 'traitors', but the methods of the Turkish extremists have sickened even Prussian stomachs. True the Jewish Baron von Oppenheim, now in Syria, has been preaching massacre, and the German Consular officials al Aleppo and Alexandretta have followed suit, perhaps with the idea of planting German colonists in the void left by the disappearance of the Armenians when the war is over. On 9 August 1911, on page 3, *The London Times* published a Letter to the Editor from the *Time*'s Constantinople Correspondent, under the heading "JEWS AND THE SITUATION IN ALBANIA", which stated,

"I will merely remark that, according to information which I have received from genuine Freemasons, the majority of the lodges founded under the auspices of the Grand Orient of Turkey since the revolution were, at the outset, avatars of the Committee of Union and Progress, that they have not yet been recognized by British Freemasonry, and that the first 'Supreme Council' of the G. O. of Turkey appointed in 1909, contained three Jews (Carasso, Cohen, and Faraggi) and three Doenmes (Djavid Bey, S. Kibar, and Osman Talaat). [colored emphasis added]"

Marcelle Tinayre published an article in *L'Illustration* in December of 1923, which was translated into English and published as "Saloniki", *The Living Age*, Volume 320, Number 4156, (1 March 1924), pp. 417-421, at pages 419-420,

"The Jewish community, driven from Aragon in the sixteenth century, settled in Saloniki, where it has never ceased to grow and multiply. The Turks always showed themselves less anti-Semitic than the Greeks. They let the Jews of Saloniki grow rich and troubled them with no competition, because 'business'—that is to say, the manipulation of other people's money —is forbidden or at least not favored by the Koran, which prohibits taking pledges and receiving interest. Nevertheless the agreement between the

masters of the sword and the masters of the gold, between the *koniak* and the money bench, was disturbed in the seventeenth century. A cabalist and a charlatan, a kind of Simon the Magician, passed himself off as the Messiah for whom Israel still waits and will be waiting to the end of time.

Sabbetai Sevi struck the fancy of the Israelitish throng to such an extent that the Sublime Porte was disturbed. An envoy of the Sultan requested the pretended Messiah to make a choice between the bowstring and recantation. Sabbetai Sevi, not quite sure that he was divine after all, chose to recant, and with great courage became a Mussulman. His disciples followed his example by hundreds, but neither the Prophet nor his disciples gave Mohammed anything more than words and gestures. They had Mussulman tongues but Israelitish hearts. Under the shelter of the turban and the fez, beneath a Turkish name worn as a mask, they remained what they always were and what they still are. Their women cover themselves with the *tcharchaf*, their children learn to read the Koran, their young men enter Government offices, —sometimes, though more rarely, the army,—but when they are twelve years old these *deunmehs*, or converts, receive the revelation of their secret or Hebrew names. They are initiated into the mysterious rites established by Sabbetai Sevi. They learn the whereabouts of that famous hidden temple which is said to be in old Saloniki, which neither Christian nor Moslem has ever approached.

The double faith makes double souls, and this age-long imposture behind

true Mussulman beards prepares conspirators and revolutionists. The deunmehs of to-day, affiliated with Free Masonry, instructed in Occidental universities, often professing total atheism, have given leaders to the Young Turk revolution. Talaat Bey, Djavid Bey, and many other members of the Committee of Union and Progress were deunmehs from Saloniki. Long ago the great Turkish families were split in twain, one party being these modern Turks who deal with the foreigner, and these *hanoums*—who walk the streets with unveiled faces and set young officers, if they have been reading Pierre Loti, to dreaming—bear in their faces proof enough of their lineage. [colored emphasis added]"

Inspector-General of the Turkish Forces in Armenia and Military Governor of Egyptian Sinai during the First World War, Rafael De Nogales wrote in his book *Four Years Beneath the Crescent*,

"Among the civil members of [the Committee of Union and Progress], only one was conspicuous by force of personality. That was the renegade Hebrew (*donme*) of Salonika, Talaat, the principal organizer of the massacres and deportations, who, fishing in muddy waters, succeeded in raising himself from the humble rank of postal clerk to that of Grand Vizier of the Empire. [clolored emphasis added]"

Instead of attacking the Armenians, Russell should be apologizing to them for the genocide

which racist Jews committed against Armenians.

In Order for Ron Paul to Win, His Supporters Must Take the Offensive

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ron Paul's base appears to be a bit naive when it comes to politics. Politics is a dirty business. To win, you have to fight.

For example, when Ron Paul is attacked as if a racist, his supporters should point out that the media is largely silent on Mitt Romney's Mormonism. They should expose the racist beliefs of that religion, and its ties to Zionism. Let people know that Glenn Beck and many other Zionists are Mormons. The media will lose credibility, as it should. Romney will lose support, as he should. And Ron Paul's fans will defend him by taking the offensive.

If people accuse you of making religion an issue, tell them that they have confused you with Mike Huckabee. And why hasn't the Zionist media slammed Huckabee for pimping religion at a time of crisis in American politics? Why haven't they raked Zionist John Hagee over the coals

for stating that Jesus was not the Messiah and did not come to be the Messiah?

Paul supporters can point out how racist Zionism is and that the media, which is in Zionist hands, is silent on that issue. Demonstrate their hypocrisy, instead of apologizing to them.

When Ron Paul is attacked as if a conspiracy theorist, his supporters should point out that John McCain is Islamophobic and believes that Moslems are responsible for all the woes which Bush's Islamophobia has caused. They are the real conspiracy theorists, and the media does not report on it. The media instead sponsor these Islamophobic conspiracy theories, which have caused the deaths of millions of innocent Moslems and cost us lives and 3.5 trillion dollars. Talk about George Bush's conspiracy theory that Iran has a nuclear weapons program, a theory he still advances even after the NIE debunked it. Accuse McCain of McMadness for sponsoring this lie and calling for us to "Bomb, bomb, bomb, bomb, bomb, Iran!"

When Ron Paul is attacked for his associations, point out Rudy Guilian's associations. For example, point out Guiliani's support for former New York Police Commissioner Bernard Kerik. Accuse Romney, Guiliani and McCain of disloyalty to America for their associations with top Zionists.

When Paul is attacked for allegedly not being a Republican, point out that John McCain is endorsed by the liberal Democrat Joe Lieberman. Why? Because they are both agents of the Israeli Government.

Prove to people the Zionist corruption of Romney, McCain and Guiliani. Emphasize their

warmongering rhetoric. Show their speeches at Jewish organizations and messages to Herzliya.

In sum, it is not enough to cheerlead for Ron Paul. You also have to discredit his opponents. It is important to not fall back on your heels, but rather to charge forward. Do not appear to be on the defensive, but rather force the openly Zionist candidates to defend themselves and their traitorous support of racist Israel. In this way, even if Ron Paul does not win, his candidacy will accomplish a great deal and it will show the power of the American People to counter-attack against the Israeli fifth column that is destroying America. If they want to make racism the issue, it will be easy to bring down Romney, McCain and Guiliani and in so doing expose racist Zionism and the Israeli infiltration of American politics.

Ron Paul, Friend or Foe? Part 2

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Back on 10 May 2007, I published a blog entitled *Ron Paul, Friend or Foe?* in which I noted the reasons why I do not trust Ron Paul, together with the reasons why I find his candidacy appealing. A known subversive, who often attempts to parrot my statements when it serves his

agenda, has taken to reiterating some of my arguments as to why we need to examine Ron Paul's positions.

The fact that this known saboteur and provocateur is attacking Paul may, at first glance, appear to be a good reason to support Ron Paul. This mindless blowhard often sends the same signals as Fox News, though basing his message on a supposedly anti-Zionist position. He has teamed up with a Jewish banker who attacks Capitalism from a Marxist-lite perspective. It appears that this man, who is trying to gin up a nihilistic revolution, wants to dupe real anti-Zionists into serving Zionist interests. However, this known smear monger makes it a habit to defame everyone and sow the seeds of discord, so little can be gleaned from his attack on Ron Paul, other than that it is a part of an overall strategy to render anti-Zionists confused and politically fragmented.

I like Ron Paul's open opposition to American aggression. He is the only serious candidate to consistently oppose aggressive war. The President does have a bully pulpit and can affect foreign policy. However, it is Congress which declares war.

Ron Paul's positions on immigration are too shallow for my liking. But what really worries me are his sympathies with the Libertarian Party and with Ludwig von Mises.

The production and promotion of the film *Freedom to Fascism* by the Zionist Jew Aaron Russo, the Christian bashing though inexplicably philo-Judaic film *Zeitgeist*, and slew of internet propaganda promoting the institution of the gold standard, all coinciding with the presidential race and the melt down of the dollar is a bit too coincidental for my liking. It is reminiscent of

the orchestrated meltdown of 1907, which was followed by the "banking reforms" of 1913, which were promoted by Sen. Nelson Aldrich. Paul appears to me to be another Aldrich, but there are worse parasites than an Aldrich. The other candidates have each openly declared their aggressive stance toward Iran and unquestioning loyalty to Israel.

Whatever Ron Paul's sincere beliefs and motivations may be, the Libertarian's ties to Ludwig von Mises and Richard Coudenhove-Kalergi are troubling. Coudenhove-Kalergi promoted the idea of a European Union and a pan-American Union. Rothschild and Warburg sponsored him. Coudenhove-Kalergi also stated that the Jews are a superior race which should lead the World, but that all the other races should be mixed, which according to him would result in the manifestation of the worst traits and the disappearance of the best traits in the Gentile races.

Coudenhove-Kalergi wanted the different "races" to mix in intermarriage so that the children of these unions would be inferior to their parents and would lose any sense of cultural and ethnic heritage. He wanted to then substitute a new culture of obedience and servitude among this new degenerated "race", subservience to a ruling Jewish elite. He would have the Jews remain nobly segregated. It is a fact that many of Coudenhove-Kalergi's policies have been instituted.

Paul does not appear to support these policies, but instead opposes them. It is very important to note this fact. However, Paul would empower these forces by instituting the Ludwig von Mises monetary policy. Ludwig von Mises was an Austrian Jew who was close friends with Coudenhove-Kalergi.

Paul wants to eliminate taxes from gold and silver exchanges, thereby artificially creating a

privileged commodity and business class. This makes him the darling of gold merchants, and of certain Zionist Jews, like the late Aaron Russo. Indeed, Paul has been embraced by the Israelis and received their seal of approval. He has also found support among media Jews who comment on the financial markets.

Paul and von Mises essentially proposed a banker bailout of the current system, which would indemnify the Jewish bankers, effectively grant them amnesty, and pass along the burden of their theft to the American taxpayer, all in the name of combating the bankers—very Aldrichesque methodology. The bankers hold much of the gold, and we would have to borrow it from them at interest to finance a gold based currency, thereby placing us in unpayable debts and excusing them for their fraud against the American People.

Another real danger of the disastrous Paul and von Mises plan is the ability it would give the Jewish bankers to control our money supply and create deadly deflation at their whim by melting coin and shipping it overseas. So that this does not appear to be a personal prejudice of mine, I will quote from two authors who opposed the Jewish bankers, L. B. Woolfolk, and Denis Fahey, who wrote in his book, *The Rulers of Russia*, Third Edition, Revised and Enlarged, USA, (1986), 93-96:

"Lest some of my readers may think that I have insisted too much upon the disastrous effects of the monetary system associated with the gold-standard, a few words may be helpful. Money or token-wealth has been invented, to use St. Thomas's expression, for the convenience of exchange and as a measure of things saleable. Thanks to it, families can procure, by the

process of exchange, far more easily than by barter, that sufficiency of nature's goods or real wealth needed by their members for a virtuous life. The fact is, however, that the gold-standard system does not aim at the distribution of socially-produced wealth but at making money a source of revenue to the issuers and a means of arriving at the greatest possible control for them by the creation and perpetuation of debt. As a measure of things saleable, money is meant to be stable. The yard measure and the pound avoirdupois may not be altered arbitrarily. Yet 'we are in an age of monetary policy,' writes Professor Soddy, 'when the value of it is continually altered by the means well-known to the banking profession, to make it worth less or more, thus to raise the price level or to lower it. . . In all this there is not given a moment's consideration to the most elementary principles of justice to the owners of the money, who have a right to receive again value equivalent to that which they have given up.'[*Footnote: The Role of Money*, p. 85 'A sane money system is one that aims at keeping in circulation the largest volume of money that can be absorbed without inflation of the price level . . . the principle of control of the currency of New Zealand should be changed from stability of the exchange rate with sterling to stability of the internal price level.'—(A. N. Field, in *Examiner*, May, 1939.)] Arbitrary changes in the volume of currency cause prices to rise or decline; and these arbitrary changes affect the welfare of every citizen. How are they effected? By the contraction and expansion of credit due to movements of gold. Thus

we have fixed foreign exchanges with fluctuating internal price-levels. Those who control gold can manipulate the volume of credit, thus controffing the price-level in different countries. And this power can be used to acquire mortgages not only over entire industries but over whole countries. We read in *The Builders' Merchants' Journal* (January, 1939): 'For instance, by the judicious transference of (say) ten millions of gold from France to England, a systematic depreciation of probably *ten* times that amount could be brought about in the market value of French securities without undue difficulty, and a corresponding rise effected on the English Exchange. By then transferring the same amount of gold from London to New York, a similar double effect could again be achieved. Next, by transferring the gold from the U.S.A. to (say) Belgium and the Netherlands, the process could be once more repeated. Then by switching the bullion across to England, a similar rise and fall would result. Finally, by shipping the gold from London back to its original resting-place in Paris, French securities would be restored to normal, and British stock values again depressed. The alteration in market values in the case of every gold transfer as above outlined would probably be at least ten times the amount of the bullion actually shipped, and the astute individuals engaged in the execution of this interesting financial roundabout might within the space of two or three years amass (via nominees) anything from (say) £100,000,000 to £500,000,000 by judiciously exploiting the possibilities of the markets—and *without* arousing outcry or general suspicion amongst the investing public. No wonder it

becomes possible for banks and other big financial interests to hold 'blanket' mortgages not only (in effect) over entire industries, but also (to all practical intents and purposes) over whole countries.'

A concrete example of the swindling depicted by *The Builders' Journal* is given by the late Arthur Kitson in his book, *The Bankers' Conspiracy*, published in 1933. On pages 79 and 80 of that work, we read: 'Some years ago the *Bankers' Magazine* gave a startling example of the depreciation in the prices of 325 of our representative investments caused by the withdrawal of £11,000,000 in gold from the Bank of England by a group of American financiers. The transfer of this amount from London to New York during a period of a few weeks caused a fall of prices equivalent to £115,500,000! The absorption of the same gold caused a corresponding advance in the prices of certain American securities. By first selling English securities and buying American, they had merely to transfer so much gold and afterwards reverse the transactions by buying and selling respectively and the game was won! As a well-known financial writer stated at the time: 'These speculators were playing upon two tables at the same time—one in London and the other in New York—with the certainty of winning on both."

When a country has been impoverished and disorganised by a stock-exchange coup such as has just been mentioned, an attack on the property of the Catholic Church and the religious orders can be successfully launched by the Masons and other anti-supernatural elements. A typical example is to be

**found in Spain between 1834 and 1840. The Rothschilds were anti-Carlist in the war of succession, which was going on, because they feared that the success of Don Carlos would mean that they would lose the famous Almaden quicksilver mines. By a 'bear' operation on the stock-exchange the Rothschilds sent Spanish securities tumbling down. The Prime Minister, Count Toreno, was forced to resign, and the Rothschilds realised a profit far beyond the amount of the bribe they had given him previously. Count Toreno was succeeded by Mendizabal, a Jew by race and religion. He had been speculating in Spanish securities but had 'got the tip' from Nathan Rothschild when the Rothschilds decided to bring about the slump. Mendizabal increased the Spanish deficit. All that and more can be learned from Count Corti's *Reign of the Houses of Rothschild*. It will serve as a commentary on the laconic information we get in the *Catholic Encyclopedia* (article on Spain) wherein we read: '. . .the Liberals ruled, except in the provinces occupied by the Carlists, and the moderate ministry of Martinez de la Rosa . . was succeeded by those of Toreno and of Mendizabal, who put up the possessions of the Church for sale (1836).' The *Catholic Encyclopaedia* omits to say that all the convents, with some exceptions, had been confiscated in 1835.[*Footnote:* 'More than one hundred years ago, the Church in Spain was disestablished and despoiled of all real property, while the Religious Orders were suppressed and dispersed under the laws framed by Don Jose de Mendizabal, a Finance Minister of that day.' (*The Conflict in*

Spain, by the Marquis de Merry del Val.)] It makes no reference to the collusion between Rothschild and Mendizabal.

Stabilization of the internal price level of countries is one of the most needed social reforms in the natural order. Without it the demand for social justice becomes a mockery. 'Stabilizing money takes the money factor out of price fluctuation and leaves just the non-monetary factors of demand and supply of commodities. As one well-known writer on these subjects has pointed out, the money factor is like the tides of the ocean, and the commodity demand-and-supply factor is like the waves of the sea. . . . The tides are the big factor determining the level of the water, and the waves a comparatively small factor even in the greatest storm. The money factor is like the tides, and is the principal thing in determining the price-level.' [_Footnote:_ A. N. Field in _Examiner_, May, 1939. He says elsewhere in the same issue: 'Money must be made a just measure of value. If it is not, every money transaction perpetrates injustice, with debts on one level and prices of commodities on another level. And injustice sooner or later means the disintegration of the existing social order.']"

L. B. Woolfolk wrote in his book, *Great Red Dragon, or London Money Power: The Foreign Money Power in the United States*, George E. Stevens, Cincinnati, (1890), pp. 273-274:

"3. Let us notice the effect upon us of the Money Power withdrawing $1,100,000,000 of gold and silver from the country, and keeping the

greenbacks retired from circulation.

1.) By presenting the gold and silver certificates at the Treasury, and drawing the gold and silver they call for, the gold and silver certificates would be withdrawn from circulation.

2.) Then, by withdrawing the rest of the gold and silver, we would be left with nothing but the greenbacks and the National Bank circulation.

3.) But the $346,000,000 of greenbacks have already been, in great measure, retired from circulation. They are all owned in the great money centers, chiefly by the Money Kings, or their agents. When the Money Kings shall be desirous of bringing on a crisis, they will, of course, keep the greenbacks retired.

4.) This would leave us only the National Banking circulation of $239,000,000. By presenting the National Bank circulation at the counters of the banks, and drawing out the gold in their vaults, the Money Kings could compel the National Banks to suspend specie payments, and contract their circulation at least one-half. Then we would be left with only about $120,000,000 of National Bank notes in circulation.

But the greater part of the national banks are owned by the Money Kings, who could withdraw their circulation, if they chose to do so.—It is evident that the Money Kings can, in three months, if they wish, reduce our currency in circulation to less than $100,000,000.

They have got the greenbacks locked up now: and a banker has recently proposed to retire all the greenbacks, and substitute for them silver coin. If this were done, the Money Kings could ship our silver and gold to India, and Africa, and China, and Japan, and South America, to stimulate the industry of those regions, and would leave us almost entirely without currency.

They can easily do this. They only need the excuse of a panic to justify them in doing it. And they could start the panic at any moment by breaking a few National Banks; which can easily be done by drawing out their specie and forcing them to suspend specie payments. In 1837, the Money Kings brought on the panic, by continuing to draw gold from the banks of New York City until they were compelled to suspend specie payments. They brought on the crisis of 1857, by drawing several million dollars of gold from the vaults of the Trust Company Bank in Ohio. That bank was evidently on a sound basis. So now, they can break any or all of our National Banks in a week, and force them to suspend specie payments, or go into bankruptcy.

Our currency is now a *trap*, with the triggers all set, ready to fall whenever the Money Kings choose to touch it off. The condition of the currency needs to be remedied, or we shall have, some day, the most terrible crisis that ever ruined a country. It will not do to have our currency so completely at the mercy of the Money Kings.

This is the state of things we need to remedy."

While the gold merchants tout gold as if a solution to inflation, deflation is as bad or worse than rampant inflation, in that it cripples growth and makes it easy for the wealthy to purchase all the wealth and businesses of the nations, and leads to starvation. It is the cause of depressions. The Rothschilds were caught creating depressions in the Nineteenth Century, as reported on in *The Chicago Tribune*.

By robbing a nation of its gold and silver coinage, Jews were able to destroy that nation's economy by depriving it of its money supply. Jews were also able to increase the value of gold and silver as they accrued a monopoly over it.

The Chicago Tribune, reported on 17 August 1870 on page 4,

"FRANCE.

Special Despatch to The Chicago Tribune.

NEW YORK, Aug. 16,—A Paris letter to the *World* remarks that Messrs. de Rothschild are said to lose several thousand dollars a day on the money they keep idle in their safe, or, rather, vault. One of their most lucrative branches of business is dealing in bullion, and melting and refining gold. The government has ordered them to discontinue this business. The Messrs. de Rothschild are not looked upon with a favorable eye by the government. It is notorious that their sympathies are all German. They have not contributed a son to any of the war funds. You know nine-tenths of the banking business of Paris is in the hands of German bankers. The police watch them very

closely. It is even rumored that one of the wealthiest of them was arrested yesterday for sending large amounts of money out of France. The Bank of France refuses to touch the paper of men suspected of extorting bullion. At the last discount day one of the firms under this suspicion sent in 600,000 francs worth of paper to be discounted. Every cent of it was returned, refused.

In Switzerland matters are still worse. The banks have suspended specie payments, and have refused to discount any notes except those of manufacturers in the neighborhood, and these only in sums sufficient to keep the manufactories running. The interdiction to export gold from France presses with a heavy weight upon Switzerland. It and the banks' refusal to discount have forced all commercial firms in Switzerland to suspend payments. Men whose books show them to be worth millions are compelled to suspend payments, because none of their assets are available. It is impossible to get a bill on Paris cashed anywhere, and all but impossible to get a bill on London cashed. Travellers are advised by bankers here to take with them gold enough to pay their expenses.

The outflow of gold from France continues to be enormous, despite all the measures taken. This necessarily so. Last week the French Government was obliged to send $15,000 in gold to Spain to pay for the wheat, wine, oil, brandy, etc., bought there by the government agents."

Legend has it that the Rothschilds demonstrated that they could break the Bank of England at any time by demanding specie payments. *The Chicago Daily Tribune* published the following article on 21 February 1877 on page 2,

"NATHAN ROTHSCHILD.

His Little Scrimmage with the Bank of England.

Somewhere near a score of years ago, I think, I read the story, then fresh. It has been recalled to my mind by its telling in my presence to an English gentleman, who assured us that he could personally vouch for its truth, he having had business with the old lady of Threadneedle street while the transaction was in progress; and, from this assurance of an eye-witness, I deem the thing worth repeating. I think I remember it as it was told to me.

A bill of exchange, for a large amount, was drawn by Anselm Rothschild, of London. When the gentleman who held it arrived in London, Nathan was away, and he took the bit of paper to the Bank of England, and asked them there to discount it. The managers were very stiff. With haughty assurance they informed the holder that they discounted only their own bills; they wanted nothing to do with the bills of 'private persons.' They did not stop to reflect with whom they had to deal. Those shrewd old fellows in charge of the change of the realm should have known and remembered that that bit of

paper bore the sign manual of a man more powerful than they,—more powerful because independent of the thousand-and-one hampers that rested upon them.

'Umph!' exclaimed Nathan Rothschild, when the answer of the bank was repeated to him. 'Private persons! I will give those important gentlemen to know with what sort of private persons they have to deal!'

And then Nathan Rothschild went at work. He had an object in view,—to humble the Bank of England,—and he meant to do it. He sent agents upon the Continent, and through the United Kingdom, and three weeks were spent in gathering up notes of the smaller denominations of the bank's own issue. One morning, bright and early, Nathan Rothschild presented himself at the bank at the opening of the teller's department, and drew from his pocketbook a five pound note, which he desired to have cashed. Five sovereigns were counted out to him, the officers looking with astonishment upon seeing the Baron Rothschild troubling himself personally about so trivial a matter. The Baron examined the coins one by one, and, having satisfied himself of their honesty in quality and weight, he slipped them into a canvas bag, and drew out and presented another five pound note. The same operation was gone through with again, save that this time the Baron took the trouble to take a small pair of scales from his pocket and weigh one of the pieces, for the law gave him that right. Two—three—ten—twenty—a hundred—five hundred pound notes were presented and cashed. When one

pocketbook had been emptied another was brought forth; and when a canvas bag had been filled with gold it was passed to a servant who was in waiting. And so he went on until the hour arrived for closing the bank; and at the same time he had nine of the employes of the house engaged in the same work. So it resulted that ten men of the house of Rothschild had kept every teller of the bank busy seven hours, and had exchanged somewhere about £22,000. Not another customer had been able to get his wants attended to.

The English like oddity. Let a man do something original and piquant, and they will applaud even though their own flesh is pricked. So the people contrived to smile at the eccentricity of Baron Rothschild, and when the time came for closing the bank, they were not a tenth part so much annoyed as were the customers from abroad, whose business had not been attended to. The bank officials smiled that evening but—

On the following morning, when the bank opened, Nathan Rothschild appeared again, accompanied by his nine faithful helpers, this time bringing with him as far as the street entrance four heavy two-horse drays, for the purpose of carting away the gold, for to-day the Baron had bills of a larger denomination. Ah, the officers of the bank smiled no more, and a trembling seized them when the banker monarch said, with stern simplicity and directness:

'Ah, these gentlemen refuse to take my bills. Be it so. I am resolved that I will keep not one of theirs. It is the house of Rothschild against the Bank of England!'

The Bank of England opened its eyes very wide. Within a week the house of Rothschild could be demanding gold it did not possess. The gentlemen at the head of affairs saw very plainly that in a determined tilt the bank must go to the wall. There was but way out of the scrape, and they took it. Notice was at once publicly given that thenceforth the Bank of England would cash the bills of Rothschild as well as its own!—*Exchange*."

The ancient Jews ruined Rome by syphoning off the gold. Cicero's *Pro Flaccus*, Chapter 28, states,

"XXVIII. The next thing is that charge about the Jewish gold. And this, forsooth, is the reason why this cause is pleaded near the steps of Aurelius. It is on account of this charge, O Laelius, that this place and that mob has been selected by you. You know how numerous that crowd is, how great is its unanimity, and of what weight it is in the popular assemblies. I will speak in a low voice, just so as to let the judges hear me. For men are not wanting who would be glad to excite that people against me and against every eminent man; and I will not assist them and enable them to do so more easily. As gold, under pretence of being given to the Jews, was accustomed every year to be exported out of Italy and all the provinces to Jerusalem,

Flaccus issued an edict establishing a law that it should not be lawful for gold to be exported out of Asia. And who is there, O judges, who cannot honestly praise this measure? The senate had often decided, and when I was consul it came to a most solemn resolution that gold ought not to be exported. But to resist this barbarous superstition were an act of dignity, to despise the multitude of Jews, which at times was most unruly in the assemblies in defence of the interests of the republic, was an act of the greatest wisdom. 'But Cnaeus Pompeius, after he had taken Jerusalem, though he was a conqueror, touched nothing which was in that temple.' In the first place, he acted wisely, as he did in many other instances, in leaving no room for his detractors to say anything against him, in a city so prone to suspicion and to evil speaking. For I do not suppose that the religion of the Jews, our enemies, was any obstacle to that most illustrious general, but that he was hindered by his own modesty. Where then is the guilt? Since you nowhere impute any theft to us, since you approve of the edict, and confess that it was passed in due form, and do not deny that the gold was openly sought for and produced, the facts of the case themselves show that the business was executed by the instrumentality of men of the highest character. There was a hundredweight of gold, more or less, openly seized at Apamea, and weighed out in the forum at the feet of the praetor, by Sextus Caesius, a Roman knight, a most excellent and upright man; twenty pounds weight or a little more were seized at Laodicea, by Lucius Peducæus, who is here in court, one of our judges; some was seized also at Adramyttium, by

Cnaeus Domitius, the lieutenant, and a small quantity at Pergamus. The amount of the gold is known; the gold is in the treasury; no theft is imputed to him; but it is attempted to render him unpopular. The speaker turns away from the judges, and addresses himself to the surrounding multitude. Each city, O Laelius, has its own peculiar religion; we have ours. While Jerusalem was flourishing, and while the Jews were in a peaceful state, still the religious ceremonies and observances of that people were very much at variance with the splendour of this empire, and the dignity of our name, and the institutions of our ancestors. And they are the more odious to us now, because that nation has shown by arms what were its feelings towards our supremacy. How dear it was to the immortal gods is proved by its having been defeated, by its revenues having been farmed out to our contractors, by its being reduced to a state of subjection."—M. T. Cicero, *Pro Flaccus*, Chapter 28; translated by C. D. Yonge, *The Orations of Marcus Tullius Cicero*, Volume 2, George Bell & Sons, London, (1880), pp. 454-455.

The ancient Jews ruined Egypt by syphoning off the gold. Jews accused themselves of stealing the Egyptians' gold by asking to borrow it from their trusting Egyptian neighbors, then emigrating without giving it back (*Exodus* 11:2; 12:35-36). Joseph stole the gold of Egypt and ruined its money, then enslaved the Egyptian People (*Genesis* 47).

Genesis 47 states:

"1 Then Joseph came and told Pharaoh, and said, My father and my

brethren, and their flocks, and their herds, and all that they have, are come out of the land of Canaan; and, behold, they *are* in the land of Goshen. 2 And he took some of his brethren, *even* five men, and presented them unto Pharaoh. 3 And Pharaoh said unto his brethren, What *is* your occupation? And they said unto Pharaoh, Thy servants *are* shepherds, both we, *and* also our fathers. 4 They said moreover unto Pharaoh, For to sojourn in the land are we come; for thy servants have no pasture for their flocks; for the famine *is* sore in the land of Canaan: now therefore, we pray thee, let thy servants dwell in the land of Goshen. 5 And Pharaoh spake unto Joseph, saying, Thy father and thy brethren are come unto thee: 6 The land of Egypt *is* before thee; in the best of the land make thy father and brethren to dwell; in the land of Goshen let them dwell: and if thou knowest *any* men of activity among them, then make them rulers over my cattle. 7 And Joseph brought in Jacob his father, and set him before Pharaoh: and Jacob blessed Pharaoh. 8 And Pharaoh said unto Jacob, How old *art* thou? 9 And Jacob said unto Pharaoh, The days of the years of my pilgrimage *are* an hundred and thirty years: few and evil have the days of the years of my life been, and have not attained unto the days of the years of the life of my fathers in the days of their pilgrimage. 10 And Jacob blessed Pharaoh, and went out from before Pharaoh. 11 And Joseph placed his father and his brethren, and gave them a possession in the land of Egypt, in the best of the land, in the land of Rameses, as Pharaoh had commanded. 12 And Joseph nourished his father,

and his brethren, and all his father's household, *with* bread, according to *their* families. 13 And *there was* no bread in all the land; for the famine *was* very sore, so that the land of Egypt and *all* the land of Canaan fainted by reason of the famine. 14 And Joseph gathered up all the money that was found in the land of Egypt, and in the land of Canaan, for the corn which they bought: and Joseph brought the money into Pharaoh's house. 15 And when money failed in the land of Egypt, and in the land of Canaan, all the Egyptians came unto Joseph, and said, Give us bread: for why should we die in thy presence? for the money faileth. 16 And Joseph said, Give your cattle; and I will give you for your cattle, if money fail. 17 And they brought their cattle unto Joseph: and Joseph gave them bread *in exchange* for horses, and for the flocks, and for the cattle of the herds, and for the asses: and he fed them with bread for all their cattle for that year. 18 When that year was ended, they came unto him the second year, and said unto him, We will not hide *it* from my lord, how that our money is spent; my lord also hath our herds of cattle; there is not ought left in the sight of my lord, but our bodies, and our lands: 19 Wherefore shall we die before thine eyes, both we and our land? buy us and our land for bread, and we and our land will be servants unto Pharaoh: and give *us* seed, that we may live, and not die, that the land be not desolate. 20 And Joseph bought all the land of Egypt for Pharaoh; for the Egyptians sold every man his field, because the famine prevailed over them: so the land became Pharaoh's. 21 And as for the people, he removed them to cities from *one* end of the borders of Egypt even to the *other* end

thereof. 22 Only the land of the priests bought he not; for the priests had a portion assigned them of Pharaoh, and did eat their portion which Pharaoh gave them: wherefore they sold not their lands. 23 Then Joseph said unto the people, Behold, I have bought you *this* day and your land for Pharaoh: lo, *here is* seed for you, and ye shall sow the land. 24 And it shall come to pass in the increase, that ye shall give the fifth *part* unto Pharaoh, and four parts shall be your own, for seed of the field, and for your food, and for them of your households, and for food for your little ones. 25 And they said, Thou hast saved our lives: let us find grace in the sight of my lord, and we will be Pharaoh's servants. 26 And Joseph made it a law over the land of Egypt unto this day, *that* Pharaoh should have the fifth *part*; except the land of the priests only, which became not Pharaoh's. 27 And Israel dwelt in the land of Egypt, in the country of Goshen; and they had possessions therein, and grew, and multiplied exceedingly. 28 And Jacob lived in the land of Egypt seventeen years: so the whole age of Jacob was an hundred forty and seven years. 29 And the time drew nigh that Israel must die: and he called his son Joseph, and said unto him, If now I have found grace in thy sight, put, I pray thee, thy hand under my thigh, and deal kindly and truly with me; bury me not, I pray thee, in Egypt: 30 But I will lie with my fathers, and thou shalt carry me out of Egypt, and bury me in their buryingplace. And he said, I will do as thou hast said. 31 And he said, Swear unto me. And he sware unto him. And Israel bowed himself upon the bed's head."

This story taught the Jews that they could ruin any nation if they could control the nation's money supply. They controlled the money supply by melting down gold and silver and keeping the metals for themselves. Once they had ruined metallic currency, the Jews could then operate on a barter system with the subjugated Gentiles.

Protocol 20 of *The Protocols of the Learned Elders of Zion* states:

"PROTOCOL NO. XX

TO-DAY we shall deal with the financial program, the discussion of which I have postponed until the end of my report because it is the most difficult, conclusive, and decisive point in our plans. In approaching it, I will remind you that I have already intimated that the result of our actions is measured in figures.

When we become rulers, our autocratic government, for the sake of self-defense, will avoid burdening the people with heavy taxes, and it will not forget the role it has to play, namely, that of Father and Protector. But as government organization is costly, it is necessary to raise the means for its maintenance. Consequently, we must carefully work out the plan of a fair distribution of taxation.

In our government the sovereign will have the legal fiction of owning everything in his kingdom (which is easily put into practice), and can resort to legal confiscation of all money in order to regulate its circulation

throughout the country. Consequently, the best method of taxation is the levying of a progressive tax on property. Taxes will thus be paid without difficulty or ruin in respective proportion to the amount of property owned. The rich must realize that it is their duty to give a part of their surplus wealth for the benefit of the country as a whole, because the government guarantees inviolability of the remaining part of their property and the right of honest gain. I say *honest* because the control of property will prevent legal theft.

This social reform must come front above, for the time is ripe and it is becoming necessary as a guarantee of peace.

The tax on the poor is the seed of revolution, and it acts detrimentally to the government, which loses the great in its pursuit of the little. Moreover, the taxation of capital will lessen the increase of wealth in private hands, in which at present we have concentrated it as a counterweight to the governmental power of the Goys, namely, to the state treasury.

Progressive taxation, assessed according to the amount of capital, will produce a much greater revenue than the present system of taxing every one at an equal rate, which is useful to us now only as a means of exciting revolt and discontent among the Goys. The power of our sovereign will rest mainly in equilibrium and in guarantees of peace. For these, the capitalists must cede a part of their income so as to protect the action of the government

machine. Public needs must be met by those who can best afford to do so and by those from whom there is something to take.

Such a measure will eliminate the hatred of the poor towards the rich, as they will be regarded as the financial supporters of the state and the upholders of peace and prosperity. The poor will also see that the rich are providing the necessary means to insure this end.

To prevent intelligent taxpayers from being too discontented with the new system of taxation, they will be furnished with detailed reports of the disbursement of public funds, exclusive of such as are appropriated for the needs of the throne and administrative institutions.

The sovereign will not own property, since everything in the state will seem to belong to him and these two conceptions would contradict each other. Private means would eliminate his right to own everything.

The relatives of the sovereign, aside from his descendants who will also be supported by the state, must join the ranks of government officials, or otherwise work for the right of holding property. The privilege of being of royal blood must not entitle them to rob the state treasury.

Sales, profits, or inheritances will be taxed by a progressive stamp tax. The transfer of property, whether in cash or otherwise, without the required stamp, will place the payment of the tax on the original owner, dating from the time of the transfer until the time of the reported failure to record the

transaction. Transfer vouchers must be shown weekly at the local branch of the state treasury, together with a statement of the names, surnames, and the permanent addresses both of the original and of the new owner. The recording of the names of those participating in a transaction will be necessary in all transactions involving more than a certain amount for ordinary expenditure. The sale of prime necessities will be taxed only by a stamp tax, which will represent a certain small per cent of the cost of the particular article.

Just calculate how many times the amount received from such taxes will exceed the income of the Goy governments.

The state bank must keep a definite reserve fund, and all sums in excess must be put back into circulation. The cost of public works will be met out of this surplus fund. The initiative of such works emanating from the government will also tie the working class to the interests of the government and the rulers. Some of this money will be allotted to prizes for inventions and for the purposes of production.

Even small sums in excess of a certain definite and broadly calculated fund, should not be allowed to be kept in the state treasury, because money is intended to circulate, and every impediment to circulation is detrimental to the governmental mechanism, which the money lubricates; the congestion of lubricating substances can stop the proper functioning of the mechanism.

The substitution of bonds for a part of the currency has created just such an impediment. The result of this has already become sufficiently evident.

We will also establish an auditing office, so as to enable the sovereign to find at all times a full account of state revenues and expenses, except for the current month not yet made up, and that of the previous month not yet presented.

The only person who will not be interested in robbing the state treasury will be the sovereign, its owner. This is the reason why his control will prevent the possibility of loss or misappropriation.

Receptions for the purpose of etiquette, which waste the valuable time of the sovereign, will be abolished, because the ruler needs time for control and thought. Then his power will not be frittered away on the people surrounding the throne for the sake of appearance and brilliance, and who have only their own and not the public interest in mind.

The economic crises were created by us for the Goys only by the withdrawal of money from circulation. Huge amounts of capital were kept idle and were taken away from the nations, which were thus compelled to apply to us for loans. Payment of interest on these loans burdened the state finances and made the states subservient to capital. The concentration of industry having taken production out of the hands of the artisan and put it into the hands of capitalists, sucked all the power out of the people and also out of the state.

The present issue of money generally does not coincide with the need per capita, and consequently it cannot satisfy all the needs of the working classes. The issue of currency must correspond with the increase in population, and children must be reckoned as consumers from the day of their birth. The revision of the issue of currency is an essential problem for the whole world.

You know that gold currency was detrimental to the governments that accepted it, for it could not satisfy the requirements for money, since we took as much gold as possible out of circulation.

We must issue a currency based on the value of the working power, whether it be of paper or wood. We will issue money in proportion to the normal demands of every subject, adding a certain amount at every birth and decreasing it with every death.

Every department (the French administrative divisions), [*Footnote:* The words in parentheses would seem to be a comment of Nilus's.] every district, will be in charge of its own accounts.

To avoid any delay in paying government expenses, the terms of such payments will be decreed by order of the sovereign; this will eliminate any favoritism of the ministry (of finance) [*Footnote:* The words in parentheses are inserted by the editors.] over any other department to the detriment of the others.

The budget of revenues and the budget of expenditure will be placed side by side, in order that they may always be compared with each other

We will present plans for the reform of the Goy financial institutions and of their principles, as planned by us, in such a manner that nobody will be frightened. We will demonstrate the need of reform by the disorderly twaddle produced by the financial disorganization of the Goys. We will show that the first reason for this confusion lies in the drafting of rough estimates for the budget, which increases from year to year. This annual budget is with great difficulty made to last during the first half of the year; then a revised budget is demanded and the funds thus allotted are spent in the next three months, after which a supplementary budget is called for and all this is wound up by a liquidation budget. As the budget of the following year is based on the total expenditure of the preceding year, the divergence from the normal reaches fifty per cent annually, so that the annual budget trebles every ten years. Owing to such a procedure, resulting from the carelessness of the Goy governments, their treasuries became empty. The period of loans followed and used up the remainder and brought all the Goy states to bankruptcy.

You can well understand that such a management of financial affairs as we induced the Goys to pursue cannot be adopted by us.

Every loan proves the impotency of the government and its failure to

understand its own rights. Loans, like the sword of Damocles, hang above the heads of the rulers, who instead of placing temporary taxes on their subjects, stretch forth their hands and beg the charity of our bankers. Foreign loans are leeches, which can never be removed from the governmental body until they either fall off themselves or the government itself manages to get rid of them. But the Goy governments instead of throwing them off increase their number, so that these governments must inevitably perish through self-inflicted loss of blood.

Indeed, what is a loan, especially a foreign loan, if not a leech? A loan is the issuance of government obligations which involve the liability to pay interest in proportion to the sum borrowed. If the loan pays five per cent, then in twenty years the government has unnecessarily paid in interest an amount equal to the principal sum borrowed. In forty years it has paid twice; in sixty years it has trebled the sum, while the loan still remains an unpaid debt.

From this calculation it is evident that under the system of universal taxation the government takes the last penny from the poor taxpayers in the form of taxes in order to pay interest to foreign capitalists, from whom the money was borrowed, instead of collecting these same pennies for its needs free from all interest.

So long as the loans were domestic, the Goys only shifted the money from the pockets of the poor into those of the rich; but when we bribed the proper

persons to make the loans foreign, then national riches poured into our hands and all the Goys began to pay us the tribute of subjects.

The carelessness of the reigning Goys in statemanship, the corruption of their ministers, the ignorance of other officials of financial problems, has forced their countries into debt to our banks to such an extent that they can never pay off their debts. It should be realized, however, that we have gone to great pains in order to bring about such a state of affairs.

Impediments to the circulation of money will not be allowed by us, and therefore there will be no government bonds, except one per cent bonds, so that the payment of interest should not deliver the power of the state to the sucking of leeches. The right of issuing bonds will be exclusively granted to industrial corporations, which will easily pay the interest out of their profits. The government, however, does not derive profit on borrowed money as these corporations do, since the state borrows money for expenditure and not for production.

Industrial bonds will also be bought by the government, which instead of being, as at present, the payer of tribute on loans, will become a sound creditor. Such a measure will prevent stagnation in the circulation of money, as well as indolence and laziness, which were useful to us so long as the Goys remained independent, but are not wanted by us in our government.

How apparent is the shortsightedness of the purely bestial brains of the Goys! It manifested itself when they borrowed money for at interest. It did not occur to the Goys that, at any rate, this money, with the additional interest on it, would have to be taken from the resources of the country and paid to us. Would it not have been more simple to take the needed money from their own people?

This proves the genius of our distinguished mind, for we were able to present the question of loans to them in such a light that they saw in loans an advantage for themselves.

Our estimates, which we will produce when the time comes, will be based on the experience of centuries, on all those experiments which were conducted by us at the expense of the Goy governments; our estimates will prove to be clear and definite, and will obviously demonstrate the advantage of our new system. They will end all those abuses which made it possible for us to master the Goys, but which cannot be permitted in our reign.

We will so organize the accounting system that neither the sovereign himself nor the most humble clerk will be able to deflect the smallest sum from its destination or direct it into a different channel from that indicated in our original financial plan.

It is impossible to govern without a definite plan. Traveling along a definite road with an indefinite supply of provisions destroys heroes and knights.

The Goy rulers, to whom we once gave advice to neglect governmental duties for grandiose receptions, etiquette, and pleasures, only concealed our rule. The accounts of the powerful favorites who replaced the sovereign were drawn up by our agents, and they always satisfied the shallow minds by promises that in the future there would be savings and improvements. Savings from what? From new taxes? This might have been asked but was not asked by those who read our reports and plans. You know to what their carelessness has led them, what financial disorganization they have reached in spite of the wonderful diligence of their people."

I tend to follow the advice of our Founding Fathers and maintain a distrust of government and those in it, especially career politicians. There are no good candidates in this election who have any chance at winning. Of the bad candidates, Ron Paul is perhaps the best. If he were to win, it would send a signal to the American People that we can change things. Unfortunately, that change is a trap meant to favor the gold merchants and the bankers.

The only way to save the American People from another depression is to educate them as to how they are being set up by friendly foes. The People must have power.

The leaders the Jewish media and Jewish bankers offer us do not work in our interests, but we can insist that the policies they institute work in our favor. So don't childishly cling to Ron Paul as if he is our savior and our fate depends upon him. Also do not flippantly dismiss his candidacy.

We, the American People, can use him just as easily as he intends to use us. What we need to do is impeach Bush and Cheney and then elect an alternative presidential candidate who at least pretends to be outside of the mainstream. Then we need to remain vigilant and insist that our interests are served, not the interests of the Jewish bankers and war profiteers.

More on the Zionist War Criminal Joe Lieberman and the Fulfillment

of Protocol III

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Lieberman has openly called for an illegal aggressive American attack on Iran. *See:*

US should weigh Iran attack: Lieberman

Israeli fifth-columner Joe Lieberman has abused the US Senate as a forum in which to covertly institute Israeli war policy in America. *See:*

Senate Neocons Provoke Iran

Now that the National Intelligence Estimate has discredited the covert Lieberman-Israeli-fifth-column, the "Jewish State" has let the snake out from under the rock and is openly conspiring with the treacherous Zionist leaders of America, Great Britian and France to gin up a war on Iran based on false pretenses. Israelis know no shame and are a threat to every nation on Earth. *See:*

Israel unveils new strategy on Iran

Since Zionist puppets like Lieberman and Bush have been thoroughly discredited by the NIE, the Israelis hope that if they directly appeal to World Jewry that Jews who control the press will

support their efforts to dehumanize and vilify innocent Iranians to the point where the Zionists will win support for their sinister quest to dump nuclear bombs on human beings guilty only of being Moslem. It is an international cry to the Jewish Tribe to support the homeland and sack Teheran, "Be a good Jew and exterminate the Iranians!"

It is fitting that Judaism has from ancient times chosen the hidden snake as its mascot. Levi Chazen wrote,

"Our rabbis have already told us that the ways of the Redemption and *Mashiach* are likened to a snake, hidden from all."—Levi Chazen, "Vayeshev: The Lessons of the Two Mashiachs", *IsraelNationalNews.com*, http://www.israelnationalnews.com/Articles/Article.aspx/7585, (29 November 2007).

Paquita de Shishmareff wrote in her book *Waters Flowing Eastward: The War Against the Kingship of Christ,* quoting Sergei Nilus, who published *The Protocols of the Learned Elders of Zion* in 1905, tens years before The Jewish Genocide of Armenian Christians and 12 years before the Jewish takeover of the Russian Empire,

"II—The Symbolic Snake of Judaism

Protocol III opens with a reference to the Symbolic Snake of Judaism. In his Epilogue to the 1905 Edition of the [*Protocols of the Learned Elders of Zion*] Nilus gives the following interesting account of this symbol:—

According to the records of secret Jewish Zionism, Solomon and other

Jewish learned men had already, in 929 B.C., thought out a theoretical scheme for the peaceful conquest of the whole universe by Zion.

As the course of history unfolded, this scheme was elaborated in detail and completed by later generations of men who had been initiated into their secrets. These learned men decided by peaceful means to conquer the world for Zion with the slyness of the Symbolic Snake, whose head was to represent those who have been initiated into the plans of the Jewish administration, and the body of the Snake to represent the Jewish people—the administration was always kept secret, even from the Jewish nation itself. As this Snake penetrated into the hearts of the nations which it encountered it undermined and devoured all the non-Jewish power of these States. It is foretold that the Snake has still to finish its work, strictly adhering to the designed plan, until the course which it has to run is closed by the return of its head to Zion and until, by this means, the Snake has completed its round of Europe and has encircled it—and until, by dint of enchaining Europe, it has encompassed the whole world. This it is to accomplish by using every endeavour to subdue the other countries by economic conquest.

The return of the head of the snake to Zion can only be accomplished after the power of all the Sovereigns of Europe has been laid low, that is to say, when by means of economic crises and wholesale destruction effected everywhere, there shall have been brought about spiritual demoralisation

and moral corruption, chiefly with the assistance of Jewish women masquerading as French, Italians, etc. Their example is the surest method of encouraging licentiousness among the leaders of the nations.

A map of the course of the Symbolic Snake is shown as follows:—Its first stage in Europe was in 429 B.C. in Greece, where, about the time of Pericles, the Snake first started eating into the power of that country. The second stage was in Rome in the time of Augustus, about 69 B.C. The third in Madrid in the time of Charles V, in A.D. 1552. The fourth in Paris about 1790, in the time of Louis XVI. The fifth in London from 1841 onwards (after the downfall of Napoleon). The sixth in Berlin in 1871 after the Franco-Prussian war. The seventh in St. Petersburg, over which is drawn the head of the Snake under the date of 1881.

All these states which the Snake traversed have had the foundations of their constitutions shaken, Germany, with its apparent power, forming no exception to the rule. In economic conditions England and Germany are spared, but only till the conquest of Russia is accomplished by the Snake, on which at present (i.e., 1905) all its efforts are concentrated. The further course of the Snake is not shown on this map, but arrows indicate its next movement towards Moscow, Kieff and Odessa.

It is now well known to us to what extent the latter cities form the centres of the militant Jewish race. Constantinople is shown as the last stage of the

Snake's course before it reaches Jerusalem. (This map was drawn years before the occurrence of the 'Young Turk'—i.e., Jewish—Revolution in Turkey)."—L. Fry, *Waters Flowing Eastward: The War Against the Kingship of Christ*, TBR Books, Washington, D. C., (2000), pp. 112-113.

Do not let World Jewry lie about this drive to war against Iran, as they have lied about their genocide of the Iraqis. Do not let the snake stay hidden. It is Zionist Jews and the "Jewish State" who are pushing us towards nuclear World War III, and to stop it, we must stop them from achieving their goals.

Protocol 3 states:

"PROTOCOL NO. III

TO-DAY I can tell you that our goal is close at hand. Only a small distance remains, and the cycle of the *Symbolic Serpent*—the symbol of our people—will be complete. When this circle is completed, then all the European states will be enclosed in it as in strong claws.

The modern constitutional scales will soon tip over, for we have set them inaccurately, thus insuring an unsteady balance for the purpose of wearing out their holder. The Goys thought it had been sufficiently strongly made and hoped that the scales would regain their equilibrium, but the holder—the ruler—is screened from the people by his representatives, who fritter away their time, carried away by their uncontrolled and irresponsible

authority. Their power, moreover, has been built up on terrorism spread through the palaces. Unable to reach the hearts of their people, the rulers cannot unite with them to gain strength against the usurpers of power. The visible power of royalty and the blind power of the masses, *separated by us*, have both lost significance, for separated, they are as helpless as the blind man without a stick.

To induce the lovers of authority to abuse their power, we have placed all the forces in opposition to each other, having developed their liberal tendencies towards independence. We have excited different forms of initiative in that direction; we have armed all the parties; we have made authority the target of all ambitions. We have opened the arenas in different states, where revolts are now occurring, and disorders and bankruptcy will shortly appear everywhere.

Unrestrained babblers have converted parliamentary sessions and administrative meetings into oratorical contests. Daring journalists, impudent pamphleteers, make daily attacks on the administrative personnel. The abuse of power is definitely preparing the downfall of all institutions and everything will be overturned by the blows of the infuriated mobs.

The people are shackled by poverty to heavy labor more surely than they were by slavery and serfdom. They could liberate themselves from those in

one way or another, whereas they cannot free themselves from misery. We have included in constitutions rights which for the people are fictitious and are not actual rights. All the so-called 'rights of the people' can exist only in the abstract and can never be realized in practice. What difference does it make to the toiling proletarian, bent double by heavy toil, oppressed by his fate, that the babblers receive the right to talk, journalists the right to mix nonsense with reason in their writings, if the proletariat has no other gain from the constitution than the miserable crumbs which we throw from our table in return for his vote to elect our agents. Republican rights are bitter irony to the poor man, for the necessity of almost daily labor prevents him from using them, and at the same time deprives him of his guarantee of a permanent and certain livelihood by making him dependent upon strikes, organized either by his masters or by his comrades.

Under our guidance the people have exterminated aristocracy, which was their natural protector and guardian, for its own interests are inseparably connected with the well-being of the people. Now, however, with the destruction of this aristocracy the masses have fallen under the power of the profiteers and cunning upstarts, who have settled on the workers as a merciless burden.

We will present ourselves in the guise of saviors of the workers from this oppression when we suggest that they enter our army of Socialists, Anarchists, Communists, to whom we always extend our help, under the

guise of the rule of brotherhood demanded by the human solidarity of our *social masonry*. The aristocracy which benefitted by the labor of the people by right was interested that the workers should be well fed, healthy, and strong.

We, on the contrary, are concerned in the opposite—in the degeneration of the Goys. Our power lies in the chronic malnutrition and in the weakness of the worker, because through this he falls under our power and is unable to find either strength or energy to combat it.

Hunger gives to capital greater power over the worker than the legal authority of the sovereign ever gave to the aristocracy. Through misery and the resulting jealous hatred we manipulate the mob and crush those who stand in our way.

When the time comes for our universal ruler to be crowned, the same hands will sweep away everything which may be an obstacle in our way.

The Goys are no longer accustomed to think without our scientific advice. Consequently, they do not see the imperative need of upholding that which we will sustain by all means when our kingdom is established, namely, the teaching in the schools of *the only true science, the first of all sciences—the science of the construction of human life, of social existence, which requires the division of labor and, consequently, the separation of people into classes and castes*. It is necessary that all should know that *equality*

cannot exist, owing to the different nature of various kinds of work; **that there cannot be the same responsibility before the law in the case of an individual who by his actions compromises an entire caste and another who does not affect anything but his own honor.**

The correct science of the social structure, to the secrets of which we do not admit the Goys, would demonstrate to all that occupation and labor must be differentiated so as not to cause human suffering by the discrepancy between education and work. The study of this science will lead the masses to a voluntary submission to the authorities and to the governmental system organized by them. Whereas, under the present state of science, and due to the direction of our guidance therein, the people, in their ignorance, blindly believing the printed word, and owing to the misconceptions which have been fostered by us, feel a hatred towards all classes whom they consider superior to themselves, since they do not understand the importance of each caste.

This hatred will be still more accentuated by the *economic crisis*, which will stop financial transactions and all industrial life. Having organized a general economic crisis by all possible underhand means, and with the help of gold which is all in our hands, we will throw great crowds of workmen into the street, simultaneously, in all countries of Europe. These crowds will gladly shed the blood of those of whom they, in the simplicity of their ignorance, have been jealous since childhood and whose property they will then be able

to loot.

They will not harm our people because we will know of the time of the attack and we will take measures to protect them.

We have persuaded others that progress will lead the Goys into a realm of reason. Our despotism will be of such a nature that it will be in a position to pacify all revolts by wise restrictions and to eliminate liberalism from all institutions.

When the people saw that they obtained concessions and license in the name of liberty, they imagined that they were the masters, and rushed into power; but like every blind person, they encountered innumerable obstacles; *they rushed to seek a leader, with no thought of returning to the old one*, and laid power at our feet. Remember the French Revolution, which we have called 'great'; the secrets of its preparation are well known to us, for it was the work of our hands.

Since then we have carried the masses from one disappointment to another, so that they will renounce even us in favor of *a despot sovereign of Zionist blood, whom we are preparing for the world.*

At present, as an international force, we are invulnerable, because if we are attacked by one state we are supported by other states. The unlimited baseness of the Goy peoples, who grovel before force, who are pitiless towards weakness, who are merciless to misdemeanors and lenient to

crimes, who are unwilling to tolerate the contradictions of a free social structure; patient unto martyrdom in bearing with the violence of daring despotism—this is what helps our independence. They tolerate and permit such abuses from their modern premiers—dictators—for the least of which they would behead twenty kings.

How can such a phenomenon be explained, such an illogical conception on the part of the mass of the people towards events of seemingly the same nature? This phenomenon can be explained by the fact that these dictators through their agents whisper to their people that by these abuses they injure the states for a supreme purpose, namely, for the attainment of the happiness of the people, their universal fraternity, solidarity, and equality. Of course, they are not told that this unification will be achieved only under our rule. Thus, the people condemn the just and acquit the unjust, more and more convinced that they can do what they please. Owing to this, the people destroy all stability and create disorder on every occasion.

The word 'Liberty' brings all society into conflict with all authority, be it that of God or Nature. This is why, at the moment of our enthronement, we shall strike this word from the dictionary as being the symbol of brute power, which turns the masses into bloodthirsty beasts. It is true, however, that these beasts go to sleep as soon as they have drunk blood, and then it is easy to shackle them; but if the blood is not given to them they will not sleep and

will struggle."

Jerusalem Joe Lieberman Tells a Typical Zionist Lie

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Joe Lieberman, another formerly leftist Zionist Jew turned hard Zionist Republican-right, has endorsed Republican Zionist madman and longtime Israel-firster John "Bomb Iran" McCain for President. Lieberman stated,

"Being a Republican is important. Being a Democrat is important. But you know what's more important than that? The interest and well-being of the United States of America. Let's put America first again, and John McCain is the man as president who will help us do that."—Joe Lieberman, http://www.cnn.com/2007/POLITICS/12/17/mccain.endorsements/?iref=mpstoryview#cnnSTCVideo

In the name of putting "America first", Joe Lieberman again puts Israel first. This is a typical Zionist deceit. Zionist Jews take away our liberty in the name of "defending democracy". They deliberately and unnecessarily bring us into aggressive war in the name of "peace". They Judaize Christianity in the name of Jesus. They restrict the press to Jewish control in the name of

"freedom of the press". Etc. Etc. Etc.

We learn of Lieberman's Zionist priorities in his endorsement of McCain from one of Lieberman's aides. *CNN.com* reports:

"The Connecticut senator decided to endorse McCain because he considers him 'the most capable to be commander in chief on day one of his administration, and the most capable of uniting the country so that we can prevail against Islamic extremism,' a Lieberman aide said earlier."—"Lieberman: McCain can reunite our country", *CNN.com*, http://www.cnn.com/2007/POLITICS/12/17/mccain.endorsements/?iref=mpstoryview

Jews are taught to pretend be loyal to other nations in order to trick the Goyim into fighting the Jews' wars for them. This behavior is taught in the Jewish book of *Esther* in the Hebrew Bible.

Joe Lieberman, an Orthodox Jew, originally decided to go out with his second wife, because her name is "Hadassah". In the Hebrew Bible, "Hadassah" is the real name of the crypto-Jew "Esther", who wormed her way into the Persian government so that she could commit genocide against the Amalekites. Hadassah has reportedly stated that one or two of the Lieberman couple's children will move to Israel.

Joe Lieberman was Al Gore's running mate in their 2000 bid to become President and Vice President, in which they essentially handed over their victory to George W. Bush, who then promptly committed genocide against the Iraqis and Afghanistanis in the name of defending

Israel. Lieberman has been a strong supporter of Bush and the war on Iraq.

The Jewish war on Islam, led by Israel's fifth column in the American Government and the press, has cost America our morality, our wealth, our economic future, our lives and our reputation. The Jewish war on Islam has poured the blood of innocent millions onto our hands and onto our souls. Israel-first Joe Lieberman wants more of the same. He spews out his Zionist hatred in the name of America. He is deceitful scum of the worst sort, and I am rescued from a redundancy only by virtue of the fact that it is difficult to imagine a worse wretch than Joe Lieberman, except for, perhaps, John McCain; but then you know what they say about birds of a feather. . .

In Answer to Objections Raised in Support of Ron Paul

A few objections have been raised to my arguments demonstrating that Ron Paul is serving the interests of the Jewish bankers, and that his policies spell disaster for the American Economy and the American People. I shall proceed to answer these objections:

1.) *Objection:* We need Ron Paul to save us from tyranny.

Answer: This Hollywood hero worship takes away our power as individuals and hands it over to a career politician. Hollywood Zionist Jew Aaron Russo helped create fear of tyranny in order to promote a Ron Paul type of "liberty" candidate. Before and during the French Revolution and the Russian Revolution, Jewry created the fear of the tyranny of monarchy, while Jewry concurrently created economic crises which they deceitfully blamed on the monarchy, pitting the People against the government and offering their stooges as if saviors of the People, angels sent from the Jewish bankers on golden wings who would bring "liberty, equality and fraternity" to the People. They instead brought death and destruction.

The "Ron Paul Revolution" is following the same Jewish cabalistic model for revolution and will

produce the same results of wars, dictatorship and the ruin of the intellectual class. Jewish bankers are deliberately ruining our economy. Jewry is exploding our debts with wars and scapegoating the American system as if it were the problem, when they are the problem. Jewry is tossing us onto the two horns of a dilemma, in which we are forced to choose between their warmongers and their goldmongers as candidates for president. Jewry creates the problems, then Jewry offers up their faux "solutions", based not on logic and facts, but rather on emotion and advertising.

This is similar to the Jewish tactic of creating world wars so that the people clamor for peace, then offering up the idea of world government as if a solution to war, *viz.* WW I & II, the League of Nations and the United Nations. World Jewry creates tyranny and ruinous monetary policy, then offers up Ron Paul as if a solution to tyranny, a supposed solution that nets them a gold standard on the back of the premise of "restoring the Constitutional Republic".

The blind laissez faire Capitalism advocated in this drive for "freedom" will enable the wealthy to grow even wealthier and to drive out the middle class, leaving only subjugated serfs and the super-rich in America. The lack of regulation will also permit massive pollution and exploitation of the environment. Note that Ron Paul supporters are being duped into ignoring the destruction of the living environment of the Earth, in the name of "freedom" and opposition to "World Government". Note that Ron Paul and Aaron Russo did not go after the root cause of our economic problems, which is the Israeli infiltration of our government and press. They instead sought to grant these enemy forces more "freedom" with which to destroy us.

The model World Jewry has used time after time is to deliberately bring a society into pain, then offer up their stooges as if a solution. Note the typically Jewish style of advertisement for Ron Paul, which is meant to create a cult of personality. It is almost circus-like, portraying the mediocre and timid man as if he were a roaring giant who will rescue us all. Note the fanatical mantra that we are doomed if we do not surrender our fate to the allegedly great Ron Paul. Note that all criticism of Paul is met with vicious *ad hominem* attack, or silence. The Ron Paul promotion and the circumstances in which we find ourselves at the hands of World Jewry, are as I described them long ago in, among many other places, my book *The Manufacture and Sale of Saint Einstein*, page 1000 (*see also* p. 47ff.), where I wrote,

"In 1913, the creation of the Federal Reserve together with the creation of the Federal Income Tax made war an immensely profitable venture. The Jewish bankers had at last a means to tax the American People and heat up the economy and then collapse it in the Great Depression by contracting the money supply, which created a wonderful buying opportunity for them in that it forced others to sell and yet maintained the value of the bankers' money enabling them to buy up whatever they wanted to buy.

It appears that another trap is today being set for the American Public. Americans will be asked to chose between the gold standard as one panacea, or an international currency issuing from a central world bank as another panacea. Either option could ruin the nation. Poseurs serving the interests of the Jewish bankers, bankers who are driven by greed and religious fervor to place all of the wealth of the world in Jewish hands, will step forward and

ridicule the bankers and the Federal Reserve and might even scapegoat all Jews including assimilated Jews. These propagandists will be the agents of the bankers themselves and they will offer up the poisoned fruit of the gold standard. Jewish bankers control most of the gold in the world and if America were to adopt the gold standard it would transfer America's wealth into the hands of Jewish bankers. America would lose its sovereignty to the prophesied Jewish world government and ultimately the gold will be melted down and shipped to Jerusalem severely contracting the money supply and destroying all Gentile economies (*Genesis* 47).

America's gold should be recovered by legal and military means and reparations and damages, as well as the principal and accrued interest stolen from the American economy by Jewish bankers should be recovered. However, the method of securing the lasting value of American money most likely to succeed is for the American Government to issue its own notes and so pay down the debt without accruing more debt. This cannot be done by adopting a gold standard."

2.) *Objection:* Gold is not used in fractional reserve banking, but fiat currency is created by fractional reserve banking.

Answer: Every society has a need for credit. To meet that need, bankers have long issued bank notes with a promise that these notes are redeemable as specie payments in gold and silver. This increases the money supply and promotes growth. Bankers do not maintain 100% reserves for

these loans and note issues, and create fiat money that cannot be redeemed should there be a run on the bank and all the notes be returned for specie payments in gold and sliver.

3.) *Objection:* Gold is debt free money and fiat currency is debt based.

Answer: Typically, when the Jewish bankers succeed in manipulating a given society into accepting their gold standard monetary model, the nation borrows the gold from the bankers, who in turn loan it to themselves, compounding the money supply with fiat money which everyone pretends is specie money. This gold purchase/loan creates a debt which must be paid in gold and is not debt free. It also accrues interest, the money with which to pay must be created through the fiat of fractional reserve, or with additional borrowing, or some combination of the two.

Government issued fiat currency, on the other hand, can be created without creating debt. It does not have to be paid back to anyone, and can be created and retired at any time so as to maintain growth and stable price levels, if those are sound objectives of the nation at any given time. Fiat money is not "just paper" unless and until it is made so through recklessness, corruption, or both. American fiat money can have value as legal tender and as an instrument with which to purchase the goods and services of Americans. A title on a house is not "just a piece of paper" and money which can be used as legal tender and which has value as a means to purchase American goods, services and property is not "just a piece of paper".

Our dollar is losing value not because it is "just a piece of paper", but rather because of Jewish wars and economic policies. Gold currency would not cure these problems, and paper currency

is not to blame for them, though both can be used to facilitate the destruction when Jewry so desires it. The international Jewish lust for destruction must be confronted in order to solve the problems we face. Gold as currency will only give Jewry a further means for exploitation.

4.) *Objection:* Gold and silver have a stable value, while fiat currency is inflationary and manipulated.

In the last few decades, gold values have fluctuated from about 850 dollars an once to about 250 dollars. Many of Paul's advocates object that this change in value is due to manipulation and collusion; but, if true, this proves that gold prices can be manipulated, and that gold is not a stable means of regulating price levels. In fact, gold can be taken away from a nation, or poured into a nation, greatly affecting the price levels of any nation that bases its currency on gold. In addition, gold and silver values fluctuate relative to one another.

Paul advocates often assert that Nixon created the present crisis by refusing specie payments on US dollars. What would they prefer, that all of the gold of the US be syphoned off to other nations and that we be left without currency and in debts which we had no currency with which to pay? This is a proven danger of gold based systems as I demonstrated recently in my blog *Ron Paul, Friend or Foe? Part 2*. Consider the turmoil the bankers can cause in a gold standard system by simply cutting back on loans, foreclosing, shipping gold out of the country, and creating runs on the banks. For example, *The Chicago Tribune* reported on 27 February 1867 on page 2,

"The Rothschilds of Rome.

[Rome Correspondence of the London News.]

Who, whether he has set foot in the Eternal City or no, has not heard of the Torlonias—the Rothschilds of Rome? In the course of last summer, when the monetary crisis here was at its height, Don Alessandro Torlonia—the acting head of the house—won extraordinary popularity by writing a letter to the Pope, in which he offered to buy up the unconvertible Government paper, and substituting a metal currency in its place, providing that the existing managers of the Roman Bank, with Cardinal Antonelli's brother at their head, were sent about their business, and the direction confided to himself. At that time it was quite impossible to get notes converted into coin at any price for the simple reason that there was no coin in the bank. Even now, when things have improved somewhat, it is with the utmost difficulty that you can get change for a scudi note, even at shops in the Corso, and there is not a hotel keeper or a tradesman in Rome who would even look at a five scudi note if you were sufficiently ignorant of the state of things here to present it in payment in the expectation of getting any change out. Of the small pieces of silver, which you obtain with no little difficulty, many are so worn and thin that they seem in a sort of transition state between sliver and paper, and have long since lost all trace of any image or superscription whatever.

So rolling in wealth is Don Alessandro Torlonia that his riches are admitted to be literally untold, and only this much is known certain, that everything in

Rome worth having, except the Pope and St. Peter's, already belongs to him. No wonder then that at the Vatican Don Alessandro should be looked upon as a hardly less dangerous character than Victor Emanuel himself, and that the insulting offer which he made last summer to buy up the Holy Father, and add him so his possessions, should have been decidedly rejected, though it had not entailed the removal of an Antonelli from a lucrative place. On his first appearance in public after making the above mentioned patriotic offer, Don Alessandro received such an ovation as has not been witnessed in Rome since those of which Pius IX. was himself the object, when he gave the first impulse to the Italian Revolution in 1846. This Don Alessandro is the same Torlonia who risked his whole fortune on the gigantic enterprise of draining the Fucine Lake, the issue of which struggle with nature was so long doubtful that it became a common saying in Rome, 'Either Torlonia will drain the Fucine Lake, or the Fucine will drain Torlonia.' In the end, however, Torlonia got the better of the lake, and redeemed about one hundred thousand acres of land for cultivation. Over what was a few years ago a barren waste of waters, flourishing crops may now be seen waving every harvest time, and with last year's produce Don Alessandro had a scheme of feeding the now almost starving Roman people by selling them bread of his own baking at a reduced rate. Such, at least, was the account of the story given me by a patriotic and exceedingly liberal Roman, who made a severe case against the Government out of the stoppage of Torlonia's

extensive bread baking-by-machinery works, which threw some two hundred workmen out of employment just a fortnight ago. I am bound, however, to add that, on proceeding to the spot and making inquiries, I learned quite a different version of the affair, entirely exculpating the Government from any direct interference in the matter. Only this much is certain, that the works are stopped, and that the Roman people stand little chance, at present, of getting their bread at reduced rates."

5.) *Objection:* Since the Jews control the media, why would they need Ron Paul and a populist movement to institute a gold currency system?

Answer: Not all Zionists and media people are aware of the Jewish bankers' plans. In fact, very few are and many others, if made aware of them, might well oppose them. Servants of the Jewish bankers instead have been taught how to think and act. They act reflexively based on this training. They must, therefore, be subtly and often deceptively made to support people they otherwise would reflexively demonize. In addition, they control all sides of the debate, including the media stars of the anti-Paul crowd, so they can withdraw mainstream criticism of Paul if they so desire, and so that they can control Paul by hanging the threat of Jewish media attack over his head. They have done this with Bush and 911. They control the "911" truth movement and turn up the heat on Bush when they want to pressure him. But they also pull back when he obeys. They also have the means to make a press martyr of Paul by attacking him in the media, or reserve him as one of their players as events unfold in the World economy.

A means is always necessary to accomplish a result. Whether the Jews use their control over the

media, or their control of Ron Paul, or combine these forces, they are still exercising their control through a means under their control. The important facts to consider are that they must use an instrument, and they call the tune.

There is, however, a specific reason why they use Ron Paul and the gold merchants who support him. The reason is that many people know that a gold currency system would be a disaster for the United States, and is a gateway to a worldwide currency, which would enable private interests to control the money supply of every individual district on Earth, and thereby demand absolute obedience and have the means to create genocides of famine. The Jewish bankers require a populist movement and the stupid blind force of the mob in order to lead the lemmings off the cliff, and in order to pit the People against those who know the facts and who will try to inform the People of the dangers of World Jewry's plans.

The gold idea will not save us. How will we get the gold to use as currency without borrowing it at interest? How will we pay back the loan on this gold without giving up the principle of the loan, which is the gold we require for a money supply, plus the interest on the borrowed gold, which interest does not exist as money, but which must be borrowed in order to pay back the initial loan plus interest? How will we pay off the national debt without sending our gold overseas and contracting our money supply into a depression?

Would you take out a loan to buy a loaf of bread that required you to pay back that debt with that same loaf of bread, plus another loaf of bread as interest? What could be gained through such a loan? You have not the benefit of the bread, and have accrued an obligation to instead provide another with a loaf of bread, which extra loaf of bread you must borrow with the

promise to pay back it plus yet another. . . No one would knowingly do this.

Why should we borrow gold from the Jewish bankers in order to have money, when we will have to pay back that same gold, plus more gold as interest, in order to pay back the loan? Why should we do this when we, as a sovereign People, have the right to make our own debt free money through our government at minimal expense?

Why does Ron Paul want to again deliver us into the hands of the Jewish bankers as if doing so were a solution to the problems which the Jewish bankers have already deliberately caused us? There will be many economists and others who will explain the inanity of the proposal for using gold for money. Jewry must pit the mob against those who are warning them of the dangers of the gold standard, without revealing the fact that Paul is working in the bankers' interests. They do this by pumping up Paul as if he were a comic book superhero, who is above criticism.

I do not hear Ron Paul calling for the prosecution of the Jewish bankers. I do not hear Ron Paul demanding that we take back from the bankers what they have stolen from us. In this respect, he serves as the controlled opposition to the bankers and effectively shields them from prosecution.

In order to maintain control and exercise influence, the Jewish bankers have to put on a show. These bankers are few in number and are widely disliked. Their best means for controlling and destroying a nation is to have the citizens of that nation control and destroy one another. The Jewish bankers have often created "controlled opposition" political parties and financed stooges who criticize the bankers themselves. The Communists have always been a controlled

opposition to the Jewish bankers, and the Communists' funding, training, support, etc. has always come from the Jewish bankers themselves. Communism is a trap which lures the nations into slavery on the false promises of "freedom" and "economic reform". What is the Libertarian Party?

The Jewish bankers destroyed Russia by duping the Russian People into destroying themselves with bogus promises of "freedom" and "economic reform". The Jews then maintained their control over Russian Slavs by encouraging people to turn in their family members, friends, neighbors, etc. to the Cheka, NKVD, and then the KGB. The Jewish bankers used their puppets to syphon off the wealth of Russia, while these same puppets pretended to the Russian People that they were in opposition to the "Capitalist bankers".

Note that George Bush ran on a platform opposed to "nation building" and American intervention overseas. Then Bush started two wars and destroyed two nations. Paul openly avows that he is running on George W. Bush's campaign platform. It is a gallows for America. We have a known enemy in World Jewry and have to confront it directly and unapologetically. Slogans accomplish nothing other than the slavery of the electorate to a cult of personality.

6.) *Objection:* If the Jewish Bankers Control the Federal Reserve and the American Government, why do they need Ron Paul to replace the Fed and change government policy in their favor?

Answer: One must understand how the Jewish bankers control the American Government and the American People. The objection, here posed as a question, presumes the false premise that

control is magical and requires no intermediary means. For example, one could ask, based on the tacit premise in this objection, "If a driver controls a car, why does he need an engine in the car? If the driver really controlled the car, then the car would not need an engine, only a driver!" Obviously, the driver controls the car through the use of the engine.

The Jewish bankers control the government and the American People by use of stooges and dupes in the government and controlled agents in the media. They also control the government and the American People by creating and promoting propaganda which dupes the People into a false understanding of the issues.

For example, when the Jews wanted to overthrow Russia, they created revolutionary propaganda and distributed it to Russian prisoners of war in the Russo-Japanese War. They thereby made the Russian People clamor for the destruction of their own society and created networks of soldiers and officers who would blindly do the Jews' bidding because they had been led into false beliefs.

This is what the Libertarian Party, Hollywood Zionist Jews including Aaron Russo, and the gold merchants' information and communication networks, have done for the Jews in relation to the gold standard. When the Jews wanted to destroy Russia, they used the press to smear the Czar. They used their agents to cause crippling and unjust strikes, which caused the economy to collapse. They cut off Russia's access to money markets. They brought Russia into war.

The Jewish bankers are presently doing the same to the US. Ron Paul is there to make us clamor for the gold and silver which will bury us as a sovereign nation, in the name of defending our

sovereignty. Bear in mind that the Jewish bankers could not seize control over Russia without their stooges Lenin and Trotsky. The Jewish bankers cannot make us clamor for gold and silver without their stooges in the gold trade and characters like Ron Paul. They need a means by which to exert control. They need a means by which to dupe the American People into instituting their plans. Ron Paul is one of the means. Without any means, the Jewish bankers would be powerless; but that does not mean that they are powerless. They are men of means.

Ron Paul will not cause the downfall of the Fed. The Fed is about to fail because the Jewish bankers have deliberately created a crisis, and the Federal Reserve will need to be replaced. Ron Paul is there to provide one of the bankers' preferred methods of replacing the Fed, just as Nelson Aldrich was there to provide the bankers' solution when the bankers created the crisis of 1907. They do not need Ron Paul to cause the Fed to fail, but rather as a stooge to forward their agenda and manufacture in the public a clamor for the very things the bankers want to have happen, but which are not in the public's interest.

Congressman Charles A. Lindbergh Sr. was very aware of the fact that the bankers had deliberately caused the panic in 1907 in order to make the public clamor for banking reforms, banking reforms the bankers would draft which would give them complete control over the money supply and wipe out the lower level, but numerous, competing banks,

"When the Aldrich-Vreeland Emergency Currency Bill was sprung on the House in its finished draft and ready for action to be taken, the debate was limited to three hours and Banker Vreeland placed in charge. It took so long for copies of the bill to be gotten that many members were unable to secure a

copy until within a few minutes of the time to vote. No member who wished to present the people's side of the case was given sufficient time to enable him to properly analyze the bill. I asked for time and was told that if I would vote for the bill it would be given me, but not otherwise. Others were treated in the same way.

Accordingly, on June 30, 1908, the Money Trust won the first fight and the Aldrich-Vreeland Emergency Law was placed on the statute books. Thus the first precedent was established for the people's guarantee of the rich man's watered securities, by making them a basis on which to issue currency. It was the entering wedge. We had already guaranteed the rich men's money, and now, by this act, the way was opened, and it was intended that we should guarantee their watered stocks and bonds. Of course, they were too keen to attempt to complete, in a single act, such an enormous steal as it would have been if they had included all they hoped ultimately to secure. They knew that they would be caught at it if they did, and so it was planned that the whole thing should be done by a succession of acts. The first three have taken place.

Act No. 1 was the manufacture, between 1896 and 1907, through stock gambling, speculation and other devious methods and devices, of tens of billions of watered stocks, bonds, and securities.

Act No. 2 was the panic of 1907, by which those not favorable to the Money Trust could be squeezed out of business and the people frightened into

demanding changes in the banking and currency laws which the Money Trust would frame.

The Act No. 3 was the passage of the Aldrich-Vreeland Emergency Currency Bill, by which the Money Trust interests should have the privilege of securing from the Government currency on their watered bonds and securities. But while the act contained no authority to change the form of the bank notes, the U. S. Treasurer (in some way that I have been unable to find a reason for) implied authority and changed the form of bank notes which were issued for the banks on government bonds. These notes had hitherto had printed on them, 'This note is secured by bonds of the United States.' He changed it to read as follows: 'This note is secured by bonds of the United States or other securities.' 'Or other securities' is the addition that was secured by special interests. The infinite care the Money Trust exercises in regard to important detail work is easily seen in this piece of management. By that change it was enabled to have the form of the money issued in its favor on watered bonds and securities, the same as bank notes secured on government bonds, and, as a result, the people do not know whether they get one or the other. None of the $500,000,000 printed and lying in the U. S. Treasury ready to float on watered bonds and securities has yet (April, 1913) been used. But it is there, maintained at a public charge, as a guarantee to the Money Trust that it may use it in case it crowds speculation beyond the point of its control. The banks may take it to prevent their own failures, but

there is not even so much as a suggestion that it may be used to help keep the industries of the people in a state of prosperity.

The main thing, however, that the Money Trust accomplished as a result of the passing of this act was the appointment of the National Monetary Commission, the membership of which was chiefly made up of bankers, their agents and attorneys, who have generally been educated in favor of, and to have a community interest with, the Money Trust. The National Monetary Commission was placed in charge of the same Senator Nelson W. Aldrich and Congressman Edward B. Vreeland, who respectively had charge in the Senate and House during the passage of the act creating it.

The act authorized this commission to spend money without stint or account. It spent over $300,000 in order to learn how to form a plan by which to create a greater money trust, and it afterwards recommended Congress to give this proposed trust a fifty-year charter by means of which it could rob and plunder all humanity. A bill for that purpose was introduced by members of the Monetary Commission, and its passage planned to be the fourth and final act of the campaign to completely enslave the people.

The fourth act, however, is in process of incubation only, and it is hoped that by this time we realize the danger that all of us are in, for it is the final proposed legislation which, if it succeeds, will place us in the complete control of the moneyed interests. History records nothing so dramatic in

design, nor so skillfully manipulated, as this attempt to create the National Reserve Association,—otherwise called the Aldrich plan,—and no fact nor occurrence contemplated for the gaining of selfish ends is recorded in the world's records which equals the beguiling methods of this colossal undertaking. Men, women, and children have been equally unconscious of how stealthily this greatest of all giant octopuses,—a greater Money Trust,—is reaching out its tentacles in its efforts to bind all humanity in perpetual servitude to the greedy will of this monster.

I was in Congress when the Panic of 1907 occurred, but I had previously familiarized myself with many of the ways of high financiers. As a result of what I discovered in that study, I set about to expose the Money Trust, the world's greatest financial giant. I knew that I could not succeed unless I could bring public sentiment to my aid. I had to secure that or fail. The Money Trust had laid its plans long before and was already executing them. It was then, and still is, training the people themselves to demand the enactment of the Aldrich Bill or a bill similar in effect. Hundreds of thousands of dollars had already been spent and millions were reserved to be used in the attempt to bring about a condition of public mind that would cause demand of the passage of the bill. If no other methods succeeded, it was planned to bring on a violent panic and to rush the bill through during the distress which would result from the panic. It was figured that the people would demand new banking and currency laws; that it would be impossible for them to get a definitely practical plan before Congress when

they were in an excited state and that, as a result, the Aldrich plan would slip safely through. It was designed to pass that bill in the fall of 1911 or 1912."—C. A. Lindbergh, *Banking and Currency and The Money Trust*, National Capital Press, Washington, D.C., (1913), pp. 92-98.

It is inevitable that people will be angry with the bankers as the American economy collapses under the weight of the crises the bankers have caused. That is what they want. In order to control the process of replacing the Fed, the bankers require an agent who pretends to oppose the bankers, an agent who will trick the People into demanding the "reforms" the bankers want to institute, or they need a dupe. If they had someone who openly worked for the bankers, no one would trust that person. Given that control of the World and countless trillions of dollars are at stake, you can be certain that the Jewish bankers have such a stooge or dupe, and who better fits the mold than Ron Paul, a Congressman who has been petitioning for the replacement of the Fed for some time?

Consider how mass psychology works. The Jewish bankers want us to go on some kind of gold standard. Obviously, they will try to convince us that this is in our best interests even though it is not. Just as they had agents and dupes who promoted Communism as a sound system beyond their influence, they will have agents and dupes who promote the myth that gold is "sound money" beyond their influence.

You wouldn't look to tobacco companies for advice on the negative effects of tobacco use. Why you look to gold merchants and Hollywood Jews for advice on the benefits and dangers of the

gold standard?

The use of Ron Paul and the Libertarian Party as controlled opposition to the bankers is very much like the use of false flag terrorism. When World Jewry wants the US to attack another nation against the interests of the US, Jews perpetrate a false flag attack so that the American People demand that their politicians act against those whom Jewry want to attack. They then have their most trusted stooges wave the flag, talk about "freedom" and demand the war that Jewry wants.

When World Jewry wants the US to change the banking system in a way that benefits them, they crash the economy with a manufactured crisis. They then have their most trusted stooges wave the flag, talk about "freedom" and demand the banking system that Jewry wants.

Is the Zionist Media Against Ron Paul?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Many of Ron Paul's supporters pretend that he is a victim of the Zionist media. Contrast this view with the fact that radical Zionist Glenn Beck told Ron Paul, "You had me at hello!"

Ron Paul on Glenn Beck - Complete Interview @ 20:00 minutes

Ron Paul said of radical Zionist Wolf Blitzer, who was enthusiastic about Ron Paul's campaign

during the Iowan caucuses, "Wolf Blitzer gives me a fair shake. He interviews me and I think he's a very decent journalist."

Ron Paul on Bill Moyers Journal 2 of 3 @ 7:36 minutes

The other two parts of the interview are posted here:

Ron Paul on Bill Moyers Journal 1/4/08 Part 1

and here:

Ron Paul on Bill Moyers Journal 3 of 3

P.S., if Ron Paul wants to court the independent vote, he will have to challenge Barack Obama, which will also win him more Republican support. As for true anti-Zionists, we have an opportunity to find a candidate who is not a Zionist, but time is running out. We should find someone by March.

The Ron Paul Campaign Is an Endless Commercial for Gold

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Ron Paul campaign is growing stale. As intended, it is an endless commercial for the Zionist Gold Cartel. The campaign is following the model of the classic gold advertisement, "bad times are coming, invest in gold as a hedge against inflation." Their slogan is like the Jewish diamond cartel's slogans and is as transparently a hustle.

Don't get me wrong. Gold is a commodity and has value. It has, at times, proven to be a very good investment, which is why it makes a bad currency due to its deflationary properties which are exploited by the bankers. Please do NOT confuse my arguments against gold as currency as if they were arguments against gold as an investment. They are not. If you want investment advice, I won't give it. How you invest and gamble with your money is your own business, not mine.

The style of Ron Paul's campaign, and Aaron Russo's film, is yet another indicator of who the true forces are behind these shallow fearmongering gold commercials. If you ever listen to gold hustlers, they pitch their product by attempting to create a hysteria in their audience, and then offer up gold as a panacea. That is the gold monger's sales pitch.

Russo and Paul followed the same model, and it is no coincidence, but it is losing its luster as candidates like Barack Obama, John Edwards and Mike Huckabee drag out the threadbare rhetoric of their supposed love for the poor and middle class, which empty talk never fails to win support in hard times. Ron Paul's gold commercial will not be able to compete with their disingenuous talk of health care for all, jobs and more classrooms and teachers.

But the Jewish bankers are deliberately crashing the economy and financial systems of the World. They hope that Ron Paul will plant the seed in the minds of the gullible masses that gold is their salvation. He is their miraculous forecaster, their stooge, their prophet of doom who has all the answers, their commercial.

The Jewish bankers operate like the man who throws nails on the road under his tire repair sign, but the bankers' solutions only make the problems they cause even worse.

More Proof that Ron Paul Is an Anti-Moslem Zionist Propagandist Who Scapegoats the Downtrodden for the Crimes of the Zionists

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In addition to Ron Paul's call for Israel to attack its neighbor nations, crush the Palestinians, and bomb Iran, on Glenn Beck's program, he has been calling for,

"No More Student VISA's from Terrorist Nations." *See also:*

Ron Paul's Disgraceful Ad

The Glenn Beck interview:

Ron Paul on Glenn Beck - Complete Interview

Ron Paul is a radical Zionist. His policies will not only destroy Islam, they will destroy the US.

Let's dump him, keep the movement his Zionist bosses created, and find a truly anti-Zionist candidate to represent us against the Ron Paul's of this world. Let the Zionists fall into the pit which they have dug for us. That would be poetic justice.

Iowan Gut-Level Politics and What It Means for Us

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Iowans ignored the issues and voted from the heart, not the head. They did this because the

media and the candidates collaborated to keep issues out of the debate and instead made the focus feelings, religious beliefs and personality. If we had a real media, and at least one viable candidate with the integrity and fortitude to challenge the others, the embarrassing events of Iowa would not have occurred, at least not on the extended national and international scale that they have.

Nevertheless, we can see on a gut level, that heartland America does not like, or trust, Hillary Clinton or Rudi Guiliani. Mitt Romney cannot buy the love of Christians. Ron Paul's enthusiasm and ability to energize his base do not match the enthusiasm of his base nor the ability of his base to energize themselves. Paul is a bit of a dud, does not believe in himself and/or is not meant to win, but is instead there to serve as the poster boy for the Zionist Gold Cartel.

I don't want to see this alter-media movement perish, rather I would like to see it grow into one that is responsive to the concerns of its anti-Zionist base. Ron Paul needs to do something to energize his base going into New Hampshire, such as changing his stance on 911, announcing his potential short list, or exact pick of a runningmate, giving a dramatic speech, criticizing his opponents, etc. We need to find a better candidate, a genuine candidate, a fighter who can deliver an effective speech.

Iowan Republicans embarrassed the Republican Party by voting for the new and polished Pat Robertson, the huckster Huckabee. Hillary is obnoxious, arrogant and palpably untrustworthy. Obama won on "change". What change is it that Obama proposes, from bad to worse. . . from the frying pan into fire? He is image and not substance. McCain farts dust and what comes out of his mouth is even worse. Romney is as plastic as a credit card. We can beat these clowns if we

can find a candidate who will challenge them on the issues of concern to Americans.

We need a man or woman who will not only attack the Federal Reserve, but will go after the criminal cartel that corrupted our government and created the Fed. The names haven't changed. There is no statute of limitations on fraud. We can and should go after these criminals and recover our monies, plus interest, plus punitive damages, plus gold, etc. etc. etc. Huey Long pointed a finger straight at the Jewish bankers, named names, and spoke out for the poor and the middle class. We don't need a Ron Reagan on steroids pushing the selfish laissez faire Milton Friedman come Rothschild garbage of Ron Paul. We need a true populist President, who will make the bankers and war profiteers pay to educate our People, build our infrastructure and provide capital for our industry.

Instead of genociding and hating innocent Moslems, we should point our rifles and bombs at Israel and the Jewish elite and demand REPARATIONS for Jewish crimes against the human race, for the subversion of our government, and for the corruption of our press. This will not only strengthen us, it will weaken them. We must turn the tables on them. Ron Paul is instead stacking the deck in the favor of the mega-rich Jewish laissez faire Capitalist bankers. He cannot win on populist issues, because Ron Paul is not a populist. Like Reagan he serves the interests of the rich, and he does not have the charisma of Reagan. Ron Paul doesn't just want to trickle down on us. He wants to give us the full treatment, including the rich man's shaft and the flush.

But I plead with Ron Paul supporters not to become discouraged. The fact that Paul, who is a dud as a candidate, was able to ride the enthusiasm of his supporters to achieve a 10% showing on the basis of a campaign based on lunacies and glittering generalities, is truly a sign of hope.

Imagine what a true populist candidate with a sound strategy to beat the bankers, with an aggressive and self-confident attitude, and with a hopeful populist message that spoke in an honest way to education, health care and jobs, could accomplish. Surely, he or she could win the White House, rather than simply run to spew out the Jewish bankers' propaganda to our gullible and dumbed-down youth. My suggestion to you is to keep the faith and find a candidate who supports you and your beliefs, rather than undermines your future. In the short term, persuade Paul to do something to energize his base going into New Hampshire, other than sell the bankers' gold to the public.

Note that I am using the term "populist" loosely to mean what it means to most people today, and not necessarily what it originally meant in terms of the "Populist Party".

Ron Paul Plunges a Knife into the Back of His Base

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ron Paul has not only stabbed his base in the back, he has done so repeatedly and many of the

leaders of the "911 truth movement", the anti-Zionist movement and the "White Nationalist Movement" are silent about his treachery, or, when pressed, apologize for it. Why is that?

You must face the reality that Ron Paul and the Zionist Gold Cartel have duped and used you in order to make Paul's crazy ideas appear popular and now mainstream. Now that you have served your purpose, he is turning on you and you can expect that he will continue to ridicule you as he did during his interview with Glenn Beck:

Ron Paul on Glenn Beck - Complete Interview

What may appear to you to have been a grassroots movement to place Ron Paul and Ludwig von Mises' Jewish supremacist monetary policies into the limelight was instead a carefully orchestrated plan executed in no small part by the Hollywood Zionist Jew Aaron Russo and other agents of the Zionist Gold Cartel. It was, quite literally, a Hollywood production. It appeared to you to be a grassroots movement because it was littered with Zionist Jews who lavished praise on Ron Paul and pretended that he was a supporter of the "911 truth movement", the anti-Zionist movement and even the "White Nationalist Movement". You have been suckered into believing your enemy is your savior.

Zionist Jews have always created a controlled opposition to sponsor their plans. With countless trillions of dollars and control of the World at stake, you can be assured that they have not failed to do so in the case of Ron Paul. If Paul truly opposed the Jewish bankers' plans for the American economy the media would relentlessly ridicule him. Instead, some of the media's most radical Zionists have openly embraced Ron Paul.

Why has not the media slammed Paul as they have slammed Charles Percy, Paul Findley, Cynthia McKinney (and her honest father), etc.? Many of the loyal followers of Paul believe that the media has ignored Paul, but they have not, and there is a huge difference between ignoring and attacking, as you will find out as Paul becomes mainstream and attacks his original base. It is a fact that Ron Paul is opposed to the "911 truth movement", the anti-Zionist movement and the "White Nationalist Movement".

Ron Paul blames the Moslems for terrorism. He wants Israel to attack its immediate neighbors and Iran. He wants to privatize money creation and give back World Jewry the power to privately make international currency out of thin air by means of fractional reserve banking based on false claims of gold reserves which do not exist. He is everything International Jewry could have asked for. He is their creation and his views are so obviously against the best interests of the American People, that World Jewry required a controlled opposition to make his views appear mainstream. And these many dupes bow down before Ron Paul, who says the same things as Joe Lieberman, John McCain, Alan Greenspan, J. P. Morgan, the Rothschilds, etc. If you do not accept what these Zionists say, why do you accept the same message from Ron Paul, who is just another Zionist and is in many respects a far more radical Zionist than many Jewish politicians?

Mass psychology is being used against you. Crypto-Jewish voices in the crowd are raised in support of Ron Paul and it appears that he has broad support and is talking sense, when his apparent support is an artifice and he is setting up America for our demise. These techniques are widely used in politics. Have you ever considered how many of the sign carrying protestors,

picketers, and etc. you see in the media are paid, often unemployed, people, party leaders, or government employees? Do you ever wonder where the signs they carry come from? But just watch, it is often the case that Jewish controlled "Revolutions", like the "Ron Paul Revolution", turn harshly on their base as soon as they achieve success.

Consider the fact that the Jewish Bolsheviks slaughtered the Russians after using them to destroy the Russian nation. Consider how they rose to power with promises of "freedom" and economic salvation. I suggest you watch the following interviews with Yuri Bezmenov, where he explains how many "grassroots movements" are manufactured by agents of the government, and how they turn on those who sincerely support them (George Orwell gave similar testimony). I suggest we take advantage of the situation and seize control of the movement which has been created for us and find a leader who actually represents anti-Zionists and will express and defend our issues in the media. Bear in mind that Ron Paul's philosophy was sponsored by exactly the same Jewish bankers who financed Trotsky and Lenin.

Selected Translations from Coudenhove-Kalergi's German Work PRAKTISCHER IDEALISMUS

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ron Paul's philosophy comes from the Ukrainian/Austrian Jew Ludwig von Mises. Mises was very close to Richard Coudenhove-Kalergi, who believed that European gentiles should be led to intermarry with African gentiles so that they would, in Coudenhove-Kalergi's view, be weakened genetically, culturally and politically. Coudenhove-Kalergi asserted that the Jews were a superior race which should rule the World. Some of Coudenhove-Kalergi's seminal work, which was sponsored by the Rothschilds through the Warburgs, has now been translated into English:

English translation of selections of Practical Idealism (Praktischer Idealismus) By Count Richard N. Coudenhove Kalergi - published in Vienna 1925.

Beware of Ron Paul's Interpretation of States' Rights and the Federal Constitution

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

When considering the US Constitution as our social contract, we ought to be careful to distinguish between the bureaucratic procedures and rules iterated in it, and the fundamental human rights, and lack thereof, iterated in it. There is a difference between the fundamental right of free speech which exists without the Constitution, and the bureaucratic processes of the government, which would not necessarily exist without the Constitution.

We have to be very careful when paring down the Federal Government and asserting States' rights not to fall into the trap of considering the fundamental rights iterated in the Bill of Rights, which were amendments, to be considered the exclusive province of the Federal Government as they once were. For a very long time, powerful forces denied Americans their fundamental rights under the Bill of Rights in the prosecutions and affairs conducted by the States. It is only

comparatively recently that our human rights which are recognized under the Federal Constitution have been imposed on the State governments, and I believe that not all of them have yet been incorporated as natural rights to the States.

It used to be that the States could deny due process of law, jury trial, speedy trial, rights against self incrimination, etc. because these were considered Federal protections alone which did not apply to the States unless the States individually adopted them. If I am not mistaken, to this day, States are considered "separate sovereigns" from the Federal Government for purposes of the "double jeopardy" clause, and you can be prosecuted by the State and the Federal Government for the same offense and cannot successfully assert double jeopardy as a defense.

The economic disparities between the States, and the need to defend the American People from the tyranny and neglect apt to occur in individual States, is a subject for another day.

Libertarianism: The New Neo-Conservatism

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

World Jewry gutted the Democratic Party during and after the 2004 elections. I remember

Jewish radio show hosts advising Democrats to offer no policies as if that would force the Republicans to ruin themselves by offering policies. These Jewish radio show hosts knew full well that they were sabotaging the Democratic Party and turning voters towards the neo-Conservative Republicans, and I recall that many callers to these programs begged these Jewish radio show hosts to stop sabotaging the Democratic Party, but to no avail.

World Jewry is now offering up two dead parties in the Democrats and Republicans, parties they have murdered in order to make room for two new Zionist parties, perhaps one headed by Bloomberg and the other the Libertarians in whatever clothing they adorn.

Ron Paul wants to enable Israel to attack Iran and Israel's immediate neighbors, knowing that such an attack will draw in the US. Like George W. Bush, FDR and Woodrow Wilson, Ron Paul campaigns on an anti-interventionalist and anti-war platform, but prepares the way for Israel to start World War III, while deceiving Moslems into believing that he is on their side. He wants to cut off all aid to Moslems and to Israel pretending that this will level the playing field, knowing that Israel needs no aid and that the lack of aid will bury the Palestinians and other Arab and Moslem Peoples. Ron Paul wants to eliminate the UN, which has repeatedly condemned Israel, and whose charter makes Israel's aggressive wars and threats of wars illegal. Such is the treacherous face of the new neo-Conservatism.

Paul wants to bring us back to the good old days, to the golden age when private Jewish banks issued their own notes. These notes were privately manufactured fiat money which was based on the fraudulent lie that the Jewish bankers held in reserve gold to back the notes, which they did not. Paul deceptively sells this Medieval fraud to the American People with the lie that the

People will control the gold and make their own money. He must know that there is not enough gold in the World to monetize in a way that meets the needs of the economy, and that it will be the bankers who hold what gold there is and who will lie to the public and create fiat money on their computers and printing presses. He wants to return us to the days when the Jewish bankers give out notes supposedly backed by gold held in reserve, which does not exist. . . to the days when World Jewry can privately manufacture fiat money and sell it to the public as if it were the commodity gold. Paul calls this fraud, "freedom".

But this new neo-Conservatism does not stop there, for Paul wants to return us to the days when the Jewish laissez faire Capitalists made serfs of the public on the false premise that it was their right to do so, their "freedom" to do so. There is nothing wrong with Capitalism, but there must be restrictions, or all the wealth flows quickly into the hands of the corrupt. Paul pretends that those whose only motive is profit will be the hidden hand for good and charity. He must know that history proves otherwise. Paul wants to return us to the days when the J. P. Morgans and the Bernard Beruchs and the other Rothschild stooges could suck off the wealth of the nation and ruin the middle class as if it were their right of "freedom" to do so. Recall that they were "free" to form monopolistic cartels which took away market forces. Recall that they were "free" to monopolize the media and control the public mind. Recall that they were "free" to rig the stock, bond and money markets. Capitalism without checks quickly results in a master-slave relationship. It does not create a free state, nor does it promote equality. It is a form of class warfare which arms the wealthy and hobbles the middle class. The rich know this, which is why they protect intellectual property, though in a "free" market there would be no such restrictions on production.

Ron Paul is a servant of the selfish super-rich, the benefactor of the bankers. He wants to take away all government powers so that the rich are free to screw the poor as the rich screwed the poor in the middle ages. He would return us to the serf system in the name of "freeing" us. He would empower the Jewish bankers to destroy our environment, addict us to drugs and selfishness, and rob our wealth, just as they did under Yeltsin who also promoted unrestricted Capitalism. Why do the Russians drink so much vodka today? Because for centuries the Jews were the distillers of vodka and the owners of taverns, and they promoted the poison they themselves would only touch on Purim, and in the Ukraine made it mandatory that the Ukrainians drink whenever passing a Jewish owned tavern. Ron Paul's America would look very much like Yeltsin's Russia with drug addicts and poverty the rule of day. Decadence and decay will predominate. The rich will grow immensely richer as the poor sink into deadly poverty. Paul is a nihilist of social responsibility tearing down all safeguards for the poor and middle class and handing over all power to the super rich.

We need a leader who will build up the middle class, take back our wealth from the bankers and reconstruct the infrastructure of America. We need a leader who shuts down Israeli warmongering, instead of freeing Israel's hand to strike the face of its neighbors. We need a leader who cares about all Americans, including the poor, and who ensures that education to the highest levels is available to all those Americans who will put it to good use.

We have to find a genuine candidate who cares about Americans and America's future. Ron Paul is just the next phase in the Jewish bankers' plan to ruin us and build up Israel at our expense. We need better education, industry and health care in America. Ron Paul's policies are a fiction

told by the mega-rich to help them suck off the wealth of the middle class and widen the gap between rich and poor. He is promoting self-destructive selfishness and Israeli aggression in the Middle East, which will most certainly drag in Americans. Paul is brainwashing our youth to believe that the super rich have the middle class and the poor's best interests at heart, that the poor are our enemy and the cause of our problems, and that the Jewish bankers have the right to privately control and manufacture our money.

What will follow the ruin of America? Certainly it will be a form of Communism far worse than the Soviet Union ever was, brought to us courtesy of the new neo-Conservatism.

Where Ron Paul Stands

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Someone has posted the Glenn Beck interview of Ron Paul on Google Video:

Ron Paul on Glenn Beck - Complete Interview

Ron Paul rejects and ridicules the "911 truth movement" and distances himself from it entirely @ 35:38-38:27 min. Glenn Beck states that Saudi Arabia is an evil country and Paul nods in

agreement @ 22:30min. Throughout the interview, Paul blames Osama bin Laden for 911, and Moslems for terrorism. He made no mention of false flag terrorism.

Ron Paul wants to enable Israel to bomb Iran and dominate and attack its neighbors. He wants to cut off all US funds to the Middle East to "neutralize" the situation. This would mean that the Palestinians would receive no aid from the US. Paul and Beck agree that the US is holding Israel back from attacking its neighbors and bombing Iran, which they both regret @ 24:00-26min. When Israel attacks, the US will be drawn in and Paul knows this. Paul must know that it is the Congress and not the President who is to declare wars under the Constitution, and that he will then carry out his "duty" to annihilate the peoples which Israel plans to attack. Glenn Beck states that we are holding Israel back from bombing Iran and Ron Paul agreed with Beck and stated that this is his, Paul's, point. Paul states that Israel is subservient to us and that we should respect their sovereignty, meaning in this context that we should allow Israel to attack Iran.

Paul is opposed to having a government safety net for the poor @ 30:45min. In the context of government provided health care and education, Ron Paul stated we should deny people without means these benefits @ 16:40min. Paul equates government provided health care for those without means to stealing from one's neighbors.

Paul would have the US become "energy independent" by drilling oil in Arctic National Wildlife Refuge (ANWR) and offshore in the US. Paul makes no mention of conservation @ 28:30min.

Radical Zionist Glenn Beck states that he is attracted to Libertarianism because it calls for a return to the gold standard @ 18:00min.

I warn the Palestinians that Ron Paul's policies spell your death. I warn Moslems in general, and all sane people in the World, that Ron Paul wants to enable Israel to start World War III, and he must know that Israel's aggression will draw in the US. He cares not to guarantee the life of the poor and downtrodden. He pretends that "free markets" guarantee food, health care and education for all, when history has taught us again and again that fully unchecked Capitalism pours all capital into the hands of the Jewish bankers and results in the super rich growing richer, the destruction of the middle class and the degradation and suffering of the poor. Ron Paul is no Huey Long. He is instead cut from the cloth of Rothschild.

The "911 truthers" who support Ron Paul are supporting a man who mocks and ridicules them. The environmentalists who support Ron Paul are supporting a man who places the concerns of the energy moguls above the environment. People of conscience who support Ron Paul are supporting a heartless monster the likes of which gave us slavery, child labor, stock market manipulation, the robber barons, banker manufactured depressions, etc. etc. etc. He is another Yeltsin setting us up for the Jewish bankers to steal our wealth in the name of "Capitalism". He is another Wilson and FDR talking peace, while planning for war. He is another Sen. Nelson Aldrich calling for banking reforms so that he can give the bankers exactly what they want.

Speaking of Wilson, does Ron Paul ever mention the fact that Wilson was blackmailed by the Zionist Jew Louis Brandeis? While pontificating on the causes of the Civil War, does Ron Paul ever talk about the fact that the Rothschilds caused the Civil War and financed both sides against each other and profited off of the destruction for decades afterwards?

Why do the Jewish Bankers Want to Transition from Fiat Currency Issued from Central Banks, to Completely Unregulated and Untaxed Private Gold Banks?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish bankers want to eliminate the Central Banks which are tied to governments and replace those systems with entirely private banks under their complete control. Private banks which have no ties to any government, or union of governments, cannot make their notes legal tender. However, they can trade in commodities as currency, and then create their own fiat money through fractional reserve banking by issuing allegedly gold backed notes and electronic credits.

This is why the Jewish bankers want to bury the central banks and move us towards private gold based currencies. It will enable them to create a World currency which is completely under their control and beyond the control of any government.

In order for their money system to be completely outside the control of Goy governments and

the people of the World, International Jewish bankers must addict us to the gold habit. Raw gold is truly international. It can be struck with a private mint mark and traded in every nation on Earth.

Gold can then be used in every nation, and the Jewish bankers can move it from one nation to another nation, cutting back on loans in one place while increasing them in another, building one up country while destroying others; which process will enable the Jewish bankers to accumulate all the property of the World in a short time, and ruin all the nations of the Earth. This is a far more efficient system for them then the central banks which can come under the influence of various governments, and which can be easily replaced by government owned and operated institutions.

Beyond this, the Jewish bankers control most of the gold in one way or another and will reap tremendous profits as they deliberately inflate the fiat currencies and ruin them one after another. Then, to meet the need for credit which cannot be met by raw gold, they will print fiat money and electronic credits and claim that there is gold in their reserves to back this paper and data when there is not, but no one will be allowed to attempt to verify or refute this fiction. That is what Ron Paul refers to as "freedom", the freedom of the Jewish bankers to cheat us and to create monopolies and cartels beyond the reach of any government.

This is why Ron Paul wants to transition us to completely privately owned gold banks. The coins they mint will be universal and entirely under the control of the Jewish bankers with no regulation by governments. It is the Jewish bankers' dream of a completely privately controlled bank which issues all the money of the entire World and regulates the money supply in every

district. Paul is giving the bankers what they want in the name of fighting them, and millions of gullible idiots are gleefully cheering him on.

Ron Paul's Ties to Jewish Supremacism and World Government

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ron Paul is closely tied to the late Ludwig von Mises through his ideas and the institute which bears his name. Ludwig von Mises was in turn closely tied to the Jewish supremacist and organizer of World Government, Richard Coudenhove-Kalergi. Richard Coudenhove-Kalergi promoted the idea of a European Union and a pan-American Union. Rothschild and Warburg sponsored him. Coudenhove-Kalergi also stated that the Jews are a superior race which should lead the World, but that all the other races should be mixed, which according to him would result in the manifestation of the worst traits and the disappearance of the best traits in the Gentile races. Zionist British Prime Minister Benjamin Disraeli had made similar claims.

Coudenhove-Kalergi wanted the different "races" to mix in intermarriage so that the children of these unions would be inferior to their parents and would lose any sense of cultural and ethnic heritage. He wanted to then substitute a new culture of obedience and servitude among this new

degenerated "race", subservience to a ruling Jewish elite. He would have the Jews remain nobly segregated and preserve them as rulers over all others. It is a fact that many of Coudenhove-Kalergi's policies have been instituted. Ron Paul is fronting for these von Misian forces.

Eustace Mullins wrote of Ludwig von Mises and Richard Coudenhove-Kalergi,

"On May 1, 1776, Adam Weishaupt issued further instructions to the Illuminati in Bavaria, 'We labour first of all to draw into our Association all good and learned writers. This we imagine will be the easier obtained, as they must derive an evident advantage from it. Next to such men we seek to gain the masters and secretaries of the Post-Offices in order to facilitate our correspondence.' The Tasso family of Bologna, later Thurn und Taxis, gained control of post offices and intelligence work in Europe and held that power for five centuries. Although these groups surfaced as charitable or fine arts organizations, their goals of anarchy were concealed in all their efforts. In the twentieth century, they culminated in the League of Nations, the United Nations, the communist Party, the Royal Institute of International affairs, the Council on Foreign Relations, the foundations, and a host of lesser groups. Count Coudenhove-Kalergi's Pan Europe Movement, with its powerful backing by aristocrats and international financiers, was represented in the U.S. by its American branch, founded by Herbert Hoover and Col. House, who were also stumping the U.S. for ratification of the League of Nations. Coundenhove Kalergi mentioned in his autobiogrphy

that he had been financed by the Rothschilds and Warburgs, and in the U.S., by Paul Warburg and Bernard Baruch. He was connected with the Thurn und Taxis family. His grandfather, Count Francis Coudenhove-Kalergi, Austrian Ambassador in Paris, had married Marie Kalergi in 1850. She was one of the wealthiest heiresses in Europe, descended from the Byzantine Emperor Nikophor Phikas; in 1300, when Venice was the dominant power in the Mediterranean, Alexios Kalergis had signed the treaty which made Crete a dominion on Venice. A recent premier of Greece, Emmanuel Tsouderos, was a Kalergi.

Melchior Palyi, in 'The Twilight of Gold', reveals the power plays of the World Order in international finance, when he quotes from the Diary of Governor Emile Moreau of the Bank of France. Palyi says, 'In October, 1926, Governor Emile Moreau of the Bank of France sent his closest collaborator to London to explore the intentions of Montagu Norman, Governor of the Bank of England. Pierre Quesnay, then general manager of the Bank of France 1926-30, and Bank for International Settlements 1930-37, brought back a report which was recorded by Moreau : 'Quesnay also gives me interesting views about the ambitions of Montagu Norman and the group of financiers who surround him: Sir Otto Niemeyer, Sir Arthur Salter, Sir Henry Strakosch, Sir Robert Kindersley they are striving to make London the great international financial centre. But those close to Norman state this is not his objective ... he wants more than anything else to witness the setting

up of links between the various banks of issue ... The economic and financial organization of the world appears to the Governor of the Bank of England to be the major task of the Twentieth Century. In his view politicians and political institutions are in no fit state to direct with the necessary competence and continuity this task of organization which he would like to see undertaken by central banks, independent at once of governments and of private finance. Hence his campaign in favour of completely autonomous central banks, dominating their own financial markets and deriving their power from common agreement among themselves. They would succeed in taking out of the political realm those problems which are essential for the development and prosperity of the national financial security, distribution of credit, movement of prices. They would thus prevent internal political struggles from harming the wealth and the economic advancement of nations.'

In short, Norman wished to see the imposition of the World Order over the financial affairs of the nations. It was this agreement among the central banks, rather than the front organization, the League of Nations, which became their final instrument of power. Crucial to these arrangements was the monetarist school, the Austrian School of Economics, an outgrowth of the Pan-Europe movement. Margit Herzfeld notes in her biography of Ludwig von Mises that he participated in Count Coudenhove-Kalergi's Pan Europe movement in 1943. He had been brought to the U.S. in 1940 by a

grant from the Rockefeller Foundation of $2500 a year to work at the Natl. Bureau of Economic Research, which grant was renewed in 1943. Von Mises' pupils, Arthur Burns and Milton Friedman now expound the monetarist theory through a network of supersecret 'conservative' think tanks led by the Mont Pelerin Society. Herzfeld says that von Mises' most famous protege was the Soviet apologist Murray Rothbard."—Eustace Mullins, "The Rule of the Order", *The World Order: A Study in the Hegemony of Parasitism*, Chapter Eight.

Paul wants to create private gold banks, which obviously will be international and become the centralized entirely private Jewish controlled World bank Paul's bosses seek to institute as a mechanism of World control. This new Jewish monopoly on banking and gold will give World Jewry even greater control over money and it will be entirely detached from any country's government. This is the ultimate privatization of money creation and money supply which International Jewry has always sought. Even the system described in Carroll Quigley's book does not give World Jewry the power they will obtain under Ron Paul's system, which extant system has already done so much harm to the Third World and the American dollar,

"The powers of financial capitalism had another far reaching aim, nothing less than to create a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole. This system was to be controlled in a feudalist fashion by the central banks of the world acting in concert, by secret agreements, arrived at in frequent private meetings and conferences. The apex of the

system was the Bank for International Settlements in Basle, Switzerland, a private bank owned and controlled by the worlds' central banks which were themselves private corporations. The growth of financial capitalism made possible a centralization of world economic control and use of this power for the direct benefit of financiers and the indirect injury of all other economic groups."—Carroll Quigley, *Tragedy and Hope: A History of The World in Our Time*, Macmillan Company, New York, (1966) p. 337.

Ron Paul was heavily promoted by the Hollywood Zionist Jew Aaron Russo, who claimed a close personal friendship with the Rockefeller family and who didn't want us to talk about "Jewish bankers". Paul's ties to leading Zionists and his promotion by gold merchants and prominent figures in the "911 truth movement" who shy away from the proven Zionist Jewish and Israeli connection to 911, has been documented by others.

We most definitely do NOT want this man to be President of the United States of America. We have to find a genuine candidate and abandon Paul's candidacy in favor of an honest campaign.

Pig in a Poke: Mike Huckabee's Weakness on the Issues Goes Unchallenged in the Media

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Mike Huckabee is a salesman, not a leader. Like a used car salesman, he pitches his weaknesses as if they were strengths. Huckabee is weak, very weak, on the issues, issues which will be of increasing concern to Americans in 2008. This is a vulnerability in his campaign which is not being criticized as it should be by the media, who are instead promoting this huckster in Iowa, and affording him the opportunity to try to explain away his deficiencies without contradicting his sophistry.

Have a look at the following interviews in *Time*

Mike Huckabee: Front Runner Q&A

Since Huckabee has no comprehensive set of policies, he paints this terrible failure as if it were a strength and claims that it makes him a "leader" instead of a "manager". What this shows is that he is a disingenuous con man, and that the media are not doing their job. People on the internet should seize on this opportunity to show both the weakness and hollowness of Huckabee, and the failure of the media to challenge Huckabee.

Huckabee's message is not "vote for me because I have a clear vision for America and here it is", but rather, "trust me, this car is a cream puff. . . Look at the cross on my neck. . . I swear to you this car is a cream puff. Would I lie to you? There's no need to look under the hood. Trust me, I'm smarter than you and have your best interests at heart. Now sign here. . ."

Huckabee is prostituting his religion. He is the televangelist of politicians and reminds me of

Jimmy Swaggart, Ted Haggard and John Hagee. He has no real campaign so he hawks the cross and asks for donations.

Is the White House for Sale?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

New York Mayor Michael Bloomberg may run for President as an independent:

Bloomberg Moves Closer to Running for President

It appears that the politicians smell blood. The current list of Republican and Democrat candidates are very weak and the best of bad is still bad. Bloomberg is obscenely wealthy, but are his wealth and media contacts enough to secure him a win? Let's hope not.

Americans are going to be concentrated on issues in 2008. Personality and persona are also always strong factors in an election. A third party candidate with the right issues just might stand a chance.

Third party candidates are notorious as spoilers. If Bloomberg throws his hat in the ring, the

base of support needed to win a four way race becomes smaller than that needed to win a three way race. He has serious money and he will pull votes away from both the Democrats and Republicans, no matter who they run.

An anti-Zionist candidate could catch fire if the economy tanks, inflation hits hard, and war spreads. He or she could run on an anti-war, anti-media and anti-big money platform. The issues of jobs, credit, housing, health care and education are bound to be major issues in 2008. A Huey Long type of candidate who points the finger at the source of our woes might also bring out so many new voters to the polling booths, and the same old stale rhetoric from the other candidates might cause so many regular Democrats and Republicans to stay home on election day, that I believe there is a real chance for an anti-Zionist to win, especially if Bloomberg and others clutter the field.

How many anti-Zionists are there in America? How many more will there be come election day? How many disaffected and disgusted Democrats and Republicans will sit out the election, or turn to third party candidates? How many new voters can we register?

Anti-Zionism is beginning to resonate across America. The right conditions for a victory are bound to arise. We need a candidate and we need to organize. We also need to start interviewing genuine, viable, and gutsy candidates and get those interviews all over the internet. If we can do that, then you will see what a timid and shallow creature Ron Paul is by comparison, and perhaps we can draw his support to a real candidate who will fight for us. Paul is succeeding off of the efforts of others, not by way of his talents or charm. If we can hitch that team to someone who can deliver an honest speech telling the American People how we have been attacked and

what we need to do about it, then we can win the presidency for our cause, or at the very least make it easier for anti-Zionist politicians to win in the near future.

The Blind Stupidity of the Hero Worship of Ron Paul

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Perhaps the most amusing of responses to my arguments that Ron Paul represents the interests of the Jewish bankers has been that from the neo-Nazis who rush to Paul's defense by asserting that Paul represents values consistent with National Socialism and I am just a dumb "K**e" trying to trick the Goyim with the facts. I won't delve into their arguments which so obviously misrepresent the facts and my statements and which so obnoxiously violate fundamental logical principles, that they are false on their face. Forgive me for suspecting that these "neo-Nazi" groups are by and large the product of the FBI and Jewish organizations.

Let me state for the record that I believe National Socialism is also the product of Zionist Jewry [*see, for example:* Rome and Jerusalem: A Study in Jewish Nationalism by Moses Hess] and I

oppose its racism, totalitarianism and warmongering. That said, let's examine the blind and stupid support of the neo-Nazis for Ron Paul, assuming for the sake of argument that it is not a contrived front, but is instead genuine.

Adolf Hitler sought a classless society and was vehemently opposed to laissez faire Capitalism. [*See, for example:* Triumph des Willens (Triumph Of The Will)] Hitler also asserted that the State had absolute control over property rights and that it was the State's duty and right to ensure the living standards of its citizens. [*See, for example:* The 25 Points of Hitler's Nazi Party] In addition, Hitler was vehemently opposed to the gold standard. [*See, for example:* Speech by Chancellor Hitler to the Nazi Party in Munich] Ron Paul, to his credit, is no Nazi, but he is supported by neo-Nazis who embrace him as their candidate without realizing that Paul represents precisely the Jewish capitalistic model against which the NSDAP (National Socialist German Workers Party) supposedly fought. Paul is also supported by the most radical Zionist Jews. These "neo-Nazis" would describe Hitler's beliefs as "K**e liberalism" if they had adequate knowledge of what Hitler actually believed. These same people embrace the Jewish Capitalism against which Hitler spoke.

Neo-Nazis are not the only group to embrace Paul and his policies in direct contradiction to their own Party's platform. Many environmentalists support Paul not realizing, or not caring, that Paul would hand over the care of our environment to international corporations that are eagerly awaiting the opportunity to exploit our resources, steal our wealth, and pollute our world; and Ron Paul would deny the People the right to intervene through our government to stop the destruction and pollution of the environment. [Listen to Dennis Miller's interview of Ron Paul] Ron Paul is setting us up for exploitation by the Jewish bankers, just as Boris Yeltsin

set up Russia for the exploitation by Jewish oligarchs, based on the same false premise that the Jewish bankers' laissez faire Capitalism will protect us from exploitation.

World Jewry has made us so fearful of war, that many of us embrace their stooge as if a solution to the problems World Jewry are causing us, a timid and mediocre stooge who has made it clear that he will not confront the source of our problems. Similarly, many members of the "911 truth movement" fanatically support Ron Paul, who openly rejects them.

I attribute the foolish support of the enemy to many factors, the most influential of which are Jewish advertising and the desperation to which World Jewry are driving us through war and impending economic calamity. People who childishly call other people "Sheeple" are themselves playing the game of follow the leader and they are being led right off the cliff.

The Jewish bankers' plans are working well. They needed a populist leader through whom they could infect the mob with false beliefs so that the mob would attack those of us who are warning them of the danger. It is impressive to see how effective these simple strategies and tactics are for controlling the mass psychology of the gullible mob. It is my hope that we can seize control of this movement and place an authentic leader at the head of it. This will require that those who sincerely oppose the Zionists' plans to destroy our lives grow up and exercise sounder judgement.

On Ron Paul and the Orwellian Doublethink in the Zionist Controlled "Alternative" Media

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have been largely silent about the deceptive nature of the "alternative" media and its Jewish Zionist roots. I have done so because it was my hope that they would create an awareness of some of the issues we need to expose, and would foster the formation of anti-Zionist information networks. It is now time for authentic anti-Zionists to assert themselves and seize control of this movement.

George Orwell coined the term "doublethink" in his novel *Nineteen Eighty-Four* and defined it as follows:

"The power of holding two contradictory beliefs in one's mind

simultaneously, and accepting both of them . [***] To tell deliberate lies while genuinely believing in them, to forget any fact that has become inconvenient, and then, when it becomes necessary again, to draw it back from oblivion for just so long as it is needed, to deny the existence of objective reality and all the while to take account of the reality which one denies — all this is indispensably necessary. Even in using the word doublethink it is necessary to exercise doublethink. For by using the word one admits that one is tampering with reality; by a fresh act of doublethink one erases this knowledge; and so on indefinitely, with the lie always one leap ahead of the truth. [***] His mind slid away into the labyrinthine world of doublethink. To know and not to know, to be conscious of complete truthfulness while telling carefully-constructed lies, to hold simultaneously two opinions which cancelled out, knowing them to be contradictory and believing in both of them; to use logic against logic, to repudiate morality while laying claim to it, to believe that democracy was impossible and that the Party was the guardian of democracy; to forget whatever it was necessary to forget, then to draw it back at the moment when it was needed, and then promptly to forget it again: and above all, to apply the same process to the process itself. That was the ultimate subtlety: consciously to induce unconsciousness, and then, once again, to become unconscious of the act of hypnosis you had just performed. Even to understand the word 'doublethink' involved using doublethink."— George Orwell, *Nineteen Eighty-Four*, Martin Secker & Warburg Ltd, London, (1949), pp. 35, 176-177.

The same "alternative" media which have for years asserted that there is a government coverup of the false flag attack known as "911" demand that their audience exercise "doublethink" and excuse Ron Paul's repeated and vehement repudiation of "911 truth". The same voices who assert that Islam has been wrongly blamed for the attacks of 911, promote Ron Paul as if our savior—the same Ron Paul who wrongly blames Islam for the attacks of 911.

My anecdotal observations indicate that these operatives of World Jewry ignored as best they could the fact that Ron Paul stands firmly and unwaveringly against their avowed core beliefs, and when others expose this fact, they run damage control to apologize for Paul accusing him without evidence of deliberate duplicity, or ignorance, while deriding all other career politicians as allegedly being a part of the coverup. They accuse of Ron Paul of trying to lie his way into office at which point he will allegedly fight for "911 truth" and become an anti-Zionist.

I ask my readers to consider the fact that all the evidence indicates that Ron Paul is using the "911 truth movement" to make himself a political celebrity so that he can criticize the "911 truthers" and defend Zionism and Zionist interests. If duplicity is occurring, the evidence indicates that it is the anti-Zionists who are being deceived, not World Jewry.

Note that Ron Paul accepts the support of anti-Zionists and "911 truthers" while deriding these groups in the mass media and Presidential election debates. Note that Zionist Wolf Blitzer runs to defend Ron Paul and avidly promotes him. Note the distinction that Ron Paul reciprocates by promoting Wolf Blitzer who supports him, but does not support the anti-Zionists who support him. It is the anti-Zionists who are being deceived and deceiving themselves, not the Zionists,

and it is the Zionist controlled "alternative" media who are unapologetically making the Zionist stooge Ron Paul a star.

Ron Paul probably attacks "911 truthers" because it is not in World Jewry's interests at this time to have active politicians contradicting the official government version of events. They also do not want Ron Paul to be completely discredited because he is the poster boy for their Gold Standard, and they are currently using their power to discredit the "911 truth movement" while reserving the option to use it as a means to pressure Bush and Cheney to attack Iran and Syria.

The Zionist controlled "alternative" media defend Ron Paul because they need to do so in an effort to attempt to maintain their credibility among their following. After all, they are the ones who deliberately created the Jewish "Ron Paul Revolution". They also want to protect Ron Paul's image, because he is the poster boy for the Jewish bankers' plan to ruin us with the Gold Standard. It should be obvious to all honest and rational people that the doublethink of the "alternative" media proves their duplicity.

P.S. What I have said about the duplicity of covertly Zionist "911 truthers" applies with equal force to the Zionist poseurs who pretend to be anti-Zionists in an effort to deceive people into adopting false and self-destructive beliefs. They apologize for Ron Paul's disastrous Jewish inspired policies and for his ties to the radical Zionists and Jewish supremacists "Ayn Rand", Ludwig von Mises and Richard Coudenhove-Kalergi.

Since I have given them in previous posts, I have not included all references and hyperlinks in this particular post which demonstrate what I have claimed, but they are readily available and

are now generally well known.

We Need a Viable Candidate! The Ron Paul Ship Is Sinking, But Don't Torpedo the Life Boats.

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have been consistently warning people for years that the Jewish bankers would pit the World against us economically, destroy the dollar while cutting back on credit, and would attempt to prop up a puppet in America who would try to trick us into adopting the Gold Standard. My predictions, which I stated in interviews, in my books, on my webpage jewishracism.com, and here in my blog, among other places, have unfortunately come true. *See, for example:*

George Bush's Zionist Warmongering Is Destroying the World Economy: March 05, 2007

Fiscal Policy and the Gold Standard: Beware the Trap: October 25, 2006

The Quiet Counter-Attack: November 29, 2006

After I made these predictions, Ron Paul entered the Presidential race. I have been warning

people about Ron Paul's background and his agenda. I have proven how he fits the model of the Jewish bankers' stooge, which I described years ago. Thankfully, many people are heeding these warnings, and, fortunately, Ron Paul is sinking his own ship. Let us not go down with him.

We need an authentic anti-Zionist candidate, who will challenge the other candidates on their disloyalty to the United States of America. We need someone who will identify the source of our troubles and propose effective means of combating these enemy forces.

As I explained in my blog:

Is the White House for Sale? December 31, 2007

should Bloomberg or some other Zionist candidate run as a third party candidate, it will draw off votes from the Democrat and Republican nominees. This will lower the number of votes our candidate would need for victory.

We can win control of our government if we are willing fight, end the childish hero worship being promoted in the Zionist controlled alternative media for a candidate who openly opposes the views of his base, and support a genuine candidate who is proudly willing and able to fight with us and for us. Ron Paul, a radical Zionist, is the antithesis of the candidate we need. He openly defends Israel's aggression. He wants to make the rich richer and the middle class the poor and the poor poorer.

The Jews who control the alternative media have promoted comparatively stupid and deliberately offensive spokesmen. These operatives are feeding you false beliefs so that you will work against your own interests and destroy yourselves for them. World Jewry does not have

the manpower to ruin you. Instead they use their financial power and abnormal proclivity to deceit to trick you into destroying yourselves.

They ask you to wave the American flag as you tear down the American Government. They ask you to curse the Jewish bankers whom they would have you help by adopting the Gold Standard. They ask you to defend the Bill of Rights as they trick you into stripping yourselves of your freedoms to manufacture your own currency, participate in your own press, and run your own government for your own interests.

There are operatives who are trying to start fights between me and the phoney pied pipers in the alternative media so that I enter into a skunk spraying contest with these agents of World Jewry and in the process waste time and resources and discredit myself by engaging people who are not credible. Please, help me to find a viable candidate. Ignore the bait to waste time fighting with obvious fools. Ignore those who pretend to help by setting up fights.

Now is the time to act and use the political process to defeat World Jewry in their quest to destroy America. Now is the time to find a viable candidate and use the alternative networks the Zionist Jews have created for us in the hopes of tricking us, and use them to our advantage, not the Jewish bankers' advantage.

What World Jewry fears most is that we will organize and demand that government serve our interests by rejecting their stooges, including Ron Paul, and by electing representatives who proudly represent us. That is exactly what we must do, and we must do it now.

Ron Paul's Radical Zionism Comes Out in the Debate

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ron Paul has again made it crystal clear that he is a Zionist. In fact, Ron Paul boasts that he was the only one to defend Israel when Israel illegally bombed Iraq in the below YouTube video @ 6:30 min. Is Ron Paul looking forward to an Israeli attack on Iran?

Ron Paul again stated that his policy of cutting off aid to Israel will benefit Israel because he will also cut off all Arabs, whom he defines in the broadest terms as if enemies of Israel. Paul does not state that Israel has proven itself to be the enemy of Arab nations. Ron Paul wants to benefit Israel by letting them do as they please to the Palestinians, Lebanese, Iranians, etc. and hopes that by cutting off aid to Arabs, whom he credits with receiving three times the aid which Israel receives, he will empower Israel to dominate the Arab nations. These are but a few of the Zionist policies for which Ron Paul stands:

Ron Paul at the South Carolina Debate 1-10-08

In the following article and related video clip, Zionist Wolf Blitzer encourages Ron Paul to do a little damage control and affords him the opportunity to do so:

Ron Paul '90s newsletters rant against blacks, gays

It is interesting to note that Ron Paul's mentor, "Ayn Rand" born Alisa Zinov'yevna Rosenbaum, was also a radical Zionist. She considered the Arabs to be inferior human beings to the Jews of Israel.

Ron Paul, "Ayn Rand" and Alan Greenspan

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have argued that the Russian Jewess Alisa Zinov'yevna Rosenbaum, a. k. a. "Ayn Rand", was an agent of the Bolshevist controlled opposition known as "The Trust". Consider the amazing fact that the two most prominent proteges of Ayn Rand were Alan Greenspan, who chaired the Federal Reserve, and Ron Paul, who is the controlled opposition to the Federal Reserve.

The implosion of the dollar taking place today is an orchestrated event. The Jewish bankers' stooge Ron Paul is there to provide the replacement the Jewish bankers want for the Federal Reserve, private gold banks issuing unbacked bank notes, which will quickly suck all the gold and wealth out of the United States of America.

Again, consider my view that it is no coincidence that the Fed was run by a follower of Alisa Rosenbaum, and that the controlled opposition to the Fed is run by another follower of "Ayn Rand", Ron Paul, who just happens to run for President as the dollar takes a fall by design of the Jewish bankers. Incredible!

Now consider the fact that Rosenbaum, Greenspan and Paul are/were each gold bugs, and ask yourselves whose interests they are/were serving. . .

Ron Paul, "Ayn Rand" and "The Trust"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ron Paul, like Alan Greenspan, was heavily influenced by the Russian Jewess "Ayn Rand". "Rand" was born Alisa Zinov'yevna Rosenbaum in St. Petersburg, Russia, in 1905. I became acquainted with Rosenbaum's subversive activities while battling against one of the most ardent

modern proponents of her philosophies, a radical Zionist Jew who many years ago proposed the nuclear annihilation of Iran, and who defended Einstein's reputation with falsehoods and smears.

"Ayn Rand" came to America from Russia presenting herself as if a radical anti-Communist. Hers was the typical *modus operandi* of Bolshevik operatives working for an official Soviet organization known as "The Trust". These agents, many of them crypto-Jews, came to the West in search of anti-Communists and infiltrated anti-Communist organizations and Western intelligence agencies. Their objective was to forward the interests of Communism by creating a controlled opposition to Communism which would serve the interests of the Communists while pretending to fight them. They also subverted all authentic anti-Communist movements.

Rand promoted negative stereotypes of women, attacked homosexuals, advocated laissez faire Capitalism, and taught selfishness and disregard for humanity. She opposed charity and objected to any governmental assistance for those without means. She wanted to place America on the ruinous Gold Standard.

Rosenbaum's "good advice" to the blacks only held them back by preventing them from using the political process to forward their interests. Her good advice to the Goyim only held the Gentiles back, by making them selfish and irresponsible, and also by preventing them from using their government to better themselves and their neighbors. She taught the Gentiles to hate the poor, undermine the middle class and concentrate wealth in the hands of the wealthiest Jews, all in the name of "fighting Communism". Her "good advice" pitted Goys against one another at the time when they should have been helping one another to become successful. She

taught Gentiles to shun any efforts to cooperate in their communities and improve the lot of one another.

While Jews famously provided communal support and charitable assistance for their own, Rosenbaum helped to create the destructive "me generation" attitudes in Americans, which undermined the good nature of Christianity, weakened communities and inhibited the advancement of the poor and middle class. Her beliefs also fostered the drug culture, pornography and the destruction of public education. While Jews promoted strong community ties, Rosenbaum taught the Goyim to be selfish and "independent", meaning without any sense of social responsibility or communal cohesion.

While Jews wisely took from the public schools all they could, Frederick T. Gates, an agent of World Jewry, used Rockefeller/Rothschild money to finance institutions of higher learning which benefitted Jews, while promoting the idea that Gentile students should be readied for factory work and work as field hands and farmers. While World Jewry took the monies they stole from Gentiles and distributed them charitably to their own, Rosenbaum taught Gentiles to abandon all social responsibility, obsessively focus on themselves, and destroy all government institutions which better the lot of the American middle class and poor.

Alisa Rosenbaum's "anti-Communist" philosophies weakened Americans opening the door for Communism. I suspect she was an agent of "The Trust".

Enter Ron Paul, the "Libertarian" who wants to erode all the powers of the Federal Government which protect us from the Rothschild model of laissez faire Capitalism, in the name of

"freedom". Ron Paul equates personal freedom with "economic freedom", meaning the "freedom" of the Jewish Capitalists to steal our wealth with their monopolies, pollute our environment with their greed, fill our streets with drug dealers, and rob the nation of all our gold and other wealth in the name of creating "sound money".

He would increase the advantages of the wealthy by taking away all public benefits to our citizens which would provide each American with the opportunity to have an education, obtain medical care, drink clean water and breathe clean air. Do not be duped by these agents of World Jewry who are trying to teach you to destroy yourself and your nation in the name of "freedom". We need to do whatever it takes to provide education to our citizens, protect our environment, and tend to the needs of those who need our help, including using our government as a means to secure and promote these vital interests without which personal freedom cannot exist and ceases to have real meaning.

We need to take back our wealth from the Jewish bankers who have exploited Capitalism as a means to syphon off the wealth of Gentiles and leave them poor and uneducated. We need to take the press and educational system out of the hands of World Jewry and create public schools which teach real history and honest social responsibility. Ron Paul's Ayn Rand selfishness will wipe away all Christian values of charity, community and family. It leads impoverished fools to blame the poor for their poverty and celebrate the "right" of rich Jews to own the media, run the government and suck off the wealth, labor and health of the general American public—the supposed "right" of rich Jews to educate their youth while the young of the Gentiles make heroes of thugs and celebrate ignorance and poverty as if the virtues of those who are "free".

Government exists as a collective force. That is not Communism, which places the State above the individual. It is instead the right of the individual to join with his fellows in a common defense against a hostile and alien group bent on exploiting and destroying the individual. We need a strong Federal Government run by us to help us in our fight against the laissez faire Jewish Capitalist bankers. Capitalism should serve us, and where and when it fails to do so, we should exercise our freedom to organize through our government to set things right. We should not be averse to helping one another. It is our duty to help one another. It is only World Jewry which wants us to abandon our responsibilities to our society.

Know "Ayn Rand" and you will know Ron Paul and what a danger he poses to our freedom. Know the machinations of the Bolshevik "Trust" and you will know why the supposedly anti-Zionist and anti-Communist movements in America have always been farces headed by Jews and funded with Jewish money, and why they promote Ron Paul. Understand why no advancements are made in the fight against Zionism and why these front organizations are such an embarrassment to authentic anti-Zionists, why they did nothing during the Israeli attack on Lebanon, why they do nothing to rescue the Palestinians, why they have done nothing to impeach Bush and Cheney, etc. etc. etc. Know also why at critical moments they stage fights among their members and subvert momentum and misinform and mislead wherever possible.

They want to sucker us into a gold system and into giving over all of our wealth to World Jewry. They want to open us up to exploitation the way Russia was exploited under the laissez faire Capitalism of Yeltsin and the Jewish Oligarchs. They want to ruin education for the poor and middle class and make our youth into ignorant drug addicts. They want to pit Americans against

Mexicans, whites against blacks, straights against gays, men against women, etc. and stand in the way of every organized effort we make to better ourselves as a nation and as individuals. They want us to fear making our government stronger in our fight against World Jewry, and they attempt to confound and confuse every effort to make our government truly ours. They are the modern day descendants of the Bolshevik "Trust". Trust them not!

Why Does Ron Paul Criticize Lincoln?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ron Paul blames Abraham Lincoln for the Civil War. In fact, the Jewish bankers created the Civil War. In addition, the Jewish bankers continued to destroy America with the debts they created through the war. Beyond that, the Jewish bankers attacked Lincoln's Greenbacks, which had saved the nation and which gave the American People the power to create their own debt-free money. Given that Ron Paul represents the bankers' interests, it is little wonder that he seeks to discredit Lincoln.

Maj.-Gen. Count Cherep Spiridovich explained how the Jewish bankers created the Civil War,

why they opposed the Greenback, and why the Jewish actor John Wilkes Booth assassinated Lincoln:

"To pay the soldiers the Government issued its Treasury notes, authorized by act of Congress, July 17, 1861, for $50.000.000, bearing no interest. These notes circulated at par with gold. The Rothachilds' agents inspired the American banks to offer to Lincoln a loan of $150 million. But before they had taken much of the loan, the banks broke down and suspended specie payments in Dec. 1861. They wished to blackmail Lincoln and demanded the 'shaving' of government paper to the extent of 33%, an extortion which was refused. A bill drafted for the Government issue of $150 million, which should be full legal tender for every debt in the United States, passed the House of Representatives Feb. 25, 1862, and was hailed with delight by the entire country. But the Wall Street bankers were furious.

Sen. Pettigrew reprints the so called 'Hazzard Circular' sent in 1862 by the Bank of England (ruled by the Rothschilds):

'Slavery is likely to be abolished by the war power and chattel slavery destroyed. This I (Rothschild) and my European friends (the 300 men) are glad of, for slavery is but the owning of labor and carries with it the care of the laborer, while the European (read 'Rothschildian') plan led on by England (i. e. the Rothschilds) is for capital to control labor by controlling wages.

THIS CAN BE DONE BY CONTROLLING THE MONEY. THE GREAT DEBT THAT CAPITALISTS WILL SEE TO IS MADE OUT OF THE WAR must be used as a means to control the volume of money. To accomplish this the BONDS must be used as a banking basis. We are now waiting for the Secretary of the Treasury to make his recommendation to Congress. It will not do to ALLOW the GREENBACK, as it is called, to circulate as money any length of time, as we cannot control that.'

Thus the order of the Rothschilds was clear: 'Capitalists WILL SEE TO IT that a DEBT is MADE out of the war.'

The result was that by 'hook and crook' the Rothschilds enslaved this country. And Schiffs, Baruchs & Co. are the rulers.

The Chairman of the Committee on Ways and Means of the House of Representatives, Mr. Thaddeus Stevens explains how the United States was captured by the Rothschilds:

'The agents of the banks fell upon the bill in haste and disfigured it.'

In the Senate this amendment was tacked upon the bill:

'Good for all debts and dues of the U. S. EXCEPT DUTIES ON

IMPORTS AND INTEREST on the PUBLIC DEBT,' ($150 million above mentioned, plus $70 million, a pre-war debt).

'Thus equipped this bill went forth to rob every American and turn the ownership of this nation into the hands of capitalists.' (Mrs. Hobart).

When the bill came back to the House, Mr. Stevens said:'We are about to consummate a cunningly devised scheme which will bring GREAT LOSS to all classes of people, except one' (the Rothschilds' branch of the Wall Street). The bill was passed.

The Rothschilds were in possession of 80% of the gold the country. They had a 'corner' on gold. By securing discrimination against the 'greenback' by means of the 'Exception clauses' they made a market for their gold.

'Importers were obliged to go to Wall Street to buy gold to pay duties on their goods, and the Wall Street gamblers held the power to fix the price. Gold went to a premium. Had the greenbacks been permitted to retain their full legal tender quality, there would have been no need for gold to pay import duties. The price of gold rapidly rose and before the war closed had reached the price of $2.85, measured in greenbacks. The gold bought in Wall Street to pay import duties became the revenues of the government and was by it paid back to Wall

Street as interest on the public debt. As fast as the bankers sold the gold it was returned for interest on the public debt to be sold again. Thus during the entire war these gold gamblers speculated in gold, making fortunes from the blood and tears of the American people,' (Mrs M. E. Hobart in her 'The Secret of Rothschilds,' p. 54.)

Two more issues of $150 million each, with the 'Except clause' were authorized in July, 1862 and in March, 1863, m ing in all $450,000,000. They bore no interest. When these issues were exhausted and necessity arose for additional money the bankers demanded that Treasury Notes should no longer be made in the form of DOLLARS, but in the form of BONDS: bond draws interest, the dollar does not.

A gigantic war costing seven billions was carried through without gold. Why? Because everything was supplied at home and American money, the 'greenbacks' were gladly accepted.

'How then was it that this government, several years after the was over, found itself owing in London and Wall Street several hundred million dollars to men who never fought a battle, who never made a uniform, never furnished a pound of bread, men, who never did an honest day's ~ in all their lives... The fact is, that billions owned by the sweat, tears and blood of American

laborers have been poured into the coffers of these men for absolutely nothing. This 'sacred war debt' was only a gigantic of fraud, concocted by European capitalists and enacted into American law by the aid of American congressmen, who were their paid hirelings or their ignorant dupes. That this crime has remained uncovered is due to the power of prejudice which seldom permits the victim to see clearly or reason correctly: 'the Money power prolongs its reign by working on the prejudices.' (Lincoln). Every means has been employed to deceive the masses. Ridicule and derision have been applied to all opposition, while flattery and appreciation were showered upon the officials,' (Mary E. Hobart, p. 49).

[***]

Bismarck knew the truth and revealed it in 1876 to a German, Conrad Siem, who published it ('La Vieille France,' N-216, March, 1921). Bismarck said:

'The division of the United States into two federations of equal force was decided long before the Civil War by the High Financial Power of Europe. These bankers were afraid that the United States, if they remained in one block and as one nation, would attain economical and financial independence, which would upset their financial domination over the World. The

voice of the Rothschilds predominated. They foresaw tremendous booty if they could substitute two feeble democracies, indebted to the Jewish financiers, to the vigorous Republic, confident and self-providing. Therefore, they started their emissaries in order to exploit the question of slavery and thus to dig an abyss between the two parts of the Republic. Lincoln never suspected these underground machinations. He was anti-Slaverist, and he was elected as such, But his character prevented him from being the man of one party. When he had affairs in his hands, he perceived that these sinister financiers of Europe, the Rothschilds, wished to make him the executor of their designs. They made the rupture between the North and the South imminent! The masters of Finance in Europe made this rupture definitive in order to exploit it to the utmost. Lincoln's personality surprised them. His candidature did not trouble them: they thought to easily dupe the candidate woodcutter. But Lincoln read their plots and soon understood, that the South was not the worst foe, but the Jew financiers. He did not confide his apprehensions; he watched the gestures of the Hidden Hand; he did not wish to expose publicly the questions which would disconcert the ignorant masses. He decided to eliminate the International bankers, by establishing a system of Loans,

allowing the States to borrow directly from the people without intermediary. He did not study financial questions, but his robust good sense revealed to him, that the source of any wealth resides in the work and economy of the nation. He opposed emissions through the International financiers. He obtained from Congress the right to borrow from the people by selling to it the 'bonds' of States. The local banks were only too glad to help such a system. And the Government and the nation escaped the plots of the foreign financiers. They understood at once, that the United Stats would escape their grip. The death of Lincoln was resolved upon. Nothing is easier than to find a fanatic to strike.'

'The death of Lincoln, was a disaster for Christendom. There was no man in the United States great enough to wear his boots. And Israel went anew to grab the riches of the World. I fear that Jewish Banks with their craftiness and tortuous tricks will entirely control the exuberant riches of America, and use it to systematically corrupt modern civilization. The Jew will not hesitate to plunge the whole of Christendom into wars and chaos, in order that 'the earth should become the inheritance of Israel."

Thus Bismarck, who knew the game of the Jews, spoke in 1876, [***]

According to Bismarck the awful Civil War in America was fomented by a Jewish Conspiracy, and Abraham Lincoln, the hero, and national Saint of the United States, was killed by the same Hidden Hand, which killed six Romanov Czars, ten Kings and scores of Ministers only to easier bleed their nations. [***] Lincoln was reinaugurated on March 4, 1865 and was shot on April 4th, 1865 by an actor Wilkes Booth, who cried: 'The South is revenged.' He was a Jew, but this has never been mentioned!"—Maj.-Gen., Count Cherep-Spiridovich, *The Secret World Government, Or, "The Hidden Hand": the Unrevealed in History: 100 Historical "Mysteries" Explained*, The Anti-Bolshevist Publishing Association, New York, (1926), pp. 177-178, 180-181, 183.

Cherep-Spiridovich made another interesting comment, which, in the case of the "Ron Paul Revolution" provides food for thought,

"And when the U. S. is drowned in an ocean of blood, may be, some American Robespierre will make the same discovery, that all revolutions are Jewish."—Maj.-Gen., Count Cherep-Spiridovich, *The Secret World Government, Or, "The Hidden Hand": the Unrevealed in History: 100 Historical "Mysteries" Explained*, The Anti-Bolshevist Publishing Association, New York, (1926), p. 68.

Ron Paul Is Milquetoast in a World of Sharks

Christopher Jon Bjerknes

The organization is there. The money is there. The candidate is missing.

Ron Paul is a wimp. Put Ron Paul in a prom dress, have him hand out flowers and candy in the park, and Ron Paul might win Miss Congeniality, but the Presidential race is not a beauty pageant. We need a fighter to represent our views, not the bankers' dreams. Even Jay Leno could not stomach Ron Paul's fainthearted lack of spirit:

Ron Paul on the Tonight Show 01-07-08 PT1

Ron Paul on the Tonight Show 01-07-08 PT2

Ron Paul on the Tonight Show 01-07-08 PT3

In a way, this is a good thing, because Ron Paul's policies favor the Jewish bankers.

Why Are You Paying for Ron Paul's Gold Commercial?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It is becoming increasingly obvious that Ron Paul is not a viable Presidential candidate. He is timid, a one trick pony, and speaks out against the beliefs of his base of support.

Conceding defeat, some of Ron Paul's supporters will pretend that he is a "protest candidate", but he is protesting against the views of his base. He is instead an endless advertisement for the Zionist Gold Cartel and the super-rich. Why pay for this commercial?

We need an authentic populist party that takes on the mega-rich and stands up for the middle class and poor. We need to educate people as to who our real enemies are and what we need to do to defeat them.

Ron Paul and Mike Huckabee are promoting the pseudo-populism of the rich. They are suckering the middle class into demanding measures which are against their best interests. While we can certainly create a better tax system than the IRS and the present income tax system, the proposals we are hearing from the false populists will benefit the rich, expand bureaucracies to combat black markets, and keep us in debt to the Jewish bankers forever. See, for example, the following *CNN* article for a hint of what I mean:

Behind Huckabee's radical 'Fair Tax'

Let's find a candidate who is at least as competent as his supporters, and who will represent us

and fight for us. Let's make a sound investment in our future.

Beating Barack

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Barack Obama became a Senator under very suspicious circumstances. One could argue that the Democrat and Republican Parties worked together against the interests of their members to place Obama in power, and that he would not have won without this corrupt support. He speaks of "unity" of the two parties, which is his vision of "change".

We can use this as a point of attack by pointing out that Obama, Bloomberg, Lieberman and others are moving us towards totalitarianism. We can show many examples of such "change", the Nazis, the Communists, etc.

Obama is also the darling of the media, including Oprah, an obscenely wealthy woman, and Larry King, a Zionist Jew. This is dangerous to democracy, as the media and State become one.

Obama is a Democrat and the Democrats won many elections on a supposedly anti-war platform, but have not ended the war nor aggressively sought to prosecute the war criminals. If

Obama is against war, why is he ignoring the war criminals and the war profiteers? Why is Obama preparing for war against Iran? Why is he sucking up to the Israelis, when it is the Israelis who brought us to attack Iraq and Afghanistan? Surely, we can paint Obama as the dangerous hypocrite that he is.

All the audio-visual material needed to ruin Barack Obama's campaign is readily available. We can show him, and the other One Party / Two Party candidates, offering themselves up to World Jewry and Israel. A true anti-Zionist could raise these issues, which no other candidate will raise. Obama is weak, very weak, as a candidate, but those who lick Israeli spittle will not raise the issues that will defeat Obama. The same is true of John McMadman McCain.

America needs several viable political parties, not the smily faced totalitarianism which the Zionists are creating.

Breaking Through the Smear Barrier

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

If we can find a viable anti-Zionist candidate, he or she can break through the Jewish smear barrier with an initial volley of fire against the Zionists for which there is no defense. Our candidate could make a charge against the Zionists that has been thoroughly proven with visual proof.

The Jewish controlled media will not be able to resist smearing our candidate as if an "anti-Semite". We can then show irrefutable proof that will discredit the media and preserve or even improve the reputation of our candidate. Our candidate could show footage of Israelis attacking Palestinians, or the USS Liberty.

After we do this five or six times, with five or six different issues, the American People will start to listen to us and will realize the terrible lying taking place in the Jewish controlled press. But we must be careful. The first, second, third, fourth, fifth and sixth charges our candidate makes must be issues which have already been proven in the mainstream press, and which no honest person could doubt.

After those initial fights, we can then open up the whole panorama of Jewish crimes against the human race; how the Jewish bankers have subverted our countries, stolen our wealth and brought us into war; and how the Israelis have attacked us with a traitorous fifth column and fourth estate. We can beat the Zionists. All we have to do is start fighting back!

Ron Paul Demagoging on the Dogma of the Jewish Supremacist Ludwig von Mises

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Please watch the following clip of Ron Paul lecturing to his flock on 6 January 2008:

Ron Paul at New Hampshire Liberty Forum 2008

Listen for crowd manipulation techniques and note the similarity of Ron Paul's revolutionary talk and tone to old school Bolshevist dogma. Note the childishness and fanaticism of the crowd and how they are manipulated by a few voices.

Substitute Marx for Mises, and Trotsky for Paul, and you have a classic Cabalistic Jewish revolution in the works before your very eyes on Google video. The great icon of the dogma is

held up as an irrefutable and prophetic god as Ron Paul venerates the Jewish supremacist and agent of the Jewish bankers Ludwig von Mises.

Ron Paul is a demagogue working for the enemy. He will destroy America in the name of "saving" it. Know that we are being set up like Russia was set up, and Ron Paul is a major player working for World Jewry.

Gil Scott Heron was right when he said that the revolution will not be televised, but he was wrong when he forecast that it would be live. It is being digitized and googleyesed.

What a pathetic end to a once great nation of independent minded and proud men and women. World Jewry are doing to us what they did to the ignorant Russian Mushiks, and all it takes is a few cheerleaders in a crowd to clap and boo on cue and the crowd is mesmerized by a mediocre phoney.

Ron Paul talks about tearing down the Federal Government of the United States of America, and receives applause. This is the new soft Bolshevism. Smile as you nihilisticly rip to shreds your national government. Sing along with the Fuehrer the Cabalistic Jewish revolutionary chant,

"Everything, yes, everything must be destroyed, since everything must be renewed."—Anonymous Author from the *Patriot*, "Secret Societies in America, Tibet, and China", *The Trail of the Serpent*, Boswell Pub.Co., London, (1936), p. 309.

Cut through Paul's never ending double-speak and hear what he is really saying. Ron Paul wants the American People to destroy themselves, but has a backup plan if he fails to sucker enough of

the masses into following him. Plan B is to wait for the Jewish bankers to destroy America, at which point he will "pick up the pieces." It is the Cabalistic Jews' Hobson's choice for the Goyim, heads they win, tails you lose. All hail Ron Paul! At least he is better looking than Trotsky and Lenin, if not as talented.

Typical Ron Paul Lies and What a Real Anti-Zionist Candidate Could Accomplish

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Someone has posted a compilation of Ron Paul statements from the 5 January 2008 ABC Presidential debate:

Ron Paul - ABC Presidential Debate 01-05-08

Note that Ron Paul blames the poor, the so-called "welfare State", for our problems which are in fact caused by the Israeli fifth column and Jewish controlled press. Our debts are growing because the Israeli Government and its agents in the USA are driving us to war, not because of the downtrodden, who largely need help due to the crimes of the Jewish bankers. In the debate,

Ron Paul doesn't mention the war profiteers and he doesn't mention the fact that the bankers are causing inflation, not the poor. He doesn't demand that we go after the war profiteers and the bankers, but instead wants to cut off the poor and scapegoat them for the woes of the World.

One of Ron Paul's consistent lies is that our monetary system creates inflation of necessity. Paul doesn't state the fact that the same Federal Reserve System could as easily contract the money supply and cause deflation as it increases the money supply and causes inflation. He doesn't discuss lack of personal savings, which will be needed to provide purchasing power as the economy tanks, and the fact that the rich and mega-rich do not pay their fair share of taxes, but instead pass the tax burden onto the middle class, and this is one of many ways the super-rich have destroyed the middle class in America. No, Ron Paul lies and scapegoats the poor for the demise of the American middle class.

Many claim that Ron Paul is a populist candidate, but he is the antithesis of a populist. His support is instead led by an organized and efficient cheering squad of Libertarians, gold bugs, and perhaps elements of secret societies, who give him the appearance of being a grassroots candidate, which effect actually gives him significant numbers of support as a snowballing / Tom Saywer effect takes over. It is classic mass psychology in action. Hats off to the Zionists who created this illusion, many pretending to be anti-Zionists.

The Populist Party, unlike Ron Paul, opposed the bankers and the gold standard, wanted to nationalize the railroads from which the Rothschild robber barons profiteered, called for a graduated income tax, and wanted the Federal Government to make our money. Ron Paul is more like a proponent of the "Know-Nothing" Party, than the Populist Party.

If we had an authentic anti-Zionist candidate, he would argue against "entangling alliances" as Paul pretends to do, but he would raise the issue of the Israeli attack on the USS Liberty in the context of John McCain, and cite it as a good example that the interests of the US and the treacherous nation of Israel are not the same. This would take away McCain's appeal to American veterans and forward the anti-Zionist cause. When the issue of terrorism came up, a truly anti-Zionist candidate would raise the issue of false flag terrorism, again in the context of John McCain, and point out that the American Jew Adam Gadahn is making threats in the name of Islam which are helpful to the radical Zionist John McCain's bid to become President:

New Al Qaeda threat: Will it help John McCain in New Hampshire?

A sincere anti-Zionist would put forth reasonable proposals for revamping of the American monetary system and replacement of the Federal Reserve, and would demand the prosecution of those who have stolen from us through fraud and subversion. Read the fine print before signing up with Ron Paul. He is standing in the way of rescuing the dollar by promoting the myth that inflation is inevitable under our present system, and that his gold system is a panacea. Ron Paul is promoting the myth that Islam is our enemy and that the solution is to let Israel destroy Islam. Ron Paul is hurting the middle class by blaming the poor for problems which are caused by the selfishness and greed of the mega-rich. Paul is a Zionist, robber baron gold bug, who represents the worst of the exploitation of the American People and the American Nation that took place in the 1800's under the direction of the Rothschilds. We need a real anti-Zionist candidate and we need one soon. In fact, we need one by March.

Libertarian Goldbug Gary North Jumps in to Defend Ron Paul with a Baseless Personal Attack

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

According to the Wikipedia page dedicated to this man, Gary North is most noteworthy for his inaccurate predictions of a nuclear war with the Soviet Union, an AIDS epidemic that would subdue hospitals worldwide by 1992, and that Y2K would be a catastrophe of global proportions. I should not expect much from this strange man, and he delivers just that, not much.

In a ridiculous "hit piece" against me, this odd and obnoxious little creature takes exception to my arguments that World Jewry was behind the Armenian Genocide, but fails to address the factual issues I have raised and instead merely complains that in, "a 17-page, fine-print bibliography of books that supposedly prove that English Christians had long favored the restoration of Palestine to the Jews, a bibliography going back centuries. Problem: he does not

list page references in even one of these books that proves his point." Beyond this baseless critique of style, not substance, North has no complaint.

The vast majority of the books contained in the bibliography I compiled and published are works devoted to the argument that the Jews should be restored to Palestine. It would be inappropriate to list page numbers which span from the beginning of a book to its end. Of course, a rational person could deduce from the titles of several of these works that they were devoted to the subject of the restoration of the Jews to Palestine, titles such as Samuel Clarke's "The Conversion and Restoration of the Jews", *A Collection of the Promises of Scripture: or, The Christian's Inheritance*, Part 3, Section 10, American Tract Society, New York, and J. Buckland, London, (1750) and John Collet's book of 1747, *A Treatise of the Future Restoration of the Jews and Israelites to Their Land: with Some Account of the Goodness of the Country, and Their Happy Condition There, till They Shall Be Invaded by the Turks : with Their Deliverance from All Their Enemies, When the Messiah Will Establish His Kingdom at Jerusalem, and Bring in the Last Glorious Ages*, to name but two of several such titles. Many more can be found by searching my book for the exact words "restoration of the Jews".

Gary North, in his reckless and illegitimate campaign to smear me with falsehoods, ignores the fact that I republish several such Zionist texts in my book *The Jewish Genocide of Armenian Christians* which can be found at: http://www.jewishracism.com/JewishGenocide.htm, including the works of the American Jew Mordecai Manuel Noah in their entirety from pages 441 to 526, and lengthy extracts from the work of David Hartley and Isaac Newton on pages 109-120. One can also find articles reproduced in my book on pages 231-236, etc. More such

reproductions are found in another of my books, *The Manufacture and Sale of Saint Einstein*.

North's statement that I present no factual basis for my claims is, not to put too fine a point on it, vicious nonsense. Mr. North is the first Christian theologian I have yet to encounter who is so ignorant of this significant body of literature, that he would dare to question the nature of the works I cite. I recommend that he read B. W. Tuchman, *Bible and Sword: England and Palestine from the Bronze Age to Balfour*, New York University Press, New York, (1956); before again making an ass of himself in this way. There are so many other less obvious ways for him to show his ignorance.

For example, Mr. North finds it extraordinary that I should state the well documented fact that Jewry was behind the Armenian Genocide. Gary North goes so far in his hateful campaign to smear me as to equate this widely held and thoroughly proven view with madness drawn from hatred. If he has read my book, which Gary North presumes to criticize, then he must have read the vast body of factual evidence I reproduce in it, including what the British Ambassador to the Ottoman Empire, Gerard Lowther, wrote to the British Foreign Office,

"[T]his new Freemasonry in Turkey, unlike that of England and America, is in great part secret and political, and information on the subject is only obtainable in strict confidence, while those who betray its political secrets seem to stand in fear of the hand of the Mafia. Some days ago a local Mason who divulged the signs of the craft was actually threatened with being sent before the court-martial, sitting in virtue of our state of siege. [***] [T]he Young Turkey movement in Paris was quite separate from and in great part

in ignorance of the inner workings of that in Salonica. The latter town has a population of about 140,000, of whom 80,000 are Spanish Jews, and 20,000 of the sect of Sabetai [Z]evi or Crypto-Jews, who externally profess Islamism. Many of the former have in the past acquired Italian nationality and are Freemasons affiliated to Italian lodges. Nathan, the Jewish Lord Mayor of Rome, is high up in Masonry, and the Jewish Premiers Luzzati and Sonnino, and other Jewish senators and deputies, are also, it appears, Masons. [***] Emannuele Carasso, a Jewish Mason of Salonica, and now deputy for that town in the Ottoman Chamber, founded there a lodge called 'Macedonia Risorta' in connection with Italian Freemasonry. He appears to have induced the Young Turks, officers and civilians, to adopt Freemasonry with a view to exerting an impalpable Jewish influence over the new dispensation in Turkey[.] [***] The inspiration of the movement in Salonica would seem to have been mainly Jewish[.] [***] Carasso began to play a big rôle, including his successful capture of the Balkan Committee, and it was noticed that Jews of all colours, native and foreign, were enthusiastic supporters of the new dispensation, till, as a Turk expressed it, every Hebrew seemed to become a potential spy of the occult Committee, and people began to remark that the movement was rather a Jewish than a Turkish revolution. The Italian Government appointed a Jew and Mason called Primo Levi, who was not in the consular career, as consul-general at Salonica, and Oscar Strauss, who, together with Jacob Schiff, had influenced

the American Jews in favour of Jewish immigration into Mesopotamia as opposed to other Territorialist plans and as an extended form of Sionism, was appointed American Ambassador here. [***] Carasso was one of the bearers of the message of deposition to Abdul Hamid, who was conveyed to Salonica and confined in the house of the Italian Jewish bankers of the Committee, while a brother of Remzi Bey was set over him as keeper. After the deposition the Jewish papers of Salonica sent up a loud cry of deliverance from 'the oppressor of Israel' who had twice turned a deaf ear to the appeals of Herzl, the Sionist leader, and who, by the imposition of the red passport, like our own Aliens Act, against Polish Jewish immigrants, and otherwise, had thwarted the realisation of the ideals of Sionism in Palestine. The ninth Sionist Congress in December 1909 at Hamburg announced that the divisions in the Jewish world between Territorialists and Sionists, 'as a miracle of the Turkish revolution', had been healed. At the same time Javid Bey, Deputy for Salonica, an exceedingly clever and gifted Crypto-Jew and Freemason, was made Minister of Finance, while Talaat Bey, also a Freemason, became Minister of the Interior. [***] Parliament was 'ordered' to pass a very stringent Press Law, and a Salonica Crypto-Jew and Freemason was made 'Directeur du Bureau de la Presse', a post of enormous power, as its holder can suppress a paper for severe 'criticism of the new regime' (dubbed 'reaction'), or have the proprietor or editor court-martialled. A semi-inspired Ottoman telegraph agency [***] was started under the direction of a Baghdad Jew, and an all but successful attempt was

made to appoint a Salonica Jewish lawyer and Mason as adviser to the Ministry of Justice. The Constantinople head branch of the Committee of Union and Progress is also run by a Salonica Crypto-Jew and Mason. Another Salonica Crypto-Jew and Freemason made determined attempts to be appointed 'Préfet', i.e. Lord Mayor, of the capital, but has not yet succeeded in his aim, though Prince Said Ha[lim] an Egyptian Freemason, has become Deputy Mayor. [***] [T]he old Ministry of Police was replaced by the 'Sûreté Publique' controlling the police and gendarmerie, and put in charge of a Salonica Freemason. [***] Talaat Bey, the Minister of the Interior, who is of Gipsy descent, and comes from Kirjali, in the Adrianople district, and Javid Bey, the Minister of Finance, who is a Crypto-Jew, are the official manifestations of the occult power of the Committee. They are the only members of the Cabinet who really count, and are also the apex of Freemasonry in Turkey. [***] A Turk described it as a process of 'drugging the latter with Jewish hashish'. From the foregoing or any close inspection of the Young Turkey movement in its present stage, it will appear to be principally Jewish and 'Turkish' as opposed to other Ottoman elements, e.g. Arabs, Greeks, Bulgarians, Armenians, etc. [***] It was hoped in the beginning that the Armenians, Bulgarians, Greeks and the Ottoman Jew would serve as economic props, but the Young Turk seems to have allied himself solely with the Jew, Ottoman and foreign, and to have estranged the other races. The same result has been witnessed in Hungary, where the Hungarian, who is of Turkish stock and is similarly devoid of real business

instincts, has come under the almost exclusive economic and financial domination of the Jew. [***] [A]s Turkey happens to contain the places sacred to Israel, it is but natural that the Jew should strive to maintain a position of exclusive influence and utilize it for the furtherance of his ideals, viz, the ultimate creation of an autonomous Jewish state in Palestine or Babylonia, as explained by Israel Zangwill in his article in the 'Fortnightly Review' of April. He would kill two birds with one stone if he could obtain from the Turk unrestricted immigration of Jews into Turkey, an aim that he has been pursuing for years back, and transfer to Mesopotamia some millions of his co-religionists in bondage in Russia and Roumania. In return for 'unrestricted immigration' of foreign Jews, he has offered the Young Turk to sacrifice his mother-tongue and replace it by Turkish, and even to take over the whole of the Turkish National Debt. Dr. Nazim, one of the most influential members of the Salonica Committee and said to be of Jewish extraction, has, in company, with his fidus Achates, a certain Faik Bey Toledo, a Crypto-Jew of Salonica, visited the Paris branch of the I.C.A. (Judaeo-Colonisation Association) and has since openly advocated importing 200,000 Roumanian Jews into Macedonia and some millions of Russian Jews into Mesopotamia. [***] Doubtless, when Young Turkey with its heavy military expenditure is in need of borrowing, further pressure will be applied by the Jewish lenders. [***] For the 'Aurore' ('Shefak'), a Sionist organ started a year ago in Constantinople, is never tired of reminding its

readers that the domination of Egypt, the land of the Pharaohs, who forced the Jews to build the Pyramids, is part of the future heritage of Israel. [***] Mesopotamia and Palestine are, however, only the ultimate goal of the Jews. The immediate end for which they are working is the practically exclusive economic capture of Turkey and new enterprises in that country. [***] [T] hey hold or control all the pivotal points in the machinery of the Young Turkey Government, though the Ministry of Public Works [***] is still held by an Armenian, Halajian Effendi. When his predecessor, another Armenian, was got rid of, a determined attempt was made to appoint a Jew or a Jewish nominee. [***] His position is now still shaky, and the most bitter and constant attacks on him come from a Jewish-financed paper, 'Le Jeune Turc', while there are rumours that his successor will be a Jew, or a Turk with a Jew at his elbow. It is obvious that the Jew, who is so vitally interested in maintaining his sole predominance in the councils of the Young Turkey, is equally interested in keeping alive the flames of discord between the Turk and his (the Jew's) possible rivals, i.e. the Armenians, Greeks, etc., while it is to be inferred that he would not be averse to the new regime increasing the national indebtedness to the Hebrew financiers. [***] The Jew hates Russia and its Government[.] [***] The Jew can help the Young Turk with brains, business enterprise, his enormous influence in the press of Europe, and money in return for economic advantages and the eventual realisation of the ideals of Israel[.] [***] The Jew has supplied funds to the Young Turks and has thus acquired a hold on them; but in order

to retain this hold he has to appear at least to approve and aid the Young Turk towards the accomplishment of 'national' dreams. Secrecy and elusive methods are essential to both. The Oriental Jew is an adept at manipulating occult forces, and political Freemasonry of the continental type has been chosen as the most effective bond and cloak to conceal the inner workings of the movement. [***] The 'Jeune Turc', which, like some other organs in the Ottoman capital, is subventioned by the Jews[.] [***] But all this is dependent on European, i.e. mainly Jewish, financiers supplying it with the sums required to keep up an army which is disproportionate to its actual state of economic development."—Letter from G. Lowther to C. Hardinge 29 May 1910, His Majesty's Stationary Office, Lowther Papers, Foreign Office 800/193A; and see: 800/193B. The complete letter is published in: E. Kedourie, "Young Turks, Freemasons and Jews", *Middle Eastern Studies*, Volume 7, Number 1, (January, 1971), pp. 89-104; *reprinted:* E. Kedourie, *Arabic Political Memoirs and Other Studies*, Chapter 16, Frank Cass, London, (1974), pp. 243-263. For additional correspondence to and from Lowther, see also: British Documents on the Origins of the War, 1898-1914, 11 Volumes in 13, His Majesty's Stationary Office, London, (1927); and the Hardinge Papers and the Grey Papers.

I will only briefly quote from the long series of correspondence which took place on the pages of the *Times* of London, in 1911, which is reproduced in full in my book *The Jewish Genocide of Armenian Christians* which can be found at: http://www.jewishracism.com/JewishGenocide.htm.

A correspondent for the *Times* wrote,

"THE SALONIKA COMMITTEE

The author, who in his indignation invokes diplomatic aid for the perishing Albanians, overlooks the circumstances which, in this instance, must render diplomatic action ineffectual or belated. Diplomatists can appeal only to the Ottoman Government, but not to the unofficial, intangible Salonika Committee, whose behests Torgut Shevket executed in his ill-treatment of the Albanians last year—ill-treatment that provoked the present revolt—and whose secret programme he is now attempting to carry out. To be efficacious influence must be brought to bear upon the Committee from quarters which the Committee will respect, or at least fear. These quarters are the honest and humanitarian Jews of England, the United States, Italy, and other countries.

It is a well-known fact that the Salonika Committee was formed under Masonic auspices with the help of the Jews and Donmehs, or crypto-Jews of Turkey, whose headquarters are at Salonika, and whose organization took, even under Abdul Hamid, a Masonic form. Jews like Emmanuel Carasso, Salem, Sassun, Fardji, Meslah, and Donmehs or crypto-Jews, like Djavid Bey and the Baldji family, took an influential part both in the organization of the Committee and in the deliberations of its central body at Salonika. These

facts, which are known to every Government in Europe, are also known throughout Turkey and the Balkans, where an increasing tendency is noticeable to saddle the Jews and Donmehs with responsibility for the sanguinary blunders which the Committee has made. To apportion responsibility justly is at present impossible. It appears unquestionable that the Jews supplied the brains for the Committee movement, and it is equally certain that, if and when the movement ends in disaster, they will be made to incur the odium for events like the Adana massacres, the beatings of Bulgarian peasants last autumn, and the present Albanian operations, which have shed so sorry a light upon the Young Turkish *regime*.

The enlightened and humanitarian Jews in England and other countries—those who did not fear to organize Jewish committees for the purpose of combating the white slave traffic carried on chiefly by their depraved co-religionists abroad—have assuredly no notion of the situation that is developing throughout the Near East, nor of the weapons that are being put into the hands of every palliator of Pogroms. Frank and fearless inquiry would reveal to their eyes a state of things of which diplomatists and statesmen have been whispering for months past, and to which sporadic but necessarily obscure allusions have been made from time to time in the European Press. Now, in view of the position in Albania, reticence would be misplaced.

There is reason to believe that a direct appeal from the humanitarian Jews

of the Western world to the Jewish organizations in Turkey would do more to stay the hand of Torgut Shevket and to prevent the development of a catastrophe in the Near East than all the notes or injunctions which European diplomacy can indite and address to the Golden Horn."—Vienna Correspondent for *The London Times*, "Jews and the Situation in Albania", *The London Times*, (11 July 1911), p. 5.

Mr. North has indeed made an ass of himself in his meanspirited campaign to smear me. It is not the first time he has made an ass of himself. Let's hope it is not the last. It is just so damn entertaining to see him fumble!

The Pro-Paul Sophistry of Israel Shamir

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

An Israeli Jew named Israel Shamir is telling us to vote for Ron Paul:

Supporting Ron Paul

Shamir admits that Paul is NOT an anti-Zionist, but does not acknowledge the demonstrable fact that Ron Paul is an extreme Zionist, a Zionist so extreme that he praised Israel for illegally bombing Iraq. Israel, Shamir that is, tells us not to bother our poor little American heads with the facts which prove that Ron Paul is working against our anti-Zionist interests and Paul is telling us NOT to discuss "911 truth". According to Israel Shamir our primary concern is to prevent war and defang the USA.

Is Israel Shamir oblivious to the fact that we are headed towards war with Iran as a result of Zionist warmongering, and that the only means to combat Zionist warmongering is to confront it and thereby defang the Zionists who are leading us into war with Iran? America is not the problem. Zionist Jews, Israel and Israel's treacherous fifth column and fourth estate in America are the problem. Why is Shamir scapegoating Americans for Zionist Jewry's attacks on Islam and the rest of humanity, including Jews?

How is Ron Paul, an avowed Zionist himself and a member of Israel's fifth column, going to prevent war with Iran when Paul will not challenge the Zionist warmongers, but instead praises and encourages their aggression? How is Ron Paul going to end Jewish false flag terrorism, when Paul enables it by blaming Moslems for Jewish acts of terror and war against the United States?

Israel, the Jewish State that is, is preparing to attack Iran and the US will inevitably be dragged into this conflict by Zionist Jews and their agents. Even if Ron Paul were an anti-Zionist, and he is not, as President, Paul would be obliged by the Constitution to wage any war the Congress

would declare. Shamir does NOT advise us to attempt to persuade Ron Paul of the error of his ways, but rather asks us to ignore our interests and favor Ron Paul who opposes anti-Zionists and "911 truthers", and instead favors Israel and Zionism.

If we want to prevent a war with Iran, then we have to stop the Zionist Jews who are deliberately forcing us into war with Iran. Ron Paul not only will not take this necessary step, he attacks any and all who do take this necessary step. If we want to defend ourselves from Jewish false flag terrorism, then we need to expose previous acts of Jewish false flag terrorism. Ron Paul will not only not take this necessary step, he attacks any and all who do take this necessary step.

In the first chapter of my book, *The Manufacture and Sale of Saint Einstein*, on pages 32-88, I proved that Zionist Jews have often made the nations weary of war and then offer supposed solutions for war, which were detrimental to the nations, but would allegedly bring peace. Jewry knows that it is always easier to make a deal favorable to itself if the other party is desperate to make the deal. World Jewry makes us weary of war and then offers up their solutions which will allegedly bring peace, but at some horrible price, be it the loss of national sovereignty, loss of territory, or Jewish led revolution which nihilistically destroys government. Then World Jewry again deliberately brings us into war.

The Jewish "Ron Paul Revolution" is no exception. After Jewry has deliberately made us weary of war and brought us to the brink of economic collapse, the Zionists have left us on the two horns of a dilemma which they have created, either vote for their warmongers, or vote for their goldmonger who promises a revolution which will destroy America. Ron Paul has openly advocated an Israeli attack on Iran, which he must know will result in a war between the US and

Iran. So their goldmonger is also a warmonger in disguise.

The Ron Paul pushers want us to submit to the ruin of the American Federal Government, and the adoption of the Gold Standard, which would bring famine and ruin to the World. The Ron Paul pushers want us to turn a blind eye to Ron Paul's Zionism and refusal to challenge Jewish false flag terrorism; because, so they allege, this will empower Ron Paul to put an end to Israeli aggression. If it weren't so deadly serious, the farce of their sophistry would be laughable.

If we want to end Jewish aggression against humanity, then we must fight back against those Jews who are committing aggression against us. Scapegoating Americans in general for this Jewish led aggression only enables the Zionist warmongers and will bring about more Jewish manufactured war. The "Ron Paul Revolution" is a Zionist front. It is not a solution to war. The solution to war is to directly confront World Jewry, which Ron Paul has pledged NOT to do.

Let's Forget About the Jewish "Ron Paul Revolution" and Find an Authentic Anti-Zionist Candidate

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It is time for anti-Zionists to mature into a viable political force which is led by inviolable principles and which proudly voices these principles in the public arena. The only way to overcome the sting of Zionist and Jewish smears is to face them and overcome them with the facts. We cannot accomplish this necessary end by cowardly hiding from the enemy and kowtowing to his orders, or submitting to his strategies and tactics. We must come out in the open and fight.

The Zionists' position is weak. This is why they fight so hard and are so desperate to silence any and all dissent and to quash and ridicule even the perception of dissent before it becomes mainstream thought. Every time they face a legitimate challenge with lies and hysteria, they exhaust more of their resources, increase their fatigue and expose their deceitful and hateful nature to the general public.

We can defeat this enemy, but we cannot do so by following their stooges. Instead, we must find an authentic anti-Zionist candidate who will openly represent us. We must not fall into the trap of pretending away the Zionism of Ron Paul.

Issues for an Authentic Anti-Zionist Candidate, Which the Other Candidates Won't Touch

1.) As the United Nations has said, "Zionism is a form of racism and racial discrimination."

2.) Israel has subverted the American political process and the American press.

3.) Israel forced America into war in Iraq and Afghanistan, and is forcing America into war with

the Iranians, against Americans' individual and national interests.

4.) All of the leading candidates are in bed with the Israelis, and are disloyal to the United States of America.

5.) The Israelis have combined the Democrats and Republicans into one totalitarian party which serves their interests. Even some of the potential "third party" candidates call for a union of the two parties into one super totalitarian party, which serves the interests of Israel.

6.) Israel has subverted large Christian churches in America and turned them into a dangerous fifth column which is working for the Israeli Government, and which openly preaches that we should lead the World into artificially staging the "Battle of Armageddon".

7.) International Zionist bankers have undermined the value of American currency and stolen the wealth of the American nation for centuries. Through fraud and corruption, these same international Zionist bankers have deliberately forced America into several wars, recessions and depressions. The American Government has the right and the duty to recover what has been stolen from Americans, and prosecute and punish the international Zionist bankers and their agents for their crimes.

8.) The American People, through their government, have the right and the duty to manufacture their own money and regulate its supply. Hard money is a menace and leads to depressions and wars.

9.) The American National Debt is the product of Zionist fraud and corruption and must be paid

by the Zionists, not the American People or its government. Whether or not those owed monies can recover from the Zionists, the American People and the American Government are not responsible for the debts created by the Zionists and their agents.

Smearing Those Who Tell the Truth, While Ignoring the Facts and Painting Turks and Jews as If Victims of the Armenians

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Throughout their history, Jews have often corrupted Gentile nations and empires to favor Jewish interests over the natural interests of Gentile peoples. Jewry often creates and promotes the myth of a common enemy, styling one Gentile nation which Jewry wishes to destroy as if it were the common enemy of the Jews and another third Gentile nation or religion, which Jewry wishes to use as a weapon against the specific Gentile people which Jewry wishes to annihilate. After using one Gentile nation to destroy another, Jewry scapegoats the Gentile nation which it exploited as a weapon for the Jewish crime of destroying the other Gentile nation.

In America, World Jewry spreads the defamatory falsehood that Islam is a common enemy of Christendom and Jewry. This lie has levied a heavy tax on Christian and Moslem lives and

treasure. The wars which Jewry have ginned up between Christians and Moslems, and among Christians and Moslems, have enriched Jewish war profiteers and strengthened Israel while concurrently weakening all Gentile nations. Now that Jewry has used the United States to destroy Iraq and Afghanistan, Jews blame Americans for this Jewish crime. In this way, World Jewry has destroyed the American Empire, and with it the World economy, and is in the process of completely destroying Islam. Jewish prophecy calls upon Jewry to ruin all the nations and religions of the World, save Israel, and Jewry is busy doing just that.

In Turkey, where Jewry destroyed the Turkish Empire, brought Turkey into numerous wars, and where Jews have subjugated Moslem Turks, Jews today spread the vicious lie that Armenian Christians are a common enemy to Jews and Moslem Turks. In a mutual exclusion, the myth has evolved into the contradictory accusations that Armenians are supposedly jealous of the Jews and Turks, because these peoples are more powerful and capable than Armenians, but that the Armenians slaughtered countless Turks and Jews, who grossly outnumbered the Armenians and that Armenians today constitute a threat. How the allegedly powerless exercise such enormous power is left a mystery of the lie, to be feared, not pondered.

In yet another smear campaign against me for exposing the proven fact that Jewry was behind the Armenian genocide, "Murat P" has charged me with the supposed offense of exposing the Jewish Doenmeh roots of the leaders of "Young Turk" movement Mustafa Kemal "Ataturk" and Talaat Pasha:

Antisemitismus in Armenien und Verfolgung religiöser Minderheiten. Die Öffentlichkeit schaut weg. Von Murat P

"Murat P" does not question the accuracy of the numerous facts I bring forth to prove this facet of history. In fact, "Murat P" does not touch upon those facts at all, instead opting to dismiss the accuracy of my accounts as if preposterous on their face and needing no rebuttal. "Murat P's" *ad hominem* attack is an appeal to the ignorant to remain ignorant, and for those in the know to remain silent. It is an effort to render the subject taboo by calling those who report and document the truth, "anti-Semites". It is an effort to mischaracterize the Armenian People as if they were a common enemy of Jews and Turks, and to blame the Armenian victims of the Armenian Genocide for this Jewish crime, while concurrently rewarding the Turks for their participation in this Jewish crime so as to again offer the Turks an incentive to hate and destroy the Armenians and blame the Armenians for the Jewish instigated hatred and genocide.

Turkey is suffering from the Jewish subversion of Turkish and Moslem interests. Israel has trained, financed and equipped the PKK terrorists to attack Turks. Doenmeh Jews in Turkey are attempting to use this Jewish manufactured provocation to lure the Turks into starting another world war. While blaming the Armenians for the Armenian Genocide in Turkey, Jewry uses this shameful denial to attack the reputation of Turks in Europe and America. Jewry lays all the blame for the Armenian Genocide on the Turks and Kurds and smears those who tell the truth about the Jewish involvement in the crime.

Israel is no friend of Moslems and Turks. Jewry's actions pit the World against Turkey and Turkey against the World, in the name of preserving Turkish honor, by blaming Turks for Jewish crimes, and again providing Turks with an incentive to side with Jews who want to

continue their attack on Armenian Christians.

There is a real common enemy. The common enemy of Moslem Turks and Christian Armenians is World Jewry. World Jewry ruined the Turkish Empire and genocided the Armenians in the early part of the Twentieth Century. The process is ongoing.

For those interested in the facts which prove that the leaders of the "Young Turks" were Jews, my book *The Jewish Genocide of Armenian Christians* is available as a free pdf file. "Murat P" mocks the notion that Talaat and Ataturk were crypto-Jews, without addressing any of the facts which prove that both men were crypto-Jews. These facts are found in my book and include the testimony of such prominent figures as the well known and highly regarded Zionist Jews Israel Zangwill and Joachim Prinz, the Inspector-General of the Turkish Forces in Armenia and Military Governor of Egyptian Sinai during the First World War Rafael De Nogales, and the Constantinople Correspondent to the *Times* of London. See also my blog:

A Self-Proclaimed Zionist Jew Attacks the Character of Armenians. December 21, 2007

The following articles published in Zionist newspapers, which were recommended by a reader of my blog, prove the same facts:

The "Ron Paul Revolution" Post "Super Tuesday"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The mostly Jewish Libertarian goldbuggers who fanatically promote Ron Paul as if he were our savior need a scapegoat for the failure of their campaign. They will likely blame "911 truthers" and "White Nationalists" for Paul's lack of appeal, while ignoring the fact that Paul is a dud as a candidate.

In reality, the wheels came off of the "Ron Paul Revolution" when Paul stabbed his exceptionally loyal base in the back by ridiculing "911 truth" and embracing Martin Luther King, Jr., as his hero, without acknowledging any of the man's shortcomings and without recognizing the fact that King's views were diametrically opposed to Paul's. King had guts and knowingly gave his life for his cause, but he was no angel, and I have heard from blacks in Chicago that he was a

corrupt and untrustworthy man.

Paul made an ass of himself when he denied knowledge of the statements made in his name, if not by him. Rather than admitting to Paul's shortcomings, his rabid supporters will likely blame others for the general unwillingness to pretend that Ron Paul is a great man.

If Paul, years ago, had owned up to the criticism of King and defended what if anything was true in it, and repudiated what if anything was racist, and if he had stated that false flag terrorism is a fact of life and that we need to look at 911 and its documented ties to Israel, then Paul's campaign would have taken off. Instead, it floundered. Paul fiddles a pied piper tune, while Rome burns at the hands of racist Jewish extremists. He wastes the money of his base on a gold commercial, when he should be pointing an accusatory finger at Zionist Jewry.

Perhaps, as I suspected back in May of 2007, Paul will run as a spoiler candidate in the general election. His followers will be disappointed on Black Wednesday following Super Tuesday, and will need a boost. An announcement that he will run as an Independent or third party candidate would keep some of the suckers on the hook and prevent his addicts from convulsing in withdrawal.

I suggest we seize on the opportunity presented by this Ron Paul fatigue—this increasing let down—to offer a superior alternative to the Jewish "Ron Paul Revolution". All that accumulated energy will need an outlet and will search for a conduit to channel it towards the real fight. Instead of allowing this spirit to turn to bile, we should fill the need for this conductor to accomplish that for which most of Ron Paul's former followers hope. Idle hands are the devil's workshop. Let's keep those hands busy fighting the good fight and take aim directly at our real

enemy. All we need is a candidate who is proud to stand up for our beliefs and eager to directly engage the enemy which is relentlessly attacking us.

The Genocidal Jewish Supremacist Jacob H. SCHIFF

The German-Jewish banker Jacob H. Schiff was the Rothschild syndicate's most prominent representative in their genocidal war on the Russian People. Schiff implemented the Rothschild's plan to genocide the Russian People and steal the wealth of the Russian nation. The Rothschilds and Schiffs had shared a residence in Frankfurt, Germany. The Schiffs are still

prominent figures in America.

Russia supported the Union in the American Civil War and subverted the Rothschilds' plan to divide America into two opposing nations which the bankers could perpetually pit against one another, as they had done to the nations of Europe. Russia was a tested and proven ally of the United States which defended America against European intrusion into the Civil War.

As Jewish bankers again take aim at Russia and America, we ought to recognize the danger of the situation for the Russian People, and the American People. History teaches us that Jewish leaders are capable of treachery and genocidal murder, the scale of which can only be understood by examining the facts. Many Americans have wondered how the tragedy of the Soviet Union and the Red Terror could possibly have occurred, when the World could so easily have stopped the criminals, so few were they.

History is repeating itself. Ask yourself what you and your government, your neighbors, your press, your church. . . what is anyone doing to stop the Jewish "revolutions" being prepared for America and Russia?

The attempted Russian Revolution of 1905 was widely known at the time to have been the work of Jews, and many Jews took great pride in that fact. For example, *The Maccabean* of London wrote in an article entitled "A Jewish Revolution" on page 250 in November of 1905,

"The revolution in Russia is a Jewish revolution, a crisis in Jewish history. It is a Jewish revolution because Russia is the home of about half the Jews of the world, and an overturning of its despotic government must have a very

important influence on the destinies of the millions living there and on the many thousands who have recently emigrated to other countries. But the revolution in Russia is a Jewish revolution also because Jews are the most active revolutionists in the Tsar's empire."—As quoted in: L. Fry, *Waters Flowing Eastward: The War Against the Kingship of Christ*, TBR Books, Washington, D. C., (2000), p. 40.

William Eleroy Curtis delivered an address to the National Geographic Society on 14 December 1906, in which he stated, among other things,

"THE VENGEANCE OF THE JEWS

Perhaps these reforms are the cause of the present tranquility, because the revolutionary leaders nearly all belong to the Jewish race and the most effective revolutionary agency is the Jewish Bund, which has its headquarters at Bialystok, where the massacre occurred last June. The government has suffered more from that race than from all of its other subjects combined. Whenever a desperate deed is committed it is always done by a Jew, and there is scarcely one loyal member of that race in the entire Empire. The great strike which paralyzed the Empire and compelled the Czar to grant a constitution and a parliament was ordered and managed by a Jew named Krustaleff, president of the workingmen's council, a young man only thirty years old. He was sent to the penitentiary for life, and had not been behind the bars more than three weeks when he organized and

conducted a successful strike of the prison employees.

Maxim, who organized and conducted the revolution in the Baltic provinces, is a Jew of marvelous ability. Last fall he came over here lecturing and collecting money to carry on the revolutionary campaign, but for some reason has vanished and nobody seems to know what has become of him.

Gerschunin, the most resourceful leader of the terrorists, who was condemned to life imprisonment in the silver mines on the Mongolian frontier, has recently escaped in a water cask, and is supposed to be in San Francisco. He is a Polish Jew only twenty-seven years old. I might enumerate a hundred other revolutionary leaders and every one of them would be a Jew. Wherever you read of an assassination or of the explosion of a bomb you will notice in the newspaper dispatches that the man was a Jew. The most sensational and dramatic episode that has occurred since the mutinies was on October 27, when, in the very center of Saint Petersburg, at the entrance of Kazan Cathedral, four Jews held up a treasury wagon and captured $270,000. They passed the package to a woman, who instantly vanished, and no trace of her has ever been found; but they were all arrested and were promptly punished. On the 8th of November a few Jewish revolutionaries entered a treasury car near Ragow, in Poland, got $850,000 and disappeared.

Every deed of that kind is done by Jews, and the massacres that have

shocked the universe, and occurred so frequently that the name 'pogrom' was invented to describe them, were organized and managed by the exasperated police authorities in retaliation for crimes committed by the Jewish revolutionists."—W. E. Curtis, "The Revolution in Russia", *The National Geographic Magazine*, Volume 18, Number 5, (May, 1907), pp. 302-316, at 313-314.

In preparation for the 1905 revolution, the Jewish bankers manufactured a war between Russia and Japan. They had long been conducting an economic war against Russia, which weakened the nation. The bankers wanted to further weaken Russia with war in order to make it frail and ripe for revolution, and to drive it deeper into debt and to collapse the economy. Their near absolute control over the international press enabled them to blame the Czar for all of the problems which the Jewish bankers were deliberately causing the Russian People. They pitted the World against Russia, and turned the Russian People against the Russian Government and scapegoated the Czar for Jewish crimes.

Jacob H. Schiff worked against American interests and destroyed America's faithful Civil War ally, Czarist Russia. John Hays Hammond gave testimony in *The New York Times* to the fact that Jewish bankers had ruined Russia in the Russo-Japanese war, on 18 November 1911, on

page 2,

"I, however, convinced them that there was no lack of friendliness toward Russians on the part of Americans, who remembered Russia's friendship to us at the time of our civil war. [***] Mr. Jacob H. Schiff has done more to accentuate the troubles of his co-religionists in Russia than any other one

man, because of his boastful statement that the money of Jewish bankers had made it possible for Japan to wage a successful war against Russia."—

In *The New York Times*, on 24 March 1917, on pages 1-2, George Kennan explained how Jacob H. Schiff assisted Russia's enemies and how Schiff financed and trained Russian revolutionaries. Note that Imperial Japan and the Soviet State, which Schiff created, both became virulent enemies of the United States, enemies who came to power under Jacob Schiff's tutelage and financial patronage. Note that Jewish bankers created the enemies of the United States and financed their wars against Americans,

"PACIFISTS PESTER TILL MAYOR CALLS THEM TRAITORS

Socialists at Carnegie Hall Fail to Make Russian Celebration a Peace Meeting.

RABBI WISE READY FOR WAR

Sorry We Cannot Fight with the German People to Overthrow Hohenzollerism.

KENNAN RETELLS HISTORY

Relates How Jacob H. Schiff Financed Revolution Propaganda in Czar's Army.

The most violent clash between patriots and pacifists that has occurred in New York City since relations were broken with Germany marked the celebration of the Russian revolution held last night in Carnegie Hall. It was precipitated by Mayor Mitchel, whose declaration that we were about to go to war in behalf of the same kind of democracy that had freed Russia was

met with a determined demonstration by pacifists, evidently previously organized, which threatened for a time to break up the meeting.

After the uproar had lasted for fifteen minutes, the Mayor, white with anger, stepped to the edge of the stage and shouted:

'This country is on the verge of war—' A loud chorus of 'No' greeted him, but above the tumult he made his voice heard with: 'And I say to you in the galleries that tonight we are divided into only two classes—Americans and traitors!'

'I hope they put you in the first ranks,' shouted a leader of the pacifists.

'You do me the greatest honor,' replied the Mayor, and the applause which followed, coupled with the ejection of some of the trouble makers, gave the Mayor's supporters the majority.

The meeting started in orderly fashion. The century old fight of Russian revolutionists was pictured in glowing words, matched by the promise of the Russia to be.

On the front of the speaker's stand hung a pair of leg irons, from a Siberian prison. They were unlocked. An authority on Russian affairs, George Kennan, told of how a movement by the Society of the Friends of Russian Freedom, financed by Jacob H. Schiff, had at the time of the Russo-Japanese war spread among 50,000 Russian officers and men in Japanese prison

camps the gospel of the Russian revolutionists. 'And,' said Mr. Kennan, 'we know how the army helped the Duma in the bloodless revolution that made the new Russia last week.'

The galleries were largely filled with Socialists, downstairs an admission fee had been charged and the crowd was more orderly until awakened by the protestations of the pacifists.

Mayor Mitchel was introduced by Herbert Parsons, President of the Society of Friends of Russian Freedom, as a 'man of a race that has also struggled for freedom.' There were rumblings of trouble when a few voices in the galleries started to hoot the Mayor.

'We are gathered here,' the Mayor began, 'to celebrate the greatest triumph of democracy since the fall of the Bastile.' There were some cheers. 'America rejoices,' he said. 'How could she do otherwise when she sees power in Russia transferred from the few to the many, and in the country where there seemed the least hope of the cause of democracy triumphing.

'America, the great democracy, is proud tonight because democracy in Russia has supplanted the greatest oligarchy that remained on the face of the earth.' Then the Mayor stepped back and said:

'But I submit we have another reason to be proud. It is now inevitable, so far as human foresight can make a prediction, that the United States is to be projected into this world war and—'

'No! No!' rolled the chorus from the galleries.

There was quiet for an instant. Then the audience downstairs and in the boxes began to rise and a shout of 'Yes! Yes!' answered the galleries.

'The United States is for peace!' a voice from the gallery cried, and the tumult started anew. The ushers escorted some of the leaders of the disturbance out of the arena, and when the Mayor got partial order he said:

'We are to be projected into the war through no fault of ours, but because of conditions which have been thrust upon us—'

'No! No! No!' the galleries started again. Some one shouted an epithet at the Mayor, which brought, even from the galleries, shouts of 'Put him out! Choke him!'

'And when America does enter the contest,' shouted the Mayor, 'it will be to vindicate certain ideas as fundamental as those on which the Republic was builded, and among them will be the cause of democracy throughout the world. Let us be glad that, instead of fighting side by side with autocratic Russia, we shall be fighting side by side with democratic Russia.'

It was at this point that the galleries became so demonstrative that Mr. Mitchel told them they must be Americans or traitors.

'You are for America or you are against her,' he said, and here the Mayor

made an indirect reference to the accusations he made against Senator Wagner. 'You are for America or against her, whether in private life or in legislative halls,' he said.

The Mayor then left the hall, followed by shouts of condemnation and of praise.

When the tumult had died down Rabbi S. S. Wise, a worker for world peace but not an extreme pacifist, was introduced.

'I feel it is my duty to say one word in support [hisses] and in reply to the Mayor. I would have this great audience know that I believe the Mayor was right—[This brought shouts of 'No. You're as bad as he is.']

'I am here to talk, and I'm going to talk,' shouted the Rabbi. 'If you don't like what I say, go; I am going to stay. The Mayor is right when he says we are on the verge of war. I pray God it may not come, but if it does the blame will not rest upon us, but upon that German militarism, which may it be given to the German people to overthrow as the Romanoffs have been forever overthrown.

'God knows we want peace. No man has ever fought and stood for peace as has Woodrow Wilson. [Cheers.] I do not believe that war is absolutely inevitable, but I thank God I am a citizen of a republic that has been patient.

'I am for peace, I say, but I would to God it were possible for us to fight side

by side with the German people for the overthrow of Hohenzollernism.'

Then the rabbi praised the Russian revolution, but he ran into opposition when he said:

'At the risk of incurring the displeasure of those of you who have such bitter memories I hope that amnesty will be extended to the Czar himself. May God forgive the Czar.' [Shouts of 'No, never!'] 'May God forgive the monarch who never knew what mercy was.'

This was followed by shouts by a man in the gallery.

'I cannot forget,' continued the Rabbi, 'that I am a member and a teacher of a race of which half has lived in the domain of the Czar and as a Jew, I believe that of all the achievements of my people, none has been nobler than that part the sons and daughters of Israel have taken in the great movement which has culminated in the free Russia.'

It was after a review of the struggle of the Russian revolutionists, of whom he has been the leading American writer, that Mr. Kennan told of the work of the Friends of Russian Freedom in the revolution.

He said that during the Japanese-Russian war he was in Tokio, and that he was permitted to make visits among the 12,000 Russian prisoners in Japanese hands at the end of the first year of the war. He told how they had asked him to give them something to read, and he had conceived the idea of

putting revolutionary propaganda into the Russian Army.

The Japanese authorities favored it and gave him permission. Later he sent to America for all the Russian revolutionary literature to be had. He said that one day Dr. Nicholas Russell came to him in Tokio, unannounced, and said that he had been sent to help the work.

'The movement was financed by a New York banker you all know and love,' he said, referring to Mr. Schiff, 'and soon we received a ton and a half of Russian revolutionary propaganda. At the end of the war 50,000 Russian officers and men went back to their country ardent revolutionists. The Friends of Russian Freedom had sowed 50,000 seeds of liberty in 100 Russian regiments. I do not know how many of those officers and men were in the Petrograd fortress last week, but we do know what part the army took in the revolution.'

Mr. Parsons then arose and said:

'I will now read a message from White Sulphur Springs sent by the gentleman to whom Mr. Kennan referred.' This was the message:

'Will you say for me to those present at tonight's meeting how deeply I regret my inability to celebrate with the Friends of Russian Freedom the actual reward of what we had hoped and striven for those long years! I do not for a moment feel that if the Russian people have under their present leaders shown such commendable moderation in this moment of crisis they will fail

to give Russia proper government and a constitution which shall permanently assure to the Russian people the happiness and prosperity of which a financial autocracy has so long deprived them.

'JACOB H. SCHIFF'

This message from President Wilson was read:

'The American Ambassador in Petrograd, acting under instructions from this Government, formally recognized the new Government of Russia. By this act the United States has expressed its confidence in the success of and its natural sympathy with popular government. WOODROW WILSON'

Vladimir Resnikoff, the blind Russian baritone, sang a number of folk songs and the Symphony Orchestra, directed by Nikolai Sokoloff played Tschaikowsky's Symphony No. 4 in F minor and other selections. Miss Lillian D. Wald delivered a eulogy of Mme. Catherine Breshkovskaya, the Russian revolutionist, who had visited this country and who is now in Siberia, to be brought back at the age of 70 years to see in Petrograd the triumph of the cause for which she worked and suffered.

The following resolution was unanimously adopted:

***Resolved*, That the Mayor of the City of New York be requested to transmit the following cable to Professor Paul N. Milyoukoff, Minister of Foreign Affairs in the new Russian Government:**

'Citizens of New York having at the call of the Society of the Friends of Russian Freedom assembled in mass meeting at Carnegie Hall on this 23d day of March, 1917, extend their congratulations to the Russian people upon the success of the revolution in Russia, and express their admiration for those who in the years gone by and those who in recent days have fought so bravely for liberty. They convey their earnest wishes for Russia's complete realization of self-Government, and declare their conviction that it will mean enduring friendship and co-operation between the Governments and peoples of Russia and the United States of America.'

At the close of the meeting the pictures of the revolutionary leaders were shown upon a screen, together with a picture of George Grey Bernard's statue of Lincoln which is to be placed in Petrograd.

BREAK UP PACIFIST MEETING

Police Disperse Crowd Around Auto

of Orators in Wall Street.

The police stopped a pacifist street meeting in the Wall Street district yesterday afternoon after a big crowd had surrounded the speakers and had begun to dispute with them. Benjamin C. Marsh and other pacifist orators

had been telling the crowd that the firm of J. P. Morgan & Co. and other financial interests were engineering a 'go-to-war' movement. Mr. Marsh spoke from an automobile.

'I am engaged in a fight against surrendering the Government to Wall Street,' he said. 'If the privileged class and their wealth were to be conscripted in case of war there would be no possibility of this country becoming involved.'

'What are you going to do about the German submarines?' some one in the crowd asked.

'I consider it more important to fight against special privileges than to engage in a war against poor, beaten Germany,' was the reply.

The crowd became unruly, and a police Lieutenant in charge of reserves made them move on before Mr. Marsh had finished speaking.

Dr. David Starr Jordan spoke against war yesterday at a meeting in Horace Mann Auditorium, Broadway and 120th Street, under the auspices of the Collegiate Anti-Militarism League and the Institute of Arts and Sciences.

Dr. Jordan, the Rev. Judah L. Magnes, Morris Hillquit, Arthur Le Soeur, James P. Maurer, and others will speak at a mass meeting of the Emergency Peace Federation in Madison Square Garden tonight. John F. Moors, President of the Boston Associated Charities, yesterday joined the 'unofficial

commission' which is trying to find 'a way out' without war."

Rabbi Stephen S. Wise had been a member of the "Anti-Militarism Committee" which was formed to combat the "cult of preparedness" that sought "to stampede the nation". [*See:* "Starts Open Fight Against Preparedness", *The New York Times*, (22 December 1915), p. 12.] He had been opposed to any talk of war, until war became a Jewish cause, until American intervention in the war became "good for the Jews", even though it remained very bad for America and humanity.

The New York Times reported on 30 December 1917 on page 4 in an article entitled "KAHN ASKS ARMY OF 6,000,000 MEN":

"Jacob H. Schiff said that it now appeared reasonably sure that, at the end of this war, nationalities formerly subject would be freed and that, among them, Palestine would be restored to the Jews. He said that, although there had been much disagreement among the Jews of the world as to what was desirable for their future, they were now nearing an agreement and were preparing for the restoration of the Jewish State. In this situation he said that it was the duty of Jews to inquire into the reason why the Jewish nation had formerly fallen and been shattered, in order that the new Jewish State would stand. He asserted that their loss of country was originally due to their abandonment of their religion, and that a religious revival was the means of insuring the national future."

The Jewish Communal Register of New York City 1917-1918 wrote of Jacob H. Schiff,

"Schiff, Jacob Henry, was born in 1847, at Frankfort-on-the-Maine, Germany. He received his education in the schools of Frankfort. In 1865 he came to America, where he settled in New York City. Here, he joined the staff of a banking house. In 1873, he returned to Europe where he made connections with some of the chief German banking houses. Upon returning to the United States, he entered the banking firm of Kuhn, Loeb and Company, New York, of which he later became the head. His firm became the financial re-constructors of the Union Pacific Railroad, and since then is strongly interested in American railroads. Mr. Schiff's principle of 'community of interests' among the chief railway combinations led to the formation of the Northern Securities Company, thus suppressing ruinous competition. The firm of Kuhn, Loeb & Co., floated the large Japanese War loans of 1904-05, thus making possible the Japanese victory over Russia. Mr. Schiff is director of numerous financial companies, among them the Central Trust Company, Western Union Telegraph Company, the National State Bank of New York. He is also vice-president of the New York Chamber of Commerce.

Mr. Schiff is widely known for his many philanthropic activities and for his interest in education. Of his numerous philanthropies only a few can be mentioned here. He founded the Chair in Social Economics at Columbia University; he presented the fund and the building for Semitic studies at

Harvard, he is chairman of the East Asiatic Section of the Museum of Natural History of New York, which has sent out many expiditions for the study of Eastern history and conditions; he made donations to the various museums of the city, and presented the New York Public Library with a large number of works, dealing with Jewish subjects.

Mr. Schiff is the Jewish philanthropist par excellence. His philanthropies embrace every phase of the Jewish life. He is intensely interested in hospital work and is the president of the Montefiore Home, and a contributor to Mount Sinai Hospital and all other important Jewish hospitals of the city. He is profoundly interested in Jewish education and took a leading part in the reorganization of the Jewish Theological Seminary of America; he is also the founder of the Bureau of Education. In addition Mr. Schiff is trustee of the Baron de Hirsch Fund and the Woodbine Agricultural School. He has provided the building and funds for the Young Men's Hebrew Association of New York City.

Mr. Schiff has always used his wealth and his influence in the best interests of his people. He financed the enemies of autocratic Russia and used his financial influence to keep Russia from the money market of the United States.

When last year, Mr. Schiff celebrated his seventieth birthday, all the factions of Jewry in the United States and elsewhere united in paying tribute to

him."—*The Jewish Communal Register of New York City, 1917-1918*, Second Edition, Kehillah, New York, (1919), pp. 1009-1010 (In the First Edition at pp. 1018-1019).

Elinor Slater and Robert Slater wrote in their book *Great Jewish Men*,

"Schiff also served as a director or advisor for many banks, insurance firms, and other companies. He helped float loans to the American government as well as to foreign countries. The most important was the two-hundred-million-dollar bond issue for Japan at the time of the 1904-1905 Russo-Japanese War. Furious with the Russians over their anti-Semitic policies, Schiff called the czarist government 'the enemy of government.' He was pleased to support the Japanese in their war effort. He also encouraged an armed revolt against the Czar. When the Japanese won the war, Schiff was presented with the Second Order of the Treasure, becoming the first foreigner to receive an official medal at the imperial palace.

In 1910 Schiff was one of several Americans who campaigned to revoke a commercial treaty with the Russians over their mistreatment of Russian Jews. Although the Russians sought him out for loans as well, he was steadfast in his refusals to grant them. Schiff made sure that no one else at Kuhn, Loeb underwrote Russian loans either. He did provide financial support for Russian-Jewish self-defense groups. It was only with the fall of the Czar in 1917 that Schiff dropped his opposition to underwriting the Russian government; he provided some support for the Kerensky

government. But, angry at the Russians for refusing to honor the passports of American Jews, he successfully campaigned to abrogate the Russian-American Treaty of 1932. [***] During World War I Schiff and some of his American Jewish peers were assailed by the newer generations of Zionist leaning leaders for their indifference to Zionism. Schiff had indeed been a strong foe of Zionism, believing it a secular, nationalistic perversion of the Jewish faith and incompatible with American citizenship. He gave some funds to agricultural projects in Palestine, however, and by 1916 he had shifted his beliefs to be in favor of Zionist efforts, openly supporting the notion of a cultural homeland for Jews in Palestine."—E. Slater and R. Slater, "Jacob Schiff", *Great Jewish Men*, Jonathan David Publishers, New York, (2003), pp. 274-276, at 275-276.

Schiff sponsored the rabid Zionist Rabbi Judah Magnes. Schiff funded the Russian Revolution and funded the Japanese against the Russians in their war. Schiff obstructed the Russians' access to international financing with which to fight the war, feed the Russian people and maintain the Russian economy. Many were amazed by Japan's ability to defeat mighty Russia.

Schiff initially favored Germany in the First World War. Schiff, like many American Jewish financiers, was born in Germany; and since Germany agreed to work toward the emancipation of Russian Jews and secure Palestine for the Zionists—actions Zionist Israel Zangwill, a British Jew, defended in spirit, while Zangwill concurrently tried to bring America into the war on the side of England. [*See:* I. Zangwill, "Zangwill Urges Jews to Support Allies", *The London Times*,

(10 September 1914), frontpage; *and* "Mr. Schiff on Peace", *The London Times*, (25 November 1914), p. 9; *and* "The Voice of Jerusalem", *The London Times*, (2 December 1914), p. 9.]

The New York Times, 22 November 1914, Section 5, page SM4, published a long article about, and an interview with, Jacob Schiff together with a large portrait of the man glorifying him as if a visionary of the war to end all wars; which article was entitled, "JACOB H. SCHIFF POINTS A WAY TO EUROPEAN PEACE; He Sets Forth the Disastrous Results to America That Would Follow the Complete Humiliation of Either Germany or England and Believes We Can Do Much to End This War and with It All War." [*See also:* "Consequences of the War", *The New York Times*, (22 November 1914), Section 3, p. 2; *and* "See Peace Campaign in Mr. Schiff's Talk", *The New York Times*, (23 November 1914), p. 3.]

The London Times portrayed the *The New York Times* interview with Schiff as pro-German propaganda on 23 November 1914, on page 8, and note the statement, "their line of attack is to secure a lasting peace", further note Schiff's call for a peace conference, long the ambition of the Zionists for it would provide them with the opportunity to petition for the formation of a "Jewish State" in Palestine:

"GERMAN PRESS CAMPAIGN

ADVANCE ON THE OLD

METHOD.

MR. JACOB SCHIFF'S VIEWS.

(FROM OUR OWN CORRESPONDENT.)

WASHINGTON, Nov. 22.

There are signs that the Germans are again planning to make a bid for American sympathy by peace talk. The *New York Times* publishes a long interview with Mr. Jacob H. Schiff, one of the leading German-American bankers, and a close friend of the German official representatives in the United States, which shows clearly that their line of attack is to secure a lasting peace.

Mr. Schiff argues that neither the Allies nor Germany should be allowed to score a smashing victory. A complete triumph for the Allies would hand over the world to England and her navies, while 'in the role of world-conqueror Germany would be a world-dictator and would indulge in a domination which would be almost unbearable to almost every other nation.' For the United States a complete British triumph would be especially disastrous. Probably the permanence of the Anglo-Japanese Alliance would saddle upon Americans the burden of a defensive militarism. If Germany won, the Monroe doctrine might, among other things, become a scrap of paper. Both England and Germany are patriotically resolved to fight until exhaustion supervenes. That means for Europe a prolonged period of bloodshed and misery. Hence for humanitarian and selfish reasons alike the United States

is interested in ending the conflict. The United States should see whether she could not devise some sort of conference at which the belligerents could talk things over. It might perhaps be managed without an armistice.

I believe it to be not beyond the bounds of possibility that if this course could be brought about a way out of this struggle and carnage might be found, and I know I am not alone in this belief. The situation is unprecedented. . . . The peace must not be temporary. It must mark the ending of all war. . . . Towards this end America may help tremendously, and herein lies, it seems to me, the greatest opportunity ever offered to the American Press. Let the newspapers stop futile philosophizing on the merits and demerits of each case. . . . Let them begin stimulating public opinion in favour of rational adjustment of the points at issue. . . . Have we not the right to insist that the interests of neutral nations should be given some consideration by the nations whose great quarrel is harming us incalculably?

The moderation of Mr. Schiff's brief for Germany, his lamentation over the misery of the war, annotated as it is by accounts of suffering Flanders, his appeal to the humanitarian instinct of the American people, to their sympathy with the under-dog, to say nothing of his other points, all show a considerable advance of the Teutonic grasp of the American point of view since the Bernstorff maneuvers at the end of the summer. Even the *New York Times*, whose grasp of the basis of the issue, I have often pointed out, is particularly clear-visioned, while it thinks the plea is rather premature,

hopes that in a few months, should one side or other score decisively enough to snatch from its enemies the hope of ultimate victory, the proposal of a conference might be opportunely pressed. It also expresses what is undoubtedly the general opinion over here, when it says:—

Whatever aims the belligerents in moments of heat and passion may profess, we here in America do not want to see Germany crushed; none of us want to see England crushed, or France or Russia. We have no wish to see any great people crushed. Such a result of the war would be an almost irreparable disaster, and we should share the loss.

The lessons of the above are fairly obvious. The peace campaign already launched by enterprising journalists, amiable pacifists, financiers worried by heavy German commitments, and by German propagandists, will sooner or later gain inconvenient strength. No pains must be spared to continue to advertise above-board our conception of the fundamental issues. It must be continually made clear that we are fighting against German militarism and not against the German people; that no peace can be lasting until the present German regime is crushed. Nor, judging from comment current here, is it enough simply to proclaim the fact.

Privately, Germans are trying to capitalize what they call the vindictive tone of certain British utterances. They draw attention, for instance, to the indiscriminate abuse of Germans as 'Huns' and of the way in which not only

the Prussian contingent but the Bavarians, Wurtemburgers, &c., are bespattered with sneers. If, argue the German propagandists, such things really represent British opinion, how much reliance can be placed on British protestations that Prussian militarism is the only enemy? Does it not rather seem that Great Britain is embarked on a jealous crusade to crush utterly its dangerous rivals in the race for world supremacy?

***Mr. Jacob Henry Schiff, whose views are given above, is a native of Frankfurt-on-Main, where he was educated. He went to the United States in 1865 at the age of 18 and settled in New York. He is a member of the banking firm of Kuhn, Loeb, and Co., of which his son, Mortimer Schiff, is a partner."**

Zionist spokesman Israel Zangwill, who was British but felt no loyalty to Great Britain because his only loyalty was to his fellow Jewish Zionists and their money—Zangwill ran to Schiff's defense. Schiff proposed that the First World War be the war to end all wars, which became an international mantra after the war. The absolute end of all war heralded the Jewish Messianic Era in which the Jews would be "restored" to Palestine, where they would rule the world from Jerusalem. Jewish bankers deliberately created the First World War in order to articially fulfill Jewish Messianic prophecy by staging the "Battle of Armageddon", by creating a World government run by Jews known as "The League of Nations", by "restoring" the Jews to Palestine, by destroying the Empires and Monarchies, by enslaving the Gentiles with Bolshevism, by placing the wealth of the World in Jewish hands, etc. etc. etc. Schiff believed that the First World War fulfilled the prophecy of *Isaiah* 2:1-4, which states,

"1 The word that Isaiah the son of Amoz saw concerning Judah and Jerusalem. 2 And it shall come to pass in the last days, *that* the mountain of the LORD's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it. 3 And many people shall go and say, Come ye, and let us go up to the mountain of the LORD, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the LORD from Jerusalem. 4 And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more."

The London Times printed a letter from racist Jewish Zionist Israel Zangwill (a man who had earlier asserted that the mixture of Jewish genes with Russian Slavic genes resulted in the horrible degradation of the Jewish race), where Zangwill stated on 25 November 1914 on page 9,

"MR. SCHIFF ON PEACE.

TO THE EDITOR OF THE TIMES.

Sir,—The interview with Mr. Jacob Schiff reported by your Washington Correspondent—the proposal for a permanent peace that shall end not only this war, but war—comes as the one gleam of light in the world's darkness.

But why almost extinguish it under the head of 'German Press Campaign'? And why does he speak of Mr. Schiff's 'brief for Germany'? As one associated for many years in philanthropic work with this noblest of millionaires, I should like to testify that, despite his early associations with Germany, he is one of the most patriotic Americans I have ever known. Descended from a long line of Jewish Rabbis and scholars—one of his ancestors was Chief Rabbi of the Great Synagogue, London, in the 18th century—Mr. Jacob Schiff might himself have sat to Lessing for the portrait of 'Nathan der Weise,' and in proposing a conference to end Prussian militarism—and every other—he speaks not as the mouthpiece of Berlin, but with the voice of Jerusalem.

Yours faithfully,

Israel Zangwill

Jewish Territorial Organization, King's-chambers, Portugal-street,

Nov. 23."

Zangwill was indeed familiar with Schiff's "philanthropy". Zangwill mentioned Schiff's involvement in the war between Russia and Japan in 1911,

"[. . .]Mr. Jacob Schiff financing the Japanese war against Russia and building up the American Jewry[.]"—I. Zangwill, *The Problem of the Jewish Race*, Judean Publishing Company, New York, (1914), on page 14; which was first published as an article, "The Jewish Race", *The Independent*, Volume 71, Number 3271, (10 August

1911), pp. 288-295, at 292.

Schiff provided approximately $20,000,000.00USD (non-adjusted) for the Russian Revolution. [*See:* C. Knickerbocker, *New York Journal-American*, (3 February 1949). A. de Goulevitch, *Czarism and Revolution*, Omni Publications, Hawthorne, California, (1962), pp. 223-232. W. C. Skousen, *The Naked Capitalist: A Review and Commentary on Dr. Carroll Quigley's Book: Tragedy and Hope, a History of the World in Our Time*, Reviewer, Salt Lake City, (1971). J. Griffin, *The Creature from Jekyll Island: A Second Look at the Federal Reserve*, American Opinion, Appleton, Wisconsin, (1995). p. 265.]

Jacob Schiff's "philanthropy" ultimately cost the lives of tens of millions of Russians and subjected hundreds of millions more to Jewish repression which has yet to subside. At the time Schiff wrecked Russia, Russia was in the Allied forces opposed to Germany. The Zionist Jewish bankers not only brought America into the war against our interests, they destroyed an ally in that war against Germany, thereby further harming American interests.

The *Encyclopaedia Judaica*, Volume 14 RED-SL, Encyclopaedia Judaica, Jerusalem, The Macmillan Company, New York, (1971), cols. 960-962, at 961, states,

"Schiff was prominently involved in floating loans to the government at home and to foreign nations, the most spectacular being a bond issue of $200,000,000 for Japan at the time of the Russo-Japanese War in 1904-05. Deeply angered by the anti-Semitic policies of the czarist regime in Russia,

he was delighted to support the Japanese war effort. He consistently refused to participate in loans on behalf of Russia, and used his influence to prevent other firms from underwriting Russian loans, while providing financial support for Russian Jewish *self-defense groups. Schiff carried this policy into World War I, relenting only after the fall of czarism in 1917. At that time, he undertook to support the Kerensky government with a substantial loan."

The "anti-Semitic policies of the czarist regime in Russia" were the prohibition of racist Zionism, which the Czar prohibited because the Czar asked the Jews to integrate not segregate. The racism was Jewish, not Russian. The Czar and his predecessors wanted Jews in Russia to become Russian and assimilate. In the minds of the racist Zionists, that was an extermination campaign against the "Jewish race". Yet, these racist Jews used their control over the press to misrepresent the situation and make it appear that the Czar was racist.

The Czar was also confronted with murderous Jewish revolutionaries and Jewish led strikes that crippled the Russian economy and caused the Russian people to suffer and starve. But then, as now, Jews largely controlled the media and so Jews were able to blame the Czar for the wrongs Jews had done, and for the racist segregationism Jews had insisted upon. In the Jewish media, the Czar became a racist for opposing Jewish racism and an enemy of the Russian People for trying to rescue them from the Jews who were out to destroy the Russian People.

Kerensky immediately emancipated the Jews after the Russian Revolution of 1917, so that Jews could take over the government, educational institutions, the press and other institutions of

influence throughout the Russian Empire. Lenin made "anti-Semitism" an offense punishable by death, and thereby shielded all Jews from any criticism or accusation. [*See:* V. I. Behind this protective shield, Jews then mass murdered educated Gentiles, and elevated Jews into positions of power and influence. Crypto-Jews in the government changed their names to Russian-sounding names. It was a crime punishable by death to reveal their true Jewish identity.

Prominent Jews had long advocated the use of tyrants following revolutions. The Bolshevik Jews Schiff put into power after Kerensky, who had failed to rule with an iron scepter—the Jewish Bolsheviks mass murdered millions of Russian Christians, destroyed Russian Orthodox Churches while leaving synagogues intact, and pillaged, plundered and destroyed Russia for most of the Twentieth Century.

Those many Jews who hated Russians had their revenge. Russian culture was largely destroyed in the process. Irreparable harm was done to the Russian people as a result of the mass murder of their best people and the introduction of carcinogens into their living environment. The famines and unemployment that the Jews blamed on the Czar, so as to cause the unrest which broke out in 1905, were instead due to Schiff and his Jewish financier friends. After Schiff's puppets came to power, they plundered Russia's vast wealth and sent it back to the Jewish financiers, a process which continues to this very day. Such was the Jewish banker Jacob H. Schiff's "philanthropy".

There are many lessons to be learned from the story of how the Jewish bankers destroyed Russia. They used their control over the press to defame Russia and its leaders. They made Americans anti-Russian. In America, they made it illegal to speak out against the war and imprisoned those who did.

Ominously, we again see the Jewish controlled press defaming Russia and its leaders. We again see Jewish bankers promising and funding revolution. We again see Jews in Russia attempting to stir up disorder and chaos, which they blame on the Government. Was not the Twentieth

Century slavery of the Slavs revenge enough to satisfy the racist Zionists? Was not the blood of tens of millions of innocent Russians enough to quench the thirst of these vampires, or must they again tear open the throat of Mother Russia and rip out the unborn children from her womb?

Russia is not the only country which World Jewry seeks to ruin with "revolution". If Jacob H. Schiff were alive today, he would probably want to join the "Ron Paul Revolution". Ron Paul's Rothschild goldbuggery and Ayn Rand selfishness are the products of the Rothschild plan for World domination. Ron Paul is the pitchman for these corrosive and subversive ideas and policies.

The Powers of Our Anti-Zionist President and the Policies of the Anti-Zionist Party of America (APA)

http://www.jewishracism.blogspot.com

When the Constitution was drafted, we did not have the FBI, CIA or NSA. Zionists have thoroughly corrupted those extra-Constitutional institutions.

Since our Congress has been infiltrated by a fifth column of disloyal Zionists who openly serve Israeli interests and who will not respond to the Israeli war on the United States of America with a declaration of war on Israel and World Jewry, and since the Zionist have effectively undermined the viability of our Federal intelligence and law enforcement agencies, our Anti-Zionist President would assume powers under Article II of the Constitution to establish a War Office against Israel and World Jewry. As Commander-in-Chief of the Army and Navy, our Anti-Zionist President would create intelligence and police divisions in the military to combat the treasonous fifth column and fourth estate of Zionists operating in the United States.

Since our enemy uses assassination and intimidation as weapons with which to subvert our fundamental human rights and our sovereignty and has successfully coopted our courts and law enforcement agencies, our Anti-Zionist President would selectively pardon members of the American military who act against traitors serving the Zionists and who could establish that they were acting to fulfill their duty as Americans in defense of the nation, the American People and the Constitution of the United States of America.

Since our enemy has subverted our political process and made it impossible for the American People to defend ourselves by means of the democratic process which would otherwise have obliged the legislature to pass laws to protect the American People from World Jewry and Zionism, our Anti-Zionist President would issue Presidential orders to the military to exact punishments, including fines and imprisonment, on the Zionists (and others) who have subverted our nation, stolen our wealth, undermined our currency, poisoned our environment, corrupted our press, schools and religious institutions, and who have brought us into

unnecessary war. The principles of *ex post facto* limitations do not apply where the legislature has been deliberately corrupted to prevent the passage of necessary legislation, and/or corrupted to pass laws which are against the best interests of the American People.

It is to be expected that the Zionist controlled Congress will attempt to Impeach and remove from office our Anti-Zionist President. Should this event occur, the American People will have to choose between the Zionist controlled Congress and our patriotic Anti-Zionist President. I suggest that we demand that any impeachment process begun against our President extend across an election cycle in the Congress, so as to enable the American People to voice their opinion at the election polls.

Article II of the Constitution of the United States of America:

Article. II.

Section. 1.

The executive Power shall be vested in a President of the United States of America. He shall hold his Office during the Term of four Years, and, together with the Vice President, chosen for the same Term, be elected, as follows:

Each State shall appoint, in such Manner as the Legislature thereof may direct, a Number of Electors, equal to the whole Number of Senators and Representatives to which the State may be entitled in the Congress: but no

Senator or Representative, or Person holding an Office of Trust or Profit under the United States, shall be appointed an Elector.

The Electors shall meet in their respective States, and vote by Ballot for two Persons, of whom one at least shall not be an Inhabitant of the same State with themselves. And they shall make a List of all the Persons voted for, and of the Number of Votes for each; which List they shall sign and certify, and transmit sealed to the Seat of the Government of the United States, directed to the President of the Senate. The President of the Senate shall, in the Presence of the Senate and House of Representatives, open all the Certificates, and the Votes shall then be counted. The Person having the greatest Number of Votes shall be the President, if such Number be a Majority of the whole Number of Electors appointed; and if there be more than one who have such Majority, and have an equal Number of Votes, then the House of Representatives shall immediately chuse by Ballot one of them for President; and if no Person have a Majority, then from the five highest on the List the said House shall in like Manner chuse the President. But in chusing the President, the Votes shall be taken by States, the Representation from each State having one Vote; A quorum for this purpose shall consist of a Member or Members from two thirds of the States, and a Majority of all the States shall be necessary to a Choice. In every Case, after the Choice of the President, the Person having the greatest Number of Votes of the Electors shall be the Vice President. But if there should remain two or more

who have equal Votes, the Senate shall chuse from them by Ballot the Vice President.

The Congress may determine the Time of chusing the Electors, and the Day on which they shall give their Votes; which Day shall be the same throughout the United States.

No Person except a natural born Citizen, or a Citizen of the United States, at the time of the Adoption of this Constitution, shall be eligible to the Office of President; neither shall any Person be eligible to that Office who shall not have attained to the Age of thirty five Years, and been fourteen Years a Resident within the United States.

In Case of the Removal of the President from Office, or of his Death, Resignation, or Inability to discharge the Powers and Duties of the said Office, the Same shall devolve on the Vice President, and the Congress may by Law provide for the Case of Removal, Death, Resignation or Inability, both of the President and Vice President, declaring what Officer shall then act as President, and such Officer shall act accordingly, until the Disability be removed, or a President shall be elected.

The President shall, at stated Times, receive for his Services, a Compensation, which shall neither be increased nor diminished during the Period for which he shall have been elected, and he shall not receive within that Period any other Emolument from the United States, or any of them.

Before he enter on the Execution of his Office, he shall take the following Oath or Affirmation:--"I do solemnly swear (or affirm) that I will faithfully execute the Office of President of the United States, and will to the best of my Ability, preserve, protect and defend the Constitution of the United States."

Section. 2.

The President shall be Commander in Chief of the Army and Navy of the United States, and of the Militia of the several States, when called into the actual Service of the United States; he may require the Opinion, in writing, of the principal Officer in each of the executive Departments, upon any Subject relating to the Duties of their respective Offices, and he shall have Power to grant Reprieves and Pardons for Offences against the United States, except in Cases of Impeachment.

He shall have Power, by and with the Advice and Consent of the Senate, to make Treaties, provided two thirds of the Senators present concur; and he shall nominate, and by and with the Advice and Consent of the Senate, shall appoint Ambassadors, other public Ministers and Consuls, Judges of the supreme Court, and all other Officers of the United States, whose Appointments are not herein otherwise provided for, and which shall be established by Law: but the Congress may by Law vest the Appointment of such inferior Officers, as they think proper, in the President alone, in the Courts of Law, or in the Heads of Departments.

The President shall have Power to fill up all Vacancies that may happen during the Recess of the Senate, by granting Commissions which shall expire at the End of their next Session.

Section. 3.

He shall from time to time give to the Congress Information of the State of the Union, and recommend to their Consideration such Measures as he shall judge necessary and expedient; he may, on extraordinary Occasions, convene both Houses, or either of them, and in Case of Disagreement between them, with Respect to the Time of Adjournment, he may adjourn them to such Time as he shall think proper; he shall receive Ambassadors and other public Ministers; he shall take Care that the Laws be faithfully executed, and shall Commission all the Officers of the United States.

Section. 4.

The President, Vice President and all civil Officers of the United States, shall be removed from Office on Impeachment for, and Conviction of, Treason, Bribery, or other high Crimes and Misdemeanors.

Ron Paul Quotes Leon Trotsky to Declare that the Jewish "Ron Paul Revolution" Is "Permanent"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Israel Lazarevich Helphand, a. k. a. "Alexander Parvus", inspired the crypto-Jewish genocidal mass murderer Lev Bronstein, a. k. a. "Leon Trotsky", to adopt a policy of "permanent revolution". This "permanent" Jewish revolution is a continuation of the ancient Jewish war on the human race.

In collusion with the Jew Emmanuel Carasso, "Parvus" profiteered off of the Jewish "Young Turk Revolution" in the grain and arms trade, and worked as a propagandist for World Jewry in the Ottoman Empire, after the Jewish takeover. Jewish Zionist terrorist Zev Jabotinsky also served as a propagandist for World Jewry in the Turkish Empire, after the Jewish takeover. "Parvus" heavily participated in the 1905 and 1917 Jewish "Russian Revolutions". "Parvus"

arranged for Lenin and his cohorts to travel from Switzerland to Russia in 1917.

Trotsky's murderous "permanent revolution" which gave us the "Red Terror", became, in the hands of Trotskyite Jews, the Jewish neo-Conservative policy of "permanent regime change" meant to deliberately destabilize the World and continue the permanent Jewish war on humanity to its messianic end, all the messy mess just "birthpangs" we must endure for the sake of the Jewish Utopia to come.

Ron Paul sent a message to his followers, and to the World. I suggest we pay careful attention to it:

"If I may quote Trotsky of all people, this Revolution is permanent. It will not end at the Republican convention. It will not end in November. It will not end until we have won the great battle on which we have embarked."—Ron Paul, http://ronpaul2008.typepad.com/ron_paul_2008/2008/02/message-from-ro.html

Paul's political philosophy of absolute selfishness hails from the Jewish subversive sent from the Soviet Union to destroy America, Alisa Zinov'yevna Rosenbaum, a. k. a. "Ayn Rand". Ron Paul's Rothschild goldbuggery comes from the Jew Ludwig von Mises, who came to America on a grant from the Rothschilds' American associate, Rockefeller. Ludwig von Mises was a close friend of the Jewish supremacist and advocate of global government, Richard Coudenhove-Kalergi, who was financed by the Rothschilds.

Leon Hadar, who was a correspondent for the *Jerusalem Post*, and who is a graduate of Hebrew University in Jerusalem, has joined the Ron Paul campaign as a foreign policy advisor.

Why Did the Jewish Communists Threaten Huey Long's Life?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Huey Long opposed American involvement in the First World War. As a lawyer, Long successfully defended a man prosecuted under Zionist President Woodrow Wilson's "Espionage Act". Huey Long eventually emerged as a Presidential candidate, who promised to curtail the corrupt power of the Jewish financiers, and who promised to defeat Franklin Delano Roosevelt. Roosevelt was a darling of Jewish Communists and brought America into another Jewish manufactured world war.

Long pledged to distribute the wealth:

HUEY LONG

He directly and personally attacked the selfish power of Bernard Baruch and other top Jewish financiers who ran the American Federal Government. Though many of his liberal views mirrored those of the Socialist and Communist Parties, both Jewish controlled parties denounced Long as if a Fascist and smeared him as if he were another Adolf Hitler. They objected to Huey Long's plan to distribute the wealth through the income tax, while maintaining the productive capabilities of Capitalism. They also objected to Long's alleged dictatorial control of the Government of the State of Louisiana.

Jewish Communists have never wanted to help the working class. Quite the contrary, Jewish Communists deliberately do everything they can to destroy society, and with it the working class. They do this in the name of preparing the way for a Communist Utopia, which is in fact a prophesied Jewish Utopia. The Jewish Communists wanted to abolish private property, which is to say, they wanted to place property under the control of the Jews, as was prophesied in the Old Testament.

Huey Long sincerely represented the interests of the working class, while the Jewish Communists sincerely represented the interests of Jewish financiers. If another Huey Long were to come along today, the Kosher conservative Jewish mouthpieces in the Jewish controlled media would call him, or her, a "Communist". In point of fact, these neo-Con Jews are themselves Trotskyite Communists and Communism serves the Jewish bankers, not the working people of the World. The redistribution of wealth has never been the honest goal of the Communists. Their goals are to kill off the best of the Gentiles, steal Gentile wealth and weaken Gentile society to the point where the Jewish minority can dominate the Gentile majority. This

is exactly what Jewry did to Eastern Europe and all of Russia.

In 1946, Robert Penn Warren (author of the racist and segregationist essay "The Briar Patch" in *Twelve Southerners, I'll Take My Stand: The South and the Agrarian Tradition*, New York, London, Harper, (1930); which sought to prevent blacks from entering into competition with whites in the labor markets) posthumously attacked Huey Long in a novel entitled *All the King's Men*, Harcourt, Brace, New York, (1946). The highly-talented Communist film director of Jewish descent, Robert Rossen, made Warren's book into a movie in 1949. As a "former" member of the Communist Party, Rossen was called before the House of Un-American Activities Committee and eventually told them the names of 57 other Communist Party members. [*See:* A. Radosh and R. Radosh, *Red Star Over Hollywood: The Film Colony's Long Romance with the Left*, Encounter Books, San Francisco, (2005).]

Isn't it odd that Communists took such a strong interest in defaming Huey Long, who struggled to help the working class and to redistribute wealth, while at the same time they covered up Joseph Stalin's (Lazar Kaganovich's) many crimes against the working class?

In 1935, Dr. Carl Austin Weiss allegedly shot Huey Long and Long died soon thereafter due to the failure of his doctors to properly treat the gunshot wounds Weiss, and Long's own bodyguards, allegedly had inflicted on him. Immediately after Weiss allegedly shot Long, Long's bodyguards shot Weiss with at least 20 large caliber handgun rounds—perhaps as many as 60 rounds. Weiss was very dead and very quiet. [*See:* H. B. Deutsch, *The Huey Long Murder Case*, Doubleday, Garden City, NewYork, (1963). D. Zinman, *The Day Huey Long was Shot, September 8, 1935*, I. Obolensky, New York, (1963). E. Reed, *Requiem for a Kingfish*, Award

Publications/E. Reed Organization Baton Rouge, Louisiana, (1986). D. H. Ubelaker, "The Remains of Dr. Carl Austin Weiss: Anthropological Analysis", *Journal of Forensic Sciences*, Volume 41, Number 1,(1996), pp. 60-79.]

It was alleged that Weiss had shot Long because Long had threatened to reveal Weiss' interracial family secrets. If true, it is odd that Weiss believed he could save his family from embarrassment and keep secret facts hidden, by shooting Huey Long, which was certain to embarrass Weiss' family and call attention to his family's secrets. Some believe that Huey Long's own bodyguards shot Long and used Dr. Weiss as a "patsy". [*See:* H. B. Deutsch, *The Huey Long Murder Case*, Doubleday, Garden City, NewYork, (1963). D. Zinman, *The Day Huey Long was Shot, September 8, 1935*, I. Obolensky, New York, (1963).]

The Jewish mafia attempted to murder Henry Ford in 1927. The assassination attempt ended Ford's political ambitions. Ford was also a pacifist who tried to end the First World War. Ford also promoted the interests of the working class.

The murder of Huey Long was equally successful in ending his political ambitions. Franklin Delano Roosevelt, a Communist and pathological liar, enjoyed four terms as President of the United States.

Appealing to the Majority, as Opposed to Pandering to Dysfunctional Minorities and the Psychopathic Super-Rich

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Anti-Zionist Party of America (APA) can win elections by becoming the champion of the majority of Americans. The obscenely wealthy complain that they have to pay taxes and many of these greedy and selfish psychopaths pass the tax burden onto the middle class and poor. The rich receive the greatest rewards from the government and the nation, but abrogate their responsibility to pay back into the system. They instead send American jobs abroad and the bills to the middle class.

In my anecdotal experience, the rich are the least generous, and the poor the most generous people. Perhaps there is a lesson to be learned from that fact. The poor subvert their own ability to accumulate wealth and make the super-rich, super richer. A healthy society lives off of the fat stored in the middle class and our middle class is growing thinner.

The poor in America live under highly stressful conditions. Many live in squalor among hustlers, corrupt community leaders and are surrounded by drug abuse and crime. In order to relieve their stress, they waste what little monies they have on tobacco, alcohol and other drugs, and seek out expensive entertainments to distract them from their psychological pain. Their time is wasted on acquiring money through crime to obtain addictive drugs, which produce nothing other than ill health and increasing debts. The government which ought to fight to protect them

from drugs of this nature, instead profits from the taxes on tobacco and alcohol, and on the criminal justice system. Prison life increases the stress on the poor and creates irreparable psychological damage. Government jobs in the military and police are also highly stressful and often cause psychological harm. The middle class pays the financial costs and the children of the poor pay the social costs as our entire nation declines.

The poor do not save, but instead waste money on drugs, unnecessarily costly clothes and jewelry. They do not own real estate, but instead rent. They pay the highest usury on their debts. All of this prevents them from accumulating wealth and the lack of investment capital dramatically reduces the ability of their communities to grow economically. The poor, for various reasons, do not adequately supervise their children. They promote anti-intellectual attitudes in their children and denigrate those among them who wish to advance through legitimate means.

The middle class suffer from political naivete. Their opinions are created for them by the mass media and the Democratic and Republican parties, which are in the hands of racist organized Jewry. When the middle class begin to organize and demand that the super-rich pay taxes and cease to corrupt the poor, the rich hire mouthpieces to subvert the interests of the middle class and call their organized efforts to improve the nation "Communism". It is exactly the same tactic Jewry uses to stigmatize those who criticize the Jewish war on the human race, by calling them "anti-Semites". In my anecdotal experience, the super-rich always want more money and more power and they despise the rest of humanity. Yet, the middle class in America again and again falls for the financed lies of the mega-wealthy.

The American middle class needs to take control over their own fate. They must insist upon immigration, health care, education, criminal justice and tax reform; but they must not subvert their own interests in the name of profiting the super-rich. In order to be competitive in the World marketplace, American children need politicians who place their interests first, politicians who reduce our debts, who do everything possible to avoid wars—politicians who protect the environment and safety and well being of our people. Our children need parental and community supervision. They need training on how to be successful and healthy. America's wealth is leaking out to Asia, and we need to plug those holes in our system. America's wealth is being squandered on Israeli instigated wars. America's wealth is being spent on foreigners, while our politicians and business leaders are destroying various countries and then importing their poor into our nation. The American middle class loses jobs as they go abroad and to imported labor in America. This process is organized and carried out by the super-rich, and yet the American middle class continues to idolize these hateful and selfish traitors who are destroying America.

The poor need jobs and to improve their culture. That will only happen if the middle class rescues itself from the super-rich traitors who are destroying America and who are working for World Jewry. The super-rich traitors whine that they are the victims of "class warfare". The reality is that they are the victors of class warfare and it is they who wage war on the majority of Americans. The process is similar to the Jewish war on the human race. Jewry complains that everyone is against them, while Jewry wages war on the rest of humanity and keeps them from fighting back by defaming them when they do as if they were "anti-Semites" for defending themselves from Jewish attacks. The mega-rich attack the rest of our citizens, and then defame

those who resist as if "Communists", "Socialists" or participants in "class warfare".

Wake up, America, the war is on and the enemy is stealing your wealth and trampling your country. Your options are limited to fighting back, or cowardly, painful and deadly submission. If you do not respect yourselves enough to summon the courage and self-respect needed to champion your own cause, then at least show some respect to your ancestors who gave you what you have, and to your progeny who will exist on what you leave to them. Expect the super-rich internationalists to serve their own international interests and to delight in your demise and the ruin of America. Expect the poor to fall deeper into poverty at the direction of the super-rich. I say to the majority of Americans, save yourselves and the nation as a whole will prosper. Force the super-rich to at least pay for the feed for the sheep they slaughter. Take political action to serve your interests, not those of the mega-wealthy. Demand health care and education and train your children to provide it. Conserve and save and demand that the poor do the same, by creating a system of incentives for them to do so and disincentives against self-destructive culture. Fight back against the super-rich who poison the poor and middle class with false beliefs, drugs and usury. Fight back against the super-rich who send our jobs abroad, destroy other nations, and then import foreign labor to compete against Americans in America. Fight back against organized Jewry and its warmongering and deliberate subversion of our economy, culture and educational system. Stop subverting your own interests for those of the super-rich traitors and the poor. Sponsor the best of our citizens to do their best in our society, and they will lift up the rest. Spend more money on American infrastructure and on training American engineers, teachers and doctors, and less on courts, prisons, wars and foreign citizens.

Let the Anti-Zionist Party of America be a party of the majority, not the psychopathic super-rich and dysfunctional minorities. Let us combat World Jewry which is waging war against us and against America as a mighty, just and prosperous nation. Let us fight back in the class war which the internationalist super-rich are waging against the majority of Americans and against America as a mighty, just and prosperous nation.

There is nothing more profitable for World Jewry and the super-rich than wars for Israel. That is why both Democrats and Republicans are pushing for more war, never-ending war, apocalyptic nuclear war. Let the Anti-Zionist Party of America prevent the death of the human race at the hands of World Jewry, which is aggressively poisoning us, body and soul.

Kissing Kosher Ham: Smearmonger Khatchig Mouradian's Conspiracy Theory that the Facts of History Are Somehow "Anti-Semitic" Fabrications

Khatchig Mouradian has returned to his Hebrew haunt at www.jewcy.com to personally attack me for my exposure of *The Jewish Genocide of Armenian Christians*. He calls me an "anti-Semite" because I point out the indisputable facts of history, which facts prove that the leaders of the "Young Turk" movement were Jews.

Smearmonger Mouradian does not address the facts I have presented, let alone attempt to refute them. Instead, he predictably resorts to vicious smearmongering in a hateful personal attack against me:

The Stubborn Myth of Jewish Involvement in the Armenian Genocide by Khatchig Mouradian

Khatchig Mouradian is aware, or should be aware given that he so publicly issues vicious smears against me based on my work, that I have presented facts, not theories, which establish the indisputable historical reality that the leaders of the "Young Turks" were Jews and Freemasons. Why does Mouradian ignore these facts? Why does he feel obliged to issue insults, instead of addressing the relevant issues raised? In a previous article, I pointed Khatchig Mouradian directly to some of those facts of history, facts which he opts to ignore, electing instead to recklessly do violence to my reputation for my having dared to speak the truth:

Should Armenians Grovel and Lick Jewish Boots, or Should Jewry Apologize to the Armenians, Stop Obstructing Genocide Recognition and Make Reparations? December 06, 2007:

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

A small minority of Armenians want to join with World Jewry in covering up the predominant Jewish role in the Armenian Genocide. They hope that the Jews will help them to gain official recognition of the Armenian Genocide, which they believe will open the door to reparations from Turkey and enforcement of the Treaty of Sevres and other obligations. These Armenians plead with the very group which is most active in obstructing recognition and beg them to help Armenians obtain recognition.

A sounder strategy is to openly accuse organized Jewry of opposing recognition and to demand that they respond to questions of the Jewish involvement in the Armenian Genocide. This will cast suspicion on those Jews who oppose recognition as to why they oppose it. This will make it far more difficult for Jewry to suppress recognition of the Armenian Genocide. It will, therefore, open the door for just reparations not only from the Turks, but also from the Jews.

Many Armenians have touted the two-faced Zionist Jew Henry Morgenthau, Sr. as if he were a noble savior of the Armenians and a "righteous Jew". Morgenthau did nothing to save the Armenians. Instead, he used their plight as a means to try to bring the United States into war with the Jewish controlled Ottoman Empire. He was a treacherous snake, who betrayed the American People, the Armenians and the other citizens of the Ottoman Empire. The *Times* of London, on 8 October 1915, pinned the tail on the snake pointing out that Morgenthau's primary and in effect his sole concern was Zionism. He wanted to steal Palestine and hand it over to Jewry, this despite the fact that most Jews at the time were not Zionists. The *Times* wrote,

"The attempts of the American Ambassador to procure some alleviation of the lot of Armenians have thus far proved unsuccessful. Mr Morganthau, in the opinion of good observers, wasted too much diplomatic energy on behalf of the Zionists of Palestine, who were in no danger of massacre, to have any force to spare. Talaat and Bedri simply own that persecuting Armenians amuses them and turn a deaf ear to American pleadings. German and Austro-Hungarian residents in Turkey at first approved of the punishment

of Armenian 'traitors', but the methods of the Turkish extremists have sickened even Prussian stomachs. True the Jewish Baron von Oppenheim, now in Syria, has been preaching massacre, and the German Consular officials al Aleppo and Alexandretta have followed suit, perhaps with the idea of planting German colonists in the void left by the disappearance of the Armenians when the war is over."—"THE ARMENIAN MASSACRES: EXTERMINATING A RACE: A RECORD OF HORRORS", *Times of London,* (8 October 1915), http://www.timesonline.co.uk/tol/news/world/europe/article2641064.ece / http://www.timesonline.co.uk/tol/news/world/europe/article2641064.ece?token=null&offset=24

In 1911, the *Times* made public the fact that the "Young Turk Revolution" was a Jewish takeover, and that Jewry was responsible for the Adana Massacres of 1909, and other crimes against Christians. Correspondents for the *Times* called upon Western Jewry to condemn and act to end the Jewish Genocide of Armenian Christians. Leading Jews instead stepped up to shamelessly lie on behalf of Jewry, and we have as a product of their deceit the Jewish Genocide of Armenian Christians of 1915. I will only briefly quote from the long series of correspondence which took place on the pages of the *Times* in 1911 which is reproduced in full in my book *The Jewish Genocide of Armenian Christians* which can be found at: http://www.jewishracism.com/JewishGenocide.htm.

A correspondent for the *Times* wrote,

"THE SALONIKA COMMITTEE

The author, who in his indignation invokes diplomatic aid for the perishing Albanians, overlooks the circumstances which, in this instance, must render diplomatic action ineffectual or belated. Diplomatists can appeal only to the Ottoman Government, but not to the unofficial, intangible Salonika Committee, whose behests Torgut Shevket executed in his ill-treatment of the Albanians last year—ill-treatment that provoked the present revolt—and whose secret programme he is now attempting to carry out. To be efficacious influence must be brought to bear upon the Committee from quarters which the Committee will respect, or at least fear. These quarters are the honest and humanitarian Jews of England, the United States, Italy, and other countries.

It is a well-known fact that the Salonika Committee was formed under Masonic auspices with the help of the Jews and Donmehs, or crypto-Jews of Turkey, whose headquarters are at Salonika, and whose organization took, even under Abdul Hamid, a Masonic form. Jews like Emmanuel Carasso, Salem, Sassun, Fardji, Meslah, and Donmehs or crypto-Jews, like Djavid Bey and the Baldji family, took an influential part both in the organization of the Committee and in the deliberations of its central body at Salonika. These facts, which are known to every Government in Europe, are also known throughout Turkey and the Balkans, where an increasing tendency is noticeable to saddle the Jews and Donmehs with responsibility for the sanguinary blunders which the Committee has made. To apportion

responsibility justly is at present impossible. It appears unquestionable that the Jews supplied the brains for the Committee movement, and it is equally certain that, if and when the movement ends in disaster, they will be made to incur the odium for events like the Adana massacres, the beatings of Bulgarian peasants last autumn, and the present Albanian operations, which have shed so sorry a light upon the Young Turkish *regime*.

The enlightened and humanitarian Jews in England and other countries—those who did not fear to organize Jewish committees for the purpose of combating the white slave traffic carried on chiefly by their depraved co-religionists abroad—have assuredly no notion of the situation that is developing throughout the Near East, nor of the weapons that are being put into the hands of every palliator of Pogroms. Frank and fearless inquiry would reveal to their eyes a state of things of which diplomatists and statesmen have been whispering for months past, and to which sporadic but necessarily obscure allusions have been made from time to time in the European Press. Now, in view of the position in Albania, reticence would be misplaced.

There is reason to believe that a direct appeal from the humanitarian Jews of the Western world to the Jewish organizations in Turkey would do more to stay the hand of Torgut Shevket and to prevent the development of a catastrophe in the Near East than all the notes or injunctions which

European diplomacy can indite and address to the Golden Horn."—Vienna Correspondent for *The London Times*, "Jews and the Situation in Albania", *The London Times*, (11 July 1911), p. 5.

This humanitarian appeal to rescue the Armenians was met with ridicule by Jewry. Had it been properly received, the lives of 1.5 million Armenians would have been spared from the racist Jews who ordered their complete destruction.

Another ambassador to the Ottoman Empire, one who was not a treacherous Zionist Jew, Sir Gerard Lowther, British Ambassador to the Ottoman Empire, wrote to the British Foreign Office,

"[T]his new Freemasonry in Turkey, unlike that of England and America, is in great part secret and political, and information on the subject is only obtainable in strict confidence, while those who betray its political secrets seem to stand in fear of the hand of the Mafia. Some days ago a local Mason who divulged the signs of the craft was actually threatened with being sent before the court-martial, sitting in virtue of our state of siege. [***] [T]he Young Turkey movement in Paris was quite separate from and in great part in ignorance of the inner workings of that in Salonica. The latter town has a population of about 140,000, of whom 80,000 are Spanish Jews, and 20,000 of the sect of Sabetai [Z]evi or Crypto-Jews, who externally profess Islamism. Many of the former have in the past acquired Italian nationality and are Freemasons affiliated to Italian lodges. Nathan, the Jewish Lord Mayor of Rome, is high up in Masonry, and the Jewish Premiers Luzzati and

Sonnino, and other Jewish senators and deputies, are also, it appears, Masons. [***] Emannuele Carasso, a Jewish Mason of Salonica, and now deputy for that town in the Ottoman Chamber, founded there a lodge called 'Macedonia Risorta' in connection with Italian Freemasonry. He appears to have induced the Young Turks, officers and civilians, to adopt Freemasonry with a view to exerting an impalpable Jewish influence over the new dispensation in Turkey[.] [***] The inspiration of the movement in Salonica would seem to have been mainly Jewish[.] [***] Carasso began to play a big rôle, including his successful capture of the Balkan Committee, and it was noticed that Jews of all colours, native and foreign, were enthusiastic supporters of the new dispensation, till, as a Turk expressed it, every Hebrew seemed to become a potential spy of the occult Committee, and people began to remark that the movement was rather a Jewish than a Turkish revolution. The Italian Government appointed a Jew and Mason called Primo Levi, who was not in the consular career, as consul-general at Salonica, and Oscar Strauss, who, together with Jacob Schiff, had influenced the American Jews in favour of Jewish immigration into Mesopotamia as opposed to other Territorialist plans and as an extended form of Sionism, was appointed American Ambassador here. [***] Carasso was one of the bearers of the message of deposition to Abdul Hamid, who was conveyed to Salonica and confined in the house of the Italian Jewish bankers of the Committee, while a brother of Remzi Bey was set over him as keeper. After the deposition the Jewish papers of Salonica sent up a loud cry of

deliverance from 'the oppressor of Israel' who had twice turned a deaf ear to the appeals of Herzl, the Sionist leader, and who, by the imposition of the red passport, like our own Aliens Act, against Polish Jewish immigrants, and otherwise, had thwarted the realisation of the ideals of Sionism in Palestine. The ninth Sionist Congress in December 1909 at Hamburg announced that the divisions in the Jewish world between Territorialists and Sionists, 'as a miracle of the Turkish revolution', had been healed. At the same time Javid Bey, Deputy for Salonica, an exceedingly clever and gifted Crypto-Jew and Freemason, was made Minister of Finance, while Talaat Bey, also a Freemason, became Minister of the Interior. [***] Parliament was 'ordered' to pass a very stringent Press Law, and a Salonica Crypto-Jew and Freemason was made 'Directeur du Bureau de la Presse', a post of enormous power, as its holder can suppress a paper for severe 'criticism of the new régime' (dubbed 'reaction'), or have the proprietor or editor court-martialled. A semi-inspired Ottoman telegraph agency [***] was started under the direction of a Baghdad Jew, and an all but successful attempt was made to appoint a Salonica Jewish lawyer and Mason as adviser to the Ministry of Justice. The Constantinople head branch of the Committee of Union and Progress is also run by a Salonica Crypto-Jew and Mason. Another Salonica Crypto-Jew and Freemason made determined attempts to be appointed 'Préfet', i.e. Lord Mayor, of the capital, but has not yet succeeded in his aim, though Prince Said Ha[lim] an Egyptian Freemason,

has become Deputy Mayor. [***] [T]he old Ministry of Police was replaced by the 'Sûreté Publique' controlling the police and gendarmerie, and put in charge of a Salonica Freemason. [***] Talaat Bey, the Minister of the Interior, who is of Gipsy descent, and comes from Kirjali, in the Adrianople district, and Javid Bey, the Minister of Finance, who is a Crypto-Jew, are the official manifestations of the occult power of the Committee. They are the only members of the Cabinet who really count, and are also the apex of Freemasonry in Turkey. [***] A Turk described it as a process of 'drugging the latter with Jewish hashish'. From the foregoing or any close inspection of the Young Turkey movement in its present stage, it will appear to be principally Jewish and 'Turkish' as opposed to other Ottoman elements, e.g. Arabs, Greeks, Bulgarians, Armenians, etc. [***] It was hoped in the beginning that the Armenians, Bulgarians, Greeks and the Ottoman Jew would serve as economic props, but the Young Turk seems to have allied himself solely with the Jew, Ottoman and foreign, and to have estranged the other races. The same result has been witnessed in Hungary, where the Hungarian, who is of Turkish stock and is similarly devoid of real business instincts, has come under the almost exclusive economic and financial domination of the Jew. [***] [A]s Turkey happens to contain the places sacred to Israel, it is but natural that the Jew should strive to maintain a position of exclusive influence and utilize it for the furtherance of his ideals, viz, the ultimate creation of an autonomous Jewish state in Palestine or Babylonia, as explained by Israel Zangwill in his article in the 'Fortnightly

Review' of April. He would kill two birds with one stone if he could obtain from the Turk unrestricted immigration of Jews into Turkey, an aim that he has been pursuing for years back, and transfer to Mesopotamia some millions of his co-religionists in bondage in Russia and Roumania. In return for 'unrestricted immigration' of foreign Jews, he has offered the Young Turk to sacrifice his mother-tongue and replace it by Turkish, and even to take over the whole of the Turkish National Debt. Dr. Nazim, one of the most influential members of the Salonica Committee and said to be of Jewish extraction, has, in company, with his fidus Achates, a certain Faik Bey Toledo, a Crypto-Jew of Salonica, visited the Paris branch of the I.C.A. (Judaeo-Colonisation Association) and has since openly advocated importing 200,000 Roumanian Jews into Macedonia and some millions of Russian Jews into Mesopotamia. [***] Doubtless, when Young Turkey with its heavy military expenditure is in need of borrowing, further pressure will be applied by the Jewish lenders. [***] For the 'Aurore' ('Shefak'), a Sionist organ started a year ago in Constantinople, is never tired of reminding its readers that the domination of Egypt, the land of the Pharaohs, who forced the Jews to build the Pyramids, is part of the future heritage of Israel. [***] Mesopotamia and Palestine are, however, only the ultimate goal of the Jews. The immediate end for which they are working is the practically exclusive economic capture of Turkey and new enterprises in that country. [***] [T] hey hold or control all the pivotal points in the machinery of the Young

Turkey Government, though the Ministry of Public Works [***] is still held by an Armenian, Halajian Effendi. When his predecessor, another Armenian, was got rid of, a determined attempt was made to appoint a Jew or a Jewish nominee. [***] His position is now still shaky, and the most bitter and constant attacks on him come from a Jewish-financed paper, 'Le Jeune Turc', while there are rumours that his successor will be a Jew, or a Turk with a Jew at his elbow. It is obvious that the Jew, who is so vitally interested in maintaining his sole predominance in the councils of the Young Turkey, is equally interested in keeping alive the flames of discord between the Turk and his (the Jew's) possible rivals, i.e. the Armenians, Greeks, etc., while it is to be inferred that he would not be averse to the new regime increasing the national indebtedness to the Hebrew financiers. [***] The Jew hates Russia and its Government[.] [***] The Jew can help the Young Turk with brains, business enterprise, his enormous influence in the press of Europe, and money in return for economic advantages and the eventual realisation of the ideals of Israel[.] [***] The Jew has supplied funds to the Young Turks and has thus acquired a hold on them; but in order to retain this hold he has to appear at least to approve and aid the Young Turk towards the accomplishment of 'national' dreams. Secrecy and elusive methods are essential to both. The Oriental Jew is an adept at manipulating occult forces, and political Freemasonry of the continental type has been chosen as the most effective bond and cloak to conceal the inner workings of the movement. [***] The 'Jeune Turc', which, like some other organs in the

Ottoman capital, is subventioned by the Jews[.] [***] But all this is dependent on European, i.e. mainly Jewish, financiers supplying it with the sums required to keep up an army which is disproportionate to its actual state of economic development."—Letter from G. Lowther to C. Hardinge 29 May 1910, His Majesty's Stationary Office, Lowther Papers, Foreign Office 800/193A; and see: 800/193B. The complete letter is published in: E. Kedourie, "Young Turks, Freemasons and Jews", *Middle Eastern Studies*, Volume 7, Number 1, (January, 1971), pp. 89-104; *reprinted:* E. Kedourie, *Arabic Political Memoirs and Other Studies*, Chapter 16, Frank Cass, London, (1974), pp. 243-263. For additional correspondence to and from Lowther, see also: British Documents on the Origins of the War, 1898-1914, 11 Volumes in 13, His Majesty's Stationary Office, London, (1927); and the Hardinge Papers and the Grey Papers.

I predicted that many Jews would support the Armenians, before it happened. I also predicted that some of these Jews would have sincere motives, while others would be Zionist Jews out to defame Moslems which Zionist Jews wished to use the Armenian Genocide, which Jewry created, to yet again gin up war on Islam. My predictions were demonstrably correct. Now ask yourselves a question while pondering the nobility, or lack thereof, of World Jewry, how many Jews have publicly expressed their regret for the Jewish role in the Armenian Genocide? To date I count myself as one.

Not just Abe Foxman as an individual, but the ADL as a Jewish organization, and not the ADL alone, but AIPAC and several other Jewish organizations have spoken out against recognition of

the Armenian Genocide in the United States Congress. The "Jewish State" of Israel, which rests on stolen Arab land freed up by the Jewish Genocide of Armenian Christians, officially denies the genocide by refusing to officially acknowledge and condemn it. It is not merely a set of random Jews who have opposed recognition, not merely a set of prominent politically active and highly influential Jews and/or radical Zionists including Shimon Peres, Tzipi Livni, George W. Bush, Rahm Emanuel, Jane Harman, Madeleine Albright, William Cohen, Charles Krauthammer, etc. etc. etc. Rather, World Jewry is engaged in an organized international Jewish campaign to defeat official recognition of the Armenian Genocide, which campaign is led by the highest officials of the "Jewish State" itself, a racist apartheid nation which is 20% Arab, and Jews and Zionist Gentiles at the highest levels of the American Government. Armenian Genocide denial is promoted by the Doenmeh in Turkey and other Turkish Jews.

Armenians should take their fate into their own hands and stop looking to organized Jewry to accomplish for them what they can accomplish for themselves by instead pointing a finger at Jewry and declaring, "*J'accuse!*"

In the News:

Are Armenians Angry at Jews?

Mouradian has read, or ought to have read before defaming me with his false presentation of history and my work, my book *The Jewish Genocide of Armenian Christians*. Instead of

waltzing with the smearmonger Khatchig Mouradian, I choose to again confront him with the facts:

1.) Salonika was a hotbed of revolutionary Doenmeh, and otherwise Jewish, revolutionary activity.

2.) Many of the leaders of the "Young Turks" in "The Committee of Union and Progress" were Jews or crypto-Jews, and Freemasons, and many of these came from Salonika. Jewish, or crypto-Jewish leaders of the "Young Turks" included, but are by no means limited to, the following persons: Emmanual Carasso, Djavid Bey, Mustafa Kemal "Ataturk", and Dr. Nazim.

3.) The Committee of Union and Progress engaged in a conspiracy to overthrow the Sultan of the Ottoman Empire and seize control of the Empire. They planned this coup in Freemasonic lodges. They recruited conspirators into Freemasonry, and derived their leaders from Freemasonry.

4.) Judaism contains the Jewish myth of the "Amalekites". The Jewish religion compels Jews to exterminate the "Amalekites". Contemporary Jews in the Ottoman Empire referred to the Armenians as "Amalekites" and it is a long standing belief in Jewry that the Armenians are "Amalekites". The orders which the Jewish and crypto-Jewish leaders Talaat Pasha and Dr. Nazim issued for the extermination of the Armenians mirror Jewish religious commandments to "blot out" the Armenians, man, woman, and child.

5.) Zionist Jews wanted to take Palestine from the Ottoman Empire. Sultan Abdul Hamid II

would not give it to them, nor would the Arabs give up their homes without a fight. Zionist Jews expected that they would have to dismember the Ottoman Empire in order to take Palestine and give it to Jewry.

6.) In 1911, correspondents for, and to, the *Times* of London pleaded with World Jewry to end the Jewish led destruction of Christians in the Ottoman Empire. Like our smearmonger Khatchig Mouradian, leading Jews accused those who told the truth about the Jewish role in the Armenian Genocide of Jewbaiting. Leading Jews in 1911 rebuffed the respectful pleas made in the *Times* to rescue the Armenians from Jewry, with proven lies and deliberate distortions. In 1915, the Jewish and crypto-Jewish leaders of the "Young Turks" exterminated 1.5 million Armenians, an act which Western Jewry was politely asked to prevent in 1911, thereby casting the guilt for the crime of the Armenian Genocide not just upon the Turks, Kurds, Armenian collaborators, Jewish financiers and Jews and crypto-Jews of Salonika, but upon World Jewry at large.

Let us see if the reckless smearmonger Khatchig Mouradian has the common decency to address these facts, and explain why he has engaged in smears against me for no apparent reason. Does Khatchig Mouradian deny that there was a conspiracy to overthrow the Sultan of the Turkish Empire?

Is Khatchig Mouradian able to identify the leaders and financiers of the "Young Turks" and their ethnic and religious origins? Can Khatchig Mouradian explain why these leaders decided to genocide the Armenians?

Is there a Moslem myth that the Armenians must be exterminated?

Why were Jews largely unharmed as Armenians died at the hands of the "Young Turks" in the millions?

Is Khatchig Mouradian aware that leading Jews have exhibited the same behavior as the Armenian Genocide in biblical accounts, and that it was a Jew, Lazar Kaganovich, who genocided the Ukrainians in the horrific Holodomor?

Is it, or is it not, our moral imperative to identify the ethnic and religious origins of the planners and perpetrators of genocide so as to prevent future genocides, and punish past genocides?

Is it proper to identify the Turkish Moslems involved in the Armenian Genocide as Moslems and Turks? Why are Jews who supposedly helped Armenians specifically and prominently identified as Jews? Should not the Jews who perpetrated the Armenian Genocide also be identified specifically and prominently as Jews? If not, why not?

The Noble Rot Versus the Rotten Notables: Low Blows from the Scum of the Earth and What We Ought to Do about the Problem of Jewish Hypocrisy

Christopher Jon Bjerknes

I have learned much from observing black Americans. Often, they must be better than whites in order to obtain recognition for their success equal to that of whites. Affirmative action would reverse this injustice, but instead perpetuates it by focusing human beings in circus mirrors which are distorted to lie and turn fat men into thin, and thin men into widening vessels of ridicule.

I say, "Unfair is unwise." You don't fix problems by pretending them away. All people should meet the same standards. If prejudice prevents this, fight the prejudice. If reality prevents this, face the reality and address it in an equitable and fair way. Weakening the strong does not of

itself strengthen the weak any more than poisoning the well sweetens the spring.

So what do we do about a tribe of hatemongers who perpetuate their "divine nation" by way of double standards, lies, smears and injustice? What do we do to combat a group of hostile, segregationist, racist Jews who want to destroy the World and rule the ruins, like an obnoxious child who spits in the soup and claims it as his own by befouling it for the rest of us?

If ancient accounts are to be believed, Jews have always demanded "fairness" from governments in order to unlevel the playing field and send the ethereal blessings of injustice floating to the top, to be skimmed off and sipped in triumphal golden cups clutched tightly between the fat thumbs and warty fingers of rich Jews. The rich always demand the "freedom" to exploit the poor. Liars always assert the freedom of speech as if it were an excuse to lie and degrade, while concurrently demanding that those who tell the truth be silenced. Such is the nature of double standards. Advantage to the privileged in order to maintain their privilege. Injustice to the subverted in order to maintain and increase their weakness.

And here we are strapping duct tape on bowed beams, instead of confronting the termites that are eating away the foundations of our strength. We are fighting one another instead of uniting against our common foe.

What trap have we stumbled upon that has severed our will to survive and placed our decapitated and emasculated love of life under a headstone bearing self-destructive platitudes written in Hebrew and Greek? Must we tolerate the intolerant? Must we surrender to the attacker in the name of "liberty, equality and fraternity"? Must we worry and fuss about how

best to obey the arbitrary and contrived rules of our enemy and hamstring ourselves with fret over how not to be insulted by career defamers, liars and mass murders; or do we face front and slice down the poisonous slashers who aim at our throats? Do we turn our backs to the ugly and angry snake out of fear of being bitten, or ought we buck and steady double barrels at its hooded head and fell our hammers on the nails of our enemy's coffin, fire the pins and pop the primers, then grind our clean heels into the scaley scum that once spit in our eyes to blind us to the danger of its inevitable bite?

Must we drag one another down so that no one will scramble out of the grave-like pit of Jewish oppression below us, that "us" that we are told is the human race blurred and stewed into an overcooked insipid grey porridge fed to a diluted and deluded convict humanity from a kosher ladle condescendingly cradled in the crooked inbred fingers of untrustworthy Jewish racists who look cross-eyed and neurotic with hatred at the many faces of humanity, as if the variegated children of man were clumps of filth in a sewer which must be flushed away to rot in heaps of hopeless refuse in a faceless mass of pitiless peat bogged down in its own stinking weight of self-contempt?

Contemplating the fate of mankind as it cowers before World Jewry, I am reminded of *Eiswein*, the finest of desert wines, which is made from select grapes left to rot on the vine after the first frost. Nature patinas the thin green skin of the grape with a "noble rot" which concentrates, sweetens and ferments the once full and ripe fruit—for the benefit of later consumption by connoisseurs, who sip the tingling syrup and dancing spirits concocted from the bent backs of ancient vines, laboring vines who drape gnarled arms over barbed wire fences and suffer the

flogging whips and snipping knives, the sniping laughter of their masters, in instinctive hopes of a new spring after the snow and frozen rain have given way to long days of spring sun smiling on the mountain slopes of the Mosel, Saar, Ruwer and the Rhine.

Now is the time of the harvest. The moon is low and large. The cold has wearied the strong and dropped the leaves which gather the light. While the wood rests through the winter, the thieves rot the fruit and age the blood into a special brew, which vampires savor and cherish above the daily table wine which is often diluted with simple water.

Jewry is killing humanity, and the fools who are dying are told that their extermination is a sign of hope, for things must get worse before they will get better, or so they are told by their leaders who work for their enemies. For 2,500 years World Jewry have waited for this frost, which will curdle your skin, and unnaturally cover you with mold as the first phase of the "noble rot". They have waited for the first hard freeze, which will capture your soul and concentrate the humors of your spirit into the rigid and sugar crusted corpse of a rotted raisin. Next they will cut your necks and carelessly catch you in buckets that they will pour into the presses, where your essence will bleed off into oaken kegs, splintery coffins which catch and age the royal nectar of a million struggles of your ancestors, to later be suckled in a tiny glass on the drooling chins of a handful of obscenely wealthy Jews who roll about like the swine they are in the filth of the swollen cess of a billion corpses cut down to build a mound of pitiless festering peat upon which they rest their throne of ingratitude and contempt.

Yes, it may be the last harvest. The unkept and spent soil can offer no more. The sand has risen above the earth and wet with tears it quickly swallows every forward step. The rain falls on

lifeless stone and runs to unlit rivers below.

Winner take all, is it, even if "it" is nothing? But is there nothing we can do to save ourselves from the ancient vampires who drag their hatred of the human race with them in boxes chained to their arms and foreheads, an ancient contempt that scrapes the ground and scares up the choking dust that clouds out the sacred sun? Are we too frightened by the sound of the truth to lift our eyes from beneath the satin sheets of our funeral bed and lend our voices to a common chorus of the life-giving song of the truth? Is it safer for us to wander about silently and aimlessly in a field of fellow slaves with our heads down, anonymously looking to death to answer our prayers, than it would be for us to raise our voices and join together and fight the lonely Devil?

Is it justification that others suffer and are weak, that we should suffer and strain to be no threat to our enemy? It is not safer to plow down last year's broken corn than to cower among the sharp stalks and long shadows of the scum of the earth searching for unsown seeds to eat, cower and bend among lifeless sticks which scare not even the cowardly crows? Isn't time for us to till the soil and send the soulless weeds and wriggling worms underground? Then the land, and the day, will be ours.

Until such time as that, we must step over the cowards on the march to the battlefield and we must fight. It is not good that we are falling. We must rather stand and fight!

Stop following those who preach to you the alleged virtues of defeat. When it comes time for the reckoning of their misguidance, you will have lost any means to render justice upon them and

will have only yourselves, your stupidity and your gullibility to blame for your destruction, which you passively invited on the "good advice" of your beloved leaders who have told you that by losing you have somehow won.

An Eyewitness Account from a Jew of the Jewish Genocide of Armenian Christians

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

A Jew named Eitan Belkind witnessed the extermination campaign carried out against the Armenian People in the Jewish controlled Ottoman Empire. Belkind implied that the Jewess, Mrs. Biram, acted as a crypto-Jewish agent who pretended to be an Armenian in order to betray the Armenians to their deaths. She had a Turkish surname, which is and was typical of Doenmeh crypto-Jews. Belkind stated that her involvement in the genocide was a carefully guarded "military secret".

Belkind stated,

"In spite of the danger the child got into the tent where the Jewess was. Everyone in the tent was asleep and the woman managed to get unnoticed. She was 25 and very beautiful. She told us her surname was Biram, a typical Turkish name. Her family lived in the Armenian quarter of the city and when they were taking the Armenians, they also took this woman with her

husband and child despite all their protests. [***] In the post I found a letter from Haim Khanum in Constantinople (the main city of Turkey), who asked me not to interfere in the case of Mrs. Biram, as she had connections with the killings of the Armenians that was a military secret."

Belkind stated that Jews ran the military hospital of the mass murderers and raped Armenian girls and offered them out for others to rape,

"Der-el-Zor, was a military centre, so it had a military hospital lead by a Jewish doctor Bhor (?) and a Jewish pharmacist called Arto. [***] I was also unable to have sexual relationship with the Armenian girls who were offered me by Doctor Bhor and pharmacist Arto."

These quotations are taken from excerpts published on the website of the Armenian Genocide Museum-Institute of "That's How It Was", Narrated by Eitan Belkind, member of the NILI, Published by the Ministry of Defense of Israel, (1979), pp. 77-78, 115-116, 118-120, 124, 127.

FELIX QUI POTUIT RERUM COGNOSCERE CAUSUS

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

World Jewry has long sought to eliminate all Christian nations from the area of, and surrounding, "Greater Israel". Jews directed Moslems to take Constantinople and make it a hub of Moslem influence in Europe.

Jews preferred Islam to Christianity for several reasons. Moslems believe that, "There is no God but God." In the minds of many Jews, this comes closer to pure monotheism than Christianity, with its Trinity and belief in the divinity of Jesus Christ, though Jews to this day mock the prophet Mohammed to mock what they consider to be Moslem idol worship.

Some say that the Koran is in fact an Arabic translation of the Bible created by a Nazarite Bishop of Jewish descent in order to manufacture an ally for Jacob in Ishmael, against Esau, which is to say, Islam was allegedly created to provide the Jews with an army with which to attack Europe. Europeans, the Romans, destroyed Judah and wrecked the Temple and Jewry has been hell bent on genociding Europe for the two intervening millennia since. Many Jews have expressed their hatred of Christ and of Christians, and the Talmud and Zohar provide a religious foundation for the more ancient Jewish desire to destroy Europe and Europeans.

Many Jews have been, and are, especially loathful towards Roman Catholics. To them, Catholics symbolize Rome, that Rome which destroyed the Jewish nation. Just as in the *Kulturkampf*, we find Jews today ridiculing Catholics, especially the clergy, and we find crypto-Jewish

"Protestants" and other Jews scapegoating Catholics for Jewish sins against the human race. This is hardly a new phenomenon.

Jews, as a racist tribe, also have a sharp hatred of the Armenians, whom they dub the "Amalekites" of the Old Testament. Jewry sought to genocide all Armenians in the Jewish controlled Ottoman Empire. Jewry brought the fledgling Armenian Republic under attack through the Jew Ataturk, then took over the nation and made it a subjected tool of the Jewish Bolshevist "Soviet Union".

I have been warning the Armenian community that World Jewry will not relent and is determined to genocide the Armenians and ruin the Armenian nation, which represents a Christian presence in the neighborhood of "Greater Israel". In an interview with Bedros Hajian, I recently warned the Armenian community that the Azeris would be used to create unrest in the region, with the goals of instigating war with Iran and the destruction of Armenia. My predictions were soon proven correct.

Just as in Turkey, where Jewry created and promulgated the myth of "Pan-Turkism", Jewry has created and promulgated the myth of a "Pan-Azerbaijani" Empire. Jewry is agitating tensions between Armenians, Turks, Iranians and Azeris, yet again pitting Christendom and Islam against one another in the hopes of destroying both in order to leave the Jews standing in all of "Greater Israel".

Armenians face a mortal threat. They are being attacked economically and demographically. Soon they may be attacked territorially. Jewry is manufacturing unnecessary and artificial

enemies to attack Armenia, as it has done for thousands of years. Armenia has survived and will survive, if Armenians act to preserve their nation and their heritage.

The most important first step for Armenians to take is to know the cause of things. World Jewry is behind the constant attack on the dignity and lives of the Armenian People. Let this fact be known throughout the World, and it will be far more difficult for World Jewry to exterminate you, as they intend to do.

3 May 2008 Interview with Rev. Bedros Hajian

Christopher Jon Bjerknes

Rev. Bedros Hajian and I discuss Freemasonry and the forces behind it. Rev. Hajian brilliantly and eloquently expounds upon pure Christian theology and the Anti-Christ agenda of Christian Zionists, Freemasons and Zionist Jews who seek to build a Third Temple of Solomon. Rev. Hajian iterates a true Christian message of love, compassion and universal humanity; and addresses the need to respect, *and preserve*, other nations, cultures and ethniticies, as well as one's own.

Agents Provocateur Versus Our Fundamental Rights

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is a group of *agents provocateur* who have viciously attacked free speech advocate Rev. Ted Pike at crucial junctures in our political struggle to defend our liberty from the Zionist lobby. This same group defamed David Irving and Ernst Zuendel as they languished in prison in Europe for alleged "thought crimes". This group has been featured on main stream media as an example of the dangers of "hate speech".

While they promote themselves as defenders of liberty, their actions and their statements have the opposite effect. By their fruits you know them for what they are, and bitter and rotten fruit they bear.

World Jewry has for years been corrupting Palestinians to engage in violence which profits the

Israelis by providing them with a pretext to attack Palestinians. It appears that these *agents provocateur* are setting up Americans to destroy their own interests in the same manner as the Jews of Israel set up the Palestinians for attack. These Jews then use their media control to defame the Palestinians around the World, and to discredit anti-Zionists through the use of their *agents provocateur* who pose as if real anti-Zionists and call for violence and attempt to incite some lunatic to commit an act of violence.

In her book *Israel's Sacred Terrorism*, Livia Rokach reproduced an excerpt from a 26 May 1955 entry in Moshe Sharett's, the second Prime Minister of Israel's personal diary, which recounts his impressions of Moshe Dayan's plans to provoke the Arabs to respond by first attacking them, then stealing their land when they sought to defend themselves,

"The conclusions from Dayan's words are clear: This State has no international obligations, no economic problems, the question of peace is nonexistent. . . . It must calculate its steps narrow-mindedly and live on its sword. It must see the sword as the main, if not the only, instrument with which to keep its morale high and to retain its moral tension. Toward this end it may, no--it must--invent dangers, and to do this it must adopt the method of provocation-and-revenge. . . . And above all--let us hope for a new war with the Arab countries, so that we may finally get rid of our troubles and acquire our space. (Such a slip of the tongue: Ben Gurion himself said that it would be worth while to pay an Arab a million pounds to start a war.) (26 May 1955, 1021)"-- L. Rokach, *Israel's Sacred Terrorism*, Third Edition, AAUG

Press, Belmont Massachusetts, p. 41.

World Jewry has turned the American Government against the American People. Just as they did to the Russian People before the Jewish "Russian Revolutions" of 1905 and 1917, World Jewry are now employing their *agents provocateur* in an attempt to turn some psychotic American against the American Government and/or some Jew and incite some dupe to violence, which will provide the Zionist lobbyists with a pretext to pass their "hate crimes" legislation during the reign of our next traitorous Zionist President, who will enjoy the company of a treacherous Zionist Congress. All they lack is some event which they can publicize to turn off the spigot of free speech and dry up human liberty in America. Our false anti-Zionists are attempting to manufacture such an event.

I hope that we fare better than the poor Palestinians and learn from their example to not fall into these Jewish traps.

I suspect that after the coming election "hate crimes" laws will be a major priority for the Jewish Lobby. This will forward their warmongering agenda. Just as Zionist Woodrow Wilson and the First World War gave us the "Espionage Act", the "Sabotage Act" and the "Sedition Act" which proscribed certain forms of free speech, our next radical Zionist President will champion the elimination of our rights in order to "save us from ourselves" as World Jewry launches its Third World War.

We failed to field a legitimate anti-Zionist presidential candidate. We will pay a heavy price for our failure in the months and years to come. It is our duty and our only hope to offer the

American People authentic solutions to our Zionist problems. As we do this, we will have to fend off the phoney *agents provocateur* as they attempt to discredit and jail us.

We are at the doorstep of WW III, or I should say, we are standing in the shadow of the grave stone of the human race. Speak now or forever rest in peace. Guard our liberty in a dignified and civil manner, and speak out against the war plans of our next President, that wretched puppet of our mortal enemy, the "Jewish State" of Israel, which would rule a World of ruins, for them better to be first in Hell than live among the accursed Goyim, than to live at all, and they have openly threatened to murder us all if we do not submit to their messianic nightmare.

We have failed to field a Presidential candidate. We will soon surely and sorely regret this failure. We must not fail to keep our rights and prevent the coming nuclear war, the famine, the economic collapse, the rampant disease, which Jewry has planned for us for the past 2,500 years.

Who Is Rupert?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is a Jewish man, a Jewish banker in fact, who goes by a Moslem name, *the* Moslem name Mohammed, and who criticizes the Shabbataians and other crypto-Jews, but who does not disclose his Jewish roots when doing so. He speaks of how unthinkably reprehensible and duplicitous is the behavior of the crypto-Jew who puts on Moslem garb to lead Moslems astray. He states that he cannot imagine how such folk live with themselves and manage their phoney existence.

This man claims to be an ardent anti-Zionist, yet he is a Jewish banker who travels freely in the circle of Jewish bankers and is well connected and well informed. Odd that Zionist Jewish bankers would befriend and trust a Moslem convert who rails against Zionist Jewish bankers.

This man is a student of the Cabalah, and evidently studied it before receiving a "belly full of the Talmud". The study of the Zohar and Lurian Cabalah before a certain age and without prior training in the Talmud is forbidden to Orthodox and Ultra-Orthodox Jews, though it is common practice among Shabbataian crypto-Jews--some of whom adopt Moslem names and practices.

Will Rupert come forward and describe his Jewish roots, his lineage and his family's connection to banking? Will he tell us how he became a Jewish banker, a student of the Cabalah, and why he rails against Zionism while traveling in ardently Zionist circles? Why is promoting Jewish Nihilism and revolution, in the name of fighting Jewish power?

Let us have a little disclosure, Rupert.

Beware the Agents Provocateur Who Plagiarize My Work

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is a group of operatives who often mimic my statements and insights in an effort to steal my thunder, and win themselves a brief whiff of the cool air of credibility, so that they can then destroy my peaceful and civilly responsible message and sucker some fool and/or psychopath into committing an act of violence which will serve as justification for the further erosion of our liberties. This group of subversive actors stages fights and minor protests. They have been featured in mainstream media as examples of potentially violent and subversive racists. It is their role to provide just such false examples of the "danger" of free speech and free assemblage.

They are carefully crafted poison for our movement. They are constantly trying to create infighting and other distractions with their scripted soap opera spats. While they attempt to provoke others to violence, they themselves take no action other than carefully staged events which accomplish nothing, but which will be used by the government as evidence that our fundamental human rights "must be denied" for the sake of the security of the State and domestic tranquillity.

They are classic *agents provocateur* who pop up from nowhere, and they should be avoided and

shunned at all costs. Please do NOT ever think that I am involved with them, no matter how often they parrot my work. Though they have repeatedly solicited my assistance, I have consistently shunned them.

In the name of supposedly fighting the laws which diminish our freedom, it appears that they are in search of a *Reichstag* fire type of event, or series of events, so that they can offer the legislature and police the opportunity to further clamp down on our ability to express ourselves within the confines of normal civil process, and institute Hitlerian *Ermächtigungsgesetz* and *Gleichschaltung* style laws which will silence us. They have always discouraged civil protest, while encouraging gullible fools to make themselves known to the police. The ADL and other Zionist organizations have thoroughly trained the police to monitor "hate groups". It appears that these subversives want to encourage persons who oppose Zionism to make themselves known to the authorities on the bogus pretext that anti-Zionists can win over the police to the cause. At the same time, they encourage criminal violence. They have also encouraged their naive audience to spy on one another and record their private conversations in classic Bolshevist Cheka/NKVD/KGB/Stasi fashion.

They have feigned splits and fits, but do not mistake the fact that they are still working as part of one operation to contain and destroy the anti-Zionist movement and to provide the government with a pretext to take away our rights. Though they identify some of the difficulties in our economy, it appears that they do so in such a way as to eliminate, or at least reduce, any competition to the main Jewish bankers who control the upper echelons of power.

This has happened everytime the Rothschilds have caused market collapses and depressions,

which always seem to benefit them and consolidate their power and control. Note that they are led in this effort by a Jewish banker from England, a sometime Rothschild apologist who is schooled in the Cabalah, who has adopted a Moslem name and Islamic practices, and who does not generally disclose his Jewish roots which plunge below the surface like the tail of a Cabalistic snake.

Their behavior occurred during the French Revolution, the Bolshevik Revolution, the Nazi Revolution, etc. Their goal is to promote violence and chaos, and undermine civilized, responsible, mature and educated anti-Zionist movements. They wear this childish and comical stink of the Jewish revolutionary, and all honest persons should develop a natural revulsion to it and to them.

Note that those who publicly encourage crime, and/or publicly feign crime, are often cops, or paid agents of the police, local, state and/or federal. One "tell" is their lack of education, many mistakes, inability to properly pronounce words and names, and the childish, phoney nature of their general approach. Another "tell" is the fact that they are rather stupid, but wish to appear sophisticated and intelligent, and must therefore plagiarize the work of others. When isolated, without a guest to sponge off of, or parrot, their ignorance and stupidity glow with the slimy fingerprints of an intelligence operative. Speak to them in private and they will pick your brain for phrases and insights to repeat as if their own. They are phonies and their pretense reveals itself in everything they do, and don't do.

"Tennessee's first Jewish congressman" Stephen Cohen in the News

The Wikipedia page for Stephen Cohen claims that he is "Tennessee's first Jewish congressman". Does Cohen represent Tennesseans, or the Israeli--Doenmeh-Turkish Axis? Why are influential Jews around the World attempting to suppress recognition of *The Jewish Genocide of Armenian Christians?*

In the News:

ANCA calls for Congressman Stephen Cohen to end his shameful denial of Armenian Genocide

Congressman Cohen Meets With Top Israeli Officials

Christopher Jon Bjerknes Interviews David Livingstone on 12 June 2008

I interviewed David Livingstone about his books *The Dying God: The Hidden History of Western Civilization* and *Terrorism and the Illuminati: A Three Thousand Year History*. We discuss his theories that Cabalists have created a myth of "Western Civilization" which ignores the role of Cabalistic influence in European and World History.

Henry Makow Interviews David Livingstone

Henry Makow interviewed David Livingstone on 8 June 2008. They discuss the historical influence of Cabalah on Western Civilization.

I would like to discuss the same subject with Mr. Livingstone. I believe that the Greeks, especially the Eleatics, influenced what was to become the Cabalah, and the messianic doctrines that peaked about the time of Christ, and that these ideas were not inherent in Judaism, but evolved among Jews as the product of their appropriation of Greek ideas. I would also like to have a conversation with him regarding the influence of the Cabalah during the time of the Enlightenment. I argue that it was influential in resurrecting the doctrines of Parmenides and

greatly influenced the development and misdirection of Physics towards an occult exposition on gravitation, Pantheism and quadri-dimensional "space-time" via Giordono Bruno, Isaac Newton and other Cabalists.

The Horrors of Indifference and of Silence

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have been predicting for years that we will face world-wide famine as a result of the wars, debts and instability World Jewry is manufacturing:

Turks and Kurds: September 19, 2006

An Irrational Excuse: November 03, 2006

Sunnis Are Being Set Up to Fall. . . into Their Graves: February 02, 2007

George Bush's Zionist Foreign Policy Is Making US Enemies: February 10, 2007

Another Violation of International Law to Add to the Articles of Impeachment Against Dick Cheney: May 11, 2007

For the Profits of Five Million Israeli Jews, Tens of Millions More Gentiles May Die: November 08, 2007

We Have to Fight World Jewry on a Billion Fronts: November 08, 2007

What Will the Reign of the Anti-Christ Look Like? The Seventh Year and Shmita: November 22, 2007

The UN is now taking notice of the problem:

UN food summit hammers out plan for world's hungry: June 4, 2008

I have been stating for years that World Jewry are deliberately manufacturing a nuclear World War Three. If we do not act to prevent this war, we will live to breathe in the fire of nuclear explosions. We will live to see our loved ones, the entire human race, die horrific deaths.

Most humans beings care little that billions of our brothers and sisters are in imminent risk of dying by starvation. Inform them that they are about to burn to death, or will die of radiation sickness, and they might, just might, take notice. Produce and distribute videos demonstrating the horrors of nuclear war, and maybe we can awaken Americans to the fact that Barack Obama and John McCain are pledged to murder us in the coming Jewish Third World War.

Our presidential candidates and the Jewish controlled media are ignoring the issues which

threaten our very existence, and instead are turning our eyes toward skin tones. Ask the presidential candidates to explain how they plan to teach Americans to survive the nuclear world war, the famine, the fighting on American soil, which these puppets of World Jewry are openly planning to bring to America and to the World. Ask them to state openly the consequences of their actions and what plans they have to save at least a viable remnant of Americans. If Americans realize the pain they are about to bring upon themselves, they just might oppose these warmongers.

In Answer to Questions Posed to Me Regarding My Views of Ron Paul and His Policies

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have received an anonymous email which poses several questions to me regarding my views of Ron Paul's monetary policies and his ties to Jewish supremacism and world government. I will rephrase those questions I deem to be of interest to my readers and attempt to answer them here on my blog:

1). Why do you, Bjerknes, speak of "Rothschild gold buggery" when the supply of gold will be held in the treasury and by American citizens? What will be the role of the Rothschilds and Warburgs if we eliminate the Fed?

Answer: If America adopts some form of a gold currency, the gold supply will first have to be borrowed or taken by force. I do not find Ron Paul advocating that we take gold by force, but rather that we allow for tax free exchanges of gold so that banks and private citizens can issue money privately, or issue notes which are allegedly backed by gold deposits, which notes can be redeemed on demand for specie payments, which is to say exchanged for gold itself. These notes will likely take the form of electronic credits. Such a system is a return to the old Jewish method of fractional reserve banking, whereby the Jewish bankers will issue credits for gold which does not exist and will charge interest which can never be paid back because the gold did not exist in the first place on the principal of the loan and further because the gold does not exist to pay the interest. This will net the Jewish bankers enormous profits and complete control over the money supply, just as it did in previous times.

Money must circulate. Those who borrow money must pay it back or risk the confiscation of their assets. (See also my answer to question 2) Even if banks and individuals were regulated to prevent fractional reserve banking, and I do not know whether or not Paul calls for such an "intrusion" on the liberty of the Jewish bankers to commit fraud, the American People would be forced to exchange their gold for goods and services. When the gold moves through the Jewish bankers' hands it can be collected, thereby contracting the money supply and destroying the economy. This will cause deadly deflation, as it has done in the past. The Jewish bankers

holding the gold then have the opportunity to buy up everything at reduced prices. They also control most of the credit of the nation, and can cut back on loans in collusion with one another, which also destroys the economy and which forces individuals and business to sell off their assets at reduced prices. Gold currency in no wise prevents the "business cycle", but instead places inflation and deflation back under the control of the Jewish bankers.

2). Why does it matter whether or not Richard Coudenhove-Kalergi created the idea of a European Union? Even if he did, this does NOT mean that Ron Paul is calling for a North American Union. Paul stands firmly against globalism and a North American Union, would he "betray his own trusted supporters and policies?"

Answer: Ron Paul wants to globalize the creation and control of money and to completely deregulate business. The effect of his policies is to give the Jewish bankers absolute regional and global control over the money supply, which has been their objective for 2,500 years. The complete deregulation of business will globalize the use of America's resources and the American People, and just as it provided the Jewish bankers the opportunity to steal the wealth of Russia under Boris Yeltsin it will provide them the opportunity to rape America. I am discussing the real effects of Ron Paul's policies and not the often sophistical rhetoric he iterates. The creation of money belongs to the American People by birthright. Offering the Jewish bankers the opportunity to control the money supply through gold is a betrayal of the American People and will further enslave us to Jewish World Government. Even if Ron Paul stood for American sovereignty if elected President of the United States, he would destroy that sovereignty by his policies. America would increase its debts and sell itself off to Jewry through

Jewish usury, which works best for Jewry under a gold standard. Jewry wants the American debt to be secured by gold they steal by running up our debts through war and other means, then demanding gold and other hard assets, such as land, in payment of the debts they themselves have deliberately created. This is one major reason why the Jewish bankers want the Fed replaced with gold backed currency. They want to foreclose on the United States and take all of our gold, enslave us in unpayable debts and then demand all of our businesses, land and other property in payment for a debt stated in gold which gold does not exist, thereby forever enslaving us in debt. The depressions World Jewry will cause us will make for fertile ground for Jewish instigated wars and revolutions which hand America over to Jewish World Government just as surely as the World Wars have destroyed the sovereignty of European nations. This is World Jewry's stated objective. Read Coudenhove-Kalergi's own words. Ron Paul's policies come from them and accomplish their goals.

3). You have stated that World Jewry desires autonomous central banks which are not subject to governmental oversight? Does not Ron Paul oppose such a system? How can such a system exist if there are no central banks? How would enabling Congress to print money prevent the creation of such a system?

Answer: Ron Paul's policies would allow the Jewish bankers to issue gold credits for gold which does not exist. They would circulate these credit in the form of loans and in exchange for actual gold deposits, which could then be sent to Jerusalem. Jews are taught in their religious writings that all the gold and other wealth in the World belongs to them. In addition, in order for gold to be used as money, it must circulate and must be used to pay taxes. World Jewry can harvest the

gold whenever it passes through their hands. World Jewry can manufacture debts by bringing nations into wars and by having their agents in government and industry destroy the nation's economy. This has happened repeatedly in the past and will happen to America if Ron Paul's policies are ever instituted. It has already happened to America under the Federal Reserve System, and a gold standard would increase Jewry's incentive to foreclose on America, in that World Jewry would then have the ability to maintain the debt forever as secured by gold, and would steal from America every flake of gold dust it could identify.

Allowing the American People to issue their own money through their government allows the American People to regulate the money supply, create growth, maintain relatively stable prices, etc. Since this money is secured by its ability to purchase the goods and services of Americans, by its ability to pay taxes to the American Government, etc. and since Americans themselves control the supply of such money, there is no such incentive or means for World Jewry to steal this currency in full as they could do with gold, and such a currency would be traceable in ways that gold is not. I do not mean to say that World Jewry would give up its quest to steal all the wealth of America and the World, but rather that the system would differ in meaningful ways from a gold standard, ways which would empower us to fight back.

4). You have declared that von Mises and Paul's policies amount to a banker bailout of the present system? In what sense is this so?

Answer: The Jewish bankers have deliberately and unnecessarily run America deeply into debt. In the process, they have accumulated incalculable fortunes. The Jewish bankers have impeded American progress, corrupted our schools to destroy our youth and our future, corrupted our

press and our government, murdered our men and women in wars, poisoned our living environment, etc. We have the right, the means and the duty to recover our losses from them as best we can. Rather than going after the Jewish bankers who have ruined us, Ron Paul bails them out by offering them gold in payment of the debts the Jewish bankers have deliberately created for the American People. Rather than taking back the gold and other assets which World Jewry have stolen from America, Paul offers up all of our wealth to the exploitation of unfettered robber baron Jewish Capitalism. I could say much more on this subject but I suspect this will suffice for now.

The Latest Video from the Timothy McVeigh Team

Christopher Jon Bjerknes

A day after my last blog, the *agents provocateur* are featuring a video likely to appear before Congress in the near future, where it will probably be compared to the Al Qaeda training films and presented as if an example of "Home Grown Terrorism" and "violent radicalization". How many of these clowns are former military, as was McVeigh? Why do their videos mirror CIA manufactured videos of supposed "Moslem terrorists"? Is this by design, so as to offer the government a pretext to take away our rights?

Will There Be a False Flag Attack Meant to Destroy the Anti-Zionist Movement and Breach the First Amendment?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is a crew of subversive operatives attempting to bring disrepute and ruin upon the anti-Zionist movement. In their attempts to destroy the reputation of others, they have ruined their own credibility. In an effort to recover some of their original following, they have feigned several fights and splits, hoping to lure the gullible into one phoney faction or the other, and to spread chaos across the anti-Zionist movement. Most troubling is the fact that some of those whom they have smeared are inexplicably promoting these operatives, which indicates that there have been long standing relationships, centralization of purpose, cooperation and perhaps partnerships between them.

One of these hoaxsters acts like those rabbis who paint swastikas on the walls of their own synagogues in hopes of attracting sympathy and an audience for their Zionist agenda. He pretends that he is the victim of surveillance and intimidation. His wild stories are unverifiable and childish. Most troubling is the fact that some others are willing to play along with his fantasies.

Unable to win back an audience to these known hoaxsters, a new band of phonies has emerged,

which promotes the hoaxes of the original crew, itself a substitute for earlier agents. They are clumsy M-TV wannabees and *agents provocateur*, who reek of coffee and doughnuts even through a computer monitor, so much do they act like police, agents of the police, or career informers and subversives.

There is a classically Jewish odor to this farce, the gangrenous stink of that branch of the human family which seeks to bring death to all the others. They are supported in their attempts to discredit and jail us by the mainstream Jewish controlled media, which features them as if typical of us, which they are not.

They are shameless self-promoters and self-advertisers. They act like spoiled and rotten children, juvenile decades below their years, and are disgustingly and embarrassingly neurotic, often perverse and frequently vulgar. They promote Jewish causes, such as discrediting the achievements of Wernher von Braun and Arthur Rudolph, in the guise of promoting anti-Zionism. They are habitual smearmongers. They are persistent plagiarists. They promote and cause disunity in the anti-Zionist movement, while claiming they are the only and the original source of the information they parrot from those whom they attack. Theirs is the textbook method of the professional subversive.

I am concerned by their prolonged, and now intensified calls for violence. What can such acts of violence possibly accomplish? Nothing good can come of their incitements to harming others. It is obvious that they are attempting to provoke and/or stage an act of violence which can then be falsely attributed to the anti-Zionist movement in general, and specifically to all those who have foolishly associated themselves with this operation, which I will call "Operation Blowhard" after

its most vocal and ridiculous performer. This crew will likely be accused of promoting "Home Grown Terrorism" and of "radicalizing" Americans with anti-Zionism. Their words have already been broadcast on the brass bells, trumpets and whistles of the Jewish controlled mass media thereby sounding a death knell for the anti-Zionist movement.

I, for one, shun them. I speak out against them and their calls for violence and nihilistic Jewish revolution. Let the record show that authentic anti-Zionists shun the *agents provocateur* calling for violence and revolution, who are obviously working for organized Jewry in a campaign to misrepresent, discredit and eventually to imprison and perhaps even execute sincere members of the anti-Zionist movement, as happened in the Soviet Union where an earlier generation of crypto-Jewish revolutionaries called for violence and revolution as if self-destruction would save the Russian People from the Jewish bankers. Immediately after the Jewish takeover of Russia, perpetrated by crypto-Jews as if a "revolution" by the Russian masses, Jewry began to systematically mass murder all those who stood in their way.

Those who have spoken out against disproportionate and destructive Jewish influence have often been pacificists, including Mohandas Karamchand Gandhi, Henry Ford and Richard Wagner. Authentic anti-Zionism today is a message of peace and the preservation of American society. Zionism is violence, destruction, racism, wars and revolution. To be an authentic anti-Zionist is to oppose Zionist violence, Zionist destruction, Zionist racism, Zionist wars and Zionist revolution.

Shun those who call for violence. They will only accomplish our destruction, which is their goal. They are aligned with the sources of the Jewish false flag terrorism against which they pretend

to rail, so as to set the stage for more of it. They are out to hand the government and the media an excuse to cut off our rights of free speech. They are the modern day Bolsheviks who want us to destroy ourselves and our nation. They are showing us how, by inciting violence and revolution. They are carefully concocted poison. Swallow their line and they will reel you in and with you perhaps the entire anti-Zionist movement.

Our best hope is to lawfully, peacefully and responsibly engage in the political process, which includes the religions, media and academia as well as the government. The professional *agents provocateur* are calling for violence so that they can discredit us and provide an excuse for the government to take away our rights. It should be obvious that no such acts can accomplish anything good for us, that they will harm innocents, and that they are illegal. Do not fall into their trap or nibble at their poison.

Most tellingly, this crew of phoney anti-Zionists rails against the anti-Zionists imprisoned in Europe for saying things Jewry does not want said, so as to erode their support among authentic anti-Zionists, and in so doing chill and confuse opposition to laws which proscribe anti-Zionist speech. This demonstrates that they are a false flag operation designed by organized Jewry to harm and hinder the anti-Zionist movement and that one of their primary objectives is take away our rights of freedom of expression. Who else would ridicule those imprisoned for exercising their rights of free speech against the interests of organized Jewry? In so doing these operatives are in fact ridiculing free speech and those who exercise that right, while turning those who have common cause with those in prison against them and against their own rights and interests.

Eric Hufschmid Affirms That Andrew Carrington Hitchcock States That He, Hitchcock, Is Not Jewish

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

Eric Hufschmid stated on his website that Andrew Carrington Hitchcock has written Hufschmid that he, Hitchcock, is not Jewish. Hufschmid awaits further details related to Daryl Bradford Smith. Hufschmid wrote,

"So I asked him to provide an explanation of why Daryl Smith told me he was Jewish, and why he is still working with Smith."—http://www.erichufschmid.net/Hufschmid-2July2008.html

This provides us with a typical example of this crew's behavior.

I am still awaiting a response from the Jewish banker Rupert, who acts as a pious Moslem and

goes by the name of Mohammed, while decrying the evils of crypto-Jews and Jewish bankers.

Is Hitchcock a former police officer?

Eric Hufschmid Claimed that Andrew Carrington Hitchcock Is a Jew

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

According to Eric Hufschmid, Andrew Carrington Hitchcock is Jewish. Is Hitchcock a former police officer? Hufschmid asserted that Hitchcock is a Jew at about 1:08:44 into the following audio file on Hufschmid's website:

http://www.erichufschmid.net/mp3/Hufschmid-2Jul2008-Part1.mp3

I have never heard Hitchcock state that he is Jewish. Is Hufschmid mistaken?

Has Rupert (a.k.a. Mohammed) ever publicly disclosed the fact that he, Rupert the Jewish banker, is a Jew? I have raised this issue several times, and have raised it directly with him, but he failed to respond to my questions regarding his ancestry, though he did respond to my post in which I posed those questions. Odd behavior from a man who rails against crypto-Jews.

On Controlled Opposition in the Current Presidential Election and in the Anti-Zionist Movement

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have long owned both major political parties in America. *The Chicago Daily Tribune* reported an accusation on 3 February 1873 on page 2, that the Rothschilds had gained control over a political party in order to sabotage it and secure victory for their candidate,

"In a paper on Federalism, read before the Liberal Club last night by Mr. Delmar, the following remarkable passage made some sensation: 'The people have tacitly committed their entire interests and fortunes to the keeping of two political parties, whose leaders and managers, instead of Congress, as was intended, sway their destinies. It is charged that, knowing this, the Rothschilds, through their American agent, obtained control of one

of these parties in the general election of 1868, and threw it into confusion by abandoning its Presidential candidate on the eve of election, so as to afford victory to its opponent, whose financial views more nearly accorded with the interests of that great house.'"

In the 1870's, Major Osman Bey wrote that,

"As a proof of this latter assertion, we need only recall the fact that a Jew by the name of August Belmont (an agent of Rothschild and represented to be an illegitimate offspring of his Dynasty) has for a number of years been the chairman of the National Committee of a political party, and by his shrewd management has always succeeded in leading that party to defeat. It is susceptible of proof that the financial policy of the *opposing* party was the one under which his business was most prosperous. Why then should he desire a change?"—Major Osman Bey, English translation by F. W. Mathias, *The Conquest of the World by the Jews, an Historical and Ethnical Essay*, Part 19, St. Louis, (1878).

Henry Morgenthau reported that in 1919 the Zionist Jews in Poland used unscrupulous tactics to subvert Polish democracy and attain Jewish control over the Polish Government,

"They admitted that their fifty-six could sway legislation only in case of close divisions among the other parties. It became clear that their hope must be to encourage such divisions."— H. Morgenthau, "The Jews in Poland", *The World's*

Work, Volume 43, Number 5, (April, 1922), pp. 617-630, at 624.

One of the crew of subversive Nihilists who often try to steal my thunder in the anti-Zionist movement, decries Ron Paul on the same grounds as I did before him, but then iterates the same Jewish Ayn Rand dogma that psychopathic selfishness is good for the individual and for society, and that the Goyim should not practice charity. This clown preaches the Jewish dogma of the "Elect" and the *Uebermensch*, which appeared in the Zionist Reformation against Catholicism, and which has been a staple of Jewish racism from at least the time of the Torah, the Prophets, and the *Book of Enoch*. He describes a Utopia in which those who disagree with him are jailed or otherwise done away with. He sounds in some ways very much like a mixture of messianic Jewish religious dogma, Marx and Adam Smith, iterating the same destructive Jewish Ayn Rand dogma as Ron Paul, while parroting my criticisms of Paul. This man promotes disunity and suspicion in the anti-Zionist movement, which is an old Jewish and more recent CIA tactic to undermine the opposition by joining it and destroying it from within.

The election was rigged before it began to offer us the non-choice of one of three Zionist puppet presidential candidates, John McCain, Barrack Obama or Ron Paul. The subversives in the anti-Zionist movement now call for nihilistic Jewish destruction, Jewish revolution and absolute rule by the "Elect". They are attempting to steer the anti-Zionists into adopting ancient Zionist plans for a Jewish Utopia, under the guise of opposing Zionism, just as the Germans were tricked into creating the Jewish State of Israel under the guise of opposing Jewry.

Jewry Stabs America in the Back and Openly Steals 700 Billion Dollars from the American People: A Deliberate Provocation to an American Revolution

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Influential Jews in Germany beat the drums for war in Germany prior to the First World War. Influential Jews in Germany sabotaged Germany during the war. After the war, influential Jews in Germany blamed Germany for the war and demanded that Germany pay for the war. Swarms of Eastern European Jews flooded Germany after the war. Jews in Germany promoted Communist Revolution in Germany and destroyed the Monarchy. After learning that Germany would not succumb to an openly Communist Revolution, Jews in Germany created the controlled opposition of the Nazi Revolution in Germany. Jewry leveled Germany a second time during the Second World War, and divided the nation stealing a large chunk for the

Communists.

I believe the Jewish theft of 700 billion dollars is equivalent to the Jewish theft of German assets during and after World War One, and the Jewish theft of Russian assets following the Jewish "Russian" Revolution. In both instances, Jewry provoked a nation to war, then subverted the weakened nation leaving it ripe for revolution, then promoted and led the revolutions Jewry attempted and accomplished.

In the case of Germany, Jews demanded war in the press they controlled. They promised the Kaiser that Germany would profit from the war and that Jewry were behind Germany. During the war, Jewry betrayed Germany to the Zionists and brought American into the war against Germany. Jewry sold Germany substandard weapons and ammunition. Jewry promoted strikes and other subversive actions which weakened Germany during the war. Jewry led Wilson to promise Germany a just end to the war. Then Jewry carried out revolutionary attempts. Then Jewry, including German Jewry, blamed Germany for the war Jewry caused. Jewry led the German People to hate and destroy their own government and society. Then Jewry inflated German money and stole the wealth of the nation. Then Jewry put Hitler in power and burned Europe a second time in the flames of another Gentile Holocaust. Then Jewry promoted internationalism in Germany and destroyed German culture, German tradition, German ethnicity and German religion. Jewry has waged war against Germany's reputation for centuries, and the flagrant attack is ongoing.

In the case of Russia, Jewry promoted pan-Slavism. Jewry defamed the Czar in the international press for centuries. Jewry defamed Russia in the international press of the West for centuries.

Jewry brought Russia into war with Japan and financed Japan, while blocking Russian access to the money markets. Jewry promoted and led revolutions. Jewry caused and led crippling strikes. Jewry led the Russian People to hate and destroy their own government and society. Then Jewry mass murdered tens of millions of Christian Slavs. Then Jewry promoted internationalism in Russia and destroyed Russian culture, Russian tradition, Russian ethnicity and Russian religion. Finally, Jewry disbanded the Soviet Union and raped Russian wealth in the name of Capitalism and Democracy. Jewry always promoted alcohol and drug abuse among Slavs and in Asia. Jewry has waged war against Russia's reputation for centuries, and the flagrant attack is ongoing.

These facts prompt the question, how will the Jewish Bolshevization of America proceed. **I believe that the Jewish theft of 700 billion dollars through Jews and Jewish puppets in the American Government is a deliberate provocation to the American People to revolt against the Jewish subverted government.** Jewry is openly exposing its complete control over the government and media of the United States. They are leading Americans to hate their own government, while blinding them to the fact that it is Jewry which is at fault, not the fundamental system of government we enjoy in America. I believe that Jewry is using the model they used in the Russian Revolution to provoke Americans to destroy their government and nation instead of opposing Jewry. Jewry will first attempt to lead a Communist Revolution in the name of saving American currency, jobs, health care and sovereignty, and instead attempt to destroy American currency, jobs, health care and sovereignty. Jewry is destroying America and frustrating Americans and will soon propose massive strikes and revolution and a gold standard as if their nihilistic prescriptions will heal the disease they have

deliberately spread.

Americans are gullible but not so gullible as to miss the lies and hypocrisy in the current election cycle. Americans are gullible and are probably so gullible as to be led into a nihilistic response to the Jewish attack. So Jewry will attempt to provoke Americans to destroy their own nation in the name of saving it. Jewish agents like Ron Paul will step forward like Boris Yeltsin did in Russia, and lead America into ruin in the name of Capitalism. But I believe Ron Paul is another Kerensky who will step aside for a real Trotsky.

I do not think Jewry will succeed in this effort. It will then fall back on the Nazi model. They will have their agents promote an anti-Semitic revolution, which Jewry will covertly control. They will promote segregation and war. They will force Jews to Israel, and like the Jews of Egypt take the gold and silver and gems of the Americans with them.

How can anyone claim surprise? Jewry is doing what it has always done. Jewry is destroying its host body, sucking the last blood out of the corpse and quietly packing its bags for flight to greener pastures, taking care to stuff them with their Goy neighbors' wealth.

Should common Jews resist their evil leaders' designs, they will find an unkind boot in the back ultimately steered by a Jewish leash held in a Jewish hand slipping from the shadows like the serpent descending the tree of knowledge to chase them from the garden.

If the anti-Zionist movement had heeded my advice to capture the Jewish controlled "Ron Paul Revolution", we would today be in the position to educate the American People about our enemy World Jewry and how it is stealing away our wealth, our sovereignty, our dignity, our rights, our

decency, and our future. As it stands, the obscenely incompetent presidential candidates who flaunt their Jewish control, control the stage and the script. The Jewish poison works and the Gentiles have yet to learn to swallow the antidote of demanding proportional participation and representation in government, the economy, the press and high finance which would save them from the Jewish threat to enslave them and then exterminate them, which is openly stated in the Jewish Holy books which so many Gentiles revere.

If you do not believe in the authenticity of the *Protocols of the Learned Elders of Zion*, then do not dare doubt the authenticity of the Old Testament, which promises the Jews a Gentiless world of their own. The extermination of the hated Goys is what Jewry are up to and that is what they are about to accomplish if you let them. The death of the American promise of freedom and fairness is a giant step on the path to the death of the human race. World Jewry is racing to bring about the death America. They are openly spitting in your eye and stealing your money in the hopes you will align with their false champions to save you, their Hitlers, their Stalins, their Trotsky's, Maos and Pol Pots. Jewry is weakening us and angering us, so that we will follow their false leader off the edge of a cliff. Instead, we must remain determined to preserve our nation and rid ourselves of the traitors without succumbing to the incitement to destroy ourselves. We can grow our economy quickly if we take control of our own money supply, force organized Jewry to pay us for the wars and economic ruin they have heaped upon us, and we will gain the good will of the World if we begin to fight back against our mortal enemy, the Jewish State of Israel. Trade will prosper in a stable and cooperative World, which pursues justice and the welfare of all of humanity, save those whose religion and mission it is to destroy the World.

For the sake of the preservation of the human race, preserve America by fighting back directly against World Jewry which is attacking America, and leave America standing in the process. We can recover quickly if we act quickly. Do not fall into the Jewish pit of self-destruction, which consumed Egypt, Greece, Rome, England, Spain, Turkey, Russia and Germany.

On the Sophistry of Ron Paul and the Other Jewish Controlled Gold Bugs

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ron Paul and his fellow Jewish owned Gold Bugs consistently spread several lies in order to dupe the American People into adopting a gold standard money system. Paul lies and states that a fiat money system intrinsically causes inflation, when in fact it can as easily cause deflation. Paul lies and claims that a gold standard prevents inflation by preventing government from spending beyond the limitations of the money supply.

The deliberate lie that a gold standard inhibits overspending is a myth spread by many agents of the Jewish bankers. It is an obvious absurdity on its face, just as the false claim that a credit card

holder's ability to pay his or her debts is an absolute bar to overspending. A credit card holder can run up unpayable debts, as can a government. When such overspending creates unpayable debts, all a gold standard accomplishes is increased profits for gold holders and the ability of the Jewish bankers to bleed off more American wealth.

In fact, overspending can result in unpayable debt under a gold standard more easily than under a fiat system. The solution to overspending is political, and going to a gold standard in no way inhibits the government from overspending. Overspending can be stopped under a fiat system or gold standard through legislation and/or political pressure which reins in those who would run us into debt to the Jewish bankers.

Governments operating on a gold standard often run up unpayable debts, often as a result of Jewish instigated wars. Ron Paul would have us enter into such a dilemma by having us adopt a gold standard at a time when we have unpayable debts. Of course, inflation can occur as easily under a gold standard as it does with fiat money. The government need only debase the hard money coinage by decreasing the percent of precious metals in the coins, and/or reducing their weight for a given face value. Should the government, under its Jewish control, elect not to debase a hard money system, while at the same time fighting wars and running up other debts for Jewry, then the taxpayer is required to surrender his wealth to Jewish gold merchants abroad to pay the debts which cannot by paid with extant American coinage, which again results in a wealth transfer to Jewry.

Surely Ron Paul is not so naive, uninformed or stupid as to be unaware of these facts. Surely, he is a willing agent of the Jewish bankers, another Nelson W. Aldrich of another stripe working for

criminal Jewish bankers as a controlled opposition leader.

Why Bailout the Jewish Bankers?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish bankers want to transfer more American wealth into Jewish coffers. I predicted long ago that World Jewry would cut back on credit, inflate our currency and destroy our economy while concurrently sabotaging our ability to recover from their deliberate attack. I further predicted that they would seek to institute banker bailouts, instead of prosecuting the criminal bankers. I also predicted that their agents, including Ron Paul, would step forward to propose a gold standard as if a solution to the crimes of the bankers and the Federal Reserve when World Jewry deliberately destroys the banking system and the American dollar.

When the Union faced a financial crisis during the Civil War, which war Jewry created, Lincoln elected to print so-called Greenbacks to pay the expenses Jewry artificially created to bleed America of our wealth. Jewry responded by deliberately debasing the Greenback and manipulating the gold and silver markets. America ought to have responded by waging war on Jewry, but did not and instead ultimately transferred American wealth to Jewry as a

consequence to the Jewish manufactured Civil War.

Instead of bleeding ourselves dry paying for Jewish wars in Iraq and Afghanistan with the attendent loss of good will toward our nation, we ought to wage war on World Jewry and its official State, the Jewish State of Israel, which are waging war on us. Instead of bailing out the Jewish bankers through Wall Street, we ought to issue a new generation of Greenbacks while concurrently retiring Federal Reserve Notes, which will help protect the dollar from inflation and which will put the Federal Reserve out of business. The new Greenbacks should circulate in the form of loans made directly from the American Government directly to the American People to be paid back in Federal Reserve Notes, which will then be retired. As Jewry attempts to debase the new Greenbacks, we ought to confiscate their wealth through civil lawsuit and criminal prosecution and by isolating the Jewish State and drying it up economically.

Force World Jewry to make restitution for the World Wars, and then the remainder of the wars and revolutions Jewry has caused and from which Jewry has profited. Defang World Jewry and seek justice for their crimes by jailing their leaders and confiscating their ill-gotten wealth.

The historic record is clear. Jewry attacked Europe and raped its economies and mass murdered its Peoples for centuries. They have repeatedly done the same to America. Jewry caused and profited from the stock market crashes in the Black Fridays of Wall Street in New York, as well as other financial calamities, in 1869, 1873, 1879, 1893, 1907, and 1929; in Prussia in the 1870's; in the Black Friday of Vienna in 1873; and in London after the battle of Waterloo, an event that began the large scale emigration of German Jews to America, which increased after the Jewish-

led revolutions of 1848. After Jewry attacked the Germanic Peoples of Europe, Wilhelm Marr, a Jew, coined the term "Anti-Semite". In its article entitled "ANTI-SEMITISM", *The Universal Jewish Encyclopedia*, Volume 1, The Universal Jewish Encyclopedia, Inc., New York, (1939), pp. 341-409, at 341; states:

"The word was probably first used by Wilhelm Marr, said to have been a converted Jew, in *Der Sieg des Judentums ueber das Germanentum*, a pamphlet which he published in 1879, the same year in which he founded the Anti-Semitic League; two years later he began publication of *Zwanglose antisemitische Hefte*."

Had we an authentic anti-Zionist Presidential Candidate, this would be an ideal opportune moment for him or her to demonstrate the Jewish destruction of America and what ought to be done about it.

America has long considered attacks on our economy to be a *casus belli*. We must now fight back against World Jewry or perish at their hands.

The Jewish Desire to Exterminate Non-Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Voltaire said of the Jews,

"They are, all of them, born with raging fanaticism in their hearts, just as the Bretons and the Germans are born with blond hair. I would not be in the least bit surprised if these people would not some day become deadly to the human race."--Voltaire as quoted in A.Gould, *What Did They Think of The Jews?*, Jason Aronson Inc., New Jersey, (1991), p. 90. Gould cites: "Voltaire, Lettres de Memmius a Ciceron, 1771, in *The French Enlightenment*, p.300"

I have been asked to provide support for my statement in a previous blog,

"...do not dare doubt the authenticity of the Old Testament, which promises the Jews a Gentiless world of their own. The extermination of the hated Goys is what Jewry are up to and that is what they are about to accomplish if you let them."

I was referring to such Old Testament prophecies and promises as Psalms 2; 72, Isaiah 11:4; 42:1, and Jeremiah 33:15-16, which state that the Jewish King will receive God's support to exterminate the Goyim. Note that I am not referring to Christian interpretations of such passages, but to Jewish beliefs, which are very different from Christianity. The Old Testament frequently states that Jews are the Chosen People and are God's People, and that to follow God is to be a Jew.

The Old Testament frequently states that those who do not follow God, that is those who are not Jews, shall perish forever, for example in Isaiah chapters 65 and 66.

Cabalah and the Talmud did not arise in a vacuum, rather they are Jewish commentaries on the Old Testament, and we must judge what the Old Testament means to Jews by listening to what Jews have written and said about it. The Jews have long known that God will not come down and create the Gentiless "new heavens and a new earth" (Isaiah 65:17). The Jews also hold to the notion that they are the "elect" (Isaiah 65:9), the "Chosen" (Deuteronomy 7:6), and this is most clearly stated in the Jewish books of Enoch, which are apocryphal, but which evince Old Testament genocidal intent. Only the "elect" will survive into the new world the Jews are busy building.

Jews believe that they are God, and therefore must fulfill these messianic prophecies themselves. This is clear in the Cabalah and in such mundane Jewish sources as Moses Hess. This is what I mean when I say, that "is what Jewry are up to and that is what they are about to accomplish if you let them." They have no faith that God will do these promised things for them, and do not doubt that they are God and must do these things for themselves. Do not expect to find logical consistency in Judaism, and please do not fault me for addressing and defining their self-contradictory beliefs.

I close with a quotation from Martin Luther, who recognized the reality that the Jews are out to exterminate the Goyim (the scholars Johannes Buxtorf and Johann Andreas Eisenmenger, among many others, made similar statements). Luther wrote,

"Further, they presume to instruct God and prescribe the manner in which he is to redeem them. For the Jews, these very learned saints, look upon God as a poor cobbler equipped with only a left last for making shoes. This is to say that he is to kill and exterminate all of us Goyim through their Messiah, so that they can lay their hands on the land, the goods, and the government of the whole world. And now a storm breaks over us with curses, defamation, and derision that cannot be expressed with words. They wish that sword and war, distress and every misfortune may overtake us accursed Goyim. They vent their curses on us openly every Saturday in their synagogues and daily in their homes. They teach, urge, and train their children from infancy to remain the bitter, virulent, and wrathful enemies of

the Christians."-- M. Luther, *Von den Juden und ihren Luegen*, Hans Lufft, Wittenberg, (1543); Reprinted, Ludendorffs, Muenchen, (1932); English translation by Martin H. Bertram, "On the Jews and Their Lies", *Luther's Works*, Volume 47, Fortress Press, Philadelphia, (1971), pp. 123-306, at 264.

How Do You Fight a War, When You Have No Money? Jewry Is Setting Up Iran for a Nuclear Holocaust

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As troubling as the economic collapse is--it will consume hundreds of millions, if not billions, of lives--there is another issue of immediate concern to the World. The Presidential and Vice Presidential debates evince that Jewry is planning to incinerate Iran with nuclear bombs, and to draw Russia into a nuclear war.

The Jews and their puppets in Washington and the mass media are vilifying Russians and Iranians and making a show of their fealty and fidelity to Israel. Jewry often manufactures such irrational and needless strife in preparation for a Jewish manufactured war and Jewish

manufactured genocides.

Before destroying Russia in the early 20th Century, Jewry vilified the Czar and Russia with falsehoods around the World in the Jewish controlled press. Jewry brought Russia into war and ruined Russia economically.

We see today that Jewry has brought Russia into war and ruined Russia economically. Jewry are vilifying Russia and Russian leaders around the World with falsehoods. We are about to go to war with Russia at the behest of the Jews.

But how can America afford to fight a war with any nation, let alone with Russia, which consumed Napoleon and Hitler? There is today a very inexpensive way to fight wars, one which will cost us everything. When Jewry wanted to end World War Two and start Israel, they dropped atomic bombs on Japan. Today, the Jewish "Messiah" demands that Jewry in America and Russia emigrate to Palestine. As in the past when Meir Kahane tried to start World War Three with the Soviet Union in order to force Jewish emigration to occupied Palestine, Jewry is today trying to instigate World War Three. They suspect that either the American Jewish population or the Russian Jewish population will survive and emigrate. They do not care that large swaths of Jewish straw men will be cut down, as the Zionist Jewish fanatic Israel Zangwill declared long ago, because there will be other Jews to fill their shoes and stamp out the Palestinians, and other Arabs in "Greater Israel".

But how can a nation fight a war without money? The same way that America ended a war without much expense, by incinerating cities and evaporating large civilian populations. But

first Jewry must make us afraid that we face a real threat from nuclear attack. America, under Jewish rule, is a callous and bloodthirsty nation. We weep over the falling stock market, but spare no tears for the million we murdered in Iraq. I suspect, though, that we have not yet rotted our souls enough that we will cut down tens millions of innocent people on a whim.

Therefore, I suspect that World Jewry will instigate some nuclear attack in order to condition the American People and the American military to attack defenseless people with cowardly and cost effective nuclear bombs. They wish to finally exterminate the Russian People. Jews are not teaching Christian Zionists to demand a nuclear attack on Russia merely for the joy of spreading their irrational ancient Jewish hatred of the human race, rather Jewry plans to attack Russia with nuclear weapons in the near future.

Consider that fact while lamenting the collapse of the World economy at the hands of International Jewry. Hunger causes desperation and mob behavior. Jews are masters at creating and pitting deranged mobs against one another. They regularly do it on a national and international level.

The Anti-Christ Is Anxious

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews' "Messiah", the man whom they believe is God's/Satan's presence on Earth, is desperate to ascend his earthly throne in Jerusalem. He has given the order to begin the Apocalypse. We will soon face worldwide depression and a nuclear world war. The blade is held high in a steady and determined Jewish hand and is about to separate mankind from life.

I publicly predicted these events years ago. Compared to many others, I received very little scorn, because the enemy did not wish to draw attention to what I had to say, knowing that I could prove what I had said and that my predictions would stand the test of time. I instead faced, for the greater part, a tombish wall of silence.

The Jewish Anti-Christ is anxious. He is deliberately making real the prophecies and plans of World Jewry enumerated in the Old Testament, the Talmud, the Cabalistic works, and the Shabbataian Cabalah. This Satan worshiping monster is willing to risk all in order to win all. He is willing to risk his destruction in order to bring about your destruction, in order to wreck, spit upon, and demean God's creation, God's highest creation, the human race. He rejoices when one branch of the human family demeans and attacks another limb on the tree of humanity, for the rot spreads and the withering boughs, crawling with fat parasites, send the venom to the roots, where the end begins. Better let us unite against the common enemy and balance the tree against the storm, which blows from every direction.

Are you also anxious? Do you want to live? Do you want your children to have a future? Do you

want the human race to continue? If so, will you risk all, to rescue all, or are you weaker and more wretched than the Devil's own son?

For years, I have contemplated writing a screen play which will depict the events of the crowning of the Anti-Christ. I wish to give voice to his hatred of the Goy, put the Jewish Holy books into his mouth and let humanity hear the words of Death spoken in guttural and gut-wrenching Hebrew and Jiddisch. I want to show the World the future, the babies burning, the old drying into skeletons without food or dignity, the heads of state climbing the steps of the Temple of Satan in Jerusalem, where the Devil's child will judge and behead them and order the mass murder of their Gojisch subjects.

Perhaps, if mankind could see this, witness it if only with his eyes, he would begin to taste the blood which is already pouring from his pierced forehead and hear the screaming in his ears to act which kind Nature has shouted to him from the beginning calling him to fight and to survive. Or will you whimper and crawl in the mud mixed from your own blood, liked a crushed leech eventually drying to dust and forgotten forever, returning to the rot and stinking peat from which he came?

Who will look upon the Sun and wonder where we are going, when we are gone? Who will ask of God why we were so weak and frightened, when the last of us has melted into the past?

What Will Become of the Shabbas Goy Intelligentsia of America?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

American academics, writers, politicians, business leaders, etc. have been sponsoring Jewish supremacism in America ever since the influx of Jews into America which took place in escalating waves following the Battle of Waterloo, the Jewish revolutions of 1848 and the blowback from the Jewish assassination of the Czar of Russia from the 1880's through the 1910's. American intellectuals have promoted Jewish interests, including wars, the Jewish robber barons, the Jewish banking systems and Federal Reserve, metaphysical mythologies, the poisoning of the environment, the attacks of the medical community especially on women and the mentally ill, the corrosion of politics and public debate into Jewish shouting matches, etc.

These intellectuals are about to pay the price for their fidelity and fealty to the tribal Jews who have taken over American universities, associations, businesses, government, legal system and the press and mass media. We have historical examples of what happens to the Gentile intellectuals following Jewish revolutions. In Russia and the Ottoman Empire, the Jews summarily executed Gentile intellectuals in the millions, then stole their property and positions. In Germany, the Nazis, under their ultimate Jewish leadership, subverted the German educational system (not an easy task) and imprisoned and murdered fellow socialists who chose

not to wear the hooked cross of the NSDAP.

The Gentiles leaders in America are about to be scapegoated for Jewish crimes, and the Jews will trick Americans into mass murdering their brightest and most successful Gentile citizens, to have them replaced by dogmatic and intellectually sterile Jews who will be promoted on the basis of their ethnicity, not merit, as has already happened in America, though the process will become infinitely more brutal and sudden.

Will American Ingenuity Come to the Rescue?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

We will be forced to create new methods of funding business. Jewry has consistently promoted speculation as the means of raising capital. There are other means.

Koreans have worked out a method of financing their fellows in which they raise capital in a pool, while concurrently educating their people in specific areas. They then provide each new person with a career as they come of age and encourage their success by patronizing their businesses and professional offices.

Business can also obtain financing through preorder, as opposed to blind speculation. Loans can also be made directly from government as a means of introducing currency into the nation. The opportunity for bias and corruption is high, so the local communities must have oversight over such a system.

My ultimate message is that we need not rely on Jewry to restrict our options to such ridiculous measures as paying Jewry to rob us with "bailouts" to the Jewish bankers. Nor do we need to borrow their gold at interest to use as money. We can take control over own fate and capitalize our own communities without the Jewish middle man, the Jewish front man, or the Jewish tax collector.

The Anti-Zionist Movement Should Protest Wall Street Jewry

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Just as the anti-Zionist Movement has successfully taught the World that Jewry was behind 9/11 and benefitted from it, the Anti-Zionist Movement should protest Wall Street Jewry. There ought to be protestors on Wall Street with signs bearing the Mogen David.

Resist all provocations, bring cameras, follow every law and permit requirement, and wait for the Jews to attack, then remain peaceful and law abiding, and capture everything on video. Do not attempt this unless you can bring many witnesses and have covert people in the crowd to capture what happens on video and carry it away and or broadcast it out from the scene such that the information, the audio and video, cannot be confiscated.

The financial crisis is a Jewish manufactured crisis which will intentionally cause the murder of millions, if not billions, around the globe from starvation, war, and government orchestrated genocide. Let the World know who has done this to us.

We also need videos explaining how Jewry destroyed the World economy and demonstrating how Jews control the highest levels of the American Government. Show how the American Government paid Jewry for the privilege of the rape of America.

Proof that the Russian Government and Media Are Jewish Controlled

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have been warning for a long time that Jewry wants to spill more Russian blood and manufacture a Third World War. My predictions are coming true. I also warned the Russians of the danger of the Israelis and their Christian Zionist fifth column in the United States.

I advised the Russians to expose the fact that Christians in America were being corrupted by Jews, many of them the children of Russian Jews who loathe Russia and Russians, to call for a nuclear attack on Russia, which the Jews have taught Christians is the Gog and Magog of the Bible, in direct contradiction to the New Testament. Russians spend a great deal of money on their national defense. They object to the introduction of new weapons systems into Europe. Why do they ignore and fail to act against the single greatest threat to their survival, the Israelis and their Christian Zionist fifth column in the United States? Why do the Russian government and media ignore the Jewish attack on Russia in the Jewish controlled American media?

The answer is simple. Russia, too, suffers from a fifth column of traitorous Jews and their agents in government and media. Just as Jews and Jewish interests in America beat the drums for war against Russia, falsely blaming Russians for Jewish crimes, such as the turmoil in Ossetia; just as Jews in America scapegoat Russians for Jewish crimes and call for the mass murder of Russians, Jews in Russia protect Jewish interests by blinding Russians to the threats eminating from Jews in America and from their slavish and mentally troubled fifth column of Christian Zionists who publicly call for the nuclear annihilation of Russia.

The Jewish media around the World lie and claim that Ahmadinejad of Iran called for the physical annihilation of Israel, why are the Russian government and media silent on the very

real threats and calls for war against Russia coming from Jews and Christian Zionists in America? One is forced to conclude that the Russian Government is working for the interests of World Jewry and not the interests of the Russian People. The Christian Zionists are vital to Israel's subversion of American politics and the traitors in Russia will do nothing to comprise Jewry's hold on these American pseudo-Christians, even to save Russia from a nuclear holocaust. Far from it, they are deliberately fueling the fires of unnecessary conflict and blinding the Russian People as to who is their true mortal enemy.

But Russians have a long history of life with Jews, and with the Jewish genocides of Slavs. The common Russian knows that Jewry is behind the present hostilities which are being artificially manufactured. They have yet to learn the danger the Jews' psychotic slaves in America, the Christian Zionists, pose to Russia.

The Russian People should study this threat and expose it. The issue should be raised in the United Nations. The trail will lead straight to the Jewish money and Jewish media power behind Christian Zionism, and to the Israeli Government's acknowledged role in subverting American internal politics through their deluded and murderous corps of Christian Zionists.

The Evil Spirit in America Need Not Last Forever

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have covered America with a toxic rain which drips from their venomous tongues and bloody hands and flows like a serpent through the gutters and sewers winding its way underground to poison the well where we drink. They drape lead curtains between our souls and the Sun, cast a prison gate over our thoughts and sew shut our eyes to hope like a mortician readying the corpse for burial.

The Jews want us to forget that we are one nation, that we can work together for our mutual benefit and that government can be a positive force in our lives. Jews are revolutionaries. Their mission is to destroy, to burn the corn and wheat so that they can plant a Jewish cemetery in the charred fields which once gave us life. They want us to forget how good life can be when we help

each other.

Death's cloak has an old and moldy smell. It has been dragging in the dust for two-thousand-five-hundred years stirring up the worms and rats and clouding the wind with churning flecks of ash. The Tribe has carried Death's coat on their bony shoulders from country to country around the globe and now wrap their leprous arms around this infant nation America and blow an infectious cough deep into our lungs.

The Jews are waging war on us and recruit us into two camps to fight ourselves. With lies, impostures and staged battles, they provoke Americans to destroy one another. They want us to fight each other, to mock decency and to embrace the sick whore of Babylon in a last sour kiss of Death.

They are killing our economy, but they have also been changing us from within, like a drunk screaming in the streets, they have been pouring evil spirits down our throats that for decades have been eating at our guts and changing us cell by cell into a dirty, cursing, bitter bag of hate that cannot walk straight or hold down a healthy meal. We fight each other like bums tumbling on the boardwalk and tug at one anothers torn cloths with dirty fists and scraped knuckles, while the Jews butter one anothers bread with honey and wrap golden necklesses around their childrens' fat necks.

I worry for the other children who begin their lives in an America without a sip of pure water unflavored by Jewish immorality, Jewish hatred, Jewish bloodlust or Jewish degeneracy. And this worry is one more toxic taste tainting life, which the Jews serve to us on splintered shingles from our fathers' fallen barn, as the Jews cut the throats of our cattle and serve up our blood in

crystal cups, congratulating one another on their legendary "cleverness" and mocking the Goys' stupidity for ever trusting them.

Yes, America may be one more coffin tied to Death's heel with a rusty chain as the Jews wander around the Earth sniffing the weeds and picking humanity's pocket, one more box of bones rattling across the grass. But only if we forget, forget that we can unite and fight, unite and build, unite and raise new barns where the Jews have burned down our forefathers' homes and forests.

We must not let the Jews control our images and thoughts of tomorrow, or today, nor our memories of yesterday. We must leave the noise of the city and walk in the woods, hear our human nature singing like a child alone, dancing to her own happy song. We must let ourselves be left alone for a few moments to reflect on what we really are and how we can return to beauty, to love, and romance the future as human beings are meant to do.

Jews Are Planning Another Exodus: Ron Paul Is Setting Up America for the Great Jewish Gold Heist

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have long known that they can destroy a nation, steal its wealth, and enslave its People by deflating the currency and limiting credit. They do this by hoarding and holding the money. They cannot do this in a fiat system which is not under their direct control, because the government need only issue more money, but they can do this to a gold standard system which is not under their control, because the government cannot print gold.

The Jewish book of *Genesis*, chapter 47, verses 13-25 teaches the Jews to corrupt the leaders of other nations so that they welcome the Jews into the nation and let them settle in the best places, as happened in many of the nations of Europe, England under Cromwell, Holland, Russia, etc. *Genesis* informs the Jews that they should then gather the money of nation together and hold it so that the economy fails. Jewish *Genesis* shows the Jews that the Gentiles will then trade off everything they have for food, including their freedom, and then thank the Jews for enslaving them.

Genesis 47:13-25:

"13 And there was no bread in all the land; for the famine was very sore, so that the land of Egypt and all the land of Canaan fainted by reason of the famine.

14 And Joseph gathered up all the money that was found in the land of Egypt, and in the land of Canaan, for the corn which they bought: and

Joseph brought the money into Pharaoh's house.

15 And when money failed in the land of Egypt, and in the land of Canaan, all the Egyptians came unto Joseph, and said, Give us bread: for why should we die in thy presence? for the money faileth.

16 And Joseph said, Give your cattle; and I will give you for your cattle, if money fail.

17 And they brought their cattle unto Joseph: and Joseph gave them bread in exchange for horses, and for the flocks, and for the cattle of the herds, and for the asses: and he fed them with bread for all their cattle for that year.

18 When that year was ended, they came unto him the second year, and said unto him, We will not hide it from my lord, how that our money is spent; my lord also hath our herds of cattle; there is not ought left in the sight of my lord, but our bodies, and our lands:

19 Wherefore shall we die before thine eyes, both we and our land? buy us and our land for bread, and we and our land will be servants unto Pharaoh: and give us seed, that we may live, and not die, that the land be not desolate.

20 And Joseph bought all the land of Egypt for Pharaoh; for the Egyptians sold every man his field, because the famine prevailed over them: so the land became Pharaoh's.

21 And as for the people, he removed them to cities from one end of the

borders of Egypt even to the other end thereof.

22 Only the land of the priests bought he not; for the priests had a portion assigned them of Pharaoh, and did eat their portion which Pharaoh gave them: wherefore they sold not their lands.

23 Then Joseph said unto the people, Behold, I have bought you this day and your land for Pharaoh: lo, here is seed for you, and ye shall sow the land.

24 And it shall come to pass in the increase, that ye shall give the fifth part unto Pharaoh, and four parts shall be your own, for seed of the field, and for your food, and for them of your households, and for food for your little ones.

25 And they said, Thou hast saved our lives: let us find grace in the sight of my lord, and we will be Pharaoh's servants."

Ron Paul wants us to use gold as money, because that will enable the Jews to privately control our money supply and drive us into a depression at any time they choose by gathering together the gold and holding it until the economy fails. The Jews will then be able to trade food from other nations under their control for all the wealth of America and they will take all the gold in payment of American debts, which debts they themselves have caused.

The Old Testament repeatedly teaches Jews to steal from Gentile nations who treat them well, and to steal from their generous and loving Goy neighbors. Ron Paul wants to enable them to do this. The Jewish book of *Exodus* 11:2-3; 12:35-36 states:

"11:2 Speak now in the ears of the people, and let every man borrow of his neighbour, and every woman of her neighbour, jewels of silver, and jewels of gold.

11:3 And the LORD gave the people favour in the sight of the Egyptians. Moreover the man Moses was very great in the land of Egypt, in the sight of Pharaoh's servants, and in the sight of the people. [***] 12:35 And the children of Israel did according to the word of Moses; and they borrowed of the Egyptians jewels of silver, and jewels of gold, and raiment:

12:36 And the LORD gave the people favour in the sight of the Egyptians, so that they lent unto them such things as they required. And they spoiled the Egyptians."

Johannes Buxtorf warned Christians that Jews were out to destroy them, and that they ought not to stumble over the stumbling stones the Jews threw on their path. Johannes Buxtorf wrote in the preface of his *Synagoga Judaica: Das ist Jueden Schul ; Darinnen der gantz Juedische Glaub und Glaubensubung. . . grundlich erklaeret*, Basel, (1603); as translated in the 1657 English edition, *The Jewish Synagogue: Or An Historical Narration of the State of the Jewes, At this Day Dispersed over the Face of the Whole Earth*, Printed by T. Roycroft for H. R. and Thomas Young at the Three Pidgeons in Pauls Church-Yard, London, (1657),

"The Nations or Gentiles ought onely to be these accursed vassals, and to give up their desire, that is their silver and gold unto the Iews, and that they should be constrained to submit themselves unto them after the manner of

beasts prepared to the slaughter, rather then they will relinquish one whit of this their assertion, they will not refuse wittingly to be damned eternally."

The Jewish books of *Isaiah* and *Haggai* teach the Jews, who believe they are themselves God, that all the gold and silver in the World belongs to the Jews. *Haggai* 2:7-8 states:

"7 And I will shake all nations, and the desire of all nations shall come: and I will fill this house with glory, saith the LORD of hosts. 8 The silver is mine, and the gold is mine, saith the LORD of hosts."

Ron Paul would help the Jews consolidate and gather the gold and silver by forcing us to use these metals as money. He will help the Jews harvest the gold and silver of their American hosts. And harvest it they will. Higger wrote in his *The Jewish Utopia*, and note that the Jews pretend they are being good to the Gentiles by stealing from them just as they pretend that they are good to Americans by stealing from them with the "Rescue Package" and just as they pretended they were good to the Egyptians when the Jews forced the Egyptians to trade their freedom for food,

"All the treasures and natural resources of the world will eventually come in possession of the righteous. This would be in keeping with the prophecy of Isaiah: 'And her gain and her hire shall be holiness to the Lord; it shall not be treasured nor laid up; for her gain shall be for them that dwell before the Lord, to eat their fill and for stately clothing.[Isaiah 23:18]'[20] Similarly, the treasures of gold, silver, precious stones, pearls, and valuable vessels that have been lost in the seas and oceans in the course of centuries will be raised

up and turned over to the righteous.[21] Joseph hid three treasuries in Egypt: One was discovered by Korah, one by Antoninus, and one is reserved for the righteous in the ideal world.[22] [***] Gold will be of secondary importance in the new social and economic order. Eventually, all the friction, jealousy, quarrels, and misunderstandings that exist under the present system, will not be known in the ideal Messianic era.[319] The city of Jerusalem will possess most of the gold and precious stones of the world. That ideal city will be practically full of those metals and stones, so that the people of the world will realize the vanity and absurdity of wasting their lives in accumulating those imaginary valuables.[320]"--M. Higger, The Jewish Utopia, Lord Baltimore Press, Baltimore, (1932), pp. 12-13, 57.

I often wonder if the dogmatic and fanatical fans of Ron Paul ever even begin to consider the consequences of their intended actions, or are their heads so filled with gold gilted greed and hero worship that there is no room left for logic or circumspection? I suspect that many of these fanatics themselves hold gold and silver and are willing to trade away America's future and our freedom for a much hoped for short term immense profit on the metals. They have a definite conflict of interest and are not to be trusted.

Ron Paul is a pied piper with a silver and golden flute trying to lure America, like the Egyptian army, into a red sea of debt to drown. Our children will then be held in a cave of debt as the Jews demand a ransom of gold. The Jews are readying to leave America and take all of our wealth with them, leaving us their slaves.

My Pauline Muse Has Returned with More Fodder for Thought

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

My correspondent supporter of Ron Paul has again written to me. I will present the anonymous author's arguments and inquiries and respond to them.

While stringing together defamatory statements, my correspondent asks why I do not allow comments on my blog. He/she should consider the fact that I would not wish to be a party to the publication of defamatory statements, nor do I wish to waste my time policing and/or responding to the comments of others, other than at my discretion and for the benefit of my audience. In addition, I do not wish to demean myself by allowing myself to be drawn into childish spats with smearmongers.

My correspondent contends that in "99%" of cases, fiat currency is inflated and that we have seen a constant rise in the money supply since 1971. By this argument, the Ron Paul supporter asserts that Ron Paul is honest in asserting that fiat money of necessity causes inflation and, I

assume, my correspondent feels that Ron Paul is justified in making such sweeping statements while failing to mention that these inflationary rises are due to choices made by individuals, but that those same individuals could as easily have elected to deflate the currency.

I maintain that it is dishonest to mislead people into believing that a fiat currency can only cause inflation, because it is a fact that it can be used to produce deflation, which fact my correspondent acknowledges. I further assert that during the instances under consideration, World Jewry, not the American People at large represented by persons loyal to the United States, were in control of the supply of US dollars. Beyond this, I state that mild inflation is often a good thing, while deflation is more often destructive. In addition, I avow that a rise in money supply commensurate to or slightly exceeding economic growth is often a good thing.

I do not feel obliged to justify the criminal actions of the Jewish bankers in charge of the American money supply, because I do not support or endorse them. I merely point out that they were not necessities under a fiat system, which is the lie that Ron Paul repeatedly tells, thereby scapegoating the system for the actions of criminals and deflecting attention away from the prosecutable offenses which the Jewish bankers have committed. A well regulated fiat money system can produce deflation should deflation be a desirable outcome, which it rarely is. More importantly, it can quickly reduce the money supply in order to maintain stable price levels and encourage and reward savings.

My correspondent expresses irrational absolutes and declares that governments "always" desire to spend beyond the restrictions of tax revenues, and therefore manufacture inflated paper currency. My correspondent next confuses correlation with causation and asserts that because

the means exists to hyperinflate a fiat currency, hyperflation is "inevitable". My correspondent leaves unaddressed the fact that a gold standard can be inflated, I assume because he or she continues to confuse the promises of a politician with the fundamental nature of a monetary system, thereby irrationally excluding the possibility that the politician might be lying, might be mistaken, might not be all powerful or all present, and might not have the means to accomplish the stated goals--but I do not wish to have to belabor the obvious or to repeat myself ad nauseam on points that I have already proven.

My correspondent quoted my factual statement that,

"Fiat money can be used to create stability, or deflation, or inflation. My statement was factual. A government acting on behalf of its citizens has the incentive to do that which will benefit the People. A fiat money system is the most easily regulated monetary system, and can therefore best provide for the needs of the People."

My correspondent then argued that government cannot know what is in the best interest of the People and cannot act in the interests of the People due to an alleged necessary corruption (note my correspondent's complete faith in the politician Ron Paul but irrational mutually exclusive concurrent belief that all government is corrupt). My correspondent implies by this argument that it is better to have a static money supply, or at least one limited to the ability of human beings to mine the limited supply of gold, then it is to allow human beings to attempt to regulate their fate through their elected representatives by scientific means.

I disagree. I think there are means to monitor the money supply and to rationally decide whether or not it is likely to be a benefit or a harm to change it. I contend that it invites corruption by private interests, namely the Jews, who are tribal by religion and tradition, to create a system where they can privately regulate the money supply of any given nation by importing, holding or exporting gold, as they have often done in the past. Witness *Genesis* 47 and Cicero's *Pro Flaccus*, Chapter 28, which states,

"XXVIII. The next thing is that charge about the Jewish gold. And this, forsooth, is the reason why this cause is pleaded near the steps of Aurelius. It is on account of this charge, O Laelius, that this place and that mob has been selected by you. You know how numerous that crowd is, how great is its unanimity, and of what weight it is in the popular assemblies. I will speak in a low voice, just so as to let the judges hear me. For men are not wanting who would be glad to excite that people against me and against every eminent man; and I will not assist them and enable them to do so more easily. As gold, under pretence of being given to the Jews, was accustomed every year to be exported out of Italy and all the provinces to Jerusalem, Flaccus issued an edict establishing a law that it should not be lawful for gold to be exported out of Asia. And who is there, O judges, who cannot honestly praise this measure? The senate had often decided, and when I was consul it came to a most solemn resolution that gold ought not to be exported. But to resist this barbarous superstition were an act of dignity, to despise the multitude of Jews, which at times was most unruly in the

assemblies in defence of the interests of the republic, was an act of the greatest wisdom. 'But Cnaeus Pompeius, after he had taken Jerusalem, though he was a conqueror, touched nothing which was in that temple.' In the first place, he acted wisely, as he did in many other instances, in leaving no room for his detractors to say anything against him, in a city so prone to suspicion and to evil speaking. For I do not suppose that the religion of the Jews, our enemies, was any obstacle to that most illustrious general, but that he was hindered by his own modesty. Where then is the guilt? Since you nowhere impute any theft to us, since you approve of the edict, and confess that it was passed in due form, and do not deny that the gold was openly sought for and produced, the facts of the case themselves show that the business was executed by the instrumentality of men of the highest character. There was a hundredweight of gold, more or less, openly seized at Apamea, and weighed out in the forum at the feet of the praetor, by Sextus Caesius, a Roman knight, a most excellent and upright man; twenty pounds weight or a little more were seized at Laodicea, by Lucius Peducaeus, who is here in court, one of our judges; some was seized also at Adramyttium, by Cnaeus Domitius, the lieutenant, and a small quantity at Pergamus. The amount of the gold is known; the gold is in the treasury; no theft is imputed to him; but it is attempted to render him unpopular. The speaker turns away from the judges, and addresses himself to the surrounding multitude. Each city, O Laelius, has its own peculiar religion; we have ours. While Jerusalem was flourishing, and while the Jews were in a peaceful state, still the

religious ceremonies and observances of that people were very much at variance with the splendour of this empire, and the dignity of our name, and the institutions of our ancestors. And they are the more odious to us now, because that nation has shown by arms what were its feelings towards our supremacy. How dear it was to the immortal gods is proved by its having been defeated, by its revenues having been farmed out to our contractors, by its being reduced to a state of subjection."--M. T. Cicero, "Pro Flaccus", Chapter 28; translated by C. D. Yonge, *The Orations of Marcus Tullius Cicero*, Volume 2, George Bell & Sons, London, (1880), pp. 454-455.

Of course, causing deflation by exporting gold is only one means the Jews have at their disposal to destroy a nation. Hyperflation is another means, but unlike my correspondent, I hold hope that a Gentile nation can purge itself of the Jewish corruption that causes hyperflation and I do not hold that hyperinflation is a necessary consequence of fiat money, rather Jewry has used hyperinflation as a means to destroy nations and Jewry have used deadly deflation as a means to destroy nations from the very beginnings of the Tribe. Jewry is the problem, not fiat money. In the case of gold, Jewry *and the very nature of the limitations of a commodity currency* are problematic. Fiat currency is indeed vulnerable to corruption calling for hyperinflation, but so is gold, a fact my correspondent repeatedly ignores by irrationally denying the reality that governments overspend through the use of credit and do not need to have money on hand to overspend, and by sidestepping the fact that hard money systems can be and are debased, which fact my correspondent dodges by changing the subject and claiming that his hero would do no such thing, this while arguing that all politicians are corrupt and inevitably overspend.

Alas, quoting my statement, "It does not occur to this person that gold can be borrowed", my correspondent responds, "gold borrowed with what money? The money that's already in supply, and not money that you can print, that's the difference." There is nothing other than political restraints and the inability to obtain credit, which inhibits a government's ability to borrow money beyond that which is already in the money supply. If the politicians ask for a loan, and can find a lender, they can borrow as much gold as they want *at interest*. How can a nation maintain a money supply under such conditions, when the gold in circulation must be returned, and new gold must be acquired to pay the interest on the loan? My correspondent has no response, other than to irrationally deny the reality that governments can and do borrow money and/or gold against their credit, whether or not they are on the gold standard, and in some cases whether or not they have the means to pay off the loan.

Next my correspondent responds to my statement, "or a nation can simply go into debts which it does not have the means to pay." by asserting that the loans under a gold standard have to be paid back with gold and accuses me of lying and ignoring this argument. In fact, I have already addressed this when I wrote in the initial blog which is the subject of this discussion that,

"Should the government, under its Jewish control, elect not to debase a hard money system, while at the same time fighting wars and running up other debts for Jewry, then the taxpayer is required to surrender his wealth to Jewish gold merchants abroad to pay the debts which cannot by paid with extant American coinage, which again results in a wealth transfer to Jewry."

My correspondent furthers the interests of the Jewish bankers by enabling them to take the gold out of America in payment of interest on loans, and by allowing them to milk the taxpayer by forcing the taxpayer to come up with gold from abroad, or from goldmongers, to pay taxes on interest. My correspondent evidently laments the actions of the Government under Nixon. Would my correspondent prefer it if all the gold of the United States were sent overseas in exchange for paper dollars? And what are Americans to use as money should the gold disappear overseas? Or is my correspondent a Utopian who would pin America's future on the frail hope that America will never need borrow on credit just because Ron Paul says so? And how is it that we will pay off our present debt, by converting to gold and raping all our reserves to immediately hand that gold over to World Jewry? Is that what my correspondent is hoping for? Does my correspondent hold gold, and hope that the value will escalate should we take our gold reserves and convert them to money, thereby hyperinflating the already unimaginably large debt into incredibly expensive gold? What will happen to the American People under such a system, where they will have to surrender tens of thousands of dollars for an ounce of gold, and then surrender all of the Nation's gold, and with it all of the Nation's money supply, to the Jewish bankers, and to foreign nations? And what do we do then, other than borrow more gold at interest to create an unsustainable money supply for which the gold does not exist to pay the interest on the loan, and for which the money supply itself must be returned?

Indeed, my correspondent's plan is to convert all of our gold reserves into our money supply, which would hyperflate the present dollar because there is not much gold in reserve, and there is a tremendous debt in dollars. We then face enormous deflation as the money supply disappears and with it our gold reserves.

My correspondent rambles on and on making false assertions which depend upon the fallacies and falsehoods I have already addressed. As a result, I do not feel it would be productive to address those issues which are rotten at their foundation. I will note that my correspondent believes that deflation is a good thing. So many have shown how destructive deflation often is, that I do not feel obliged to repeat those arguments here, other than to point out that prices in slums and slum nations tend to be low, while prices in prosperous neighborhoods and nations tend to be high. I will also suggest that my correspondent consider that wages tend to fall more sharply than prices, and that artificially low prices across the board are an invitation to colonialism and other forms of foreign exploitation and tend to produce famine, unemployment and national bankruptcy.

P.S. I should add that my correspondent argues that Ron Paul would veto Congressional declarations of war, but I merely need point out that such a veto would likely raise the ire of the American People and that Congress could override such a veto and impeach Paul. My correspondent further contends that no nation would ever start a war with the US. I need only ask that he or she recall Pearl Harbor, and consider the fact that the US is declining rapidly.

A Typical Ron Paul Supporter Writes Me a Mindless, But Nevertheless Useful, Letter

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I received an insulting, emotional and vulgar letter from a Ron Paul supporter, which takes issue with my exposure of Ron Paul's lies in the following blog which I published on 1 October 2008:

On the Sophistry of Ron Paul and the Other Jewish Controlled Gold Bugs

This letter quotes some of my statements and then attempts to refute them. I will repeat the quotations of my statements and then capsulize the counter-arguments from my correspondent and demonstrate that they are based on fallacies.

I stated that,

"Paul lies and states that a fiat money system intrinsically causes inflation, when in fact it can as easily cause deflation."

My correspondent argues that fiat money causes inflation because it can, while acknowledging the fact that it can also cause deflation. My correspondent attempts to justify this irrationality by arguing that there is an incentive for government to generate inflation and therefore inflation is a necessary consequence of fiat money. This argument is fallacious. It is based on the false premise that there is always an incentive to generate inflation, and the argument confuses possibility with necessity. Fiat money can be used to create stability, or deflation, or inflation.

My statement was factual. A government acting on behalf of its citizens has the incentive to do that which will benefit the People. A fiat money system is the most easily regulated monetary system, and can therefore best provide for the needs of the People.

I wrote that,

"Paul lies and claims that a gold standard prevents inflation by preventing government from spending beyond the limitations of the money supply."

My correspondent irrationally raises a straw man to argue against as if arguing against my factual statement. This correspondent argues that a nation must mine more gold in order to print more money. It does not occur to this person that gold can be borrowed, or a nation can simply go into debts which it does not have the means to pay. These are factual statements which are not refuted by such a straw man argument, which fallacious argument is also based on false premises. Just as a person can run up debts which he cannot pay, a nation can run up debts which exceed its supply of gold. In fact, to simply create a gold standard money supply, a nation must often borrow the gold at interest, which immediately creates debts for which the nation does not have the gold to pay and must instead run up deeper debts and sacrifice more of its national wealth to the Jewish usurers who love the gold standard system. I will not here address the issues related to corruption, such as fractional reserve banking which functions well under a gold standard to create debts for which the gold does exist to pay off the debt. Yet again, the Ron Paul supporter made a rabid personal attack against me for merely stating facts. I have found such behavior to be typical of Ron Paul supporters.

I stated,

"The deliberate lie that a gold standard inhibits overspending is a myth spread by many agents of the Jewish bankers. It is an obvious absurdity on its face, just as the false claim that a credit card holder's ability to pay his or her debts is an absolute bar to overspending. A credit card holder can run up unpayable debts, as can a government. When such overspending creates unpayable debts, all a gold standard accomplishes is increased profits for gold holders and the ability of the Jewish bankers to bleed off more American wealth."

My correspondent counters that Ron Paul is opposed to overspending. The correspondent evidently confuses his/her trust in Ron Paul with the creation of a bullet proof system. Ron Paul's assertions of his intentions are irrelevant to the fact a nation can run up debts through overspending, whether or not that nation is on the gold standard, just as a person can overspend without counterfeiting money. It evidently eludes this person that a nation can go into debt even if Ron Paul promises that he won't do it. I guess my correspondent has never witnessed a politician lie, and is unaware that Ron Paul is not God nor an absolute dictator, or that Ron Paul and his promises are not a government or a monetary system. The potential to overspend and/or go into debt exists whether or not Ron Paul promises not to fall into the pitfall. In addition, it is not always a mistake to go into debt. Businesses do it all the time with great success. My correspondent also mistakenly claims that a nation can only manufacture unpayable debt when it prints money to cover overspending. This person evidently does not realize that a nation can

fail and go bankrupt just as an individual can fail and go bankrupt, whether or not that nation is on a gold standard. In fact, the gold standard makes it easier for Jewry to bring a nation into bankruptcy because gold can be melted down and exported and/or held thereby contracting the money supply and tightening credit. My correspondent ought to consider the present credit crisis in order to understand how devastating it is when the Jews contract the money supply of a gold standard nation. A nation using fiat currency can increase the money supply when Jewish bankers attempt to tighten credit and restrict the money supply from outside the government. A nation can deflate the currency by retiring it or holding it. While Jewry can effectively control a gold standard system through private machinations and cartels, they cannot privately control the money supply of a Gentile nation on a fiat system which does not permit Jewish corruption.

I wrote,

"In fact, overspending can result in unpayable debt under a gold standard more easily than under a fiat system. The solution to overspending is political, and going to a gold standard in no way inhibits the government from overspending. Overspending can be stopped under a fiat system or gold standard through legislation and/or political pressure which reins in those who would run us into debt to the Jewish bankers."

My correspondent echoes Ron Paul's myth that a nation on the gold standard cannot overspend. It eludes this person that a nation on the gold standard must have credit and collateral, that is the ability to tax, lands, etc., and can spend and overspend based on that credit whether or not the nation is on a gold standard. Nations on gold standards can and do borrow against their

credit and can and do overspend. This results in inflation and/or the transfer of wealth to Jews in exchange for more Jewish held gold. It is true, and I stated this fact in my article, that political restrictions can be made against overspending, but this is not an intrinsic factor of a gold standard system.

I stated in my article that,

"Governments operating on a gold standard often run up unpayable debts, often as a result of Jewish instigated wars. Ron Paul would have us enter into such a dilemma by having us adopt a gold standard at a time when we have unpayable debts."

My correspondent counters with an allegation that Ron Paul would nullify some of our debt when adopting a gold standard, but leaves unexplained how Ron Paul will cheat Shylock out of his pound of flesh, while concurrently borrowing such large sums of gold from the bankers as to create a monetary system. My correspondent further contends that Ron Paul would end Jewish instigated wars. Has my correspondent considered the fact that our Jewish controlled Congress has the power to declare war? Has my correspondent considered the fact that Jewry can incite another nation to attack the United States and that we would be compelled to fight back?

I wrote,

"Of course, inflation can occur as easily under a gold standard as it does with fiat money. The government need only debase the hard money coinage by decreasing the percent of precious metals in the coins, and/or reducing

their weight for a given face value."

My correspondent confuses his/her impression of Ron Paul's policies with the fundamental nature of the gold standard and argues that Ron Paul would never allow the debasement of the coinage. My statement was factual and Ron Paul regularly lies about this fact. Inflation can and does occur under gold standards. Ron Paul is not the gold standard, even should he elect to place political restrictions on coinage. As I stated in my argument, these are political decisions which can be made under a gold standard.

I argued that,

"Should the government, under its Jewish control, elect not to debase a hard money system, while at the same time fighting wars and running up other debts for Jewry, then the taxpayer is required to surrender his wealth to Jewish gold merchants abroad to pay the debts which cannot by paid with extant American coinage, which again results in a wealth transfer to Jewry."

My correspondent again confuses Ron Paul with the fundamental nature of the gold standard, and claims that Ron Paul is not Jewish controlled and will not fight Jewish wars, while leaving unexplained what Ron Paul will do should the US be attacked, or should the Jewish controlled Congress declare war, or should there be a need for growth in the United States that demands a larger money supply, or should the Jewish bankers melt down the gold coin and limit credit and cause deadly deflation as they have so often done to nations on the gold standard in the past, the US included. . . . Alas, I have come to expect such ignorance, stupidity, gullibility and lack of

foresight from Ron Paul supporters. That is the crowd to which he holds the greatest appeal, stupid people who think they are smart.

My correspondent next quotes my statement that,

"Surely Ron Paul is not so naive, uninformed or stupid as to be unaware of these facts. Surely, he is a willing agent of the Jewish bankers, another Nelson W. Aldrich of another stripe working for criminal Jewish bankers as a controlled opposition leader."

To which my correspondent responds with insults instead of facts, sophistry instead of reasoned argument. Such is the sorry state of the root stock of the Jewish controlled "Ron Paul Revolution". But there must be some worthwhile people in that movement who could convince the many twits to rise to the occasion and support an authentic anti-Zionist candidate. I note that the supposed Jew hater who wrote me ignored, or was unaware of the revelations I have made of Ron Paul's ties to the Jewish bankers.

Encouraging More Theft: Rewarding and Indemnifying the Jewish Bankers Is a Bad Mistake

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It is a terrible mistake to reward thieves and/or indemnify them, which rewards for criminal behavior encourages the banks to make further risky loans at the ultimate expense of the taxpayer and the World economy. World Jewry has already reaped enormous profits making loans to unworthy borrowers and speculating on worthless paper. World Jewry has now used its fifth column in the United States Government to cut itself a check for 850 billion dollars, this on top of the recent Jewish trillion dollar theft from the American taxpayer to pay for the Jewish wars on Iraq and Afghanistan. In both instances, the Jewish fourth estate of the Jewish controlled press encouraged these criminal abuses. Now World Jewry has opened the gates to a new round of abuse. It has led the governments to write the banks blank checks.

European governments are guaranteeing loans from one bank to another bank. This will supposedly free up credit to business. A more rational way to give credit to business would be to do so directly, or through legitimate private loan institutions to business, not from crazy bank to crazy bank in the hopes that the free taxpayers' money will find its way to the taxpayer whose credit is being used to manufacture the money and guarantees. The Jewish controlled governments are giving bankrupt spenders blank checks and limitless credit cards and guaranteeing to pay the bills when the boozers fall off the wagon and imbibe.

These new guarantees are highly risky investments that pay no returns which could not be more rationally achieved by direct action outside of the banking industry. They are playing with our currency as if it were monopoly money and it will soon become just that, with the banking

industry paying itself for stealing our money. The Jews own the media and control our government and they are exploiting the situation to steal our money and our future in the hopes that in our weakened state they will then at long last be able to kill us off. That is the cost of Gentile cowardice and complacency in the face of an ancient Jewish war against them.

Instead of paying the Jewish bankers to steal from us, we should be confiscating their assets, and ripping their clawed hands from our media and government. We should declare war on the enemy nation of Israel. We should make peace with the rest of humanity. We should fund our own businesses in ways that produce a future for us all. The Jews' solutions are a prescription for a heavy dose of expensive poison followed by eternal rest.

To Where Will the Money Flow?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Long ago, I predicted that there would be bank bailouts, for example, here:

Banking Reforms, or Bank Bailouts? How the American People Will Suffer the Fate of the Third World If We Are Not Vigilant Monday, December 03, 2007:

I will reproduce that blog here in red, which article is now almost one year old:

I have observed several monetary reform movements in the "Patriot Community" which hype "banking reforms". These take two general forms. One proposes that we go on the "Gold Standard" and permit specie payments. The other proposes a fiat money system run by the government. Both, as commonly proposed, serve the interests of the bankers, and not the interests of the American People.

If we were to go on the Gold Standard, then we would first have to obtain the gold. This can only be done by borrowing the gold at interest, or confiscating it. If we borrow the gold needed to create the money supply, at interest, we cannot pay back the loan because we will have to borrow more gold simply to pay the interest on the debt, and we require the initial gold which we borrowed in order to have a money supply, in order to maintain the money supply.

In addition, the Gold Standard affords the bankers with the opportunity to hoard the gold and ship it out of the country, causing deflation in America and inflation and positive growth in some other land or lands. The bankers would then be able to buy our goods, services and property at artificially low prices, and they would have the means to destroy our economy by restricting our money supply by melting and shipping off gold and by cutting back on loans. By simply holding gold and cutting back on loans, they would lose the

interest on those loans, but would gain much greater benefits than their losses, from the reduced prices and foreclosures they would artificially manufacture.

Those pushing for a fiat money system, run by the government, would, on the face of it, appear to be working for the interests of the American People. However, they often state that we cannot and should not prosecute the bankers for their crimes against us, when that is exactly what we ought to do. They also protect the interests of the banks, not the People, by means of the mechanisms which they propose to put money into circulation, in effect bailing out the banks at the expense of the taxpayer. For example, one such group proposed that we pay off the national debt with debt free fiat money manufactured by the Federal Government.

This would cause massive inflation. Their "solution" is to bail out the banks and make the wealthy wealthier by paying off the national debt almost all at once, and the debts of the banks, with "government money", thereby passing on the debts the banks have created through fractional reserve banking onto the American taxpayer, much as the IMF and World Bank have passed along the debts of the Third World onto the American taxpayer, which useless and unproductive debts they deliberately created, and through which debts they profit.

This group justifies their proposal to bail out the banks as one means to

contract the money supply, which they would grossly increase, by converting the fractional reserve system into one in which the banks would be required to maintain full reserves, but they accomplish this end by giving the banks the money with which to fill their reserves and freeing them of their criminal responsibility to pay back America the wealth they have fleeced from us through fractional reserve banking. In addition, this group would profit the bankers by paying off the debts which never should have accrued, and which were created by corrupt means. It is the wealthiest few who would profit from this system of paying off the national debt. They hold the title to it. This group who would be our "saviors" is no friend of the American People.

Another such group pushing for fiat money profits the bankers by paying off the national debt, granting the bankers immunity for their crimes, and giving the elite complete control over the issuance of money by means of putting government money into circulation on their terms. Always watch out for the proposals of our "saviors" and how they secure "our" debts with real assets, and how they propose that money be put into circulation. This is where you will find their true allegiance to the bankers.

For example, they will propose that debt free fiat money manufactured by the Federal Government be put into circulation by means of the government purchase of corporate bonds, or other such means which would provide their agents in the government with the ability to regulate business in

America and provide them with a means to obtain inside information for the purposes of corrupt "speculation", which would no longer be speculation, but a rigged system. It is crucial for us to watch out for their proposed means of circulating money.

Watch how they protect the banks as a means of circulating money, and how they keep money out of the hands of the poor and middle class by proposing that it circulate through civil works projects, which appear on their face to be philanthropic. They appear to be philanthropists who propose that new money be circulated by giving it to local governments for projects which build infrastructure, etc.

However, they are in fact using the same corrupt means to fleece the American citizen that the World Bank and IMF used to fleece the Third World and the American taxpayer. They want to have the American People produce wasteful projects which profit them, not us, and to have us pay for their gains. It is a form of banker welfare, proposed as if philanthropic projects for Americans.

The Rothschilds raped the America People, and the Chinese and East Indians, in this very way in the 19th Century, having us pay for their railway systems and other projects, which were pitched to us as if philanthropic enterprises.

There are reasonable ways of introducing a fiat money system, but I do not

intend to explore them here, rather, I wish to point out the traps which are being set for us by our "friends" and "saviors" in the "Patriot Movement". Much more needs to done than merely securing a stable debt free money supply. We need to recover monies which the bankers have stolen from us. We also need to distribute the wealth more equitably. We also need to improve the quality of our people and facilitate the growth of our economy in sustainable ways. Money is the grease, not the machine.

Hustlers in the "Patriot Movement" pitch us the snake oil panacea proposal that all our problems will be solved by simply reforming the banking system. They want to profit and immunize the banks in one way or another. We have to profit the American People and secure our future for generations to come, or we will be left as the Third World has been left, impoverished and debt ridden.

For example, we could reduce the tax burden by passing legislation which would make "social injustice" a cause of action for civil suit, quite literally instituting "class action law suits". Those who find themselves impoverished could sue the wealthy classes for damages. However, we ought to require that judgements for such claims take the form of interest bearing loans, which would compel the plaintiff-poor awarded judgements to perform certain equitable requirements meant to ensure their ability to pay back the loans to the wealthy-defendants. For example, the recipients of awards must make an honest effort to obtain work training and perform community

service in order to receive payments, which will be obtained in judgements and held in trust to be distributed as the recipient becomes more productive and can put this capital to use with a reasonable expectation of success. They must also then make an honest effort to pay back the loans.

This system is a superior means of wealth transfer to taxation, in that; it taxes the wealthiest in order to provide justice to the poorest; it creates an incentive to the rich to improve the lot of the poor, and thereby reduce the rich elite's own burden, by providing the rich with a means to recoup their losses/investment through increasing the production and wealth of the poor so as to enable the poor to repay the loans; it prevents the creation of a welfare state; it creates an incentive for the poor to become more productive and provides them with the means to do so; etc.

We also have to drive a stake through the heart of the Israeli fifth column which is destroying our nation. We should create exceptions to the provisions of the *ex post facto* defense, where it can be shown that the normal functions of government to protect the citizens from criminal activity were circumvented by individuals or organizations. For example, if the Israeli fifth column in the United States has lobbied or otherwise engaged in pressuring the Congress and/or the President to prevent legislation which was necessary to protect the interests of the American People, and there are then laws passed or civil suits filed which prosecute the Israeli fifth column for criminal behavior which was "legal" when

committed, but which was known to the fifth column to be against the interests of Americans at large, as proven by their lobbying and other efforts, then the fifth column should not be entitled to claim *ex post facto* provisions as a defense.

The same exceptions should apply to their traitorous warmongering campaigns. The fifth column knew well what behaviors were proscribed by the standards of that which is in the interests of the American People, which is why they lobbied to short circuit the mechanisms of government in the first place. Therefore, it cannot legitimately be claimed that they lacked knowledge of that which is proscribed by law given that they deliberately corrupted the process of the dutiful creation and potential execution of the law.

This issue is crucial to securing our economic future. World Jewry is destroying our future with its usury which employs war as a means of generating debt.

We have to recapture our wealth from the bankers and we can do this through taxation, law suit and by making it an issue of national security. But we also have to better ourselves so that we are more competitive and productive as a nation. We have to provide incentives to rich and poor for the equitable distribution of wealth. We have to ensure that the bankers do not exploit us, as they have exploited the Third World, with their agents

posing as if enemies of the banks but who propose "reforms" drafted by the bankers themselves.

Almost one year after I typed out the above words, the Jewish controlled governments of the World are stealing the wealth of the World and giving it to the Jewish bankers. This theft will have long term disastrous consequences. It is important to watch where this money will flow.

Protocol Number 4 of *The Protocols of the Learned Elders of Zion* states, *inter alia*

"In order that the minds of the Goys may have no time to think and notice things, it is necessary to divert them in the direction of industry and commerce. Thus all nations will seek their own profit, and while engaged in the struggle they will not notice their common enemy. But in order that liberty should finally undermine and ruin the Goy's society, it is necessary to put industry on a basis of speculation. The result of this will be that everything, absorbed by industry from the land, will not remain in the hands of the Goys, but will be directed towards speculation; that is, it will come into our coffers.

The intense struggle for supremacy, the shocks to economic life, will create, moreover have already created, disappointed, cold, and heartless societies. These societies will have complete disgust for high politics and religion. Their only guide will be calculation, i.e., gold, for which they will have a real cult because of the material delights which it can supply. It will be at that

stage that the lower classes of the Goys, not for the sake of doing good, nor even for the sake of wealth, but solely because of their hatred towards the privileged, will follow us against our competitors for power, the intelligent Goys."

World Jewry has completely controlled our Presidential election. We must today choose between their puppet Barack Obama, or their puppet John McCain. In either event, the man who is elected will be the most popular as a result of the election process. No matter which one of the two is elected, he will seek to pump money into the banks, and into the hands of debt ridden Americans, which will increase his short term popularity as a leader. The Jews need a popular President in order to launch new wars. They have not yet attacked Iran, because George Bush is a terribly unpopular President. Should they manufacture a popular President, they will then manufacture a new war.

One of the pitfalls of Jewish Capitalism, which is based upon speculation, is that money does not flow into the proper channels to create and maintain a sound economic recovery. Rather, money flows in the direction of relative safety, or to risky "junk" investments with high profit potential, depending upon the investor. Investment is not directed in a logical way towards the most productive venues which provide the greatest benefit to the majority of humanity over the long term. The Jewish Capitalism of the likes of the schools of Milton Friedman, Ludwig von Mises, Ayn Rand, Allen Greenspan, and Leo Strauss profits Jewry, while undermining the interests and welfare of the vast majority of human beings. It is, as Jews are wont to say, "good for the Jews"; but bad for almost everyone else.

On the reverse side of the Jewish coin, Jewish Socialism depends upon chaos and calamity to pave the way for "reforms". Jews believe they are duty bound to tear everything down in order to leave room for their "Utopia" of a Jewish run World Government. It is easier for a tiny minority to rule and destroy the majority, when the majority is weak, confused, intimidated and tightly controlled by the State. Jewish Socialists tear down the strong on the false premise that doing so builds up the weak. What they are really doing is weakening their Goy competition so that they can steal everything from the Gentiles, and inhibit their progress, preventing them from recovering from the Jewish attack and taking control over their own destiny, perhaps even taking reparations from the Jews who have robbed them.

It is a mistake to pump money into the banks and to risk enormous losses by guaranteeing the assets of faltering institutions. The Jews are throwing all the money into educating the retarded student, while pulling money away from the gifted student. It is a profitable game for the few who profit from it, but it is not a sustainable way to recover from a financial crisis, and will not build a bright future for humankind. The money is not likely to flow quickly and efficiently into the proper sectors of our economy to create a cycle of sustainable growth and economic progress. It will flow into debt reduction and highly risky speculation as the craps players try to win back their losses, and the average man seeks shelter from the storm.

What is needed is an organized effort to bring investment into the proper channels which will build our future, punishment of the Jewish bankers for their theft and corruption of our government and press, to recover international good will by recognizing that Israel is our enemy and cutting off the parasite and demanding reparations from it, and a new system of producing

Greenbacks and putting them into circulation in ways which profit Americans and preserve our sovereignty and the strength of our nation. We need a government and a press which function in our interests, which means we must purge ourselves of the Israeli fifth column and fourth estate which are bleeding us dry.

Crush the Head of the Snake and Ruin His Nest

Christopher Jon Bjerknes

http://www.jewishracism.com

The Jewish State of Israel is a kingdom. The Jews' King is a coward, one in a long line of cowards, which began with Shabbatai Zevi, who renounced his religion under threat, and then had his followers worm their way into power through deception.

The Jews' King is a deceitful wretch, one in a long line of such wretches who pretend to follow after King David, wretches who imagine that they are descended from David, David who betrayed loyal Uriah to his death, so that David could steal his wife. Even the God of the Jews was disgusted with the wretched King of the Jews, David (II *Samuel* 11:27).

Let us have a Nuremberg trial of the King of the Jews. Let us charge him with but a few of his many crimes. Since this worm with scales believes that he is the reincarnated soul of King David

and Shabbatai Zevi, let us humor his illusion and charge him with the crimes he/they committed in his supposed previous incarnations.

And let us pin this shedding worm on the television screens of all the World. The indictments of this man will read as a ledger of all the worst that has befallen mankind at the hands of our worst enemy, the King of the Jews, who this very day is planning to judge and exterminate us. Reading off these crimes against humanity will enlighten the World as to the danger World Jewry poses to our continued existence.

We must also destroy the nest where the King of the Jews wants soon to reign openly. We must recognize the war Israel is fighting against us, and start to fight back. We must dry up the Jewish State of Israel economically.

Or are we more ignorant and incompetent than the Romans, who long ago realized that Jewry is a mortal threat to human life and set about to remedy the situation? Suetonius wrote,

"5 There had spread over all the Orient an old and established belief, that it was fated at that time for men coming from Judaea to rule the world. This prediction, referring to the emperor of Rome, as afterwards appeared from the event, the people of Judaea took to themselves; accordingly they revolted and after killing their governor, they routed the consular ruler of Syria as well, when he came to the rescue, and took one of his eagles. Since to put down this rebellion required a considerable army with a leader of no little enterprise, yet one to whom so great power could be entrusted without risk,

Vespasian was chosen for the task, both as a man of tried energy and as one in no wise to be feared because of the obscurity of his family and name. 6 Therefore there were added to the forces in Judaea two legions with eight divisions of cavalry and ten cohorts.13 He took his elder son as one of his lieutenants, and as soon as he reached his province he attracted the attention of the neighbouring provinces also; for he at once reformed the discipline of the army and fought one or two battles with such daring, that in the storming of a fortress he was wounded in the knee with a stone and received several arrows in his shield."--C. Suetonius Tranquillus, "The Life of Vespasian 4:5", *The Lives of the Twelve Caesars*, Loeb Classical Library, (1914), pp. 289-291.

Turning Hjalmar Horace Greeley Schacht's Plan on Its Head: How the Jews Will Rob Us of Our Wealth

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

World Jewry caused World War I. World Jewry brought America into the war on the side of the British in exchange for the Balfour Declaration.

Jews in Germany led Germany into the war. Press Jews beat the drums for war, just as they do today in America. Government Jews and Gentiles working for the Jewish bankers demanded war, just as they do today in America. Jews in Germany made tremendous profits during the war, while deliberately undermining Germany's success, just as they do today in America. Zionist Woodrow Wilson led Germany to stop fighting by issuing the deceitful 14 Points. Communist Jews in Germany attempted numerous revolutions and undermined the German war effort by creating crippling strikes and attacking public confidence, just as they are doing today in America.

After the Jews caused Germany to stop fighting, they stabbed Germany in the back and organized the Treaty of Versailles. Press Jews in Germany blamed Gentile Germans for the war which these same Jews had caused. Government Jews in Germany demanded that Germany pay unrealistic and devastating war reparations for the war these same Jews had caused.

This resulted in hyperinflation in Germany, which allowed the Jews to steal German wealth, and, together with the Russian wealth they stole, to finance the "roaring 20's" in America. Hjalmar Horace Greeley Schacht combatted the hyperflation by issuing *Rentenmarks*, which were backed by mortgages on German property and industrial production. Their value came, in part, from their ability to buy German goods at comparatively stable prices.

The Jews have turned Schacht's plan on its head. Instead of backing the dollar with mortgages, they are giving away paper dollars to pay mortgages, which will eventually result in hyperinflation, while destroying the value of property. During the lag time between the issuance

of debt and inflation, Jewry can purchase assets at deflated prices.

When the hyperinflation hits, the Jews will petition, directly and through their agents, for gold backing to the currency. As they did to Germany after the war, they will then steal all of this gold and all of the mortgages and property of America in payment of the debts that Jewry have caused America.

The Jews first run us into debt and devalue our currency. They will demand currency backed with our assets, so that when they foreclose on our debts they will have a direct means to steal our property, our gold, our silver, our oil, our water, our land, and everything else we have.

The Jews are making us their slaves, and stupid Americans are doing next to nothing to stop them. In fact, the largest group of supposed dissenters, the Jewish "Ron Paul Revolution", is part of the Jewish bankers' plan to have us undermine our own interests, borrow Jewish gold and collect our own, then hand it all over to the Jews when our collective mortgage comes due.

Ever wonder why the "alternative media" continually infights, but miraculously pulled together behind Ron Paul? It is because they are largely front organizations for the Jewish bankers and the Jewish gold cartel, and they are suckering dissent in America into championing the Jewish plan to steal everything we have, just as the Jews suckered the Russians into destroying Russia so that the Jewish bankers could steal Mother Russia's wealth and mass murder millions of her finest children.

America need not adopt a Schacht plan. We have enough power to stand upright without it, but we must take control of our nation and our currency from the Jews. We should create a rational

system of issuing Greenbacks through loans, while retiring Federal Reserve Notes. We should prosecute the Jews and take back our wealth and demand reparations payments. This will take away their power and empower us. This will win back goodwill towards us throughout the World.

We should place the Jewish King on trial and humiliate him. We should crush the head of the snake.

Freemasons and Zionists Are the Devil's Fifth Column in America

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Christian Zionist John Hagee loves the Jewish State of Israel. Hagee loves the Jews of Israel so much, that he has taught American Christians who trust in him, that Jesus Christ was not the Messiah. Is Hagee awaiting the imminent arrival of the Anti-Christ, the King of the Jewish State of Israel who will ascend his throne in Jerusalem when the Jews have built a new temple of Solomon in which to worship Satan and his son, their King, the Jewish Moschiach?

Almost 2,000 years ago, St. Paul predicted that the Anti-Christ, the son of Hell, the "man of sin" would impostor as if God, and ask the World to worship him, the Jewish Anti-Christ, as if he were God. Paul wrote that many would be deceived and aid the child of doom. Paul wrote in his Second Epistle to the Thessalonians,

"1 Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him,

2 That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand.

3 Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;

4 Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

5 Remember ye not, that, when I was yet with you, I told you these things?

6 And now ye know what withholdeth that he might be revealed in his time.

7 For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.

8 And then shall that Wicked be revealed, whom the Lord shall consume

with the spirit of his mouth, and shall destroy with the brightness of his coming:

9 Even him, whose coming is after the working of Satan with all power and signs and lying wonders,

10 And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

11 And for this cause God shall send them strong delusion, that they should believe a lie:

12 That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

13 But we are bound to give thanks alway to God for you, brethren beloved of the Lord, because God hath from the beginning chosen you to salvation through sanctification of the Spirit and belief of the truth:

14 Whereunto he called you by our gospel, to the obtaining of the glory of our Lord Jesus Christ.

15 Therefore, brethren, stand fast, and hold the traditions which ye have been taught, whether by word, or our epistle.

16 Now our Lord Jesus Christ himself, and God, even our Father, which hath loved us, and hath given us everlasting consolation and good hope through grace,

17 Comfort your hearts, and stablish you in every good word and work."

Christian Zionists are not the only agents of the enemy working to undermine the best interests of the United States in favor of the perceived best interests of Israel. Freemasons are dedicated to the construction of the third Temple of Solomon in Jerusalem. They, too, are traitors working for our mortal enemy, the Jewish State of Israel. They, too, are deliberately rotting away our society and organizing our destruction.

The King of the Jews is a very real personage. He is the latest of the line of Jewish Kings following Shabbatai Zevi, which gave humanity the World Wars, the genocidal "Young Turks" and Bolsheviks, and more recently the Neo-Cons and the latest crash on Wall Street.

The King of the Jews, sitting atop a mountain of stolen gold, wants to make himself openly known to the World. He wants to be worshipped. The King of the Jews, who believes that he is God himself, the King of the Jews governs his fifth column of "Christian" Zionists and Freemasons in America and they are bound to him like stink is bound to dung. These treasonous snakes hang in our trees, crawl through our streets and undermine the most fundamental principles of our nation, all in the name of upholding them. These vipers demand war and murder and are the megaphones of the Israeli ticks who burrow in their ears. They bankrupt us bank, body and soul. They try to shout down any and all who identify the Jewish State of Israel as our enemy. They vote in Israel's puppets to rule over us and ruin us.

We should pour shame and derision over the Christian Zionists and Freemasons who are

destroying our nation for the benefit of the Israelis. A steady shower of the truth will wash away the psychotic smirk from their faces and sting their fanatical glaring eyes, perhaps causing them to blink before their Anti-Christ King sends us into Armageddon. Identify the Christian Zionists as the murderous filth that they are, the genocidal lunatics who openly demand that we attack Russia with nuclear weapons and who insanely and utterly selfishly believe that they will sit in Heaven while America is destroyed in the counter-attack they intend to deliberately provoke.

Spit on the scummy killers in the hopes that some of the worms who blind them will wash off. And pillory the Jews who use them as they attempt to scurry back into the mud to hide from their crimes. Let the Christian Zionists and Freemasons know that they will suffer the worst fate of us all, when the Jews scapegoat them for Jewish crimes, just as the Jews scapegoated the Russians for Jewish crimes. Let the Christian Zionists and Freemasons know that the Jews will eventually turn the American Public against them, just as the Jews have turned them against the American Public. Better that they see the light now and join the fight against our enemy, the Jewish State of Israel, and denounce its fetid King, who impatiently slithers in the background tasting the foul air of his own presence with his serpentine lying tongue.

Put the Anti-Christ on trial. Let us capture this snake who would be King, who would be God. Let us put him on trial and take back the wealth he has stolen from us. Let this demonic would-be judge of the World stand trial for the countless murders he has ordered. If we unite and work together in our own mutual best interest, we can interrogate the cowards who today lie to us in the media, academia and the government, and find out the names of the persons who are ultimately responsible for the wars and waste that are ruining us.

We can weed the garden and pump out the cess. It appears that every nation that has faced this plague in the past has had to do the same, or perish forever.

Gottfried Feder's National Socialism -v- Ron Paul's Jewish Capitalism

There are many new age fascists who believe that Ron Paul and his ilk have the answers for breaking the yoke of Jacob and freeing Esau from interest slavery. These people, crypto-Jews and FBI agents aside, are self-deluding jackasses with no insights into economics, nor knowledge of history or historical forces.

Though Hjalmar Horace Greeley Schacht, and other German Capitalists who sought to continue to exploit the German People at the behest of and with the cooperation of World Jewry, stood in the way of the implementation of many of his ideas, Gottfried Feder iterated some of the necessary solutions to the problem of Jewish Capitalistic usury. See, for example, pages 42-44 of the following pamphlet under the heading "Financial policy: Breaking the thraldom of interest":

Programme of the Party of Hitler, the NSDAP and its General Conceptions (1932)

Feder, like Roehm, Strasser and many others, were Communists at heart, and we need not adopt all of their suggestions, many of which would lead us straight into the pitfalls of Jewish economics and the Jews' messianic aspirations. The derivative totalitarian ideals of absolute dictator, state powers beyond what is reasonable and suitable to the task at hand, etc. recall Plato's Republic, the Cabalah and Marx's Jewish Utopia. That said, the means to break the yoke of the Jewish bankers is clearly stated and we do have the means and the need to do it. Whether we have the will and the intelligence to save ourselves from this ancient plague of Jewish usury and genocide remains to be seen.

The Jewish Bankers Are at It Again: Look Forward to "Banking Reform" Hearings in the Congress

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

J. P. Morgan was a Rothschild agent. When he died, it was discovered that he was not nearly so wealthy as was commonly believed. The wealth he had supposedly controlled in fact ended up in the coffers of the Rothschilds.[1] After the banking crises of the early Twentieth Century, Morgan acted as a scapegoat for the Jews who had deliberately caused these crises.

The highly corrupt Zionist Jews Louis Dembitz Brandeis, a known Frankist Jew,[2] and Samuel Untermyer, who declared war on Germany on behalf of World Jewry in 1933, used Morgan and the debilitating panic of 1907, which the Jewish bankers had deliberately caused, to force the American public into clamoring for banking reforms.[3] As so often happens, corrupt Jews investigated themselves and scapegoated the Goyim for their Jewish crimes, sending off the Goyish goat into the wilderness as a gift to the Devil, whom the Jews believe will then act as

their agent with God absolving them of their sins and subverting Gentile interests.[4]

The Jews' goals were to institute the Federal Reserve Act and to consolidate the banks under their virtual monopoly. In this way, the Jews were able to finance World War One and profit from it, while driving European Gentiles into ruin. They also set America up for the "Great Depression" of the 1930's, and profited from it, as well. Louis Brandeis blackmailed Woodrow Wilson into bringing America into WW I on the side of the British. Zionist Jews also saw to it that FDR brought America into the Second World War, while ensuring that European Jews would find no welcome in America.

Congressman Charles A. Lindbergh Sr. was very aware of the fact that the bankers had deliberately caused the panic in 1907 in order to make the public clamor for banking reforms, banking reforms the bankers would draft which would give them complete control over the money supply and wipe out the lower level, but numerous, competing banks,,

"When the Aldrich-Vreeland Emergency Currency Bill was sprung on the House in its finished draft and ready for action to be taken, the debate was limited to three hours and Banker Vreeland placed in charge. It took so long for copies of the bill to be gotten that many members were unable to secure a copy until within a few minutes of the time to vote. No member who wished to present the people's side of the case was given sufficient time to enable him to properly analyze the bill. I asked for time and was told that if I would vote for the bill it would be given me, but not otherwise. Others were treated

in the same way.

Accordingly, on June 30, 1908, the Money Trust won the first fight and the Aldrich-Vreeland Emergency Law was placed on the statute books. Thus the first precedent was established for the people's guarantee of the rich man's watered securities, by making them a basis on which to issue currency. It was the entering wedge. We had already guaranteed the rich men's money, and now, by this act, the way was opened, and it was intended that we should guarantee their watered stocks and bonds. Of course, they were too keen to attempt to complete, in a single act, such an enormous steal as it would have been if they had included all they hoped ultimately to secure. They knew that they would be caught at it if they did, and so it was planned that the whole thing should be done by a succession of acts. The first three have taken place.

Act No. 1 was the manufacture, between 1896 and 1907, through stock gambling, speculation and other devious methods and devices, of tens of billions of watered stocks, bonds, and securities.

Act No. 2 was the panic of 1907, by which those not favorable to the Money Trust could be squeezed out of business and the people frightened into demanding changes in the banking and currency laws which the Money Trust would frame.

The Act No. 3 was the passage of the Aldrich-Vreeland Emergency Currency Bill, by which the Money Trust interests should have the privilege of securing from the Government currency on their watered bonds and

securities. But while the act contained no authority to change the form of the bank notes, the U. S. Treasurer (in some way that I have been unable to find a reason for) implied authority and changed the form of bank notes which were issued for the banks on government bonds. These notes had hitherto had printed on them, 'This note is secured by bonds of the United States.' He changed it to read as follows: 'This note is secured by bonds of the United States or other securities.' 'Or other securities' is the addition that was secured by special interests. The infinite care the Money Trust exercises in regard to important detail work is easily seen in this piece of management. By that change it was enabled to have the form of the money issued in its favor on watered bonds and securities, the same as bank notes secured on government bonds, and, as a result, the people do not know whether they get one or the other. None of the $500,000,000 printed and lying in the U. S. Treasury ready to float on watered bonds and securities has yet (April, 1913) been used. But it is there, maintained at a public charge, as a guarantee to the Money Trust that it may use it in case it crowds speculation beyond the point of its control. The banks may take it to prevent their own failures, but there is not even so much as a suggestion that it may be used to help keep the industries of the people in a state of prosperity.

The main thing, however, that the Money Trust accomplished as a result of the passing of this act was the appointment of the National Monetary Commission, the membership of which was chiefly made up of bankers,

their agents and attorneys, who have generally been educated in favor of, and to have a community interest with, the Money Trust. The National Monetary Commission was placed in charge of the same Senator Nelson W. Aldrich and Congressman Edward B. Vreeland, who respectively had charge in the Senate and House during the passage of the act creating it.

The act authorized this commission to spend money without stint or account. It spent over $300,000 in order to learn how to form a plan by which to create a greater money trust, and it afterwards recommended Congress to give this proposed trust a fifty-year charter by means of which it could rob and plunder all humanity. A bill for that purpose was introduced by members of the Monetary Commission, and its passage planned to be the fourth and final act of the campaign to completely enslave the people.

The fourth act, however, is in process of incubation only, and it is hoped that by this time we realize the danger that all of us are in, for it is the final proposed legislation which, if it succeeds, will place us in the complete control of the moneyed interests. History records nothing so dramatic in design, nor so skillfully manipulated, as this attempt to create the National Reserve Association,—otherwise called the Aldrich plan,—and no fact nor occurrence contemplated for the gaining of selfish ends is recorded in the world's records which equals the beguiling methods of this colossal undertaking. Men, women, and children have been equally unconscious of how stealthily this greatest of all giant octopuses,—a greater Money Trust,—

is reaching out its tentacles in its efforts to bind all humanity in perpetual servitude to the greedy will of this monster.

I was in Congress when the Panic of 1907 occurred, but I had previously familiarized myself with many of the ways of high financiers. As a result of what I discovered in that study, I set about to expose the Money Trust, the world's greatest financial giant. I knew that I could not succeed unless I could bring public sentiment to my aid. I had to secure that or fail. The Money Trust had laid its plans long before and was already executing them. It was then, and still is, training the people themselves to demand the enactment of the Aldrich Bill or a bill similar in effect. Hundreds of thousands of dollars had already been spent and millions were reserved to be used in the attempt to bring about a condition of public mind that would cause demand of the passage of the bill. If no other methods succeeded, it was planned to bring on a violent panic and to rush the bill through during the distress which would result from the panic. It was figured that the people would demand new banking and currency laws; that it would be impossible for them to get a definitely practical plan before Congress when they were in an excited state and that, as a result, the Aldrich plan would slip safely through. It was designed to pass that bill in the fall of 1911 or 1912."--C. A. Lindbergh, *Banking and Currency and The Money Trust,* National Capital Press, Washington, D.C., (1913), pp. 92-98.

The Jews are again setting up a scenario whereby they will investigate themselves, institute the policies and agencies they seek, consolidate the banks under their control, and scapegoat the Goyim for their crimes. The Jews will then instigate World War III. For years, I have expected the events which are taking place today. In my book *The Manufacture and Sale of Saint Einstein*, which I published in May of 2006, I wrote at page 1000, *inter alia*,

"In 1913, the creation of the Federal Reserve together with the creation of the Federal Income Tax made war an immensely profitable venture. The Jewish bankers had at last a means to tax the American People and heat up the economy and then collapse it in the Great Depression by contracting the money supply, which created a wonderful buying opportunity for them in that it forced others to sell and yet maintained the value of the bankers' money enabling them to buy up whatever they wanted to buy.

It appears that another trap is today being set for the American Public. Americans will be asked to chose between the gold standard as one panacea, or an international currency issuing from a central world bank as another panacea. Either option could ruin the nation. Poseurs serving the interests of the Jewish bankers, bankers who are driven by greed and religious fervor to place all of the wealth of the world in Jewish hands, will step forward and ridicule the bankers and the Federal Reserve and might even scapegoat all Jews including assimilated Jews. These propagandists will be the agents of the bankers themselves and they will offer up the poisoned fruit of the gold standard. Jewish bankers control most of the gold in the world and if

America were to adopt the gold standard it would transfer America's wealth into the hands of Jewish bankers. America would lose its sovereignty to the prophesied Jewish world government and ultimately the gold will be melted down and shipped to Jerusalem severely contracting the money supply and destroying all Gentile economies (*Genesis* 47).

America's gold should be recovered by legal and military means and reparations and damages, as well as the principal and accrued interest stolen from the American economy by Jewish bankers should be recovered. However, the method of securing the lasting value of American money most likely to succeed is for the American Government to issue its own notes and so pay down the debt without accruing more debt. This cannot be done by adopting a gold standard.

J. P. Morgan served the interests of the Zionists by funding England in the war, which tied America to it in the minds of the public, and by financing the American war machine. He made immense profits doing it, most of which ended up in the hands of the Jewish bankers, who ultimately served Rothschild, King of the Jews. The newspapers were edited and staffed by a disproportionate number of Jews. At the end of Morgan's life, it was discovered that most of the monies thought to be controlled by him found their way back to the Rothschilds."

Tormenting Courageous Gentiles Through Corruption of the Courts, a Timeless Jewish Tradition

Christopher Jon Bjerknes

The Jewish political persecution of Frederick Toben is nothing new. The Jews have been abusing the courts to persecute Gentiles for thousands of years.

The Jews delight in causing the Gentiles misery and in pitting cowardly Gentiles against those brave Gentiles who would save them from the Jews.

An ancient Jew, Philo the Jew of Alexandria, reveals the timeless nature of Jewish vindictiveness, Jewish corruption and Jewish abuse of the courts and of Gentile government. Note that Flaccus dared to object to the Jews' corruption of Egypt and the Jews' contraction of the Roman money supply by melting down gold and shipping it to Jerusalem by which means

the Jews were ruining the Romans just as they had allegedly ruined the Egyptians (*Genesis* 47).

As was the case with Jesus Christ, many were afraid to defend Flaccus (Cicero's *Pro Flaccus*, Chapter 28), for fear of the Jews (*John* 7:13; 19:38; 20:19). Flaccus was a Roman hero and a good natured man. The Jews turned the Romans against him and heaped their venom upon him. Philo the Jew's version of these events follows:

"XIV. This was the unexampled misfortune which befell Flaccus in the country of which he was governor, being taken prisoner like an enemy on account of the Jews, as it appears to me, whom he had determined to destroy utterly in his desire for glory. And a manifest proof of this is to be found in the time of his arrest, for it was the general festival of the Jews at the time of the autumnal equinox, during which it is the custom of the Jews to live in tents; but none of the usual customs at this festival were carried out at all, since all the rulers of the people were still oppressed by irremediable and intolerable injuries and insults, and since the common people looked upon the miseries of their chiefs as the common calamity of the whole nation, and were also depressed beyond measure at the individual afflictions to which they were each of them separately exposed, for griefs are redoubled when they happen at the times of festival, when those who are afflicted are unable to keep the feast, both by reason of the deprivation of their mirthful cheerfulness, which a general assembly requires, and also from the presence of sorrow by which they were now overcome, without

being able to find any remedy for such terrible disasters. And while they were yielding to excessive sorrow, and feeling overwhelmed by most severe anguish, and they were all collected in their houses at the approach of night, some persons came in to inform them of the apprehension of the governor which had then taken place. And they thought that this was to try them, and was not the truth, and were grieved all the more from thinking themselves mobbed, and that a snare was thus laid for them; but when a tumult arose through the city, and the guards of the night began to run about to and fro, and when some of the cavalry were heard to be galloping with the utmost speed and with all energy to the camp and from the camp, some of them, being excited by the strangeness of the event, went forth from their houses to inquire what had happened, for it was plain that something strange had occurred. And when they heard of the arrest that had taken place, and that Flaccus was now within the toils, stretching up their hands to heaven, they sang a hymn, and began a song of praise to God, who presides over all the affairs of men, saying, 'We are not delighted, O Master, at the punishment of our enemy, being taught by the sacred laws to submit to all the vicissitudes of human life, but we justly give thanks to thee, who hast had mercy and compassion upon us, and who hast thus relieved our continual and incessant oppressions.' And when they had spent the whole night in hymns and songs, they poured out through the gates at the earliest dawn, and hastened to the nearest point of the shore, for they had been deprived of their usual places for prayer, and standing in a clear and open space, they

cried out, 'O most mighty King of all mortal and immortal beings, we have come to offer thanks unto thee, to invoke earth and sea, and the air and the heaven, and all the parts of the universe, and the whole world in which alone we dwell, being driven out by men and robbed of everything else in the world, and being deprived of our city, and of all the buildings both private and public within the city, and being made houseless and homeless by the treachery of our governor, the only men in the world who are so treated. You suggest to us favorable hopes of the setting straight of what is left to us, beginning to consent to our prayers, inasmuch as you have on a sudden thrown down the common enemy of our nation, the author and cause of all our calamities, exulting in pride, and trusting that he would gain credit by such means, before he was removed to a distance from us, in order that those who were evilly afflicted might not feel their joy impaired by learning it only by report, but you have chastised him while he was so near, almost as we may say before the eyes of those whom he oppressed, in order to give us a more distinct perception of the end which has fallen upon him in a short time beyond our hopes.'

XV. And besides what I have spoken of there is also a third thing, which appears to me to have taken place by the interposition of divine providence; for after he had set sail at the beginning of winter, for it was rightly ordained that he should have his fill of the dangers of the sea, inasmuch as he had filled all the elements of the universe with his impieties, after suffering

innumerable hardships he with difficulty got safety to Italy, and the moment that he had arrived there he was pursued by accusations which were brought against him, and which were brought before two of his greatest enemies, Isidorus and Lampo, who a little while before were in the position of subjects to him, calling him their master, and benefactor, and Savior, and names of that sort, but who now were his adversaries, and that too displaying a power not only equal to but far superior to his own, not merely from the confidence which men feel in the justice of their cause, but, what was a matter of great moment, because they saw that the Judge of all human affairs was his irreconcileable enemy, being about now to take upon himself the form of a judge from a prudent determination not to appear to condemn any one beforehand unheard, and not to act the part of an enemy, who before hearing either accusation or defense, has already condemned the defendant in his mind, and has sentenced him to the most severe punishments. But nothing is so terrible as for men who have been the more powerful to be accused by their inferiors, and for those who have been rulers to be impeached by their former subjects, which is as if masters were being prosecuted by their natural or purchased slaves.

XVI. And yet even this in my opinion was a lighter evil when compared with another which was greater still; for it was not people who were merely in the simple rank of subjects who now, discarding that position and conspiring together, on a sudden attacked him with their accusations; but those who

did so were men who during the chief part of the time that he had had the government of the country had been in a position of the greatest enmity and hatred to him, Lampo having been under a prosecution for impiety against Tiberius Caesar, and having been almost worn out by the matter which had been thus impending over his head fore two years; for the judge who had a grudge against him caused all sorts of delays and every possible protraction of the cause on various pretexts, wishing even if he escaped from the accusation, at all events to keep the terror of the future as uncertain hanging over his head for the longest possible period, so as to make his life more miserable even than death. And then again when he seemed to have come off victorious, saying that he was insulted and injured in his property (for he was compelled to become a gymnasiarch), either by being economical and illiberal in his expenses, pretending that he had not sufficient wealth for such unlimited expenditure, or perhaps really not having enough; but before he came to the trial, making a parade of being very rich, but when he did come to the proof then appearing not to be a man of exceeding wealth, having acquired nearly all the riches which he had by unjust actions. For standing by the rulers when they gave judgment, he took notes of all that took place on the trial as if he were a clerk; and then he designedly passed over or omitted such and such points, and interpolated other things which were not said. And at times, too, he made alterations, changing and altering, and perverting matters, and turning things up-side down, aiming to get money by every syllable, or, I might rather say, by every letter, like a hunter

after musty records, whom the whole people with one accord did often with great felicity and propriety of expression call a pen-murderer, as slaying numbers of persons by the things which he wrote, and rendering the living more miserable than even the dead, as, though they might have got the victory and been in comfort, they were subjected to miserable defeat and poverty, their enemies having bought victory, and triumph, and wealth, of a man who sold and made his market of the properties of others. For it was impossible for rulers who had the charge of so vast a country entrusted to them, when affairs of every sort, both private and public, were coming in upon them fresh every day, to remember everything which they had heard, especially as they had not only to fill the part of judges, but also to take accounts of all the revenues and taxes, the investigation into which occupied the greater portion of the year. And the man to whom it was entrusted to take charge of that most important of all deposits, namely, justice, and of those most holy sentiments which had been delivered and urged before them, caused forgetfulness to the judges, registering those who ought to have had sentence in their favor as defeated, and those who ought to have been defeated as victorious, after the receipt of his accursed pay, or, to speak more properly, wages of iniquity.

XVII. Such, then, was the character of Lampo, who was now one of the accusers of Flaccus. And Isidorus was in no respect inferior to him in wickedness, being a man of the populace, a low demagogue, one who had

continually studied to throw everything into disorder and confusion, an enemy to all peace and stability, very clever at exciting seditions and tumults which had no existence before, and at inflaming and exaggerating such as were already excited, taking care always to keep about him a disorderly and promiscuous mob of all the refuse of the people, ready for every kind of atrocity, which he had divided into regular sections as so many companies of soldiers. There are a vast number of parties in the city whose association is founded in no one good principle, but who are united by wine, and drunkenness, and revelry, and the offspring of those indulgencies, insolence; and their meetings are called synods and couches by the natives. In all these parties or the greater number of them Isidorus is said to have borne the bell, the leader of the feast, the chief of the supper, the disturber of the city. Then, whenever it was determined to do some mischief, at one signal they all went forth in a body, and did and said whatever they were told. And on one occasion, being indignant with Flaccus because, after he had appeared originally to be a person of some weight with him, he afterwards was no longer courted in an equal degree, having hired a gang of fellows from the training schools and men accustomed to vociferate loudly, who well their outcries as if in regular market to those who are inclined to buy them, he ordered them all to assemble at the gymnasium; and they, having filled it, began to heap accusations on Flaccus without any particular grounds, inventing all kinds of monstrous accusations and all sorts of

falsehoods in ridiculous language, stringing long sentences together, so that not only was Flaccus himself alarmed but all the others who were there at this unexpected attack, and especially, as it may be conjectured, from the idea that there must certainly have been some one behind the scenes whom they were studying to gratify, since they themselves had suffered no evil, and since they were well aware that the rest of the city had not been ill-treated by him. Then, after they had deliberated awhile, they determined to apprehend certain persons of them and to inquire into the cause of this indiscriminate and sudden rage and madness. And the men who were arrested, without being put to the torture, confessed the truth and added proofs to their words by what had been done, detailing the pay which had been already given and that which, in accordance with his promises, was subsequently to be paid, and the men who were appointed to distribute it as the leaders of the sedition, and the place where it was to break out, and the time when the giving of the bribes was to take place. And when every one, as was very natural, was indignant at this, and when the city was mightily offended, that the folly of some individuals should attach to it so as to dim its reputation, Flaccus determined to send for some of the most honorable men of the people, and, on the next day to bring forward before them those who had distributed the bribes, that he might investigate the truth about Isidorus, and also that he might make a defense of his own system of government, and prove that he had been unjustly calumniated; and when they heard the proclamation there came not only the magistrates but also the whole city,

except that portion which was about to be convicted of having been the agents of corruption or the corrupted. And they who had been employed in this honorable service, being raised up on the platform, that they might be elevated and conspicuous and be recognized by all men, accused Isidorus as having been the cause of all the tumults and of the accusations which had been brought against Flaccus, and as having given money and bribes to no small number of them by himself. 'Since else,' said they, 'where could we have got such great abundance? We are poor men, and are scarcely able to provide our daily expenses for absolute necessaries: and what evil did we ever suffer from the governor, so as to be forced to bear him ill will? Nay, but it is he who was the cause of all these things, the author of them all, he who is always envious of those who are in prosperity, and an adversary of all stability and wholesome law.' And when those who were present came to the knowledge of these things, for what was thus said was a very evident proof and evidence of the intentions of the person accused, they all raised an outcry, some calling out that he should be degraded, others that he should be banished, others that he should be put to death, and these last were the most numerous; and the others changed their tone and joined them, so that at last they all cried out, with one accord and with one voice, to slay the common pest of the land, the man to whom it was owing that, ever since he had arrived in the country and taken any part in public affairs, no part of the city or of the common interests had ever been left in a sound or healthy condition; and he, indeed, being convicted by his conscience, fled away in-

doors, fearing lest he should be seized; but Flaccus did nothing against him, thinking that now that he had voluntarily removed himself, everything in the city would soon be free from sedition and contention.

XVIII. I have related these events at some length, not for the sake of keeping old injuries in remembrance, but because I admire that power who presides over all freemen's affairs, namely, justice, seeing that those men who were so generally hostile to Flaccus, those by whom of all men he was most hated, were the men who now brought their accusations against him, to fill up the measure of his grief, for it is not so bitter merely to be accused as to be accused by one's confessed enemies; but this man was not merely accused, though a governor, by his subjects, and that by men who had always been his enemies, when he had only a short time before been the lord of the life of every individual among them, but he was also apprehended by force, being thus subjected to a twofold evil, namely, to be defeated and ridiculed by exulting enemies, which is worse than death to all right-minded and sensible people. And then see what an abundance of disasters came upon him, for he was immediately stripped of all his possessions, both of those which he inherited from his parents and of all that he had acquired himself, having been a man who took especial delight in luxury and ornament; for he was not like some rich men, to whom wealth is an inactive material, but he was continually acquiring things of every useful kind in all imaginable abundance; cups, garments, couches, miniatures, and everything else which

was any ornament to a house; and besides that, he collected a vast number of servants, carefully selected for their excellencies and accomplishments, and with reference to their beauty, and health, and vigor of body, and to their unerring skill in all kinds of necessary and useful service; for every one of them was excellent in that employment to which he was appointed, so that he was looked upon as either the most excellent of all servants in that place, or, at all events, as inferior to no one. And there is a very clear proof of this in the fact that, though there were a vast number of properties confiscated and sold for the public benefit, which belonged to persons who had been condemned, that of Flaccus alone was assigned to the emperor, with perhaps one or two more, in order that the law which had been established with respect to persons convicted of such crimes as his might not be violated. And after he had been deprived of all his property, he was condemned to banishment, and was exiled from the whole continent, and that is the greatest and most excellent portion of the inhabited world, and from every island that has any character for fertility or richness; for he was commanded to be sent into that most miserable of all the islands in the Aegaean Sea, [notation deleted] called Gyara, and he would have been left there if he had not availed himself of the intercession of Lepidus, by whose means he obtained leave to exchange Gyara for Andros, which was very near it. Then he was sent back again on the road from Rome to Brundusium, a journey which he had taken a few years before, at the time when he was

appointed governor of Egypt and the adjacent country of Libya, in order that the cities which had then seen him exulting and behaving with great insolence in the hour of his prosperity, might now again behold him full of dishonor. And thus he being now become a conspicuous mark by reason of this total change of fortune, was overwhelmed with more bitter grief, his calamities being constantly rekindled and inflamed by the addition of fresh miseries, which, like relapses in sickness, compel the recollection of all former disasters to return, which up to that time appeared to be buried in obscurity.

XIX. And after he had crossed the Ionian Gulf he sailed up the sea which leads to Corinth, being a spectacle to all the cities in Peloponnesus which lie on the coast, when they heard of his sudden reverse of fortune; for when he disembarked from the vessel all the evil disposed men who bore him ill will ran up to see him, and others also came to sympathize with him--men who are accustomed to learn moderation from the misfortunes of others. And at Lechaeum, crossing over the isthmus into the opposite gulf, and having arrived at Cenchreae, the dockyard of the Corinthians, he was compelled by the guards, who would not permit him the slightest respite, to embark immediately on board a small transport and to set sail, and as a foul wind was blowing with great violence, after great sufferings he with difficulty arrived safe at the Piraeus. And when the storm had ceased, having coasted along Attica as far as the promontory of Sunium, [notation deleted] he passed by all the islands in order, namely, Helena, and Ceanus, and Cythnos,

and all the rest which lie in a regular row one after another, until at last he came to the point of his ultimate destination, the island of Andros, which the miserable man beholding afar off poured forth abundance of tears down his cheeks, as if from a regular fountain, and beating his breast, and lamenting most bitterly, he said, 'Men, ye who are my guards and attendants in this my journey, I now receive in exchange for the glorious Italy this beautiful country of Andros, which is an unfortunate island for me. I, Flaccus, who was born, and brought up, and educated in Rome, the heaven of the world, and who have been the schoolfellow and companion of the granddaughters of Augustus, and who was afterwards selected by Tiberius Caesar as one of his most intimate friends, and who have had entrusted to me for six years the greatest of all his possessions, namely, Egypt. What a change is this! In the middle of the day, as if an eclipse had come upon me, night has overshadowed my life. What shall I say of this little islet? Shall I call it my place of banishment, or my new country, or harbor and refuge of misery? A tomb would be the most proper name for it; for I, miserable that I am, am now in a manner conducted to my grave, attending my own funeral, for either I shall destroy my miserable life through my sorrow, or if I am able to cling to life among my miseries, I shall in that case find a distant death, which will be felt all the time of my life.' These, then, were the lamentations which he poured forth, and when the vessel came near the harbor he landed, stooping down to the very ground like men heavily oppressed, being

weighed down by his calamities as if the heaviest of burdens was placed upon his neck, without being able to look up, or else not daring to do so because of the people whom he might meet, and of those who came out to see him and who stood on each side of the road. And those men who had conducted him hither, bringing the populace of the Andrians, exhibited him to them all, making them all witnesses of the arrival of the exile in their island. And they, when they had discharged their office, departed; and then the misery of Flaccus was renewed, as he no longer beheld any sight to which he was accustomed, but only saw sad misery presented to him by the most conspicuous evidence, while he looked around upon what to him was perfect desolation, in the middle of which he was placed; so that it seemed to him that a violent execution in his native land would have been a lighter evil, or rather, by comparison with his present circumstances, a most desirable good; and he have himself up to such violence of grief, that he was in no respect different from a maniac, and leaped about, and ran to and fro, and clapped his hands, and smote his thighs, and threw himself upon the ground, and kept continually crying out, 'I am Flaccus! who but a little while ago was the governor of the mighty city, of the populous city of Alexandria! the governor of that most fertile of all countries, Egypt! I am he on whom all those myriads of inhabitants turned their eyes! who had countless forces of infantry, and cavalry, and ships, formidable, not merely by their number, but consisting of all the most eminent and illustrious of all my subjects! I am he who was every day accompanied when I went out by countless companies

of clients! But now, was not all this a vision rather than reality? and was I asleep, and was this prosperity which I then beheld a dream--phantoms marching through empty space, fictions of the soul, which perhaps registered non-existent things as though they had a being? Doubtless, I have been deceived. These things were but a shadow and no real things, imitations of reality and not a real truth, which makes falsehood evident; for as after we have awakened we find none of those things which appeared to us in our dreams, but all such things have fled in a body and disappeared, so too, all that brilliant prosperity which I formerly enjoyed has now been extinguished in the briefest moment of time.'

XX. With such discourses as these, he was continaully being cast down, and in a manner, as I may say, prostrated; and avoiding all places where he might be likely to meet with many persons on account of the shame which clung to him, he never went down to the harbor, nor could he endure to visit the market--lace, but shut himself up in his house, where he kept himself close, never venturing to go beyond the outer court. But sometimes indeed, in the deepest twilight of the dawn, when every one else was still in bed, so that he could be seen by no one whatever, he would go forth out of the city and spend the entire day in the desolate part of the island, turning away if any one seemed likely to meet him; and being torn as to his soul with the memorials of his misfortunes which he saw about him in his house, and being devoured with anguish, he went back home in the darkness of the

night, praying, by reason of his immoderate and never-ending misery, that the evening would become morning, dreading the darkness and the strange appearances which represented themselves to him when he went to sleep, and again in the morning he prayed that it might be evening; [notation deleted] for the darkness which surrounded him was opposed to everything light or cheerful. And a few months afterwards, having purchased a small piece of land, he spent a great deal of his time there living by himself, and bewailing and weeping over his fate. It is said too, that often at midnight he became possessed like those who celebrate the rites of the Corybantes, and at such times he would go forth out of his farm-house and raise his eyes to heaven and to the stars, and beholding all the beauty really existing in the world, he would cry out, 'O King of gods and men! you are not, then, indifferent to the Jewish nation, nor are the assertions which they relate with respect to your providence false; but those men who say that that people has not you for their champion and defender, are far from a correct opinion. And I am an evident proof of this; for all the frantic designs which I conceived against the Jews, I now suffer myself. I consented when they were stripped of their possessions, giving immunity to those who were plundering them; and on this account I have myself been deprived of all my paternal and maternal inheritance, and of all that I have ever acquired by gift or favor, and of everything else that ever became mine in any other manner. In times past I reproached them with ignominy as being foreigners, though

they were in truth sojourners in the land entitled to full privileges, in order to give pleasure to their enemies who were a promiscuous and disorderly multitude, by whom I, miserable man that I was, was flattered and deceived; and for this I have been myself branded with infamy, and have been driven as an exile from the whole of the habitable world, and am shut up in this place. Again, I led some of them into the theatre, and commanded them to be shamelessly and unjustly insulted in the sight of their greatest enemies; and therefore I justly have been myself led not into a theatre or into one city, but into many cities, to endure the utmost extremity of insult, being ill-treated in my miserable soul instead of my body; for I was led in procession through the whole of Italy as far as Brundusium, and through all Peloponnesus as far as Corinth, and through Attica, and all the islands as far as Andros, which is this prison of mine; and I am thoroughly assured that even this is not the limit of my misfortunes, but that others are still in store for me, to fill up the measures as a requital for all the evils which I have done. I put many persons to death, and when some of them were put to death by others, I did not chastise their murderers. Some were stoned; some were burnt alive; others were dragged through the middle of the market-place till the whole of their bodies were torn to pieces. And for all this I know now that retribution awaits me, and that the avengers are already standing as it were at the goal, and are pressing close to me, eager to slay me, and every day, or I may rather say, every hour, I die before my time, enduring many deaths instead of one, the last of All.' [notation deleted] And

he was continually giving way to dread and to apprehension, and shaking with fear in every limb and every portion of his body, and his whole soul was trembling with terror and quivering with palpitation and agitation, as if nothing in the world could possibly be a comfort to the man now that he was deprived of all favorable hopes; no good omen ever appeared to him, everything bore a hostile appearance, every report was ill-omened, his waking was painful, his sleep fearful, his solitude resembling that of wild beasts, nevertheless the solitude of his herds was what was most pleasant to him, any dwelling in the city was his greatest affliction; his safe reproach was a solitary abiding in the fields, a dangerous, and painful, and unseemly way of life; every one who approached him, however justly, was an object of suspicion to him. 'This man,' he would say, 'who is coming quickly hither, is planning something against me, he does not look as if he were hastening for any other object, but he is pursuing me; this pleasant looking man is laying a snare for me; this free-spoken man is despising me; this man is giving me meat and drink as they feed cattle before killing them. How long shall I, hardhearted that I am, bear up against such terrible calamities? I well know that I am afraid of death, since out of cruelty the Deity will not punish me violently, to cut short my miserable life, in order to load me to excess with irremediable miseries, which he treasures up against me, to do a pleasure to those whom I treacherously put to death.'

XXI. While repeating these things over and over again and writhing with his

agony, he awaited the end of his destiny, and his uninterrupted sorrow agitated, and disturbed, and overturned his soul. But Gaius, being a man of an inhuman nature and insatiable in his revenge, did not, as some persons do, let go those who had been once punished, but raged against them without end, and was continually contriving some new and terrible suffering for them; and, above all men, he hated Flaccus to such a degree, that he suspected all who bore the same name, from his detestation of the very appellation; and he often repented that he had condemned him to banishment and not to death, and though he had a great respect for Lepidus who had interceded for him, he blamed him, so that he was kept in a state of great alarm from fear of punishment impending over him, for he feared lest, as was very likely, he, because he had been the cause of another person having been visited by a lighter punishment, might himself have a more severe one inflicted upon him. Therefore, as no one any longer ventured to say a word by way of deprecating the anger of the emperor, he gave loose to his fury, which was now implacable and unrestrained, and which, though it ought to have been mitigated by time, was rather increased by it, just as recurring diseases are in the body when a relapse takes place, for all such relapses are more grievous than the original attacks. They say that on one occasion Gaius, being awake at night, began to turn his mind to the magistrates and officers who were in banishment, and who in name indeed were looked upon as unfortunate, but who in reality had now thus acquired a life free from trouble, and truly tranquil and free. And he gave a new name

to this banishment, calling it an emigration, 'For,' said he, 'it is only a kind of emigration the banishment of these men, inasmuch as they have all the necessaries of life in abundance, and are able to live in tranquility, and stability, and peace. But it is an absurdity for them to be living in luxury, enjoying peace, and indulging in all the pleasures of a philosophical life.' Then he commanded the most eminent of these men, and those who were of the highest rank and reputation, to be put to death, giving a regular list of their names, at the head of which list was Flaccus. And when the men arrived at Andros, who had been commanded to put him to death, Flaccus happened, just at that moment, to be coming from his farm into the city, and they, on their way up from the port, met him, and while yet at a distance they perceived and recognized one another; at which he, perceiving in a moment the object for which they were come (for every man's soul is very prophetic, especially of such as are in misfortune), burning out of the road, fled and ran away over the rough ground, forgetting, perhaps, that Andros was an island and not the continent. And what is the use of speed in an island which the sea washes all round? for one of two things must of necessity happen, either that if the fugitive advances further he must be carried into the sea, or else arrested when he has reached the farthest boundary. Therefore, in a comparison of evils, destruction by land must be preferable to destruction by sea, since nature has made the land more closely akin to man, and to all terrestrial animals, not only while they are alive, but even after they are

dead, in order that the same element may receive both their primary generation and their last dissolution. The officers therefore pursued him without stopping to take breath and arrested him; and then immediately some of them dug a ditch, and the others dragged him on by force in spite of all his resistance and crying out and struggling, by which means his whole body was wounded like that of beasts that are despatched with a number of wounds; for he, turning round them and clinging to his executioners, who were hindered in their aims which they took at him with their swords, and who thus struck him with oblique blows, was the cause of his own sufferings being more severe; for he was in consequence mutilated and cut about the hands, and feet, and head, and breast, and sides, so that he was mangled like a victim, and thus he fell, justice righteously inflicting on his own body wounds equal in number to the murders of the Jews whom he had unlawfully put to death. And the whole place flowed with blood which was shed from his numerous veins, which were cut in every part of his body, and which poured forth blood as from a fountain. And when the corpse was dragged into the trench which had been dug, the greater part of the limbs separated from the body, the sinews by which the whole of the body is kept together being all cut through. Such was the end of Flaccus, who suffered thus, being made the most manifest evidence that the nation of the Jews is not left destitute of the providential assistance of God."--Philo the Jew, as translated by C. D. Yonge, "Against Flaccus", *The Works of Philo Judaeus*, Volume 4, Henry G. Bohn, London, (1855), pp. 85-99

The Israeli Media Gloat Over Their "Man in the White House" Rahm Emanuel

Christopher Jon Bjerknes

The enemy is not only inside our gates, the enemy sits upon the throne of our nation.

Witness what the media has to say:

"But Obama's not going to be able to make the break. He wants to draw down in Iraq in order to concentrate more firepower in Afghanistan. He's not going to take on the lobby in Washington and he's not going to stop further Jewish colonisation of the occupied territories or talk to Israel's enemies. With AIPAC supporter Rahm Emanuel as his new chief of staff – "our man in the White House", as the Israeli daily Maariv called him this week – Obama will toe the line. And of course, there's the terrible thought that bin Laden – when he's not shopping at US military post offices – may be planning another atrocity to welcome the Obama presidency."--"Robert Fisk:

"'It is obvious he will exert influence on the president to be pro-Israeli,' Emanuel's father, who moved to the United States in the 1960s, told the Maariv daily."--"Israeli media hails Obama's pick for chief of staff", *AFP / EJP*, http://www.ejpress.org/article/31761, (8 November 2008).

Don't Blame the Blacks: Barack Obama Is a Member of Israel's Fifth Column in America

The Israeli Snake Barack Obama Bites America in the Back and Injects the Candy Coated Venom of Jewish Usury into Our Financial Veins

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

If you can't afford it, charge it! At the request of the Jews who bought him and paid for his campaign, Barack Obama whips out the national high-interest-rate credit card and proposes that a country dying of debt imbibe in more and in a drunken fit smash the windows and set fire to America:

Obama Calls for Stimulus Package

I predicted that this would happen. On 13 October 2008, I wrote,

"World Jewry has completely controlled our Presidential election. We must

today choose between their puppet Barack Obama, or their puppet John McCain. In either event, the man who is elected will be the most popular as a result of the election process. No matter which one of the two is elected, he will seek to pump money into the banks, and into the hands of debt ridden Americans, which will increase his short term popularity as a leader. The Jews need a popular President in order to launch new wars. They have not yet attacked Iran, because George Bush is a terribly unpopular President. Should they manufacture a popular President, they will then manufacture a new war."--To Where Will the Money Flow? October 13, 2008

On 5 November 2008, I wrote,

"The Jews want a popular president in order to have him draw us into war, and they will attempt to win Obama popularity by falsely portraying him as if a great and benevolent man. They will have him give out cash to the country. They will manufacture a cult of personality around him. Then they will start World War III. As I predicted long ago, the Israeli vampires are after Russian blood and Obama and Medvedev are poised to give it to them. Look forward to American cities in flames. That is the future of Obama's benevolence."--Barack Obama: A Psychological Profile: November 05, 2008

Blacks have a reputation, deserved or not, for overindulging in credit and wasting money on vanity items which do not secure their future, but rather destroy it. Black comedians joke about it. It is, I think, a fact that blacks who find themselves poverty stricken have not shown a

propensity to attempt to save and accumulate wealth. They are by no means alone in this, in fact Hitler lamented in *Mein Kampf* that the German worker threw away any extra money he may have had on alcohol and other indulgences merely to temporarily alleviate the depressing conditions in which he found himself.

Hitler wrote,

"I, too, had been tossed around by life in the metropolis; in my own skin I could feel the effects of this fate and taste them with my soul. One more thing I saw: the rapid change from work to unemployment and vice versa, plus the resultant fluctuation of income, end by destroying in many all feeling for thrift, or any understanding for a prudent ordering of their lives. It would seem that the body gradually becomes accustomed to living on the fat of the land in good times and going hungry in bad times. Indeed, hunger destroys any resolution for reasonable budgeting in better times to come by holding up to the eyes of its tormented victim an eternal mirage of good living and raising this dream to such a pitch of longing that a pathological desire puts an end to all restraint as soon as wages and earnings make it at all possible. The consequence is that once the man obtains work he irresponsibly forgets all ideas of order and discipline, and begins to live luxuriously for the pleasures of the moment. This upsets even the small weekly budget, as even here any intelligent apportionment is lacking; in the beginning it suffices for five days instead of seven, later only for three,

finally scarcely for one day, and in the end it is drunk up in the very first night.

Often he has a wife and children at home. Sometimes they, too, are infected by this life, especially when the man is good to them on the whole and actually loves them in his own way. Then the weekly wage is used up by the whole family in two or three days; they eat and drink as long as the money holds out and the last days they go hungry. Then the wife drags herself out into the neighborhood, borrows a little, runs up little debts at the food store, and in this way strives to get through the hard last days of the week. At noon they all sit together before their meager and sometimes empty bowls, waiting for the next payday, speaking of it, making plans, and, in their hunger, dreaming of the happiness to come.And so the little children, in their earliest beginnings, are made familiar with this misery.

It ends badly if the man goes his own way from the very beginning and the woman, for the children's sake, opposes him. Then there is fighting and quarreling, and, as the man grows estranged from his wife, he becomes more intimate with alcohol. He is drunk every Saturday, and, with her instinct of self-preservation for herself and her children, the woman has to fight to get even a few pennies out of him; and, to make matters worse, this usually occurs on his way from the factory to the barroom. When at length he comes home on Sunday or even Monday night, drunk and brutal, but always parted from his last cent, such scenes often occur that God have

mercy! I have seen this in hundreds of instances. At first I was repelled or even outraged, but later I understood the whole tragedy of this misery and its deeper causes. These people are the unfortunate victims of bad conditions! Even more dismal in those days were the housing conditions. The misery in which the Viennese day laborer lived was frightful to behold. Even today it fills me with horror when I think of these wretched caverns, the lodging houses and tenements, sordid scenes of garbage, repulsive filth, and worse."--A. Hitler, translated by R. Manheim, "Years of Study and Suffering in Vienna", *Mein Kampf*, Volume 1, Chapter 2, Houghton Mifflin Company, (1943/1971), pp. 27-28.

I suspect that blacks will be especially vulnerable to the Jewish bankers' plan to use Obama to send us so deeply into debt through government handouts charged at high rates of interest to the American taxpayer and his descendants, that we will be forced to default on our debts in the near future and hand over our nation to the Jewish bankers. Concurrently, they will use Obama's policy of bread and circuses to win him short term popularity, hoping to elevate Obama to the status of the Black Messiah in the black community. They will attempt to exploit his short term popularity as a means to start wars with Iran, Russia and whomever else they can dupe us into attacking.

How does Obama's plan differ from previous handouts? What has "changed", other than control by Israeli Jews calling themselves "American Republicans" to control by Israeli Jews calling themselves "American Democrats"? I am reminded that crypto-Jews calling themselves

"Christians" have long subverted Christianity, while crypto-Jews calling themselves "Muslims" have long subverted Muslims, each bringing Muslims and Christians into wars with each other meant to leave the Jews standing in Jerusalem.

Ultimately, the Jews will scapegoat blacks for their Jewish crimes, just as today they scapegoat Bush and "corporations" for their Jewish crimes against the human race.

There Is an Urgent Need to Declare an Anti-Zionist Presidential Candidate for 2012!

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The fact that President Elect Barack Obama is an agent of Israel (a nation at war against the United States) can longer be doubted. The Zionist Jews Rahm Emanuel and David Axelrod stand behind Obama the way that Trotsky stood behind Lenin and Kaganovich stood behind Stalin. Our Congress, too, has been completely subverted by our enemy, Israel. The Jewish financiers and their Shabbas Goys own Obama.

I have been writing about Rahm Emanuel and his loyalty to our enemy Israel, and his

opposition to recognition of the Armenian Genocide, for years:

Bob Novak Reports that Rabid Zionist Congressman Rahm Emanuel Always Opposed Official Recognition of the Armenian Genocide: October 30, 2007

In which article I wrote about Emanuel's well documented loyalty to our enemy, Israel:

Robert Novak reports that,

"Rep. Rahm Emanuel, the House Democratic Caucus chairman, dissented from Speaker Nancy Pelosi's support of a resolution condemning the 92-year-old Armenian genocide that has proved to be the big blunder of her tenure. [***] [H]e always has opposed the long-standing effort by the Armenian-American community, dating back to his days as President Clinton's political aide."—Robert Novak, "Emanuel didn't back Pelosi on Armenian genocide resolution", *Chicago Sun-Times*, http://www.suntimes.com/news/novak/623639,CST-EDT-NOVAK28.article, (28 October 2007).

Why would the highly influential Zionist Jew Rahm Emanuel have long opposed recognition of the Armenian Genocide? Leon T. Hadar wrote of Emanuel,

"The build up was choreographed by a skillful White House team led, ironically, by a presidential assistant, Rahm Emanuel, who had served in the Israeli military during the Gulf War and

whose father had fought in the 1948 Middle East war as a member of the Irgun. (Emanuel, incidentally, played the role of Yasir Arafat in the preceremony rehearsal.)"—Leon T. Hadar, "The Picture and the Spin", *Journal of Palestine Studies*, Volume 23, Number 2 (Winter, 1994), pp. 84-94, at 84.

Elisabeth Bumiller wrote,

"All are the sons of an Israeli father, now a 70-year-old Chicago pediatrician, who passed secret codes for Menachem Begin's underground."—Elisabeth Bumiller, "The Brothers Emanuel", *The New York Times*, http://query.nytimes.com/gst/fullpage.html?sec=health&res=9E0DE1DF173FF936A25755C0A961958260, (15 June 1997).

I also wrote about Emanuel here:

Is "God with Us" Against Us?: November 17, 2006

As mentioned above, Emanuel's father was also fighting for the Israeli cause. His brother is well connected in Jewish Hollywood, Hollywood being a major outlet for Jewish war propaganda:

Ari Emanuel's brother has clout too

Obama is a pathological liar. He promised "Change" and then brought in a hardcore Zionist Jew

from the Clinton administration, a long time political power broker, a former investment banker, etc., Rahm Emanuel:

Obama's chief of staff has White House experience

I will leave it to Obama to explain with his lying tongue how his selection of long term radical warmongering Zionist Jews represents "Change" from Wolfowitz, Pearl, & Co. Obama has numerous conflicts of interest, beyond, though related to, his disloyalty and treason against the United States as an agent of the enemy nation of Israel. Obama surrounds himself with Zionist financiers at this time when America desperately needs to rid itself of their corrupting influence:

Obama to Meet With Buffett, Daley, Economic Advisers

Barack Obama is quite similar to the Zionist traitor and shameless liar Woodrow Wilson, who ran on an anti-war platform then brought America into war at the behest of his Jewish appointees and Jewish financiers who ran the war and profited from it, only the situation is worse, because today we possess nuclear weapons and the Jewish State already exists. The true "war to end all wars" is the battle of Armageddon and the human race will not survive it.

Obama will immediately seek to take our rights of free speech away, just as Woodrow Wilson did. We desperately need to run an anti-Zionist presidential candidate so that when Obama and the traitorous Israeli controlled Congress pass ADL legislation proscribing speech which is critical of Obama and the Congress' treason, we can claim in the courts and in the court of public opinion that they are passing un-American Bolshevik "laws" in order to ban a rival political party which opposes their treason. It will then be much clearer to the American People that our

nation has been subverted by an enemy nation at war against us, and that this enemy is using its control of our government to illegally silence those who oppose it and to suppress our fundamental human rights. We need to provide audio and visual material showing the victims of Jewish Bolshevism and letting the American People see the direction in which we are headed under this enemy "leadership".

We must have this tool with which to fight in the courts! Our country has been subverted by the enemy and we must maintain and defend our rights of free speech, possession of arms, freedom of assembly and association, and freedom of political choice and expression, in order to free ourselves of the Israeli enemy and its fifth column of traitorous politicians and financiers in America.

We must make it clear that the Jews are taking away the rights of all Americans to free speech and to form and maintain a political party which opposes their treason and the subversion of our country by their alien enemy nation of Israel. If we do not have free voice and the freedom of the political process to oppose treason and subversion, then we will not long have a nation of our own. We must make it clear to the American People that our enemy is trying to silence those who will save us from the fate of Russia under the Bolshevik Jews. We must make it clear to Americans that it is fundamental to our system of government that we be allowed to form and to give voice to political parties which oppose treason and subversion by a foreign enemy nation.

Why the Jews Are Peddling Palin

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Many believe that the Jews told McCain to choose Sarah Palin as his running mate because she would counter his betrayals of the Republican Party and energize the far right of the party, which felt abandoned and betrayed. I believe that Palin has come from nowhere to provide the controlled opposition to Barack Obama, who came from nowhere.

Palin will be the supposedly anti-Obama voice, but the two Jewish puppets will find common voice as they vilify Russia, support Israeli genocide of the Palestinians, and promote American wars on behalf of Israel. Both will remain silent on the fact that the other is controlled by our enemy, Israel.

The Jews chose Palin to (like Hagee) energize the Christian Zionists to demand war with Iran and Russia. They chose Obama to energize blacks and Liberals to demand war with Iran and Russia. Human nature has it that human beings who witness a fight feel compelled to join one side or the other. We have to explain to Americans that Palin and Obama are on the same side in their fight against America, and that to support Palin is to support Obama's destruction of America, and to support Obama is to support Palin's destruction of America. Siding with one is siding with the other in their Jewish war on America.

Label Obama as a Liar, a Dictator and a Puppet of Israel

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As the Jews attempt to build a cult of personality around Barack Obama, it is important that from the start we counter their propaganda campaign and tag Obama as the liar, dictator and puppet of Israel that he is.

Obama is a Bolshevik henchman for World Jewry. He will steal away our liberty and destroy our society.

The media refuses to criticize Obama, let alone point out the fact that Barack Obama is a pathological liar and a traitorous puppet tyrant working for the Israelis. However strange it will appear to some at first, given that the Jewish media is trying to make a saint out of Obama, it will become increasingly clear in the near future that Obama is the enemy of the American People, hates us, and will eagerly ruin us. He will quickly show himself to be a tyrant and a warmongering agent of the enemy, Israel.

We must also create distrust of the coming Congress, which will seek to cripple us on behalf of Israel. It is very important that we control the perceptions of the American People, as World Jewry attempts to sell us their deceiful and hateful agents as if our saviors.

Awakening the American Public to the Danger

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Protocols of the Learned Elders of Zion have a proven track record of awakening societies to the Jewish peril. The Bolsheviks banned the book and made possession of it a capital offense. In Germany, it provided the proof of the Jewish plan for World domination and Jewish terror. In America, top leaders in the government believed its authenticity. Henry Ford based his whole campaign against organized Jewry on the *Protocols*.

The reason why Jews are so desperate to ridicule the *Protocols* is because they are so obviously true and so incredibly effective as a tool with which to combat Jewish hegemony in the public debate. Never have the Jews railed so viciously against Mearsheimer and Walt, Jimmy Carter or James Petras, as they have attacked and sought to discredit the *Protocols*.

Do not let the Jews dictate your views, or define for you what is acceptable or unacceptable. Do not waste time arguing with Jews over whether or not the *Protocols* are genuine. The Jews will try to create confusion, infighting and ridicule anyone promoting and passing around the *Protocols*. They do this to change the subject from the accurate content of the *Protocols* to distracting fights over whether or not they are genuine. Just as Jews want us to quibble over

semantics such as "Zionist" versus "Jew", they want us to believe that we will discredit ourselves if we promote the *Protocols*. It is a form of Jewish manipulation of our perceptions against our best interests. It is a way the Jews can fractionalize and factionalize our movement. Let them waste their time arguing about the source of the *Protocols*. Our time is better spent disseminating the *Protocols* and encouraging others to *read* them rather than debate who wrote them.

Speeches by Benjamin Freedman and others have never been effective political tools. It is far more important to awaken our People to the *Protocols* which will awaken them to the Jewish peril.

Barack Obama: A Psychological Profile

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Zionist Max Nordau wrote of the psychopathic nature of the ideal Jewish puppet. He stated that the leaders will be psychopaths [M. Nordau, *Entartung*, C. Duncker, Berlin, (1892-1893); English translation: *Degeneration*, D. Appleton, New York, (1895); and *Der Sinn der*

Geschichte, C. Duncker, Berlin, (1909); English translation: *The Interpretation of History*, Willey Book Co., New York, (1910); and *The Drones Must Die*, G.W. Dillingham Co., New York, (1897); and with M. A. Lewenz, *Morals and the Evolution of Man*, Lewenz, Funk and Wagnalls Company, New York, (1922). Similar prescriptions appear in *The Protocols of the Learned Elders of Zion*.]

I believe that Barack Obama has a psychopathic personality. I base this conclusion on the ease with which the man lies and his eagerness to deceive those who trust in him and mislead those who trust in him in ways that hurt them. Witness Obama's support of the Jewish banker bailout and conflict of interest with Goldman Sachs.

Barack Obama likes to control others and uses that control to do others harm. In addition, Obama lacks genuine emotions, other than anger and pleasure. He is cold-hearted, arrogant and condescending.

Like most psychopaths, he has learned to disguise his disorder. His lack of normal emotional response he masquerades as if cool headedness. His mendacities are stated in terms meant to mislead his followers into believing that he has their best interests at heart.

Behind this deceitful psychopath prominently stand the Zionist Jews David Axelrod and Rahm Emanuel. Obama makes a perfect puppet for World Jewry. He has no conscience. Obama is eager to betray those who believe in him. He is ignorant and inexperienced, which means that he will have to rely on the advice and scripts of his Jewish advisors as heavily as he has relied on the money of his Jewish financiers.

The media at large never challenged the Jews' new puppet. The Republican Party helped Obama win a US Senate seat by parachuting in Bill Kristol's old friend Alan Keyes to run against him. Prior to this terrible betrayal, the primary race in both parties was the most scandalous, tortuous and tumultuous I have ever seen.

It is all too improbable to be the accidents of fate. Witness the power Jews have over our political process. They pick a puppet and behold miracles arise and the puppet wins. Note that lunatic John McCain defeated more able men and then handed over the election to Obama. Though not as bizarre as the Illinois Senate race, we yet again saw events similar to Dean's self-destruction, Kerry's self-destruction, etc., which handed over the election to the Jews' pick for President.

It has often been said that Republicans bring us depressions and Democrats bring us world wars. Obama is another Woodrow Wilson, another FDR and he will bring us another world war, following the depression that the Republican Zionist George Bush has brought us. The Democrats in Congress will obey the ADL and curtail our fundamental rights and Obama will grin and rush to sign away our liberty.

Human nature leads us to join one side or the other when we witness a fight. Hence, many are deceived into following Obama, thinking that he opposes Bush. They fail to realize that both Obama and Bush are puppets of Israel.

The Jews want a popular president in order to have him draw us into war, and they will attempt

to win Obama popularity by falsely portraying him as if a great and benevolent man. They will have him give out cash to the country. They will manufacture a cult of personality around him. Then they will start World War III. As I predicted long ago, the Israeli vampires are after Russian blood and Obama and Medvedev are poised to give it to them. Look forward to American cities in flames. That is the future of Obama's benevolence.

Blacks are taxed, are citizens, and have every right to representation. Ironically, blacks voted as a block for Obama both in the primaries and in the final election. They will hurt first and they will hurt the most. Foreign labor will take their jobs. The inner cities will crumble into such severe decay that they will become unlivable sewers. Blacks leaders, under Jewish direction, will subvert their people and prevent them from ever uniting for their common good. Blacks will backstab blacks. Obama is like so many earlier black leaders, the fifth column of the ancient enemies of the blacks, an enemy who believes that the blacks are cursed by God to be the perpetual slaves of the Jews.

The ills which befall the blacks, be they unemployment, ridiculous levels of crime and incarceration, STD's, government jobs without upward mobility, etc., eventually spread to all Americans. I wish I could congratulate them on their success. I wish I could celebrate this new change in America, but I know that it is a change from bad to worse. Jewry is at this very day sealing shut the coffin on America and Obama's lying tongue is their wax.

We Need an Authentic Anti-Zionist Presidential Candidate for 2012

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For a long time now, I have been calling for the Anti-Zionist Movement to offer the American People an authentic anti-Zionist presidential candidate and a serious anti-Zionist political agenda. Had my advice been heeded, we would be in an ideal situation today to make inroads into the political process.

For example, World Jewry has spit in the faces of Americans and openly stolen what will amount to trillions of dollars from the American taxpayer and his descendants. Both the Democratic and Republican presidential nominees have sponsored this theft and acted on behalf of the Jewish bankers to mislead the American People into believing that this monumental crime is done in their best interests. Both of these traitors are stage managed by radical Zionist Jews and both are funded by World Jewry and its financiers. These scandals are more than enough to wake the American People up and have them clamoring for a political party which represents their interests.

The American People are ready for an anti-Zionist to step forward and take the Presidency of the United States of America away from the Israelis, and then begin to fight back against the murderous and ruinous Jewish war on America. Simply throwing an anti-Zionist hat in the ring

will provide contrast to, and focus attention on, the tall pile of yarmulkas stacked up behind Israel and AIPAC as the Israel-first traitors line up to defend Israel against the best interests of America. If the Americans want change, real change can only come from an authentic anti-Zionist candidate, because we are under attack from an enemy that has infected our nation with a fifth column of Israeli agents and a Jewish fourth estate that is demoralizing and propagandizing our People with a self-destructive pro-Israel agenda and which today completely controls our political process and public debate.

It is important to start now so as to define the President from the beginning as the Israeli puppet he already is. It is vital to begin immediately so that each and every action the new traitorous President takes will be seen in the clean sunshine of the truth and no strangling shadow of lies will fall on the glorious ground of the new America to come without the light finding the silhouette of darkness and perishing it to the day. Let there be no cover of silence for the traitors, and no control of the debate by the Jewish media by our absence from the arena.

A strong voice will find its way through Jewry's treacherous and confusing clouds and with lightning and thunder shake the American People to consciousness of the evil nature and vile actions of the enemy. The veil of Jewish power is thin and flammable. One spark will wash it away with a rush of flame that will ignite a blaze across the World which will revenge Dresden, revenge the Ukraine, revenge Russia, Germany and Armenia, revenge Palestine, Iraq and Afghanistan, revenge Europe and Asia, Africa and the Americas, revenge us all for the 2,500 years of dark death, war and cannibalism which the Jews have sown like maggots strewn on the garden of the Earth to feed on God's greatest creation, the magnificent human being.

But we must also build. The remedy to our problems is also the nourishment for our growth. Taking back control of our money and taking back our stolen wealth will provide the financial capital we need to grease the industrial capital of our nation. Taking back our educational institutions from dogmatic and deceitful Jews will free up American creativity to solve our political and social problems, to grow our industries and cure the disease Jewry has caused us through corrupted Jewish Capitalism and Jewish control of our medical and legal systems. Taking back our media from the Jews will enable us to restore pride and decency to America and make the public discourse productive and positive as well as wholesomely educational. Fighting back against World Jewry will win us back goodwill from the rest of the World and open their markets to our goods and services. Resuscitating the American dream will end the Jewish messianic nightmare which is enshrouding the Globe with a choking and deadly stink. If we pull out the weed from the root, we will find an empty cup where we can replant the garden of life and cleanse away the toxic fumes of 2,500 years of the Jewish war on the human race, which has often burned the best and scorched the rest.

It is critical that we enter the public debate with a serious candidate who can counter the otherwise uninterrupted Jewish lies, and offer real solutions and alternatives to Jewish nihilism, Jewish Capitalism and Jewish Bolshevism. Do not let it appear that there are no alternative views, by failing to provide them. Do not let it appear that there are no alternative voices, by failing to raise them. Stand up and lead the way, and the World will follow you as a disciplined Army to smite the enemy of humanity.

The Star of David is made of impure and fractured glass. One hammer will suffice to shatter it

and with it the illusory shackles that enslave us. Jewish power is composed of smoke and lies.

One strong voice will blow it away.

Let the American People taste just one breath of pure air and they will revile the poisonous winds of World Jewry who whisper always death and war.

Shun the Agents Provocateur!

The *Communist Manifesto,* plank number 6, states,

"Centralisation of the means of communication and transport in the hands of the State."--Karl Marx and Friedrich Engels, *The Communist Manifesto,* Bantom Books, New York, (1992), p. 42.

The Jews already largely own and/or control the means of communication, but there are now a slew of *agents provocateur* who have recently been trying to provoke "patriots" to insane acts of violence. Their crazy message has been tellingly consistent from agent to agent.

These agents of Jewry shame the unemployed and call patriots "cowards". They attack the self-esteem of their intended target, emphasizing his frustrations, then propose the insane notion that he can relieve his stress by murdering people. They talk about how easy it would be for snipers to murder a few dozen persons and reassure the target psycho that this would render him a hero and give meaning to his life, and that it would be successful in transferring the target's alleged cowardice to that of the "enemy", i.e. that murdering a few of the "enemy's" leaders would cause the other "enemy leaders" to run scared.

This is obviously a centrally controlled psychological operation meant to find some psychopath and provoke him to murder, so that the Jews can then shut down our means of communication, and criminalize the Anti-Zionist Movement. It is a false flag operation targeting the reputation of anti-Zionists, and the Jews' goal is to have some idiot illegally harm some person, so that the Jews can then cry foul in the mass media they control and have the Congress they control curtail our fundamental human rights to freedom of speech, freedom of thought, freedom of assembly, etc.

Shun these provoking agents of World Jewry who are advocating violence and murder. Let everyone know that they are the enemies of the Anti-Zionist Movement and that their goal is to shut us down. Stongly condemn all voices calling out for violence and murder.

Note that these *agents provocateur* are professional defeatists who discourage all political action. They do not want us to use legal and responsible means to defend our rights, nor do they want us to run a legitimate anti-Zionist Presidential candidate.

Instead, as the same Mossad agents do to the Muslims, they are attempting to provoke patriots to violence so that the Anti-Zionist Movement will be discredited in the eyes of the World public and made illegal. Do not be so unwise as the few Muslims who have fallen into this trap. Instead consider the results of previous Mossad false flag terrorism, such as 9/11, and how it has cost us our rights, by design. Join me in condemning all calls for violence!

Sincere Anti-Zionists oppose violence. We are lawful citizens defending our rights through legal

means against an Israeli attack on our nation. We are not so stupid as to fall into the trap which the Israelis are setting for us.

Oppose violence! Oppose the *agents provocateur!* Oppose the Bolshevization of the Anti-Zionist Movement! Promote peace! Promote unity! Promote lawful nonviolent political action!

Paulson's Ploy Part II: When Ben Stein Speaks, I Listen. . . to What World Jewry Is Planning

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I listen to what Ben Stein has to say, not because I like him, not because I believe him to be wise or insightful, not because I agree with what he has to say; but rather because I know that he is a prominent spokesman for World Jewry. I listened when Stein talked about Israel dropping a nuclear bomb on Tehran. I listened when Stein pitched the idea that nationalizing the banks would be fine by him. I heard him say it on some cable news network talking heads program. An internet search netted me the following quotes from Stein,

"The Fed must act decisively to calm these fears by reassuring lenders. This might even take the form of legislation allowing the Fed to buy stock in large

banks on a temporary basis. The banks are already largely socialized through federal deposit insurance. To add the prop of government capital infusions is not such a big step."--Ben Stein, "Larry, Curly, Moe and the Economy", *The New York Times*, http://www.nytimes.com/2008/01/13/business/13every.html?partner=rssnyt&emc=rss (13 January 2008).

"In turn, this led to huge infusions of liquidity into the banks of the world, the semi-nationalization of the banks of the United States and of many other nations to shore them up, thaw credit, and bolster world markets and economies. These were drastic steps for drastic times, all generated by derivatives. Warren Buffett had warned us against them, and he was dead right, as always. Now, these acts should help."--Ben Stein, "Why I'm Still Buying", *Yahoo! Finance*, http://finance.yahoo.com/expert/article/yourlife/115733 (17 October 2008).

The fifth plank of the Communist Manifesto states,

"Centralisation of credit in the hands of the State, by means of a national bank with State capital and an exclusive monopoly."--Karl Marx and Friedrich Engels, *The Communist Manifesto*, Bantam Books, New York, (1992), p. 42.

The reason why the Jewish bankers want a monopoly on credit is so that they can control the flow of money, eliminate all Goyish competition, control all spending, and most ominously have the power to drive a nation into a crippling endless depression with the flick of a switch by

limiting credit. When a Zionist Jew like Ben Stein talks about nationalizing the banks, Americans with any survival instinct left in them ought to rise up against the idea *in peaceful, legal and sophisticated protest.*

Ezra Pound's Canto XLVI -Versus- Ron Paul's Jewish Gold Buggery

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ezra Pound excoriated the Jewish bankers over the radio on 12 February 1942, when he stated, *inter alia*,

"Well, as Lord Rothermere said: they are unteachable. I don't know how much more they reckon to drop before they get ready for physic. I have said on this radio before now that along about 1695 or 94 the Bank of England was put together, and in 1750 they shut down on the Pennsylvania colony money, and the system of lending paper money out to the farmers. And in 1776 the natural consequences of that dirty London policy of starvin' and cheatin' became, as they say, more apparent. And a year or two later

Johnnie Adams said to the British commander: They were havin' a parley, sez John Adams. 'I don't care what capacity I am received in, receive me in any capacity you like except that of a British subject.' So the first large scale effect of the London cheatin', and money monopoly was the loss of American colonies. The Chinese have a method of countin' cycles of 80 years. I don't know that there is much in it, but it seems to work sometimes. Eighty years, from the bank to the American Revolution. About 80 years from startin' the American government to the great betrayal of 1863. Think it over. And from 63 to the present. OUR rise as a state, thru three or four major, but POSITIVE convulsions, like Jefferson's revolt against Hamilton's dirtiness, the Jackson-VanBuren war for the liberation of the American Treasury. Lincoln's sayin', 'give to this people the greatest blessin' they ever had, their own paper to pay their debt. And then the assassination of Lincoln."--Ezra Pound Canto XLVI, as quoted in V. Sherry, *Ezra Pound, Wyndham Lewis, and radical modernism*, Oxford University Press, New York, (1993), p. 194.

A recording of Pound reading this canto over the radio "Recorded by the Foreign Broadcast Intelligence Service of the FCC [Federal Communications Commission] on February 12, 1942."--http://writing.upenn.edu/pennsound/x/Pound.html can be heard here:

http://media.sas.upenn.edu/pennsound/authors/Pound/1942/Pound-Ezra_Canto-XLVI_Italy_2-12-42.mp3

The Jews stole Pound's freedom and forced him into an insane asylum. Pound advocated fiat currency, which would deprive the Jews of their system of usury through debt-based money creation and/or the use of gold as money. Wikipedia's article on Pound states,

"Pound advocated an abandonment of the current system of money being created by private bankers. He favored government issued currency[13] with no interest to pay, preventing the need for an income tax and national debt, much like the system used by the Pennsylvania Colony from 1723 to 1764.[citation needed] Pound argued that his views on money aligned with those of Thomas Jefferson, as well as with Benjamin Franklin's Colonial Scrip."--http://en.wikipedia.org/wiki/Ezra_Pound

Before endorsing, or putting my name to such a petition, though, I would have to carefully consider each and every element contained therein and would have to qualify my endorsement. I would prefer a line item veto power, or other means of making a qualified endorsement.

Paulson's Ploy: The Danger of Nationalizing the Banks Under the Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It would be a mistake for us to allow the Jews to nationalize (or internationalize) the banks. If we could break the yoke of Jacob, and institute a system which served the American People, instead of World Jewry, that would be a different matter. We could then prosecute the Jewish banker thieves and mass murderers and recover our wealth, while regulating our money supply and credit under a nationalized system in ways that benefitted the general welfare, perhaps initially in ways similar to those proposed by Gottfried Feder.

However, we currently suffer under Jewish control and the Jews will use nationalized banks to gain centralized power over credit just as they have used the Federal Reserve to gain centralized power over the money supply. Such a system gives the Jews a two pronged fork with which skewer the American, and therefore the World, economies; in that it would enable the Jews to tighten credit to the point where they will have at their disposal the means to drive America, and by extension the World, into a Holodomor Ukrainian type depression that will exceed that nightmare and starve us all to death in a perpetual depression designed to accompany their perpetual Jewish Trotskyite revolution/war on the human race.

Imagine the horrors of a centralized Jewish controlled credit system in which the Jews regulate who obtains credit, at which terms, and for what purposes. Imagine the Jews restricting the money supply while concurrently cutting off credit through a unified centralized nationalized bank and Federal Reserve system. Imagine the Mossad having direct access to our loan applications, business plans, etc. and the intelligence gathering power that this implies. It would lead to a far worse and much longer lasting depression than any of our previous depressions. It would signal our death.

A Typical Jewish Tactic: Shimon Peres Attempts to Pit Muslims Against Muslims

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For a very long time now, I have been informing the Muslim community that the Israelis are trying to convince Arabs to fight with Israel against Iranians/Persians. The Jews are promising the Palestinians that if they go along with this plan, that Israel will allow the Palestinians a State. The Jews are lying to the Palestinians.

If the Arabs are mislead into this trap by their Freemasonic and crypto-Jewish leadership, by their billionaire financiers, then after Israel does to Iran what it has done to Iraq and Afghanistan and worse, then after Israel has brought the World into chaos, then Israel will build the Temple of Solomon in place of Al Aqsa Mosque and the Dome of the Rock and Israel will begin to exterminate the Palestinians/Canaanites, then the Lebanese, Jordanians, Syrians, Egyptians, etc.

Fox News reports

"Peres praised the interfaith initiative as 'a major U-turn in Arab life' and suggested that Sunni Saudi Arabia may find common ground with Israel in the face of Shiite Iran, which he accused of harboring 'imperial ambitions' in the Middle East."--"Iran May Have to Abandon Nuclear Program, Israeli President Shimon Peres Says", *Fox News*, (13 November 2008), http://www.foxnews.com/

story/0,2933,451486,00.html

Iran has responded to the thinly veiled aggressive Israeli threat, which threat is illegal under international law:

Iran accuses Israel of abusing U.N. interfaith meeting

I exposed this evil Jewish plot to pit Muslims against Muslims two years ago and attempted numerous times to expose it on "alternative media" talk shows, but was repeatedly silenced. I wrote about it in my blog, in, among others, the following articles:

Deuteronomy 7:2, Israeli War Policy, December 13, 2006

Jewish Power Is Inciting Genocide Against Iranians and Committing Genocide Against the Palestinians, December 17, 2006

A Lever Long Enough to Move the World and a Fulcrum Upon Which to Set It, December 18, 2006

Israeli Fifth Column, Fourth Estate, Religious Subversion, and Incitements to Illegal Aggressive War and Genocide, December 30, 2006

A Clear Pattern Emerges from the Rubble, January 26, 2007

Sunnis Are Being Set Up to Fall. . . into Their Graves, February 02, 2007

Israel Goes in Search of a Scapegoat: Saudi-Israeli Alliance Is a Recipe for Disaster, February 08, 2007

My experience has been that the majority of the "alternative media" are agents of Israel, and those who appear to be fighting one another are in fact working together to confuse, distract and discourage you.

Why am I the sole voice exposing Ron Paul, Christian Zionist Russophobia and the Israeli plan to pit Arabs against Iranians?

Bedros Hajian Interviews Christopher Jon Bjerknes on 18 October 2008

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Bedros Hadrian devoted his program to honoring our friend George Apelian. Bedros and I are determined to carry on with George Apelian's work, and in this spirit we discussed the election, the Israeli subversion of America, and the evil spirit that has descended upon our nation.

The interview:

Bedros Hajian Interviews Christopher Jon Bjerknes on 18 October 2008

In the interview I discussed the Old Testament story of Esau and Jacob (*Genesis* chapters 25-27). There have been Jews from antiquity onwards who have created and promoted "anti-Semitism", because many Jews believe hatred inhibits Jewish assimilation. Jews also boast that they stole the wealth of the Egyptians by taking advantage of Egyptian generosity and kindness and asking to borrow their Egyptian neighbors' gold and silver, then stealing the Egyptians' gold and silver as the Jews departed Egypt. Consider the following quotes:

"The metaphysical law that 'Esav hates Yaakov' guards us against the possibility of assimilation and spiritual self-destruction."--Rabbi Zev Leff, "Bo (Exodus 10:1-13:16) Light Unto the Nations", *Outlooks and Insights*, http://www.aish.com/torahportion/outlooksandinsights/Light_Unto_the_Nations.asp

"'The Israelites [also] did as Moses had said. They requested silver and gold articles and clothing from the Egyptians. God made the Egyptians respect the people, and they granted their request. [The Israelites] thus drained Egypt of its wealth.' (Exodus 12:35-36)"--Old Testament quotation as appears in Rabbi Zev Leff, "Bo (Exodus 10:1-13:16) Light Unto the Nations", *Outlooks and Insights*, http://www.aish.com/torahportion/outlooksandinsights/Light_Unto_the_Nations.asp

Rest in peace, George. It is an honor and a privilege to know you!Thank you for all you taught me and for all that you did for me. I miss you, friend!

The Roger Fredinburg Show on RBN

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I wish I could report my experience speaking to Roger Fredinburg on the Republic Broadcasting Network when I called in to his show on RBN on 12 November 2008, but I cannot because I was kept on hold for over an hour until the program ended while Fredinburg babbled through a string of calls that ended with a caller's provocation that gun owning patriots ought to do something, what that something is was left to the imagination of the listener. Were these calls set up? I cannot say. I can say that I have never before heard such a sequence of embarrassing drivel which would tend to discredit the 9/11 Truth Movement.

Prior to this painful discourse, Fredinburg interviewed Dan Hayden. Hayden predicted that the Third Temple of Solomon would soon be built next to the Dome of the Rock. Hayden endorsed Joel Rosenberg's Russophobia in the form of misidentifying Russia with Gog. Hayden accused Ahmadinejad of calling for a Holocaust, yet it appeared to me that Hayden, like Rosenberg, was calling Russia "Gog", which implies that Russia must be destroyed in a Holocaust.

Hayden failed to inform his audience of Joel Rosenberg's background and biases. Joel Rosenberg is the descendent of Russian Jews who by his accounts left Russia to escape alleged Czarist anti-Semitism. Rosenberg is a former aide to former Israeli Prime Minister Benyamin Netanyahu. Given his name and his positions on religious politics, the question prompts itself, is Hayden, too, of Jewish descent?

I was going to ask Roger Fredinburg why he tolerated Russophobia and Islamophobia on his program, in the form of misidentifying Russia and the modern Islamic world of the Middle East with Gog and the Battle of Armageddon, and predicting that we are today approaching or indeed are in the throes of the End Times. Fredinburg worries about anti-Semitism. Is he not concerned by Russophobia and Islamophobia? Is he not concerned that a war with Russia would likely destroy America and the rest of humanity in the process, in addition to genociding hundreds of millions of innocent Russians?

I ask Roger Fredinburg to condemn Russophobia and Islamophobia each and every time he refers to anti-Semitism and each and every time they appear on his program. I ask Roger Fredinburg to denounce any and all provocations to violence whenever anyone on his program states that gun owners ought to do something, without specifying what that something is.

I wrote a blog about Joel C. Rosenberg and his destructive Russophobic mythologies, here:

What's All This Zionist Talk of the Battle of Armageddon? Russia and Iran Be Warned! Zionists Be Damned! April 28, 2007

This article follows:

For centuries, Jewish converts to Christianity have been teaching Gentiles the myth that Russia is the Magog of the Jewish book of *Ezekiel* chapters 38 and 39. Jewish converts to Christianity have long propagandized the genocidal myth that Russia will produce the anti-Christ and must be utterly destroyed. These Jewish propagandists fail to mention the fact that according to the Christian book of *Revelation* 20:6-8 the battle against Gog and Magog is post-Millennial and cannot be identified with Russia for a number of reasons,

"6 Blessed and holy *is* he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years. 7 And when the thousand years are expired, Satan shall be loosed out of his prison, 8 And shall go out to deceive the nations which are in the four quarters of the earth, Gog and Magog, to gather them together to battle: the number of whom is as the sand of the sea."

The Zionist Scofield Reference Bible has been one major source of this Jewish Zionist myth that Russia must be destroyed in the "Battle of Armageddon". But we have more modern Jewish Christians pushing this Jewish Zionist myth on mainstream media, including one Joel C. Rosenberg, who was an aide to Benjamin Netanyahu and worked with other Israeli Prime Ministers. Rosenberg appeared on Glenn Beck's CNN program,

where he stated, *imter alia*,

"Well, I sort of lived a little schizophrenic life, because professionally, I've been working for former Israeli prime ministers and deputy prime ministers, American political leaders.

But personally, I'm an evangelical Christian from an orthodox Jewish heritage. My family actually escaped out of Russia around 1907 when the czar was trying to wipe out of the all the Jews.

So personally I have had a fascination with what do the Bible prophecies say about the coming of Jesus. And where does Russia fit in? Where does Israel fit in? Where does Iran and these Middle Eastern countries fit in?"—Joel Rosenberg as quoted in the transcript of "GLENN BECK: Encore Presentation: Honest Questions about the End of Days", *CNN.com*, http://transcripts.cnn.com/TRANSCRIPTS/0704/27/gb.01.html

It is a fair question to ask if Mr. Rosenberg's perspective on Russia has been colored by his view that, "the czar was trying to wipe out of the all the Jews." One might also wonder if Rosenberg is biased to favor an anti-Iranian and anti-Russian interpretation of the Bible by his close contacts with Israel's chief leaders. Rosenberg stated, among other things,

"Well, Gog is not a name. We're not talking about Fred Gog or Dmitri Gog. This is a title, like a pharaoh or a czar. He's a political meter (ph). He's a tyrant. He's described in Ezekiel Chapter 38 as having an evil plan.

He's in charge of a territory called Magog. When you go and do the historical detective work and discover what does that mean in modern territory, you find that it's Russia. I document that in the book 'Epicenter'. Doctor LaHaye has written about it extensively. And Tim and Jerry wrote about it in their first novel, 'Left Behind'.

So you've got Russia and a Russian dictator. The next country that they're allied with is Persia. Well, until 1935, Persia was the official legal name of Iran.

So you have a Russian-Iranian alliance with another group of Middle Eastern countries, Libya, Syria, Lebanon, Turkey, a group of others, Sudan. But what's fascinating is, in the 2,500 years since Ezekiel wrote that prophecy, Russia and Iran have never had a military alliance, until now."—Joel Rosenberg as quoted in the transcript of "GLENN BECK: Encore Presentation: Honest Questions about the End of Days", *CNN.com*, http://transcripts.cnn.com/TRANSCRIPTS/0704/27/gb.01.html

As Rosenberg has noted, another arch-Zionist, United States Senator and Presidential candidate, John McCain stated in the context of an aggressive American attack on Iran,

"I think we could have Armageddon.."—John McCain as quoted in the transcript of "Meet the Press with Tim Russert", Transcript for April 2, *MSNBC*, http://www.msnbc.msn.com/id/12067487/page/3/

We have an obligation to confront the Zionists with their dangerous mythologies and to warn the Russians and the Iranians that this propaganda war is being waged against them, and threatens their very existence—and ours.

A New "Peoplescar": The Implications of Government Equity in the Auto Industry

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I've noticed of late that the same crowd which sold America on the SUV is now pushing for us to develop alternative energy sources and to produce scaled down automobiles. I believe we are being set up for a wartime economy, or I should say, a "World War III" economy.

The Jews are planning for America to attack the Middle East, which will result in oil shortages.

They are pushing for domestic oil production as well as alternative fuels.

I expect that should the Government buy equity into the automobile industry, they will use this leverage to create a fascistic wartime production of "Peoplescars" and will scale up the production of military vehicles. They will try to justify the use of public funds by creating the illusion of savings on Government purchases, especially military purchases--the aircraft and airlines industries will be next, but as happened in WW I and Nazi Germany, corruption will be pervasive and the Jews will milk the system and sell our troops substandard equipment. They will also sell our enemies equipment we have developed, produced and paid for.

The new Bolshevik State under Obama will be a wartime economy, and the debt will skyrocket to yet incomprehensible levels. At the same time, the Jews will increase tensions with Venezuela and the Middle East and attempt to devastate their economies while still offering the few remaining American workers a means of private transport.

The American lifestyle is dying. The Jews are now laying the groundwork for the substitute [sub] standard. I note that the media is also preparing us psychologically for the new culture, criticizing us for the old culture of crazy consumption which they created, and playing on the European heritage of our nation to talk us into their new wartime lifestyle.

Ultimately, we must prepare for the wars that will hit our shores, both conventional and nonconventional. The Jews are curtailing our freedom for many reasons, not the least of which is to force us into compliance with the new wartime lifestyle of the totalitarian Bolshevik America to come.

Remember that the neo-Conservatives were born out of the "perpetual war" doctrine of Trotsky. Obama and his handlers are cut from the same prayer shawl cloth and America will continue the perpetual Jewish war on the human race. Those who resist will be sent off to the Lubyanka prisons of America, for which Guantanamo Bay and Abu Ghraib prisons were trial balloons. Fight it now, or live and die under it.

A Warning About the "Gold Is Money", Ron Paul Revolution, Give Obama a Chance Crowd

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have been following the "alternative media" for a few years now. I noticed during the illegal Israeli attack on Lebanon that many talk show hosts and other notable personalities in the "alternative media" failed to seize on the opportunity to crush Zionism that the Jewish war against their Arab neighbors provided. Instead of covering this war as it should have been covered, they staged soap opera infighting, promoted hoax stories about the Pentagon on 9/11, and generally spewed out defeatist and sophistical crap *ad nauseam*. Callers to these shows

noticed the same effect I was noticing and pleaded with the hosts to stop doing what they were doing and address the war.

I was a guest on a few of these programs and noticed that the hosts were not eager to have me expose the treachery of figures like Siniora and other traitors to the Arabs who were financiers tied to World Jewry. They also did not want me to talk about solutions to the problems in the Middle East, nor the Israeli attempts to gin up a civil war among the Palestinians, which I wrote about long before it happened, or the attempts to pit Arabs against the Iranians on the side of the Israelis on the false promise that Israelis would repay the favor by forming a Palestinian State. I also noticed that they did not want me talking about the Jewish genocide of Armenian Christians. Some of these hosts later plagiarized my work in an attempt to steal my thunder, embarrass the Armenian Community, and intimidate the Armenians with the threat of FEMA camps should they continue to expose the Jewish involvement in the Armenian Genocide.

Almost all of these front groups and operatives continually push gold and silver, even those who now plagiarize my criticisms of Ron Paul. They copy my work in order to steal my thunder and mix my arguments with their dung. They continually flip flop on these issues and constantly reinvent themselves so as to create confusion and disgust in the Anti-Zionist Movement.

The most obvious agents of Jewry are those who have consistently promoted the lie that only gold is money, that Ron Paul is our savior, and that we should today give Barack Obama a chance to prove himself. Less obvious are those who plagiarize my work, while attacking me for saying the things they later copy. These chameleons reveal themselves as agents of World Jewry by the distracting fights they stage at crucial points in our struggle against World Jewry, and by

their promotion of terrorism and violence, as well as their morphing behavior, as they attempt to infiltrate and discredit group after group in their search for psychopaths who will follow their advice and discredit us all by some stupid act or series of acts. One of these is a mallato, a *Mischling*, who misrepresents Nazi ideology so as to make it appear that he too can be a Nazi. He also promotes sophistical and historically inaccurate accounts to deny the fact that the Nazis were servants of the Zionist Jews.

Most telling is the quiet in some quarters following the election of Barack Obama, which reminds me of the silence and misinformation during the Lebanon War. Some of these operatives go so far as to ask us to give Obama a chance at a time when we should be doing everything we can to discredit Obama in the eyes of the public.

I attribute their behavior to the fact that the Jews want to make Obama a popular president so that he will win domestic and foreign support for new wars, but also to the fact that these agents of the Jewish gold merchants want Obama to run us deeply into debts which they hope will crash our currency, and which they hope to someday have repaid in gold and all the rest of our assets.

In order for the Jewish usury system to be effective, the Jews need a puppet leader who will run up the debts of the nation. In Europe, the Jewish elite intermarried into the aristocracy to subvert it and bring nations into debt through wars of their making and through extravagant spending on castles and the like, which they financed and into which projects they talked the leaders or into which they forced them.

The Jews have set up Obama to be the stereotypical spend thrift black. In this way, the Jews will increase the debts of America to the breaking point, and then be able to scapegoat blacks for their crimes, relying on stereotypes the Jews promote in their media. The Jewish controlled racists will then have Americans clamoring for attacks on blacks, just as the Jews had them clamor for Ron Paul for President of the United States. The Jews will use blacks and then pit whites against them, as the Jews walk away with all the wealth of America.

Anyone who has been spreading the old Jewish bankers' line that gold is "real money" and/or "sound money" is suspect. Those who are begging us to buy gold and silver and are spreading the lie that these metals are difficult to purchase is also highly suspect. Those who tried to sell us on Ron Paul reach the next level suspicion, one might say a level of high alert. Most obviously tools of the Jewish bankers are those who have been pushing gold as money, Ron Paul and who now back Obama. I believe Obama is their man, and they want him to run us off the cliff into an abyss of debt so endlessly deep that they can completely destroy our financial system and economy with Jewish usury enabled by a Jewish puppet President, and leave us completely at their mercy when it comes time to replace the system.

Juri Lina published a very readable and interesting article entitled "The Fight Against Usury" in *The Barnes Review*, Volume 10, Number 5, (September/October 2004), pp. 8-15; which elucidates the dangers of the Jewish bankers' gold standard system. Lina has elsewhere described how the Nazis grew the German economy by abandoning the gold standard, for example in his book *Architects of Deception* at pages 384-386.

We need to take over the audience of the Jewish owned "alternative media", which is trying to

trick us into clamoring for a gold standard, and which undermines every anti-Zionist effort we make, and which pushes the Jewish agenda on us as if it were anti-Zionism. Notice how they never get anywhere. It is by design. Notice how at key moments they fail to address key issues and attempt to lead us down the wrong path and try to make us appear as ridiculous as they are. It is by design.

I would very much like to interview Juri Lina and discuss economic and financial issues with him, as well as the role organized Jewry (he tends to call them "Freemasons") played in the rise of Hitler, Trotsky, Lenin and Stalin. If anyone can facilitate correspondence between the two of us, I would be most grateful.

Expect a Long Depression and a Massive Invasion of Foreign Labor When Jewish Owned Obama Has His Way

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As I predicted, Obama is taking the FDR road to ruin:

Obama Outlines Job Creation Plan

Without a debt free and properly administered currency, Obama's Jewish Socialism can only produce and prolong the coming Depression. What will he do about the illegal foreign labor in America today? What will he do to prevent a rush of foreign labor in the near future? What will he do about the horrific conditions that are about to befall our southern neighbors from Mexico to Chile?

If Obama raises indigenous labor costs with Government jobs and Government subsidized jobs

for citizens, he will encourage the exploitation of cheaper foreign labor in the unaided private sector, thereby costing Americans more jobs than they will gain. We will also have to pay the social and political costs of this foreign invasion.

A smarter move would be to export the illegals, and create jobs for Americans and these illegals in foreign countries by developing those nations with American owned businesses and educational institutions. We need to solve several problems at once with each and every step we take, or it will be one small step forward into the abyss.

A New "Peoplescar": The Implications of Government Equity in the Auto Industry: Part 2

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

On 11 November 2008, I wrote:

I've noticed of late that the same crowd which sold America on the SUV is now pushing for us to develop alternative energy sources and to produce scaled down automobiles. I believe we are being set up for a wartime economy, or I should say, a "World War III"

economy.

The Jews are planning for America to attack the Middle East, which will result in oil shortages. They are pushing for domestic oil production as well as alternative fuels.

I expect that should the Government buy equity into the automobile industry, they will use this leverage to create a fascistic wartime production of "Peoplescars" and will scale up the production of military vehicles. They will try to justify the use of public funds by creating the illusion of savings on Government purchases, especially military purchases--the aircraft and airlines industries will be next, but as happened in WW I and Nazi Germany, corruption will be pervasive and the Jews will milk the system and sell our troops substandard equipment. They will also sell our enemies equipment we have developed, produced and paid for.

The new Bolshevik State under Obama will be a wartime economy, and the debt will skyrocket to yet incomprehensible levels. At the same time, the Jews will increase tensions with Venezuela and the Middle East and attempt to devastate their economies while still offering the few remaining American workers a means of private transport.

The American lifestyle is dying. The Jews are now laying the groundwork for the substitute [sub]standard. I note that the media is also preparing us psychologically for the new culture, criticizing us for the old culture of crazy consumption which they created, and playing on the European heritage of our nation to talk us into their new wartime lifestyle.

Ultimately, we must prepare for the wars that will hit our shores, both conventional and

nonconventional. The Jews are curtailing our freedom for many reasons, not the least of which is to force us into compliance with the new wartime lifestyle of the totalitarian Bolshevik America to come.

Remember that the neo-Conservatives were born out of the "perpetual war" doctrine of Trotsky. Obama and his handlers are cut from the same prayer shawl cloth and America will continue the perpetual Jewish war on the human race. Those who resist will be sent off to the Lubyanka prisons of America, for which Guantanamo Bay and Abu Ghraib prisons were trial balloons. Fight it now, or live and die under it.

It didn't take long for my predictions to come true:

Obama economic plan aims for 2.5M new jobs by 2011

Others have pointed out that the Jewish bankers gave orders to steal taxpayer money and those orders were immediately filled, but the auto industry could not beg, borrow or steal comparatively small loans. This is one danger of the Jewish controlled loan capital system in America. Only the Jews can tap into it with their vampire fangs. They may temporarily spit some of the blood back in the Goys' faces, but over time, be it months, years, decades or centuries, they steal all the wealth by means of usury and theft and walk away with it all leaving the host a dry corpse.

The Jews are killing the auto industry because they want to kill America and drastically diminish our lifestyle. They also want millions of unemployed workers from the auto industry to serve as cannon fodder foot soldiers in the Jewish instigated wars to come--and in the Soviet

style police State about to trample over America.

Government jobs, slave labor for the Goyim, Commissarships for the Jews, are what the Jews want and the unemployed will come to love them as they slack off at work and ruin America. The soldier and the slave are Esau's role in Jewish religious mythology.

The Jews are setting up several options for their complete takeover of the automobile industry. Of necessity, America will soon move towards protectionism. The auto industry may take the lead. However, Americans will not be eager to buy substandard cars unless given no choice. The government will give them no choice but to buy its cars, any color, as long as it's Jewish Red.

The government will pitch this sale as a protectionist measure to balance the trade deficit and increase employment. Look forward to a new generation of Hitler's Volkswagens and the Soviets' Moskvitshes following a ridiculously expensive and wasteful development program funded by the American taxpayer.

The Jewish infected Government is weakening the auto industry, as Jews always weaken their victims before buying them out, as Jacob waited until Esau was starving to steal his birthright, as Joseph starved the Egyptians to make them glad to be slaves.

The Jews have left open several options for their takeover--a bit of revenge on old man Ford. They can immediately change course and buy equity into the present system. They can wait a few months and make Obama a hero by having him ride on a pale horse into Washington and "rescue" the auto industry by buying equity into it. Or, they can replace the auto industry with a

militarized communist system when Obama takes office.

The Jews do not completely control public opinion or events, and circumstances will in part dictate their path, but their goal is to dominate and militarize the auto industry and replace our cars.

The automobile industry could rescue itself by proposing its own plan to change the automobile. The new automobile should be very safe and incorporate a race car type of roll cage. It should be family friendly and modular, adaptable to different needs based on the same platform. It should be very efficient.

Again, as the SUV is phased out, it will remain on the roads for some time. The new car must be much lighter and yet be able to sustain an impact with an SUV and still afford the occupants a fair chance at survival.

The automobile industry could take pre-orders on these cars and the Government could help the program along by offering to buy older cars with a new debt free Greenback currency and give tax breaks for the purchase of these new cars through pre-order. At the same time, we could criminally prosecute the bankers who have corrupted our Government and stolen trillions of our dollars. We could jail them and fine them, which would keep them from interfering in the new monetary system. We could demand that they pay their fines in Federal Reserve Notes, which the Government would then retire as we phase out the old Jewish system.

We could demand that Israel pay back the monies it has stolen from us through corruption of our Government. These are but a few of the options available to us, which you will never hear

from the Jewish puppets Barack Obama, John McCain or Ron Paul.

It will be easy to fix our system if we put authentic anti-Zionists in power. We need to produce party propaganda and distribute it and let the American People know that there is a way out of this Jewish manufactured mess. Our Jewish controlled competition offers nothing but more disaster. Let us offer the American People a future and they will join us.

A Memorial Service in Honor of George Apelian to Be Held 22 November 2008

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There will be a memorial service for my friend George Apelian this Saturday, 22 November 2008, at 11:00 AM at the United Armenian Congregation Church, 3480 Cahuenga Blvd., Los Angeles, CA 90068. The services will feature a video presentation about his life and work.

Details are included in the following flyers:

GEORGE APELIAN MEMORIAL SERVICE: IN ENGLISH

GEORGE APELIAN MEMORIAL SERVICE: IN ARMENIAN

We have lost a great man, but we still have with us forever the unending blessing of our cherished memories of George. Always generous, even in death he has given us this boundless gift. Rest in peace, George, knowing that we carry on your work.

The Jews Are Provoking Us to Revolution, Much Like They Did to Russia in 1905 and 1917

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A friend has directed my attention to a YouTube video featuring Naomi Wolf. Listen to the feminist Jew Naomi Wolf self-promote her book with the same fear mongering hype she condemns in others:

Interview - Naomi Wolf - Give Me Liberty

The Jews are provoking us to effectively destroy our country's government in the name of the Founding Fathers of our country, just as the Jews provoked the Russians to destroy their own nation and enslave themselves in the name of patriotism and liberty. Note the thinly veiled old Jewish cry of liberty, equality and fraternity, which has historically resulted in terror and dictatorship. Note the old Jewish cry to effectively seize the government and arrest government officials, which has historically enabled the Jews to scape goat Gentiles and install a new set of Jewish and Jewish controlled criminals into government as if our saviors. Note the old Jewish tactic of recalling "anti-Semitism" as a model for action today, thereby falsely painting Jews as victims, when they are in fact the aggressors. Note the Jewish failure to identify Israel and Jewry as the enemies of the American People, while scape goating "corporations" for the actions of the Israeli fifth column and fourth estate in America.

The Timothy McVeigh team I have written about before, who are in supposed opposition to such Jews as Naomi Wolf, have taken to attempting to infiltrate the Neo-Nazi Movement. There is no need for the FBI to make such a move, because they already represent the majority of card carrying Neo-Nazis.

The goals of the Jewish bankers are obviously to convert every radical group to a Jewish revolutionary mind set, and to provoke some idiot into committing an act of violence in order to provide the Congress and press with a pretext with which to steal away Americans' fundamental rights.

The very few sincere Neo-Nazis in existence are evidently quite ignorant of what Nazism was, and how the Nazis came to power, which leaves them vulnerable to this Jewish mental

conditioning against their best interests.

The Nazis did not come to power through a violent revolution. The infamous Beer Hall Putsch was a failure.

The Nazis came to power through organized political action. They won seats in the Reichstag, because they came into money and began to organize politically in a sophisticated campaign, with sophisticated propaganda. The stupid Neo-Nazis, misdirected by Jews and government agents, have never succeeded politically, because they have never raised large sums of money nor made a political appeal to Americans that Americans would find appealing. The stupid Neo-Nazis, misdirected by Jews and government agents, instead threw their money and support behind the Jewish puppet and propagandist Ron Paul, who did manage to receive large sums of money and who was supported through political organization (by the Jewish gold merchants), but who represents everything sincere Nazis opposed politically.

The Nazis opposed the gold standard. The Nazis opposed the Capitalists and the unregulated private control of land and of loan capital. The Nazis took the Capitalists' money, but the intent of sincere Nazis was always to use this money to drive Jewish Capitalism from the European Continent forever.

And there were sincere Nazis, Hitler, Goebbels, Heydrich, Eichmann and other Bolshevik Zionists not among them.

So why did the Nazis, under Hitler's leadership, and through Gottfried Feder's tutelage, oppose

the Jews' gold standard; and why did FDR, an agent of Jewish Communism, seize gold for the Jews; if Hitler was working for the Jews, and paper money unencumbered with debt is bad for the Jews?

The Jews wanted a prolonged and devastating Second World War, which would eclipse the carnage and destruction of WW I. There was not nearly enough gold in existence to provide the loan capital needed to finance the war machine required in Germany and America to fund the wartime economies of those nations. So the Jews taught Hitler, through Feder, how to make his own money, how to circulate it, and how to engage in international trade without throwing out all of Germany's growth into the slop bucket of Jewish usury, nor let the Jews intervene in international trade and harvest the wealth of German production as middlemen.

In this way, the Jews, who also poured money directly into Germany, financed Hitler in order to ultimately destroy Germany, and much of Europe, through Jewish manufactured war. They had done the same with their agent Napoleon Bonaparte, who considered himself to be the Jews' messiah, who tried to take Palestine for the Jews, who emancipated the Jews, and who was rewarded by the Jews with prison as punishment for promoting good Gentile-Jewish relations, which led to Jewish assimilation--the Jews most hated enemy.

Had the Jews kept America and Germany on a gold leash, there never would have been the investment capital necessary to build the German and American war machines. That required paper money, so the Jewish bankers taught the Germans how to free themselves from the yoke of the Jewish bankers' gold standard, but their intent was not to have the Germans remain forever free and prosperous, but rather to drive the Germans into their graves through their

agent and warmonger Adolf Hitler. The Jews gave Esau a little porridge in exchange for his birthright.

Had the Germans instead poured the new investment capital into education, foreign investment and land improvement projects abroad, which they poured into wartime production and expenses, they could have conquered the World with kindness and in a sustainable way. Alas, the Jews would have attempted to scuttle such attempts and had the Soviets and British attack Germany, but that is the subject of speculation, not history.

We must not fall into the Jewish revolutionary trap. The way to defeat the Jews is not by tearing our country apart and thereby opening the door to a Jewish dictator who promises to "restore order" by ruling with an iron fist, and who will certainly lead us into World War III. No, the way to beat the Jews is to provide Americans with an alternative to the Jews' puppet leaders and the Jews' nihilistic revolutions, to take reasonable and constructive political action, to take control over our money and not to take the Jewish bait of Bolshevik revolution and Jewish gold.

Solzhenitsyn warned against the Jewish revolutionary spirit. He spoke of how stupid the Russians were to destroy themselves in the name of saving themselves.

We can learn a great deal from what the Jews taught the Nazis to build their wartime economy. We can also learn from how the Jews then destroyed Germany. We can eat the fattened swine without swallowing the swill, without falling into the pit of war and revolution.

We are today in a different position from Germany and America in the Second World War. Today, we have stockpiles of nuclear bombs. The Jews' goal is to drive us into a depression so

that we will conclude, with their advice, that the nuclear option is our only option to fight wars. That is one of the reasons why the Jews want us on a gold standard. That is one of the reasons why the Jews are driving us into a depression.

We simply won't be able to afford conventional warfare for much longer, and the Jews will cry out through all their controlled venues of the media, government and controlled opposition that we need war and must fight it with nuclear weapons, because we cannot afford conventional war. They will scape goat the "enemy" they have manufactured through false flag terrorism and other means for our economic crisis, which the Jews themselves have deliberately caused, and in this way pit the Goyim against the Goyim in the rush to the Jewish Battle of Armageddon. In this way, the Jews are deliberately manufacturing the coming nuclear war. Note that the Jews created this mythology of absolute destruction 2,500 years ago and incorporated it into Christianity and Islam. The curse is Jewish through and through.

Beware of those who invoke the memory of the Founding Fathers of America as they attempt to provoke a Jewish revolution which will destroy America. Remember that the Devil can quote Scripture for his own ends (*Matthew* 4:5-6).

Obama Is a Cat-Whipped Wimp

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I watched Obama on *60 Minutes*. Obama's wife pushes him around and is openly disrespectful to him in public. Think of how the Jews are going to push Obama around.

Obama has no understanding of the vital and dire issues which face our nation, let alone insights into how to solve the problems we face. He will have to turn to others for his orders, and he will obey. He is incompetent to be President.

Even if Barack Obama were honest, which he is not, he would still have to turn to others for answers to the questions he will face. He is too ignorant, too weak and too stupid to act on his own as President.

It is becoming increasingly obvious why the media never challenged him and why the Jews set him up to win by running idiots against him both in the Senatorial and Presidential races. Obama would have been shown up for the empty and scripted poseur he is had he ever faced aggressive competition. He is an actor, not a leader. He is a puppet, even in his marriage.

More on Ron Paul's Lies and Jewish Propaganda: The Jewish Bankers' Fallacy of the False Dilemma

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ron Paul often lies. Like most Jewish controlled gold bugs, his arguments are based on falsehoods and "false dilemmas".

Beginning at 4 minutes, 57 seconds, into the following YouTube video, Ron Paul proposes the false dilemma that Americans will be forced to choose between his proposal for a private gold standard currency, or an international currency:

Dr. Paul on the Global Financial Summitt [*sic*]

Paul deliberately seeks to mislead his audience, whom he has provoked into a state of panic, into believing there are no other alternative replacements for our present system than a private gold standard currency, or an international currency, when in fact there are far better alternatives to those two options which he offers.

At other points in his presentation, Paul objects to Nixon's actions in 1971 to remove the international gold backing from our currency. Paul does not state what he would have preferred Nixon have done instead, and ignores the crisis which caused Nixon to take the actions which he did. If Nixon had not taken the action that he did, then the United States of America would have been forced to hand over all of our gold reserves to foreign nations. Evidently Ron Paul would

have preferred it if the US had given over all of its gold to other nations and been left without currency of any kind.

Paul also fails to explain how we could have experienced the growth which we experienced since 1971 without the flexibility to increase the money supply a paper money system offers. Had we been on his gold system, our economy would have stagnated and then dived into a deep and unfathomable depression due to the lack of money for credit and growth. In addition the Jews would have had the means to bury us at any time by merely holding gold and cutting off our money supply and credit.

Paul is forced to admit that the present system, even with its choking and unnecessary yoke of debt, has worked well for us, but argues that its present crash was inevitable without addressing the real reasons why the dollar is presently crashing, which is because of Jewish banking and equities corruption, Jewish war, Jewish usury and the Jewish manufactured trade imbalance. The currency system would not be crashing if it were not for these Jewish manufactured crises. Had the currency system been properly maintained and unhitched from Jewish usury, it would be working fabulously. The paper nature of the currency is not at fault, rather the Jewish corruption is at fault, which fact Paul conceals and never addresses, thereby proving himself to be an agent of the Jews.

Paul lies and confuses the Jewish bankers system of debt based paper money with a true fiat system which would carry no debt. Why doesn't Paul call for the prosecution of the Jewish bankers?

The options Ron Paul leaves off the table are telling. We have the option to identify World Jewry as the cause of our problems. We have the option of prosecuting the Jewish bankers and Jewish corrupters and suing them in civil suit. We have the option of removing debt from the issuance of paper currency and the option of retiring currency when necessary to stabilize prices. But instead of addressing these options, Ron Paul lies and after whipping us into a panic offers us but two options, both of which favor his Jewish banker friends.

From whence cometh Ron Paul's Jewish lies and Jewish philosophies? From the Jewess Ayn Rand who was an agent of "The Trust", the controlled Jewish opposition to Communism, and from Ludwig Von Mises and Richard Coudenhove-Kalergi, who worked for Rothschild and Warburg and instigated the idea of a European Union, the dilution and ultimate destruction of the Caucasian race, and the promotion of the Jewish race as if the natural masters of the sub-human Goyim. Those are Ron Paul's Jewish roots and he feeds off of them like the poison fruit that he is.

Another example of the same gold bug false dilemma appears in G. Edward Griffin's film *The Capitalist Conspiracy: An Inside View of International Banking*, starting at 40 minutes, 40 seconds in, where Griffin falsely claims we must choose between a bimetallic currency or a World currency. Like Paul, he confuses a debt-based paper money system with a purely fiat money system, in that Griffin misidentifies the "root of the evil" of our present currency as the notion that our money is created out of nothing, which is, in fact, the strength of the fiat system and the means by which we can grow our economy and eliminate taxes. It is telling that the gold bugs falsely claim that the greatest benefit of a fiat currency is its worst shortcoming.

The true problems with our present system are fractional reserve banking, usury, the debt basis of the currency, and the overproduction of currency to fund the unnecessary debt and the unnecessary Jewish wars, all of which problems are easily solved. Griffin poses the false premise that the same people will control the system if we transfer the powers of the Federal Reserve System to the Federal Government. Obviously, the solution to that problem is to prosecute and sue the Jewish bankers. Those who fail to offer up this obvious solution are suspect.

Griffin does not want us to identify Jewry as the problem they are. He does not want us to recognize that Jewry and Judaism are the source of "the conspiracy" and that in order to solve the problem we must identify the Jews as the problem. Griffin demonstrates that he is an apologist for World Jewry, when at 38 minutes, 15 seconds into his film, Griffin quotes Winston Churchill without mentioning the fact that Churchill was referring directly to "International Jews" as the source of "this world-wide conspiracy". Griffin avoids any mention of the fact that Churchill's words were directed at the danger Jews posed to humanity. Churchill's article from which Griffin surgically removed the word "Jew" when selectively quoting it, appears in full in my book *The Manufacture and Sale of Saint Einstein* in chapter 7, at pages 1584-1588.

The fallacies and falsehoods in Paul's and Griffin's statements are so numerous as to make it a highly laborious task to address them all. I hope that those I have here addressed will suffice to defeat the gold bugs' sophistry.

By misdirecting us to but two options which favor the Jewish bankers, the gold bugs prevent us from identifying the real problems and their source, and from proposing the proper solutions. Such is the nature of controlled opposition.

How to Spot Agents of Jewry

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The mallato *Mischling* who claims to be an admirer of Adolf Hitler has taken to advocating the Gold Standard. He is now featured on a tabloid style website, which also promotes gold. This man is associated with habitual smear mongers who promote ridiculous hoaxes which any reasonable person would dismiss as nonsense on their face. Adolf Hitler, himself, as well as his hero Gottfried Feder, warned against the Jews' Gold Standard and spoke of the benefits of fiat currency.

The other members of this crew, who plagiarize my criticisms of their fellows in order to carry on their staged perpetual infighting, are also beginning to deride fiat currency as if it were to blame for the present crisis. In fact, the fiat currency, even with the Jewish usury and

overproduction unnecessarily attached to it, has been remarkably resilient and the Jews have had to take extraordinary measures to destroy it.

The Jews and their undue and deliberately destructive influence are the problem, not fiat currency, but you won't learn that from the *agents provocateur* who would have you believe they are battling against the Jewish bankers. You will also note how frequently some members of this crew apologize for the bankers, in particular for the Rothschilds, and try to deflect our attention away from the Jewish bankers who put Obama in office.

There is an old book available for free on the internet which was published in 1887, which describes the virtues of Greenbacks and the dangers of the Gold Standard. Before buying into the Jews' controlled opposition who advocate the Gold Standard, please read this book:

Sarah E. V. Emery, *Seven Financial Conspiracies Which Have Enslaved the American People*

The menu on the left side of the webpage contains links to the various chapters of the book as well as other important historic documents.

And always remember that one sure way to spot a controlled opposition agent working for the Jewish bankers is to note when someone criticizes the Jews, then tells you to buy gold and silver and/or advocates the Gold Standard. Of course those who refuse to criticize the Jews and who tell you to buy gold and silver and/or advocate the Gold Standard are also on the Jews' team. Note how these creatures of the night pretend to fight with one another but agree on their love of the Jews' gold and silver. It is like the leaders of the Republican and Democratic Parties who always agree on their love for our enemy, the Jewish State of Israel.

The Judaization of American Politics and Universities, the Jewish Controlled Opposition to Jewish Communism, and the Jewish Use of Black Traitors

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewess Alisa Zinov'yevna Rosenbaum, a. k. a. Ayn Rand, is perhaps the World's most famous member of the Jewish controlled opposition to Jewish Communism know as "The Trust". She taught the gullible Goyim to become disunited, disloyal, and psychopathically selfish, in the name of "fighting Communism." Of course, the Jewish Communists have a much easier time wrecking a nation of self indulgent, uncooperative and disorganized Goyim, than one in which each citizen bands together with each other citizen for the common good.

But Rosenbaum was by no means the only Jew who came to America to corrupt our society and use it for Zionist/Communist causes. In fact, the influx of Eastern European Jews into America from the early 1880's onwards infused a general Judaization into American life. The Jews began to overwhelm the universities and implemented their tribal loyalties to one another in the

awarding of scholarships and appointments in the universities. Harvard openly objected to the infection.

Today, the Christian universities Harvard University and University of Chicago are in fact Jewish universities which train Jews and Shabbas Goys to take over positions of power in America and to ensure that America will always and only take into account "what is good for the Jews". The Jews did not exhibit greater talent or creativity than non-Jews, rather, the Jews took over through corruption and tribalism, and to a large degree destroyed the university system and replaced scholarly thought and discourse with Jewish dogmatism, Jewish mysticism, Zionism, Communism, Freudianism, Einsteinianism, homosexuality, etc. The supposedly "Jewish" innovations in academia are frequently the product of degeneration, plagiarism from Gentiles, or both.

The crypto-Jewess Madeleine "Albright's" father Josef Korbel was another totalitarian Jew who came to America and promoted Jewish Communism and Jewish Zionism in the name of combating Communism. Korbel's students spread war on behalf of Israel in the name of spreading "Democracy", a tactic employed by the Zionist puppet Presidents Woodrow Wilson and FDR long ago.

The foreign Jew Josef Korbel taught his daughter, who became Secretary of State, to corrupt America to favor the interests of Israel, not America. He also taught her to be a genocidal and psychopathic mass murderer who endorsed the genocidal Jewish attack on the Iraqis, in particular the Jewish mass murder of Iraqi children. Josef Korbel also taught the Judaized black traitor Condoleezza Rice, who has likewise endorsed the mass murder of Iraqis for the benefit of

the Jews.

NPR reports:

"Josef Korbel may be one of the most influential Americans you've never heard of. He died in 1977, but his legacy lives on in his two most famous students: his daughter, Madeleine Albright, and his star pupil at the University of Denver, Condoleezza Rice."--Guy Raz, "For Albright and Rice, Josef Korbel Is Tie that Binds", *www.npr.org*, (28 June 2006), http://www.npr.org/templates/story/story.php?storyId=5516648

Colin Powell is another Judaized totalitarian, who has put Israel's interests above those of America. Colin Powell--like the Zionist Jew, and former Democrat who endorsed Republican John McCain, Joe Lieberman--left the Republican Party to endorse Barack Obama. Like Obama, Powell was close to the Jewish community and even spoke some Yiddish.

Powell served Jewry well as the Shabbas Goy who twice led Americans into an unprovoked illegal aggressive attack on Iraq. He also served the Jews very well, when he endorsed the Jews' puppet Barack Obama.

Obama's grooming in the Jewish community and the Jewish figures who catapulted Obama into the White House are described in the following article:

Pauline Dubkin Yearwood, *OBAMA AND THE JEWS: A look at why some Jews love him and some don't trust him; and at the key role Chicago Jews played in getting him to where he is,*

http://www.chicagojewishnews.com/story.htm?sid=212226&id=252218, (10/24/2008)

Another Jew who came to America to corrupt America and promote Communism and Zionism in the name of combating Communism, was Leo Strauss. Strauss' philosophy is seen by some as the guiding force behind the Jewish attack on Iraq.

NPR reports:

"[. . .]Leo Strauss, a political philosopher who happened to educate -- among others -- president of the World Bank and former Bush official Paul Wolfowitz, writer Robert Kagan, academic Allan Bloom and journalist William Kristol."--Guy Raz, "A Tale of Two Korbels", *www.npr.org*, (28 June 2006), http://www.npr.org/templates/story/story.php?storyId=5516648

and,

"By some accounts, the U.S. road to Iraq can be traced back to Leo Strauss, a refugee of Nazi Germany who taught political philosophy at the University of Chicago in the 1950s and '60s."--"Talk of the Nation", *www.npr.org*, (25 October 2004), http://www.npr.org/templates/story/story.php?storyId=4125689

It well be good to bear these facts in mind as the crypto-Jews in the Jewish controlled "alternative media" attempt to confuse you by claiming that the British and Brzezinski are to blame for the coming Jewish war on the human race. These crypto-Jews are cut from the same prayer shawl cloth as the crypto-Jews who attempt to scapegoat Catholics for Jewish crimes

against the human race.

Barack Obama Is Already Abusing His Office to Gather Intelligence Information for the Mossad

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

On the pretext that he is "vetting" candidates, Barack Obama is demanding that those being considered for cabinet posts submit all kinds of information, personal and professional, to Obama for his consideration so that he can decide whether or not they pose the risk of embarrassing him. Obama himself underwent no such scrutiny from the Jewish controlled media when running for office. His Jewish advisors pretend that there should be no potential for accusations of foreign influence as an additional pretext to support Obama's criminal practice, yet the Jews do not object to Obama's having named the disloyal Zionist Jew and former Israeli soldier Rahm Emanuel as his Chief of Staff together with a rat's nest of Jewish financiers whose conflicts of interest are obvious.

Obama is using the Freemasonic model for gathering intelligence for his Jewish handlers. Just

as in Freemasonry, candidates must submit all of their secrets to join the club. This not only provides intelligence on the candidate, but also on many other persons with whom the candidate has had dealings, as well as business plans, contacts, interconnections, etc. In addition, this sets a dangerous precedent for the destruction of the 4th Amendment and the loss of privacy.

Our President-Elect is already spying on us for Israel.

And what kind of a litmus test are the Jews who scrutinize these candidates going to apply in the filtering process? Will anyone who has good will towards the Palestinians make it through? What about those who have authentically opposed aggressive war for Israel? Will Obama's Jews continue Bush's Jews' policy of weeding out patriotic Americans from the Judiciary, the Military and the rest of the Government? You can bet that they will. After all, Obama wouldn't want to be embarrassed in front of his Jewish masters and allow anyone into the American Government who put America's best interests first.

The Jews Are Openly Stealing from Our Old and Stealing from Our Young and Yet We Do Nothing to Oppose Them

Christopher Jon Bjerknes

Have we Americans completely lost our *Volksprinzip*? Do we so neglect to raise our children with a love of our country and our fellow citizens that we allow the Jews to openly steal trillions of dollars from us and fail to take to Wall Street with a single sign of protest?

Is it alright by us that Jewish bankers corrupt our Government to hand over to them trillions of our dollars, which theft bankrupts our babies, while the same Jews are shorting equities in ways that steal the pensions from our elderly while concurrently killing the value of their homes, thus leaving the old without any means of support and cutting the throats of their grandchildren before their weak and fading eyes?

Have we so lost our sense of ourselves as a common People that we lounge around grazing on potato chips as the Jews rip apart our nation, spit on our heritage and gut our future? Have we so neglected to raise our children with a love of country and fellow citizen that there is not one to be found among us who will run for President in opposition to Israel's puppets?

Where are our millionaires and billionaires who could easily finance opposition to the Jewish criminals who are hanging our children and our elderly from the flagpoles of our forefathers? How can they be so cowardly and hateful of all that gave them all that they are, that they stand idly by as drooling Jews rape our nation? Why do the rich send our children to soldier, murder and die for the Jews, but are themselves too cowardly to even finance an ounce of opposition, let alone stand up for themselves to stand up for our nation and our People? What has become of

us?

A Pack of Lies from a Sack of . . . .

Beware the crypto-Jews in the alternative media who are attempting to scapegoat Zbigniew Brzezinski for the Jewish Bolshevization of the White House and of America. Jews stand high above Brzezinski and if he were ever to contradict their wishes, he would disappear from the public arena. Our Government has been taken over by an Israeli fifth column. They are pursuing a thoroughly Jewish agenda carried out by a cluttered field of Jews and Jewish puppets. The Jewish nature of this attack on the human race is as plain as the nose on Sarkozy's face.

The Freemasons Are About to Make Their Move

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish controlled Freemasons, who mass murdered millions of Armenian Christians, who put Lenin and Trotsky into power to mass murder tens of millions of Slavic Christians, the Freemasons are about to make their move. Freemasons exist to recruit and Judaize members who will destroy governments, ruin religions and mass murder Goyim, especially smart and courageous Goyim so as to weaken competing races and leave the Jews as if "natural leaders".

For example, when the Jews pitted the Russian People against the Russian Government, they blamed the Russian Government for the actions of the Jews to destroy Russia, and then provoked the Russians to destroy themselves and mass murder their leaders and intelligentsia. The Jews next filled nearly all positions of power with Jews and foreigners. The Jews had the chutzpah to next claim that there were not enough educated Russians to fill these positions, after they had mass murdered tens of millions of educated Slavs, specifically targeting the educated and courageous whom they had labeled as "Bourgeoisie" as if it were a crime to be successful in life. The Jews never punished their own for this offense of accumulating wealth.

No, the Jews just mass murdered and plundered their Goyish competition in the name of rescuing them from tyranny. Christian churches burned while Jewish synagogues remained glistening gathering places for Jews to plot more mass murder.

The Freemasons are already whispering with their Jewish colleagues in the media and on the streets that we need a revolution. Whenever anyone proposes reasonable solutions to the

problems we face, the Freemasons and Jews pretending to be Joe Everyman speak up to change the subject, ridicule hope and constructive ideas, and promote nihilism and Jewish revolution. They promise you freedom. They will deliver slavery, death, terror, war and starvation.

Of course, the Freemasons are nothing to the Jews but stupid slaves, house negroes, if you will, who coax the other Goys into the slaughterhouse. The stupid Freemasons never seem to learn from history that as they lead the sheep through the gates, a Jew waits inside to put a bullet into the back of the Freemason's head. The Freemasons are the first murdered after they kill the Goy nation, not that that accomplishes much of anything in the way of justice. For that too simply elevates the Jews above all others as the Jewish God commanded in *Deuteronomy* 7:6.

The Freemasons are about to provoke revolutions around the globe, with a concentrated effort in the Middle East, America and Russia. The Jewish bankers are preparing to "Black Wednesday" the Russians, the way George Soros "Black Wednesday'd" the British. A ruined Rubble will cast disturbing ripples across Eastern Europe and the World, skipping as it eventually sinks.

Mark Anderson Interviews Yves Jaques on 25 November 2008

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Mark Anderson interviewed Yves Jaques and they discussed a financial system called "Social Credit" which would eliminate taxes and offer investment capital to finance production without generating inflation. The system would also eliminate usury from the production of currency.

Social Credit is a viable alternative to both the Jewish controlled Federal Reserve System and the Jewish controlled Ron Paul Revolution. There are perhaps a few bugs in the system which can be easily worked out and which are by no means fatal to the system.

The problems we face today are not due to the paper nature of our currency, but rather to the Jewish nature of our government, press, Federal Reserve, Treasury, and loan capital system. The problem is not that the money is fiat, but rather that the Jews charge interest on its creation, basing it on debt, and that the Jews are openly robbing the taxpayer blind by stealing taxpayer money and charging interest on the debt to create the money, as well as the open theft of the principal of the money. In addition, these rich Jews do not pay a fair portion of the taxes collected to finance the debts they unnecessarily create.

We can have a fiat currency that works quite well if we do not allow the Jews to impose their ancient usury system on its production, if we do not allow the Jews to force us into war, and if we do not allow the Jews to steal trillions of dollars of taxpayer money. The Jews are the problem, not fiat currency.

Lou Dobbs of CNN and his babbling brood of talking heads attribute the theft to "incompetence" while misleading us as to the nature of the problem. This is grossly unfair to the Jews who are

stealing our money. They are quite competent cheats and usurers, just as Jews have always been. Judaism instructs the Jews to lie and steal and they are master thieves and always have been master thieves.

Jewish Bolshevik Totalitarianism in the Name of "Unity"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

On 6 November 2008, I advised people to "Label Obama as a Liar, a Dictator and a Puppet of Israel":

"As the Jews attempt to build a cult of personality around Barack Obama, it

is important that from the start we counter their propaganda campaign and tag Obama as the liar, dictator and puppet of Israel that he is.

Obama is a Bolshevik henchman for World Jewry. He will steal away our liberty and destroy our society.

The media refuses to criticize Obama, let alone point out the fact that Barack Obama is a pathological liar and a traitorous puppet tyrant working for the Israelis. However strange it will appear to some at first, given that the Jewish media is trying to make a saint out of Obama, it will become increasingly clear in the near future that Obama is the enemy of the American People, hates us, and will eagerly ruin us. He will quickly show himself to be a tyrant and a warmongering agent of the enemy, Israel.

We must also create distrust of the coming Congress, which will seek to cripple us on behalf of Israel. It is very important that we control the perceptions of the American People, as World Jewry attempts to sell us their deceiful and hateful agents as if our saviors."

Though it perhaps appeared odd on 6 November 2008 for me to write such things about the new feted figure, Barack Obama, it is today clear to all that I was right.

Almost one year ago, on 8 January 2008, I warned that Obama would create a totalitarian Government in the United States of America, and that the one party Government would be a fifth column of Israel, in my article Beating Barack:

"Barack Obama became a Senator under very suspicious circumstances. One could argue that the Democrat and Republican Parties worked together against the interests of their members to place Obama in power, and that he would not have won without this corrupt support. He speaks of "unity" of the two parties, which is his vision of "change".

We can use this as a point of attack by pointing out that Obama, Bloomberg, Lieberman and others are moving us towards totalitarianism. We can show many examples of such "change", the Nazis, the Communists, etc.

Obama is also the darling of the media, including Oprah, an obscenely wealthy woman, and Larry King, a Zionist Jew. This is dangerous to democracy, as the media and State become one.

Obama is a Democrat and the Democrats won many elections on a supposedly anti-war platform, but have not ended the war nor aggressively sought to prosecute the war criminals. If Obama is against war, why is he ignoring the war criminals and the war profiteers? Why is Obama preparing for war against Iran? Why is he sucking up to the Israelis, when it is the Israelis who brought us to attack Iraq and Afghanistan? Surely, we can paint Obama as the dangerous hypocrite that he is.

All the audio-visual material needed to ruin Barack Obama's campaign is readily available. We can show him, and the other One Party / Two Party candidates, offering themselves up to World Jewry and Israel. A true anti-

Zionist could raise these issues, which no other candidate will raise. Obama is weak, very weak, as a candidate, but those who lick Israeli spittle will not raise the issues that will defeat Obama. The same is true of John McMadman McCain.

America needs several viable political parties, not the smily faced totalitarianism which the Zionists are creating."

My prediction that Obama would institute totalitarianism in America was correct. Obama has embraced the totalitarian Zionist traitor Joe Lieberman, and Lieberman has given the Kosher stamp to Obama's cabinet picks:

Lieberman: Obama 'about perfect' in Cabinet picks

Obama's totalitarian tendencies are becoming so obvious, that they have generated a controversy involving John Brennan and Robert Gates.

The Amazing Links Between Barack Obama and Goldman Sachs

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Political commentators ranging from David Duke to Lou Dobbs have noted the connections of such men as Henry Paulson, Neel Kashkari, Warren Buffet, Robert Rubin, and others to Goldman Sachs, Barack Obama and the banker bailouts. I find that the connections go further back between Obama and Goldman Sachs than the Presidential race and banker bailouts, which theft Obama supported.

For quite some time, I have been writing about the truly bizarre Illinois race to fill Fitzgerald's

US Senate seat, which after many twists and turns ultimately resulted in Barack Obama's Senatorial victory. I predicted that Obama had skeletons in his closet and pointed out that there was much to be learned from the Senate race which catapulted Barack Obama to fame and made him the darling of media Jews like Larry King long before he announced that he would run for President, in among others, the following blogs:

Barack Obama's Amazing Good Luck: October 23, 2006

Democrats Debate: April 27, 2007

In Politics, Name Recognition Is Darn Near Everything: June 01, 2007

Barack Obama: By Definition an Israel-Firster: June 02, 2007

Call for a Live Debate: Barack Obama Versus John J. Mearsheimer and Stephen M. Walt: September 12, 2007

Beating Barack: January 08, 2008

As I noted long ago, the Republicans and Democrats appeared to make a concerted and coordinated effort to put Obama into office. I will now elaborate on the many ties between Obama and Goldman Sachs, his amazing victories against all odds, his financing, the collapse of his rivals' campaigns, etc.

Obama first ran in the Democratic primary of the US Senate seat vacated by Peter Fitzgerald, the son of a wealthy banker, who inexplicably decided not to run for reelection, perhaps to make

way for Obama. The front runner in the Democratic primary race was the fabulously wealthy Blair Hull. Hull had a substantial lead over Obama in the polls.

Blair Hull sold his interest in The Hull Group to Goldman, Sachs & Co. in 1999. Hull's campaign fell apart when the press learned that there might be issues involving his former wife in their divorce proceedings which would embarrass Hull. *The New York Times* reports that,

"Axelrod is known for operating in this gray area, part idealist, part hired muscle. It is difficult to discuss Axelrod in certain circles in Chicago without the matter of the Blair Hull divorce papers coming up. As the 2004 Senate primary neared, it was clear that it was a contest between two people: the millionaire liberal, Hull, who was leading in the polls, and Obama, who had built an impressive grass-roots campaign. About a month before the vote, The Chicago Tribune revealed, near the bottom of a long profile of Hull, that during a divorce proceeding, Hull's second wife filed for an order of protection. In the following few days, the matter erupted into a full-fledged scandal that ended up destroying the Hull campaign and handing Obama an easy primary victory. The Tribune reporter who wrote the original piece later acknowledged in print that the Obama camp had 'worked aggressively behind the scenes' to push the story. But there are those in Chicago who believe that Axelrod had an even more significant role — that he leaked the initial story. They note that before signing on with Obama, Axelrod interviewed with Hull. They also point out that Obama's TV ad campaign

started at almost the same time. Axelrod swears up and down that 'we had nothing to do with it' and that the campaign's television ad schedule was long planned. 'An aura grows up around you, and people assume everything emanates from you,' he told Me."--Ben Wallace-Wells, "Obama's Narrator", *The New York Times Magazine*, (1 April 2007), http://www.nytimes.com/2007/04/01/magazine/01axelrod.t.html?pagewanted=4&_r=1&ei=5070&en=765f1fc42884f6d3&ex=1177905600.

David Axelrod is a Zionist Jew. He helped Obama defeat Hillary Clinton, who is now being talked about as Obama's likely pick for Secretary of State. Bill Richardson has been appointed as Obama's Commerce Secretary. It is interesting that both ran against Obama in the Presidential Primary and in effect helped Obama beat John Edwards, and are now going to be in Obama's cabinet. I believe the Jews did not want Hillary to win, because she would make an unpopular and divisive President, and that they wanted a popular President in order to win support for more Jewish wars.

So we find that Obama's competition for the Democratic primary in the Senate race, Blair Hull was taken out of the race by a scandal appearing on the pages of *The Chicago Tribune*. Blair Hull sold his interest in his company to Goldman Sachs. The scandal involved divorce proceedings. Make note of these facts, because almost exactly the same thing happened with Obama's next competitor, Jack Ryan.

Jack Ryan won the Republican primary for US Senate in Illinois. *The Chicago Tribune* pushed to gain access to his divorce proceedings, which allegedly contained scandalous information that

would ruin Ryan's campaign. Jack Ryan was at one time a partner at Goldman Sachs. He dropped out of the race. Note the parallels between Ryan's rise and demise and the rise and demise of Blair Hull in the Senate race.

When Ryan dropped out of the race, the Republican Party abandoned all of the Illinois candidates for Senate, there were quite a few who petitioned to replace Ryan, and instead flew in the known loser and flake Alan Keyes, an old friend of the Zionist Jew William Kristol, to take Ryan's place as the Republican opposition to Obama. Keyes missed few opportunities to make an ass of himself, and Obama won handily.

In the Presidential primaries, John Edwards lost in a crowded field. Having a crowed field made the black block vote a decisive factor for Obama's win. The press jumped on Edwards and Clinton, but never laid a hand on Obama. They ensured Obama victory, as did the cluttered field. Those who helped Obama defeat Edwards are now receiving cabinet posts.

In the Republican Presidential Primary, the press and Mike Huckabee took out Mitt Romney, the candidate most likely to defeat Obama, and greased the way for John McCain, an old and deranged fool. Huckabee, like William Kristol, now appears on FOX News. William Kristol set up Sarah Palin to run with McCain as his Vice Presidential running mate. Like Kristol's old friend Alan Keyes, Palin promptly and perpetually made an ass of herself, ensuring Obama the victory.

I have only just scratched the surface of the interconnections and parallels between races. For example, Zionist Jew George Soros funded Obama's Senatorial campaign.

Obama's otherwise impossible rise to the Oval Office can only be understood by examining his Senatorial race and his connections to Jewry, in particular to the Jewish financiers who recently richly rewarded themselves at taxpayer expense with Obama's help. Obama is a lying, deceitful puppet of the Jews. He is not qualified to be President, and does not know what to do as President other than what his Jewish advisors tell him to do. He is an actor who pretends to be authoritative and confident, but it is just an act and a script. Alone, he is nothing. In the public realm, he is an actor placed on the stage to read off the Jewish script for our ruin.

The question naturally arises, why did the Jews invest so heavily in Obama and go to such tortuous lengths to get him elected President? I believe it is because they know that he is a psychopath who will push the button on command and start a nuclear Third World War.

The Universal Enslavement of the Non-Jew, Part 2: Jewish Supremacism in the Torah Proper

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Long before the Talmud and Cabalah polluted the World, the Jews had already laid out their plan for World domination. In their very most ancient work, the Pentateuch which begins the Old Testament, the Jews chose themselves to be usurers to, and slave masters over, the entire rest of humanity. The Jewish hate literature known to the Goyim as *Deuteronomy* states in chapter 7, verse 6, that the Jews are superior to non-Jews in the eyes of the evil racist Jewish God:

"For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth."

The hatred, racism and supremacism continue in *Deuteronomy*, where the Jew tells himself not be a usurer to other Jews, but instead to suck the blood of the Goyim, at chapter 15, verse 6, and note that the Jews were self-described Shylocks many centuries before the Medieval period and that their intent has been from the beginning to use usury to conquer the Earth and enslave humanity:

"For the LORD thy God blesseth thee, as he promised thee: and thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shall not reign over thee."

and, *Deuteronomy*, chapter 23, verse 20:

"Unto a stranger thou mayest lend upon usury; but unto thy brother thou shalt not lend upon usury: that the LORD thy God may bless thee in all that thou settest thine hand to in the land whither thou goest to possess it."

Not content to merely steal the wealth of the rest of mankind through usury, the Jews are determined to bury every Goy, as is clear from *Deuteronomy*, chapter 28, verses 1-13:

"1 And it shall come to pass, if thou shalt hearken diligently unto the voice of the LORD thy God, to observe and to do all his commandments which I command thee this day, that the LORD thy God will set thee on high above all nations of the earth:

2 And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the LORD thy God.

3 Blessed shalt thou be in the city, and blessed shalt thou be in the field.

4 Blessed shall be the fruit of thy body, and the fruit of thy ground, and the fruit of thy cattle, the increase of thy kine, and the flocks of thy sheep.

5 Blessed shall be thy basket and thy store.

6 Blessed shalt thou be when thou comest in, and blessed shalt thou be when thou goest out.

7 The LORD shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways.

8 The LORD shall command the blessing upon thee in thy storehouses, and in all that thou settest thine hand unto; and he shall bless thee in the land which the LORD thy God giveth thee.

9 The LORD shall establish thee an holy people unto himself, as he hath sworn unto thee, if thou shalt keep the commandments of the LORD thy God, and walk in his ways.

10 And all people of the earth shall see that thou art called by the name of the LORD; and they shall be afraid of thee.

11 And the LORD shall make thee plenteous in goods, in the fruit of thy body, and in the fruit of thy cattle, and in the fruit of thy ground, in the land which the LORD sware unto thy fathers to give thee.

12 The LORD shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow.

13 And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God, which I command thee this day, to observe and to do them:"

From the very first book of Old Testament Jewish hate literature, *Genesis*, chapter 47, verses 1-31, we find the Jewish method of contracting the money supply to destroy an economy and enslave the Goyim, which reappeared in *The Protocols of the Learned Elders of Zion* some 2,400 years later:

"1 Then Joseph came and told Pharaoh, and said, My father and my brethren, and their flocks, and their herds, and all that they have, are come out of the land of Canaan; and, behold, they are in the land of Goshen.

2 And he took some of his brethren, even five men, and presented them unto Pharaoh.

3 And Pharaoh said unto his brethren, What is your occupation? And they

said unto Pharaoh, Thy servants are shepherds, both we, and also our fathers.

4 They said moreover unto Pharaoh, For to sojourn in the land are we come; for thy servants have no pasture for their flocks; for the famine is sore in the land of Canaan: now therefore, we pray thee, let thy servants dwell in the land of Goshen.

5 And Pharaoh spake unto Joseph, saying, Thy father and thy brethren are come unto thee:

6 The land of Egypt is before thee; in the best of the land make thy father and brethren to dwell; in the land of Goshen let them dwell: and if thou knowest any men of activity among them, then make them rulers over my cattle.

7 And Joseph brought in Jacob his father, and set him before Pharaoh: and Jacob blessed Pharaoh.

8 And Pharaoh said unto Jacob, How old art thou?

9 And Jacob said unto Pharaoh, The days of the years of my pilgrimage are an hundred and thirty years: few and evil have the days of the years of my life been, and have not attained unto the days of the years of the life of my fathers in the days of their pilgrimage.

10 And Jacob blessed Pharaoh, and went out from before Pharaoh.

11 And Joseph placed his father and his brethren, and gave them a possession in the land of Egypt, in the best of the land, in the land of Rameses, as Pharaoh had commanded.

12 And Joseph nourished his father, and his brethren, and all his father's household, with bread, according to their families.

13 And there was no bread in all the land; for the famine was very sore, so that the land of Egypt and all the land of Canaan fainted by reason of the famine.

14 And Joseph gathered up all the money that was found in the land of Egypt, and in the land of Canaan, for the corn which they bought: and Joseph brought the money into Pharaoh's house.

15 And when money failed in the land of Egypt, and in the land of Canaan, all the Egyptians came unto Joseph, and said, Give us bread: for why should we die in thy presence? for the money faileth.

16 And Joseph said, Give your cattle; and I will give you for your cattle, if money fail.

17 And they brought their cattle unto Joseph: and Joseph gave them bread in exchange for horses, and for the flocks, and for the cattle of the herds, and for the asses: and he fed them with bread for all their cattle for that year.

18 When that year was ended, they came unto him the second year, and said

unto him, We will not hide it from my lord, how that our money is spent; my lord also hath our herds of cattle; there is not ought left in the sight of my lord, but our bodies, and our lands:

19 Wherefore shall we die before thine eyes, both we and our land? buy us and our land for bread, and we and our land will be servants unto Pharaoh: and give us seed, that we may live, and not die, that the land be not desolate.

20 And Joseph bought all the land of Egypt for Pharaoh; for the Egyptians sold every man his field, because the famine prevailed over them: so the land became Pharaoh's.

21 And as for the people, he removed them to cities from one end of the borders of Egypt even to the other end thereof.

22 Only the land of the priests bought he not; for the priests had a portion assigned them of Pharaoh, and did eat their portion which Pharaoh gave them: wherefore they sold not their lands.

23 Then Joseph said unto the people, Behold, I have bought you this day and your land for Pharaoh: lo, here is seed for you, and ye shall sow the land.

24 And it shall come to pass in the increase, that ye shall give the fifth part unto Pharaoh, and four parts shall be your own, for seed of the field, and for your food, and for them of your households, and for food for your little ones.

25 And they said, Thou hast saved our lives: let us find grace in the sight of

my lord, and we will be Pharaoh's servants.

26 And Joseph made it a law over the land of Egypt unto this day, that Pharaoh should have the fifth part; except the land of the priests only, which became not Pharaoh's.

27 And Israel dwelt in the land of Egypt, in the country of Goshen; and they had possessions therein, and grew, and multiplied exceedingly.

28 And Jacob lived in the land of Egypt seventeen years: so the whole age of Jacob was an hundred forty and seven years.

29 And the time drew nigh that Israel must die: and he called his son Joseph, and said unto him, If now I have found grace in thy sight, put, I pray thee, thy hand under my thigh, and deal kindly and truly with me; bury me not, I pray thee, in Egypt:

30 But I will lie with my fathers, and thou shalt carry me out of Egypt, and bury me in their buryingplace. And he said, I will do as thou hast said.

31 And he said, Swear unto me. And he sware unto him. And Israel bowed himself upon the bed's head."

So the next time some stuttering gold peddling crypto-Jew in the "alternative media" lies to you, while struggling unsuccessfully to speak in complete sentences, and claims with the Chutzpah that only a Jew can manage, that the Torah is vastly different from the Talmud, Cabalah and *The Protocols of the Learned Elders of Zion*, quote him a few words from his Old Testament hate

literature and ask him to explain the difference.

The Universal Enslavement of the Non-Jew: The Ancient Jewish Plan for World Domination Found in the Old Testament

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Mossad has set up a network of agents and Sayanim in Canada and America who dominate the "alternative media" as talk show hosts, talk show callers, correspondents, message board pests, and controlled opposition anti-Zionists. The mission of these phonies is to turn our attention away from the existential threat the Jewish People pose to humanity, and to buy the Jews enough time to destroy us.

These Jews deny that World Jewry has for 2,500 years planned to take over the World and then use this power to destroy and then exterminate the Goyim. The Jews and crypto-Jews scapegoat Catholics, Muslims, Secret Societies, the Americans, the Russians, the Iranians, Chabad Lubavitchers, Zoharites, Talmudists, Cabalists, etc. *ad nauseam*, but never state the plain truth that the Jewish People as a whole have always been a parasitic and poisonous plague on

humanity and that they are hell-bent on exterminating the human race.

These Jews and crypto-Jews constantly attempt to paint the Jews, themselves, as if victims of what has always been, and what continues to be, the crimes of the totality of the Jewish People against the human race resulting directly from their collective Jewish religion, their collective Jewish politics, their collective Jewish spirit of segregationism, racism, hatred and supremacism for their entire Jewish history. These Jews and crypto-Jews attempt to divert our attention away from the fact that the Jewish People as a whole, and as an ancient plague, have mass murdered hundreds of millions of non-Jews, destroyed countless civilizations, stolen the wealth of hundreds of nations, and brought war, famine, devastating revolution and genocide to every corner of the Earth, and that the Jews have always pursued these very same goals as the Jews themselves attest in their Old Testament.

These Jews and crypto-Jews constantly attempt to fault the terrible Talmud and cruddy Cabalah for the very same attitudes iterated in the Old Testament, which they hold holy and good, and in so doing attempt to excuse the Jewish People, who in fact collectively worship their genocidal Jewish God through the lens of the Talmud, the Cabalah and the Old Testament. These lying Jews create artificial and false distinictions between Jewish sects, each of which revere the whole of Jewish religious thought including Talmud and Cabalah.

The "Zoharites" and "Talmudists" are not the only Jews to view the Cabalah and Talmud as holy books. All major Jewish sects view these books as holy. The "true Torah" Jews not only hold the Talmud and Cabalah to be holy books, they include the Talmud as a part of the Torah, the most important part of the Torah. These Jews who are held up as if good and friendly Jews believe

that the Talmud is the most important and revered part of the Torah, despite the lies our Jewish and crypto-Jewish friends tell us about their fellow Jews.

Beyond this childish and ridiculous Cabal of lying Jews, the main stream media ridicule the view that the *Protocols of the Learned Elders of Zion* could in any way reflect the intentions and actions of the Jewish People, but there is little to be found in that document by way of a plan for World domination, which was not first iterated some 2,500 years ago in the Jewish Old Testament. The lying Jews claim that the accusation that Jews are engaged in a struggle for World domination and World government is an "anti-Semitic canard", but this plan is plainly stated throughout the ancient Jewish Old Testament.

Let me here begin demonstrating this fact, already known to most Jews despite their public lies, by quoting the words of the Jews' most revered mythical King, the murderous and treacherous snake of a man, King David, who conspired to murder a man named Uriah, who was loyally battling for David, so that David could then steal Uriah's widowed wife from his butchered corpse (II *Samuel* 11). The perverse Jewish mentality reveals itself in the fact that the Jews' favorite king was a murderous and treacherous snake. Note that *most* Jews venerate the snake, King David, just as most Jews suffer from the perverse Jewish mentality which allows them to celebrate genocide every year on the Jews' favorite holiday, the Jewish festival of Purim, at which festival the Jews engage in pretend cannibalism by eating "Haman's ears".

We find that the Jewish book revered by almost all Jews, the Songs of David, *Psalms* 2, states:

"Why do the heathen rage, and the people imagine a vain thing?

2 The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying,

3 Let us break their bands asunder, and cast away their cords from us.

4 He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

5 Then shall he speak unto them in his wrath, and vex them in his sore displeasure.

6 Yet have I set my king upon my holy hill of Zion.

7 I will declare the decree: the LORD hath said unto me, Thou art my Son; this day have I begotten thee.

8 Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession.

9 Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel.

10 Be wise now therefore, O ye kings: be instructed, ye judges of the earth.

11 Serve the LORD with fear, and rejoice with trembling.

12 Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in him."

For 2,500, the Jewish People, not just the Zoharites and the Talmudists, but the collective whole of the Jewish People have anxiously awaited the arrival of this genocidal Jewish king who will exterminate the Goyim. This plan predates the Zohar by at least 1,700 years and predates the Talmud by at least 700 years.

Continuing the snake King's song, *Psalm* 18:40-50 states,

"40 Thou hast also given me the necks of mine enemies; that I might destroy them that hate me.

41 They cried, but there was none to save them: even unto the LORD, but he answered them not.

42 Then did I beat them small as the dust before the wind: I did cast them out as the dirt in the streets.

43 Thou hast delivered me from the strivings of the people; and thou hast made me the head of the heathen: a people whom I have not known shall serve me.

44 As soon as they hear of me, they shall obey me: the strangers shall submit themselves unto me.

45 The strangers shall fade away, and be afraid out of their close places.

46 The LORD liveth; and blessed be my rock; and let the God of my salvation be exalted.

47 It is God that avengeth me, and subdueth the people under me.

48 He delivereth me from mine enemies: yea, thou liftest me up above those that rise up against me: thou hast delivered me from the violent man.

49 Therefore will I give thanks unto thee, O LORD, among the heathen, and sing praises unto thy name.

50 Great deliverance giveth he to his king; and sheweth mercy to his anointed, to David, and to his seed for evermore."

Psalm 72:8-11 states,

"8 He shall have dominion also from sea to sea, and from the river unto the ends of the earth.

9 They that dwell in the wilderness shall bow before him; and his enemies shall lick the dust.

10 The kings of Tarshish and of the isles shall bring presents: the kings of Sheba and Seba shall offer gifts.

11 Yea, all kings shall fall down before him: all nations shall serve him."

Psalm 110:1-7 states,

"The LORD said unto my Lord, Sit thou at my right hand, until I make thine enemies thy footstool.

2 The LORD shall send the rod of thy strength out of Zion: rule thou in the midst of thine enemies.

3 Thy people shall be willing in the day of thy power, in the beauties of holiness from the womb of the morning: thou hast the dew of thy youth.

4 The LORD hath sworn, and will not repent, Thou art a priest for ever after the order of Melchizedek.

5 The Lord at thy right hand shall strike through kings in the day of his wrath.

6 He shall judge among the heathen, he shall fill the places with the dead bodies; he shall wound the heads over many countries.

7 He shall drink of the brook in the way: therefore shall he lift up the head."

Lest any be deceived by the lying Jews who will claim that no Jew today believes in this hateful and genocidal mythology, let them read *The Jewish Utopia* by the Jew Micheal Higger; or bear witness to the words of first Prime Minister of the Jewish State of Israel, David Ben-Gurion,

"With the exception of the USSR as a federated Eurasian state, all other continents will become united in a world alliance, at whose disposal will be an international police force. All armies will be abolished, and there will be no more wars. In Jerusalem, the United Nations (a truly *United* Nations) will build a Shrine of the Prophets to serve the federated union of all

continents; this will be the seat of the Supreme Court of Mankind, to settle all controversies among the federated continents, as prophesied by Isaiah."

We will not save ourselves from the extermination curse of the mythological Jewish God by romanticizing with lies about the nature and mission of the Jewish People, which has always been to dominate and destroy human life. We must face this threat head on and put an end to genocidal Jewish aggression against humanity. In a future article, I intend to quote what Ben-Gurion's prophet Isaiah said, and how he planned for the Jewish people to enslave the Gentiles, steal their wealth, and then exterminate them leaving none alive in the "new earth" which will only know the "elect", the Jews, that is.

Let all who doubt ponder the tens of millions, if not hundreds of millions, the Jewish Communists mass murdered in the Soviet Union, Communist China and Communist Cambodia. Pay special attention to the fact that the Jews target the brightest and the best in the initial waves of their genocide so as to leave the Goyim genetically inferior and leaderless. That is the perverse mentality of the Jewish People at work in our modern World.

America on Trial Before an Israeli Fifth Column Congress: The Nuremberg Trials of the Big Three

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish controlled Congress is humiliating the heads of the American auto industry in order to humiliate American industry in general, and to scapegoat American labor for the Jewish orchestrated destruction of the American economy. Though they wish to scapegoat the Goys, hide the crimes of the Jewish bankers, and humiliate America, the Jews and the Jewish controlled Congress are to blame for the collapse of the auto industry in America.

Jews like Milton Friedman lied to the Goyim and told them that unregulated industry would be reigned in by the wisdom of the marketplace to produce goods and services that best served the interests of the People. The Jewish controlled talking heads then promoted an SUV culture and scoffed at the notion that unnecessarily heavy gas guzzlers would cause the American auto industry to fall apart, as they did in the mid-1970's. Jews in the organized medical profession and Jews in the organized legal profession raised the cost of health care and insurance, while Jewish lobbying groups and a Jewish puppet President took us to unnecessary war for the Jews, and today the Jewish controlled Congress complains about the cost of unionized labor.

Instead of conducting hearings and instituting criminal and civil prosecutions of the Jewish bankers who have destroyed our economy, the Jewish controlled Congress mocks and derides the leaders of our auto industry insisting that they, like Esau, beg for a bowl of porridge in exchange for the birthright of the American worker. The Jews want our attention focused away from their crimes. They want to scapegoat the American worker for the suffering the Jews have deliberately caused the American worker. This, in repayment for the fact that the American

worker fights wars for Israel, pays taxes which are forwarded to Israel, provides military and political support for Israel, sits in churches corrupted by Israel and worships the God of the Jews, and obeys an Israeli fifth column Government to reign over him while embracing an Israeli fourth estate that molds his opinions.

Such is the racist, vile and inhuman nature of Jewish "gratitude". As in *Genesis* 47:25, the Goyim must thank the Jews for enslaving them, but the Jews will never be satisfied until the last Goy is dead. They will then spit on his grave even if he has died trying to help them. It is not enough for the Goy to soldier and slave for the Jew, for the Jew views the Goy as an evil and subhuman threat to his divine genetic purity and the divine order of the universe which exists in every Jew and which will not be complete until the Jews stamp out the last non-Jewish life.

Just as after WW II when the Jews hid the Jewish Zionists' collaboration with the Nazis, and never sought the prosecution of the Jewish bankers who financed the Nazis, and made a hero out of Simon Wiesenthal, the Jews are putting the Goyim on trial for Jewish crimes and humiliating the Goy worker and demanding that he beg for scraps of bread in the poverty they have deliberately visited upon him in his own land. The Jews are deliberately weakening the auto industry so that they can steal it for pennies on the dollar, which dollar they have deliberately already gutted, squeezing the blood out of it so that they can catch it in their Jewish coffers and in their vampire mouths.

We must pay the price for helping the Jews. We suffer the blame and the punishment for their crimes. It is our curse for blessing them.

The Curse of Blessing the Jews, the Perverse Jewish Mentality, and the Jewish Plagues Infecting America

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Even those Jews who are compelled to admit that Jews are leading the World to ruin, see it as their mission to obfuscate the issue and mislead People to believe that the majority of Jews (read: "the Jews") are themselves victims of this "Conspiracy", that the Talmud is to blame (read: not the Jews and Jewish tradition, not the genocidal and racist Jewish God and not the hate literature known as the Old Testament), and that the Jewish State of Israel is also a victim of the "Talmudists" like the United States. This is deliberate obfuscation meant to paint the Jews as if victims, when they are in fact the obvious aggressors; to misdirect non-Jews from recognizing the fact that the Old Testament is a plan for their extermination; and to unite Israel and the United States as if fighting a common foe when the reality is that Israel is the aggressive enemy of the United States and is slaughtering us.

These propagandists claim that only a small percentage of Jews are involved in the attack and

that these known Jews are not really Jews. The Jewish propagandists then prompt us to argue about what to call these Jews, other than the honest and true appellation "Jews", which promotes infighting and distraction in the Anti-Zionist Movement and shields the Jews from view and criticism outside the Anti-Zionist Movement. In addition, these Jews reveal their motives by the fact that their sole concern is the fate of the Jews, not the fate of humanity, and by the fact that they forever try to safeguard the interests of the Jews and not the best interests of humanity, and further by the fact that they see everything through the segregated lens of "what is good for the Jews", not what is good for all of mankind. They guage all things by their impact on the Jews, not humanity, and despite their best efforts to mask it, they reveal their perverse Jewish mentality.

They forever first and foremost defend the Jews, not human beings. It is their sole concern and reveals their perverse Jewish mentality; which is to deny Jewish culpability for Jewish crimes while scapegoating others and painting Jews as if victims of their own crimes, to always promote Jewish solidarity even if it means scapegoating some sects of Jews for crimes of the whole tribe, and to dominate and corrupt the Goyim and have them obey the will of the Jewish People while fighting amongst themselves, which disunity and fighting among the Goys increases the effectiveness of Jewish unity.

The truth is that Israel, the home and representative of the whole Jewish People, is a racist Apartheid nation, which compels segregation and racial discrimination. Israel holds one third of the World's Jewish population, and therefore one third of Jews directly impose racist segregation on their Goy neighbors. One third of Jews alive today live on land which they stole from others by means of terror, political corruption and mass murdering genocide. And what of

the other two thirds? The majority of them support the genocide of the Palestinians and the racist and segregationist Jewish State of Israel.

Therefore, the vast majority of Jews are racist segregationists and are very much in line with the "Talmudists" and the ancient Jewish tradition of war on the human race. The vast majority of Jews are therefore enemies of the human race and a danger to their neighbors, whom they constantly attempt to manipulate and control. The majority of Jews alive today see it as their "mission" and their right to manipulate the thoughts of their Goy neighbors to favor Jewish interests and to use the Goys as their slaves. The vast majority of Jews alive today believe they have the right and duty to insist that non-Jews come to think like them and not only tolerate but embrace their perverse, destructive and racist Jewish mentality.

The desire to impose the Noahide Laws on the Goyim lives in the mental processes of most Jews, though most Jews pretend to be oblivious to their own arrogance and poisonous nature. They are so arrogant, in fact, that they cannot conceive that things could be otherwise, that the non-Jews could possibly enjoy the same rights as Jews to be free from hostile and corrupting foreign influence, and to celebrate their own heritage without alien hatred directed at corrupting their self image and self esteem.

The role of the "righteous Gentile" is not to be the Jew's friend, but rather to be the Jew's slave. Friends intermarry and influence one another, which the Jews consider to be homicide and genocide of the Jewish People. They do not want good relations between Jews and non-Jews, which inevitably leads to intermarriage. They want the non-Jews to be the Jews' slaves until such time as the Jews exterminate the non-Jews.

The Jews want to cause the non-Jewish races to befriend each other and integrate, because they believe that miscegenation causes degeneration of the races involved, and that if blacks and whites intermarry their children will inherit the worst traits of both races while losing the best qualities of both races, and that there will be a synergistic effect worsening those worst traits.

Prominent Jews and agents of the Jewish bankers, including Benjamin Disraeli and Richard Coudenhove-Kalergi have expressly stated that the mixture of the races results in subhuman children. Richard Coudenhove-Kalergi stated that the deliberate degeneration of competing races would elevate the Jews to a position of natural leadership, and reduce all other human beings to the diminished status of natural slavery.

To know the Jews, read the Old Testament. When the Jews wanted to segregate from the Egyptians, they took advantage of the Egyptians good nature and stole their wealth. Then the Jews visited plagues on the Egyptians who had blessed the Jews with Egyptian wealth.

The Jews do not want their People to assimilate into the degenerate America which they have deliberately created. The Jews view Gentile good will as the kiss of death, and prefer to kill the Gentiles who are friendly to them, because kind wishes lead to intermarriage and cultural influence and the Jews would rather die as Jews than cease to be Jews, which they view as worse than natural death.

The Jews are therefore stealing the wealth of Americans who are trying to help the Jews, just as they stole the wealth of the Egyptians who sought to help them. The Jews are visiting plagues on

our People as they murder and poison our soldiers who are fighting their wars, as they butcher us in their hospitals, as they torture us in their courts, as they corrupt our government and press to turn us against ourselves, and as they blame us for their crimes and make us hated around the World. The Jews visit the plagues of drug abuse, prositution, STD's and pornography on us to destroy our families. They control our schools and curriculum to institute their lies and Judaize our People for ill purposes like the genocide of Muslims. They turn our children to hate our fellow human beings. This is not some new phenomenon or aberrant mutation of the Jewish People caused by the Holocaust the Jewish People caused, but rather the consistent behavior of the Jewish People over the course of 2,500 years which has endured and escalated as the Jews have gained greater wealth and control over the thoughts of the Gentiles.

The Jews want to leave America, so they pour out their hatred on us, steal our wealth and send their plagues against us. Just as they did to the Canaanites, they genocide the Palestinians and poison the World against these defenseless Arabs creating the illusion that Arabs are evil and therefore are to blame for the Jewish hatred and Jewish murder that the Jews send against them. This is not the action of some minuscule minority of Jews, this is the 2,500 year old tradition of the Jews being continued by the 1/3 of World Jewry who live in America and their loyal brothers, another 1/3 of World Jewry living in Israel. As such we see, contrary to the propaganda of the Jews themselves, that 2/3rd's of the World's Jews are actively destroying America and empowering the Jewish supremacist Nation of Israel, and the remaining 1/3 of the World's Jews also give their support for these Jewish crimes against the human race. The Jewish People are ruining and murdering us and in order to save ourselves we must face this enemy and put an end to their aggression against us.

While it is true that most Jews are not familiar with the worst of the inhuman Jewish religious mythologies, do not wish to exterminate the human race and would be appalled to learn that the extermination of the human race is the ultimate goal of Judaism and Jewish leaders, these very same Jews, with their perverse and self-centered Jewish mentality which forever denies Jewish crimes and scapegoats others for the evil of the Jewish People, this ancient menace will bring about the fulfillment of these Jewish prophecies of absolute death if we play along with their games and fail to address the fundamental threat that they pose to us all.

Rev. Ted Pike and Jeff Rense Discuss "International Hate Crimes Enforcement" at 8 PM PST, Tuesday, December 2, 2008

This is one of the most important issues of our momentous times. Cross border jurisdiction will ultimately lead to and require the standardization and globalization of the laws and serves as a pretext for same; because laws accumulate like dust and when citizens complain that their behavior was legal within their sovereign jurisdiction, governments will complain that the behavior is proscribed within their jurisdictions. The power of the State always trumps that of the citizen in international politics and if permitted to continue this global reach of individual governments and international unions must of necessity lead to global governance. The globalization of the laws and jurisdiction is the globalization of government and sovereignty. To listen to the discussion live:

Hollow Man Barack Obama and the Use of Neuro-Linguistic Programming by Jewish Puppet Dictators

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is much discussion of Barack Obama's alleged use of "Neuro-Linguistic Programming" or "NLP". It is alleged that Obama uses these techniques to pass hypnotic suggestions into the subconscious minds of his audiences.

For example, note how the Clintons and Obama clap their hands in an unnatural, slow, and rhythmic way before and after their speeches; and that both use an Hitlerian scepter-like hand gesture. Watch the Clintons and Obama point to themselves when they speak of something positive and how they rudely point at others when they say something negative.

For quite some time, I have been stating that Barack Obama's rhetoric is empty and meaningless, and that if we had an honest Presidential candidate who would challenge Obama,

the country would see that Obama is nothing but a clown and puppet reading scripted lines that are irrational. I made such arguments in, among others, the following blogs:

Call for a Live Debate: Barack Obama Versus John J. Mearsheimer and Stephen M. Walt: September 12, 2007

Iowan Gut-Level Politics and What It Means for Us: January 04, 2008

The techniques Barack Obama uses would not work if competing candidates, the media, and academia challenged his hollow rhetoric and forced people to rationally consider what Obama states and discover that it is irrational.

The Jews have long been accused of using these type of techniques. It is a recorded fact of history that the crypto-Jewish con man and occultist Herschel Steinschneider, a. k. a. Erik Jan Hanussen, taught Hitler several techniques of crowd manipulation, which would today be called "Neuro-Linguistic Programming". Ernst Gehrcke published a booklet in 1924 accusing the Jews of "Mass Suggestion" techniques in their shamelessly dishonest and otherwise grotesque advertisements of the belief in the ridiculous metaphysical nonsense of "space-time" imposed upon the minds of otherwise rational and sober scientists, as well as the uncritical cult of personality the Jews deliberately created to promote the clownish ass, and racist Zionist Jew, Albert Einstein [E. Gehrcke, *Die Massensuggestion der Relativitätstheorie: Kuturhistorisch-psychologische Dokumente*, Berlin, Hermann Meusser, (1924)]. The Jewish propagandist Alexander Moszkowski stated expressly that it was his intention to create a "star cult" for Einstein and he accomplished his goal. Germans had long complained that Jewish con men

would "hypnotize" them and trick them into buying "schlock" items, or short change them after using trance inducing techniques on them.

The following article, though it bears a pro-Zionist tone and uses of the kosher "G-d", as opposed to "God", on page 6 which indicates that the article was composed by Jew[s], provides some information on NLP:

Why No Mention of "Senate Candidate 3" in the AP Article "Complaint against Ill. gov lists many characters"?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish Old Testament book of *Leviticus* 19:17-18 states:

"17 Thou shalt not hate thy brother in thine heart: thou shalt in any wise rebuke thy neighbour, and not suffer sin upon him. 18 Thou shalt not avenge, nor bear any grudge against the children of thy people, but thou shalt love thy neighbour as thyself: I am the LORD."

In this Jewish admonition to Jews, "neighbor" refers only to fellow Jews. *Numbers* 16:22 states:

"And they fell upon their faces, and said, O God, the God of the spirits of all flesh, shall one man sin, and wilt thou be wroth with all the congregation?"

Ask yourself why the following Associated Press article failed to mention "Senate Candidate 3" in "The criminal complaint alleging schemes by Illinois Gov. Rod Blagojevich":

Complaint against Ill. gov lists many characters By The Associated Press

Perhaps the answer lies in the following article by the JTA (Jewish Telegraphic Agency):

Blagojevich arrest could send Jewish rep to Senate

Ron Paul Again Covers for the Jewish Bankers and Lies to the American People

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Perpetual liar Ron Paul is again covering for his Jewish banking friends and is setting the stage for the Jews' desired replacement for the Federal Reserve:

Ron Paul "What Creates These Economic Bubbles?" (The Federal Reserve Bank!)

In his rant, Ron Paul scapegoats the Fed and fiat currency for the Jewish bankers' corruption of the Congress and the Jewish bankers' insistence that we create debt based currency and hand it over to them. Ron Paul is a shameless liar.

Inanimate fiat money did not force the Congress to hand over 2 trillion American dollars to the Jews, the Jewish bankers did. Fiat money did not force the Jewish controlled media to lie to the American People and tell them that the Jewish theft of 2 trillion dollars was in the American People's best interest. Rather, the Jewish bankers corrupted the media to have them lie to the American People.

Again, Ron Paul raises the red herring strawman argument of 1971, as if that part of history explains why the Jews are stealing our money. In fact, in 1971 Richard Nixon prevented the Jews from stealing our gold reserves. Would Ron Paul have preferred it if the Jews had stolen the gold reserves of the United States of America in 1971? Evidently so!

Note that Ron Paul asks us to contemplate from where the new money is coming, but does not tell us where it is going, because it is going into Jewish coffers and is being used to pay for Jewish wars. If Ron Paul is such a fan of history as he claims to be, why doesn't he go back and examine the fact that the Jews have been stealing from the nations through usury for 2,500 years and openly state in their holy books that God has told them do so and that they must do so until the Goyim are wiped from the face of history. Yes, Ron Paul, look at the arrows of history. They all point to the Jewish usurers, though you will never say it, because you are a traitorous agent working for the Jews.

Here is a part of the history Ron Paul should read before lecturing us with his Jewish inspired lies:

Deuteronomy 15:6:

"For the LORD thy God blesseth thee, as he promised thee: and thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shall not reign over thee."

Deuteronomy 23:20:

"Unto a stranger thou mayest lend upon usury; but unto thy brother thou shalt not lend upon usury: that the LORD thy God may bless thee in all that thou settest thine hand to in the land whither thou goest to possess it."

Deuteronomy 28:1-13:

"1 And it shall come to pass, if thou shalt hearken diligently unto the voice of the LORD thy God, to observe and to do all his commandments which I command thee this day, that the LORD thy God will set thee on high above all nations of the earth:

2 And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the LORD thy God.

3 Blessed shalt thou be in the city, and blessed shalt thou be in the field.

4 Blessed shall be the fruit of thy body, and the fruit of thy ground, and the fruit of thy cattle, the increase of thy kine, and the flocks of thy sheep.

5 Blessed shall be thy basket and thy store.

6 Blessed shalt thou be when thou comest in, and blessed shalt thou be when thou goest out.

7 The LORD shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways.

8 The LORD shall command the blessing upon thee in thy storehouses, and in all that thou settest thine hand unto; and he shall bless thee in the land which the LORD thy God giveth thee.

9 The LORD shall establish thee an holy people unto himself, as he hath sworn unto thee, if thou shalt keep the commandments of the LORD thy God, and walk in his ways.

10 And all people of the earth shall see that thou art called by the name of the LORD; and they shall be afraid of thee.

11 And the LORD shall make thee plenteous in goods, in the fruit of thy body, and in the fruit of thy cattle, and in the fruit of thy ground, in the land which the LORD sware unto thy fathers to give thee.

12 The LORD shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow.

13 And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God, which I command thee this day, to observe and to do them:"

Genesis 47:1-31:

"1 Then Joseph came and told Pharaoh, and said, My father and my brethren, and their flocks, and their herds, and all that they have, are come out of the land of Canaan; and, behold, they are in the land of Goshen.

2 And he took some of his brethren, even five men, and presented them unto Pharaoh.

3 And Pharaoh said unto his brethren, What is your occupation? And they said unto Pharaoh, Thy servants are shepherds, both we, and also our fathers.

4 They said moreover unto Pharaoh, For to sojourn in the land are we come; for thy servants have no pasture for their flocks; for the famine is sore in the land of Canaan: now therefore, we pray thee, let thy servants dwell in the land of Goshen.

5 And Pharaoh spake unto Joseph, saying, Thy father and thy brethren are come unto thee:

6 The land of Egypt is before thee; in the best of the land make thy father and brethren to dwell; in the land of Goshen let them dwell: and if thou knowest any men of activity among them, then make them rulers over my cattle.

7 And Joseph brought in Jacob his father, and set him before Pharaoh: and Jacob blessed Pharaoh.

8 And Pharaoh said unto Jacob, How old art thou?

9 And Jacob said unto Pharaoh, The days of the years of my pilgrimage are an hundred and thirty years: few and evil have the days of the years of my life been, and have not attained unto the days of the years of the life of my fathers in the days of their pilgrimage.

10 And Jacob blessed Pharaoh, and went out from before Pharaoh.

11 And Joseph placed his father and his brethren, and gave them a possession in the land of Egypt, in the best of the land, in the land of Rameses, as Pharaoh had commanded.

12 And Joseph nourished his father, and his brethren, and all his father's household, with bread, according to their families.

13 And there was no bread in all the land; for the famine was very sore, so

that the land of Egypt and all the land of Canaan fainted by reason of the famine.

14 And Joseph gathered up all the money that was found in the land of Egypt, and in the land of Canaan, for the corn which they bought: and Joseph brought the money into Pharaoh's house.

15 And when money failed in the land of Egypt, and in the land of Canaan, all the Egyptians came unto Joseph, and said, Give us bread: for why should we die in thy presence? for the money faileth.

16 And Joseph said, Give your cattle; and I will give you for your cattle, if money fail.

17 And they brought their cattle unto Joseph: and Joseph gave them bread in exchange for horses, and for the flocks, and for the cattle of the herds, and for the asses: and he fed them with bread for all their cattle for that year.

18 When that year was ended, they came unto him the second year, and said unto him, We will not hide it from my lord, how that our money is spent; my lord also hath our herds of cattle; there is not ought left in the sight of my lord, but our bodies, and our lands:

19 Wherefore shall we die before thine eyes, both we and our land? buy us and our land for bread, and we and our land will be servants unto Pharaoh: and give us seed, that we may live, and not die, that the land be not desolate.

20 And Joseph bought all the land of Egypt for Pharaoh; for the Egyptians sold every man his field, because the famine prevailed over them: so the land became Pharaoh's.

21 And as for the people, he removed them to cities from one end of the borders of Egypt even to the other end thereof.

22 Only the land of the priests bought he not; for the priests had a portion assigned them of Pharaoh, and did eat their portion which Pharaoh gave them: wherefore they sold not their lands.

23 Then Joseph said unto the people, Behold, I have bought you this day and your land for Pharaoh: lo, here is seed for you, and ye shall sow the land.

24 And it shall come to pass in the increase, that ye shall give the fifth part unto Pharaoh, and four parts shall be your own, for seed of the field, and for your food, and for them of your households, and for food for your little ones.

25 And they said, Thou hast saved our lives: let us find grace in the sight of my lord, and we will be Pharaoh's servants.

26 And Joseph made it a law over the land of Egypt unto this day, that Pharaoh should have the fifth part; except the land of the priests only, which became not Pharaoh's.

27 And Israel dwelt in the land of Egypt, in the country of Goshen; and they had possessions therein, and grew, and multiplied exceedingly.

28 And Jacob lived in the land of Egypt seventeen years: so the whole age of Jacob was an hundred forty and seven years.

29 And the time drew nigh that Israel must die: and he called his son Joseph, and said unto him, If now I have found grace in thy sight, put, I pray thee, thy hand under my thigh, and deal kindly and truly with me; bury me not, I pray thee, in Egypt:

30 But I will lie with my fathers, and thou shalt carry me out of Egypt, and bury me in their buryingplace. And he said, I will do as thou hast said.

31 And he said, Swear unto me. And he sware unto him. And Israel bowed himself upon the bed's head."

Why doesn't Ron Paul, who presumes to chastize the Congress for not addressing the root source of our economic and monetary problems, come out and address the real source of our problems, the Jewish bankers? I'll tell you why, it is because Ron Paul is working for the Jewish bankers.

We could replace the Fed, and the Jews could do exactly what they did with the Fed, the Jews could have the American Government cut them a check for 2 trillion dollars on the credit of the taxpaying American Public, and then demand payment in gold. Where would we come up with this gold? We would have to borrow it on credit from the Jewish bankers. The Jews would then have 2 trillions they stole from us, plus the interest on the 2 trillion we borrowed from them, to give to them.

Ron Paul is not such an ignorant ass as to be unaware of these obvious facts. Ron Paul is instead a liar working for the Jews to cover up their crimes and to trick the Goyim into clamoring for "reforms" the Jews themselves have crafted and want to implement so that they can expose our gold reserves to the marketplace and steal them in "repayment" for the debts the Jews themselves have caused us. Notice that the Jewish controlled press does not attack Ron Paul. He is their man, another Nelson Aldrich.

The Temple of Solomon/Satan to be the Gold Reserve for the World-Wide Jewish Fractional Reserve Bank/Currency

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In the ancient World, including the many cultures of what is today Iraq, the temple served as the mint and the reserve for coin metals. The Jews are planning to use the Temple of Satan, er uh, Solomon, as the reserve house for a World currency. They will create fiat currency in the name of eliminating fiat currency through their scam of fractional reserve banking. The Jews will issue electronic credits backed by nothing and the Jews will lie and claim that these credits are backed

by gold and silver stored in the Temple and throughout Jerusalem.

The Jews will claim that their fiat money is "sound money", "real money", and "hard money"; but it will be less than a Federal fiat money, because it will not represent the labor or resources of any nation. Like all things related to Jewish power, it will only represent the illusion of a lie.

The Jewish King will sit upon the holy of holies, the Golden Calf, and pronounce which nations (for the Jews, read "regions"), if any, will temporarily prosper with an increased money supply, and which nations will starve to death through a contracted money supply. This will be one way that the Jewish messiah will pass and execute judgement on the nations.

The Jews want to expose all the World's gold to the marketplace so that they can steal it all and horde it in Jerusalem. The Jews worship gold as their God. Do not step into the Jews' golden trap and do not trust anyone who encourages you to fall in love with the Jews' fools gold. It is a promise backed by nothing but Satan's forked tongue.

As with all things done by the deceitful, and of their nature impotent, Jews; the Jews are trying to trick the Goyim into demanding the gold standard which will be the Goyim's undoing. The Jews are also trying to instigate violent revolutions which will put the Jews in absolute power in the name of defeating the Jews. I am disgusted by the fact that so many fall for these tired old Jewish tricks.

Why Were You Paying $4.00 a Gallon for Gasoline, While the Muslim Hating Jewish Controlled American Government Did Nothing to Lower Gas Prices?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

We are paying a heavy price for the Jewish war on the human race. Recently, we have been very high gas prices and the government has done nothing to dull the gauging.

The American Government, which is a fifth column of the Israel war on America, entered into an agreement with Arab leaders. By means of this agreement, the American consumer financed a military build up in Arab nations by paying higher prices for oil and gasoline. The Jewish weapons dealers grew fat and armed the Arabs to attack the Persians, who would in turn attack the Arabs, and the Muslims would consume each other and drag the World Powers into the region just as in the Iraq-Iran war, and its aftermath.

In turn, the Israelis promised to give the Palestinians a State, a promise they will assuredly not keep.

Now, in spite of the fact that oil prices are low--a move which deliberately weakens the Iranians, who desperately need oil profits to compensate for the illegal sanctions brought against them by the Jews, the Jewish controlled American Government is looking to curtail American oil

consumption. The Arabs in general will lose from dealing with the Devil, just as the Iraqis already have. The Americans will continue to pay in treasure and blood.

The Jews will bring the war to American soil. The Jews will bring a nuclear attack upon the United States of America. It is their hateful and genocidal curse upon us for blessing them. In their minds, we deserve to die for helping such a wretched tribe as the Jews to murder the Persians and the Arabs.

The Arabs Have Made a Backroom Deal with the Israelis to Destroy Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Wondering why oil is so cheap? The Jews and a few Arab leaders have agreed that now is the time to weaken and then annihilate the Persians. Recall that the Jews and their American puppets had the Arab Saddam Hussein, the Baathist pan-Arab, attack Iran.

As I have been disclosing for years now, the Jews have mislead the Palestinians and Saudis into

believing that the Jews will give the Palestinians a State if the Arabs help the Jews to persuade the Americans to help the Israelis to destroy the Persian Shia. Jewish deceit often follows a convoluted path, like Obama's improbable path to the Senate and then White House strewn with the politically fallen bodies of those with links of one kind or another to Goldman Sachs. Obama is a puppet of the Jews and they want him and the Arabs to support an attack on Iran. The Jews have Obama's and the Saudis support.

Though the recent high oil prices helped to finance a build up of arms in Arab nations, the current low oil prices will severely weaken Iran in preparation for an attack. Again, recall that Sunni Arabs have already demonstrated their willingness to mass murder Iranians viz. Saddam Hussein.

It won't do anyone any good, but the Sunni Arabs will be annihilated soon after they help the Jews to murder their Muslim brothers. The Iranians and Shia will weaken the Arabs and the Freemasons and Mossad will spark a series of revolutions in Arab nations, which will further weaken the Arabs. Who will be left standing between the Nile and Euphrates? The Jews. . .

Are Freemasons and Jews Behind the Turmoil in Greece?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Greeks are doing the Jews' job for them. The Greeks are destroying their own country:

Strikes Cripple a Riot-Shaken Greece

This is what Jews in the "alternative media" want for America. They want us to "revolt" in ways in which we destroy ourselves and do their work of destroying us, for them. Expect that the Jews will ask us to strike and riot and rip our nation apart in the name of saving it, just as they did to Russia and Germany after World War One with their Jewish Bolshevik revolutions.

There is a much better way to revolt, and the Nazis provide the model, despite the fact that the Nazi revolution was soon betrayed by Adolf Hitler and the Capitalists working in conjunction with the Jews. Hitler, himself, spoke of how the almost bloodless Nazi revolution created a turning point in the "revolution" against Jewish domination. Hitler stated, *inter alia*:

"This absence of bloodshed and destruction was made possible solely because we had adopted a principle which not only guided our conduct in the past but which we shall also never forget in the future. This principle was that the purpose of a revolution, or of any general change in the condition of public affairs, cannot be to produce chaos but only to replace what is bad by substituting something better. In such cases, however, something better must be ready at hand. On the 30th. of January four years ago, when the venerable President of the Reich sent for me and entrusted me with the task of forming a new Cabinet, we had already come through a strenuous

struggle in our efforts to obtain supreme political control over the State. All the means employed in carrying on that struggle were strictly within the law as it then stood and the protagonists in the fight were the National Socialists. Before the new State could be actually established and promulgated, the idea of it and the model for its organization had already existed within the framework of our party. All the fundamental principles on which the new Reich was to be constructed were the principles and ideas already embodied in the National Socialist Party."--Adolf Hitler, "On National Socialism and World Relations", Speech Delivered in the German Reichstag on January 30th 1937, http://www.calvin.edu/academic/cas/gpa/hitler1.htm

We need to form a new party with a complete substitute policy for government which will defeat the Jewish-Israeli fifth column in America, and we need to use legal means to gain power and save ourselves from the Jewish enemy. Germany was able to rapidly grow under the Nazis, because the Nazis did not initially tear down Germany in the name of building it up. Rather, the Nazis preserved what was and used it to create something new and better. We would be far better off following this constructive model, than allowing the Jews to do to us what they are presently doing to the Greeks. But we must ensure that the Jews do not betray this change and direct us into war, as they did to the Nazi revolution through Hitler.

The Automobile Industry: Where Non-Jewish Government Should

Play a Role

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As I predicted, the Jews are buying the American automobile industry very cheaply (a few billion is a small percentage of the net worth of the Big Three) and with taxpayer money. In this way, the Jews are actually making money on the purchase, because they are using our taxpayer money to make the purchase, and further because they will earn additional monies from the debts they are creating by creating this debt based money. An analogous situation would be if employees of a credit card company were to use our high interest rate credit cards from their company to make purchases for themselves to be slowly paid by us at high rates of interest.

Expect that the Jews will degrade the automobile industry and change its focus to military production. They will produce substandard cars and trucks; and, therefore, they will use the reluctance of the American consumer to purchase their garbage as an excuse to then force the American consumer to purchase their garbage by means of protectionist measures, taxes on Americans for not purchasing government cars, and incentives to Americans to purchase their garbage. Just as the Jews are using their control over our Government to purchase the automobile industry for tenths of pennies on the dollar, they will use their control over our Government to determine what we purchase as consumers. There will be no level playing field, no free market--not there is a free market today, but the situation will grow dramatically worse

very quickly.

The Jews set up the American auto industry to fail. We already knew from the 1970's that gas guzzling junk cars sold through obnoxious dealerships would not appeal to the American consumer. Yet, the Jewish controlled talking heads pushed SUV culture on us. The Jewish controlled Government failed to regulate the industry, thus making it impossible for new responsible automobile manufactures to start up; and, concurrently, forcing the responsible American consumer to have to protect himself from the irresponsible and selfish American consumer. The failure to restrict the weight, height, and fuel consumption of passenger vehicles to reasonable limits created a dilemma for the consumer, in that he faced a threat to his life on the roadways and highways of America from heavy, tall vehicles which obstruct the vision of the driver of small cars and which are dangerous in collisions to small cars. The failure to regulate created a market for irresponsible and dangerous products which are ruining our economy and harming our lifestyle.

In addition to this, Americans find automobile purchasing to be a painful and often bitter experience. We could remedy the situation by changing our laws so that when a dealership steals from a consumer, the police treat the theft as a criminal matter, and not a civil matter. We could force the dealerships to disclose their real profits on the sale of their cars and trucks, instead of allowing the dealerships to play their con game of shuffling the consumer back and forth between the good cop salesman and the bad cop manager/owner. We could force dealerships to post actual complaints from their real costumers on the windows of their businesses, both sales and repairs, and immunize the consumer from suit by the dealerships

when complaints are made in good faith.

If the Government chooses to build a new type of automobile, it should enter into a competitive open bidding process with real proposals on the table. In this way, new, more efficient domestic industrial companies could open up, with newly negotiated labor contracts. We need new manufacturing capital to accompany the new loan capital we are creating. We need to fund the development and production of new manufacturing capital just as we fund the production itself with loan capital. Both should be funded with well regulated new debt free currency issued directly by the American Government.

Instead of forcing the American consumer to purchase these cars, we should prevent the Jewish Capitalists from subverting our efforts and working at cross purposes to the best interests of the American People. We should bar them from advertising heavy and inefficient cars and trucks. We should bar them from promoting an SUV culture in Hollywood movies, and from all the other methods by which they mold public opinion to work against the best interests of the public. The Government can play a constructive role by runing public service announcements pointing out the dangers to our safety and our economy of SUV culture.

The Jews are pulling us in the wrong directions with both Jewish Capitalism and with Jewish Bolshevism. Our Government should function for our best interests, not theirs.

A Reaction Is What the Jews Want, So Let's Give it to Them, but this Time, Let's Do it Right

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As I have proven over the years in many places, including my recent blogs:

The Universal Enslavement of the Non-Jew: The Ancient Jewish Plan for World Domination Found in the Old Testament: December 05, 2008

The Universal Enslavement of the Non-Jew, Part 2: Jewish Supremacism in the Torah Proper: December 06, 2008

The Universal Enslavement of the Non-Jew, Part 4: The Genocidal Jewish Prophets: December 08, 2008

Judaism is a declaration of war against the human race.

The Jews want to enslave and then murder all non-Jews. For 2,500 years, the Jews have remained a cohesive People for this express purpose, the enslavement and the extermination of

mankind. In America, the Jews steal millions of dollars from each taxpaying American in lost wages, future income, inflation, diminished home values, retirement losses, national debt for Jewish usury, Jewish theft and Jewish wars, etc. Yet the average stupid American, who would put a black man in prison for stealing his empty wallet, praises the Jew who steals his country and millions of dollars from his total wealth. The Jews also dupe the average stupid American into protecting the Jews by insisting that the Jewish religion is immune to criticism.

The Jews have always corrupted governments and peoples to tolerate their Jewish war on the human race, because it is a religious doctrine. When the Jews murdered Caligula and installed their puppet Claudius as Empower of the Roman Empire, they made Claudius issue an edict of "tolerance" which permitted the Jews to carry on their unilateral war on the ancient World without any "reaction" against them. Josephus, in his *Antiquities of the Jews*, volume 19, chapter 5, sections 2 and 3, published this edict which shielded the Jews from criticism and created a double standard of privilege for the Jews throughout the Roman Empire; in that, Judaism is a declaration of war on the human race and to tolerate Judaism is to surrender to the Jews and accept slavery and death at their hands:

"2. Now about this time there was a sedition between the Jews and the Greeks, at the city of Alexandria; for when Caius was dead, the nation of the Jews, which had been very much mortified under the reign of Caius, and reduced to very great distress by the people of Alexandria, recovered itself, and immediately took up their arms to fight for themselves. So Claudius sent an order to the president of Egypt to quiet that tumult; he also sent an edict,

at the requests of king Agrippa and king Herod, both to Alexandria and to Syria, whose contents were as follows: '*Tiberius Claudius Caesar Augustus Germanicus, high priest, and tribune of the people, ordains thus: Since I am assured that the Jews of Alexandria, called Alexandrians, have been joint inhabitants in the earliest times with the Alexandrians, and have obtained from their kings equal privileges with them, as is evident by the public records that are in their possession, and the edicts themselves; and that after Alexandria had been subjected to our empire by Augustus, their rights and privileges have been preserved by those presidents who have at divers times been sent thither; and that no dispute had been raised about those rights and privileges, even when Aquila was governor of Alexandria; and that when the Jewish ethnarch was dead, Augustus did not prohibit the making such ethnarchs, as willing that all men should be so subject [to the Romans] as to continue in the observation of their own customs, and not be forced to transgress the ancient rules of their own country religion; but that, in the time of Caius, the Alexandrians became insolent towards the Jews that were among them, which Caius, out of his great madness and want of understanding, reduced the nation of the Jews very low, because they would not transgress the religious worship of their country, and call him a god: I will therefore that the nation of the Jews be not deprived of their rights and privileges, on account of the madness of Caius; but that those rights and privileges which they formerly enjoyed be preserved to them, and that they may continue in their own customs. And I charge both

parties to take very great care that no troubles may arise after the promulgation of this edict.'

3. And such were the contents of this edict on behalf of the Jews that was sent to Alexandria. But the edict that was sent into the other parts of the habitable earth was this which follows: *'Tiberius Claudius Caesar Augustus Germanicus, high priest, tribune of the people, chosen consul the second time, ordains thus: Upon the petition of king Agrippa and king Herod, who are persons very dear to me, that I would grant the same rights and privileges should be preserved to the Jews which are in all the Roman empire, which I have granted to those of Alexandria, I very willingly comply therewith; and this grant I make not only for the sake of the petitioners, but as judging those Jews for whom I have been petitioned worthy of such a favor, on account of their fidelity and friendship to the Romans. I think it also very just that no Grecian city should be deprived of such rights and privileges, since they were preserved to them under the great Augustus. It will therefore be fit to permit the Jews, who are in all the world under us, to keep their ancient customs without being hindered so to do. And I do charge them also to use this my kindness to them with moderation, and not to show a contempt of the superstitious observances of other nations, but to keep their own laws only. And I will that this decree of mine be engraven on tables by the magistrates of the cities, and colonies, and municipal places, both those within Italy and those without it, both*

kings and governors, by the means of the ambassadors, and to have them exposed to the public for full thirty days, in such a place whence it may plainly be read from the ground.'"[italics added]

Since the Jews are waging war against us, and further since their religion is political and embodies a declaration of war against us, condemning us to slavery and death, we must fight back and criticize the disgusting and dangerous Jewish religion, Judaism, from the Torah, to the Bolshevist, Jew. Gabriel Malglaive concluded,

"To deny Jewish ethnicity is an error, to think it can be assimilated is a fault. To consider separately the attitude of the Jews and the Mosaic inspiration is a simple-minded scruple, the explanation of the impotence of the methods employed up to now. . . .

Religion does not and could not have anything condemnable for a state, if it knows how to limit itself to the spiritual realm. But as soon as it disfigures and uses this ideal through a transposition to the material plane, it condemns itself and invites itself to be criticized like any human work. The Jewish religion has done more than transpose its ideal. It has made of a mystical religion a doctrine of material and physical domination. . . .

The Jewish problem will have to be given a Jewish solution."--G. Malglaive, *Juif ou Francais, apercus sur la question juive. Preface de M. Xavier Vallat, commissaire general aux questions juives*, Paris, (1942); English translation by Edward

Noonan, in R. S. Levy, *Antisemitism in the Modern World: An Anthology of Texts*, D. C. Heath and Company, Toronto, (1991), pp. 226-234, at 234.

Xavier Vallat noted in the preface to Malglaive's book that the Jewish religion is a racist religion and that this political religious racism manifests itself as much in secular Jews as it does in religious Jews,

"The French Revolution, the first, committed the folly of wishing to consider [the Jews] citizens like anyone else, and, little by little, in less than a century and a half, all the other governments committed the same error lest they appear 'reactionary.'

This was to prepare the justification for a modern antisemitism singularly more justified than medieval antisemitism.

Of course, throughout the ages, one could reproach the Jews for constituting a state-within-the-state.

But, from now on, the Jew will everywhere be the citizen of two nations: first, of Israel, the universal nation; then, of the particular nation where he has chosen to temporarily set up his tent.

And he will demand the benefit of this double situation. As a Jew, he is international, that has many advantages. Yet he does not wish to be considered a foreigner in the state where he intends to carry out his activity, for that would represent certain inconveniences; and he will get himself

naturalized.

But for him that does not represent a desire to plant his roots somewhere. Only to benefit from the plenitude of the rights of citizenship, wherever he is.

Unlike the Rothschilds, not all Jewish families have representatives in five or six different nations; but all are prepared, following an exodus, to lay claim to the nationality of the country which they encounter, without worrying at all about the one they just left.

And the most curious characteristic of this itinerant race is that it wishes to command wherever it is.

Its dream of universal domination is attached to each of its sons, aware of belonging to a superior race."--X. Vallat's preface to G. Malglaive, *Juif ou Francais, apercus sur la question juive. Preface de M. Xavier Vallat, commissaire general aux questions juives*, Paris, (1942); English translation by Edward Noonan, in R. S. Levy, *Antisemitism in the Modern World: An Anthology of Texts*, D. C. Heath and Company, Toronto, (1991), pp. 226-234, at 228.

We cannot separate the Jewish People from their Judaic declaration of war against the human race. The secular Jew is as much a product of the Torah's supremacist racism and hatred of mankind as is the religious Jew. It is not only legitimate to criticize Jews and Judaism, but we must address this open declaration of war in order to prepare ourselves to combat the war against us. It is not only our right to criticize Jews and Judaism, it is not only our duty to criticize Jews and Judaism, it is our only means to survive their aggressive and entirely

unprovoked war on us.

The Jews are continually inciting wars against us, and by and through us. We must promote peace. Peace is the greatest enemy of the Jew.

The Jews must not be permitted by our Government to represent any profession, business, personal wealth, government position, etc. beyond their 2% representation of our population; and even then they must identify themselves as Jews and bear a warning of what Jews have done to their host nations in the past. Jews should bear the shame of murdering hundreds of millions of innocent human beings and destroying countless cultures and nations, and our People must be warned against them. The Jews have thoroughly proven their disloyalty to the United States of America and we must protect ourselves from their continuing aggression through our Government. If they choose to remain, let their presence serve to defeat their purpose by serving as a billboard warning of the danger they pose to humanity.

The Jewish State of Israel is waging aggressive and unprovoked war against the United States of America. We must fight back through our Government and declare war on Israel. The American Government must imprison the traitors among us for the duration of the war against Israel, plus 20 additional years. The Jews have proven that they are spies for the enemy and have stolen our secrets and forwarded them to our enemies around the World. The American Government must place surveillance on all Jews in America and break up their spying networks. The American Government must tax the Jews to pay for this burden on us.

The Jewish bankers are our enemy. They steal our wealth, force us into wars and control our

businesses, government, press, academic institutions in order to use them against us. The American Government must declare war on the Jewish bankers and consider them, their homes, their assets, etc. targets of opportunity to be destroyed around the World whenever possible. The American Government must recover as much of our stolen wealth as possible and demand reparations from the Jewish bankers.

Our own People must become stronger, healthier and better educated. We must manufacture our own debt free money and inject it into our economy in ways which encourage domestic production, domestic savings and internationally good relations with our fellow human beings. The American Government must declare war on all who speculate with our currency and destroy them immediately with military force.

But we must NOT fall into the Jewish traps laid before us. We must NOT worship gold nor give gold the force of currency. We must not engage in nihilistic Jewish revolution. All revolutions are betrayed, as was our own by the Jewish bankers' agent Alexander Hamilton. If we are to revolt against the Jewish takeover of our nation, we must do so in constructive ways by simply creating what we need, to substitute for that which is working against us. Providing healthy foods, pure air and clean water constitutes a constructive revolt against the Jewish desire to murder us and destroy our genetics. Peace is a constructive revolt against the Jewish desire to bring us into war, death, debt, famine, pestilence and international disrepute. Instituting truly democratic government is a constructive revolt against the Jewish fifth column government we endure today where a 2% traitorous minority population is stealing our wealth and wrecking our nation.

Political Action Is Our Best Defense at the Moment

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I hear the same crypto-Jews who encouraged the Jewish controlled "Ron Paul Revolution" now declaring that we should NOT involve ourselves in Presidential politics, but should instead focus on local politics, as if there were some mutual exclusion between becoming involved in local politics and becomming involved in national politics. These Jews want to prevent our organizing behind an authentic anti-Zionist Presidential candidate and forming a new party to save America from Israel and the Jews.

There is no mutual exclusion between entering local politics and entering national politics. We should do both and one will complement the other. The Jews will, of course, try to infiltrate and destroy our movement by encouraging us to infight and argue over semantics and waste our time and divide ourselves in other ways. There are those of us who have studied Jewish subversive methods long enough to recognize these rats.

We have no more time to waste. We must become political right now, or our nation will be lost to us next year and we will have to fight to create a new country to replace the one which we will have given away to the Jews.

The first rule of self defense is to avoid a physical fight whenever possible and fight with the mind and mouth, first.

Civilized Solutions to the Problem of the Jewish Subversion of America and the Israeli War on America

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews' puppet Barack Obama is thoroughly Judaizing our Government beyond any previous level in our history. We are about to experience a complete Jewish takeover of our nation.

Let us consider the responses of other nations to Jewish takeovers which destroyed them. First, let us consider Germany and its response to traitorous disloyal Jews who drove the Germans into war, pestilence and famine.

Prior to World War One, the Jews began placing their men in German Government and

preparing Communist revolutions. Press Jews pitted Protestants against Catholics to divide the nation, then drove the nation into the WW I.

The Jews then stabbed the Germans in the back and brought America into the war on the side of the British. The Jews also sabotaged the German war effort in many other ways. After the war, the Jews imposed the Versailles Treaty on the Germans. German Jews blamed Germans for the war Jews had caused and insisted that Germans give up land and pay other nations "reparations".

The Jews murdered millions of Germans in the First World War and through famine. They opened the gates to a flood of Eastern European Jews into Berlin, which quickly became a perverse and degenerate city. Jews took over the professions and business of Germany and enjoyed a much higher living standard than Germans, but never did they cease to whine that they were victims of German "anti-Semitism".

The Jews then put Adolf Hitler in power to terrorize Jews and begin the Second World War, which divided Germany into two enemy nations, murdered millions more Germans, kept millions more German men from their wives in the prime of life, etc. But did the Nazis do anything that might be of use to us in fighting back in the Jewish war on the human race?

One of the first measures the Germans took was to outlaw marriages between Germans and Jews. The Zionist Jews celebrated this measure, because they knew it was "good for the Jews". These laws, which the Jews had long wanted, ended assimilation which would have helped cure the Jewish problem. A smarter move to accomplish the same goal of the German would have been to ban all marriages between Jews and Germans, and Jews with other Jews, leaving open

only the option of marriages between Jews and non-Europeans. In order to prevent Jews from bearing unassimilated Jewish children, the Germans could then have insisted that the marriages be between Jews and Blacks, or Jews and Orientals, such that the children who were of purely Jewish birth could have been easily spotted and turned over to the State for rearing in order to prevent indoctrination into the racist Jewish spirit. Since the Jews promote the belief that all human races are the same, they should have had no great opposition to this humane measure, as compared to the less humane measures of which they later accused the Germans. If the Jews had cried foul, they then would have been forced to expose themselves as "racists" and hypocrites who were out to destroy the European human being.

The Germans' next counterproductive measure was to segregate the Jews, males first, into concentration camps and allegedly select the fittest Jews for survival, supposedly immediately killing off the old, very young, infirm and genetically defective Jews who were of no use to the Zionists in their formation of a Jewish State in Palestine. If true, this counterproductive practice would have tended to improve the genetic composition of the Jewish People and made them a stronger foe of the German People. It would also have encouraged the reproduction of clever and deceitful Jews who were more likely to survive the process of artificial and natural selection present in labor camps. If the Germans had wanted to weaken the Jews, they would have killed the best Jews immediately and left the defective Jews alive to reproduce and weaken the Jewish People for all subsequent generations. They would first have interned the females to prevent them from bearing Jewish young. After all, this is what the Jews did to the Germans to weaken them for all future generations.

The Germans entered into unnecessary wars, which sent all the nations involved into debt, thus profiting Jewry, and caused the deaths of many of the fittest Germans and limited their reproductive capacity to render and rear children. A better move for the Germans would have been to promote peace and trade and encouraged an increase in the birth rate by paying young German families to reproduce.

There were, however, other measures which the Germans took, which offer more promising prospects for us. It was necessary to identify the Jewish takeover of the Press, Government, educational institutions, professions, banking and business. That is something we should do.

By marking the Jews and concurrently pointing out their minority status as a population and their dominance of positions of influence and power, the Germans exposed the Jews to the World and awakened the German People to the hostile force on their soil. They made it crystal clear, so to speak, that the Jews were exploiting the Germans in their own land.

This is one of the reasons why I recommend that we pass legislation that requires Jews to place warnings and disclaimers in their hate literature. This turns their anti-Gentile propaganda against them and puts it to work for us, because those reading it are then encouraged to view the Jews as a threat instead of embracing their hate literature as if a means to salvation. The more the Jews would publish their hate literature, the more they would spread our message.

Imagine if the press were forced to identify Jewish ownership and post and state disclaimers that iterated the fact that, **"Jews have corrupted the Press for centuries and use these organs of forming public opinion to betray and destroy the host nations in which**

they live." Then, the more the Jews used the Press to spread their corrupting influence, the more it would benefit our countermeasures to rein them in by spreading the word we wish to tell the American People. Imagine if we created a properly administered debt free paper currency and declared that speculation on the currency is an act of war. Imagine if we printed the fact on this money that, **"The Jews use gold to enslave the nations of the World."** Everytime a Greenback circulated, it would help us to fight back against the Jewish bankers and their lies.

Recall that Jews and crypto-Jews in the "alternative media" often insist that we always utter a disclaimer that not all Jews are involved in the numerous Jewish crimes against the human race which we discuss. Imagine if we used this method and insisted that the Jewish Press always state that , **"Only 2% of our population is Jewish, but Jews dominate the Press and Government."** Imagine that all textbooks had to identify the fact that Jews have corrupted previous textbooks and have tyrannically dominated America, bringing us into war and debt from the founding days of our nation onward to today. These measures would be productive and would not further empower the Jews.

The Germans put Jews in concentration camps after the Jews declared war on Germany. We are in a slightly different situation, given that Israel is waging a covert war against us and has a powerful fifth column and fourth estate in America. We should declare war on Israel and make it clear to the international community that this is a defensive action. With full due process of law, we should then pass laws criminalizing past crimes which the Jews prevented us from criminalizing through their corruption of our Government, legal profession, and Press. In other words, we must abandon usual *ex post facto* provisions of the law in the case of Jews, because

they have knowingly and willfully prevented the normal and healthy processes of our Government to protect us from their enemy invasion and subversion of our country. Since the Jews have prevented us from passing the laws which we should have passed to protect us from them, we should pass these laws now and prosecute the Jews for their past and present crimes. This should become a new standard of due process of law.

All Jews and other Zionists convicted of supporting Israel's 60 year war against the United States, at any time, should be imprisoned for the duration of war against Israel, plus 20 years. Let "duration plus 20" become a common phrase. Let us interrogate these traitors and follow the leads we acquire to root out the entire network of spies, subversives and other enemy agents.

We should gather genealogical evidence and require all those of Jewish ancestry to identify themselves as Jews when entering the Press, the Church, the Government, educational institutions, or the Professions. This is a reasonable measure given the fact that the Jewish State of Israel is waging war against us and given the Jews' proven history of crypto-Jewish subversion, from Esther onwards to today.

The Universal Enslavement of the Non-Jew, Part 4: The Genocidal Jewish Prophets

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

The Jewish prophets foresaw a New World Order, a "Jewish Utopia", in which all non-Jews had been exterminated by the Jews. They predicted that Jews would live in cities and houses they did not build, that the Goys would slave for the Jews, and that the Jewish messiah would judge and then mass murder every Goy.

The only way for Jews to ensure that no Jew would interbreed with a Goy was to kill all the Goys. The only way for the Jews to ensure that no other gods than theirs would be worshiped was for the Jews to kill all the Goys and apostate Jews. The only way for the Jews to ensure that there would be no mores wars between nations, was to destroy and eliminate all other nations. Therefore, the Jewish prophets prophesied, read "iterated plans" for, unimaginably destructive World wars followed by World government run by a Jewish King from Jerusalem, the enslavement then extermination of all non-Jews and all apostate Jews, and the entire Earth occupied by Jews and only by Jews.

The Jewish prophets called upon the Jews to pursue the following goals: one religion/God, one temple, one priesthood, one king, one nation, one capital, one language--all exclusively Jewish. The Jewish prophets called upon the Jews to pursue the following goals: destroying all non-Jewish kings, queens, princes, princesses and other forms of Gentile government; devastating World wars; the enslavement then execution of all non-Jews and apostate Jews; the theft and accumulation of all wealth and property, primarily of gold and silver; the theft of the land from the Nile to the Euphrates rivers followed by the entire Earth; the destruction of all other

religions, cultures, and nations; which prophecies began in the Pentateuch with the Abrahamic Covenant of *Genesis*, the first book of Jewish hate literature, and the promises and threats of *Deuteronomy* 6:10-11; 11:24-25; 28-34; and were further explicated in their most virulent form in the "prophetic" Jewish works of *Isaiah*, *Jeremiah* 33:15, *Ezekiel*, *Daniel*, *Obadiah*, *Micah*, and *Zechariah*.

Beginning with the five books of Moses, which lying Jews would have you believe are Zionist-free dogma, we find the primary genocidal expressions of Zionism in their purest and most virulent form; which genocidal Jewish hate literature forms the basis of Jewish mythology and Jewish self-identity, which remains unchanged to this day.

Genesis 15:18-21 states:

"18 In the same day the LORD made a covenant with Abram, saying, Unto thy seed have I given this land, from the river of Egypt [the Nile] unto the great river, the river Euphrates: 19 The Kenites, and the Kenizzites, and the Kadmonites, 20 And the Hittites, and the Perizzites, and the Rephaims, 21 And the Amorites, and the Canaanites, and the Girgashites, and the Jebusites."

Genesis 17:8 states:

"8 And I will give unto thee, and to thy seed after thee, the land wherein thou art a stranger, all the land of Canaan, for an everlasting possession; and I will be their God."

Deuteronomy 6:10-11 and 11:24-25 (see also: *Joshua* 1:2-5) state:

"6:10 And it shall be, when the LORD thy God shall bring thee into the land which He swore unto thy fathers, to Abraham, to Isaac, and to Jacob, to give thee—great and goodly cities, which thou didst not build, 6:11 and houses full of all good things, which thou didst not fill, and cisterns hewn out, which thou the didst not hew, vineyards and olive-trees, which thou didst not plant, and thou shalt eat and be satisfied— [***] 11:24 Every place whereon the sole of your foot shall tread shall be yours: from the wilderness, and Lebanon, from the river, the river Euphrates, even unto the hinder sea shall be your border. 11:25 There shall no man be able to stand against you: the LORD your God shall lay the fear of you and the dread of you upon all the land that ye shall tread upon, as He hath spoken unto you. [version of the Jewish Publication Society]"

The later genocidal Jewish "prophets" amplify the Mosiac Jewish plan for the destruction of the human race. *Isaiah* 2:1-4; 40:15-17, 22-24; 54:1-4; 60:5, 8-12, 16-17; and 61:5-6 state,

"2:1 The word that Isaiah the son of Amoz saw concerning Judah and Jerusalem. 2:2 And it shall come to pass in the end of days, that the mountain of the LORD'S house shall be established as the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it. 2:3 And many peoples shall go and say: 'Come ye, and let us go up to

the mountain of the LORD, to the house of the God of Jacob; and He will teach us of His ways, and we will walk in His paths.' For out of Zion shall go forth the law, and the word of the LORD from Jerusalem. 2:4 And He shall judge between the nations, and shall decide for many peoples; and they shall beat their swords into plowshares, and their spears into pruninghooks; nation shall not lift up sword against nation, neither shall they learn war any more. [***] 40:15 Behold, the nations are as a drop of a bucket, and are counted as the small dust of the balance; behold the isles are as a mote in weight. 40:16 And Lebanon is not sufficient fuel, nor the beasts thereof sufficient for burnt-offerings. 40:17 All the nations are as nothing before Him; they are accounted by Him as things of nought, and vanity. [***] 40:22 It is He that sitteth above the circle of the earth, and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in; 40:23 That bringeth princes to nothing; He maketh the judges of the earth as a thing of nought. 40:24 Scarce are they planted, scarce are they sown, scarce hath their stock taken root in the earth; when He bloweth upon them, they wither, and the whirlwind taketh them away as stubble. [***] 54:1 Sing, O barren, thou that didst not bear, break forth into singing, and cry aloud, thou that didst not travail; for more are the children of the desolate than the children of the married wife, saith the LORD. 54:2 Enlarge the place of thy tent, and let them stretch forth the curtains of thy habitations, spare not; lengthen thy cords, and strengthen thy stakes. 54:3 For thou shalt spread abroad on the

right hand and on the left; and thy seed shall possess the nations, and make the desolate cities to be inhabited. 54:4 Fear not, for thou shalt not be ashamed. Neither be thou confounded, for thou shalt not be put to shame; for thou shalt forget the shame of thy youth, and the reproach of thy widowhood shalt thou remember no more. [***] 60:5 Then thou shalt see and be radiant, and thy heart shall throb and be enlarged; because the abundance of the sea shall be turned unto thee, the wealth of the nations shall come unto thee. [***] 60:8 Who are these that fly as a cloud, and as the doves to their cotes? 60:9 Surely the isles shall wait for Me, and the ships of Tarshish first, to bring thy sons from far, their silver and their gold with them, for the name of the LORD thy God, and for the Holy One of Israel, because He hath glorified thee. 60:10 And aliens shall build up thy walls, and their kings shall minister unto thee; for in My wrath I smote thee, but in My favour have I had compassion on thee. 60:11 Thy gates also shall be open continually, day and night, they shall not be shut; that men may bring unto thee the wealth of the nations, and their kings in procession. 60:12 For that nation and kingdom that will not serve thee shall perish; yea, those nations shall be utterly wasted. [***] 60:16 Thou shalt also suck the milk of the nations, and shalt suck the breast of kings; and thou shalt know that I the LORD am thy Saviour, and I, the Mighty One of Jacob, thy Redeemer. 60:17 For brass I will bring gold, and for iron I will bring silver, and for wood brass, and for stones iron; I will also make thy officers peace, and righteousness thy magistrates. [***] 61:5 And strangers shall stand and feed

your flocks, and aliens shall be your plowmen and your vinedressers. 61:6 But ye shall be named the priests of the LORD, men shall call you the ministers of our God; ye shall eat the wealth of the nations, and in their splendour shall ye revel. [version of the Jewish Publication Society]"

Obadiah states, and recall that the Jews refer to Gentiles as "Edom" and "Esau", and to Jews as "Jacob":

"1 The vision of Obadiah. Thus saith the Lord GOD concerning Edom: We have heard a message from the LORD, and an ambassador is sent among the nations: 'Arise ye, and let us rise up against her in battle.' 2 Behold, I make thee small among the nations; thou art greatly despised. 3 The pride of thy heart hath beguiled thee, O thou that dwellest in the clefts of the rock, thy habitation on high; that sayest in thy heart: 'Who shall bring me down to the ground?' 4 Though thou make thy nest as high as the eagle, and though thou set it among the stars, I will bring thee down from thence, saith the LORD. 5 If thieves came to thee, if robbers by night—how art thou cut off!—would they not steal till they had enough? If grape-gatherers came to thee, would they not leave some gleaning grapes? 6 How is Esau searched out! How are his hidden places sought out! 7 All the men of thy confederacy have conducted thee to the border; the men that were at peace with thee have beguiled thee, and prevailed against thee; they that eat thy bread lay a snare under thee, in whom there is no discernment. 8 Shall I not in that day, saith

the LORD, destroy the wise men out of Edom, and discernment out of the mount of Esau? 9 And thy mighty men, O Teman, shall be dismayed, to the end that every one may be cut off from the mount of Esau by slaughter. 10 For the violence done to thy brother Jacob shame shall cover thee, and thou shalt be cut off for ever. 11 In the day that thou didst stand aloof, in the day that strangers carried away his substance, and foreigners entered into his gates, and cast lots upon Jerusalem, even thou wast as one of them. 12 But thou shouldest not have gazed on the day of thy brother in the day of his disaster, neither shouldest thou have rejoiced over the children of Judah in the day of their destruction; neither shouldest thou have spoken proudly in the day of distress. 13 Thou shouldest not have entered into the gate of My people in the day of their calamity; yea, thou shouldest not have gazed on their affliction in the day of their calamity, nor have laid hands on their substance in the day of their calamity. 14 Neither shouldest thou have stood in the crossway, to cut off those of his that escape; neither shouldest thou have delivered up those of his that did remain in the day of distress. 15 For the day of the LORD is near upon all the nations; as thou hast done, it shall be done unto thee; thy dealing shall return upon thine own head. 16 For as ye have drunk upon My holy mountain, so shall all the nations drink continually, yea, they shall drink, and swallow down, and shall be as though they had not been. 17 But in mount Zion there shall be those that escape, and it shall be holy; and the house of Jacob shall possess their possessions. 18 And the house of Jacob shall be a fire, and the house of Joseph a flame, and

the house of Esau for stubble, and they shall kindle in them, and devour them; and there shall not be any remaining of the house of Esau; for the LORD hath spoken. 19 And they of the South shall possess the mount of Esau, and they of the Lowland the Philistines; and they shall possess the field of Ephraim, and the field of Samaria; and Benjamin shall possess Gilead. 20 And the captivity of this host of the children of Israel, that are among the Canaanites, even unto Zarephath, and the captivity of Jerusalem, that is in Sepharad, shall possess the cities of the South. 21 And saviours shall come up on mount Zion to judge the mount of Esau; and the kingdom shall be the LORD'S. [version of the Jewish Publication Society]"

Micah 5:7-8 (*Micah* 5:8-9 in the KJV) states:

"7 And the remnant of Jacob shall be among the nations, in the midst of many peoples, as a lion among the beasts of the forest, as a young lion among the flocks of sheep, who, if he go through, treadeth down and teareth in pieces, and there is none to deliver. 8 Let Thy hand be lifted up above Thine adversaries, and let all Thine enemies be cut off. [version of the Jewish Publication Society]"

Zechariah 8:20-23; and 14:9 state:

"8:20 Thus saith the LORD of hosts: It shall yet come to pass, that there shall come peoples, and the inhabitants of many cities; 8:21 and the inhabitants of

one city shall go to another, saying: Let us go speedily to entreat the favour of the LORD, and to seek the LORD of hosts; I will go also. 8:22 Yea, many peoples and mighty nations shall come to seek the LORD of hosts in Jerusalem, and to entreat the favour of the LORD. 8:23 Thus saith the LORD of hosts: In those days it shall come to pass, that ten men shall take hold, out of all the languages of the nations, shall even take hold of the skirt of him that is a Jew, saying: 'We will go with you, for we have heard that God is with you.' [***] 14:9 And the LORD shall be King over all the earth; in that day shall the LORD be One, and His name one. [version of the Jewish Publication Society]"

This is a small, but sufficient sampling of Jewish hate literature contained in the Old Testament, which evinces the Jews' ancient plans to enslave and then exterminate the human race. Other notable passages are found in: *Isaiah* chapters 65 and 66, where the monstrous and genocidal Jewish "prophet" instructs the Jews to kill off all non-Jews and leave only the Jews, the "elect", left alive to inhabit the Jewish paradise, which the Jews did not build, but which was built by the Goyim, the "new Earth"; and in: *Ezekiel* chapters 36-39, where the monstrous and genocidal Jewish "prophet" tells the Jews to instigate a devastating World war and promises the Jews that despite the fact that they poison the Earth for humanity, they will be given new flesh for their bones as the Goyim disappear from memory.

We should enact laws that require a warning be attached to each and every page, and/or every 500th word, of the Old Testament Jewish hate literature, as well as the Talmud, Cabalah, and

other Jewish writings, which would state something like the following:

"*WARNING!!!* This Jewish hate literature calls for the extermination of the human race and has already inspired the racist Jews to genocide over 100 million non-Jews, to destroy countless cultures, to poison the Earth, and to instigate wars and destructive revolutions around the globe. The racist and genocidal beliefs iterated in Jewish hate literature are dangerous to human life and are mental poison that generates genocidal mental disease. The Jews, themselves, whose supremacist culture and racist clannishness are products of this hate literature, are carriers of this contagion which threatens the continued existence of the human race."

The Universal Enslavement of the Non-Jew, Part 3: The Genocidal Jewish God Commands the Jews to Exterminate the Goyim

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Plagiarizing the Egyptian mythology of Horus and Seth, the Jews set out to explain their

genocidal Jewish hatred of non-Jews by accusing the Goyim of hating the Jews. The Jews iterated this mythology of Esau and Jacob in the first book of the racist Old Testament to teach each generation of Jews to hate, fear, and to seek to exterminate non-Jews.

The mythology of Esau and Jacob is one of the three main religious pretexts which the Jews use to educate their children to be genocidal racists. Another is the Jewish mythology of the "jealous God", in which the Jew is taught not to intermarry with non-Jews, and to slay non-Jews and apoostate Jews, so that no Jew will come to worship "foreign gods". The Judaic aggressive and genocidal intolerance of non-Jews based on the Jewish myth of the "jealous God" appears in, among several other places, *Exodus* 34:11-17:

"11 Observe thou that which I command thee this day: behold, I drive out before thee the Amorite, and the Canaanite, and the Hittite, and the Perizzite, and the Hivite, and the Jebusite. 12 Take heed to thyself, lest thou make a covenant with the inhabitants of the land whither thou goest, lest it be for a snare in the midst of thee: 13 But ye shall destroy their altars, break their images, and cut down their groves: 14 For thou shalt worship no other god: for the LORD, whose name is Jealous, is a jealous God: 15 Lest thou make a covenant with the inhabitants of the land, and they go a whoring after their gods, and do sacrifice unto their gods, and one call thee, and thou eat of his sacrifice; 16 And thou take of their daughters unto thy sons, and their daughters go a whoring after their gods, and make thy sons go a whoring after their gods. 17 Thou shalt make thee no molten gods."

The third racist Jewish mythology which renders the Jews murderous to the rest of humanity is the hateful myth that Jews have unique and divine blood which must be preserved in order for the order of the universe to be maintained, and that the blood of the non-Jews is satanic and must be obliterated. This myth is stated throughout the Old Testament, including *Genesis* 28:1, 6. *Exodus* 34:16. *Leviticus* 20:26. *Numbers* 23:9. *Deuteronomy* 7:1-6. *Ezra* 9. *Nehemiah* 9:2; 13:3, 23-30. See my article:

Why Are the Israelis Mass Murdering the Moslems? February 15, 2007

Many of the mythological leading characters in the Old Testament serve as lessons for all generations of Jews to not marry non-Jews, who bring with them dangerous blood and disloyalty to the racist Jewish God. Other lessons in the Old Testament are quite explicit in their hatred of non-Jewish blood, including the works of the prophets Isaiah, Ezekiel, Obadiah, Micah and Zechariah. *Ezra* is also openly racist, and at chapter 9 states:

"Now when these things were done, the princes came to me, saying, The people of Israel, and the priests, and the Levites, have not separated themselves from the people of the lands, doing according to their abominations, even of the Canaanites, the Hittites, the Perizzites, the Jebusites, the Ammonites, the Moabites, the Egyptians, and the Amorites. 2 For they have taken of their daughters for themselves, and for their sons: so that the holy seed have mingled themselves with the people of those lands: yea, the hand of the princes and rulers hath been chief in this trespass. 3

And when I heard this thing, I rent my garment and my mantle, and plucked off the hair of my head and of my beard, and sat down astonied. 4 Then were assembled unto me every one that trembled at the words of the God of Israel, because of the transgression of those that had been carried away; and I sat astonied until the evening sacrifice. 5 And at the evening sacrifice I arose up from my heaviness; and having rent my garment and my mantle, I fell upon my knees, and spread out my hands unto the LORD my God. 6 And said, O my God, I am ashamed and blush to lift up my face to thee, my God: for our iniquities are increased over our head, and our trespass is grown up unto the heavens. 7 Since the days of our fathers have we been in a great trespass unto this day; and for our iniquities have we, our kings, and our priests, been delivered into the hand of the kings of the lands, to the sword, to captivity, and to a spoil, and to confusion of face, as it is this day. 8 And now for a little space grace hath been shewed from the LORD our God, to leave us a remnant to escape, and to give us a nail in his holy place, that our God may lighten our eyes, and give us a little reviving in our bondage. 9 For we were bondmen; yet our God hath not forsaken us in our bondage, but hath extended mercy unto us in the sight of the kings of Persia, to give us a reviving, to set up the house of our God, and to repair the desolations thereof, and to give us a wall in Judah and in Jerusalem. 10 And now, O our God, what shall we say after this? for we have forsaken thy commandments, 11 Which thou hast commanded by thy servants the prophets, saying, The land, unto which ye go to possess it, is an unclean land with the filthiness of

the people of the lands, with their abominations, which have filled it from one end to another with their uncleanness. 12 Now therefore give not your daughters unto their sons, neither take their daughters unto your sons, nor seek their peace or their wealth for ever: that ye may be strong, and eat the good of the land, and leave it for an inheritance to your children for ever. 13 And after all that is come upon us for our evil deeds, and for our great trespass, seeing that thou our God hast punished us less than our iniquities deserve, and hast given us such deliverance as this; 14 Should we again break thy commandments, and join in affinity with the people of these abominations? wouldest not thou be angry with us till thou hadst consumed us, so that there should be no remnant nor escaping? 15 O LORD God of Israel, thou art righteous: for we remain yet escaped, as it is this day: behold, we are before thee in our trespasses: for we cannot stand before thee because of this."

The Jews stand upon several religious genocidal myths to justify their mass murder of the Goyim. One is the assertion that the Jewish God endorses the Jews' genocide in order to enable the Jews to steal the land and possessions of non-Jews. The Jewish Old Testament book of *Joshua* provides a good example of this genocidal Jewish doctrine. For example, *Joshua* chapter 23 states:

"1 And it came to pass a long time after that the LORD had given rest unto Israel from all their enemies round about, that Joshua waxed old and

stricken in age. 2 And Joshua called for all Israel, and for their elders, and for their heads, and for their judges, and for their officers, and said unto them, I am old and stricken in age: 3 And ye have seen all that the LORD your God hath done unto all these nations because of you; for the LORD your God is he that hath fought for you. 4 Behold, I have divided unto you by lot these nations that remain, to be an inheritance for your tribes, from Jordan, with all the nations that I have cut off, even unto the great sea westward. 5 And the LORD your God, he shall expel them from before you, and drive them from out of your sight; and ye shall possess their land, as the LORD your God hath promised unto you. 6 Be ye therefore very courageous to keep and to do all that is written in the book of the law of Moses, that ye turn not aside therefrom to the right hand or to the left; 7 That ye come not among these nations, these that remain among you; neither make mention of the name of their gods, nor cause to swear by them, neither serve them, nor bow yourselves unto them: 8 But cleave unto the LORD your God, as ye have done unto this day. 9 For the LORD hath driven out from before you great nations and strong: but as for you, no man hath been able to stand before you unto this day. 10 One man of you shall chase a thousand: for the LORD your God, he it is that fighteth for you, as he hath promised you. 11 Take good heed therefore unto yourselves, that ye love the LORD your God. 12 Else if ye do in any wise go back, and cleave unto the remnant of these nations, even these that remain among you, and shall make marriages with them, and go in unto them, and they to you: 13 Know for a certainty that the

LORD your God will no more drive out any of these nations from before you; but they shall be snares and traps unto you, and scourges in your sides, and thorns in your eyes, until ye perish from off this good land which the LORD your God hath given you. 14 And, behold, this day I am going the way of all the earth: and ye know in all your hearts and in all your souls, that not one thing hath failed of all the good things which the LORD your God spake concerning you; all are come to pass unto you, and not one thing hath failed thereof. 15 Therefore it shall come to pass, that as all good things are come upon you, which the LORD your God promised you; so shall the LORD bring upon you all evil things, until he have destroyed you from off this good land which the LORD your God hath given you. 16 When ye have transgressed the covenant of the LORD your God, which he commanded you, and have gone and served other gods, and bowed yourselves to them; then shall the anger of the LORD be kindled against you, and ye shall perish quickly from off the good land which he hath given unto you."

The genocidal Jewish mythology of Esau and Jacob attempts to scapegoat non-Jews for the Jewish hatred of the human race. In this story, twin sons of Isaac are born, and by law Isaac's inheritance to belongs to the older of these son's, Esau. The younger son, Jacob, the father of the Jews, steals Esau's birthright through trickery and lies. This story is yet another instance of the perverse Jewish mentality, which glorifies hatred, theft, deceit, racism and supremacy.

The Jews consider Esau to be the father of the Goyim, who will forever hate Jews, and Jacob the

father of the Jews, the Jews who must murder all descendants of Esau, or die at Esau's hand. The Jews thereby justify their hatred of humanity and desire to exterminate the human race, by creating the mythology that non-Jews have a biological and unjust hatred of the Jew and desire to exterminate the just Jew, who in their minds has a God given right to steal from and murder the non-Jew with there being no justifiable reason for the non-Jew to resent the Jew's thievery or the Jew's murder, because the Jewish God himself has made the Jew a thief and a murderer by nature, and has made the Goy the whipping boy of the genocidal Jew. The Jews also condemn the Gentiles to be the slaves and soldiers of the Jew, and blame the Gentiles for their supremacist Jewish doctrines.

Genesis 25:23 states:

"23 And the LORD said unto her, Two nations are in thy womb, and two manner of people shall be separated from thy bowels; and the one people shall be stronger than the other people; and the elder shall serve the younger. 24 And when her days to be delivered were fulfilled, behold, there were twins in her womb. 25 And the first came out red, all over like an hairy garment; and they called his name Esau."

Genesis 27:38-41 states:

"38 And Esau said unto his father, Hast thou but one blessing, my father? bless me, even me also, O my father. And Esau lifted up his voice, and wept. 39 And Isaac his father answered and said unto him, Behold, thy dwelling shall be the fatness of the earth, and of the dew of heaven from above; 40

And by thy sword shalt thou live, and shalt serve thy brother; and it shall come to pass when thou shalt have the dominion, that thou shalt break his yoke from off thy neck. 41 And Esau hated Jacob because of the blessing wherewith his father blessed him: and Esau said in his heart, The days of mourning for my father are at hand; then will I slay my brother Jacob."

Genesis 32:11 states:

"11 Deliver me, I pray thee, from the hand of my brother, from the hand of Esau: for I fear him, lest he will come and smite me, and the mother with the children."

The Jews further their racist and supremacist mythology of Esau into a *commandment* from their racist God to conduct a perpetual genocidal war of absolute extermination against the hated Goyim in each generation until the Goyim completely perish forever from the book of life. The Jews created a myth that Amalek, a descendant of Esau, attacked the Jews when they left Egypt with the Egyptians' wealth, and thereby exposed the vulnerability of the Jews who have always been relatively few in number. Upon this mythological pretext, which again scapegoats non-Jews for genocidal Jewish aggression, the Jews hold that they have a divine commandment to exterminate all non-Jews, whom they identify as Esau and his supposed descendants, Amalek, Haman, the Armenians, the Germans, the Palestinians, etc. and ultimately all non-Jews and mixed Jews.

Genesis 14:7 states:

"And they returned, and came to En-mishpat, which is Kadesh, and smote all the country of the Amalekites, and also the Amorites that dwelt in Hazezon-tamar."

Genesis 36:9-12, 16 states:

"9 And these are the generations of Esau the father of the Edomites in mount Seir: 10 These are the names of Esau's sons; Eliphaz the son of Adah the wife of Esau, Reuel the son of Bashemath the wife of Esau. 11 And the sons of Eliphaz were Teman, Omar, Zepho, and Gatam, and Kenaz. 12 And Timna was concubine to Eliphaz Esau's son; and she bare to Eliphaz Amalek: these were the sons of Adah Esau's wife. [***] 16 Duke Korah, duke Gatam, and duke Amalek: these are the dukes that came of Eliphaz in the land of Edom; these were the sons of Adah."

Exodus 17:8-11, 13-14, 16 states:

"8 Then came Amalek, and fought with Israel in Rephidim. 9 And Moses said unto Joshua, Choose us out men, and go out, fight with Amalek: to morrow I will stand on the top of the hill with the rod of God in mine hand. 10 So Joshua did as Moses had said to him, and fought with Amalek: and Moses, Aaron, and Hur went up to the top of the hill. 11 And it came to pass, when Moses held up his hand, that Israel prevailed: and when he let down his hand, Amalek prevailed. 12 But Moses' hands were heavy; and they took a

stone, and put it under him, and he sat thereon; and Aaron and Hur stayed up his hands, the one on the one side, and the other on the other side; and his hands were steady until the going down of the sun. 13 And Joshua discomfited Amalek and his people with the edge of the sword. 14 And the LORD said unto Moses, Write this for a memorial in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven. 15 And Moses built an altar, and called the name of it Jehovah-nissi: 16 For he said, Because the LORD hath sworn that the LORD will have war with Amalek from generation to generation."

Deuteronomy 7:2 states:

"And when the LORD thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:"

Deuteronomy 25:17-19 states:

"17 Remember what Amalek did unto thee by the way, when ye were come forth out of Egypt; 18 How he met thee by the way, and smote the hindmost of thee, even all that were feeble behind thee, when thou wast faint and weary; and he feared not God. 19 Therefore it shall be, when the LORD thy God hath given thee rest from all thine enemies round about, in the land which the LORD thy God giveth thee for an inheritance to possess it, that

thou shalt blot out the remembrance of Amalek from under heaven; thou shalt not forget it."

Numbers 24:17-20 states,

"17 I shall see him, but not now: I shall behold him, but not nigh: there shall come a Star out of Jacob, and a Sceptre shall rise out of Israel, and shall smite the corners of Moab, and destroy all the children of Sheth. 18 And Edom shall be a possession, Seir also shall be a possession for his enemies; and Israel shall do valiantly. 19 Out of Jacob shall come he that shall have dominion, and shall destroy him that remaineth of the city. 20 And when he looked on Amalek, he took up his parable, and said, Amalek was the first of the nations; but his latter end shall be that he perish for ever."

Numbers 33:50-56 states:

"50 And the LORD spake unto Moses in the plains of Moab by Jordan near Jericho, saying, 51 Speak unto the children of Israel, and say unto them, When ye are passed over Jordan into the land of Canaan; 52 Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places: 53 And ye shall dispossess the inhabitants of the land, and dwell therein: for I have given you the land to possess it. 54 And ye shall divide the land by lot for an inheritance among your families: and to the

more ye shall give the more inheritance, and to the fewer ye shall give the less inheritance: every man's inheritance shall be in the place where his lot falleth; according to the tribes of your fathers ye shall inherit. 55 But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, that those which ye let remain of them shall be pricks in your eyes, and thorns in your sides, and shall vex you in the land wherein ye dwell. 56 Moreover it shall come to pass, that I shall do unto you, as I thought to do unto them."

I *Samuel* 15:1-35 states:

"Samuel also said unto Saul, The LORD sent me to anoint thee to be king over his people, over Israel: now therefore hearken thou unto the voice of the words of the LORD. 2 Thus saith the LORD of hosts, I remember that which Amalek did to Israel, how he laid wait for him in the way, when he came up from Egypt. 3 Now go and smite Amalek, and utterly destroy all that they have, and spare them not; but slay both man and woman, infant and suckling, ox and sheep, camel and ass. 4 And Saul gathered the people together, and numbered them in Telaim, two hundred thousand footmen, and ten thousand men of Judah. 5 And Saul came to a city of Amalek, and laid wait in the valley. 6 And Saul said unto the Kenites, Go, depart, get you down from among the Amalekites, lest I destroy you with them: for ye shewed kindness to all the children of Israel, when they came up out of

Egypt. So the Kenites departed from among the Amalekites. 7 And Saul smote the Amalekites from Havilah until thou comest to Shur, that is over against Egypt. 8 And he took Agag the king of the Amalekites alive, and utterly destroyed all the people with the edge of the sword. 9 But Saul and the people spared Agag, and the best of the sheep, and of the oxen, and of the fatlings, and the lambs, and all that was good, and would not utterly destroy them: but every thing that was vile and refuse, that they destroyed utterly. 10 Then came the word of the LORD unto Samuel, saying, 11 It repenteth me that I have set up Saul to be king: for he is turned back from following me, and hath not performed my commandments. And it grieved Samuel; and he cried unto the LORD all night. 12 And when Samuel rose early to meet Saul in the morning, it was told Samuel, saying, Saul came to Carmel, and, behold, he set him up a place, and is gone about, and passed on, and gone down to Gilgal. 13 And Samuel came to Saul: and Saul said unto him, Blessed be thou of the LORD: I have performed the commandment of the LORD. 14 And Samuel said, What meaneth then this bleating of the sheep in mine ears, and the lowing of the oxen which I hear? 15 And Saul said, They have brought them from the Amalekites: for the people spared the best of the sheep and of the oxen, to sacrifice unto the LORD thy God; and the rest we have utterly destroyed. 16 Then Samuel said unto Saul, Stay, and I will tell thee what the LORD hath said to me this night. And he said unto him, Say on. 17 And Samuel said, When thou wast little in thine own sight, wast thou not made the head of the tribes of Israel, and the LORD anointed thee king

over Israel? 18 And the LORD sent thee on a journey, and said, Go and utterly destroy the sinners the Amalekites, and fight against them until they be consumed. 19 Wherefore then didst thou not obey the voice of the LORD, but didst fly upon the spoil, and didst evil in the sight of the LORD? 20 And Saul said unto Samuel, Yea, I have obeyed the voice of the LORD, and have gone the way which the LORD sent me, and have brought Agag the king of Amalek, and have utterly destroyed the Amalekites. 21 But the people took of the spoil, sheep and oxen, the chief of the things which should have been utterly destroyed, to sacrifice unto the LORD thy God in Gilgal. 22 And Samuel said, Hath the LORD as great delight in burnt offerings and sacrifices, as in obeying the voice of the LORD? Behold, to obey is better than sacrifice, and to hearken than the fat of rams. 23 For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the LORD, he hath also rejected thee from being king. 24 And Saul said unto Samuel, I have sinned: for I have transgressed the commandment of the LORD, and thy words: because I feared the people, and obeyed their voice. 25 Now therefore, I pray thee, pardon my sin, and turn again with me, that I may worship the LORD. 26 And Samuel said unto Saul, I will not return with thee: for thou hast rejected the word of the LORD, and the LORD hath rejected thee from being king over Israel. 27 And as Samuel turned about to go away, he laid hold upon the skirt of his mantle, and it rent. 28 And Samuel said unto him, The LORD hath rent the kingdom of Israel from thee this day, and hath given it to a neighbour of thine, that is

better than thou. 29 And also the Strength of Israel will not lie nor repent: for he is not a man, that he should repent. 30 Then he said, I have sinned: yet honour me now, I pray thee, before the elders of my people, and before Israel, and turn again with me, that I may worship the LORD thy God. 31 So Samuel turned again after Saul; and Saul worshipped the LORD. 32 ¶ Then said Samuel, Bring ye hither to me Agag the king of the Amalekites. And Agag came unto him delicately. And Agag said, Surely the bitterness of death is past. 33 And Samuel said, As thy sword hath made women childless, so shall thy mother be childless among women. And Samuel hewed Agag in pieces before the LORD in Gilgal. 34 Then Samuel went to Ramah; and Saul went up to his house to Gibeah of Saul. 35 And Samuel came no more to see Saul until the day of his death: nevertheless Samuel mourned for Saul: and the LORD repented that he had made Saul king over Israel."

Malachi 1:1-14 states,

"1 The burden of the word of the LORD to Israel by Malachi. 2 I have loved you, saith the LORD. Yet ye say, Wherein hast thou loved us? Was not Esau Jacob's brother? saith the LORD: yet I loved Jacob, 3 And I hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness. 4 Whereas Edom saith, We are impoverished, but we will return and build the desolate places; thus saith the LORD of hosts, They shall build, but I will throw down; and they shall call them, The border of wickedness, and, The

people against whom the LORD hath indignation for ever. 5 And your eyes shall see, and ye shall say, The LORD will be magnified from the border of Israel. 6 A son honoureth his father, and a servant his master: if then I be a father, where is mine honour? and if I be a master, where is my fear? saith the LORD of hosts unto you, O priests, that despise my name. And ye say, Wherein have we despised thy name? 7 Ye offer polluted bread upon mine altar; and ye say, Wherein have we polluted thee? In that ye say, The table of the LORD is contemptible. 8 And if ye offer the blind for sacrifice, is it not evil? and if ye offer the lame and sick, is it not evil? offer it now unto thy governor; will he be pleased with thee, or accept thy person? saith the LORD of hosts. 9 And now, I pray you, beseech God that he will be gracious unto us: this hath been by your means: will he regard your persons? saith the LORD of hosts. 10 Who is there even among you that would shut the doors for nought? neither do ye kindle fire on mine altar for nought. I have no pleasure in you, saith the LORD of hosts, neither will I accept an offering at your hand. 11 For from the rising of the sun even unto the going down of the same my name shall be great among the Gentiles; and in every place incense shall be offered unto my name, and a pure offering: for my name shall be great among the heathen, saith the LORD of hosts. 12 But ye have profaned it, in that ye say, The table of the LORD is polluted; and the fruit thereof, even his meat, is contemptible. 13 Ye said also, Behold, what a weariness is it! and ye have snuffed at it, saith the LORD of hosts; and ye brought that which was torn, and the lame, and the sick; thus ye brought an offering:

should I accept this of your hand? saith the LORD. 14 But cursed be the deceiver, which hath in his flock a male, and voweth, and sacrificeth unto the LORD a corrupt thing: for I am a great King, saith the LORD of hosts, and my name is dreadful among the heathen."

The Jewish book of *Esther* tells the mythological story of a crypto-Jewess who tricks a Goy nation into genociding its own People, much like the Jews tricked the European People into genociding their own People in two world wars and Bolshevik revolutions. The bloodthirsty Jews will not stop attacking humankind unless we stop them. They have been fighting a war of extermination against humanity for 2,500 years, and are about to win it. All we need do to stop them is to stop being afraid of them. That is their own lesson in their mythology of Amalek. All we need do is counter-attack and we will quickly put an end to the endless war of the enemy of the human race.

The "POWER PARTY" Political Platform

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have mass murdered hundreds of millions of innocent human beings. The Jews, as a People, have openly declared war on humanity and are today agitating for a nuclear war which will eradicate human life. They are an open threat to every person on the Earth. We must respond to this threat or risk the imminent end of human existence at the hands of the hostile Jewish People.

I am in the process of creating a political platform for the American political party I have named the "POWER PARTY". The portion of this platform which treats of the Jewish question is as follows:

1). The POWER PARTY will a seek a Congressional declaration of war against the enemy

nation of Israel, which racist and apartheid "Jewish State" has been continuously waging war against the United States of America, and the rest of humanity since its inception in 1948.

2). The POWER PARTY will seek to pass laws which will exclude all Jews from politics, the press, education, all religions and the professions. Jews will have to register as Jews with the Federal Government and will be barred by Federal law from interfering in any respect in the fields named.

3). The POWER PARTY will seek laws which will forbid marriages and the creation of children between Jews with other Jews, or Jews with Whites. Jews may marry Blacks and Asians, but no other ethnicity. All children born to Jews must be tested to ensure that at least one of the parents is Black or Asian, or the child must be surrendered to the State as if an orphan.

4). The POWER PARTY will seek laws which will protect America from treasonous Zionists past, present and future. The laws regarding *ex post facto* doctrines must be amended to take into account the fact that the Jews have corrupted the normal healthy function of the Government of the United States of America to protect its citizenry, and therefore Jews and other Zionists cannot claim any right of a defense based upon *ex post facto* principles.

5). The POWER PARTY will seek laws which establish a new class of enemy to be known as "enemies of the human race". Any Jew who continues to practice Judaism, or who demonstrates any loyalty to Israel, or who has participated in the banking industry will

be deemed an "enemy of the human race" and will be a target of opportunity for the United States Military. All statements, written, oral, or otherwise, of a Judaist nature must be accompanied at the beginning and at every 500th word interval thereafter with the warning:

"WARNING!!! This Jewish hate literature calls for the extermination of the human race and has already inspired the racist Jews to genocide hundreds of millions of non-Jews, to destroy countless cultures, to poison the Earth, and to instigate wars and destructive revolutions around the globe. The racist and genocidal beliefs iterated in Jewish hate literature are dangerous to human life and are mental poison that generates genocidal mental disease. The Jews, themselves, whose supremacist culture and racist clannishness are products of this hate literature, are carriers of this contagion which threatens the continued existence of the human race."

All Jews must be under continuous surveillance and submit to government interrogation every quarter for the duration of the war against Israel plus 20 years. The Jews will be taxed to pay for this burden on American society.

6). The POWER PARTY will seek a 100% inheritance tax on all Jews and impose a wealth tax on Jews which will prohibit the transfer of wealth from one generation of Jews to the next and which will prevent any Jew from owning wealth in excess of the national

average.

7). The POWER PARTY will seek laws which will make it a crime for any Jew to communicate with any other Jew outside of the Jew's nuclear family, or with any person outside of the United States of America. Jews will be barred by law from accessing the internet, using telephones, or any other like means of communication.

8). The POWER PARTY will mandate that all citizens above the age of 16 attend classes which will instruct them as to the history, nature and danger of the ancient Jewish war on the human race. Jews and their apologists will be barred by law from contradicting any aspect of this educational material. Any such attempt to refute State dogma on the Jewish question will be deemed "Hate Speech and an Attack on the Human Race" and will be proscribed by law.

9). The POWER PARTY will seek laws which will require "Shabbataians" and "Frankists" to declare themselves to the Government and reveal any and all information related to the sect, including literature, legends, plans, practices, members of the sect, etc.

We must either face the Jewish Peril directly and unapologetically, or stand helplessly by as the Jews murder the human race.

Don't Burn Down the Barn to Kill the Rats! The Mature and Civilized Tasks of the "Power Party"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is an old story of a Dutchman who became so frustrated trying to chase out the rats from his barn, that he burned down the barn to kill the rats. The likely outcome would be that the rats would escape, and the farmer would starve. The rats would then eat his corpse.

The Jews and Freemasons are sparking riots and protests across Europe:

'Greek Syndrome' is catching

The Jews are also promoting a nihilistic revolution in America. The Jews want Americans to burn their own Constitution and their own country.

America has a rat problem. We should not burn our barns to kill the rats. We should instead rid ourselves of the rats so our farms will be more productive.

The Nazis did not build the German economy by destroying it. Instead, they removed Jewish influence from the press, government and the creation of money and loan capital. The Germans also promoted German pride and the cooperation of German citizens to build Germany, not burn it down. Germany grew, though the effort was subverted by Hitler and his war policies. Hitler then defeated the German war effort he had started.

We do not need dictatorship. We need generalship to fight back against the Jews who are waging war on us. We need not burn our Constitution nor resent our heritage as a democratic People. We can improve our Constitution and ensure that it functions for our best interests by removing the Jews from public life through a series of new laws and by declaring war on Israel, which has already been waging war on us.

Countless nations that have endured the Jewish attack on the human race have saved themselves by removing Jewish influence from the reins of power, including the educational systems, the press, the government, the professional institutions, the religious institutions, etc. By their actions throughout their history, and by their open declarations of war on humanity, the Jews have shown themselves to be hostile to the interests of all other Peoples and must be dealt with accordingly if we are to save the human race from the Jewish aggression.

To destroy America would only make the Jews' job of stealing our rights and murdering our People that much easier, because we ourselves would serve them with the gun and with the torch to burn our own barns and murder our neighbors just as happened to Russia when the workers took the Jews' advice to destroy Russia in the name of freeing Russia.

The rabies will subside when the rabbis are defanged. The disloyal Jews have demonstrated that they are a hostile force unfit to occupy any position in the press or government of the United States. Nor should they be permitted to vote or educate our children. If we repeat the mistakes of other nations which followed the Jewish model for their destruction, the Jews will destroy our country roots to leaves. We are far better off to stop calling the rats people and address the problem directly, than to destroy ourselves in the hope that we can take them down with us.

We need to start acting like the intelligent, civilized and creative Americans that we are, instead of the foaming at the mouth torch bearing peasants the Jews would have us become. Though we indeed must take out the vampires, let us do so scientifically with the minimum destruction of our own interests possible. Let's use advanced means to locate the sickness and cure it, rather than hoot and holler and toss flames on the dry grass. All we need do is start working in our own interests, remove the traitorous and hostile Jew from the press through new laws, and we will quickly outpace every other nation on Earth.

In the process we will fight back against Israel, manufacture our own new currency, provide new loan and manufacturing capital, and provide our own food. We can easily do this without tearing apart our cities and giving the Jewish occupied government a pretext to impose martial law. All we need do is stop being afraid, assert our rights and take responsibility for ourselves and our fellow citizens. It will then be natural for us to vote for those who want to build America and to fight back against those who are destroying America, the International Jew.

Why is the Jew international? Because the Jew despises every other human being and wants to kill them. The Jew resents the fact that other People are healthy and happy, while the Jew is sick and self loathing. Only by entering the healthy societies of other Peoples can the Jew infect them with his hatred, degeneracy and death. The Jew then returns to the burned barns of normal human beings, and sniffs and sorts the ashes for bones to gnaw on.

Promote health, and you punish the Jew. Promote strength and cooperation, and you weaken the Jew. Participate in government and media, and you rebel against the Jew. Assert your power

in productive ways, and you crush the Jew. Live in peace, and you bankrupt the Jew. These are the ways to fight them.

It is a disgrace that the Greeks have become cabalistic Jews carrying out mindless revolt which only weakens them, but it is no accident. It is Jewry at work turning great Peoples and ancient civilizations into primitive self destructive savages. We are smart enough not to fall into that old and rusty Jewish trap.

The Jews are the problem. Only by focusing on the problem can we solve it. The enlightened and civilized man has at his disposal the numbers and the means to unseat the Jew from power and to build his nation in the process. It is his genetic heritage and his cultural heritage to fight the Jew without killing himself.

The Tyranny of the Reckless Ass Over the Responsible Citizen and of the Old Over the Young: A "Statement of Duties" to Balance the "Bill of Rights"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Our Constitution was amended to incorporate a "Bill of Rights", but failed to include a

"Statement of Duties". A nation with a strong respect for individual rights which disregards the responsibilities of citizens to themselves and others leads to the tyranny of the reckless ass over the responsible citizen.

Americans recognize the rights of children to an education, but we ignore the duty that parents bear to ensure that education is productive and successful in producing honorable productive citizens who are a benefit to their fellow citizens, rather than a burden. While we have created a right for the State to educate children and insist that children be educated, we have not recognized the parent's right to control the form, nature and content of that education. As a result, our education system stinks and the citizen we produce through our education system tends to be lazy, ignorant, easily controlled and irresponsible.

The majority of the citizens we are producing do not defend the nation, do not contribute to building a strong nation, and become a burden on the more responsible citizen who recognizes his duties and who was raised by responsible parents. The responsible citizen then suffers under the tyranny of the reckless ass whose rights are recognized and enforced even when the reckless ass has failed to fulfil his duties to himself and to his country.

In this instance, our political party, which I shall temporarily dub the "Power Party" (the power is ours, we need only assert it), the Power Party will introduce a "Statement of Duties" to be amended to the Constitution to protect the responsible citizen from the reckless ass. In the case of education, our principles will require the State to enforce both rights and duties of individuals. Children will enjoy the right of education at the level of their intelligence and talents. We should devote more money to educating our best and less to those who do not

benefit from education. The State has the duty to provide this education, but it shall be the right of the parent to educate their own child. It shall also be the right of the parents as a community to dictate to the State the form, nature and content of the education which their children receive. It shall be the duty of the parent to ensure that his child performs to his ability in the schools, and should the parent neglect to honor this duty, the parent shall surrender the right of education of the child to the State and to the Community, which shall then bear the duty to educate the child to Community standards and to the commensurate level of the child's abilities.

"Those who fail to perform their duties thereby surrender their rights." will be the First Amendment to the "Statement of Duties" which we will amend to the United States Consititution.

It shall be the right of every American citizen to receive reasonable health care. The word "reasonable" is key. It is not reasonable to spend tens of millions of dollars to treat an eighty year old man who will likely die of his disease, when the same money and manpower among our limited resources could be spent treating young children.

It will be the duty of the State and the Community (Community will also be a new entity and term introduced into the amended Constitution, which Community will enjoy rights and bear duties) to provide medical care to every citizen. However, it will be the duty of every citizen to take reasonable measures to protect his health and well being. Stepping on the top of a step ladder to staple Christmas lights on the soffit of your house is not a responsible or reasonable action, and if you fall and break your neck, I should not have to pay for your medical treatment and a doctor should not be obliged to take himself away from patients who can recover from

their illness, while you are going to remain a blob and a burden for the remainder of your existence. Those who smoke, drink excessively, are obese, or are reckless in their actions in avoidance of their duties to society thereby surrender their rights to medical treatment for the conditions a reasonable man should expect to result from such knowing and willful behavior. The citizen shall have the right to responsible treatment and the doctor the duty to provide it, and the doctor who fails to provide it shall be criminally and civilly responsible and NO medical society shall be allowed to exist which seeks to deny the rights of the patient, or which encourages doctors to defend other doctors against the rights of patients and in avoidance of the duties of doctors.

In this way, doctors will have the right to refuse or limit treatments to those who have not fulfilled their responsibility to maintain their health and to those less likely to benefit from treatment than those younger, healthier, and/or more likely to benefit from treatment; where such tradeoffs are a necessity and such choices must be made.

The Jews have made a racket out of corrupting our society through the recognition of rights and denial of duties. The Jews sell us tobacco and alcohol under the false belief that it is a right to poison ones self, and in this way enslave the responsible citizen through the costs that the reckless ass imposes on society. The Jews organize the medical profession to work against the interests of the patients and society at large, while obstructing the rights of the young and poor. Our Power Party shall be devoted to recognizing the rights of the young over the wealth and power of the old, whose wealth and power will increase the duties of the old and lessen their rights. We must recognize our duty as a People to strengthen each generation and the rights of

our children to inherit a better world and to enjoy the fruit of our society which is today being hoarded by the old super rich and their families.

Eugen Dühring's Solutions to the Jewish Question

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The chief goal of our new political party will be to solve the Jewish problem, which threatens not only the vitality of our nation, but the continued existence of human life. I have been exploring past attempts at a resolution to the Jewish problem. Eugen Karl Dühring's book *Die Judenfrage als Frage des Rasencharakters und seiner Schaedlichkeiten fuer Voelkerexistenz, Sitte und Cultur. Mit einer denkerisch freiheitlichen und praktisch abschliessenden Antwort* is an historically important work which attempted to redress the Jewish attack on Germany. The German fifth edition of 1901 is available as a pdf facsimile for free:

http://books.google.com/books?id=rvfV4H4f5z4C&oe=UTF-8

A substantial portion of this fifth edition has been translated to English by Alexander Jacob as

Eugen Dühring on the Jews, Nineteen Eighty Four Press, Brighton, England, (1997). I have seen online versions of it for free but could not track one down today. The ISBN is: 0-906879-31-0.

The German fourth edition of 1892 is also available online for free:

http://www.archive.org/details/diejudenfrageals00dhuoft

Dühring reads as if he had written his book to answer the Jewish problem we face in America today. The Jews had taken over the German press, theater, opera, government, universities, etc. Dühring spoke out against Marx and Engels and the Jewish Communists' takeover of the Universities in Germany in his book *Kritische Geschichte der Nationaloekonomie und des Socialismus*, Fues's Verlag, (1879); which is available online for free:

The Organic Health of a Great and Enduring Nation

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are poisoning Americans with genetically modified foods sprayed with pesticides then irradiated, meat products dosed with hormones, antibiotics and the toxins they have dispersed in our environment and in the genetically modified poisoned grains they feed the animals, etc. We now have to pay a substantial premium to buy "organic" foods, which in general are not only healthier, but taste better, which foods are now quite popular. Since these organic foods are popular, one would think the pressure on the marketplace to increase production of organic foods would squeeze out the synthetic foods, which would then lower the price of the superior organic foods through the mechanism of an economy of scale.

Like our Jewish manufactured kosher stamped crap foods, our People have in many senses become a synthetic People, an artificial People, a plastic People injection molded through a Jewish press into the formless blob of a fat murderous mob, without self respect, loyalty to our People, or even a sense of what our nation represents, let alone its importance to us and to our fellow citizens. The average weak-minded American has become a stupid grazing cow, belled, tied, branded and fattened for the slaughter.

Many nations which have allowed foreign invasions of immigrants unlike the rootstock of the nation itself have dissolved through time into inferior and then extinct nations. The Jews corrupted the American Government to permit the invasion of Eastern European Jews, who then took over the press and universities and poisoned our political environment to favor Jewish interests. The Jews were able to do this because they entered a World of decent Americans, who were not trained to combat the war the tribe of Jews raged against them. Unlike the old nations of Europe, Americans mistakenly believed that the Jews were like them, that

they would honor normal human standards of morality. The Americans were fresh meat for the parasitic Jews, who dug in deep and have now chewed us down to the bone. We Americans did not have time to develop the necessary immunity to the Jewish disease, the natural resistence to the plague which has emerged in other nations which have been exposed to the illness for thousands of years.

A sound nation knows itself, loves itself and protects itself. The Jews know this. That is why they immediately infected the brain of America to turn us into a rabid degenerate monster that began to bite nations all over the globe and spread the Jewish disease of internationalism, perpetual war and perpetual revolution. The infected traitors in our government, universities and press drool and spit as they speak praise of the parasite which has burrowed into their brains, and they twitch and flinch like a Jewish rag peddler as they lie to Americans and scapegoat us for the crimes of the Jews. And so the American eagle serves the flea, just as the Russian bear dances in a Jewish circus for the tick.

But in Europe they know the Jew. White antibodies are circulating in the blood of the nations ready to consume the infection. This time, America must join them in the struggle to end the Jewish war on the human race. We might even have to take the lead, since we are the most powerful and the most horrifically led by the virus of hate which is the Jewish People.

To fight the Jew, we must become organically and spiritually strong as a nation, as a People, as individuals. We must take pride in ourselves, our People and our nation. We must see ourselves as unique, deserving of preservation and a blessing to humanity. We must shed off the dried skin the snake of the Jews has draped over our self image and emerge anew as dignified and

strong Americans who are united to fight the common enemy which has been waging war on us for 2,500 years. We must determine to defeat the vampire and burst its dead heart with a well placed stake focused on the foe.

The Jews want us to hate ourselves, to see our nation as if it were an international whore and gambling house, where the scum of the World come to entertain themselves and toss a few pennies into the begging bowl so that not all of us starve to death. We must resist the psychological war the Jew is waging against us.

Our new political party will emphasize nationalism as a healthy organic biological need. We are a mutually sustaining life force. We give each other food. We bring each other company and spiritual guidance and strength. We raise each others houses. We fight to protect each other. We unite when hordes of alien thieves come to rob us and destroy our neighborhoods.

The Jews have deliberately promoted the myth among our People that individualism detests cooperation and mutual responsibility. In fact, the strong individual is the best aide to his neighbor.

Our society and our territory are our biological fortress. We strengthen ourselves as a People when we strengthen each other. We defend our genetic heritage when we defend our territory and keep it clean and safe. We prevent attack when we maintain good relations with the other Peoples of the Earth, the hateful Jews who constantly war against humanity, excluded.

We can come to view ourselves as a living, growing, and improving human spirit that endures

because it is glorious and righteous and united. As has happened in all nations which have survived the Jewish infection, we can come to see the Jewish face as the hostile, hateful, evil and murderous danger it is. But we can also look upon our own faces with love, respect and admiration. Our nation and our People can become the organic source of happiness a successful and enduring society can and must be. All we need do is purge ourselves of the Jewish hate invective directed against us by the Jews who are corrupting and poisoning our World. All we need do is realize that the Jews are warring against us and begin to fight back against them.

The Jews are a small, physically weak and mentally sick People. We must not allow them to destroy the human race. There are civilized ways we can try to defeat them, but should those methods fail or the hour become too late, we must do whatever is necessary to protect the human race from the Jews.

The scales of justice are in our favor. The Jews have murdered hundreds of millions of non-Jews. To promote a racist apartheid nation of five million Jews, the Jews plan to genocide six billion non-Jews. Justice demands that we do whatever is necessary to defend the six billion against the hostile fifteen million hatemongering, warmongering Jews who are at this very moment working as hard as they can to drive us into a nuclear World War Three, and who are the inheritors of the ungodly Jewish war on the human being which left more than one hundred million murdered in the last century. Justice and common sense demand that the many righteous billions defend themselves from the sick few millions who are out to murder them. Sanity demands that we fight back against the mad and murderous Jews who are attacking us.

We will win back our dignity and our health, our organic national strength and we can then

build an enduring country for our children to enjoy through the countless generations of healthy Americans who will be our legacy if we defeat the Jews.

Conditioned to Not Care

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have long been contemplating what it is that renders the American People impotent in the struggle against the Jewish war on the human race. Americans are too cowardly to speak the truth, let alone organize to crush the little cockroach which hides from the light.

There are no massive protests in the streets against the Jews who are literally killing us. Why is it that we elect the Jews and their puppets knowing how corrupt and hostile to our interests they are? Why is it that we allow the Jews to dominate our mass media, and our educational and professional institutions, as well as our public discourse?

Why do we let the Jews impoverish our fellow citizens, ruin our schools and poison our children? Why do we not care that our children are saddled with unpayable debts resulting from

Jewish theft and Jewish wars? Why don't we stop the Jews from ruining our national reputation? Why don't we imprison the Jews who are deliberately destroying our nation?

I believe that Americans no longer care about our nation, and not only do not care about our fellow citizens, but do not even view them as fellow Americans who will fight and die for one another.

The Jews have deliberately imported millions of illegal foreigners and I argue that this invasion has desensitized us to the plight of our fellow Americans and left us devoid of a national consciousness which would impel us to help our fellow Americans out of poverty. The illegals degrade our culture. They tend to be ruder, more criminal and more poorly educated than Americans. Their presence tends to rob us of our sense that we are a distinct People who have a responsibility to each other and to our nation. Instead, we exploit the illegals and grow accustomed to view the poor as alien and unimportant, unlike us, and destined to be exploited.

The Jews also made us grow accustomed to gross disparity of income, as if it were an expression of a healthy and "free" society. The Rothschilds promoted robber baron culture in America and we have yet to escape it. In fact the gap between rich and poor is ever increasing. The Jews call us "Communists" if we object to their exploitation of our own People. At the same time, the Jewish Communists propagandize the poor to destroy their own nation in the name of freeing themselves from the rich, in order for the Jews to gain absolute control, and with it create an absolutely polarized society of the obscenely wealthy and the grotesquely poor, and in order to mass murder the best of the Gentiles and take their positions and possessions. The Jews have conditioned us to despise the poor and view them as aliens deserving of their fate, instead of

fellow Americans to whom we owe a responsibility to protect and assist, just as in a war we defend and help each other.

The Jews also promoted a slum culture in American cities, especially when they promoted the migration of black agricultural workers from the south to serve as cheap labor in the factories, slaughterhouses, etc. in the North, and then the migration of illegals from Mexico and points south to undercut even the lowered wages of the blacks and destroy what was America. The Jews propagandize us with the myth that there is nothing we can do to improve our inner cities, and we grow accustomed to gigantic open sewers in the heart of our cities, which we now view as foreign territory about which we care not.

The Jews created the slave trade and mass murdered millions of Africans. The Jews then exploited the situation they had created to rip America in half and line us up against one another in the duel between brothers known as the "Civil War". Next, the Jews exploited the South they had led into secession and then burned.

I think these are a few of the reasons why Americans are not yet rising up against the Jews who are killing us. If we took pride in our nation, real pride which would not allow us to permit slums in our cities and foreign invasions, we would fight back against the murderous Jew. If we cared about one another enough to fight for one another, we would not allow the Jew to steal from our elderly and our children. If we had the self respect a national pride promotes, we would not let the Jew rob us of our wealth to pay for their wars in which they murder us, and to pay them for directly stealing trillions from our national purse.

No, we would not let the Jew steal from us and murder us. We would instead lower our collective boot on the collective roach and crush it, then grind it, then scrape it off. After which, we would lift up our heads in pride and lift up our brothers and sisters from poverty and clean off the filth the Jews have poured over our great homeland.

The Jews are very nervous that I am calling for the creation of a new political party to fight back against them. They are especially nervous that I am calling for the rise of a new Presidential candidate to spark the imagination of the American Public and awaken them to the menace as well as to the wonderful potential of our great nation.

The Jewish puppet J. Edgar Hoover made war on the blacks when they sought such a movement and such a leader. The FBI's Cointel-Pro program specifically tried to prevent the formation and cohesion of a black nationalist movement, and to intimidate, discredit and even murder black leaders. The FBI did this to our fellow black citizens for a reason, that reason being identical to the fact that if we can start a cohesive movement and run an authentic Anti-Zionist Presidential candidate we can expose the Jew to daylight and crush the roach, then proceed to build our great nation and strengthen our great People.

What Has Become of Yury Brovko?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Writing about the theory of relativity brought to my mind what I had written about Yury Brovko in my book *The Manufacture and Sale of Saint Einstein* at pages 837-839:

Yury Brovko has alleged that those who spoke out against relativity theory and Einstein in the Soviet Union ran the risk of severe political persecution. Yury Brovko, a critic of Einstein's claims to have originated the theory of relativity and a critic of the theory itself, alleges that there were many secret orders which effectively forbade criticism of Einstein in the U. S. S. R., and which forbade scientific journals, science departments and scientific organizations from receiving, considering, discussing or publishing literature which was critical of Einstein's theories.[1] American physics societies have also refused to consider for publication works critical of "fundamental theories", which is to say works critical of Einstein and "his" theory of relativity, or of quantum mechanics. Brovko refers to secret Orders of the Presidium of the Academy of Sciences of the USSR in 1964 and before, but does not give any specific references to such orders which your author could attempt to verify. Brovko wrote, *inter alia*,

"**В 1964** году Президиум АН СССР издает

закрытое постановление, запрещающее всем научным советам и журналам, научным кафедрам принимать, рассматривать, обсуждать и публиковать работы, критикующие теорию Эйнштейна."[2]

V. A. Bronshten stated in 1968,

"There is a sufficiently large group of pseudoscientists, who specialize in 'refuting' the theory of relativity. As a rule, the efforts of these 'refuters' only reveals their poor scientific literacy, although among them there are people with a university education."

"Есть довольно большая группа гипотезоманов, специализировавшихся на «опровержении» теории относительности. Как правило, усилия этих «опровергателей» лишь отражают их низкую научную грамотность, хотя среди них попадаются и люди с высшим образованием."[3]

and,

"The so-called delirium of inventions and discoveries is one of the forms of paranoia. The nature of the disorder lies in the fact that the patient believes he has made an important invention or salient discovery, and that scientific-conservatives tragically cannot understand him. In this case the person remains completely normal in every other aspect of life, in the family, at work. [***] Thus, just in the year 1966, the Department of General and Applied Physics of the Academy of Science of USSR helped physicians to reveal 24 paranoiacs."

"Одной из форм паранойи является так называемый бред изобретений и открытий. Сущность его состоит в том, что больному кажется, будто он сделал важное изобретение или выдающееся открытие, и что вся беда в том, что его не могут понять ученые-консерваторы. При этом во всем остальном—в жизни, в семье, в работе—человек остается совершенно нормальным. **[...]** Так, только за один **1966** г. Отделение общей и

прикладной физики АН СССР помогло медикам выявить **24** параноика."**[4]**

Lifshitz stated in 1978,

"It appears to me that there are two types of pseudoscientists. One of them--people with paranoid mental lapses, who absolutely believe in what they are saying. These are not scientific afferists, but are simply not completely normal people, whom you unfortunately encounter. They, as a rule, are occupied by fundamental questions: they refute quantum mechanics, the theory of relativity and so forth. However, they are completely normal when discussing other issues."

"Лжеученые, как мне кажется, бывают двух типов. Один из них — люди с параноидальными психическими сдвигами, они абсолютно верят в то, что сами говорят. Это не научные аферисты, а просто не в полне нормальные люди, с которыми, к сожалению, приходится встречаться. Они, как правило, занимаются фундаментальными вопросами: опровергают квантовую механику,

теорию относительности и т.д. Причем об остальных вещах они рассуждают нормально."**[5]**

In the same period of time, anyone who questioned the legitimacy of the Soviet State, or wished to leave it, was also considered psychotic--often dubbed "paranoid" and imprisoned in psychiatric prisons, even if he or she behaved in a completely sane, very normal way.[6] The same fate apparently befell many who dared to question the theory of relativity, or who called attention to Einstein's plagiarism. This recalls Trofim Denisovich Lysenko's tyrannical reign over the field of genetics and the murder, imprisonment and banishment of dissenting scientists in the Soviet Union.

I would very much like to interview Yury Brovko. His is a fascinating story and will wake up Americans to the dangers of the Bolshevization of America. If anyone can put me in touch with him, I would be most grateful.

An Odd and Misleading Attack Against Me on "Stormfront's" Message Boards

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Some odd creature calling itself "LionAxe" has attacked me and my work on "Stormfront" message boards. This person misrepresents my work and the facts in a grossly misleading, inaccurate and unfair way. Normally, I would not respond to such an unimportant and valueless critique, which no person knowledgeable of the subject would take seriously. I will, however, respond to this attack to point out a few of the methods the Jews and their apologists use to mislead the public into hero worship of prominent Jews, especially prominent Zionist Jews.

Jews and their apologists often count on a few things which are generally, though not always, true. They hope that they can baffle and browbeat the general public with their sophistical nonsense. They hope that experts in the field are intimidated from informing the public of the truth for fear of being labelled "anti-Semitic", and thereby the Jews and their apologists control the debate and win arguments by default. Beyond this, message board trolls can rightfully expect that it will be beneath the dignity of those they attack to respond to their attacks.

The value of my work and my expertise on the subject of Albert Einstein and the history of the development of the theory of relativity has been gratefully acknowledged by the prominent and innovative physicists Prof. Dr. Friedwardt Winterberg of the University of Nevada, Reno, and Prof. Dr. Anatoly Alexeevich Logunov, former Vice President of the Soviet Academy of Sciences. If I had made the mistakes wrongfully attributed to me on the "Stormfront" message boards, these renowned scientists would not have relied upon me and my work. Prof. Logunov has published several books and articles which discredit the views of this "LionAxe" regarding Einstein and Minkowski's plagiarism of Poincare's theory of relativity and space-time, some of which appear for free on the internet:

Sur les articles de Henri Poincaré "Sur la dynamique de l'électron"

Henri Poincare and Relativity Theory

In the interest of saving my blog reader's time, I refer those interested to Prof. Logunov's work and to my book:

The Manufacture and Sale of Saint Einstein (2006)

rather than detailing those arguments here, which would require a great deal of space and time.

At the webpage, http://www.stormfront.org/forum/showpost.php?p=6001013&postcount=11, "LionAxe" states:

"A quote from Bjerknes' 'The Incorrigible Plagiarist';

Quote:

'Dyson, Davidson and Eddington, made Einstein famous by affirming that experiment had confirmed, without an attribution to Soldner, Soldner's 1801 hypothesis, that the gravitational field of the sun should curve the path of light from the stars'

Soldner did not present a testable; nor specific, theory or calculation, or even prediction for that matter on the arc of bending at all. Also; Bjerknes states that Einstein turned Special Relativity into an explicit geometrical theory. Which isn't true; it was actually Minkowski who did. And Einstein did attribute the initial invention of the spacetime model of events as used in Special Relativity to Minkowski in his book 'Relativity, the Special and General Theory', which is why it was there forth known as 'Einstein-Minkowski spacetime'."

It is noteworthy that "LionAxe" quote mines my book *Albert Einstein: The Incorrigible Plagiarist* (2002) for a remark about Johann Georg von Soldner's work, when I stated in that book that I would address the General Theory of Relativity in another book (*AEIP* p. 107). That subsequent book *Anticipations of Einstein in the General Theory of Relativity* appeared in 2003, and in it I republished Soldner's relevant paper and provided a detailed analysis of Einstein's plagiarism of Soldner's, and others, work, and there explained the nature of Soldner's theory. In addition, I have since published a freely available chapter on Soldner's theory in my

book *The Manufacture and Sale of Saint Einstein* (2006) which contains important amplifications of my book *Anticipations of Einstein in the General Theory of Relativity*. It appears that "LionAxe" is obviously not interested in my arguments, for he does not cite these specific works where my arguments are spelled out in intricate detail, but instead wants to quote mine a book I wrote which was not devoted to addressing this issue, and even under this opaque veil of ignoring my relevant writings, "LionAxe" misrepresent my views and the facts. Those interested in my arguments on this issue of Soldner's work should read chapters 11, 12, and 13, of my book *The Manufacture and Sale of Saint Einstein* (2006); where you will learn that "LionAxe" is wrong. "LionAxe" is also mistaken in attributing to Einstein and Minkowski what Poincare, Marcolongo and Melchior Palagyi, among many others, created before them. On this subject, refer to my online book *The Manufacture and Sale of Saint Einstein* and Prof. Logunov's above linked works.

"LionAxe" states:

"Also in the book 'The Incorrigible Plagiarist', Bjerknes writes;

Quote:

'Why is Albert Einstein's name associated with the 'principle of relativity', and not Poincare's

What is missed here is the known fact that Poincare's name IS associated with the PoR (Principle of Relativity). He was never able to turn it into a correct or testable theory, as Einstein was."

Logunov and I have already refuted this "LionAxe's" nonsense. Poincare's PoR is the same as Einstein's plagiarized version. In fact Einstein and his wife copied it almost verbatim from Poincare, the minor and insignificant differences in wording being due more to translation than anything else. Poincare's name is not generally associated with the PoR, rather Einstein's is, and to deny that fact is simply absurd. Ask the average man on the street who Henri Poincare was, and he will likely not know. Ask him who first stated the "principle of relativity" and he will likely state "Einstein". Of course, as my books are dedicated to proving, countless experts in the field know that Poincare first iterated the PoR. "LionAxe's" attack is unfounded and disingenuous.

"LionAxe" states at the following webpage, http://www.stormfront.org/forum/showpost.php?p=6001013&postcount=11:

"Another quote from Bjerknes in his aforementioned writings;

Quote:

'[Einstein's] paper 'Zur Elektrodynamik bewegter Koerper' in Annalen der Physik. . . contains not a single reference to previous literature. It gives you the impression of quite a new venture. But that is, of course, as I have tried to explain, not true. -- Max Born.'

It's important to note how Bjerknes bends over backwards in his quote-

mining; for example with this quote above, striving to imply Born to have thought Einstein to be a plagiarist. First of all, this is complete nonsense. The quote referred to is taken from a speech which Max Born held in 1955 during the International Relativity Conference in Bern. It's not by any stretch an accusation by Born on plagiarism by Einstein. You see; Born was marking on the common misconception that the view prior to Einstein, was that 'all is well with mechanics', that no one was even considering the many inconsistencies between the Newtonian field of mechanics and the field of electrodynamics. Furthermore; the paper mentioned by Born, while not containing a bibliography, does mention Maxwell, Hertz and Lorentz. The paper was essentially completely self-contained and its mathematics are not that lofty so there was less of a need for references.

Hence I find the usage of Born's quotation misleading; which is no doubt the intended effect, because it gives the impression that Born thought Einstein to be a plagiarist."

It is well known--it was known to Born--that Poincare pointed out the inadequacy of the old physics and called for a "new mechanics" and defined that "new mechanics" in prose and mathematical formalisms long before Einstein. Why does "LionAxe" fail to acknowledge the fact that Poincare holds priority for this idea? "LionAxe" leaves unsaid what ought to be acknowledged. This is one of several instances of Einstein's plagiarism. While "LionAxe" is aware that others stated these things before Einstein, "LionAxe" takes a hatchet to my work and leaves out the relevant facts which demonstrate Einstein's plagiarism. For example, Poincare

stated before Einstein,

"From all these results, if they are confirmed, would arise an entirely new mechanics, which would be, above all, characterised by this fact, that no velocity could surpass that of light, any more than any temperature could fall below the zero absolute, because bodies would oppose an increasing inertia to the causes, which would tend to accelerate their motion; and this inertia would become infinite when one approached the velocity of light."--H. Poincare's St. Louis lecture from September of 1904, *La Revue des Idees*, 80, (November 15, 1905); "L'Etat Actuel et l'Avenir de la Physique Mathematique", *Bulletin des Sciences Mathematique*, Series 2, Volume 28, (1904), p. 302-324; English translation, "The Principles of Mathematical Physics", *The Monist*, Volume 15, Number 1, (January, 1905), pp. 1-24, at 16.

In its haste to attack me, "LionAxe" misrepresents the context of my quotations of Born's statement. This quotation first appears in my book *Albert Einstein: The Incorrigible Plagiarist* on page 30 as follows:

"Even among Einstein's admirers voices are heard which deny Einstein's priority. Max Born averred that,

"Lorentz enunciated the laws according to which the measured quantities in various systems may be transformed into each other, and he proved that these transformations leave the field

equations of the electron theory unchanged. This is the mathematical content of his discovery. Larmor (1900) and Poincare (1905) arrived at similar results about the same time. It is interesting historically that the formula of transformation to a moving system, which we nowadays call Lorentz' transformation (see vi, 2, p. 200 formula (72)), were set up by Voigt as early as 1877 [sic] in a dissertation which was still founded on the elastic theory of light. [***] In the new theory of Lorentz the principle of relativity holds, in conformity with the results of experiment, for all electrodynamic events.'[--M. Born, *Einstein's Theory of Relativity*, Methuen & Co. Ltd., London, (1924), p. 188.]

and,

"As mentioned already, Lorentz and Poincare have succeeded in doing this by careful analysis of the properties of Maxwell's equations. They were indeed in possession of a great deal of mathematical theory. Lorentz, however, was so attached to his assumption of an ether absolutely at rest that he did not acknowledge the physical significance of the equivalence of the infinite numbers of systems of reference which he had proved. He continued to believe that one of them represented the ether

at rest. Poincaré went a step further. It was quite clear to him that Lorentz's viewpoint was not tenable and that the mathematical equivalence of systems of reference meant the validity of the principle of relativity. He also was quite clear about the consequences of his theory.'[--M. Born, *Einstein's Theory of Relativity*, Dover, New York, (1962), p. 224.]

and,

"I have now to say some words about the work of these predecessors of Einstein, mainly of Lorentz and Poincare. [***] H. A. Lorentz' important papers of 1892 and 1895 on the electrodynamics of moving bodies contain much of the formalism of relativity. [***] Poincare's papers [***] show that as early as 1899 he regarded it as very probable that absolute motion is indetectable in principle and that no ether exists. He formulated the same ideas in a more precise form, though without any mathematics, in a lecture given in 1904 to a Congress of Arts and Science at St. Louis, U.S.A., and he predicted the rise of a new mechanics which will be characterized above all by the rule, that no velocity can exceed the velocity of light. [***] The reasoning used by Poincare was just that, which Einstein introduced in his first paper of 1905

[***] Does this mean that Poincare knew all this before Einstein? It is possible [***] Many of you may have looked up his paper 'Zur Elektrodynamik bewegter Koerper' in Annalen der Physik (4), vol. 17, p. 811, 1905, and you will have noticed some peculiarities. The striking point is that it contains not a single reference to previous literature. It gives you the impression of quite a new venture. But that is, of course, as I have tried to explain, not true.'[--M. Born, "Physics and Relativity", *Physics in my Generation*, 2nd rev. ed., Springer, New York, (1969), pp. 101-103.]"

My quotations are accurate. They demonstrate that Max Born questioned Einstein's priority for what Einstein presented as if unprecedented. Those are facts. I in no way misrepresented Born's statements. I have proven, however, that Born knew that Einstein was a plagiarist, that Born knew that Einstein plagiarized Hilbert's equations, and that Born was a greedy Jew who lied about the history of relativity theory in order to give Einstein undue credit because Born wanted to make money off of the Einstein brand name. These facts are demonstrated in my book *The Manufacture and Sale of Saint Einstein* at pages 26-27 and 273-277, among others. The Born quote next appears in my book *Albert Einstein: The Incorrigible Plagiarist* as the heading to a chapter entitled "Hero Worship" on page 155 after having been quoted previously as shown above, and then on page 157 after the fully correct statement, "Instead of proving that Einstein was a pioneer, the facts indicate that, as Max Born stated,". Though "LionAxe" would have the layman discount everything I have written by quote mining my work to search without success

for some possible mistake, ignoring the vast majority of my arguments, misrepresenting what I have said, and by misrepresenting the facts; an expert in the field would immediately recognize that "LionAxe" was full of "it"--here an abbreviation.

Despite "LionAxe's" asinine assertions that "there was less of a need for references" because Einstein's paper was "essentially completely self-contained and its mathematics are not that lofty" Walter Kaufmann pointed out in 1905 that Einstein's paper was a repeat of the formalisms of Lorentz's theory and Max Planck pointed out in 1906 that Einstein had reitereate what Poincare had already written. Einstein was obliged to reference the works he parroted. His failure to do so was an act of plagiarism, and our "LionAxe" bends over backwards to apologize for Einstein's deceit.

The Jews and their apologists often depend upon the fact that most experts are intimidated by the power of World Jewry to silence the truth and destroy their careers should they speak the truth in public. They also know that it is beneath our dignity to engage in discourse with message board trolls. The message board trolls who utter nonsense such as "LionAxe" sometimes get away with misleading people, because too few experts have the integrity and courage to come out publicly with the truth and the general public has not the knowledge to pass judgement on these questions. So, beware what you read from those message board trolls, even those who post on websites which often criticize the Jews. Let the facts speak for themselves.

What would motivate a "LionAxe" to misrepresent my work and the facts in order to apologize for the racist-segregationist Zionist-Jew Albert Einstein, other than loyalty to the tribe, that tribe of the "Lion of Judah"?

Why Aren't the Arabs, Chinese and Japanese Filling the Credit Void in America With Their Dollar Holdings?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are deliberately cutting back on credit in America, in order to destroy our economy. The Jews did this in the terrible "Great Depression" and only when dollars flowed into war production did the Depression end. The Jews did this when they borrowed and then stole their Egyptian neighbors' gold and silver, which likely served the Egyptians as money, and in this manner destroyed the Egyptians by contracting their money supply (*Exodus* 11:2-3; 12:35-36). The Jews did this when Joseph enslaved the Egyptians by contracting the money supply (*Genesis* 47).

The Arabs, Chinese and Japanese hold large sums of American dollars. If the American Government creates more and more dollars to fill the credit void, this will result in hyperinflation. If the Arabs, Chinese and Japanese were to invest in America and import goods from America, instead of using America as a consumption mill for their goods, then they would benefit their own peoples, maintain the value of their dollar holdings, and profit from the

interest they would earn on their investment. They would also profit from the American marketplace which would become stronger.

Why is this not happening? Who really runs these nations and why are they destroying them, as well as America?

Hindus Beware of Your New Jewish "Allies", for They Have Already Murdered Millions of Your People and Will Soon Completely Exterminate You

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Hindus, your new Jewish "allies" against the Muslims are your old Jewish enemies, who have already mass murdered millions of your People. Already by the 1890's, reports counted more than five million Hindus which the Jews had murdered.

L. B. Woolfolk, Great Red Dragon, or London Money Power: The Foreign Money Power in the United States, George E. Stevens, Cincinnati, (1890); reported that:

"In the great Seven Years' War, continuing from 1757 to 1764, Great Britain dispossessed France of all her colonial possessions. In India, at the same time, through the genius and energy of Clive, the British East India Company laid the foundation of its imperial greatness. Historical authorities date the rise of the East India Company to imperial power at the victory of Plassy, 1757 A.D. In 1764, it was an empire exercising imperial sway in Bengal over a territory containing a population of forty millions, and yielding larger revenues than those of the Austrian empire, at that time the greatest European power. In 1764, the British East India Company was the grandest and richest corporation in the world. It was the only corporation which ruled a territorial empire. It was enriched by traffic, by the extension of its trade through the conquest of the trading stations of its Continental rivals and by the wholesale plunder of India. It had been from the first the best investment of capital to be found in the British Islands. Its stock was eagerly taken by all who had the means. The mercantile class took as much stock as they could afford ; but, as we know, merchants usually have little more capital than they need for their regular business. The British Landed Aristocracy had large incomes from their estates ; and being under a necessity of seeking the best investments, in order to portion their younger children, they made large investments in the East India Company. But the great Capitalists of that age were the Jews. They were the money holders. They subscribed largely to the stock ; and as, in each generation, the stock of the Aristocracy was sold to portion younger children, the Jews, always

economical, always full of money, and always in search of the best investments, bought the stock thrown upon the market. Thus it came to pass that the greater part of the stock of the East India Company, and of the other companies afterwards organized out of the dividends of that great company, fell into the hands of the Jews. The Jews became the great Money Kings of the world. Under the impulse of Jew exactions, the career of the East India Company in India was a continued series of trickery, wrong, exaction, theft, robbery and murder. In the Eighteenth Century, the Mogul empire was in the last stages of decay ; and the East India Company, in its dealings with the native states and Princes of India, constantly shifted its ground as expediency required, sometimes treating them as independent states, and sometimes, as dependencies of the Mogul empire. It hired its soldiers to one native prince, to enable him to conquer another : it sold its favours on every side ; and when the opportunity came, it devoured the treasures and the territory of friends and foes alike. History presents no career of conquest, in which fraud, deceit and rapine were so blended as in the conquest of India by the East India Company. It was the first example in the history of the world of a trading corporation becoming an imperial power ; and its imperial rule was marked by the rapacity, chicane and fraud that characterizes a great corporation in the soulless and conscienceless pursuit of gain. From 1764, the East India Company had control of the grand trade between the Temperate zone and the Tropics. It continued its conquests in India until, in 1857, the date of the Sepoy mutiny, it ruled almost the whole

peninsula. The Money Kings who controlled it, possessed an empire compared with which the possessions of the Phoenicians and Carthaginians, and all their predecessors were as nothing, and they attained a domination over industry and trade without a parallel in the annals of the world. [***] For a long time, the Money Kings raised opium, and indigo, and cotton, and rice and other India products, for their commerce, upon lands owned by Hindoos. They made their profit by putting down prices to the lowest point that would yield subsistence to the Hindoo laborer. They thus kept the Hindoo population on the verge of starvation ; so that, during the last forty years, frequent famines have carried off millions of the population. We know from the Irish famines, that a modern famine is not a dearth of food, so much as the lack of means to buy bread. During one of the famines in Ireland, an American vessel entering the harbor of Cork with provisions sent by American charity to the starving Irish, met two vessels sailing out of the harbor laden with food sent from Ireland to a foreign market. The millions of Hindoos who have perished of hunger, during the last forty years, were the victims of the Money Power putting down prices of labor, and putting up the price of commodities. [***] Some Five Million Hindoos Died of Famine before they submitted. But the Money Kings triumphed ; transplanted the Hindoos ; and opened up grand plantations in the jungle. They built railroads ; founded cities ; and now they own cities, railroads and plantations. They own in fee simple a vast empire in India,—an empire of

alluvial lands, more extensive than the ancient empires of Nineveh and Babylon in the valleys of the Euphrates and the Tigris—far more extensive than the Egyptian empire in the valley of the Nile—larger than Greece and Macedon combined—wider in extent than Italy—a broader domain than the whole of Great Britain. They find it cheaper to own the land and hire peasants to cultivate it, than to buy the products of free Hindoo labor. And in that wide empire of alluvial lands owned by them in fee simple, extending from the sea to the Himalayas, and from the heart of India into Burmah, those capitalists are now producing opium, and rice, and indigo, and cotton and india rubber, and quinine, and spices, and tea, and cotton and wheat.

4th. All Markets Crushed by India Products. And they throw all these products of a teeming soil and pauper labor upon the markets of the world, making immense profits, and forcing down the price of productions all over the earth to the pauper standard of Hindoo labor. They are now publishing in our papers that they can grow wheat so cheaply upon their jungle lands, that, in competition with them, our Western farmers can only be allowed, in future, fifty cents a bushel for their wheat ! Will not Omnipotent Justice blast such wrong doing ? ! By the Competition of their Hindoo Plantations, tilled with Hindoo Ryot labor at five cents a day, they force down the price of Carolina rice and Southern cotton to the same level. Raising products upon their own lands with Hindoo pauper labor—shipping their products upon their own railroads into their own seaport cities—and transporting them in their own ships to their own warehouses in every country—these Money

Kings are able to crush down the prices of productions in every country, and force the people of all countries to sell their products at any price they choose to offer ! ! An Important Fact is learned from the course of the Money Power in India. The Money Kings find it more profitable to own lands and till them with pauper labor, than to buy the products reared by the free natives of the soil. They regard the purchase of cheap lands a good investment. They will doubtless continue the purchase of India lands, until they own all the lands of India, and all property of every kind, and the Hindoos become serfs, cultivating their lands, and filling positions in various departments of their service. How can it be otherwise ? Every department of industry in that country, except agriculture in part, is in their hands. They have in possession every source of profit. They and their agents realize all the profits that are made : nobody else makes more than a subsistence. The Money Power has India enveloped in its coils. It is only a question of time when the Serpent will complete the devouring of all its lands and all its property. [***] India is completely in the coils of the Money Power. The Monster killed five million Hindoos with Famine in order to compel them to become its serfs upon its plantations redeemed from the jungle. And now, under the control of industry in India by the Money Power, half a million Hindoos die of starvation, every year.—It is said that, in the wars of Napoleon, waged during twenty years, all over Europe, and in Egypt and Syria, two million men perished. In a time of profound peace, the

Money Power, in a single country, destroys as many lives every four years, as Napoleon destroyed in twenty years ! !"

The Jews view you Hindus as a double abomination. One, you are Goyim, and, therefore, in the eyes of the Jews, less than subhuman carriers of the Devil's blood in your viens. Secondly, in the eyes of the Jews, you Hindus are "idol worshipers" and pursuant to the Jewish Noahide Laws, loved by your smiling Chabad Lubavitch guests and iterated in the Jewish Talmud which is revered by all religious Jews, you Hindus must be exterminated by means of decapitation should individual executions become necessary. Nuclear war is the preferred method of the Jews for eliminating you Hindus from the face of the Earth forever.

So, Hindus, beware your new Jewish "friends" who are putting Indian faces on the television screens of America, together with blacks. They are using you to use you up. After they have chewed on you long enough to draw out all of your blood, they will spit you out, and then bury you under a mushroom cloud. To the Jews, Hindus, you are the enemies of the Jewish God and must be murdered.

Note that the Jewish media which dominates your country has installed a Sikh as your Prime Minister. Sikhs are monotheistic, a branch of Judaism, and cover their heads like Jews, because they were created by Cabalistic Jews to subvert Hinduism.

I Wrote of This One and One Half Years Ago, But the "Alternative Media" Did Not Report the Story

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

Back in April of 2007, I published the following article:

The Doenmeh Crypto-Jews Threaten Coup to Defend Their Grip on Turkey: April 28, 2007

In December of 2008, PressTV of Iran reports:

Mossad role in Turkey coup plot revealed: 01 Dec 2008

In May of 2008, I was honored and privileged to interview the late George Apelian, and Rev. Bedros Hajian. George Apelian requested the interview to break the story of the true Jewish "Ergenekon" plotters of the political assassination of Hrant Dink, which assassination of a prominent Armenian journalist the mainstream media were blaming on Muslims:

The Jews Are Attacking Our Sense of National Pride

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews want to destroy every nation's sense of its own uniqueness and importance, so that the Jews' can dominate the World without meeting with any resistence from authentic nationalists. The Bolshevik Jews promoted Internationalism and mass murdered the nationalistic Ukrainians.

The segregationist-racist Zionist-Jew Theodor Herzl revealed parts of a conversation he had had with segregationist-racist Zionist-Jew Max Nordau:

"Never before had I been in such perfect tune with Nordau. [***] This has nothing to do with religion. He even said that there was no such thing as a Jewish dogma. But we are of one race. [***] 'The Jews,' he says, 'will be compelled by anti-Semitism to destroy among all peoples the idea of a fatherland.' Or, I secretly thought to myself, to create a fatherland of their own."-- T. Herzl, English translation by H. Zohn, R. Patai, Editor, *The Complete Diaries of Theodor Herzl*, Volume 1, Herzl Press, New York, (1960), p. 196.

The Jews and their megaphones in the "alternative media" are making a calculated attack on our sense of national pride in order to undermine our nation and our national unity--in order to weaken our resistence to their agenda.

The Jews try to paint the Founding Fathers as if Freemasonic agents of the Illuminati, and the United States Constitution as if a roadmap to the "New World Order". Their tripe has deliberately been spread in the Anti-Zionist Movement, together with racist propaganda.

The Jews want us to hate our Government and our history. Our Government and our history bind us a People, a People who ought to fight back as a unified force against the Jewish war on the human race.

The Jews are deliberately destroying the roots of our *Volksprinzip* in the hopes of destroying us as a People and as a fundamental principle of human freedom. America is especially vulnerable to this type of attack, because our roots as a nation are diverse and do not have a basis in the distant past as a unique ethnicity bound to a specific territory. To undermine our sense of nationhood, all the Jews need do is discredit our Founding Fathers and our system of Government in our own eyes and leave us with nothing to bind us as a People. We in America are our history and our principles rather than an ethnically homogenous ancient People living in the territory inhabited by our distant ancestors.

There is nothing wrong with democracy, and there is nothing wrong with a constitutional republic. I do think there are problems with our Constitution, but our Bill of Rights are a blessing we should separate in our thinking and our actions from the bureaucratic doctrines of

the Constitution, and preserve from both changes and from arguments against the flaws in the Constitution.

The problems we face today, despite the lies of the Jews and their mouthpieces, are due to a deliberate Jewish attack on our nation at nearly every level, including our sense of pride and our sense of unity. Our Consitution did not cause the problems we face today, the Jews did. Our paper currency did not cause the problems we face (though it could certainly be improved by the removal of debt), rather, the Jews are destroying our currency by stealing it and overproducing it to finance their wars and destroy our domestic industry and agricultural base--the Jews have deliberately made us a nation of money producers instead of goods producers. Our Founding Fathers did not cause the destruction of our industry and agriculture, rather the Jews did, and one statement of their intentions to destroy our economic structure is found in that pernicious Jewess Zinov'yevna Rosenbaum's book *Atlas Shrugged*, which has long been promoted by the same agents of the Jews who promoted the gold standard and Ron Paul.

The Jews' preferred method to destroy the heritage of a People is to install a dictator, as they have done since ancient times, when they installed Claudius to favor their interests after murdering Caligula, who placed a statue of himself in the Jewish Temple; as they installed Oliver Cromwell to bring the Jews and their banking scams into England; as they did to the Turkish Empire when they brought in the Jew Ataturk to ruin the Empire in the name of Turkish national pride; as they did to Russia when they installed Trotsky to mass murder the brightest and best Slavs and steal Russian wealth and ship it off to the Jewish bankers; as they did to Germany when they installed Hitler to bring Germany and the World into war in order to

found Israel and spread Communism, etc.

We don't need a dictator. We don't need to abandon our democratic principles. We need to counter-attack against the Jewish fifth column and fourth estate of Israel which is destroying our nation.

If we wipe out these traitors, our system of Government will work quite well and can be vastly improved upon without the corrupting Jewish influence leading us down the wrong path. If we fail to wipe out these traitors, no form of Government will serve our best interests.

The Jewish Problem, Part 1: The Jews in Education

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

Through tribalism, corruption, power over the press, and a dedication to education, the Jews have come to dominate the educational system of America. This has been very destructive to our nation and to the World.

The Jews use their dominance to justify their theft of our wealth through the economic and monetary system they have engineered. They only allow their views to be discussed and call all who would disagree with them, and all who would defend the human race against them and tell the truth, "Jew haters" and "anti-Semites".

The Jews dominate the legal schools and poison them with their Jewish love of authority, dogma, jargon and sophistry. The Jews dominate the medical schools and promote butchery,

drugs and any racket which will earn the Jewish doctors more money. The Jews have all but killed the profession of midwifery, as Dühring already noted in the 1800's. The Jews mandated the mutilation of circumcision in parts of the United States. The Jews promoted legalized sadism and tortured human beings in child birth, and in psychiatric "treatments" through electroshock "therapy" and even went so far as to murder the soul of human beings with lobotomies. The Jews are dangerous, hateful and must be excluded from the educational system of a healthy society.

The Jewish murder of our People is part of an ancient Jewish plan to rule the World and kill off non-Jews. I have already demonstrated the plan for the extermination of what the Old Testament calls "Goyim", or the "nations", meaning all non-Jews. The Jews have sought to adapt their 2,500 year old plan for the extermination of the human race, and apply it to every society they infect with their genocidal hatred.

One such instance occurred when the Jew, King Ferdinand of Spain, expelled the Jews in order to provide Jewish leaders with bodies to populate the planned new Jewish homeland of the Americas. The Jews were concerned that the Spanish were too kind to the Jews, so the Jews sought to curse the Spanish for blessing the Jews, just as the Jews had done to the Egyptians, Greeks and Romans in antiquity, when they blessed the Jews. I will here quote from Paquita de Shishmareff's book *Waters Flowing Eastward*, to illustrate the mortal danger of permitting Jews in the educational system:

"In 1492, Chemor, Chief Rabbi of Spain, wrote to the Grand Sanhedrin, which had its seat in Constantinople, for advice, when a Spanish law

threatened expulsion.[2] This was the reply:

'Beloved brethren in Moses, we have received your letter in which you tell us of the anxieties and misfortunes which you are enduring. We are pierced by as great pain to hear it as yourselves.

The advice of the Grand Satraps and the Rabbis is the following:

1. As for what you say that the King of Spain[3] obliges you to become Christians: do it, since you cannot do otherwise.

2. As for what you say about the command to despoil you of your property: make your sons merchants that they may despoil, little by little, the Christians of theirs.

3. As for what you say about making attempts on your lives: make your sons doctors and apothecaries, that they may take away Christians' lives.

4. As for what you say of their destroying your synagogues: make your sons canons and clerics in order that they may destroy their churches.

5. As for the other vexations you complain of: arrange that your sons become advocates and lawyers, and see that they always mix in affairs of State, that by putting Christians under your yoke you may dominate the world and be avenged on them.

6. Do not swerve from this order that we give you, because you will find by

experience that, humiliated as you are, you will reach the actuality of power.

(Signed) Prince of the Jews of Constantinople'"--L. Fry, *Waters Flowing Eastward: The War Against the Kingship of Christ*, TBR Books, Washington, D. C., (2000), pp. 73-74.

Indeed, the Jews have infiltrated the Church, and soon after this letter was written, the crypto-Jews began the "Reformation" which split the Roman Catholic Church and pitted the Goyim against themselves. The Jews have come to dominate politics, the legal profession and the medical profession, and have degraded them and used them to kill and poison non-Jews. The Jews invaded America, after a Jew murdered the beloved Russian Czar Alexander II, who had freed the Serfs, and then themselves instigated and grossly exaggerated pogroms so as to provide a false pretext for their invasion of America--recall that the Jewish instigated expulsion of the Jews from Spain was part of a Jewish plan to send the Jews to America, and this plan was ultimately completed when the Jews instigated the migration of large numbers of Jews out of Russia into America. America provided fresh meat for the Jewish vampires. Russians understood the Jewish problem. Americans did not yet know the Jew.

However, the danger of the infection of tribalistic racists became immediately apparent and Harvard University called for action against the invading Jews to limit their enrollment in the universities to something approaching democratic levels.

The journal *World's Work* published the following article in August of 1922, "The Jews and the Colleges", *The World's Work*, Volume 44, Number 4, (August, 1922), pp. 351-352:

"The Jews and the Colleges

THE ever-increasing importance which the Jewish question is assuming in American life is apparent in the way that it is agitating the colleges. Like every problem affecting Jewish immigration this one is primarily a city problem. It is only the colleges and universities located in or near large cities that feel the necessity of restricting their Jewish students. Again this particular phase of a daily increasing perplexity affects only one element among the Jewish citizenry--and that is the Russian or Polish Jews.

If the public can only get this latter fact clearly in mind the so-called Jewish question will appear in a clearer light. The large Jewish communities which are now found in most American cities are of comparatively recent growth. Jewish immigration to the United States has three well defined phases. At the time of the American Revolution there were only about 2,000 Jews in this country. Practically all of these were Spanish or Portuguese Jews, or their descendants; they had for centuries represented, as they do at the present time, the aristocracy of their race. They lived on the terms of the utmost friendship and respect with their Gentile compatriots; they occupy an important position in Jewish history, for the new American Constitution completely freed and enfranchised them; they were thus the first Jews since the fall of Jerusalem that had ever been admitted as citizens of a free state on terms of exact equality with all other citizens.

The second phase of Jewish immigration came from Germany and was part of the general German immigration that began in the 'forties. These German Jews had for centuries lived in an environment which, while cruelly intolerant and discriminating on the social side, had still opened to them most of the economic and educational advantages that go with a superior civilization. These German Jews represented a comparatively small group; they were intelligent and industrious and for the most part prosperous; their habits and tastes were not materially different from those of the people among whom they lived; their children attended the public schools and the higher institutions and mingled, frequently on terms of intimacy, always on terms of good feeling and tolerance, with the offspring of the old established breed. More often than not they were 'unorthodox' in religion; most of them had long since abandoned the dietary practices that cause the Jews to be regarded as a peculiar people. Among them had originated the so-called 'reform' movement in religion; this was fundamentally an attempt to make their religious services lose something of their exotic flavor and correspond somewhat to that of their Christian brethren. The question of the assimilation of the German Jews was hardly ever discussed; their capacity for citizenship was taken for granted and the high position that they frequently attained in the arts, in education, science, and the professions certainly indicated that they had qualities that would be useful in our common American life.

About 1881, however, the systematic persecution of the Jews began in Russia, and from that time dates that enormous influx of Russian Jews which only the recent immigration laws have temporarily checked. The coming of the Russian and Polish Jews--a better term is Eastern Jews--forms the third chapter in the story of Jewish immigration. These Jews were almost as alien to our Spanish and German Jewish population as they were to the native American stock. They came from a country where even the Christian population had for centuries lived in ignorance, uncleanliness, and squalor; their lives had always been an almost hopeless struggle against disease and poverty; to them the old proverb, 'as rich as a Jew' certainly was a cruel misnomer, for as a mass they were extremely poor--as they are still. These representatives of their race presented far greater problems in assimilation than did their predecessors. A greater proportion were orthodox in religion; their racial consciousness had been sharpened by especially atrocious segregation and ill treatment; and as a mass they had had little training in the amenities and delicacies of civilized existence. In their struggles in the new country they developed a competitive zeal that usually made them the conquerors of the occupations in which they specialized. Their competition was especially directed against their own co-religionists. Before they came, the German Jew had been the master of the clothing trades; but the Russian Jew eventually supplanted him; and so it was in other lines.

The second generation of this immigrant body has now reached college age; the Jews have always shown a great aptitude for education, and it is to be expected that they would enter the universities in great numbers. It is only the universities located in large cities that especially feel this pressure. In New York the City College has long been almost exclusively a Jewish institution; New York University is probably seventy-five per cent. Jewish; at one time Columbia had a quota of forty per cent. though the proportion is now believed not to be so large. Yale has a comparatively small number--perhaps 10 per cent.; such places as Dartmouth, Princeton, Williams, and Amherst have practically none; the reason is that the first is located in a comparatively small city, and thus has a smaller Russian Jewish colony to draw upon, while the others are located in the country. The point is that nearly all this Jewish influx comes from the university town itself. Harvard, being near a large urban community, naturally has a larger proportion. The newspaper reports place this at 20 per cent. and President Lowell, in a recent letter, apparently foresees the early day when this will amount to 40.

Such a proportion means more than that Harvard would become, to a great extent, a Jewish institution. It means that its character would be completely changed. Like Yale and Princeton, the Cambridge University is national in scope; it draws its students from all parts of the United States. But the Eastern Jews who are hammering for admission come almost entirely from the Boston community. Most of them live at their own homes and thus do

not become part and parcel of the college life. If they number 40 per cent.--and this proportion is likely to increase as time goes on--Harvard will lose its national character to that extent, and be a place given up largely to educating the sons of a particular racial element living in Boston. That is the present function of the City College of New York and New York University, though at the beginning they too were educational institutions of wider scope. There is therefore every reason why the Harvard authorities should deal frankly with this situation."

The Jews employed the Rockefellers and Frederick T. Gates to discourage the Goyim from engaging in higher education and the professions, at a time when a massive influx of racist segregationist Jews were encouraging their children to pursue education and the professions. In this way, the Jews weakened the Goyim, and took over their positions as leaders of society. The Jews created the communistic myth of the working class hero as a violent bum who mocks intellectualism and education, suckering many of the brightest non-Jews into mimmicking the heros of the big screen who were glorified losers.

Charlotte Thomson Iserbyt wrote in her book *The Deliberate Dumbing Down of America: A Chronological Paper Trail*, Conscience Press, Ravenna, Ohio, (1999), p. 9, which is available online: http://deliberatedumbingdown.com/MomsPDFs/DDDoA.pdf:

"1913

John D. Rockefeller, Jr.'s director of charity for the Rockefeller Foundation,

Frederick T. Gates, set up the Southern Education Board (SEB), which was later incorporated into the General Education Board (GEB) in 1913, setting in motion 'the deliberate dumbing down of America.' *The Country School of Tomorrow: Occasional Papers No. 1* (General Education Board: New York, 1913) written by Frederick T. Gates contained a section entitled 'A Vision of the Remedy' in which he wrote the following:

Is there aught of remedy for this neglect of rural life? Let us, at least, yield ourselves to the gratifications of a beautiful dream that there is. In our dream, we have limitless resources, and the people yield themselves with perfect docility to our molding hand. The present educational conventions fade from our minds; and, unhampered by tradition, we work our own good will upon a grateful and responsive rural folk. We shall not try to make these people or any of their children into philosophers or men of learning or of science. We are not to raise up from among them authors, orators, poets, or men of letters. We shall not search for embryo great artists, painters, musicians. Nor will we cherish even the humbler ambition to raise up from among them lawyers, doctors, preachers, politicians, statesmen, of whom we now have ample supply."

In an article entitled, "HYLAN TAKES STAND ON NATIONAL ISSUES", quoting New York City Mayor John Francis Hylan, *The New York Times* wrote, among other things, on 27 March 1922,

on page 3,

"Names 'Head of the Octopus.'

'The warning of Theodore Roosevelt has much timeliness today, for the real menace of our republic is this invisible government which like a giant octopus sprawls its slimy length over city, State and nation.

'Like the octopus of real life it operates under cover of a self-created screen. It seizes in its long and powerful tentacles our executive officers, our legislative bodies, our schools, our courts, our newspapers and every agency created for the public protection.

'It squirms in the jaws of darkness and thus is the better able to clutch the reins of government, secure enactment of the legislation favorable to corrupt business, violate the law with impunity, smother the press and reach into the courts.

'To depart from mere generalizations, let me say that at the head of this octopus are the Rockefeller-Standard Oil interests and a small group of powerful banking houses generally referred to as the international bankers.

'The little coterie of powerful international bankers virtually run the United States Government for their own selfish purposes. They practically control both parties, write political platforms, make catspaws of party leaders, use the leading men of private organizations and resort to every device to place

in nomination for high public office only such candidates as will be amenable to the dictates of corrupt big business. They connive at centralization of government on the theory that a small group of hand-picked, privately controlled individuals in power can be more easily handled than a larger group among whom there will most likely be men sincerely interested in public welfare.

'These international bankers and Rockefeller-Standard Oil interests control the majority of newspapers and magazines in this country. They use the columns of these papers to club into submission or drive out of office public officials who refuse to do the bidding of the powerful corrupt cliques which compose the invisible government.'

Mayor Hylan quoted the paper attributed to Dr. Frederick T. Gates of the General Education Board, which advocated educating rural children to remain in that station of life rather than training them for the professions.

'This is the kind of education the coolies receive in China,' Mr. Hylan said, 'but we are not going to stand for it in these United States. One of my first acts as Mayor was to pitch our, bag and baggage, from the educational system of our city the Rockefeller agents and the Gary plan of education to fit the children for the mill and factory.'"

Jews undermined Americans' right to self determination, self rule, democracy and self sovereignty. The universities are being used as indoctrination centers and training grounds for

the Jews' war of extermination against Europeans and their descendants and against the Christian Church. The Jews forbid any truth which runs counter to their agenda of extermination from entering into the educational system.

The Jews have corrupted and undermined our freedoms by first dominating the press, then the Universities, then the professional institutions and then the government. The Jews use these four legs of their undemocratic power to mutually support one another to the detriment of the vast majority of American citizens. For example, they have used the universities and press to condition the populace to accept the idea that professional institutions should draft legislation, and then they used their control over government to pass laws monopolizing the professional institutions in their hands, while excluding any competition, and they then used the monopolized professional institution staffed with members indoctrinated in their monopolized universities to draft legislation which they passed through their monopolized government. The Jews have stolen America from Americans and have used the State to war against the People, just as they did to Russia when they conquered that nation.

If we wish to restore America to health, we must exclude the Jews from our schools and prevent the Jews from bearing children with two Jewish parents. There must be no more soldiers to conduct the Jewish war of extermination against the human race. Our survival depends upon our victory over the sworn enemy of our democracy and of our very lives.

"Muhammad Rafeeq" Is a Jewish Banker

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Note that since the publication of this article, "Muhammad Rafeeq" has stated that he is a convert from Christianity to Islam and that he was raised as a Christian, and I have no reason to doubt his claim. I have addressed "Muhammad's" response here:

Daryl Bradford Smith and "Muhammad Rafeeq" Versus the Facts: December 28, 2008

"Muhammad's" response of 28 December 2008 can be found here:

>>>

investment without the internal checks and controls being employed is almost impossible."--Paul (aka - Muhammad Rafeeq), "The Madoff Double Bluff", (19 December 2008), http://www.rense.com/general84/madoff.htm

Is "Muhammad" a student of Cabalah, one who studied Cabalah before enduring a "belly full of Talmud", as is common among the Shabbataians who often "convert to Islam", but uncommon among other Jews, such as the Satmar, who must first study Talmud and have reached a certain age before studying Cabalah? Why hasn't "Muhammad" disclosed the fact that he is a Jew when railing against the Shabbataians, but has instead presented himself as a Muslim with a Muslim name? How can a Jew who rails against Zionist Jewish bankers survive and thrive in a world of Zionist Jewish bankers?

Are you of Sephardic, or Ashkenazic descent, "Muhammad"? Why is it so important to you to distinguish between the two? Are you unaware of the fact that the Jews behind the Armenian Genocide, the genocidal African slave trade, and the enthronement of Oliver Cromwell and formation of the Bank of England were primarily Sephardic Jews?

Mike Rivero of WhatReallyHappened.com is also of Jewish descent, Sephardic Jewish descent:

Mike Rivero of WhatReallyHappened.Com Is Decended from Marrano Jews of Spain: October 13, 2007

Sephardics are the descendants of the Berber converts to Judaism of North Africa, many of whom migrated to Spain. They have little, if any, Judean blood, much like the Ashkenazim, who are largely of European, Khazarian and Arab descent. "Muhammad" holds up the Sephardim

(who gave us the Cabalah and several genocides which have claimed tens of millions if not hundreds of millions of lives--think American Indians and African slave ships) and the Satmar Ashkenazi Ultra-Orthodox Jews (who likely descend from the Frankists), as if angels on the Earth, while railing against the Chabad Lubavitch Ultra-Orthodox Jews, who are their close cousins and who worked alongside the Satmar against Zionism until *after* the Jewish State was created.

"Muhammad's" sidekick is Daryl Bradford Smith, and he, "Muhammad" showed up when I began to expose the Frankists and Shabbataians, and reappeared when I exposed the Doenmeh genocide of the Armenian Christians. Both he, "Muhammad", and Smith have in the past had a relationship with Eric Hufschmid, who disapproved of my methods of criticizing Jews and Zionism. Mike Delaney (prothink.org)--if memory serves me correctly--appeared on our radar screens when he was interviewed by Mike Rivero and spoke to Daryl Bradford Smith. He, Delaney, is tight with Eric Hufschmid. . . . Food for thought in the coming new year.

What We Can Accomplish with the Power of the State in Our Hands

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There are a number of crypto-Jews who are attempting to glorify Adolf Hitler and promote nihilistic revolution and dictatorship. Jim Condit, Jr. and I discussed the Zionistic origins and objectives of Nazism when I interviewed Jim Condit, Jr. and discussed with him his lecture:

Hour 1 (6.86 MB)

Hour 2 (6.86 MB)

Hour 3 (7.79 MB)

Full Interview (21.5 MB)

Jim Condit, Jr.'s excellent lecture on the subject can be viewed on Google Video for free:

"The Final Solution to Adolf Hitler"

My book is also available for free:

"The Manufacture and Sale of Saint Einstein"

Many of the books to which we refer in the interview can be found here:

http://www.jewishracism.com/books.htm

I again recommend the documentary detailing some of the ways in which Hitler deliberately undermined the German war effort he started:

How Hitler Lost the War :: [Part 1 of 7]

How Hitler Lost the War :: [Part 2 of 7]

How Hitler Lost the War :: [Part 3 of 7]

How Hitler Lost the War :: [Part 4 of 7]

How Hitler Lost the War :: [Part 5 of 7]

How Hitler Lost the War :: [Part 6 of 7]

How Hitler Lost the War :: [Part 7 of 7]

The Jews do not want these facts widely known, because it shatters the brick bat of their Holocaust propaganda. The Jews, in particular the Jewish bankers, do not want to have to pay reparations to the nations and Peoples their Nazis destroyed, including Germany. In addition, it is a horrific shame on the Jewish People that the Jews themselves committed the Holocaust--in whatever way the Jews want to define that term. Beyond that, revealing the truth about Hitler undermines the Jews' Esther tactics and provokes the Goyim to thought, thereby exposing such Jewish agents as Barack Obama, John McCain and Ron Paul.

Not everything the Nazis did was bad, nor counterproductive. The Jews needed to build the Nazi war machine, so the Nazis created and managed their own system of currency and international trade. We can learn from those economic and monetary measures ways to recover from Jewish usury. The Nazis also utilized the State to increase employment and better German infrastructure and manufacturing. But we do not want a Jewish dictatorship, especially a warmongering Jewish dictatorship like that of Adolf Hitler.

One need only examine the past history of Jewish revolutions and coup d'etat's to learn why the Jewish desire to sell the Goyim on the utopian myth of Plato's Republic is a trap.

Consider how the Jews claimed to have enslaved the Egyptians in *Genesis* 47. That is exactly what they tried to do to us with the cult of personality they built around their mediocre dud

candidate Ron Paul. In this holiday season in which the Jews celebrate Hanukkah, consider how the Maccabeen Jews revolted against and mass murdered the Greeks and Hellenized Jews (See, for example, I *Maccabees* 5:28, 51). Also consider how the Jewess Judith seduced the Assyrian general Holofernes, then decapitated him, as Hitler decapitated a seduced Germany. Still in ancient times, the Jews murdered Caligula and replaced him with their puppet dictator Claudius.

Much later on, and skipping over many relevant instances in the intervening centuries, the Jew King Ferdinand of Spain,[1] the descendant of the Berbers who pretended to be Judeans and who are known as "Sephardic Jews", worked with the Jews to invade America and make it a homeland for the Jews, whom Isabella expelled, just like Adolf Hitler when he effectively founded the Jewish State of Israel and worked with the Jews to expel the Jews and send the Jews to invade Palestine. Alas, the Jews who went to Palestine did not wish to stay, so the British and American Jews decided to have their Nazi puppets turn up the heat on Continental European Jews, so that at war's end they would go to Palestine and stay. This is also why the Jews' puppet Joseph Stalin, who created a Jewish nation in Russia, turned up the heat on the Jews to make them more sympathetic to Zionism. Other examples of disastrous Jewish "revolutions" (sometimes revolutions in spirit, if not always in operation) producing monstrous dictators include Oliver Cromwell, Talaat Pasha, Trotsky and Lenin, Woodrow Wilson, Francisco Franco (as in Frankist), FDR, Mao, Pol Pot, George W. Bush, etc.

Do not allow the crypto-Jews to fool you into believing that Adolf Hitler was good for Germany. Adolf Hitler was good for the Jews, as dictatorships most often are. That is why the Jewish CIA has installed so many dictatorships on behalf of the Jewish Capitalists, and the Jewish Communists. Hitler's legacy is the mass murder of the best of the Gentiles, the spread of Jewish

Communism, the destruction of some of the most beautiful cities Western Civilization has yet produced, and the formation of the nation of Israel. Hitler mass murdered the Slavs who were the natural ally of the German against the Jew. Hitler was very good for the Jews. It was his mission.

On the other side of that coin, there are indeed many instances in history where authoritarian governments have successfully brought the hammer down on the destructive Jews. When this has happened at the same time that Jews were assimilating one has to suspect that Jewish leaders were behind the expulsions and sought to keep the Jews segregated from the Goyim, but even in those instances, there are lessons for us on how to deal with the Jews.

Historically the means to destroy the Jewish People have been to defile the Temple and force the Jews to worship the Emperor, as was customary in the ancient World, and note that the Jews themselves worship their messiah and themselves as if God's presence on Earth--they are a primitive ancient People. Successful counterattacks against the aggressive Jew also usually ban and burn Jewish literature and prohibit the genocidal Jewish religion.

But the counterproductive measures most of the counterrevolutions took was to segregate the Jews into ghettoes and ban intermarriage between Jews and Gentiles. It would have been more effective to prevent Jews from associating with other Jews, and to have insisted that all Jews marry non-Jews of a third ethnicity, or combination of alien ethnicities.

Yahoo revolutions and dictatorships favor the Jews. Sober and mature governments are able to fight back against the Jews.

I do not wish to be a slave to any dictator. I fight against the Jew because I fight against slavery. It is true that not all dictatorships seek to kill off the human race, and that Judaism is just such a declaration of genocidal war on humanity, and therefore not all dictatorships are anywhere near so dangerous as Jewish rule, but nevertheless I much prefer to live as a free man than as the slave of a dictator.

We can maintain a democratic society and live free if we exclude the Jew from public life and discourse. We must severally punish agents of the Jews and educate our children about the methods of the Jews and the danger of the Jews. If we do these things to keep the Jews from undermining our civilization, we can enjoy the blessings of liberty and equality under the law, enemy Jews excluded by their choice. But we should not make the mistake of sponsoring a Jewish State or of encouraging Jewish segregation. It is better to breed out the Jew, or take whatever like measure the Jews force upon us other than the segregation of the Jew. The Jewish bankers are the most dangerous of all Jews, and their crimes must become capital offenses and they must not be protected by ex post facto provisions, because they have corrupted the governments and prevented the governments from enacting needed laws proscribing their behavior. The Jewish bankers must become military targets when we seize control of the State.

The power of the State is what we need to protect us from the murderous Jews. Yahoos will only further empower the Jews. We need candidates and we need funds. Candidates and funds will lead to sophisticated media, and then the power of the State which will enable us to fight back effectively against the hostile Jews who are fighting against us.

Rather than dung brained yahoos cheering Hitler, and thereby excusing the Jewish bankers for their betrayal of their own People and the mass murder of the best of the Gentiles, we need sophisticated legal arguments, law suits and statutes which protect us from the Jewish attack. We need to lay out the case before the American People that we Americans have lost our human rights of free speech, freedom of assembly, free press, self determination, democracy, freedom to create our own money, etc.; to an enemy Jewish nation within our nation that serves as a fifth column of Israel. The Jews have destroyed all these rights and we cannot regain them if we continue to allow the Jews to participate in our democratic nation. They will not abide by democratic principles and therefore have condemned themselves to be excluded. Since we cannot tolerate their segregation, we must dissolve them with new legal measure that differ substantially from the Zionist crafted Nuremberg Laws and which actually weaken Jewish power and the Jewish People, rather than strengthen them through eugenics and segregation.

Goyim See, Goyim Do: How Holocaust Propaganda Will Backfire on World Jewry

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There are many ways in which the Jewish propaganda of the Holocaust will backfire on the Jewish People. For example, the Jews demand exclusivity and privilege in almost everything they do, and the Holocaust is no exception. It was an event different from any other, according to the Jews.

They insist on being a People that lives as apart, unlike any other. The Jews credit their racist God for their mythology that they are, of their supposedly divine nature, privileged above all others.

The Jews are making a bad, potentially fatal, mistake in emptying their slop bucket of Holocaust propaganda on the Goyim day after day, from the cradle to the grave.

Goyim see, Goyim Do. The nations will accept the Jews' version of the Holocaust and the lesson that the nations will take from it, is that the Jews are different from them and are criminals who must be numbered, imprisoned, punished and then executed.

The Holocaust propaganda of the Jew teaches the nations that Jews are to be tagged and contained, like vicious stray dogs. Pursuant to the model the Jews are teaching the nations, the proper response to the Jewish war on the human race is separation and exclusion, one way tickets to the exclusive clubs of the concentration camp and ghetto for every Jew.

Goyim see, Goyim do. The more the Jews whine about their alleged persecution through history, so that they can smear persons who fight back against them, and so that they can win sympathy for themselves as they genocide the human race, the more the Jews expose the fact that they are abnormal and dangerous to the nations of the Earth. The nations are coming to view the Jews as a danger and the Jews are teaching them that the appropriate human response to the inhuman attack is to wipe out the Jews.

There are more civilized ways of ending the Jewish war on humanity, but the Jews are evidently determined to obstruct them. It is impossible to have sympathy for them, for they are determined to end human life, and that is an unforgivable sin, one which calls for an absolute defense. My sympathies are with the innocent billions whom the few million attacking Jews are killing. The scales of justice weigh heavily against the aggressive Jews.

The Jews are recommending their own punishment. The nations are watching and learning.

When rats complain about rat poison, they expose themselves, and plant seeds in the minds of the infested.

We Face a Far Worse Attack From World Jewry Than Mere Zionism

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews of the World pose a far worse danger to the human race than mere Zionism. In fact, if all the Jews in the World were to move to their garbage nation which they stole from the Palestinians, just as the ancient Jews stole it from the Canaanites, it would make it easier for us to isolate the Jews and end their war against us. But as in the ancient world, the Jews of today pose the greatest danger by their racist belief that they are entitled to live among the nations as a means to exploit and destroy them.

The Jews are not a threat to the human race merely because they are genociding the helpless Palestinians. Rather the Jews are a threat to the human race because they live in all nations and in all nations hate their neighbors, spy on their neighbors and dedicate their Jewish lives to murdering their non-Jewish neighbors, be it through an immediate death or a death by attrition through economic thievery, corruption of government and church, and the poisoning of the environment, agitation for war and revolution, and the destruction of indigenous cultures and ethnicities.

To pretend that Zionism is our greatest fear and that the majority of Jews are opposed to it is to cut our own throats in sympathy for the enemy. The majority, the vast majority, almost all Jews support Israel, and no Jew wants all Jews to live in Israel. Even the most radical Zionist insisted that Jews must occupy every corner of the Earth and rule it. That is the fulfilment of genocidal Jewish prophecy.

The Jewish People, not Zionism, is the worst threat we face. The Jewish hatred and desire to dominate and then exterminate the human race is the real problem we all face. To end this problem we must end Judaism and Jewish racist segregationism. To fight this problem we must combat traitorous Jews around the globe and exclude the Jews from the formation of public policy, prohibit them from entering and involving themselves in any way in public discourse. We must bar Jews from government, the press, banking, education and etc.

Study Eugen Karl Duehring's works, he understood the Jewish problem. We face a far worse threat than mere Zionism. We face World Jewry and World Jewry wants to bring us into slavery and instigate World War Three. World Jewry is not interested in concentrating all Jews in Palestine. World Jewry is out to relegate humanity to the graveyard. Wish away this fact at your peril, the Jewish Peril.

The Jewish bankers theft of trillions of dollars from the American taxpayer was not an act of Zionism, it was an act of Jewry. The deliberate collapse of the World economy was not an act of Zionism, it is an act of Jewry. World War Three will come from the Jews, not Zionism. Jews, not Zionism, desire to enslave and murder the human race. Know your enemy and face it.

Was Chernobyl an Accident, or Yet Another Jewish Attack on the Ukraine?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have led several genocidal attacks on the Ukrainian People. I wrote about Lazar Kaganovich's genocide of the Ukrainians in the "Holodomor" in the following blog:

Why Would Israel Hesitate to Recognize the Ukrainian Genocide? November 07, 2007

Soon after the Jews' genocide of the Ukrainian resistence to Jewish Communism, the Nazis invaded the Ukraine. The Ukrainians welcomed the Nazis as liberators. The Jewish puppet Adolf Hitler turned the Ukrainian ally in the fight against Bolshevik Jews into an enemy and himself attacked the Ukrainian People, which was one major factor in the defeat of Germany in World War II. The following documentary, which ignores Hitler's attacks on Roehm, Strasser and others who were concerned about German workers more than war, and which ignores Hitler's promotion of Hjalmar Schacht and the warmongering Capitalists over Gottfried Feder and the Loan Capital Socialists, and which further misrepresents the relation of the Jews to Germany and the First World War, and which yet further ignores Niels Bohr and other Jews' role in collaboration with traitorous Germans in the failure of Germany to beat America to the nuclear bomb, nevertheless addresses many of Hitler's betrayals of the Nazi Revolution and of the German People:

How Hitler Lost the War :: [Part 1 of 7]

How Hitler Lost the War :: [Part 2 of 7]

How Hitler Lost the War :: [Part 3 of 7]

How Hitler Lost the War :: [Part 4 of 7]

How Hitler Lost the War :: [Part 5 of 7]

How Hitler Lost the War :: [Part 6 of 7]

How Hitler Lost the War :: [Part 7 of 7]

I wish to open the question (not answer it) if the Jews had any role in deliberately causing the disaster at Chernobyl. The Jews have been poisoning the Ukrainians for centuries with alcohol. The Jews have enslaved the Ukrainians for centuries. They have always sought to destroy the genetics of the Ukrainians and murder the best of these Goyim.

In relation to Hitler, consider the following facts: Hitler ensured Germany's defeat. Hitler preserved England, which was the seat of the Jewish bankers. Hitler destroyed the Ukraine which the Jews hated, at the expense of the German Homeland. Hitler destroyed Poland which the Jews hated, at the expense of the German Homeland. Hitler destroyed Russia which the Jews hated, at the expense of the German Homeland. Hitler declared war on America which he knew to be led by Jews and which he knew had cost Germany the First World War.

I suspect that the Jews want us to argue about whether or not Hitler and Stalin were agents of the Jewish bankers, or turned against the Jews. I know that they were working for the Jews and

that their attacks on Jews were only done to inspire Zionism among Jews, but I warn my readers that this a secondary issue and that we should focus on who the enemy is, rather than on who have been its actual enemies and allies.

The Jews are the enemy of the human race. Do not let the Jews distract you and buy themselves time with infighting over the question of Hitler and Stalin's ultimate loyalties. Instead focus on the Jewish problem.

In relation to this, I also sense that the Jews are attempting to confuse the issue of Jewish power with Christian Identity nonsense and are attempting to provoke us into arguing about the definition of a "Jew". Both of these maneuvers to distract and disperse us are replacements for the Jews' failed attempts to get us arguing about whether the Jews or the Catholics are at the top of the pyramid of power, and whether or not to call Jews "Jews" or to call Jews "Zionists". It is a bit like the definition of obscenity. You know pornography when you see it, and I see Jews behind these attempts to cause arguments over semantics and past allies in the fight against the Jews.

Infiltrating companies and movements and causing infighting among members over wording and how to proceed is an old trick to undermine organizations and competitors. Consider the following statement from an article which addresses CIA tactics:

"Burke noted than Intellipedia includes instructions from a 1944 CIA field manual for sabotaging companies. The manual suggests that agents encourage companies to use channels to make decisions, and when possible refer matters to committees for further study and consideration. Companies

will face further strife when spies within encourage haggling over the precise wording of communications."--Heather Havenstein, "Top Secret: CIA explains its Wikipedia-like national security project", http://www.computerworld.com/action/article.do?command=viewArticleBasic&taxonomyId=13&articleId=9095638

A Word of Warning to the Human Race, and a Bit of Sage Advice

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

At this very moment, the Jews are slaughtering hundreds of millions, if not billions, of human beings. The Jewish bankers who have deliberately created the current world-wide economic meltdown are far and away the worst genocidal mass murderers in history, and will eclipse the genocidal escapades of their Jewish ancestors by hundreds of millions, if not billions, of innocent lives extinguished. These innocent and harmless men, women and children don't yet realize it, but they are dead in a few years' time if we do not stop the bloodthirsty Jew from killing them.

The scales of justice weigh heavily in favor of a coordinated world-wide action against World Jewry. Here in the US, simply muzzling the five million miscreant Jews infecting our nation with their hatred and theivery, and silencing their cackling cries from any hearing in the media or government, would go a long way towards saving the lives of hundreds of millions of innocent souls, who today casually go about their business unaware that the poisonous Jews have summoned Death to their doorstep in the horrifying form of famine, disease, war and revolution.

Shackling the Jew and preventing him from entering the public discourse for the next twenty years or so would buy the normal human beings of the World enough time to undo the damage the Jews have done to the international economy and to international relations. Purging all Jews (a small percentage of the World's population) from politics, banking, religion, press, media and all forms of public discourse, would save billions of human lives now destined to perish into the abyss of Jewish greed and the insatiable Jewish hunger for human blood. Just telling the Jews, forcing the Jews to shut up for the next twenty years while normal human beings fix things, would right the ship of humanity from the suicidally wrong course the Jews have planned for us all.

I have studied Jewish history. The worst mistake human beings have ever made is to allow the Jew to participate in banking, politics, religion and the public discourse. This otherwise insignificant minority, the International Jew, will have taken more lives than it has ever produced, and threatens to exterminate the entire human race. Merely shutting them up, simply asking them to be quiet for 20 years, would help prevent the mass murder they are carrying out at this very moment, the murder of billions.

But, alas, we must do more than this. The Jews will insist upon that.

The Death Threats Come Thundering In

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews fear my call to my fellow Americans to immediate political action to put an end to Jewish power in America. The Jews are threatening my life and stating that the Mossad are going after me.

But it is the Jews who are frightened, not me.

I have noticed that the Jewish controlled "alternative media" are upping the infighting, promoting fear and pitching the Jews' gold. They are not organizing Americans to fight back against the Jews, because the "alternative media" represents the Jews. When they thought they could trick the Goyim into falling for the Jewish Gold Standard scam, the infighting stopped, the Hollywood Jews stepped in, and all the "alternative media" stood behind the Jews' "alternative Presidential candidate" Ron "the gold hawker" Paul.

Now that I have unmasked their charade, the Jewish "alternative media" is playing its role as

defeatist, disorganizer, gold promoter and revolution promoter. They want you to be afraid of contributing funds to the coming political movement against Jewish power, so they tell you that you will be "added to the list" if you become politically active and help to fight the Jew. They are scarring you into enslaving yourself.

They are raping your mind like a demented baby sitter who tells a small child that the floor is covered with snakes so that the child will stay in bed. The Jews want you to be afraid of shadows and vampires in the night. But when it comes to destroying yourself, they have lots of good advice, those Jews who love you so much and are oh so good to you.

The Jews and their Freemason army are at this very moment executing an "1848 Redux". They are agitating self destructive Bolshevik revolutions across Europe and America--around the World. When it comes to killing yourself for the benefit of the Jew through Jewish nihilistic revolution, the Jew advises you to be brave and selfless. When it comes to fighting back against the Jew, the Jew advises you to cower, hide and hoard gold.

If you are a coward, fear not acting, fear being a stupid deer caught in the headlights of an Israeli bomber squadron carrying a payload of nuclear bombs to drop on American cities. Be afraid of not fighting back, afraid of lying down while a hag faced old wobbly Jew who is half your size kicks you and laughs at your cowardice. Be a man and fight back for yourself and your family by organizing against the murderous Jew.

If you want to invest in a real golden opportunity, then invest your time and money in political action against the poisonous Jew who is ruining your country and stealing millions of dollars

straight out of your pocket in lost wealth that is your birthright, the deadly Jew who is stealing your freedom and mocking your fear.

Imagine a World where we have finally put an end to the Jewish war on the human race, a World where we can devote our lives to our families, friends and nation, rather than struggling to keep our rights while fighting the Jew's wars and slaving to pay the Jew's bills and keep the Jew fat and comfortable. Imagine a beautiful America where every American can walk every American street in pride and safety. Imagine a World where the citizens of all other nations envy and admire Americans. These are the dreams of our forefathers, who were not afraid to fight to make their dreams a reality and were certainly not slovenly cowards who let rats run over them, nibble their ears while they slept and raid their cupboards in the dark.

It is the Jews who are afraid, not me. Join me and fight back against them.

We have great wealth in America. With a media and money supply under our control we can quickly build a better America than has ever existed before us. We can pay families to bear us beautiful children. We can turn our cities, which were once littered with slums, into gardens and parks with elegant homes and quiet safe neighborhoods. We have the skills and resources to turn America into a paradise for all of our citizens. It is the Jews who have kept us from doing it. Today they want to turn us into the Soviet Union, then the graveyard. All we need do to defeat them is fight them in legal productive ways. The Jewish controlled "alternative media" is devoted to preventing us from doing what we must to save ourselves. The audience is what we need, not the lying twisted hosts and writers who poison us with their Jewish fear mongering and defeatism.

Please help me to tap into this audience and to a much broader audience. I would like to start a talk show, but I am not interested in interviewing Jewish flakes. I would like to interview serious professional people who are experts in their fields and who can discuss the problems we face and name viable solutions. I want to break away from the deliberately failed crowd of neurotic asses who comprise the present "alternative media", and instead offer an effective and cogent message on how to defeat the enemy.

I would appreciate it if you could help to arrange these interviews. I do not want to talk about the "illuminati", or UFO's, or how great the Jews are. I want to save America from the Jews who are dead set on killing it and us.

Were the Arabs Nazis During WW II?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Some highly dubious characters in the "Patriot Community" are spreading the myth that the Arabs were Nazis and therefore the Nazis could not have been Zionists (think "Sam Danner" and "Obama might be another JFK" when judging the quality of the judgement of some of those promoting this mythology). The original source of the myth that the Arabs were Nazis was Jewish propaganda meant to stigmatize the Arabs as if Nazis who wanted to exterminate the Jews. The stigmata is today far less than it was yesterday, but it was yesterday that this myth first appeared and it was the product of Jewish smear propaganda against the Arab world.

The argument that the no Arab would have supported the Nazis if the Nazis were Zionists contains several fatal flaws:

1). Zionism was not the most severe form of colonialism the Arabs faced in the period from 1933-1945, nor was it a realistic threat at that time. The Nazis worked with the Jews to send Jews to Palestine, and the majority of those Jews promptly left Palestine finding life in Palestine unbearable. It was only then that the Nazis ended their open collaboration with the Zionist Jews, because the program was a failure for the Zionist Jews. It was only then, at the behest of the Jewish bankers, that the Nazis turned up the heat on the Jews of Europe to provide them with a future incentive to move to Palestine and stay. In general, the Arabs did not much care about the Jews who were coming to Palestine in relatively small numbers.

In the thirties and early forties, British and French colonialism were far more significant and immediate threats to the many millions of Arabs, than the prospect of a hundred thousand Jews, or so, moving to Palestine, or so the Arabs thought. In fact, the Arabs helped the British defeat the Ottoman Empire in WW I. At that time, the Muslim Arabs fought against fellow Muslims, and with Jews and British Zionists, to defeat the Ottoman Empire and free up Arab land. The British were then openly Zionistic, having issued the Balfour Declaration. So the argument that Arabs would not support Zionists during a world war is false and contradicts known historical facts.

2). It is a known fact that the Nazis were indeed open Zionists, so the presumption that there can be any doubt as to that fact is false. The Nazis financed their economy in collaboration with the Zionists in the Transfer Agreement at a time when the rest of Jewry were boycotting the Germans. It was the British who opposed and hindered Nazi Zionism, not the Arabs. The Arabs and Jews have often been allies throughout their history. They share a similar understanding of

monotheism, a common dislike of Christian "Crusaders" and colonialists, similar languages, etc.

3). The assertion that the Arabs were Nazis is false. The Arab nations were not a part of the Axis powers. There was not a single Arab nation which fought on the side of the Nazis. There was a very brief war between a rebellious group in Iraq and the British in 1941, the Anglo-Iraqi war, but it was short-lived and not very costly to the British. There were a handful of Nazi Arabs, just as there were Nazi Norwegians and French Nazis. I dare say there were far more Nazi Americans than Arab Nazis. But the argument that because there were a few Nazis paid by the German government among the millions of Arabs in the Arab nations, that the Arabs were therefore Nazis, is as ludicrous as would be the claim that Norway and France were Axis powers and that the Nazis never made war on Norway or France.

4). It is also ludicrous to presume that the Nazis would not attempt to trick the Arabs into supporting Nazism even though the German Nazis considered the Arabs to be sub-human and subject to the eventual rule of the master race. The Nazis needed oil and control over the Mediterranean. Just as the Nazis were seen as liberators by the Ukrainians, then mass murdered the Ukrainians, the Nazis were seen by some few Arabs as potential liberators from British and French colonialism, but that did not make the Nazis sincere allies of the Arabs, but rather opportunists and tricksters trying to win a war despite Hitler's best efforts to cost Germany the war. The bogus argument disregards the fact that the Arabs could have been tricked. We can see today how a small few of the Arabs are being tricked in Gaza to work against their own interests, while still others are crypto-Jews and controlled opposition forces. It is safe to presume that the Jews had such forces among the Arabs during WW II, as they did during

and before WW I.

5). Though the Arab nations did not ally themselves with the Nazis, the Zionist Jews in Palestine did offer to ally with the Nazis and fight the British at the height of the war and after the alleged Nazi extermination campaign against the Jews. If the Nazis were anti-Zionists, why would the Zionists offer to fight with the Nazis? Again, it was the British who were anti-Zionists during Hitler's reign, not the Germans. I argue that this was merely because the British were under Jewish domination and that the Jewish masses were not Zionists and the Zionist Jews wanted to use the Germans to ungently persuade the Jews to become Zionists, just as Herzl openly stated that anti-Semites were the Zionists' best allies.

There is much more which can be said to defeat the fallacious argument that the Arabs were supposedly Nazis and that no Arab would have supported the Nazis if the Nazis were Zionists, but this will suffice for now.

Contra "Muhammad Rafeeq": Are Chabad Lubavitch Impostor Jews? Jews Consider Goyim to be Beasts Outside of the Law of Moses

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

"Muhammad Rafeeq" would have us believe that the Chabad Lubavitch are not religious Jews, but instead merely clothe themselves as if rabbis to deceive us so that they can get away with their crimes. "Muhammad's" claims are preposterous on their face.

It is far easier and much more profitable for Jewish criminals to wear Goyish garb and blend in undetected in general society, than to wear morbid clown suits and foxhide which tags them as Jews, as wall street Jews, media Jews, and Jewish politicians have proven. In addition, who would it be that these passionately religious Jews would be trying to fool by studying the Talmud day and night and making asses of themselves wearing costumes that were once intended to shame them in Europe; and to what advantage would it be to pretend to actually believe the Talmud and Cabalah to which they devote their lives?

Though "Muhammad" would evidently have us believe that there is some contradiction between the criminal behavior of some of Chabad Lubavitch and Judiasm, the opposite is true. Judaism not only condones the criminal behavior of some of the Lubavitch, it encourages it! The criminal behavior of some of the Lubavitch is evidence that they are strict practitioners of Judaism.

"Muhammad" would have us believe that the Jews hold that the Mosaic ten commandments apply to the Goyim and to the treatment the Jews must accord the Goyim, but such is not the case. This is one of the reasons why it is important to disprove "Muhammad's" false assertions that the Old Testament Torah has far greater authority than does Talmud Torah. The passages in the Talmud which permit and encourage the Jews to steal from and murder non-Jews are

well known and supercede anything written in the Old Testament Torah, which also encourages the Jews to steal the property of the Goyim, to practice usury against the Goyim, to genocide the Goyim and to destroy the religions and nations of the Goyim, as I have already repeatedly shown.

Beyond all of this, Talmud Torah makes it crystal clear that the Jews do not apply Mosaic Law to Gentiles, that the Jews believe that the Gentiles refused to accept Mosaic Law and even the Law of Noah, and that Jews are not to apply Mosaic Law (ten commandments included) to the Goyim. This is *very* well known, and for "Muhammad" to pretend otherwise is simply absurd, given that this man has claimed to know the Cabalistic ritual needed to place the soul of Shabbatai Zevi into a Rothschild.

The Talmud is very clear that the Mosaic Law does not apply Gentiles, see for example:

Sanhedrin 59a:

"R. Johanan said: A heathen who studies the Torah deserves death, for it is written, *Moses commanded* us *a law for an inheritance;* it is *our* inheritance, not theirs."

Baba Kamma 113a-b

"'Where a suit arises between an Israelite and a heathen, if you can justify the former according to the laws of Israel, justify him and say: 'This is our law'; so also if you can justify him by the laws of the heathens justify him and

say [to the other party:] 'This is your law'; but if this can not be done, we use subterfuges to circumvent him. [***] His lost article is permissible, for R. Hama b. Guria said that Rab stated: Whence can we learn that the lost article of a heathen is permissible? Because it says: And with all lost thing of thy brother's: it is to your brother that you make restoration, but you need not make restoration to a heathen."

Baba Mezia 108b

"[A] heathen is certainly not subject to [the exhortation], *'And thou shalt do that which is right and good in the sight of the Lord.'*"

Baba Mezia 114b

"The graves of Gentiles do not defile, for it is written, *And ye my flock, the flock of my pastures, are men;* only ye are designated *'men'*."

Sanhedrin 57a:

"Has it not been taught: 'With respect to robbery — if one stole or robbed or [seized] a beautiful woman, or [committed] similar offences, if [these were perpetrated] by one Cuthean against another, [the theft, etc.] must not be kept, and likewise [the theft] of an Israelite by a Cuthean, but that of a Cuthean by an Israelite may be retained'? [***] But where a penalty is incurred, it is explicitly stated, for the commencing clause teaches: 'For

murder, whether of a Cuthean by a Cuthean, or of an Israelite by a Cuthean, punishment is incurred; but of a Cuthean by an Israelite, there is no death penalty'? [***] It applies to the withholding of a labourer's wage. One Cuthean from another, or a Cuthean from an Israelite is forbidden, but an Israelite from a Cuthean is permitted."

Baba Kamma 38a

"WHERE AN OX BELONGING TO AN ISRAELITE HAS GORED AN OX BELONGING TO A CANAANITE THERE IS NO LIABILITY etc. But I might here assert that you are on the horns of a dilemma. If the implication of 'his neighbour' has to be insisted upon, then in the case of an ox of a Canaanite goring an ox of an Israelite, should there also not be exemption? If [on the other hand] the implication of 'his neighbour' has not to be insisted upon, why then even in the case of an ox of an Israelite goring an ox of a Canaanite, should there not be liability? — R Abbahu thereupon said: The Writ says, He stood and measured the earth; he beheld and drove asunder the nations, [which may be taken to imply that] God beheld the seven commandments which were accepted by all the descendants of Noah, but since they did not observe them, He rose up and declared them to be outside the protection of the civil law of Israel [with reference to damage done to cattle by cattle]. R. Johanan even said that the same could be inferred from this [verse], He shined forth from Mount Paran, [implying that] from Paran He exposed

their money to Israel. The same has been taught as follows: If the ox of an Israelite gores an ox of a Canaanite there is no liability, but if an ox of a Canaanite gores an ox of an Israelite whether the ox [that did the damage] was Tam or whether it had already been Mu 'ad, the payment is to be in full, as it is said: He stood and measured the earth, he beheld and drove asunder the nations, and again, He shined forth from Mount Paran."

In its article "Gentile", under the subheading "Rabbinical Modification of Laws", *The Jewish Encyclopedia* states (note that "B. M." signifies the tractate "Baba Mezia" in the Talmud and "B. K." is tractate "Baba Kamma" of the Talmud:

"With regard to the text 'This is the law when a man dieth in a tent' (Num. xix. 14), they held that only Israelites are *men*, quoting the prophet, 'Ye my flock, the flock of my pasture, are men' (Ezek. xxxiv. 31); Gentiles they classed not as men but as barbarians (B. M. 108b). [***] The barbarian Gentiles who could not be prevailed upon to observe law and order were not to be benefited by the Jewish civil laws, framed to regulate a stable and orderly society, and based on reciprocity. The passage in Moses' farewell address: 'The Lord came from Sinai, and rose up from Seir unto them; he shined forth from Mount Paran' (Deut. xxxiii. 2), indicates that the Almighty offered the Torah to the Gentile nations also, but, since they refused to accept it, He withdrew His 'shining' legal protection from them, and transferred their property rights to Israel, who observed His Law. A passage

of Habakkuk is quoted as confirming this claim: 'God came from Teman, and the Holy One from Mount Paran. . . . He stood, and measured the earth; he beheld, and drove asunder [{Hebrew deleted} = 'let loose,' 'outlawed'] the nations' (Hab. iii. 3-6); the Talmud adds that He had observed how the Gentile nations steadfastly refused to obey the seven moral Nachian precepts, and hence had decided to outlaw them (B. K. 38a)."--"Gentile", *The Jewish Encyclopedia*, Funk and Wagnalls Company, New York, (1903), pp. 615-626, at 619-620.

Contra "Muhammad Rafeeq": The "True Torah Jews" Believe that Talmud Is Torah and Is More Important than the Torah of the Old Testament

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

All Orthodox Jews, the Ultra-Orthodox Neturei Karta included, believe that the Talmud is Torah and that the Talmud is a stronger, or at least as strong an authority as the Torah of the Old Testament. Pranaitis wrote in his *The Talmud Unmasked: The Secret Rabbinical Teachings*

Concerning Christians:

"As to the origin of the Talmud, the Rabbis[6] regard Moses as its first author. They hold that, besides the written law which Moses received from God on Mount Sinai on tables of stone, which is called *Torah Schebiktab*, he also received interpretations of it, or the oral law, which is called *Torah Shebeal Peh*. They say that this is the reason why Moses remained so long on the mountain, as God could have given him the written law in one day.[7]"--Rev. I. B. Pranaitis, *The Talmud Unmasked: The Secret Rabbinical Teachings Concerning Christians*, Eugene Nelson Sanctuary, New York, (1939), p. 10.

and:

"An important point to note is that this work has always been regarded by the Jews as holy. They have always held it, and still hold it, as more important than the Sacred Scriptures. The Talmud itself shows this very clearly:

In the tract *Babha Metsia*, fol. 33a, we read:

'Those who devote themselves to reading the Bible exercise a certain virtue, but not very much; those who study the *Mischnah* exercise virtue for which they will receive a reward; those, however, who take upon themselves to study the *Gemarah* exercise the highest virtue.'

Likewise in the tract *Sopherim* XV, 7, fol. 13b:

'The Sacred Scriptures is like water, the *Mischnah* wine, and the *Gemarah* aromatic wine.'

The following is a well-known and highly praised opinion in the writings of the Rabbis:

'My son, give heed to the words of the scribes rather than to the words of the law.'[12]

The reason for this is found in the tract *Sanhedrin* X, 3, f.88b:

'He who transgresses the words of the scribes sins more gravely than the transgressors of the words of the law.'

Also when there are differences of opinion between the Law and the doctors, both must be taken as the words of the Lord God.

In the tract *Erubhin*, f.13b, where it is related that there was a difference of opinion between the two schools of Hillel and Schamai, it is concluded that:

'The words of both are the words of the living God.'

In the book *Mizbeach*,13 cap. V, we find the following opinion:

'There is nothing superior to the Holy Talmud.'

Contemporary defenders of the Talmud speak of it almost in the same way.[14]"--Rev. I. B. Pranaitis, *The Talmud Unmasked: The Secret Rabbinical Teachings Concerning Christians*, Eugene Nelson Sanctuary, New York, (1939), p. 20.

Lest anyone mistakenly believe that I am focusing on an obscure point that only an expert on this particular subject should have been expected to have known, the Wikipedia online article on Haredi Judaism states:

"One basic belief of the Orthodox community in general is that it is the latest link in a chain of Jewish continuity extending back to the giving of the Torah to Moses at Mount Sinai. It believes that two guides to Jewish law were given to the Israelites at that time: the first, known as the Torah she-bi-khtav, or the 'Written Law' is the Torah as Jews know it today; the second, known as the Torah she-ba'al peh ('Oral Law'), is the exposition as relayed by the scholarly and other religious leaders of each generation. The traditional interpretation of the Oral Torah is considered as the authoritative reading of the Written Law."

The Neturei Karta rely upon the Talmud to justify their belief that the Jews are forbidden to go in large numbers to Palestine before the arrival of the Messiah. In addition to the following source, http://www.zionism-israel.com/dic/Neturei_Karta.htm, Israel Shahak and Norton Mezvinsky wrote in their book *Jewish Fundamentalism in Israel*:

"The Haredi objection to Zionism is based upon the contradiction between classical Judaism, of which the Haredim are the continuators, and Zionism. Numerous Zionist historians have unfortunately obfuscated the issues here. Some detailed explanation is therefore necessary. In a famous talmudic passage in *Tractate Ketubot*, page 111, which is echoed in other parts of the Talmud, God is said to have imposed three oaths on the Jews. Two of these oaths that clearly contradict Zionist tenets are: 1) Jews should not rebel against non-Jews, and 2) as a group should not massively emigrate to Palestine before the coming of the Messiah. (The third oath, not discussed here, enjoins the Jews not to pray too strongly for the coming of the Messiah, so as not to bring him before his appointed time.) During the course of post-talmudic Jewish history, rabbis extensively discussed the three oaths. Of major concern in this discussion was the question of whether or not specific Jewish emigration to Palestine was part of the forbidden massive emigration. During the past 1,500 years, the great majority of traditional Judaism's most important rabbis interpreted the three oaths and the continued existence of the Jews in exile as religious obligations intended to expiate the Jewish sins that caused God to exile them."--I. Shahak and N. Mezvinsky, *Jewish Fundamentalism in Israel*, Pluto Press, London, (1999), p. 18.

The Jewish Genocide of the Palestinians

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews, by their own ancient accounts, were never the native people of Palestine. The Jews, by their own ancient accounts, were always genocidal invaders in the land of Palestine. The Jews fabricated a mythological genocidal Jewish God to justify their wars of extermination on the native peoples of the land of Palestine.

The genocidal Jewish God blessed the Jewish desire to murder their fellow human beings and steal their land and possessions. The Jewish Torah in the Old Testament in *Exodus* 34:11-17 states:

"11 Observe thou that which I command thee this day: behold, I drive out before thee the Amorite, and the Canaanite, and the Hittite, and the Perizzite, and the Hivite, and the Jebusite.

12 Take heed to thyself, lest thou make a covenant with the inhabitants of the land whither thou goest, lest it be for a snare in the midst of thee:

13 But ye shall destroy their altars, break their images, and cut down their groves:

14 For thou shalt worship no other god: for the LORD, whose name is Jealous, is a jealous God:

15 Lest thou make a covenant with the inhabitants of the land, and they go a whoring after their gods, and do sacrifice unto their gods, and one call thee, and thou eat of his sacrifice;

16 And thou take of their daughters unto thy sons, and their daughters go a whoring after their gods, and make thy sons go a whoring after their gods.

17 Thou shalt make thee no molten gods."

The genocidal Jewish God serves as a mythological justification to the Jews to exterminate their neighbors, the native inhabitants of the land of Palestine. The Jewish Torah in the Old Testament book *Numbers* 33:51-56 states:

"51 Speak unto the children of Israel, and say unto them, When ye are passed over Jordan into the land of Canaan;

52 Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places:

53 And ye shall dispossess the inhabitants of the land, and dwell therein: for I have given you the land to possess it.

54 And ye shall divide the land by lot for an inheritance among your

families: and to the more ye shall give the more inheritance, and to the fewer ye shall give the less inheritance: every man's inheritance shall be in the place where his lot falleth; according to the tribes of your fathers ye shall inherit.

55 But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, that those which ye let remain of them shall be pricks in your eyes, and thorns in your sides, and shall vex you in the land wherein ye dwell.

56 Moreover it shall come to pass, that I shall do unto you, as I thought to do unto them."

The Jewish Torah in the Old Testament book of *Deuteronomy* 7:1-6 commands the Jews to genocide the native inhabitants of Palestine:

"1 When the LORD thy God shall bring thee into the land whither thou goest to possess it, and hath cast out many nations before thee, the Hittites, and the Girgashites, and the Amorites, and the Canaanites, and the Perizzites, and the Hivites, and the Jebusites, seven nations greater and mightier than thou;

2 And when the LORD thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:

3 Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son.

4 For they will turn away thy son from following me, that they may serve other gods: so will the anger of the LORD be kindled against you, and destroy thee suddenly.

5 But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire.

6 For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth."

The Jewish Talmud tractate *Sanhedrin* folio 20b instructs the Jews to genocide the native inhabitants of Palestine, who are there called "Amalekites". The mythological genocidal Jewish God commands the Jews to exterminate the "Amalekites" and became furious when the Jews left one Amalekite alive to offer as a human sacrifice to the bloodthirsty Jewish God. This genocidal doctrine and conspiracy to exterminate an entire race of People is found throughout the Torah and the remainder of the Jewish Old Testament (*Genesis* 14:7; 36:12, 16. *Exodus* 17:8-11, 13-14, 16. *Numbers* 13:29; 14:25, 43, 45; 24:20. *Deuteronomy* 25:17-19. See also: *Judges* 3:13; 5:14; 6:3, 33; 7:12; 10:12; 12:15. I *Samuel* 14:48;15:2-8, 15, 18, 20, 32; 27:8; 28:18; 30:1, 13, 18. II *Samuel* 1:1, 8, 13; 8:12. I *Chronicles* 1:36; 4:43; 18:11. *Psalm* 83:7). The Jewish Talmud tractate *Sanhedrin* folio 20b states:

"It has been taught: R. Jose said: Three commandments were given to Israel when they entered the land; [i] to appoint a king; [ii] to cut off the seed of Amalek; [iii] and to build themselves the chosen house [i.e. the Temple] and I do not know which of them has priority. But, when it is said: The hand upon the throne of the Lord, the Lord will have war with Amalek from generation to generation, we must infer that they had first to set up a king, for 'throne' implies a king, as it is written, Then Solomon sat on the throne of the Lord as king. Yet I still do not know which [of the other two] comes first, the building of the chosen Temple or the cutting off of the seed of Amalek. Hence, when it is written, And when He giveth you rest from all your enemies round about etc., and then [Scripture proceeds], Then it shall come to pass that the place which the Lord your God shall choose, it is to be inferred that the extermination of Amalek is first. And so it is written of David, And it came to pass when the king dwelt in his house, and the Lord had given him rest from his enemies round about, and the passage continues; that the king said unto Nathan the Prophet: See now, I dwell in a house of cedars etc."--I. Epstein, Editor, "Sanhedrin 20b", *The Babylonian Talmud*, Volume 27, The Soncino Press, London, (1935), pp. 107-111, at 109.

The Jewish Cabalistic book the *Zohar*, Volume I, 25a-25b, states that peoples other than the Jews will be exterminated when the Jews form a state in Palestine,

"But as 'tohu and bohu' gave place to light, so when God reveals Himself they

will be wiped off the earth. But withal redemption will not be complete until Amalek will be exterminated, for against Amalek the oath was taken that 'the Lord will have war against Amalek from generation to generation' (Ex. xvii, 16)."--H. Sperling and M. Simon, *The Zohar*, Volume 1, The Soncino Press, New York, (1933), p. 100.

The Jewish *Zohar*, Volume I, 28b-29a, states:

"At that time the mixed multitude shall pass away from the world [***] The mixed multitude are the impurity which the serpent injected into Eve. From this impurity came forth Cain, who killed Abel. [***] for they are the seed of Amalek, of whom it is said, 'thou shalt blot out the memory of Amalek' [***] Various impurities are mingled in the composition of Israel, like animals among men. One kind is from the side of the serpent; another from the side of the Gentiles, who are compared to the beasts of the field; another from the mazikin (goblins), for the souls [29a] of the wicked are literally the mazikin (goblins) of the world; and there is an impurity from the side of the demons and evil spirits; and there is none so cursed among them as Amalek, who is the evil serpent, the 'strange god'. He is the cause of all unchastity and murder, and his twin-soul is the poison of idolatry, the two together being called Samael (lit. poison-god). There is more than one Samael, and they are not all equal, but this side of the serpent is accursed above all of them."--H. Sperling and M. Simon, *The Zohar*, Volume 1, The Soncino Press, New York,

(1933), pp. 108-110.

Rabbi Shlomo Yitzhaki's (Rashi's) *Commentary on the Pentateuch*, Exodus 17:14-16, states:

"14. Write this (for) a memorial that Amalek came to battle against Israel prior to all the (other) nations. And rehearse (it) in the ears of Joshua who will bring into the land, that he should command Israel to recompense him (Amalek) for his deed. Here it was hinted to Moses that Joshua would bring in Israel to the land. For I will utterly blot out Therefore I admonish you thus, for I desire to blot them out. 15. And he called the name of it (I. e.,) of the altar. Adonai-nissi (lit., the Lord is my banner (or miracle). The Holy One Blessed Be He wrought for us here a 'miracle'. It is not that the altar was called 'Lord' but (that) he who mentioned the name of the altar would recall the miracle which the Omnipresent wrought: 'The Lord He is our miracle.' 16. And he said (I. e.,) Moses, The hand upon the throne of the Lord The hand of the Holy One Blessed Be He was raised to swear by His throne that there would be for Him war and hatred against Amalek forever. And why is (it written) (throne) and not stated [***]? Is then the (Divine) Name also divided in half (i. e.: [***] instead of the full name)? The Holy One Blessed Be He swore that His name will not be whole (i. e., [***] instead of the full name) nor His throne whole (i. e. [***]) instead of [***] until there will be blotted out the name of Amalek utterly. And when his (Amalek's) name will be blotted out (then) will the (Divine) Name be whole, and it is stated (Ps.

9.7): 'O thou enemy, the waste places are come to an end forever' this refers to Amalek, regarding whom it is written Amos 1.11): 'And his anger he kept forever,' 'And the cities which thou didst uproot Their very memorial is perished' (Ps., ibid. 7). What does (Scripture) state after this? 'But the Lord is enthroned forever' (verse 8)—behold the (Divine) Name is whole (expressed in full); 'He hath established His throne for judgment' (ibid.)—behold his throne is whole [***]."--A. Ben Isaiah, et al., *The Pentateuch and Rashi's Commentary: A Linear Translation into English*, S. S. & R. Publishing Company, Brooklyn, New York, (1949), pp. 187-188.

Jewish historian Louis Ginzberg stated in his *The Legend of the Jews*:

"Although Amalek had now received the merited punishment from the hands of Joshua, still his enterprise against Israel had not been entirely unavailing. The miraculous exodus of Israel out of Egypt, and especially the cleaving of the sea, had created such alarm among the heathens, that none among them had dared to approach Israel. But this fear vanished as soon as Amalek attempted to compete in battle with Israel. Although he was terribly beaten, still the fear of the inaccessibility of Israel was gone. It was with Amalek as with that foolhardy wight who plunged into a scalding-hot tub. He scalded himself terribly, yet the tub became a little cooled through his plunge into it. Hence God was not content with the punishment Amalek received in the time of Moses, but swore by His throne and by His right hand that He would never forget Amalek's misdeeds, that in this world as well as

in the time of the Messiah He would visit punishment upon him, and would completely exterminate him in the future world. So long as the seed of Amalek exists, the face of God is, as it were, covered, and will only then come to view, when the seed of Amalek shall have been entirely exterminated.

God had at first left the war against Amalek in the hands of His people, therefore He bade Joshua, the future leader of the people, never to forget the war against Amalek; and if Moses had listened intently, he would have perceived from this command of God that Joshua was destined to lead the people into the promised land. But later, when Amalek took part in the destruction of Jerusalem, God Himself took up the war against Amalek, saying, 'By My throne I vow not to leave a single descendant of Amalek under the heavens, yea, no one shall even be able to say that this sheep or that wether belonged to an Amalekite.'

God bade Moses impress upon the Jews to repulse no heathen should he desire conversion, but never to accept an Amalekite as a proselyte. It was in consideration of this word of God that David slew the Amalekite, who announced to him the death of Saul and Jonathan; for he saw in him only a heathen, although he appeared in the guise of a Jew.

Part of the blame for the destruction of Amalek falls upon his father, Eliphaz. He used to say to Amalek: 'My son, dost thou indeed know who will possess this world and the future world?' Amalek paid no attention to this

allusion to the future fortune of Israel, and his father urged it no more strongly upon him, although it would have been his duty to instruct his son clearly and fully. He should have said to him: 'My son, Israel will possess this world as well as the future world; dig wells then for their use and build roads for them, so that thou mayest be judged worthy to share in the future world.' But as Amalek had not been sufficiently instructed by his father, in his wantonness he undertook to destroy the whole world. God, who tries the reins and the heart, said to him: 'O thou fool, I created thee after all the seventy nations, but for thy sins thou shalt be the first to descend into hell.'

To glorify the victory over Amalek, Moses built an altar, which God called 'My Miracle,' for the miracle God wrought against Amalek in the war of Israel was, as it were, a miracle for God. For so long as the Israelites dwell in sorrow, God feels with them, and a joy for Israel is a joy for God, hence, too, the miraculous victory over Israel's foe was a victory for God."--L. Ginzberg, *The Legend of the Jews*, Volume 3, The Jewish Publication Society of America, Philadelphia, (1911/1954), pp. 61-63.

The Judaic religious doctrine of the genocide of the seed of Amalek is alive today. Yehoshafat Harkabi wrote in his book *Israel's Fateful Hour*:

"Some nationalistic religious extremists frequently identify the Arabs with Amalek, whom the Jews are commanded to annihilate totally (Deuteronomy 25:17-19). As children, we were taught that this was a relic of a bygone and

primitive era, a commandment that had lapsed because Sennacherib the Assyrian king had mixed up all the nations so it was no longer possible to know who comes of the seed of Amalek. Yet some rabbis insist on injecting a contemporary significance into the commandment to blot out Amalek."--Y. Harkabi, *Israel's Fateful Hour*, Harper & Row, New York, (1988), p. 149.

Israel Shahak wrote in his book *Jewish History, Jewish Religion: The Weight of Three Thousand Years*:

"In addition to laws such as those mentioned so far, which are directed at all Gentiles in the Land of Israel, an even greater evil influence arises from special laws against the ancient Canaanites and other nations who lived in Palestine before its conquest by Joshua, as well as against the Amalekites. All those nations must be utterly exterminated, and the Talmud and talmudic literature reiterate the genocidal biblical exhortations with even greater vehemence. Influential rabbis, who have a considerable following among Israeli army officers, identify the Palestinians (or even all Arabs) with those ancient nations, so that commands like 'thou shalt save alive nothing that breatheth'[56] acquire a topical meaning. In fact, it is not uncommon for reserve soldiers called up to do a tour of duty in the Gaza Strip to be given an 'educational lecture' in which they are told that the Palestinians of Gaza are 'like the Amalekites'. Biblical verses exhorting to genocide of the Midianite[57] were solemnly quoted by an important Israeli

rabbi in justification of the Qibbiya massacre,[58] and this pronouncement has gained wide circulation in the Israeli army. There are many similar examples of bloodthirsty rabbinical pronouncements against the Palestinians, based on these laws."--I. Shahak, *Jewish History, Jewish Religion: The Weight of Three Thousand Years*, Pluto Press, London, (1994/2002), pp. 91-92.

The Jewish People's own words provide irrefutable proof that the Jewish People are, and have been throughout their entire history, engaged in a criminal conspiracy to genocide the People of Palestine. The Jews must be arrested and prosecuted for this crime, and then either imprisoned, or executed.

Scapegoating Chabad Lubavitch for the Crimes of Zionism, the Jewish Bankers and the Jewish People

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have observed a prolonged campaign in the Jewish controlled "alternative media" to promote the mythology that the deceased Rebbe Menachem Mendel Schneerson is the messiah of the

Jews and that the Chabad Lubavitch is the source of all the problems the World faces from Jewry, and that these Jews are not real Jews.

While it is true that some members of Chabad Lubavitch believed that the late Rebbe Schneerson was the messiah, and fewer still yet believe that Schneerson was the messiah, their beliefs conflict with the Lubavitchers' own dogma on the subject. I have yet to see any evidence that among those who believed that Schneerson was the messiah these persons also believed that Schneerson carried the soul of Shabbatai Zevi.

According to Lubavitcher dogma, there were to be seven Rebbes and after the seventh died, the messiah was then to appear. The Lubavitchers never held that the seventh Rebbe, which was Schneerson, would be the messiah. In fact, Schneerson, himself, stated that he was NOT the messiah.

As per Lubavitcher beliefs, Schneerson played the role of Elijah who heralded the arrival of the messiah, NOT Moshiach ben Joseph nor Moshiach ben David. Therefore, the myth that Schneerson is the inheritor of the soul of Shabbatai Zevi, and that Schneerson will be the anti-Christ / Dajjal to sit on the throne in the coming "third" Temple of Solomon, is demonstrably false and completely unsupported by any verifiable evidence. It appears to me to be a misdirection to lead people away from looking for the anti-Christ among the Jewish bankers. The mythology that Schneerson is to be the messiah of the Jews also has us wasting our time searching after a dead man, when the messiah of the Jews, the anti-Christ, must be a living man and therefore cannot be Schneerson.

The Rothschilds, not the Lubavitchers, declared themselves the Kings of the Jews. The Rothschilds began the modern political Zionist movement, financed it, and fulfilled it. The Lubavitchers opposed Zionism until after the Jewish State was formed, and many still do oppose Zionism. I believe the campaign to lay all the problems the Jews have caused the World and are causing the World on the Chabad Lubavitch, is simply an attempt to pardon the guilty Jewish People, and direct attention away from the Jewish bankers.

When Governments Defended the Goyim, the Myth of Jewish "Persecution" and the Importance of the Truth

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

We must change perceptions and public opinion regarding Jewish history. The Jews have misrepresented the history of their People and would have us believe that the governments of the past have persecuted the Jews, when in fact the governments of the World have instead sought to protect the citizens of the World from the aggressive and hostile Jews.

It is important that we establish this fact, because we can use the past actions which various governments all through Jewish history have taken to resist the Jewish attack against them, as

legal precedents for the actions we must take to defend ourselves from the murderous Jews. We will then be able to demonstrate that our "Power Party" represents the legal measures needed to suppress the Jewish revolt against the human race, and the American People will support and join us. We should use history to our advantage, rather than pretend to be ashamed of what our ancestors did to defend themselves from the genocidal Jews.

How Did "Muhammad Rafeeq" Come to Know the Lurian Cabalah So Well?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

How did "Muhammad Rafeeq", raised a Christian, acquire an esoteric knowledge of Shabbataian Cabalah that one would assume would only be known to an initiate and trusted practitioner of Shabbataianism? How did "Muhammad" come to know what Cabalistic ritual would be required to implant the soul of Shabbatai Zevi into another man, in this case, one of the Rothschilds?

Why does he believe such a transmutation of souls is possible, if in fact that is what he believes? If that is not what he believes, then why would he doubt that such a thing could be easily faked,

and must of logical necessity be faked, given that it is physically and spiritually impossible? Why would he believe that it is possible that Menachem Mendel Schneerson had inherited the soul of Shabbatai Zevi, if, in fact, that is what "Muhammad" believes?

Why did Daryl Bradford Smith tell me that "Muhammad" told him that he, "Muhammad", was at one time a practitioner of the Cabalah and believes in its occult powers to this day, though he, "Muhammad", again according to Daryl Bradford Smith's accounts, purports to have come to oppose the Cabalah and today, and for some time since abandoning it, has found the Cabalah repulsive and dangerous. How would anyone other than an advanced practitioner of Shabbataian Cabalah have acquired this esoteric and secret knowledge? How would anyone, other than a born Shabbataian, a born Jew, have become so trusted an initiate that this knowledge would have been passed on to him?

Perhaps "Muhammad" can inform of us of a book which would explain how the soul of Shabbatati Zevi could be placed into the body of one of the Rothschilds, and why it would be so difficult, and what those difficulties would be. If not, then perhaps "Muhammad" can provide us with some other source of this knowledge, which would demonstrate how he came to acquire this knowledge which he attempted to use to make an unprovoked and fallacious attack on my credibility.

It is interesting to note that "Muhammad" misrepresents the views of Neturei Karta with respect to the Talmud and mistakenly places in their minds a Shabbataian view of the Talmud as lesser than Torah and Cabalah. Jacob Frank railed against the Talmud.

As for the Lurian/Shabbataian/Frankist Cabalistic view that one should do the opposite of the Torah, consider the fact that the Torah instructs Jews to ruin the Goyim through usury, but to forgive debts to Jews. Why don't the bankers, whom "Muhammad's" friend David Pidcock has identified as the source of our woes, do the opposite of the Torah, charge no interest to the Goyim and forgive Goy debts, but instead impose usury on the Jews and ruin the Jews? Why do they not do the opposite of the Torah, and make the Jews, themselves included, the slaves of the Goyim?

Shabbataianism is the fulfilment of the Torah through political and economic means. It is hardly the opposite of the Torah, though it does indeed offer up that instruction. It is an irrational and inconsistent mythology.

Why Would the Jew and Crypto-Jew Crew in the "Alternative Media" Attempt a Defense for Bernard Madoff?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There are several reasons why the Jews would like to stop the bleeding the Bernard Madoff

scandal has caused their community. I will address just a few of these reasons why crypto-Jews would want the anti-Zionist movement on Madoff's side.

The Bernard Madoff scandal is a terrible embarassment to the Jewish community. It proves that many negative views that the World has held towards the Jews for thousands of years are not "anti-Semitic canards", but rather are demonstrable facts. Indeed, prominent Jews whined in the media they dominate that they are the victims of false stereotypes because the Madoff scandal proves these stereotypes to be true. Hence the Jew and crypto-Jew crew in the "alternative media" went into overdrive to muddy the waters and confuse the issue just as legitimate anti-Zionists were making the most of the scandal to drive home the fact that many of their criticisms of the Jews have been confirmed yet again.

The Jews fear disunity in the Jewish community more than any external threat. When I led a campaign to expose the *Jewish Genocide of Armenian Christians*, the ADL only began to retreat on its position when it sensed that the Jewish community itself was divided on the issue. The Jews hate to see Jews fighting Jews, especially in the public arena. So in step the Jew and crypto-Jew crew in the "alternative media" to tell us that Madoff is a Jewish hero falling on his sword to do what is good for the Jews.

Jewish and crypto-Jewish bankers would be especially keen to see the Madoff investigation lead nowhere, because they are tied to the rope that the investigators are tugging at. The Maffia does not like to see its kingpins go on trial for fear that the investigation will lead to other kingpins and the general condemnation of their criminal enterprise. So it is with the Jewish banking maffia. Were other Jews helping Madoff? Were there unrelated crimes that might be uncovered

by an investigation, especially an investigation fueled by public condemnation of the Jewish bankers spearheaded by the authentic Anti-Zionist Movement?

Just as when they tried to undermine the Anti-Zionist Movement's support for Ernst Zuendel, Germar Rudolf and David Irving, the Jew and crypto-Jew crew are trying to undermine the Anti-Zionist Movement's call for the investigation of the Jewish bankers. I am leading a call to criminally and civilly prosecute the Jewish bankers for all of their crimes against humanity for the past 2,500 years, and the Jewish People for sponsoring these crimes, and benefitting from them.

The heat on the Jewish bankers is high and the Jew and crypto-Jew crew want to cool off the flames of passion the Madoff investigation has generated. Why are they not calling for the investigation of the whole Jewish cabal and their capital punishment? Why are they not demanding the banking industry be audited top to bottom and all the criminals put in jail? Why are they not demanding that the fortunes of the Jewish bankers, and the Jewish People, be confiscated? I'll tell you why, it is because they are the Jew and crypto-Jew crew and they *always* do what they believe is good for the Jews.

It is better for the Jews to put this Madoff Frankenstein monster to bed before the Goyim come after the Jewish bankers with pitch forks and torches in hand, shining a bright light on the rats in every corner of the Jewish banking industry. It would be especially harmful to the Jewish bankers to have Jews demanding an investigation of them, because it is far more difficult to accuse prominent Jews of "anti-Semitism". If prominent Jews were to demand an investigation

of the entire banking industry, many heads would likely roll. Instead of excusing Madoff, we should be calling for a broader investigation and for the repeal of unjust laws which tax the taxpayer to pay for banker fraud.

The Jewish Problem, Part 2: The Jews in Government

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Every nation which has broken the yoke of the Jews has had to remove the Jews from government and prevent the Jews from influencing government. In every society which the Jews have infected, the Jews have corrupted the government to operate against the interests of the native majority and in favor of the hostile Jews.

The Jews are disloyal and hostile to all other nations and always have been. The Jews are taught to destroy all Gentile governments, which historically have been Monarchies. The Jewish *Zohar*, which *all* religious Jews revere, and which has inspired recent Jewish revolutionary movements and therefore forms the basis for the political beliefs and subversive intentions of *most* Jews, be they religious, apostate or atheistical Jews.

Prainitis wrote in his *The Talmud Unmasked: The Secret Rabbinical Teachings Concerning*

Christians,

"III. CHRISTIANS ARE TO BE KILLED BECAUSE THEY ARE TYRANTS

In *Zohar* (I, 25a) it says:

'The People of the Earth are idolaters, and it has been written about them: *Let them be wiped off the face of the earth. Destroy the memory of the Amalekites.* They are with us still in this Fourth Captivity, namely, the Princes [of Rome] . . . who are really Amalakites."

1. THESE PRINCES ARE TO BE KILLED FIRST

For if they are allowed to live, the hope of the liberation of the Jews is in vain, and their prayers for release from this Fourth Captivity are of no avail.

In Zohar (I, 219b) it says:

"It is certain that our captivity will last until the princes of the gentiles who worship idols are destroyed."

And again in Zohar (II, 19a) it says:

"Rabbi Jehuda said: Come and see how it is; how the princes have assumed power over Israel and the Israelites make no outcry. But their rejoicing is heard when the prince falls. It is

written that: the King of the Egyptians died and soon the children of Israel were released from captivity; they cried out and their voice ascended to God."

The Torah tells the Jews that they are destined to enslave humanity and that the Jews are superior to all others, whom the Old Testament calls "Goyim", which translates as "the nations". The Old Testament states that the Jews are a master race which will rule over the subhuman "Goyim", "the Nations". The Torah states in *Exodus* 19:5-6:

"5 Now therefore, if ye will obey my voice indeed, and keep my covenant, then ye shall be a peculiar treasure unto me above all people: for all the earth is mine: 6 And ye shall be unto me a kingdom of priests, and an holy nation. These are the words which thou shalt speak unto the children of Israel."

The Torah states in *Numbers* 24:17-20:

"17 I shall see him, but not now: I shall behold him, but not nigh: there shall come a Star out of Jacob, and a Sceptre shall rise out of Israel, and shall smite the corners of Moab, and destroy all the children of Sheth. 18 And Edom shall be a possession, Seir also shall be a possession for his enemies; and Israel shall do valiantly. 19 Out of Jacob shall come he that shall have dominion, and shall destroy him that remaineth of the city. 20 And when he looked on Amalek, he took up his parable, and said, Amalek was the first of

the nations; but his latter end shall be that he perish for ever."

The Torah states in *Numbers* 33:50-56:

"50 And the LORD spake unto Moses in the plains of Moab by Jordan near Jericho, saying, 51 Speak unto the children of Israel, and say unto them, When ye are passed over Jordan into the land of Canaan; 52 Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places: 53 And ye shall dispossess the inhabitants of the land, and dwell therein: for I have given you the land to possess it. 54 And ye shall divide the land by lot for an inheritance among your families: and to the more ye shall give the more inheritance, and to the fewer ye shall give the less inheritance: every man's inheritance shall be in the place where his lot falleth; according to the tribes of your fathers ye shall inherit. 55 But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, that those which ye let remain of them shall be pricks in your eyes, and thorns in your sides, and shall vex you in the land wherein ye dwell. 56 Moreover it shall come to pass, that I shall do unto you, as I thought to do unto them."

The Torah states in *Deuteronomy* 7:6:

"For thou art an holy people unto the LORD thy God: the LORD thy God hath

chosen thee to be a special people unto himself, above all people that are upon the face of the earth."

Deuteronomy 28:9-13 states:

"9 The LORD shall establish thee an holy people unto himself, as he hath sworn unto thee, if thou shalt keep the commandments of the LORD thy God, and walk in his ways.

10 And all people of the earth shall see that thou art called by the name of the LORD; and they shall be afraid of thee.

11 And the LORD shall make thee plenteous in goods, in the fruit of thy body, and in the fruit of thy cattle, and in the fruit of thy ground, in the land which the LORD sware unto thy fathers to give thee.

12 The LORD shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow.

13 And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God, which I command thee this day, to observe and to do them:"

The Cabalistic *Zohar* did not arise in a vacuum, rather it is the practical plan for implementing

the religious plan of the Torah. It was the Torah, not the *Zohar*, which first demanded that the Jews exterminate the Amalekites and leave no man, woman or child left alive (*Genesis* 14:7; 36:12, 16. *Exodus* 17:8-11, 13-14, 16. *Numbers* 13:29; 14:25, 43, 45; 24:20. *Deuteronomy* 25:17-19. See also: *Judges* 3:13; 5:14; 6:3, 33; 7:12; 10:12; 12:15. I *Samuel* 14:48;15:2-8, 15, 18, 20, 32; 27:8; 28:18; 30:1, 13, 18. II *Samuel* 1:1, 8, 13; 8:12. I *Chronicles* 1:36; 4:43; 18:11. *Psalm* 83:7).

The primary ambition of the Jews has always been to genocide the rest of the human race.

When you cut off the head, the body dies. The Jews have always sought to murder the Monarchies, to destroy the governments of the "Goyim", "the Nations"; so that the Jews can institute a Jewish World government, which they will rule from Jerusalem. The Old Testament contains many passages instructing the Jews to destroy the governments of the Gentiles. *Psalm* 2:1-12 (see also: *Sukkah* 52a-b) states:

"Why do the heathen rage, and the people imagine a vain thing? 2 The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, 3 Let us break their bands asunder, and cast away their cords from us. 4 He that sitteth in the heavens shall laugh: the Lord shall have them in derision. 5 Then shall he speak unto them in his wrath, and vex them in his sore displeasure. 6 Yet have I set my king upon my holy hill of Zion. 7 I will declare the decree: the LORD hath said unto me, Thou art my Son; this day have I begotten thee. 8 Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. 9 Thou shalt break them with a rod of iron;

thou shalt dash them in pieces like a potter's vessel. 10 Be wise now therefore, O ye kings: be instructed, ye judges of the earth. 11 Serve the LORD with fear, and rejoice with trembling. 12 Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in him."

Psalm 2 states:

"1 Why do the heathen rage, and the people imagine a vain thing? 2 The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, 3 Let us break their bands asunder, and cast away their cords from us. 4 He that sitteth in the heavens shall laugh: the Lord shall have them in derision. 5 Then shall he speak unto them in his wrath, and vex them in his sore displeasure. 6 Yet have I set my king upon my holy hill of Zion. 7 I will declare the decree: the LORD hath said unto me, Thou art my Son; this day have I begotten thee. 8 Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. 9 Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel. 10 Be wise now therefore, O ye kings: be instructed, ye judges of the earth. 11 Serve the LORD with fear, and rejoice with trembling. 12 Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in him."

Psalm 18:40-50 states:

40 Thou hast also given me the necks of mine enemies; that I might destroy them that hate me. 41 They cried, but there was none to save them: even unto the LORD, but he answered them not. 42 Then did I beat them small as the dust before the wind: I did cast them out as the dirt in the streets. 43 Thou hast delivered me from the strivings of the people; and thou hast made me the head of the heathen: a people whom I have not known shall serve me. 44 As soon as they hear of me, they shall obey me: the strangers shall submit themselves unto me. 45 The strangers shall fade away, and be afraid out of their close places. 46 The LORD liveth; and blessed be my rock; and let the God of my salvation be exalted. 47 It is God that avengeth me, and subdueth the people under me. 48 He delivereth me from mine enemies: yea, thou liftest me up above those that rise up against me: thou hast delivered me from the violent man. 49 Therefore will I give thanks unto thee, O LORD, among the heathen, and sing praises unto thy name. 50 Great deliverance giveth he to his king; and sheweth mercy to his anointed, to David, and to his seed for evermore."

Psalm 72:8-11 states:

"8 He shall have dominion also from sea to sea, and from the river unto the ends of the earth. 9 They that dwell in the wilderness shall bow before him;

and his enemies shall lick the dust. 10 The kings of Tarshish and of the isles shall bring presents: the kings of Sheba and Seba shall offer gifts. 11 Yea, all kings shall fall down before him: all nations shall serve him."

Psalm 110:1-7 states:

"The LORD said unto my Lord, Sit thou at my right hand, until I make thine enemies thy footstool. 2 The LORD shall send the rod of thy strength out of Zion: rule thou in the midst of thine enemies. 3 Thy people shall be willing in the day of thy power, in the beauties of holiness from the womb of the morning: thou hast the dew of thy youth. 4 The LORD hath sworn, and will not repent, Thou art a priest for ever after the order of Melchizedek. 5 The Lord at thy right hand shall strike through kings in the day of his wrath. 6 He shall judge among the heathen, he shall fill the places with the dead bodies; he shall wound the heads over many countries. 7 He shall drink of the brook in the way: therefore shall he lift up the head."

Isaiah 40:23 states:

"That bringeth the princes to nothing; he maketh the judges of the earth as vanity."

Isaiah 49:7 states:

"Thus saith the LORD, the Redeemer of Israel, and his Holy One, to him whom man despiseth, to him whom the nation abhorreth, to a servant of

rulers, Kings shall see and arise, princes also shall worship, because of the LORD that is faithful, and the Holy One of Israel, and he shall choose thee."

Isaiah 49:23 states:

"And kings shall be thy nursing fathers, and their queens thy nursing mothers: they shall bow down to thee with their face toward the earth, and lick up the dust of thy feet; and thou shalt know that I am the LORD: for they shall not be ashamed that wait for me."

Isaiah 60:12 states:

"For the nation and kingdom that will not serve thee shall perish; yea, those nations shall be utterly wasted."

Isaiah 61:9 states:

"And their seed shall be known among the Gentiles, and their offspring among the people: all that see them shall acknowledge them, that they are the seed which the LORD hath blessed."

Jeremiah 10:10 states:

"But the LORD is the true God, he is the living God, and an everlasting king: at his wrath the earth shall tremble, and the nations shall not be able to

abide his indignation."

Ezekiel 39:17-18 states:

"17 And, thou son of man, thus saith the Lord GOD; Speak unto every feathered fowl, and to every beast of the field, Assemble yourselves, and come; gather yourselves on every side to my sacrifice that I do sacrifice for you, even a great sacrifice upon the mountains of Israel, that ye may eat flesh, and drink blood. 18 Ye shall eat the flesh of the mighty, and drink the blood of the princes of the earth, of rams, of lambs, and of goats, of bullocks, all of them fatlings of Bashan."

Micah 17:16-17 states:

"The nations shall see and be confounded at all their might: they shall lay their hand upon their mouth, their ears shall be deaf. 17 They shall lick the dust like a serpent, they shall move out of their holes like worms of the earth: they shall be afraid of the LORD our God, and shall fear because of thee."

Zechariah 14:9 states:

"And the LORD shall be king over all the earth: in that day shall there be one LORD, and his name one."

As the above proves, the Jews are at war with all of our governments. The Jews instigate wars,

practice usury, participate in government to subvert it, control elections, propose legislation, etc. all to undermine every Gentile government to work against the best interests of its People in favor of the murderous and greedy Jews who are determined to rule the World, so that they can exterminate every non-Jew down to the last man, woman and child.

The Jews are such a heinous People, that we have abundant legal precedent down through the entire history of the Jewish People for excluding Jews from government and for compelling them to integrate or otherwise disappear. From Caligula to Hitler, the governments of the nations the Jews have infected with their hateful and corrosive presence have sought to break the yoke of the Jews by removing them from government and forcing them to adopt normal human standards for the epoch in which they lived.

The mistake that so many of these governments have made is permitting the Jews to segregate. We must insist that no two Jews bear children between them, and that Jews not be permitted to associate with other Jews outside their immediate family. Short of ending their lives, this is evidently the only way to put an end to the Jewish war on the human race.

If we are to survive, we must remove all Jews from government and make it a capital criminal offense for any Jew to even attempt to influence politics in any manner, including, but not limited to: commenting on political matters; participating in the press or the educational system; donating to political campaigns and causes; proposing, complimenting or critizing any candidate or politician, etc. The sooner the nations of the World adopt these legal measures, the sooner the Jewish war on the human race will end.

We must also make it illegal for anyone to accuse another of "anti-Jewish" or "anti-Semitic" expressions or beliefs.

Whenever a nation permits Jews to interfere in its politics, the results are inevitably a usurious monetary system, wars, depressions, and moral and cultural decay. If we are to be healthy, we must purge our government and political system of Jews and Jewish influence of any kind.

Authoritative Sources State that the Jews Killed Jesus Christ and Poisoned the Prophet Muhammad

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jews really do not like Jesus Christ or the Prophet Muhammad. The Jewish Babylonian Talmud states in *Gittin* 57*a* that Jesus is boiling in hell in hot excrement,

"He then went and raised Balaam by incantations. He asked him: Who is in repute in the other world? He replied: Israel. What then, he said, about joining them? He replied: *Thou shalt not seek their peace nor their*

***prosperity all thy days for ever.*[*Footnote:* Deut. XXIII, 7.] He then asked: What is your punishment? He replied: With boiling hot semen.[*Footnote:* Because he enticed Israel to go astray after the daughters of Moab. V. Sanh. 106*a*.] He then went and raised by incantations the sinners of Israel. [*Footnote:* {MS.M. Jesus}.] He asked them: Who is in repute in the other world? They replied: Israel. What about joining them? They replied: Seek their welfare, seek not their harm. Whoever touches them touches the apple of his eye. He said: What is your punishment? They replied: With boiling hot excrement, since a Master has said: Whoever mocks at the words of the Sages is punished with boiling hot excrement. Observe the difference between the sinners of Israel and the prophets of the other nations who worship idols."**—I. Epstein, Gittin 57*a*, "Gittin", *The Babylonian Talmud*, Volume 21, The Soncino Press, London, (1936), pp. 261-265, at 261.

The Talmudic tractate *Sukkah*, folio 52*b* states that the Muslims are the enemies of God (though the Talmud was written before the appearance of Islam, the Jews consider the Muslims to be Ishmaelites and Rabbi Kahane has applied this text to Muslims),

"R. Hana b. Abba stated: It was said at the schoolhouse, There are four things of which the Holy One, blessed be He, repents that He had created them, and they are the following: Exile, the Chaldeans, the Ishmaelites and Evil Inclination. 'The Exile', since it is written, *Now, therefore, what do I here, saith the Lord, seeing that My people is taken away for naught* etc.;[9]

'the Chaldeans', since it is written, *Behold the land of the Chaldeans—this is the people that was not;*[10] 'the Ishmaelites', since it is written, *The tents of the robbers*[11] *prosper, and they that provoke God are secure since God brought them with His hand;*[12] 'the Evil Inclination', since it is written, [*And I will gather her that is driven away*] *and her that I have afflicted.*[13]"—I. Epstein, Editor, "Sukkah 52*b*", *The Babylonian Talmud*, Volume 12, The Soncino Press, London, (1935), pp. 249-252, at 250.

The Jewish *Zohar*, Volume 3, page 282*a*, degrades Jesus Christ and the Prophet Mohammed,

"From the side of idolatry Shabbethaj (Saturn) is called Lilith [*Footnote:* Lilith is a female demon, comp. Is. XXXIV. 14 and Weber, *Altsynagogale palaestinische Theologie,* p. 246.], mixed dung, on account of the filth mixed from all kinds of dirt and worms, into which they throw dead dogs and dead asses, the sons of 'Esau and Ishma'el, and there (read [Hebrew deleted]) Jesus and Mohammed, who are dead dogs, are buried among them. She (Lilith) is the grave of idolatry, where they bury the uncircumcised, (who are) dead dogs, abomination and bad smell, soiled and fetid, a bad family. She (Lilith) is the ligament [*Footnote:* {Hebrew deleted} is a fibre attached to the lungs] which holds fast the 'mixed multitude' (Ex. xii. 38), which is mixed among Israel, and which holds fast bone and flesh, that is, the sons of 'Esau and Ishma'el, dead bone and unclean flesh torn of beasts in the field, of which it is said (Ex. xxii. 31): 'Ye shall cast it to the dogs.'"—G. Dalman, *Jesus Christ in the Talmud, Midrash, Zohar, and the Liturgy of the Synagogue*, Deighton Bell,

Cambridge, (1893), p. 40.

The New Testament clearly states that the Jews killed Jesus Christ. I *Thessalonians* 2:14-15 states,

"14 For ye, brethren, became followers of the churches of God which in Judaea are in Christ Jesus: for ye also have suffered like things of your own countrymen, even as they have of the Jews: 15 Who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men:"

Though many Jews claim that the New Testament story that the Jews killed Christ is an anti-Semitic canard, the Jews themselves boast in their most holy Talmud that they killed Christ in *Sanhedrin*106*a-b*,

"*Balaam also the son of Beor, the soothsayer,* [*did the children of Israel slay with the sword*].[3] A soothsayer? But he was a prophet! — R. Johanan said: At first he was a prophet, but subsequently a soothsayer.[4] R. Papa observed: This is what men say, 'She who was the descendant of princes and governors, played the harlot with carpenters.'[5] *Did the children of Israel slay with the sword among them that were slain by them*.[6] Rab said: They subjected him to four deaths, stoning, burning, decapitation and strangulation.[7]"--I. Epstein, Sanhedrin 106*a-b*, "Sanhedrin II", *The Babylonian Talmud*, Volume 28, The Soncino Press, London, (1935), pp. 721-729, at 725.

and *Sanhedrin* folio 43a,

"On the eve of the Passover Yeshu[34] was hanged. For forty days before the execution took place, a herald went forth and cried, 'He is going forth to be stoned because he has practised sorcery and enticed Israel to apostacy. Any one who can say anything in his favour, let him come forward and plead on his behalf.' But since nothing was brought forward in his favour he was hanged on the eve of the Passover![35]"--Sanhedrin 43a, *Babylonian Talmud*, as translated in the Soncino edition, http://www.come-and-hear.com/sanhedrin/sanhedrin_43.html

Muslim and Jewish authorities state a Jewess named Zainab poisoned the Prophet Muhammad.

The Jewish Encyclopedia states,

"An attempt on the life of Mohammed was made at Khaibar by a Jewish woman named Zainab, who, in revenge for the death of her male relatives in battle, put poison in a dish prepared by her for the prophet. One of Mohammed's followers who par-took of the food died almost immediately afterward; but the prophet, who had eaten more sparingly, escaped. He, however, complained of the effects of the poison to the end of his life."

Another of "Muhammad Rafeeq's" Asinine Conspiracy Theories

Falls Apart

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Contrary to "Muhammad's" contentions, there is a very old belief that a Jewess named Zainab poisoned the Prophet Muhammad. Contrary to "Muhammad's" conspiracy theory that Jews should object to the publication of this theory because it will bring a backlash from Muslims, Jews, prominent Jewish historians among them, celebrate the story of Zainab and delight in the idea that she poisoned the Prophet.

While "Muhammad" would ridiculously scapegoat me for a backlash of Muslims against Jews, which would surely come from other sources such as the Jews' genocides of Muslim nations, because I mention the widely known story of Zainab which "Muhammad" would style an anti-Semitic act, *The Jewish Encyclopedia* gives the story credence and the weight of its authority,

"An attempt on the life of Mohammed was made at Khaibar by a Jewish woman named Zainab, who, in revenge for the death of her male relatives in battle, put poison in a dish prepared by her for the prophet. One of Mohammed's followers who par-took of the food died almost immediately afterward; but the prophet, who had eaten more sparingly, escaped. He, however, complained of the effects of the poison to the end of his life."

According to the following webpage, http://www.root-1.co.il/poems.htm, which depicts cartoons which Muslims are bound to find offensive, famous Jewish historian Heinrich Graetz wrote of "courageous" Zainab, the Jewess who is said to have poisoned the Prophet,

"The war, in which Muhammad employed 14,000 warriors, lasted almost two months. (Spring 628).

"The war against Khaibar assumed the same character as that which was waged against the other Jewish tribes. It was begun by the cutting down of the palm trees and the siege of the small fortresses, which surrendered after a short resistance. Muhammad met the most vigorous resistance at the fortress Kamus, which was built on a steep rock. The Muhammadans were several times beaten back by the Jews. Abu Bekr and Omar, Muhammad's two bravest generals, lost their distinction as unconquered heroes before the walls of Kamus. (For the Jews the giant) Marhab performed wonderful feats of valor."

"When Muhammad sent his third general, Ali, against him, the Jewish hero addressed him thus: 'Khaibar knows my valor. I am Marhab the hero, well armed and tried in the field.' He then challenged Ali to single combat. But his time had come. He fell at the hands of his peer. After many attempts, the enemy succeeded in effecting an entrance into the fortress. How the captives fared is not known. Kinanah was captured and put on the rack in order to force him to discover his hidden treasures. But he bore pain and even death

without uttering a word. ... Zainab, the sister of Marhab, (was captured)."

"This courageous woman bethought herself of an artifice, whereby she might avenge the murder of her co-religionists and relatives. She pretended to be friendly towards him, and prepared a repast for him. Muhammad unsuspectingly ate of a poisoned dish which she had set before him and his companions. One of them died from the effects. But Muhammad, who, not having found the dish to his taste, had scarcely tasted it, was saved alive, but suffered for a long time, and felt the effects of the poison to the hour of his death. Questioned as to the reason for her action, Zainab coolly replied, 'You have persecuted my people with untold afflictions; I therefore thought that if you were simply a warrior, I could procure rest for them through poison, but if you were really a prophet, God would warn you in time, and you would come to no harm.'"

"Muhammad thereupon ordered her to be put to death."

Would "Muhammad" have us believe that *The Jewish Encyclopedia* and Heinrich Graetz were engaged in an anti-Semitic plot to bring down the wrath of the Muslims on the poor innocent Jews "Muhammad" so loves?

Our friend "Muhammad" is a sophist, and a poor one at that.

"Muhammad Rafeeq's" Conspiracy Theory Does Not Hold Water

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

"Muhammad Rafeeq" has stated that he is a Christian convert to Islam. I am unclear as to whether or not he has ever practiced any form of Judaism at any point in his life, or whether or not he has any Jewish blood. Perhaps he will enlighten me as to the answers to these questions.

"Muhammad Rafeeq" has posited the theory that he was referred to as a Jewish convert to Islam, because he published an apologia for Bernard Madoff and somehow his arguments about Madoff would be discredited if he were of the Jewish faith before converting to Islam. I fail to follow his reasoning, but regardless of that, the fundamental premise of "Muhammad's" theory is demonstrably false due to the fact that these questions were raised a long time before he published his article on Madoff.

Perhaps "Muhammad" has a theory as to how Rense.com came to refer to him as a Jewish convert to Islam and referred to him as "Paul". And where is the shame in that, "Muhammad"? There is a difference between inaccurate and shameful.

Long before the article appeared on Jeff Rense's website, or was even written, I directly asked "Muhammad" if he is a Jewish convert to Islam over one year ago:

http://www.wakeupfromyourslumber.com/node/2604

Eric Hufschmid referred to "Muhammad Rafeeq" as a Jewish convert to Islam more than one year ago:

On 30 October 2007, Eric Hufschmid wrote,

"Rafeeq is willing to defend Smith but, from what I remember, Rafeeq is a Jew who converted to the Muslim religion and changed his name to Muhammad."--Eric Hufschmid, (30 October 2007), http://www.erichufschmid.net/Hufschmid-30Oct2007.html

Long before that, Daryl Bradford Smith told me that "Muhammad" was a Jewish convert to Islam. So "Muhammad's" theory that all of this is some recent phenomenon meant to discredit his widely publicized apologia for Bernard Madoff is patently absurd and contradicted by facts known to "Muhammad" for a very long time. So why is he positing this strange theory? Why does he evidently take offense that some believed he was a Jewish convert to Islam, when he so loves the Jews, when he so loves the Torah, and when he so loves the Talmud? Why doesn't "Muhammad" simply smile and say, no, I'm not of the Jewish race, have no Jewish blood in my Gentile veins, but I would be proud if I had? Why does he instead get all upset and protest loudly that he was raised a Christian? Why does he come up with a conspiracy theory that contradicts facts known to him?

Alas, these are probably just more relevant questions "Muhammad" will not answer. . . but let us

wait and see, maybe he will.

And speaking of questions, how many of the (founding?) members of David Pidcock's Islamic Party of Britain were converts to Islam? Were you a member, "Muhammad"? Were any of them ever Freemasons or Jews (religious and/or racial)? Were you ever a Freemason, and/or a racial or religious Jew? Just asking. I don't know the answers. And, uh, "Muhammad", how come you know so much about Cabalah, Lurian Cabalah, no less? Frankly, I am growing bored with this, so please just some simple straightforward answers sans the conspiracy theories and personal attacks. And don't try to psychoanalyze the situation. It is kind of a Jewy thing to do and a bit pretentious.

When First I Asked "Muhammad Rafeeq" for His History

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Despite what he claims today, "Muhammad Rafeeq" began an unprovoked attack on my credibility and my work back in July of 2007, in, among other places, the following webpage on wakeupfromyourslumber.com:

http://www.wakeupfromyourslumber.com/node/2604

I confronted the sophist directly and posed several questions directly to him, which he would not answer, and note that he was not at all curious as to why I would ask such questions:

"Muhammad-Rafeeq

Muhammad-Rafeeq has misrepresented my work, and the history of Cabalistic Judaism. The Zohar did not arise in a vacuum. It is a product of Judaism and the racism expressed in the Cabalah is a refinement of the racism expressed in the Hebrew Bible and the fabricated "oral tradition". The messianic beliefs of Cabalah, especially the Lurianic Cabalah, are the product of Torah and the oral tradition, and did not arise in a vacuum.

How could Muhammad-Rafeeq have missed my many statements in my written work and in my interviews, where I raise the issues of Jewish Dualism and the Shabbataian betrayal of fellow Jews and pursuit of evil, i.e. their attacks on Torah and pretense of heresy through conversion? Is he so ignorant (surely he is not) as to fail to realize the meaning of my statements? Why does he falsely accuse me of not knowing the concept of "redemption through sin", i. e. the rejection of Torah, by Shabbataians? It is one of my primary themes, and yet Muhammad-Rafeeq raises a straw man from nowhere with which to attack me.

A few questions for Muhammad-Rafeeq:

Were you a Cabalistic Jew who converted to Islam?

Have you worked with other converts to Islam in the areas of banking?

Was the Balfour Declaration made out to Rothschild, or Hoenig?

Did the Rothschilds seek to become King of the Jews in Jerusalem?

What are the religious implications of a Jew becoming King of the Jews, and ruling the Jews from Jerusalem?

Were the Lubavitchers anti-Zionist before the formation of Israel?

Were the Rothschilds Zionists before the formation of Israel?

Why did you suddenly appear on The French Connection when I began to expose the Frankists?

Do you think Ashkenazim are false Jews and Sephardim are true Jews?

I have more questions for Muhammad-Rafeeq, but I will first await the answer to these.

Christopher Jon Bjerknes

Christopher Jon... | Wed, 2007-07-25 03:19

>>>>>>>>>>>>

Muhammad-Rafeeq

Your pretentious lectures, in which you hide from each and every issue I raise, and in which you invite me to join you in your asinine and juvenile games, are as phony as everything else about you. Instead of again misrepresenting what I have said in order to introduce more of your straw men, why don't you admit that you were wrong? It seems childish and irrational of you to hide from your mistakes by making silly, condescending and didactic commentary on what I haven't said. If you cannot express yourself in a clear fashion, that is your deficiency, not that of the reader.

Are you, like Shabbatai Zevi, a Cabalistic Jew who converted to Islam? Do you, like the Doenmeh, attempt to lead Moslems in such areas as banking and finance? Have you worked with other converts to Islam in these fields?

Are you an apologist for the Rothschilds? Are you attempting to steal my thunder for exposing the Frankists and Doenmeh? Why are you not celebrating the fact that my work exposing the Jewish genocide of Armenian Christians is receiving a great deal of attention? Why are you instead attacking me and my reputation as a scholar?

I am still awaiting the answers to the following questions from this man who has attacked me without cause based on falsehoods of his manufacture:

A few questions for Muhammad-Rafeeq:

Were you a Cabalistic Jew who converted to Islam?

Have you worked with other converts to Islam in the areas of banking?

Was the Balfour Declaration made out to Rothschild, or Hoenig?

Did the Rothschilds seek to become King of the Jews in Jerusalem?

What are the religious implications of a Jew becoming King of the Jews, and ruling the Jews from Jerusalem?

Were the Lubavitchers anti-Zionist before the formation of Israel?

Were the Rothschilds Zionists before the formation of Israel?

Why did you suddenly appear on The French Connection when I began to expose the Frankists?

Do you think Ashkenazim are false Jews and Sephardim are true Jews?

Eric Hufschmid on "Muhammad Rafeeq" on 30 October 2007

On 30 October 2007, Eric Hufschmid wrote,

"Rafeeq is willing to defend Smith but, from what I remember, Rafeeq is a Jew who converted to the Muslim religion and changed his name to Muhammad."--Eric Hufschmid, (30 October 2007), http://www.erichufschmid.net/Hufschmid-30Oct2007.html

What led Eric Hufschmid to make that statement? How did Hufschmid know that "Muhammad" was a convert? "Muhammad" states that he is a convert from Christianity to Islam, not from Judaism to Islam, and I have no reason to doubt his claim. Was Hufschmid referring to race, religion, or both?

Daryl Bradford Smith and "Muhammad Rafeeq" Versus the Facts

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Daryl Bradford Smith interviewed "Muhammad Rafeeq" birth name unkown to me, on 28 December 2008 in an apparent attempt to rebut what I have recently written about them. I will

first address what "Muhammad Rafeeq" did not say. He did not say that he has NO Jewish blood. He did not say what his birth name was. He did not say what his grandparents' names were. He focused on religion, not Jewishness as a bloodline. "Muhammad" did not confirm nor deny that he was a deep student of the Cabalah. Where does his advanced knowledge of Cabalah come from? Why did "Muhammad" not provide this basic information which one would expect?

I will now address what Daryl Bradford Smith did not say. He did not deny that he told me that "Muhammad" is of Jewish descent and was deeply involved in Cabalah.

Out of thousands of pages of published material and hours of interviews, the only issues these two men could raise to criticize my work, was the fact that some do indeed state that a Jew poisoned the Prophet Muhammad, which is all I have ever said on the subject, and somehow these persons pretend that this is an indictment of what I have said. It is amazing, even funny.

They are stating I am correct, that they don't like me, and therefore I am wrong even though I am right, and they are in agreement with my statements. The other issue they raise is their claim that I have said that the Jews caused the split between Muslims which produced the Shia. I ask them to quote me, for I do not recollect having made such a claim. I will however refer my readers to Nesta Webster's book *Secret Societies and Subversive Movements* for information about events in Muslim history.

"Muhammad" accuses me of being on the side of the Jews, by asking why he is raising a defense for Madoff, then accuses me of having anti-Semitic feelings because he has a agreed with me that some believe the Prophet Muhammad was poisoned by a Jew, and he accuses me without

quoting me, of claiming that the Jews created the Shia. "Muhammad", birth name not revealed, accuses me of trying to cause a backlash by the Muslims against the Jews.

Indeed, I would love to see a backlash by Muslims and all other normal human beings against the monstrous Jews, but not for the reasons "Muhammad" alleged.

One would think that the Jewish destruction of the Ottoman Empire and the Jewish theft of Palestine, the Jewish wars on Iraq and Afghanistan, the genocide of the Palestinians, etc. would be enough to provoke a Muslim backlash against the Jews. "Muhammad" does me honor by claiming that it shall be I who finally generates this backlash by raising the historical fact that some claim that the a Jew poisoned the Prophet Muhammad. In "Muhammad's" mind, I have more power through my words to provoke a Muslim backlash against Jews, than do the Jews themselves through their genocides of Muslims. Evidently, "Muhammad" views himself as a guardian of the Jews.

Daryl Bradford Smith alleges that I added a books page to my website after he added one to his. In point of fact, I had a books page on my website years before he added one to his website, but never let facts bother the smearmonger. This is the same Daryl Bradford Smith who promoted the nonsense that Christopher Bollyn was kidnaped or murdered, and that it was suspicious that I lived near Chicago--a typical example of Smith's "reasoning". Smith falsely claimed that I stated that he is the "lapdog" of "Muhammad" and that I claimed that "Muhammad" is a "Zionist". I made no such claims, rather I referred to Smith as "Muhammad's" "sidekick" and "pupil".

"Muhammad" states that the idea that Daryl Bradford Smith could possibly be anyone's poodle is absurd on its face, yet Smith himself claims that Eric Hufschmid led him for years. Michael Collins Piper also faults Hufschmid for Smith's attacks. Smith tries to find a similarity between me and Hufschmid, but it is Smith who worked with Hufschmid for years to attack people, not me.

Now on to what "Muhammad" did say. He said his father was a "nominal Christian" who wore a golden cross round his neck as a "good luck figurine". I have never heard of such a thing before. It sounds like something a Jew would do.

"Muhammad" said that his mother, like he, was prone to conversion. "Muhammad" stated that he does not normally talk about his life before his conversion to Islam outside of his family--first time I have heard him acknowledge that he is a convert. Why is that "Muhammad", why do you not talk about your life before conversion? Do you have any relatives in the banking business? Have you studied Cabalah, "Muhammad"?

"Muhammad" faults Christian Zionists, something I have always done, but unlike "Muhammad", I point out the fact that Jews created Christian Zionism and promote it.

"Muhammad" claims that the Neturei Karta believe that the Torah is composed solely of the Pentateuch and that the Neturei Karta hold the Pentateuch to be an authority over the Talmud. What are his bases for making these extraordinary claims? He does not say.

"Muhammad" also claimed that Neturei Karta rely upon the Pentateuch to claim that the Jews must wait for the Messiah before taking over Palestine. The fact is Neturei Karta rely upon the

Talmud, Tractate Ketuboth, verse 111 for this belief. See: http://www.zionism-israel.com/dic/Neturei_Karta.htm "Muhammad", who presumes to state that I have made mistakes in fact, is just plain wrong. Hersh Lowenthal at Jews Against Zionism wrote on the "True Torah Jews Against Zionism" website:

"All of Jewish law today is based on the Talmud, and is kept by all observant Jews."http://www.jewsagainstzionism.com/about/visitorcomments/comment_details.cfm?ItemNo=1055

Now, I have seen at various times, "True Torah Jews" state that the Talmud is a part of the Torah, in that it is a record of the Oral Law given to Moses and the Pentateuch is the Written Law given to Moses. Regardless of this semantical issue, the fact remains that Jews, "True Torah Jews" included, view the Talmud as superior to the Pentateuch, which is "water", while the Mishna is "wine" and the Gemara is "spiced wine". *Soferim* 13b states, "The Bible is like water, the Mishna like wine, and the Gemara like spiced wine." *Baba Mezia* 33a states that, "to study the Bible is but a waste of time." So in this one brief conversation "Muhammad" has had with Daryl Bradford Smith, he has made several obvious mistakes, but he must go back years to fabricate a basis to attack my credibility for merely stating facts with which he agrees!

That is enough for now. I will go back later and dig up the record on wakeupfromyourslumber.com where I responded to "Muhammad's" attacks on my work--he first criticized my work despite what he now says, and where I asked him questions he did not answer, at least not in a timely fashion. I will see if he has since answered if I can locate the page.

It should be clear to all the great love "Muhammad" has for the Jews. I did not hear him bring himself to state that the Jews control the mass media without provocation from Smith, though he identified the media as if the enemy of humanity.

Unlike "Muhammad", I will say without any hesitation that the Jews are the enemy of humanity, as is clear from the Pentateuch where they are called the Chosen People of God above all others and told to rule over and mass murder the rest of humanity.

So, "Muhammad" will you state unequivocally that you have no Jewish blood, and will you provide us with your birth name and your grandparents' birth names? I ask because you wish to make it clear that you were raised a Christian and converted to Islam, but these are religious, not racial, matters. Are you unaware that there are Christian Jews? Have you studied Cabalah, and if so, why? Please, help me to clear up this matter. I have no intention of misrepresenting your bloodline, and have only relied on what I was told by your friend and what I read in an article bearing your name. If you state unequivocally that you have no Jewish blood and never studied the Cabalah, I believe you acknowledge that you are a convert from Christianity to Islam and are a banker, I will gladly quote you in this blog. I am only interested in the facts. You would, of course, be honored to be considered a Jew, would you not?

On the Damage Control Attempts at wakeupfromyourslumber.com for the Jewish Banker "Muhammad Rafeeq"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Note that since the publication of this article, "Muhammad Rafeeq" has stated that he is a convert from Christianity to Islam and that he was raised as a Christian, and I have no reason to doubt his claim. I have addressed "Muhammad's" response here:

Daryl Bradford Smith and "Muhammad Rafeeq" Versus the Facts: December 28, 2008

"Muhammad's" response of 28 December 2008 can be found here:

http://iamthewitness.com

>>>

never heard such thing in my my life! I've learned & also read in many books that Muhammad died of natural causes.) & Shiite sects were created by the jews - another screwed up story! Both stories made me very skeptical of him.

luckily after that, DBS dropped him."

First of all, Daryl Bradford Smith never "dropped" me. I refused to have anything to do with him despite the fact that he continued to try to contact me. I was always aware of who and what he is, but I'll save that story for another time.

I do not recall ever stating that "Shiite sects were created by the jews", though this is perhaps a reference to the "Hojjatieh" or "Hojjatiya", which I wrote about here:

The Zionist Vampires Have Cost Us Our Honor: September 21, 2006

Rather than making such obscure references to articles I wrote long ago, I wonder why this author did not simply ask "Muhammad Rafeeq" if he is a Jew, instead of casting aspersions on my work? I do not wish to change subjects and my sources on the origin of the Hojjatieh have asked me not to reveal their names so I ask those interested to consider the Frankist nature of the sect and the ethnic origins of those who started it.

It is very well known that many believe that the Prophet Muhammad, as opposed to the Jewish banker "Muhammad", was poisoned by a Jew. See, for example:

Muhammad and Poison

Again, I ask, why not simply ask the Jewish banker "Muhammad Rafeeq" if he is a Jewish banker, rather than attacking me?

Or, instead, you could ask his friend and pupil, Daryl Bradford Smith, who has always known that "Muhammad" is a Jewish banker, from a good Jewish banking family, and that "Muhammad" was deep into Cabalah, or so Mr. Smith said. Note that Smith knew this even as he asked all Jews to step aside from the "Truth Movement", while he, Smith, was working with the Jew "Muhammad". Or, you could ask "Muhammad's" friend David Pidcock, who wrote,

"The unsung western heroes include James Gibb-Stuart author of the Money Bomb and Hidden Menace; Kenneth C. Palmerton Vice Chairman of CCMJ – the Christian Council for Monetary Justice and an English convert Rupert Mohammed Rafiq an English banker, and other members of the Forum For Stable Currencies, which meets in the House of Lords every month."--David Pidcock, "Malaysia and the IMF", (Spring 2000), http://www.islamicparty.com/commonsense/leader30.htm

But I suggest you ask the Jew himself why he has not made it widely known that he is a Jew and banker from the beginning of his appearances on Daryl Bradford Smith's show, and why Smith did not make it known to his audience that he was working with a Jewish banker, and why Smith called for all Jews to step aside, while working with a Jew. Rather than "shooting the messenger" and attacking me, why not find out the facts?

And while you are at it, ask "Muhammad" why he is offering a defense for Madoff?

POWER PARTY Economic Policy: Why the Jews' "Economic Stimuli" Will Not Work and What the POWER PARTY Would Do Instead

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Modern Americans have an unnatural psychology and image of themselves as citizens. This pathological state of mind has led Americans to wage wars of aggression against innocent human beings, to sit idly by as Jews steal their money and futures, and wait for others to act on their behalf. Whereas "primitive" man would respond immediately to threats and would take control over his own destiny as the need arose to do so, modern man is a slovenly beast of burden, who will let his shepherd lead him off a cliff without objection.

There are many factors which have produced this unnatural state of mind. Religion reduces the importance of life, and leads the religious to become fatalistic, obedient to authority and less

aggressive in their own defense. The control of information and the separation of the individual from the realities which govern his destiny both in terms of the information he needs to make proper decisions, and in terms of the actions he can take to control his own fate, have resulted in feelings of impotence and submission. The overwhelming power of the State and the inertia of the masses are also limiting factors on a man's ability to seize control of his future.

In this statement of *POWER PARTY* economic policy, I would like to address a few other issues which have degenerated the minds of our citizenry and made our People cowardly and obedient to the Jewish power structure. The Sephardic Jew David Ricardo observed long ago that free trade and colonialism could increase the efficiency of an advanced society through the principles of "comparative advantage" and the specialization of individuals.

We live in a highly specialized society. Even though I and my neighbors might be able to do a better job planting and harvesting lettuce than the Mexicans we import to do these jobs (I doubt it, but just for the sake of argument accept the premise), it is nevertheless more practical for us to encourage Mexicans to do these jobs while we do things which generate greater profits and personal satisfaction for us. The opportunity cost for us to do these jobs is higher than the loss in quality and efficiency of our society's lettuce supply by allowing others to do these jobs.

Specialists tend to do specific things more efficiently than non-specialists. It is easier to be a doctor if you don't have to maintain and milk your own cows, clean your own house, or repair your own car. We accept this fact and it has become a major part of our psychology, self image and sense of responsibility and personal power as members of a society.

Specialization brings with it certain risks. Your mechanic might cheat you. If the mechanics had the power to create a monopoly, and could manipulate the legislature to pass laws making their crimes legal, they could even come and break your car, and then charge you unfair fees to repair it. If you lacked the means and knowledge to repair your own car, you would have to accept the system, or be less competitive than those who did and were able to drive cars. This is what the Jewish bankers have done. They specialize in finance while we specialize in slavery.

Specialization also creates a sense of superiority and independence in the field in which one specializes, and also a sense of insecurity and inferiority in other fields. Americans have specialized in slavery while Jews have specialized in supremacy, thievery and exploitation.

Where specialization is coupled with "comparative advantage" both the individual and the nation lose their "Autarky"--their self-sufficiency. The Jews are able to manipulate specialized societies in several ways. First, they enter the society by weakening its sense of uniqueness and solidarity. The Jews accuse the nation of being intolerant if it seeks to limit Jewish immigration, which always changes the ethnic, cultural and religious complexion of the society. Of course, it is the Jews who are intolerant of any society which would remain intact without Jewish corruption, but nevertheless, this is one of the means by which the Jews infect a society and begin the process of consuming it. The Jews also free up immigration, especially the immigration of slaves, in which they trade. This also greatly changes the society the Jews infect, because immigration of foreign elements always degenerates the host society. Rome lost its way as it conquered other nations and imported their blood and their ways. Rome died as it imported Jews into the Empire.

North Africa has been blackened by its importation of slaves and the camel caravans which used to be Arab are now run by blacks. We find this same pattern recurring down through history, where the Jews import cheaper foreign labor, changing the ethnic, religious, cultural and governmental structure of the host society, and undercutting the wages of the host people, which ultimately and inevitably leads to the death of the nation and its people. Economics play a vital role in the survival of a race, an ethnicity, a culture, a religion, etc. and the Jews employ economics to destroy all other peoples.

This happened to America in the 1880's, when the Jews murdered the Czar of Russia and came to America in ever increasing numbers claiming persecution by the Slavs. Jewish bankers and organizations like the ADL pressured Congress to change the laws so that the laws of America were intolerant of Americans' interests and came to favor foreign Jews and the cheap labor they sought to import.

The Jews nearly monopolized the press and therefore the government. The press they did not directly own, they controlled through advertising dollars, smear campaigns and staff.

The Jews took over the specialty of information and thereby controlled public opinion. They also controlled the opinions in any group which sought to dissent from their control, by joining it and buying it out, then controlling its agenda and goals. Just as the Jews specialized in the Soviet Union as Commissars and other leaders, they have specialized and monopolized the organs of power and information in the United States of America. They produce almost nothing, but consume the profits of the nation.

Americans have come to accept the self defeating notion that government and press should be allowed to be monopolized and become the specialty of the few to govern the many. The Jews have taught us to consider it an element of our "freedom" to allow them to corruptly exploit us. What is in fact an oligarchy, an aristocracy of sorts, hides behind such words as "experience" to justify its existence as an undemocratic and hostile foreign government reigning over a subject people. The Jews are a tyrannical oppressor over the American People.

The Jews have taken over America. Americans are blind to the takeover, because they view it as just another facet of our specialized society. Mexicans do agricultural labor, and Jews run the press and the government, so what? Jews can openly boast that they own the motion picture industry, which has a tremendous impact on our society, and almost no one complains about the undemocratic and dangerously subversive nature of this crime against our nation. In fact, most gullible Americans would even compliment the Jews on their supposed talents and hard work which won them this success, without beginning to consider how this power enables a small and hostile minority to control the lives of the majority and exact a tyrannical reign over America in the name of their "freedom" to do so.

What if we continued this blindly stupid logic to its absurdities? What if we allowed the Jews to create and take over the specialty of those who are permitted to eat? What if the Jews, through their supposed talents and hard work, used their control over Congress to issue licenses to those approved to eat? What if the Jews tribally conspired to issue these licenses only to other Jews? Would we not at long last object to this encroachment on our fundamental rights?

We will not last long if we continue to allow the Jews to monopolize the media and government.

Ultimately, information and government are as vital to us as is food. In fact, the Jews are using their monopolistic control over the media and government to turn our food, water and air into poison.

The Jews are stealing our money and our future with tens of trillions of dollars in "bailouts" and "economic stimulus packages". The Jews promise us that this theft of our taxpayer money will be reimbursed by growth in the economy.

The fatal flaw the Jews build into their "stimulus packages" is that they increase purchasing power without increasing domestic productive power. As a result, the new dollars they force us to borrow from them either go overseas, or they chase the same limited number of goods eventually causing inflation which always rises faster than wages. The Jews also promote military spending, which creates jobs and increases purchasing power, but which does not produce food or other consumer goods, so that the money filters to the super rich while the masses starve. The industrialists profit, but the nation suffers.

The Jews also promote public works projects which create jobs and increase purchasing power, but which do nothing to increase domestic production, other than perhaps improve some parts of infrastructure, infrastructure which tends to serve foreign interests in our present state, rather than domestic industry, which is falling apart.

The *POWER PARTY* would not take the Jewish route in the current economic crisis, which crisis the Jews have deliberately brought on America and the World. One major step we would take is to remove the Jews from banking, the press, the government and all other aspects of public life,

and seize their stolen assets. We would regulate the money supply to maintain a proper balance between purchasing power and domestic production. We would encourage Autarky, the self-sufficiency of America.

The "comparative advantage" of Americans sitting in unemployment lines is nothing, so the *POWER PARTY* would expel illegals, while working with foreign governments to create jobs for these illegals in their home countries. We will place a strong emphasis upon maximizing the impact of labor in Mexico, Central and South America for the benefit of the local nations, as opposed to corporations.

In place of this lost labor in America, we would create debt free money with a time penalty, and a duty tax on imports, encouraging the velocity of money and the consumption of domestic goods. We would not permit speculation on our currency, and foreign exchange would have to be done through a system of trade, not currency, though foreign entities would be able to purchase our goods with our money. However, in order to acquire this money, they would have to open up businesses in America and use profits made in America to obtain Greenbacks, or else resort to trade. Foreign agents would have to make arrangements with domestic ministers to capitalize businesses which they seek to open in America. The capitalization would have to come through the issue of domestic currency, so that the balance of production, goods and purchasing power remain at beneficial levels and under the control of the American People by and through the American Government.

Our money is our nation's life blood, and we will not spill it without a fight. There must always be productive value added to labor and services for profits to accrue. Money should not be used

to facilitate the theft of usurious wealth accumulation. There should always be money available for production and services, which will benefit the general welfare of Americans.

The *POWER PARTY* would put the money where it will create purchasing power *and* domestic production. We will not simply build roads and power plants, we will also finance domestic businesses and production. We will fund worker education and clean up the schools and the media so that our citizens are dignified, qualified and efficient. We will also ensure that domestic production supplies our needs whenever and wherever possible and practical. We will strive for Autarky, but we will also enable our people to open up businesses overseas, though we will not allow any American to increase profits by undercutting the value of American labor with cheaper foreign labor.

Why Israel Is Attacking Gaza: The Israeli Orchestrated Imminent Revolutions in Egypt, Saudi Arabia, Jordan and Lebanon, Part 2

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Back on 4 January 2009, I informed my readers of the real reasons why Israel is attacking Gaza:

Why Israel Is Attacking Gaza: The Israeli Orchestrated Imminent Revolutions in Egypt, Saudi Arabia, Jordan and Lebanon

On 10 January 2009, *The Washington Post* reports:

"Hassan Nasrallah, the leader of the Shiite Lebanese movement Hezbollah, has called for Egyptians to rise up against Mubarak. 'Can the Egyptian police kill millions of Egyptians? Of course not,' Nasrallah declared on the militia's al-Manar satellite television channel Dec. 28. 'You, the Egyptian people, go and open the border. I am calling for a revolution in Egypt.'"--Sudarsan Raghavan, Washington Post Foreign Service, "Gaza Strikes Reverberate in Egypt: Mubarak Resists Calls at Home, in Region to Admit Palestinians Fleeing Violence", *The Washington Post*, (10 January 2009), p. A01.

I have been predicting these events for years, for example in this blog of mine almost two years ago:

Sunnis Are Being Set Up to Fall. . . into Their Graves, February 02, 2007

and in this blog of more than two years ago:

Lebanese Led into a Trap, November 24, 2006

The "alternative media" didn't want me to talk about these predictions, which are now coming true before your very eyes. As is the case with the mainstream media, many members of the "alternative media" are Mossad and CIA agents.

Making the Most of Jewish Propaganda

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have spent millions of man hours and billions of dollars propagandizing the American public in ways that can be very useful to us. The only obstacle we need to overcome is the fact that the Jews have scapegoated non-Jews for Jewish crimes. Fortunately, we have the sharp weapon of the truth with which to cut down their lies.

The Jews' favorite propaganda weapon is the "Holocaust". We can legitimately hold a mirror up

to the Jew and use their propaganda to our advantage. Imagine posters of Reinhard Heydrich and Julius Streicher with the caption, "GENOCIDAL JEWS WHO PRETENDED TO BE A GERMAN". Imagine posters of Adolf Hitler screaming in a rage with the caption, "THE FOUNDER OF ISRAEL WORKING HARD FOR THE JEWS TO DESTROY EUROPE". Imagine posters of Adolf Eichmann with the caption, "ZIONIST JEW WHO TRANSPORTED HIS BROTHERS TO PALESTINE AND OTHER CONCENTRATION CAMPS". Imagine a poster of the Zionist Jew Robert Weltsch with a superimposed star of David over his face with the caption "'WEAR IT WITH PRIDE, THE YELLOW BADGE' JEWS CAUSED THE HOLOCAUST"

Another favorite weapon of the Jews is to portray the racist apartheid nation of Israel as if it were a democracy under attack from Islam. Imagine a poster showing a map of the Middle East with a united "Palestine" in bold red and no "Israel", with the caption, "PEACE IN THE MIDDLE EAST: PALESTINE NOT WAR". Imagine a poster depicting the Israeli concentration camp wall and Palestinian children blown to bits and pieces, with the caption, "ISRAELI DEMOCRACY IN ACTION". Imagine images of Israeli soldiers beating Palestinian women with the caption, "JEWISH DOUBLESPEAK: 'LOVE THY NEIGHBOR AS THYSELF'". Imagine a poster of Talaat Pasha and Emanuel Carasso above a stack of decapitated Armenian heads with the caption, "ZIONIST JEWS MURDERED 1,500,000 CHRISTIANS". Imagine a poster of David Ben-Gurion together with Golda Meir on top of a pile of dead Jews with the caption, "ZIONIST JEWS: THEY WANTED JEWS TO DIE IN POLAND RATHER THAN LIVE IN ENGLAND".

The Jews portray themselves as if victims of race hatred. They have conditioned Americans to

have an immediate and violent negative reaction to racism. This is why I called my website "JewishRacism.com". Imagine a poster of Marx, Trotsky, Kaganovich and Helphand atop a pile of dead Ukrainians with the caption, "THE JEWS MURDERED 100 MILLION CHRISTIANS". Imagine a poster of Albert Einstein with the caption, "THE JEWISH GENIUS SPEAKS, 'WHY DON'T WE JUST LET THE GOY KEEP HIS ANTI-SEMITISM, WHILE WE PRESERVE OUR LOVE FOR THE LIKES OF US?'" Imagine a poster with the American flag covered with the variegated faces of Europeans, Africans, Native Americans and Asians separated by the Jewish apartheid wall from an Israeli flag with a picture of Ariel Sharon. The American flag would bear the caption, "THE WORLD UNITED AGAINST JEWISH RACISM" and the Israeli flag would bear the caption "JEWS ONLY". Imagine posters of the prominent Jews and their puppets bearing yellow badges on their chests and wearing tall pointed yellow hats with the caption, "THE JEWS WHO BROUGHT US TO WAR".

We must show people that Jews are the racist aggressors, not the victims of racist aggression. We must use the Jews' own propaganda to our advantage. The Jews have conditioned people to react without critical thought to certain images. If we associate those images with Jews, then people will react as they should to the hostility and murderous aspirations of the Jewish People.

The Jews have promoted the notions of multiculturalism, diversity and egalitarianism. We should show people that the Jews view themselves as if superior to all others. We should encourage people to unite against the common Jewish enemy. In this way, the Jews' cries of racism against all other people will not ring true. While the Jew is pitting blacks against whites and Muslims against Christians, we should be uniting all people against the hostile Jew. They

will have no defense and their hypocrisy will condemn them to the fate they wish upon all others.

The "Power Party" Must Target the Average Middle Class American, Not the "Buy Gold, Build a Bunker Patriot Community"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The new political party I am developing, the "Power Party" is intended for the mainstream, middle class American. One of the reasons why third parties have failed in America, is because they have promoted a revolt of one sort or another against the major parties. I do not wish to make that mistake. Americans tend to view themselves as members of one of the two major parties and view a revolt against these parties as a revolt against themselves.

My goal is to convince Americans that they are under attack by World Jewry. The "Power Party" is not a revolt against Democrats or Republicans.

The "Power Party" is a method of survival, a natural immunological response on a communal scale, the stirring of the blood with adrenaline when a predator has entered the camp, an intellectual and spiritual awakening to the danger of the Jew and the means and actions we can

and must take to defeat the enemy and build our nation. We must maintain an ease, a naturalness, a simple but not simplistic organic approach to politics.

We are life. The Jew is death. We are freedom. The Jew is slavery. We build. The Jew destroys. We speak the truth. The Jew lies.

The masses are not to be found in obscure Jewish discussions over "Austrian economics". The masses are not going to be swayed by talk of the advantages of the .45 over the 9mm, or which State should secede.

The masses know the basic laws of nature of the modern man, basic freedom, employment and peace in the homeland. We must view Americans as a People again, a People with a basic understanding of what we represent and what we are striving to achieve.

We have to awaken Americans to the facts. Only the Jews are engaging in terrorism in the homeland. We need only contain the Jew, and the terrorism will stop. Americans like peace in the homeland.

Americans want work and good wages, health care and an education. The Jews have sent our jobs overseas, subverted our educational system and ruined our healthcare system. They have openly stolen several trillions of dollars from the American taxpayer and brought us into wars of their manufacture, it is about all they make, other than money from usury. These are issues that will stir the American People to action, not UFO's, gold bars, or bird flu.

The "Patriot Community" gets nowhere because it is designed to fail. It is designed to be a

rumor mill and little else. A small gin for generating opinions favorable to World Jewry, and an example to the average American that there is no viable alternative to the two major parties. There are no large numbers of voters to be found in its ranks.

To be successful, we have to become mainstream and keep things simple. We have to focus on the average American and appeal to his concerns and to his nature. We have to become a People and fight together and build together.

The Jew has brought us poverty, disease and decadence. The Jew has brought us wars without end, higher taxes and unpayable debts. The Jew lies to us and degrades us in its media.

The "Power Party" means jobs, education, health care, a truly free press, legal reform, an end to needless wars, and relief from the burden of taxes. The "Power Party" means a decent house for every family, clean air and clean water, safe neighborhoods and a media that promotes dignity and mutual respect for all of our citizens.

As these choices become clearer, as the two Jewish parties fade into obsolescence through their failure to provide for the basic needs of the American People, our "Power Party" can and will succeed. We need to step aside from the "alternative media" and distance ourselves from the flakey characters who dominate it. It will take time, but our numbers will grow; and if we remain consistent, it will be clear that we are the viable, practical and only option for the average American.

Father Charles Coughlin's Prescient Warnings: The "Patriot Community" Is Largely a Front for the Jewish Bankers

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Father Charles Coughlin set down several specifics warnings for us in his work *Money -- Questions and Answers*. I have been warning Americans that Ron Paul and those who support him are working for the Jewish bankers. The Jews want to sell us on their gold standard scam, and the use of electronic credits supposedly backed by gold, which likely will be a return to the Jewish banker's fractional reserve banking scam.

Father Coughlin knew that the power to manufacture money belonged to the American People and is meant to be exercised through their government, and not by individuals or private banks. Father Coughlin knew that paper money was as valid as metallic coin, and stated,

"Is the substance of which money is made important?

No. It is the legal status given it by government stamp that makes it acceptable by all as money, whether it be made of metal, or of paper."

For years now, the "Patriot Community" has been feeding us the Jewish bankers' preferred program for our enslavement in the bogus name of a fight against the bankers. This comes as no

surprise, as the Jewish bankers often generate outrage against themselves, so that the public will clamor for "reforms" and afford the Jewish bankers the opportunity to make changes to the system which favor them. Since the Jewish bankers create, finance and lead these phoney opposition front organizations, they dictate the agenda and have the sucker do exactly what they want, while leading him to believe that he is fighting the bankers.

For example, Ron Paul is one of their most prominent agents. Ron Paul pushes the Jewish agenda of "Ayn Rand" (Alisa Zinov'yevna Rosenbaum) and Ludwig von Mises, both products of the Rothschilds. Paul advocates a privately controlled gold currency system with unconstitutional protections for gold exchanges and the unconstitutional issuance of private coinage, but he dresses up this disaster in the flag, and pretends that he is the defender of the People and the Constitution. He also promotes robber baron Jewish Capitalism, as if it were in the American spirit to rob the poor and fatten the super rich.

There is one pretentious ass who regularly parrots my statements and calls them the product of "his research". He employs a subtler subterfuge than the Libertarians, of which he is a protege. He attacks democracy and asks his listeners to horde gold and silver because they will inevitably be needed to be used as money. He is subtly conditioning people to accept dictatorship and to use gold and silver as money, though he parrots my attacks on Ron Paul to win himself a place in the marketplace of ideas and earn himself some modicum of credibility. He pretends that he is an authentic copy of my message, in order to steal my thunder and my niche, and then changes what I am saying to condition you to accept the "Jewish Utopia" the Jewish bankers have planned for you.

His message is that the gold standard is the wrong way for us to go, and we need to defend our liberty, so therefore revolt against the government with violence so that we can install a dictator, and buy gold and silver so that you can use them as money when the system crashes. In the name of fighting oppression and the Jewish gold standard, this clown has you calling for your own oppression by attacking democratic values with violence, and placing yourself under a gold standard upon his advice.

Unfortunately, these crypto-Jews come with their own cheerleaders, usually themselves and couple of other Jews, and human psychology makes it easy for them to deceive people by giving the false appearance that there is a crowd of people who agree with the "leader".

It is easy to spot these crypto-Jews, because their cheering squads usually argue with lies, personal attacks and vulgarities in an attempt to discourage any legitimate debate. I have had a 100% success rate spotting agents of the Jews with this simple "tell"--they come with a set of phoney cheerleaders, and they act like obnoxious and vulgar brats.

Another "tell" is flattery without rational skepticism. Their opinions are always tendentious and lack rational skepticism of those they promote, persons and groups who are often obvious liars with a ridiculous and frequently self-contradictory message. Childishness, blatant hypocrisy, plagiarism, out of place anger, violent and inappropriate mood swings and changes of attitude without a rational basis are also hallmarks of the Jew, as are neurotic tirades.

I have addressed these unpleasant issues to reveal how the controlled opposition to the bankers known as the "Patriot Community" has been employed as a front to have the gullible Goyim

clamoring for the very things the Jewish bankers are desperate to do. Father Coughlin predicted that the Jewish bankers would lead us to a self destructive state in which "Private individuals will coin money for their own personal gain" as Ron Paul recommends, in violation of the US Constitution, though Ron Paul incorrectly cites the US Constitution as if it provided a legal basis for this illegal act.

Father Coughlin further warned that "Corporations organized for production, such as automobiles, steel and textiles, will be under the domination of the private money creators" as is happening now. Father Coughlin also warned that:

"The citizens, weighed down by the unbearable costs of war and depression, will be inclined to blame a democratic form of government and unwittingly relinquish the liberties already won for the bare necessities of life, which the plutocrats will allow them only at the sacrifice of liberty. Dictatorship will necessarily ensue."

The "Patriot Community" regularly tells us that democracy is bad, and that we need to abandon democratic values in favor of a nihilistic revolution, which will produce chaos, then dictatorship; for, so they will tell us, only a dictator will have the power to pull order out of the chaos they seek to have us impose on ourselves.

Father Coughlin's ominous and correct predictions merit an uninterrupted presentation:

"***Effects of a dishonest money system***

What will happen if the present money system is continued and if the present policies endure?

1. Private individuals will coin money for their own personal gain.

2 Corporations organized for production, such as automobiles, steel and textiles, will be under the domination of the private money creators.

3. The government itself will be dominated by the money plutocrats.

4. The press, dependent upon advertising received from banker-dominated corporations and commercial houses, will continue to deceive the people.

5. The educational system will continue to ostracize the truths of economics from our schools.

6. The citizens, weighed down by the unbearable costs of war and depression, will be inclined to blame a democratic form of government and unwittingly relinquish the liberties already won for the bare necessities of life, which the plutocrats will allow them only at the sacrifice of liberty. Dictatorship will necessarily ensue."

So we see that the "Patriot Community" is largely a phoney Jewish front meant to lead us to despise our democratic values and buy their gold--or bogus receipts for "gold in storage" which does not exist. They are asking us to reject our founding values and destroy our country, in the name of preserving it. They are asking us to disregard the US Constitution, in the name of enforcing it. Some asinine would be parrots are even asking us to adopt the gold standard, in the

name of preventing it. And amazingly there are scores of idiots who embrace their own demise simply because they are too stupid to understand that they are being deceived by the "Patriot Community".

Lawful Authorities and Legal Precedents for the Tagging of Jews With Yellow Badges as a Measure of Self Defense From the Genocidal Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Americans have been taught to recoil with horror when viewing images of Jews wearing yellow badges. Americans are taught to immediately equate tagged Jews with piles of emaciated Jewish corpses that were allegedly gassed to death by Nazis.

If the Nazis had universally tagged Jews with yellow badges, then Reinhard Heydrich, who allegedly designed the final solution of the Jewish question, would have worn a yellow badge, because he was of Jewish descent. The self-described "Zionist" and full blooded Jew Adolf Eichmann would also have worn a yellow badge, as would the Dutch Jew Joseph Goebbels. Had these Jews worn yellow badges, then the final solution to the Jewish problem would likely have

been designed by other men than these, and would likely have been a solution other than segregation and Zionism.

If the Jews who orchestrated and led the Jewish Bolshevik Revolution had been forced to wear yellow badges and yellow hats, then the Russians would not likely have let these murderous Jews lead the Russians into an abyss. The Jew Lazar Kaganovich, and Joseph Stalin's wives, would have been forced to wear yellow badges, as would the countless Jews among the upper echelons of Soviet power, and nearly all Soviet commissars. The Ukrainians and other Slavs, indeed the entire World, would have seen the common link between these mass murderers. Then, perhaps, the tens of millions of Slavs the Jews genocided would have survived the genocidal Jews.

If the Jews who orchestrated and led the "Young Turk Revolution" had been forced to wear yellow badges, then the 1.5 million Armenians the Jews genocided would perhaps have survived the genocidal Jews. And maybe, just maybe, if Madeleine Albright, Paul Wolfowitz, Judith Miller, Richard Pearle, William Kristol, etc. etc. etc. had all been forced to wear yellow badges, then perhaps the million-plus Iraqis that have been murdered by the United States of America at the urging of the Jews, would have instead survived.

Contrary to the Pavlovian conditioning the Jews have instilled in the American mind, it appears that the best means we have to prevent piles of millions of human corpses is to tag the Jews, all the Jews, and most especially the Jews in the government and the Jews in the press.

This conclusion predates the Nazis--and there were sincere Nazis who wanted to spare

Europeans the horror of the Jewish Bolsheviks--by many centuries. Long before the Nazis, many nations found it necessary to tag the murderous Jews, and/or segregate and/or expel the Jews.

The practice of tagging the Jews dates at least as far back as 807AD, when Abbassid caliph Haroun al-Raschid forced Jews to don a high cone-shaped hat and wear a yellow belt. In 1215AD, Pope Innocent III in the Fourth Lateran Council compelled the Jews to wear a ring shaped yellow badge to distinguish them from normal human beings. In 1217AD, King Henry III of England forced the Jews to wear bagdes of paper or linen in the form of two tablets bearing the ten commandments, a clever device to not only tag the Jew, but to remind him of a normal code of conduct which predates Judaism. In 1269AD, King Louis IX forced the Jews to wear large yellow badges. Later in the 1200's, the Germans and Austrians forced the Jews to wear horned hats.

These historical instances of tagging the Jew, in which governments sought to protect their citizens from the aggression of the Jews--which the Jews would have us believe were instances of illegal persecution and thereby have us hamstring ourselves--are in fact sound legal precedents for the necessity of tagging the Jews, so that the Jews cannot so easily continue to genocide hundred of millions of innocent human beings. We also obtain lawful authority to mark Jews by their historic connivances to escape detection in order to commit genocide.

The Jewish book of *Esther* in the Jewish Old Testament tells the story of a genocidal Jewess who disguises her Jewish identity in order to genocide the "Amalekites". More recently, the Jewish "Young Turks" disguised their Jewish identity in order to genocide the Christian Armenians and

scapegoat the Muslims for the Jewish atrocity and bring on the additional genocides of the First World War by pitting Christians against Muslims, and Muslims against Christians, in order to leave the Jews standing in Palestine. The genocidal Bolshevik Jews masqueraded as Russians in order to mass murder Slavs in the tens of millions. Madeleine Albright, whose parents hid their Jewish identity, approved of the Jewish led American genocide of one-half-million Iraqi children.

As such we see that there is a reasonable and lawful basis for recognizing the Jew as a distinct class of person, different from normal human beings, which abnormal and dangerous differences necessitate the prevention of the appearance of genocidal crypto-Jews and unidentified genocidal Jews, through the documented and organized marking of all Jews. Based on the history of the Jewish People, we are to expect that since their campaign of genociding the human race has been marked by an increasing curve upward toward escalating murder, that the Jews intend to slaughter through war, famine, and mass murder billions of innocent human beings in this 21st Century; just as they slaughtered hundreds of millions of human beings in the 20th Century.

We have the lawful authority, through legal precedent and on the basis of a real and present danger to our society and to all of humanity, to pass legislation which would require all Jews to be tagged, as they have been in previous centuries.

The Jewish Problem, Part 4: The Legal Measures Which Must Be Taken

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Rather than a weakened State, we need a strong central Government under our control in order to effectively deal with the ages old Jewish Problem. This is one of several reasons why we must guard against the misadvice of the crypto-Jews and Jews who are attempting to provoke us into a nihilistic Jewish revolution. They are throwing stumbling stones on our path as we attempt to recover from the Jewish attack and take the offensive.

The Jewish People are such a heinous and destructive people, that there is an abundance of legal precedent establishing a lawful basis for barring the Jews from entering public life, which is what we must do. Several nations have enacted laws to defend themselves from the Jews. Several nations have expelled the Jews.

Instead of permitting the Jews to classify these legal protections as if "unjust persecutions", we must come to view these historical measures as viable options for us which we can use to fight back against the Jews who are murdering us. We must prohibit the Jews from participating in government, media, education, banking, business, land ownership, citizenship, voting, military

service, public discourse, religion, etc. We must force the Jews to wear identifying garb which reveals to all that they are Jews. We must tax the Jews to prevent them from acquiring wealth by any means, and we must bar them from passing wealth from one generation to the next. We must isolate the Jews from one another and prevent them from breeding with other Jews, or from communicating with other Jews. We must not allow the Jews to have a nation of their own.

Among the seemingly endless alternatives history has recommended to us, none of which we have yet had the self respect to employ, the Nuremberg Laws on Citizenship and Race provide a recent example of what can be lawfully done to protect ourselves from the Jews by denying them citizenship and excluding them from government:

The Nuremberg Laws on Citizenship and Race of 15 September 1935

The Nuremberg Laws are by no means a perfect or complete solution. In fact, they are modeled after the racist Jewish Mosaic Law and the racism of Ezra/Nehemiah, as the crypto-Jew Julius Streicher once revealed, and as the Nuremberg Law for the Protection of German Blood and German Honor proves on its face:

Nuremberg Law for the Protection of German Blood and German Honor of 15 September 1935

Zionist Jews crafted and endorsed this defective legislation. However, just as the Nazis used guns in the war and built highways, despite the fact that they were ultimately controlled by Jews, does not mean that we must not use guns nor build highways. On the contrary, many of the actions which the Nazis took to control the Jews will prove useful to us, if we avoid the stumbling stones the Jews mixed in with the cement they poured over the tomb of European

Jewry. There are today far fewer Jews in Europe than there were in 1935, though technology, in the absence of safeguards like the Nuremberg Laws, has enabled the Jew to maintain control.

Instead of segregating the Jews, we must breed them out into African and/or Asian peoples, or otherwise get rid of them. Segregation favors Jewish power and builds their resolve to murder the human race. One does not deliberately segregate rats, nor subject them to evolutionary pressures which strengthen their bloodline allowing the strongest and cleverest to survive, while weeding out the weakest, which was the effect of Nazi policies in their entirety.

The Nuremberg Laws came a few decades after the "Antisemites' Petition" of 1880-1881 and the "Hamburg Resolutions of the German Social Reform Party" of 1899, which also sought to weaken the power of the Jews. Far earlier, we find that the governments of the World found it necessary to tag the Jews, so that the Jews could not hide their identity and in that way subvert the Nations.

Imagine if we forced Jews to wear yellow badges, or yellow caps as a caution to normal human beings, as other governments have done in the past. It would become immediately apparent to all of our citizens that Jews dominate the media, the government, the professions, business, banking, education, etc. The face of the enemy would become immediately apparent, and the enemy's presence and power over us, undeniable. Our citizens would quickly learn the nature of these pests and how they lie and protect their interests against the best interests of the nation. This one small step would literally change the complexion of the fight to defend ourselves from the Jewish aggressor.

Imagine the many members of Congress purring like belled cats as they pass law after law favoring the Jews. Imagine the Jews in our courts forced to reveal themselves to the public and how the public would come to immediately resent their presence, their arrogance and their dangerous power. This is a step we must take. We must force the Jews to identify themselves as they lie to us and attempt to manipulate us.

As we do this, we must make it illegal for them participate in public life. We must also isolate them from one another. We must confiscate their wealth. Only in this way can we save the human race from the genocidal Jew who is killing us.

We must not be ashamed of the healing measures human beings have taken in the past to save themselves from the genocidal Jew. We must look to our ancestors to provide us with answers as to how to fight off the aggressor, but we must make our measures more permanent.

The Jews have deliberately murdered hundreds of millions of human beings, destroyed thousands of nations, ruined countless cultures, and stolen the wealth of humanity. We must not allow another generation of these vampires to wander free and breed among us. We must not favor them with a homeland. They are death in semi-human form and we have the right and the duty to defend ourselves from them.

If we fail to fight back against the genocidal Jew, our civilization will disappear, as did the ancient Egyptians, Greeks, Assyrians, and Romans, all killed off by the murderous Jews. But bear in mind that the Jews do not just plan to destroy civilization. No, the Jews are determined to murder each and every non-Jew.

We are fighting against an enemy who is fighting to exterminate us. Since we are fighting for our very survival, we must employ appropriate legal measures to the task at hand, which is eliminating the Jews and their influence from our midst.

We can most easily and successfully accomplish this necessary end through the use of a strong central government under our control. The Catholic Church had the power to successfully leash the venomous Jews for centuries, because it remained stable and strong. As revolutions, fomented by Jews, increased, such as the Reformation, English Revolution, French Revolution, Russian Revolution, etc. the power of the Jew has increased and the stability and strength of governments to fight back against the Jew has diminished. As a consequence, the Jew has been able to mass murder hundreds of millions of our best human beings, and to rob us of our wealth, freedoms, and the health of the planet.

Just as the Nazis walked peacefully and lawfully into power, we and our "Power Party" should peacefully and legally seize control of the government of the United States of America and use that power to purge ourselves of the destructive Jewish influence that is killing us and destroying our nation.

On the Myth that Hitler Was a "Bonapartist" Who Turned on the Jewish Bankers After They Put Hitler in Power

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is a persistent myth that Adolf Hitler turned against the Jewish bankers after he had used their money to get himself elected. The myth further holds that the Jews forced war upon Hitler, because Hitler suddenly decided to print his own debt free currency.

One of the original sources of this myth is a dubious, though nevertheless very interesting and insightful, work attributed to Dr. J. Landowsky. In this book, *The Red Symphony*, there is a purported transcript of an interrogation of Christian Rakovsky, a Jewish Bolshevik, who is asked to reveal his secrets in an attempt to save his life. Rakovsky (there was in fact such a person) claimed that Hitler was a "Bonapartist", who unwittingly accepted Jewish banker money (in contradiction to Rakovsky's alleged views, most today who hold to this myth claim that Hitler knowingly took Jewish money, but turned against the Jewish bankers who put him in power), and who brought on their wrath when he began to print his own money without the Jews' usurious debt slavery attached to it.

"Bonapartist" is a Marxist term, which refers to a military takeover of a Jewish revolution, a military regime that coopts the revolution and imparts reforms which win it popular support. Hitler did indeed coopt the Nazi Revolution and turn it into Capitalistic war machine and war enterprise, after he murdered Ernst Roehm, Gregor Strasser and other purer Socialists than

Hitler, in 1934. Prior to this move, Hitler already began the process of subversion in 1932, when he appeased the Capitalists, undermined Gottfried Feder's power, and worked with the Capitalistic banker Hjalmar Schacht to raise funds among the Capitalistic industrialists for the NSDAP, by promising them war profits.

However, this is exactly what the Jewish bankers wanted and this shift to the right related to private property rights, not monetary policy, *per se*. The Jews funded various factions within the NSDAP, just as they fund all sides of the wars they start, and just as they fund all major US presidential candidates, but Hitler was their ideal man, because Hitler guaranteed the Jewish bankers, and their Capitalistic shabbas Goyim, war production, Jewish segregation, and a Second World War.

Rakovsky's story in this book fails to capture the truth when it falsely claims that Hitler surprised the Jewish bankers by taking over the production of money and loan capital. The purported transcript of the Rakovsky interrogation found in J. Landowsky, translated by George Knupffer, *The Red Symphony*, states, among other things, on page 24,

"*Rakovsky*--One is that which I had already mentioned. Hitler, this uneducated and elementary man, has restored thanks to his natural intuition and even against the technical opinion of Schacht, an economic system of a very dangerous kind. Being illiterate in all economic theories and being guided only by necessity he removed, as we had done it in the USSR, the private and international capital. That means that he took over for himself the privilege of manufacturing money, and not only physical

moneys, but also financial ones; he took over the untouched machinery of falsification and put it to work for the benefit of the State. He exceeded us, as we, having abolished it in Russia, replaced it merely by this crude apparatus called State Capitalism; this was a very expensive triumph in view of the necessities of pre-revolutionary demagogy... Here I give you two real facts for comparison. I shall even say that Hitler had been lucky; he had almost no gold and for that reason he was not tempted to create a gold reserve. Insofar as he only possessed a full monetary guarantee of technical equipment and colossal working capacity of the Germans, his 'gold reserve' was technical capacity and work ..., something so completely counter-revolutionary that, as you already see, he has by means of magic, as it were, radically eliminated unemployment among more than seven million technicians and workers.

G.--Thanks to increased re-armament.

***Rakovsky*--What does your re-armament give? If Hitler reached this despite all the bourgeois economists who surround him, then he was quite capable, in the absence of the danger of war, of applying his system also to peaceful production... Are you capable of imagining what would have come of this system if it had infected a number of other States and brought about the creation of a period of autarky... For example the Commonwealth. If you can, then imagine its counter-revolutionary functions... The danger is not yet inevitable, as we have had luck in that Hitler restored his system not according to some previous theory, but empirically, and he did not make any**

formulations of a scientific kind.[3] This means that insofar as he did not think in the light of a deductive process based on intelligence, he has no scientific terms or a formulated doctrine; yet there is a hidden danger as at any moment there can appear, as the consequence of deduction, a formula. This is very serious. Much more so that all the external and cruel factors in National-Socialism. We do not attack it in our propaganda as it could happen that through theoretical polemics we would ourselves provoke a formulation and systematization of this so decisive economic doctrine.[4] There is only one solution--war."

The myth placed in Rakovsky's mouth presumes that Hitler changed policies and that the Jewish bankers were unaware that Hitler intended to produce debt free currency and have the State provide investment capital without usury. These premises are false.

Hitler made his intentions quite clear in his book *Mein Kampf*, chapters 8 & 9, which was written and published many years before the Jewish bankers showered money on Hitler. In *Mein Kampf,* Hitler clearly states that he was attracted to the DAP (German Workers' Party), which became the NSDAP (National Socialist German Workers' Party), by Gottfried Feder. Feder clearly stated that the Germans should produce their own debt free currency and that the gold standard was a Jewish scam. Feder, like Strasser after him, distinguished the National Socialists from the Marxists on several grounds, including the importance of State control of loan capital, as opposed to the productive capital of Marxism, the abandonment of the pure materialism of Marxism in favor of race and nation, and the emphasis on nationalism as

opposed to internationalism. The Jewish bankers could not have missed or misunderstood Hitler's intentions to produce his own currency, which were clearly enunciated at least as early as 1924. Hitler did not deviate from this stance, though he took on Schacht and appeased the German Capitalists by backing off his Socialist stance on private property as iterated in the 25 points of the NSDAP.

Hitler's monetary policies did not come as a surprise to the Jewish bankers, and they did not act against them. The Jewish bankers wanted Hitler to produce his own currency, because there was not enough gold or loan capital then in existence to finance the war machines of Germany, Great Britain, the Soviet Union, Japan and the United States of America.

In order for the Jews to have their Second World War, they needed to end the crippling gold standard and teach World leaders how to produce their own currency. Gottfried Feder, who taught Hitler how to manufacture and distribute currency, was a product of Thule Gesellschaft, which was a training ground for Nazi ideologists that was created by crypto-Jewish Zionists. Feder railed against Capitalism as a Jewish conspiracy. Thule promoted German nationalism as a means of attracting members and promoting a healthy German society free of Jewish influence, which would concurrently promote Zionism and the expulsion of Jews to Palestine.

It was to be expected that the Jewish bankers would finance all factions of the Nazi Party, just as they finance all sides of the wars, and all the major political candidates in our presidential elections. But Hitler was their first choice and their ideal puppet. By killing off the SA and the more ardent Socialists, and obtaining the backing of the German industrialists, Hitler paved the way for the Jewish bankers' war plans and for their planned segregation and expulsion of the

Jews.

This does not mean that Hitler's monetary policies were wrongheaded and cannot be used to destroy the power of the Jews. Quite the contrary, there are many things we can learn from the Nazis, both by their successful monetary and economic policies, and by their disastrous Jewish war policies. If Hitler had built up Germany, instead of building up a Jewish war machine, Germany would today lead the World.

The Jewish Problem, Part 3: The Jews in Banking

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews promote the mythology that they were forced into banking and usury by Medieval laws which prohibited the Jews from owning, or even working, the land, or from participating in the guilds. The Jews' own most ancient religious texts contradict their claim; and prove once again that the Jews are deceitful liars, who scapegoat the Goyim for their Jewish crimes against the non-Jews, by blaming the Gentiles for the fact that Jews are today usurers.

The Jews have always been usurers and have always planned to use usury to take over the World.

For the Jews, banking is a murderous, genocidal art. They use banking to enslave the nations of the World and to mass murder hundreds of millions of non-Jews through wars of their manufacture and deliberately generated shortages and famines. For the Jews, banking is their primary weapon in their war on the human race. In order to defang the Jew, we must bar the Jew from banking and in the process we will free ourselves and spare billions of innocent lives.

The Jewish Old Testament Torah book of *Deuteronomy*, chapter 15, verse 6, states:

"For the LORD thy God blesseth thee, as he promised thee: and thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shall not reign over thee."

Deuteronomy, chapter 23, verse 20 states:

"Unto a stranger thou mayest lend upon usury; but unto thy brother thou shalt not lend upon usury: that the LORD thy God may bless thee in all that thou settest thine hand to in the land whither thou goest to possess it."

Not content to merely steal the wealth of the rest of mankind through usury, the Jews are determined to bury every Goy, as is clear from *Deuteronomy*, chapter 28, verses 12-13:

"12 The LORD shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and

thou shalt lend unto many nations, and thou shalt not borrow.

13 And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God, which I command thee this day, to observe and to do them:"

From the very first book of Old Testament Jewish hate literature, *Genesis*, chapter 47, verses 1-31, the Jews state that they enslaved the Egyptian People by contracting the money supply:

"1 Then Joseph came and told Pharaoh, and said, My father and my brethren, and their flocks, and their herds, and all that they have, are come out of the land of Canaan; and, behold, they are in the land of Goshen.

2 And he took some of his brethren, even five men, and presented them unto Pharaoh.

3 And Pharaoh said unto his brethren, What is your occupation? And they said unto Pharaoh, Thy servants are shepherds, both we, and also our fathers.

4 They said moreover unto Pharaoh, For to sojourn in the land are we come; for thy servants have no pasture for their flocks; for the famine is sore in the land of Canaan: now therefore, we pray thee, let thy servants dwell in the land of Goshen.

5 And Pharaoh spake unto Joseph, saying, Thy father and thy brethren are

come unto thee:

6 The land of Egypt is before thee; in the best of the land make thy father and brethren to dwell; in the land of Goshen let them dwell: and if thou knowest any men of activity among them, then make them rulers over my cattle.

7 And Joseph brought in Jacob his father, and set him before Pharaoh: and Jacob blessed Pharaoh.

8 And Pharaoh said unto Jacob, How old art thou?

9 And Jacob said unto Pharaoh, The days of the years of my pilgrimage are an hundred and thirty years: few and evil have the days of the years of my life been, and have not attained unto the days of the years of the life of my fathers in the days of their pilgrimage.

10 And Jacob blessed Pharaoh, and went out from before Pharaoh.

11 And Joseph placed his father and his brethren, and gave them a possession in the land of Egypt, in the best of the land, in the land of Rameses, as Pharaoh had commanded.

12 And Joseph nourished his father, and his brethren, and all his father's household, with bread, according to their families.

13 And there was no bread in all the land; for the famine was very sore, so that the land of Egypt and all the land of Canaan fainted by reason of the

famine.

14 And Joseph gathered up all the money that was found in the land of Egypt, and in the land of Canaan, for the corn which they bought: and Joseph brought the money into Pharaoh's house.

15 And when money failed in the land of Egypt, and in the land of Canaan, all the Egyptians came unto Joseph, and said, Give us bread: for why should we die in thy presence? for the money faileth.

16 And Joseph said, Give your cattle; and I will give you for your cattle, if money fail.

17 And they brought their cattle unto Joseph: and Joseph gave them bread in exchange for horses, and for the flocks, and for the cattle of the herds, and for the asses: and he fed them with bread for all their cattle for that year.

18 When that year was ended, they came unto him the second year, and said unto him, We will not hide it from my lord, how that our money is spent; my lord also hath our herds of cattle; there is not ought left in the sight of my lord, but our bodies, and our lands:

19 Wherefore shall we die before thine eyes, both we and our land? buy us and our land for bread, and we and our land will be servants unto Pharaoh: and give us seed, that we may live, and not die, that the land be not desolate.

20 And Joseph bought all the land of Egypt for Pharaoh; for the Egyptians

sold every man his field, because the famine prevailed over them: so the land became Pharaoh's.

21 And as for the people, he removed them to cities from one end of the borders of Egypt even to the other end thereof.

22 Only the land of the priests bought he not; for the priests had a portion assigned them of Pharaoh, and did eat their portion which Pharaoh gave them: wherefore they sold not their lands.

23 Then Joseph said unto the people, Behold, I have bought you this day and your land for Pharaoh: lo, here is seed for you, and ye shall sow the land.

24 And it shall come to pass in the increase, that ye shall give the fifth part unto Pharaoh, and four parts shall be your own, for seed of the field, and for your food, and for them of your households, and for food for your little ones.

25 And they said, Thou hast saved our lives: let us find grace in the sight of my lord, and we will be Pharaoh's servants.

26 And Joseph made it a law over the land of Egypt unto this day, that Pharaoh should have the fifth part; except the land of the priests only, which became not Pharaoh's.

27 And Israel dwelt in the land of Egypt, in the country of Goshen; and they had possessions therein, and grew, and multiplied exceedingly.

28 And Jacob lived in the land of Egypt seventeen years: so the whole age of

Jacob was an hundred forty and seven years.

29 And the time drew nigh that Israel must die: and he called his son Joseph, and said unto him, If now I have found grace in thy sight, put, I pray thee, thy hand under my thigh, and deal kindly and truly with me; bury me not, I pray thee, in Egypt:

30 But I will lie with my fathers, and thou shalt carry me out of Egypt, and bury me in their buryingplace. And he said, I will do as thou hast said.

31 And he said, Swear unto me. And he sware unto him. And Israel bowed himself upon the bed's head."

In the Jewish Old Testament Torah book of *Exodus* 3:21-22; 11:2; 12:35-36, the Jews borrow the Egyptians' gold and silver and steal them, then the Jews boast that they ruined the Egyptians economically in this way. The Egyptians likely used loops and rings of gold and silver as money. By stealing the Egyptians' money, the Jews contracted the Egyptians' money supply and thereby ruined them economically:

"3:21 And I will give this people favour in the sight of the Egyptians: and it shall come to pass, that, when ye go, ye shall not go empty: 3:22 But every woman shall borrow of her neighbour, and of her that sojourneth in her house, jewels of silver, and jewels of gold, and raiment: and ye shall put them upon your sons, and upon your daughters; and ye shall spoil the Egyptians. [***] 11:2 Speak now in the ears of the people, and let every man

borrow of his neighbour, and every woman of her neighbour, jewels of silver, and jewels of gold.

11:3 And the LORD gave the people favour in the sight of the Egyptians. Moreover the man Moses was very great in the land of Egypt, in the sight of Pharaoh's servants, and in the sight of the people. [***] 12:35 And the children of Israel did according to the word of Moses; and they borrowed of the Egyptians jewels of silver, and jewels of gold, and raiment:

12:36 And the LORD gave the people favour in the sight of the Egyptians, so that they lent unto them such things as they required. And they spoiled the Egyptians."

The Jews are taught to pool their money and concentrate it in the hands of a few obscenely wealthy Jewish bankers, so that these money kings can exercise their power most efficiently and effectively. The Jewish Old Testament book of *Proverbs* 1:13-14 states:

"13 We shall find all precious substance, we shall fill our houses with spoil:

14 Cast in thy lot among us; let us all have one purse:"

From start to finish, the Old Testament tells the Jews that they should steal the wealth of non-Jews, enslave non-Jews, murder non-Jews and own all the property of the Earth. The Talmud justifies these inhuman and genocidal doctrines by claiming that God offered the Goyim the Law when Moses accepted it on behalf of the Hebrews on Sinai, but the Goyim refused the Law and failed to obey even the Noahide Laws, and therefore God gave the Jews all of the wealth of the

Goyim as their prize for being God's chosen People.

In its article "Gentile", under the subheading "Rabbinical Modification of Laws", *The Jewish Encyclopedia* states (note that "B. M." signifies the tractate "Baba Mezia" in the Talmud and "B. K." is tractate "Baba Kamma" of the Talmud):

"With regard to the text 'This is the law when a man dieth in a tent' (Num. xix. 14), they held that only Israelites are *men*, quoting the prophet, 'Ye my flock, the flock of my pasture, are men' (Ezek. xxxiv. 31); Gentiles they classed not as men but as barbarians (B. M. 108b). [***] The barbarian Gentiles who could not be prevailed upon to observe law and order were not to be benefited by the Jewish civil laws, framed to regulate a stable and orderly society, and based on reciprocity. The passage in Moses' farewell address: 'The Lord came from Sinai, and rose up from Seir unto them; he shined forth from Mount Paran' (Deut. xxxiii. 2), indicates that the Almighty offered the Torah to the Gentile nations also, but, since they refused to accept it, He withdrew His 'shining' legal protection from them, and transferred their property rights to Israel, who observed His Law. A passage of Habakkuk is quoted as confirming this claim: 'God came from Teman, and the Holy One from Mount Paran. . . . He stood, and measured the earth; he beheld, and drove asunder [{Hebrew deleted} = 'let loose,' 'outlawed'] the nations' (Hab. iii. 3-6); the Talmud adds that He had observed how the Gentile nations steadfastly refused to obey the seven moral Nachian

precepts, and hence had decided to outlaw them (B. K. 38a)."--"Gentile", *The Jewish Encyclopedia*, Funk and Wagnalls Company, New York, (1903), pp. 615-626, at 619-620.

From the very beginnings of the Tribe, the Jews have been money manipulaters who have been working to steal all of the wealth of the non-Jews. They believe they have a religious obligation to steal all of the gold and silver in the World and horde it in Jerusalem. The Jewish Old Testament book of *Haggai* 2:7-8 states:

"7 And I will shake all nations, and the desire of all nations shall come: and I will fill this house with glory, saith the LORD of hosts. 8 The silver is mine, and the gold is mine, saith the LORD of hosts."

Higger wrote in his *The Jewish Utopia* that the Jews will come to possess all possessions:

"All the treasures and natural resources of the world will eventually come in possession of the righteous. This would be in keeping with the prophecy of Isaiah: 'And her gain and her hire shall be holiness to the Lord; it shall not be treasured nor laid up; for her gain shall be for them that dwell before the Lord, to eat their fill and for stately clothing.[Isaiah 23:18]'[20] Similarly, the treasures of gold, silver, precious stones, pearls, and valuable vessels that have been lost in the seas and oceans in the course of centuries will be raised up and turned over to the righteous.[21] Joseph hid three treasuries in Egypt: One was discovered by Korah, one by Antoninus, and one is reserved for the

righteous in the ideal world.[22] [***] Gold will be of secondary importance in the new social and economic order. Eventually, all the friction, jealousy, quarrels, and misunderstandings that exist under the present system, will not be known in the ideal Messianic era.[319] The city of Jerusalem will possess most of the gold and precious stones of the world. That ideal city will be practically full of those metals and stones, so that the people of the world will realize the vanity and absurdity of wasting their lives in accumulating those imaginary valuables.[320]"--M. Higger, The Jewish Utopia, Lord Baltimore Press, Baltimore, (1932), pp. 12-13, 57.

The history of this Jewish war to steal the wealth of the World predates the Old Testament and likely began in Babylon, where the Apiru (Hebrews) departed from Ur taking with them their knowledge of money and how to use it to enslave the Goyim and rob them of their wealth. See: David Astle's The Babylonian Woe. Wherever the Jews appear, their banking systems either immediately precede them, or soon follow them. The Jews destroyed the Monarchies and began the reformation movements to allow them to overcome the Catholic Church's opposition to usury. In Islam, the Jews exploited the Muslims' objections to usury to become the bankers of the Muslims.

The Jewish bankers are the heart and the head of the snake which has wrapped its venomous body around our hurting World. If we can eliminate the Jewish bankers, we can kill the snake. We should do to the bankers what they have done to our Monarchies, for they are the aristocracy of the Jews.

We should prohibit all Jews from engaging in banking, finance, commodities and equities markets, etc. We should issue warrants for the arrest of all members of Jewish banking families and permanently close all Jewish banking houses and confiscate all of their assets. We should do likewise to all Jews who have ever been involved in the financial, commodities and equities markets. Those Jews who fail to surrender themselves to the court should be tried in absentia and upon conviction death warrants should issue making those named military targets of opportunity for execution. Rewards of 10% of all confiscated assets should be offered and honored. Let the Jews turn on their own. The homes of the rich Jews should be made museums, and their artwork and other important assets should be turned over to national museums, or to the national purse. Again, we should deal to the Jewish banking aristocracy the same fate they have given to our Monarchies.

When we have purged the Jews from banking and government, we will be able to issue debt free fiat currency and regulate its supply and create incentives to spend it as we wish without Jewish subversion. We will deprive the Jews of one of their major incentives to drive us into wars, and we shall deprive them of the incentive to bankrupt us, because our debt free currencies will bear no obligation to surrender to them our property. If we were to adopt the Jews' gold standard, or otherwise back our money with hard assets, the Jews would have the incentive to drive us into wars to increase our debts, then to drive us into bankruptcy so that they could foreclose on our gold and other national and private property.

We must lift the Jewish claw from atop our banks and open up loan capital to all our citizens without incurring any national debt. We will also be able to finally eliminate taxes and the

attendant bureaucracies.

Why Israel Is Attacking Gaza: The Israeli Orchestrated Imminent Revolutions in Egypt, Saudi Arabia, Jordan and Lebanon

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As I have been stating on this blog and in interviews for years now, the leaders of Egypt, Saudi Arabia, Lebanon, and Jordan are allies of the Israelis against the Iranians and the Palestinians. The American Government tolerated outrageous oil prices so that the oil rich Arab nations could build up their armaments for a fight against Iran and Syria, while Iran barely remained afloat amid crippling sanctions, and today oil prices are comparatively low in order to severely weaken Iran in preparation for war.

The Israelis are attacking Gaza in order to provoke revolutions in Egypt, Saudi Arabia, Lebanon and Jordan; and a war with Iran and Syria; as I long ago predicted would happen. As I predicted, the Israelis will use the chaos they provoke as a mad theater in which to stage the extermination of the Palestinians. This is the price the Arabs will pay for allying with the Jews.

But the genocide of the Palestinians is only the beginning. They intend to wipe out all Muslims, and then all of humanity.

Israel has nuclear weapons and the nuclear arsenal of the United States at its disposal. Certain Arab leaders feel their best option is to side with Israel. The Jews are telling the leaders of Egypt, Saudi Arabia, Lebanon and Jordan that their only hope to maintain power is to engage in a war with Iran, which will allegedly unite their peoples behind their governments.

We have tolerated the Jews' war on humanity for too long. Now the World will pay the ultimate price for blessing the Jews with a homeland. It is the curse of death.

The Freemasons and agents of the Mossad are very active right now whipping up revolutions throughout the Arab World. Israel is attacking Gaza to stir up this revolutionary sentiment. Israel will provide the replacement regimes and the wars. This is why I continue to urge Americans to not let the Jews do to us what they are doing to the Arabs. Resist the temptations of nihilistic Jewish revolution echoing from crypto-Jewish megaphones across the "alternative media". We need a counter-media to combat both the mainstream and alternative media. We need political candidates, organization and money.

If we fail our people, we will end up just like the Palestinians, and it will only take a couple of years for their fate to become ours, and that is if the genocidal Jews have not by then started their nuclear war on the human race.

Consider the scenarios presented in the following article:

Have a Holocaust Conference in America, Instead of Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There would be several advantages to holding a major Holocaust conference in America, as opposed to Iran. An American conference would be easily accessible to the World media and the Jews would have a far more difficult time controlling which reporters attended the conference.

An American conference would be easily accessible to Americans in general, and it would helpful to have images of a broad spectrum of American faces of all types from white European, to black African, in attendance both on the panel and in the audience. American academics could easily attend. Those who oppose Holocaust revisionism, if any could be persuaded to participate, could be directly confronted not only by revisionists on a panel, but by an audience of educated Americans knowledgeable of the facts.

The conference sponsors should purchase or lease a building, so that the venue cannot be easily shut down. After the conference, the property can be resold to recover a large portion of the

expenses. All of this would also promote the development of an internal media in America of those who are knowledgeable of the facts and offer the counter-media an opportunity to promote itself and expose mainstream media lies.

An American conference would also focus attention on the importance of free speech in America, and unhitch Holocaust revisionism from Islam, and keep it the purely academic exercise it is and ought to remain.

Are the CIA and Mossad Leading the Arabs and Iranians into a Jewish Propaganda Trap?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I believe that elements of the CIA and Mossad participated in the Iranian Holocaust forum in an attempt to provide Jewry with a means to wage a propaganda war against the Iranian People, and to bolster their myth that Ahmadinejad has threatened to genocide the Israeli Jews. The Jews were actually delighted by the last Holocaust conference because it enabled them to misrepresent all Muslims as if Jew haters who want to exterminate every Jew.

I believe that elements of the CIA and Mossad are attempting to create a propaganda trap for

Arabs, similar to that with which they snared the Iranians. These intelligence operatives are spreading the myth that the Arabs were Nazis during WW II. This is a Jewish propaganda myth, as the following video demonstrates:

The Association between Naziism and Arab Antisemitism

If the Arabs embrace this myth, the Jews will then use this mythology in a propaganda war against Arabs and falsely claim that Islam is an extension of Nazi racial mythology and that the Arabs, and more generally that all Muslims, are determined to exterminate the Jewish People. The Jews will then use this mythology as a pretext to exterminate the Arabs, beginning in Palestine.

I urge the Arabs to reject the myth that the Arabs were Nazis during WW II, which the Jewish controlled intelligence agents are spreading in your community. You have obvious legitimate complaints against Organized Jewry and Israeli Jews, and you can make your case far better with a presentation of the facts, than by donning the swastika the Jews are attempting to pin on your chest. These intelligence agents are pretending to be your friends and allies and are attempting to stir up your emotions so that you abandon your reason, but they are snakes leading you into a poisoned pit, a Mossad set trap.

The Jewish Dogs of War

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have a special dislike of dogs and Goyim. Every morning, the orthodox Jew recites a prayer in which he thanks God that he was not born a Goy, a woman, or a dog (the Jews plagiarize Plato). The Jewish *Midrash Rabbah* (Genesis 36:7) claims that Noah's son Ham had sex with a dog, which is why black people are black. The racist Jews declare that blacks are slaves of their nature.

The Jews like to feed the casualties of their aggression to the dogs. Rabbi Meir Kahane quoted the Jewish *Midrash Tehillim* 22:1, which states:

"Each Jew took his dog and put his foot on the throat of a dead Egyptian and said to his dog: Eat of the hand that enslaved me; eat of the heart that

showed me no pity."--M. Kahane, *On Jews and Judaism: Selected Articles 1961-1990*, Volume 1, Institute for the Publication of the Writings of Rabbi Meir Kahane, Jerusalem, (1993), p. 130. An English translation of the entire text of *Midrash Tehillim* 22:1 appears in: W. G. Braude, *The Midrash on Psalms*, Volume 1, Yale University Press, New Haven, (1959), p. 297.

There is a report that the Jews are again feeding human beings to their dogs, though I have no way of knowing at this time whether or not this report is true:

Killed by Israel, Eaten by Dogs

If true, the Jews are merely carrying on their ancient barbaric traditions. To whit, I *Kings* 21:19, 23-24 states:

"19 And thou shalt speak unto him, saying, Thus saith the LORD, Hast thou killed, and also taken possession? And thou shalt speak unto him, saying, Thus saith the LORD, In the place where dogs licked the blood of Naboth shall dogs lick thy blood, even thine.

23 And of Jezebel also spake the LORD, saying, The dogs shall eat Jezebel by the wall of Jezreel.

24 Him that dieth of Ahab in the city the dogs shall eat; and him that dieth in the field shall the fowls of the air eat."

I *Kings* 22:38 states:

"And one washed the chariot in the pool of Samaria; and the dogs licked up his blood; and they washed his armour; according unto the word of the LORD which he spake."

II *Kings* 9:10 states:

"And the dogs shall eat Jezebel in the portion of Jezreel, and there shall be none to bury her. And he opened the door, and fled."

II *Kings* 9:36 states:

"Wherefore they came again, and told him. And he said, This is the word of the LORD, which he spake by his servant Elijah the Tishbite, saying, In the portion of Jezreel shall dogs eat the flesh of Jezebel:"

Psalms 68:23 states:

"That thy foot may be dipped in the blood of thine enemies, and the tongue of thy dogs in the same."

Jeremiah 15:3 states:

"And I will appoint over them four kinds, saith the LORD: the sword to slay, and the dogs to tear, and the fowls of the heaven, and the beasts of the earth, to devour and destroy."

Exodus 22:31 states:

"And ye shall be holy men unto me: neither shall ye eat any flesh that is torn of beasts in the field; ye shall cast it to the dogs."

I *Kings* 14:11 states:

"Him that dieth of Jeroboam in the city shall the dogs eat; and him that dieth in the field shall the fowls of the air eat: for the LORD hath spoken it."

I *Kings* 16:4 states:

"Him that dieth of Baasha in the city shall the dogs eat; and him that dieth of his in the fields shall the fowls of the air eat."

The Jews are a bloodthirsty and barbarous people. Their favorite holidays Purim and Chanukah commemorate and celebrate the Jewish genocide of the Gentiles. It would come as no surprise to me if the Jews are carrying on their ancient traditions and feeding human flesh to dogs. For at least 2,500 years, the Jews have been planning to exterminate the human race. "What, a dog should go hungry among such plenty?"

The Jewish Genocide of the Palestinians, Part 2

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A reader of my blog has been kind enough to inform me that the Chief Rabbi of Safed, Rabbi Shmuel Elyahu, has declared that the Israeli attack on Gaza is a war upon Amalek:

Gaza campaign is war against Amalek, says Chief Rabbi of Safed

For the Jews, a war on Amalek is a genocidal war of extermination in which the Jews must kill off each and every man, woman and child, leaving not one of the "Amalekites" left alive on the face of the Earth.

The Jewish Old Testament states in *Exodus* 17:8-11, 13-14, 16:

"8 Then came Amalek, and fought with Israel in Rephidim.

9 And Moses said unto Joshua, Choose us out men, and go out, fight with Amalek: to morrow I will stand on the top of the hill with the rod of God in mine hand.

10 So Joshua did as Moses had said to him, and fought with Amalek: and Moses, Aaron, and Hur went up to the top of the hill.

11 And it came to pass, when Moses held up his hand, that Israel prevailed: and when he let down his hand, Amalek prevailed.

13 And Joshua discomfited Amalek and his people with the edge of the sword.

14 And the LORD said unto Moses, Write this for a memorial in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven.

16 For he said, Because the LORD hath sworn that the LORD will have war with Amalek from generation to generation."

The Jewish Old Testament states in *Numbers* 24:20:

"And when he looked on Amalek, he took up his parable, and said, Amalek was the first of the nations; but his latter end shall be that he perish for ever."

The Jewish Old Testament states in *Deuteronomy* 25:17-19:

"17 Remember what Amalek did unto thee by the way, when ye were come forth out of Egypt;

18 How he met thee by the way, and smote the hindmost of thee, even all that were feeble behind thee, when thou wast faint and weary; and he feared not God.

19 Therefore it shall be, when the LORD thy God hath given thee rest from all thine enemies round about, in the land which the LORD thy God giveth thee for an inheritance to possess it, that thou shalt blot out the remembrance of Amalek from under heaven; thou shalt not forget it."

The declaration of a war on "Amalek" is a call to genocide, and part of an ancient Jewish plan to exterminate the resident population of the land of Palestine, as I have proven in the first part of this series,

The Jewish Genocide of the Palestinians, January 01, 2009

which I reproduce here in red for the convenience of the reader:

The Jews, by their own ancient accounts, were never the native people of Palestine. The Jews, by their own ancient accounts, were always genocidal invaders in the land of Palestine. The Jews fabricated a mythological genocidal Jewish God to justify their wars of extermination on the native peoples of the land of Palestine.

The genocidal Jewish God blessed the Jewish desire to murder their fellow human beings and steal their land and possessions. The Jewish Torah in the Old Testament in *Exodus* 34:11-17 states:

"11 Observe thou that which I command thee this day: behold, I drive out before thee the Amorite, and the Canaanite, and the Hittite, and the

Perizzite, and the Hivite, and the Jebusite.

12 Take heed to thyself, lest thou make a covenant with the inhabitants of the land whither thou goest, lest it be for a snare in the midst of thee:

13 But ye shall destroy their altars, break their images, and cut down their groves:

14 For thou shalt worship no other god: for the LORD, whose name is Jealous, is a jealous God:

15 Lest thou make a covenant with the inhabitants of the land, and they go a whoring after their gods, and do sacrifice unto their gods, and one call thee, and thou eat of his sacrifice;

16 And thou take of their daughters unto thy sons, and their daughters go a whoring after their gods, and make thy sons go a whoring after their gods.

17 Thou shalt make thee no molten gods."

The genocidal Jewish God serves as a mythological justification to the Jews to exterminate their neighbors, the native inhabitants of the land of Palestine. The Jewish Torah in the Old Testament book *Numbers* 33:51-56 states:

"51 Speak unto the children of Israel, and say unto them, When ye are passed over Jordan into the land of Canaan;

52 Then ye shall drive out all the inhabitants of the land from before you,

and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places:

53 And ye shall dispossess the inhabitants of the land, and dwell therein: for I have given you the land to possess it.

54 And ye shall divide the land by lot for an inheritance among your families: and to the more ye shall give the more inheritance, and to the fewer ye shall give the less inheritance: every man's inheritance shall be in the place where his lot falleth; according to the tribes of your fathers ye shall inherit.

55 But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, that those which ye let remain of them shall be pricks in your eyes, and thorns in your sides, and shall vex you in the land wherein ye dwell.

56 Moreover it shall come to pass, that I shall do unto you, as I thought to do unto them."

The Jewish Torah in the Old Testament book of *Deuteronomy* 7:1-6 commands the Jews to genocide the native inhabitants of Palestine:

"1 When the LORD thy God shall bring thee into the land whither thou goest to possess it, and hath cast out many nations before thee, the Hittites, and the Girgashites, and the Amorites, and the Canaanites, and the Perizzites,

and the Hivites, and the Jebusites, seven nations greater and mightier than thou;

2 And when the LORD thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:

3 Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son.

4 For they will turn away thy son from following me, that they may serve other gods: so will the anger of the LORD be kindled against you, and destroy thee suddenly.

5 But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire.

6 For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth."

The Jewish Talmud tractate *Sanhedrin* folio 20b instructs the Jews to genocide the native inhabitants of Palestine, who are there called "Amalekites". The mythological genocidal Jewish God commands the Jews to exterminate the "Amalekites" and became furious when the Jews left one Amalekite alive to offer as a human sacrifice to the bloodthirsty Jewish God. This

genocidal doctrine and conspiracy to exterminate an entire race of People is found throughout the Torah and the remainder of the Jewish Old Testament (*Genesis* 14:7; 36:12, 16. *Exodus* 17:8-11, 13-14, 16. *Numbers* 13:29; 14:25, 43, 45; 24:20. *Deuteronomy* 25:17-19. See also: *Judges* 3:13; 5:14; 6:3, 33; 7:12; 10:12; 12:15. I *Samuel* 14:48;15:2-8, 15, 18, 20, 32; 27:8; 28:18; 30:1, 13, 18. II *Samuel* 1:1, 8, 13; 8:12. I *Chronicles* 1:36; 4:43; 18:11. *Psalm* 83:7). The Jewish Talmud tractate *Sanhedrin* folio 20b states:

"It has been taught: R. Jose said: Three commandments were given to Israel when they entered the land; [i] to appoint a king; [ii] to cut off the seed of Amalek; [iii] and to build themselves the chosen house [i.e. the Temple] and I do not know which of them has priority. But, when it is said: The hand upon the throne of the Lord, the Lord will have war with Amalek from generation to generation, we must infer that they had first to set up a king, for 'throne' implies a king, as it is written, Then Solomon sat on the throne of the Lord as king. Yet I still do not know which [of the other two] comes first, the building of the chosen Temple or the cutting off of the seed of Amalek. Hence, when it is written, And when He giveth you rest from all your enemies round about etc., and then [Scripture proceeds], Then it shall come to pass that the place which the Lord your God shall choose, it is to be inferred that the extermination of Amalek is first. And so it is written of David, And it came to pass when the king dwelt in his house, and the Lord had given him rest from his enemies round about, and the passage continues; that the king said unto Nathan the Prophet: See now, I dwell in a

house of cedars etc."--I. Epstein, Editor, "Sanhedrin 20b", *The Babylonian Talmud*, Volume 27, The Soncino Press, London, (1935), pp. 107-111, at 109.

The Jewish Cabalistic book the *Zohar*, Volume I, 25a-25b, states that peoples other than the Jews will be exterminated when the Jews form a state in Palestine,

"But as 'tohu and bohu' gave place to light, so when God reveals Himself they will be wiped off the earth. But withal redemption will not be complete until Amalek will be exterminated, for against Amalek the oath was taken that 'the Lord will have war against Amalek from generation to generation' (Ex. xvii, 16)."--H. Sperling and M. Simon, *The Zohar*, Volume 1, The Soncino Press, New York, (1933), p. 100.

The Jewish *Zohar*, Volume I, 28b-29a, states:

"At that time the mixed multitude shall pass away from the world [***] The mixed multitude are the impurity which the serpent injected into Eve. From this impurity came forth Cain, who killed Abel. [***] for they are the seed of Amalek, of whom it is said, 'thou shalt blot out the memory of Amalek' [***] Various impurities are mingled in the composition of Israel, like animals among men. One kind is from the side of the serpent; another from the side of the Gentiles, who are compared to the beasts of the field; another from the mazikin (goblins), for the souls [29a] of the wicked are literally the mazikin (goblins) of the world; and there is an impurity from the side of the

demons and evil spirits; and there is none so cursed among them as Amalek, who is the evil serpent, the 'strange god'. He is the cause of all unchastity and murder, and his twin-soul is the poison of idolatry, the two together being called Samael (lit. poison-god). There is more than one Samael, and they are not all equal, but this side of the serpent is accursed above all of them."--H. Sperling and M. Simon, *The Zohar*, Volume 1, The Soncino Press, New York, (1933), pp. 108-110.

Rabbi Shlomo Yitzhaki's (Rashi's) *Commentary on the Pentateuch*, Exodus 17:14-16, states:

"14. Write this (for) a memorial that Amalek came to battle against Israel prior to all the (other) nations. And rehearse (it) in the ears of Joshua who will bring into the land, that he should command Israel to recompense him (Amalek) for his deed. Here it was hinted to Moses that Joshua would bring in Israel to the land. For I will utterly blot out Therefore I admonish you thus, for I desire to blot them out. 15. And he called the name of it (I. e.,) of the altar. Adonai-nissi (lit., the Lord is my banner (or miracle). The Holy One Blessed Be He wrought for us here a 'miracle'. It is not that the altar was called 'Lord' but (that) he who mentioned the name of the altar would recall the miracle which the Omnipresent wrought: 'The Lord He is our miracle.' 16. And he said (I. e.,) Moses, The hand upon the throne of the Lord The hand of the Holy One Blessed Be He was raised to swear by His throne that there would be for Him war and hatred against Amalek forever. And why is

(it written) (throne) and not stated [***]? Is then the (Divine) Name also divided in half (i. e.: [***] instead of the full name)? The Holy One Blessed Be He swore that His name will not be whole (i. e., [***] instead of the full name) nor His throne whole (i. e. [***]) instead of [***] until there will be blotted out the name of Amalek utterly. And when his (Amalek's) name will be blotted out (then) will the (Divine) Name be whole, and it is stated (Ps. 9.7): 'O thou enemy, the waste places are come to an end forever' this refers to Amalek, regarding whom it is written Amos 1.11): 'And his anger he kept forever,' 'And the cities which thou didst uproot Their very memorial is perished' (Ps., ibid. 7). What does (Scripture) state after this? 'But the Lord is enthroned forever' (verse 8)—behold the (Divine) Name is whole (expressed in full); 'He hath established His throne for judgment' (ibid.)—behold his throne is whole [***]."--A. Ben Isaiah, et al., *The Pentateuch and Rashi's Commentary: A Linear Translation into English*, S. S. & R. Publishing Company, Brooklyn, New York, (1949), pp. 187-188.

Jewish historian Louis Ginzberg stated in his *The Legend of the Jews*:

"Although Amalek had now received the merited punishment from the hands of Joshua, still his enterprise against Israel had not been entirely unavailing. The miraculous exodus of Israel out of Egypt, and especially the cleaving of the sea, had created such alarm among the heathens, that none among them had dared to approach Israel. But this fear vanished as soon as Amalek attempted to compete in battle with Israel. Although he was terribly

beaten, still the fear of the inaccessibility of Israel was gone. It was with Amalek as with that foolhardy wight who plunged into a scalding-hot tub. He scalded himself terribly, yet the tub became a little cooled through his plunge into it. Hence God was not content with the punishment Amalek received in the time of Moses, but swore by His throne and by His right hand that He would never forget Amalek's misdeeds, that in this world as well as in the time of the Messiah He would visit punishment upon him, and would completely exterminate him in the future world. So long as the seed of Amalek exists, the face of God is, as it were, covered, and will only then come to view, when the seed of Amalek shall have been entirely exterminated.

God had at first left the war against Amalek in the hands of His people, therefore He bade Joshua, the future leader of the people, never to forget the war against Amalek; and if Moses had listened intently, he would have perceived from this command of God that Joshua was destined to lead the people into the promised land. But later, when Amalek took part in the destruction of Jerusalem, God Himself took up the war against Amalek, saying, 'By My throne I vow not to leave a single descendant of Amalek under the heavens, yea, no one shall even be able to say that this sheep or that wether belonged to an Amalekite.'

God bade Moses impress upon the Jews to repulse no heathen should he desire conversion, but never to accept an Amalekite as a proselyte. It was in consideration of this word of God that David slew the Amalekite, who

announced to him the death of Saul and Jonathan; for he saw in him only a heathen, although he appeared in the guise of a Jew.

Part of the blame for the destruction of Amalek falls upon his father, Eliphaz. He used to say to Amalek: 'My son, dost thou indeed know who will possess this world and the future world?' Amalek paid no attention to this allusion to the future fortune of Israel, and his father urged it no more strongly upon him, although it would have been his duty to instruct his son clearly and fully. He should have said to him: 'My son, Israel will possess this world as well as the future world; dig wells then for their use and build roads for them, so that thou mayest be judged worthy to share in the future world.' But as Amalek had not been sufficiently instructed by his father, in his wantonness he undertook to destroy the whole world. God, who tries the reins and the heart, said to him: 'O thou fool, I created thee after all the seventy nations, but for thy sins thou shalt be the first to descend into hell.'

To glorify the victory over Amalek, Moses built an altar, which God called 'My Miracle,' for the miracle God wrought against Amalek in the war of Israel was, as it were, a miracle for God. For so long as the Israelites dwell in sorrow, God feels with them, and a joy for Israel is a joy for God, hence, too, the miraculous victory over Israel's foe was a victory for God."--L. Ginzberg, *The Legend of the Jews*, Volume 3, The Jewish Publication Society of America, Philadelphia, (1911/1954), pp. 61-63.

The Judaic religious doctrine of the genocide of the seed of Amalek is alive today. Yehoshafat Harkabi wrote in his book *Israel's Fateful Hour*:

"Some nationalistic religious extremists frequently identify the Arabs with Amalek, whom the Jews are commanded to annihilate totally (Deuteronomy 25:17-19). As children, we were taught that this was a relic of a bygone and primitive era, a commandment that had lapsed because Sennacherib the Assyrian king had mixed up all the nations so it was no longer possible to know who comes of the seed of Amalek. Yet some rabbis insist on injecting a contemporary significance into the commandment to blot out Amalek."--Y. Harkabi, *Israel's Fateful Hour*, Harper & Row, New York, (1988), p. 149.

Israel Shahak wrote in his book *Jewish History, Jewish Religion: The Weight of Three Thousand Years*:

"In addition to laws such as those mentioned so far, which are directed at all Gentiles in the Land of Israel, an even greater evil influence arises from special laws against the ancient Canaanites and other nations who lived in Palestine before its conquest by Joshua, as well as against the Amalekites. All those nations must be utterly exterminated, and the Talmud and talmudic literature reiterate the genocidal biblical exhortations with even greater vehemence. Influential rabbis, who have a considerable following among Israeli army officers, identify the Palestinians (or even all Arabs) with those ancient nations, so that commands like 'thou shalt save alive

nothing that breatheth'[56] acquire a topical meaning. In fact, it is not uncommon for reserve soldiers called up to do a tour of duty in the Gaza Strip to be given an 'educational lecture' in which they are told that the Palestinians of Gaza are 'like the Amalekites'. Biblical verses exhorting to genocide of the Midianite[57] were solemnly quoted by an important Israeli rabbi in justification of the Qibbiya massacre,[58] and this pronouncement has gained wide circulation in the Israeli army. There are many similar examples of bloodthirsty rabbinical pronouncements against the Palestinians, based on these laws."--I. Shahak, *Jewish History, Jewish Religion: The Weight of Three Thousand Years*, Pluto Press, London, (1994/2002), pp. 91-92.

The Jewish People's own words provide irrefutable proof that the Jewish People are, and have been throughout their entire history, engaged in a criminal conspiracy to genocide the People of Palestine. The Jews must be arrested and prosecuted for this crime, and then either imprisoned, or executed.

There must be a way for us to present these facts to the United Nations and thereby seek to have the Nation of Israel removed from the UN for gross violations of its charter. Regardless of what the UN does or does not do, we have a legal basis for the prosecution of the Jewish People for conspiring to commit the genocide of the Palestinian People, and for engaging in acts of genocide against the Palestinians.

A criminal enterprise whose primary reason for existence is to genocide the residents of the territory from the Nile to the Euphrates cannot be allowed to continue. We have a legal basis for

the dissolution of the Jews, who have carried on a continuous campaign to genocide the Palestinians, and have for centuries made the illegal declaration, "Next year in Jerusalem" as their *raison d'etre*.

Will the Iranians, Arabs, or anyone other than myself press this case against the genocidal Jews? If not, they are actively or passively allies of the Israelis in their war of extermination against the long suffering Palestinian People.

The World Will Turn on America in 2009: Beware Hillary Clinton

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In November of 2006, I predicted that the World would quietly counter-attack the United States and destroy our economy:

The Quiet Counter-Attack, November 29, 2006

This article appears below.

On 29 November 2006, I was referring to governments and business leaders. The People of the World have been amazingly patient with America, but their patience is about to run out.

As America defaults on its debts, and ceases to fuel the massive economic engine of the World by consuming as if there were no limits; and as America continues to sponsor illegal Israeli aggression and fight new wars for the Jews, the People of the World will call for their governments to attack America. The UN will take the lead, and there will be boycotts of American goods. Americans will be murdered abroad. The tourism industry in America will die. Americans will be thought of as the scum of the Earth. Comedians and politicians around the globe will deride America and Americans. The international press will scorn us.

The Jews will attempt to portray Barack Obama as if a messiah, as I predicted would happen, long ago. And as I predicted back on 13 October 2008, the Jews will have Obama borrow from the taxpayer to give the taxpayer cash with which to consume:

To Where Will the Money Flow? October 13, 2008

Barack Obama: A Psychological Profile, November 05, 2008

The Israeli Snake Barack Obama Bites America in the Back and Injects the Candy Coated Venom of Jewish Usury into Our Financial Veins, November 08, 2008

Today, the press reports that Obama is pledging to borrow 825 billion dollars from the taxpayers to "give" to the taxpayers to keep them appeased and to fulfill his contract with the

Jewish bankers who put him in power:

House Democrats propose $825 billion stimulus bill

This "gift", together with the Jewish theft of 8 trillion dollars, and the trillions in expenses for the Jewish wars America has been fighting, will finally bury the American economy and the US dollar, and turn the People of the World sharply against us. In such a hostile and turbulent environment, the Secretary of State will wield a tremendous amount of power. Madeleine Albright's crypto-Jewish father, Josef Korbel, gave us two female Secretaries of State, his daughter and his pupil Condoleezza Rice. See my blog:

The Judaization of American Politics and Universities, the Jewish Controlled Opposition to Jewish Communism, and the Jewish Use of Black Traitors, November 28, 2008

The Jews have long used the position of Secretary of State to warmonger. Recently we have witnessed Madeleine Albright, Colin Powell and Condoleezza Rice promote bloodshed. Hillary Clinton was made Secretary of State for a reason.

Clinton will petition the US Congress, which is dominated by her fellow Democrats, the American People, and the World for war against Iran. She will run around the World declaring that Iran plans to destroy America and that America must defend itself from Iran. Hillary Clinton will attempt to keep Obama's image strong as she takes the lead to bring America into war for the Jews.

If I can find a candidate to run for president, then we will be able to thwart the Jewish campaign to destroy America. We can expose Obama and Clinton as the warmongering Jewish puppets

that they are, but much more than this, we can offer Americans a new future of prosperity and peace.

Keep an eye on Hillary Clinton. She will spill venom on Iran, Syria and Russia as no one else yet has, while puppet Obama plays "statesman" and drives American into the gutter.

My blog *The Quiet Counter-Attack, November 29, 2006:*

"The Zionist Bush regime has blackened the image of America around the world. At the behest of Israel and Jewish leaders, the United States of America has committed genocide in Iraq and has sponsored the Israeli genocide in Lebanon. The world cannot but take notice of these events. The pro-Jewish, anti-everyone else racist bias among Jewish controlled American politicians and the Jewish controlled media in America is strikingly apparent. Iran and its leaders cannot be mentioned in the American media without the obligatory mantra of holocaust denial and threats against Israel's existence, as well as the fictional charge of an imminent nuclear threat, also being mentioned.

However, Israel is forever praised, with no mention of its unprovoked and barbaric aggression against defenseless Lebanon, without calling attention to its hundreds of nuclear weapons and open threat to use them, without any condemnation of its repeated threats to wage war on Iran and Syria, or Israel's dehumanization and genocide of the Palestinian People. The

American media does not present unbiased reporting of the news of the world. It is instead a forum for Israeli warmongering propaganda and for racist and groundless attacks against innocent, peace loving Moslems. The American media deliberately promotes hatred and cries out for war.

The fact that the American media has not embraced the historic peace initiatives beginning in Iran, Iraq and Syria, but instead ridicules them, demonstrates for the world to see that the fascistic American media/ government combine fully intends to complete its deliberate destruction and balkanization of Iraq and Lebanon, at the behest of racist Jews; and they will fight any and all attempts to bring about peace and establish stability in the region. It could not be more clear that the Jewish controlled media and Jewish controlled American Government are deliberately destroying the region. It is not incompetence which has kept the Zionist Bush regime from engaging in diplomacy and negotiations to stabilize the Iraqi nation America has destroyed. Rather it is obedience to the Israelis who want perpetual war and revolution in the Middle East which has deliberately kept the American Government from solving the problems the Zionists have deliberately caused the innocent nations of the region.

Under the Zionists, the American Government has alienated the United States from the rest of the world and threatened the major powers of the world with world war. The other nations of the world know that the American military machine must be fed with dollars. Its appetite is

enormous, and the war profiteers' corruption makes the pig of war even more gluttonous. Racist, traitorous, Zionist Jews have isolated America and given the rest of the world, not only the incentive, but the urgent imperative to destroy the American economy and thereby cut off the flow of funds to the American military beast. In turn, this puts a time pressure on the racist Jews, who have taken over American politics, to attack now, while America can still afford to wage war. We must resist them with all our might. Our economy cannot endure the pressure of another war. Moreover, if we do not begin to engage in honest diplomacy, the world will subtly and deliberately sink our economy.

China, Pakistan, India and Russia are uniting for self defense. They will discover that they do not need America as a mill through which to produce their wealth, as was the case in the past. Their banking reserves are growing and they can loan their own people the monies needed to grow their own economies. American debt will reach a breaking point very quickly if we engage in more war and continue to push other nations to ruin us economically. Deals are quietly being made by heads of state, and business leaders around the world. They are finally figuring out how to shut down Imperial America without pressuring America into war.

We can thank Jewish financiers and racist Zionists for our decline, but we must also take general responsibility for our own failure to rein in the disloyal Jews who are deliberately destroying us. The information is freely

and widely available. If Americans continue to be brutal to the world, complacent with our Zionist puppet government, and consume beyond our means, we will fall hard and fast; and the world will watch with delight as we slide into the abyss of Bolshevik America.

Many nations are presently sawing away the underpinnings of our economy. Racist Jewish bankers are well aware that they are driving America towards the precipice of a sharp decline. If they do not achieve their world war today, they will try to make war appear to be an economic necessity for America, and will exploit the opportunity of a depression to install a brutal dictator and steal our wealth. They are forming the alliances of great armies in preparation for the insane battle of Armageddon, which Jews have planned for thousands of years.

If so few evil persons armed with money and an evil plan can accomplish so much destruction, one would think that the good people of the human race could band together to oppose them. Is there no collective will to survive among the human race as a whole? Are we so trapped by the inertia of our mundane habits that we cannot act in new ways to save our human race? Are we so easily divided and by our natures so opposed to each other that such a vile plan as Judaic Messianic prophecy can divide and overtake us and destroy our lives?

Indeed, human beings are banding together to oppose this evil which has

infected America. It is a strange, unnerving and sickening experience to settle upon the reality that criminal Zionist Jews have converted America into a poisoned well of hatred, war and bigotry, just as they turned magnificent Germany into a force for evil. We had better cure ourselves of this sickness quickly, or the world will be forced to quietly quarantine us and then burn or bury us to keep the infection from spreading. Know that there are at this hour powerful persons and coalitions organizing to put an end to American aggression and hubris. We had better clean our own house, before others burn it down."

The Entropy of the Modern World Under the Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The civilized World is beginning to disintegrate. The Jews are responsible for this disorder. The Goyim are responsible for not bringing it to a halt.

The non-Jews are the slaves of the Jews. The Jews have specialized in the formation and

maintenance of organizations and governments. The non-Jews have become dependent on the Jews to perform these functions which are vital to society. The Jews have crowded out and killed off most of the non-Jews who used to perform these functions, and control and direct the remainder.

The World in general suffers from the condition which so obviously cripples Africa. As the Jews have forced out the colonial leadership of Africa, the Africans, so long slaves, struggle to create even a semblance of civilization. Colonialism generated entropy in Africa which has now robbed the entire continent of its natural vitality and original promise.

In America, the Jews have specialized in the fields of government and information, deliberately squeezing out non-Jews. The Jews have also run almost all dissent groups, which is why the non-Jews struggle so hard to protest against the Jewish theft of 8 trillion dollars from the taxpayers. There are simply no Jewish organizations who will take on the issue and the Goyim are slaves who cannot take care of themselves. As such, the Jews have an easy time spreading entropy in the American system, and the non-Jews find it nearly impossible to organize to save themselves, because they wait in vain for the experts and specialists on such things, the Jews, to lead them against the Jews. Instead, the Jews step in with their honed skills to lead the Goyim into further ruin by *mis*leading them into self-destructive acts, or enouraging them to fight amongst themselves or focus on non-issues and fiddle away time as the Jews create more and more chaos.

Civilizations can be viewed in this way as obeying the laws of thermodynamics, and the Jews have an easy time directing the energy of the Goyim and sapping their strength, as well as

preventing them from fighting back against the Jews.

The Jews want to increase the chaos of the World with a series of revolutions and wars. Once the governments are overturned, the citizens will turn to the Jews and their agents for guidance on how to recover, having lost their heritage as human beings on how to defend themselves. The Jews will increase the ignorance of the Goyim, poison their genes and kill off what remains of any potential for counter-Jewish dominance. The World will dissolve into Jewish orchestrated mayhem, which will spread from hot chaotic regions to cool civilized regions and eventually destroy the human race. The Goyim will flounder about waiting for the Jews to save them, unable to save themselves. The Jews will instead spread stumbling stones about and escalate the chaos.

The Jews want to kill off the Goyim and let planet Earth rest for one or two thousand years, after which time they plan to emerge as the sole human occupants of the World. Their calender is approaching the year 6,000, and that is their target date for killing all of us off.

There is a solution. We need some Americans with money to step up and fund a counter-attack against the Jews. We need Americans with the skills and talents necessary to wage war on the Jew, to unite and drive out the Jews who will attempt to scuttle their efforts, and work together as a combined force to counter-attack the Jews.

The age of suicidal tolerance of a deadly enemy must end and we must unite against them and pool our talents. We have not more than a few seconds left before the time bomb of Jewish entropy will spill a toxic cloud over the entire planet and extinguish the human race.

If the Jews win, we will each die painful, ugly deaths. We will watch our children burn and bleed. We will watch our cities and towns rot and disappear under bombs and flames.

We cannot turn to the enemy to save us. We must acquire the skills and resources we need to save ourselves. Education is key, but also, we must acknowledge our failing as a society to take responsibility upon ourselves to never allow any group to specialize in the fundamental skills of survival or turn our fate over to our enemy, as we slip deeper into the slavery of ignorance and disorganization before an organized and determined enemy.

Why Israel Is Attacking Gaza: The Israeli Orchestrated Imminent Revolutions in Egypt, Saudi Arabia, Jordan and Lebanon, Part 3: Bin Laden Speaks

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have been stating on this blog for years that several Arab leaders are allies of the Israelis and Americans against the Palestinians and Iranians. Recently, I have revealed the true reason for the illegal and aggressive Israeli attack on Gaza. The Israelis are attempting to provoke revolutions and to prompt Arab leaders to tell the USA to attack Iran with the Arab leaders'

support and encouragement. The Israelis are using the threat of revolutions against Arab leaders as leverage to coerce Arab leaders to prompt the USA to attack Iran.

Should the revolutions take place, the Israelis have their puppets waiting in the wings to fill the shoes of the Arab leaders the Israelis and their agents are about to depose. These puppets will start wars which will ignite an attack on Iran by Israel and the USA, as well as WW III, starting with wars across the Middle East. The Israelis also win if the Arab leaders cooperate with an attack on Iran, and they are telling the Arabs that such an attack will win them popular support among their peoples because the citizenry always unites behind its leadership in a time of war.

The Israelis are concurrently telling the revolutionaries in these countries that they will fund the disintegration and Balkanization of these nations along demographic lines that create new nations for these revolutionaries. Each revolutionary leader is being promised a dictatorship in a new nation formed from the wreckage of the old nation.

Osama bin Laden's image is being used to fire up this evolving crisis, and note also that the Iranians have been calling on Arab leaders to end their silence and condemn Israel and America, and have been stating that the Arab leaders are allies of the Israelis and Americans. Lee Keath of the *Associated Press* reports today:

"CAIRO, Egypt – Al-Qaida chief Osama bin Laden urged Muslims to launch a jihad against Israel and condemned Arab governments as allies of the Jewish state in a new message aimed at harnessing anger in the Mideast over the Gaza offensive.

[***]

'Islamic nation, you are capable of defeating the Zionist entity with your popular capabilities and your great hidden strength -- without the support of (Arab) leaders and despite the fact that most of (the leaders) stand in the barracks of the Crusader-Zionist alliance,' bin Laden said."--Bin Laden urges jihad against Israel By LEE KEATH, Associated Press Writer, (14 January 2009), http://news.yahoo.com/s/ap/20090114/ap_on_re_mi_ea/ml_al_qaida_israel

Parts 1 & 2 of my series on the reasons behind the Israeli attack on Gaza can be found here:

Why Israel Is Attacking Gaza: The Israeli Orchestrated Imminent Revolutions in Egypt, Saudi Arabia, Jordan and Lebanon, January 04, 2009

Why Israel Is Attacking Gaza: The Israeli Orchestrated Imminent Revolutions in Egypt, Saudi Arabia, Jordan and Lebanon, Part 2, January 09, 2009

Note that while I have been reporting on this plan for years, the "alternative media" has discouraged me from using their channels to inform the public of these facts and the implications for us. Instead, the "alternative media" and "Patriot Community" today are trying to create confusion and infighting over which word to use to name the "Jews", and whether or not Hitler was a Zionist. Many of the leaders of the "alternative media" are CIA and/or Mossad agents. We need a counter-media and we need to distance ourselves from these intelligence operatives and their "alternative media", who scuttle every attempt we make to win our freedom from the influence of the genocidal Jew. I have personally witnessed the fact that the

"alternative media" and the "Patriot Community" are the controlled opposition of the Jew in America.

POWER PARTY Health Care Policy

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are destroying the genetic makeup of Americans and are poisoning our environment. The Jews have always been the leading pushers of drugs, alcohol and tobacco. They use their control over our movie and television industries to promote the destruction of our health and use their wars to mutate our genes and cause psychological harm to our citizens.

The *POWER PARTY* recognizes the Jew as a health hazard to normal human beings. The Jews poison us, pollute our World and murder us in their wars. In 1987, the Israeli Government instituted a policy under Yitzhak Rabin of smashing the bones of Palestinian demonstrators with rocks. Israeli soldiers held helpless children and pounded heavy, jagged stones against their bodies until their limbs were crippled with compound fractures. On 25 February 1994,

Benjamin C. Goldstein, a. k. a. Baruch Kappel Goldstein, murdered several people and injured many more in his terrorist attack against innocent Moslems who were peacefully praying in the Al-Ibrahimi Mosque during the holy month of Ramadan. Goldstein was a follower of Meir Kahane and a medical doctor who refused to treat Gentiles, because Maimonides forbade a Jewish physician from treating a Gentile unless under duress, and even then declared that a fee must be charged to the Gentile (Maimonides, *Mishneh Torah*, "Idolatry" 10:1-2). More than 50 Palestinians were murdered and hundreds more were injured in the attack and its aftermath. The United Nations condemned the attack in Security Council Resolution 904. The Jews practice dysgenics against non-Jews, deliberately murdering the healthiest, bravest and smartest Goyim as a matter of policy.

The Jews are poisoning our soldiers and our World with depleted uranium. These soldiers return home and add genetically defective children to our gene pool. Over the course of a few generations, these defects will work their way into our entire population.

The Jews are genetically modifying the foods we eat and therefore the composition of our genes. The Jews are irradiating our foods, and have always promoted the nuclear energy industry while encouraging energy consumption rather than conservation. Not only are our genes being damaged, but our environment is also suffering irreparable harm.

The Jews are chiefly responsible for these crimes, because they hold the reins of power in academia, government, and the media. The Jews have specialized in protest movements, and the unwise and gullible Goyim sit waiting around for someone to organize against the Jews, not realizing that the Jews will not organize against themselves and that there are few non-Jews

who have specialized in this skill, and those who have, have mostly been bought by the Jews, or are Jewish controlled, like the Freemasons.

We have a letter in which the Jews conspired to dominate the medical field so that they could use this power to murder non-Jews. I will here quote from Paquita de Shishmareff's book *Waters Flowing Eastward*, to illustrate the mortal danger of permitting Jews in the medical system:

"In 1492, Chemor, Chief Rabbi of Spain, wrote to the Grand Sanhedrin, which had its seat in Constantinople, for advice, when a Spanish law threatened expulsion.[2] This was the reply:

'Beloved brethren in Moses, we have received your letter in which you tell us of the anxieties and misfortunes which you are enduring. We are pierced by as great pain to hear it as yourselves.

The advice of the Grand Satraps and the Rabbis is the following:

1. As for what you say that the King of Spain[3] obliges you to become Christians: do it, since you cannot do otherwise.

2. As for what you say about the command to despoil you of your property: make your sons merchants that they may despoil, little by little, the Christians of theirs.

3. As for what you say about making attempts on your lives: make your sons doctors and apothecaries, that they may take away Christians' lives.

4. As for what you say of their destroying your synagogues: make your sons canons and clerics in order that they may destroy their churches.

5. As for the other vexations you complain of: arrange that your sons become advocates and lawyers, and see that they always mix in affairs of State, that by putting Christians under your yoke you may dominate the world and be avenged on them.

6. Do not swerve from this order that we give you, because you will find by experience that, humiliated as you are, you will reach the actuality of power.

(Signed) Prince of the Jews of Constantinople'"--L. Fry, *Waters Flowing Eastward: The War Against the Kingship of Christ*, TBR Books, Washington, D. C., (2000), pp. 73-74.

The *POWER PARTY* will implement several measures to save our People from the Jew:

We will remove the Jews from education, the professions, including the medical profession, and from the government.

We will no longer fight Jewish wars, and we will not use radioactive weapons against other human beings unless first attacked with same.

We will restructure our use of energy and reduce, then eliminate, the production of radioactive materials.

We will ban the genetic modification of plants and animals for food consumption and the irradiation of our food.

We will issue licenses for current tobacco smokers and make it illegal for any new generation of our citizens to smoke or otherwise consume tobacco. We will ban all advertising for tobacco products and make it illegal to show smoking in the media.

We will impose strict regulations requiring passenger automobiles to be limited in weight and height and to incorporate roll cages, sophisticated restraints and other technologies to reduce the likelihood of injury in automobile accidents.

We will require doctors to maintain a publication of complaints against them and immunize those who complain against them from legal action if the complaints are in good faith.

We will prevent any medical organization from forming and promote the competition of competing theories and practices in the profession.

We will encourage online health communities which log statistical data for diagnostic and treatment purposes so as to prevent the doctors from hiding negative results of their treatments and to encourage successful procedures.

POWER PARTY Superiority

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I am designing the *POWER PARTY* to have several built-in advantages over other political parties in America. In our traditional parties, and in the semi-successful "third parties", a tremendous effort is put into winning elections, and the loss of a candidate results in a total waste of time and resources. The members of the party are then forced to live under the rule of competing parties and find themselves in a weakened and disgusted state, because they have expended their energy in vain.

Even when a party's candidate wins, he or she has to share power with other opposing parties, and compromise the principles of the candidate's party. In the case of third parties, the candidate often passes the plate and takes the money of his congregation and leaves them without a prayer of victory. The party members work their behinds off, and the candidate disappoints and walks away with millions.

The *POWER PARTY* is unique. It will create a community, not just a machine to win votes. The *POWER PARTY* will serve its members in governmental and extragovernmental ways.

Members will unite to serve the needs of the community, whether or not the candidates are ultimately victorious in the elections. The *POWER PARTY* has an education policy, which it will

make the law of the land if elected, but if we are not elected, we will implement a version of our education policy among our members. In this way, no efforts will be wasted, and the loss of an election will not represent a powerless state for our members.

This will lead us far, for the Democrats and Republicans are not providing for the needs of the American People. Their members will defect to our Party when they see us succeeding in spite of the governmental policies the Republicans and Democrats have instituted, while they fail and suffer.

The *POWER PARTY* will organize and sponsor food coops, alternative dispute resolution centers, midwifery centers, sports clubs, capital investment structures, barter and stock programs to substitute for debt based currency, etc. We will make it fun, educational and rewarding to participate in our *POWER PARTY*. We will place a strong emphasis on the preservation of families and diverse cultures.

The *POWER PARTY* will host fairs where different cultures will share their art, music, food, national costumes, dance, history, etc. We will promote real diversity and at the same time mutual respect and understanding among Party members. This will make America stronger, and take advantage of America's diverse population to better our international relations. We have yet to take advantage of our Asian population to promote our national interests in Asia. We have yet to take advantage of our African population to promote our national interests in Africa.

POWER PARTY member's will be encouraged to join the "70AD UNION" which will provide a mutual support network for self and mutual defense of our community. We will build safe

neighborhoods and sophisticated schools. We will pool our resources, train one another, and unite for our common defense both economically, and if need be, militarily. The 70AD UNION will host conferences to discuss the subversion of our nation and what we can do to remedy the situation.

In this way, our hard work will never be in vain, and we will never be forced to compromise our principles for political expediency. If the government won't do it, we will do it for ourselves and offer our helping hand to our neighbors.

The POWER PARTY Demands Justice

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews committed several genocides just in the past 100 years. In the early years of the 20th Century, Jews calling themselves "Young Turks" mass murdered millions of Armenian, Greek and Assyrian Christians. The Jews instigated and prolonged the genocidal First World War, which took some 16 million lives. Soon after, Jews calling themselves "Bolsheviks" mass murdered tens of millions of Slavs. The Jews then instigated and prolonged the Second World War, which claimed another some 70 million human lives, and spread Jewish Communism like

a deadly virus across the globe. The Jewish created and controlled Communists mass murdered another some 60 million Asians in points south of Russia.

There has never been any measure of justice for the victims of these Jewish crimes against the human race, which have continued to escalate in scale.

The *POWER PARTY* will demand and implement justice for these Jewish crimes against humanity. We will create a division of the judiciary devoted to meting out justice to the Jews. This unique judicial body will have its own standards of due process of law, burden of proof, and *ex post facto* law, which will take into account the fact that the Jews subverted the American Government and all major international bodies throughout the 20th Century to do "what is good for the Jews" and to work against the best interests of non-Jews.

Given that the Jews are explicit in their religious texts that Jews are obliged to pervert the courts to favor the Jews and to render Jews immune from their crimes against non-Jews, no Jew may serve as judge, juror, lawyer or in another capacity in the judicial system. Given the enormity of the Jews' crimes, the Government will confiscate all the assets of the Jews and will hold the banking industry leaders collectively responsible for the crimes in which they have participated and from which they have benefitted. The Nation of Israel will be collectively held responsible for the genocides of the Armenians, Greeks, Assyrians, Palestinians, Iraqis and Afghanistanis, as well as for its war crimes against the United States of America and for its subversion of the American Government, American religious institutions, American media, American academia, American Military, etc. for the purpose of committing crimes against humanity.

The Jews will be tried by juries and judges composed of the descendants and survivors of their crimes against the human race. Armenians will sit on the jury and the bench that decides the fate of the Jews for the Jewish genocide of Armenian Christians.

Slavs will sit on the jury and the bench that decides the fate of the Jews for the Jewish genocide of the Slavs.

Palestinians will sit on the jury and the bench that decides the fate of Jews for the Jewish genocide of the Palestinians. Etc. Etc. Etc.

Reparations will be gathered and distributed to those nations which were the victims of Jewish aggression and Jewish barbarity. Educational materials will be produced warning the American People in general of the vicious and genocidal crimes the Jews have committed throughout their history.

The hundreds of millions of innocent human beings the Jews have mass murdered, often through torture, cry out from their graves for justice. The *POWER PARTY* will answer their cry.

POWER PARTY Military Policy

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The *POWER PARTY* represents a dramatically different approach to the use of force from the Jewish system currently in place in America. The Jews are using our military to fight their wars and to spread war and revolution around the globe, rather than implement and maintain stability and good relations among all nations. The Jews want chaos, revolution and war. Normal human beings desire peace, prosperity and good international relations.

The Jews control the military much the same way they control the prison and criminal justice system. Wars and prisons are profitable enterprises and the Jews promote crime and conflict to ruin America and the World, and to make money while doing it.

Prevention of war and the promotion of good international relations will be the primary function of America's military. After war starts, or a crime is committed, the nation has already failed because is too late for a good outcome. There are already victims and bloodshed, and it is costly to provide defense and justice. War and the incarceration of criminals come after some harm is already done, and usually accomplish nothing other than defense and justice for a harm. It is far better to prevent harm to our citizens and our nation, than to have to defend ourselves and seek remedies for crimes committed against us.

A very simple and yet effective means to prevent wars and crimes is to hamstring the Jewish warmongers. The nation of Israel is presently, and has always been, agitating and promoting wars. The Jews have always made profits from wars. The Jews have always promoted wars as a

dysgenics program to kill off the best of the Goyim.

Removing the Jews from public life and preventing them from communicating with other Jews, and from forming or participating in any organizations, will destroy their legendary intelligence networks. Tagging the Jews with yellow badges and yellow hats will make their presence obvious. Removing the Jews from banking and money creation will take away several of their incentives to create war and prevent them from profiting from war and debt. Removing the Jews from government and the press will take away their ability to declare wars and to provoke wars by shaping public opinion and beating the war drums, which will be illegal for all Jews, for they will be barred by law from discussing politics.

The *POWER PARTY* has already declared war on Israel by recognizing that Israel and World Jewry are waging war on the human race in general and on the United States of America directly. We will push for a formal declaration of war in the US Congress at the earliest possible date. America's declaration of war on Israel will win America the support of the People of the World and restore America's reputation as a great, independent, sovereign and peace loving nation.

America will first weaken the Jews economically by boycotting the Jewish State and encouraging other nations to do so. America will finance the Jews' enemies and encourage trade with the enemies of Israel. America will starve the Israelis and force them to surrender their weapons or perish.

The Jews have openly declared that they are an existential threat to the human race. America

will declare a policy that recognizes that the Jews have threatened to exterminate the human race if their experiment in World domination fails, and that if the Jews ever again engage in a shooting war with the United States of America, the American Government will execute all Jews under its control, accumulating as much intelligence information as possible in the process, and will annihilate the Nation of Israel with nuclear bombs. Jewish bankers who are captured by the American Government after any such hostilities have commenced, will be tortured in the cruelest fashion known to man and then publicly executed. The continued existence of human life must not be threatened by the Jews without the severest of guaranteed repercussions ensured by the Government of the United States of America and our laws.

All citizens will enjoy the privilege of military service from the ages of 13 to 45, which will include training in the nature of the Jewish threat, and the improvement of America's image internationally. All Americans will be encouraged to provide counterintelligence against the warmongering Jews and will be rewarded for doing so.

The Jews have always subverted our military might by engaging in espionage against our nation. This historical fact will cost them their citizenship and their ability to serve in the military, or any related industry. The American Government will win our soldiers and sailors the advantage of secrecy, which is so lacking today with the Jewish infiltration that is arming our enemies and agitating for wars against us. The American Government will destroy the Jewish banking industry as a military target and make it impossible for the Jews to finance the enemies they create against us. The American Government will prevent the Jews from discussing politics, or forming or participating in organizations, which will inhibit their ability to promote revolutions,

agitate for wars, or promote political theories hostile to our nation and way of life.

The Jews are far and away the single greatest threat to our national security. As such, the destruction of Jewish power will be the primary concern of the American Government and the American Military under the leadership of the *POWER PARTY*.

The Problems We Face at the Moment Are Political, NOT Military

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

At the moment, the American public does not face a military challenge, but rather a political challenge. We have to win over the minds of Americans, and pointing guns at the enemy will not change the mentality nor the beliefs of the Jewish controlled American slave population.

It is unwise and ineffective to attempt to solve political problems with military means. The *POWER PARTY* faces an American populace whose minds have been forged in the dies of Jewish lies. This is a political problem.

When the blacks were freed by military force after the Civil War, they still suffered from a slavish mindset. Sadly, it is still our task to teach all of our citizens to be free, especially the blacks. The climate to be free is there, but the mindset enslaves the masses. That is a political

challenge, not a military challenge.

The government could disappear tomorrow, and that would not of itself change the mentality and beliefs of majority America. If we changed the mentality and beliefs of majority Americans, and the government resisted this change, then we would enter into a situation in which military force became necessary and desirable, but such is not the case at present.

On such issues as immigration and the Jewish banker bailouts, the government is openly opposed to the will of the electorate, but the harm military action would cause would outweigh any gain of simply halting the bailout and closing the borders and the common wisdom is at least great enough to come to this conclusion.

We need to teach the American People that they face far greater threats than just these, and we must teach the American People who is attacking them, why they face the problems they face, and what actions need to be taken to remedy the situation and create a sustainable and glorious future for our People. Obviously, this a political task at the moment, not a military objective.

We do not need to destroy or capture anything militarily to gain access to the American public. We are unbound though we constrain ourselves through our lack of understanding and our collective cowardice. Rather than employing physical force against the enemy at this time, we need to improve ourselves intellectually and spiritually so that we can persuade the American public to follow our political agenda.

If we are smart and deserving of success, the fact that the Jews are tearing down majority America can be made to work in our favor, because it is easier to sell sandwiches for food in the

political marketplace, when the only alternative the competition is offering the public is shinola on a shingle. For example Barack Obama was an easy candidate to beat. He is an empty headed slogan spewing actor who reads his scripts poorly and melodramatically. He is a phoney and a fraud and as such easily exposed and easily defeated.

Consider now the rise of the Japanese economy and the *Wirtschaftswunderzeit* in Germany following WW II. America had every natural advantage over both Japan and Germany, yet these nations grew from literal ruins to challenge America and exceed Great Britain. They did it by starting off with new capital as the Americans, Brits and French used old production capital. But also, the American automobile industry produced comparatively poor and inefficient cars as the Japanese and German auto industries in particular emphasized quality and economy. It did not take long for the Japanese and Germans to make headway into the American automobile market because the domestic competition was poor.

The Jews dominate the Democrat and Republican Parties and have made them one garbage party which is deliberately bringing America down. Our *POWER PARTY* will face only this miserable competition, because the Jews who control the other parties want America to fail and therefore offer Americans nothing but more garbage to heap on the rot they have already piled on top of us. We will shine ever brighter by comparison to the Republican and Democrat's rusty old Jewish Communist rhetoric which emphasizes government control and welfare, instead of offering investment capital for private production and protectionist tax policies, which is what the *POWER PARTY* will do. The Jewish Bolshevists are only offering to borrow money from Americans to hand it back to them and then demand it be paid back to the Jews with interest.

Since the Jews concurrently promote imports over domestic production, they have deliberately created an unsustainable and self-destructive system in America and it is failing by design and the Jews will only encourage more failure.

The Jews are destroying America politically and they are able to do so because they face no political competition. Instead, they have a controlled opposition which proposes infantile military solutions to these political problems, and does so on such a small scale that any such attempts provoked by the Jews only lead to sympathy for the Jews. If the same effort and funds which the "Patriot Community" is wasting on supposed military solutions to our political problems were instead put into the *POWER PARTY* we could offer the American public an authentic resolution to the crisis the Jews have brought upon us, without destroying anything of value to Americans.

The "Tom Sawyer" effect can be made to work in our favor, but we must do much more than simply provide an example. We have to create incentives for *POWER PARTY* membership. We should create schools and learning materials, and offer scholarships, especially at the graduate school level. We need our people in a position to claim power in effective ways, so that we do not tear down America, but rather build up America. We need to organize organic food production and distribution. This can become a means for financing our efforts, as can our counter-media and our schools. Not only will we make money for our cause, but we will concurrently and concomitantly improve the lot of our members and our country, and spread our doctrines to the public. Midwifery and other more natural and healthy alternatives to Jewish medicine can also become a specialty of ours, which will curry us favor with the public and generate needed funds,

while demonstrating the advantages of our ways.

We must of course also prepare for our defense and the defense of America from the Jews, but since we will be working primarily politically, every step the Jews take to stop us will be seen by the American People as an encroachment on our political rights, rather than as the government defending the American People from domestic terrorism, which the Jews would love to have as a weapon to use against our movement.

Let the Jews pose the violent threats. Let our *POWER PARTY* demonstrate positive political change, not hollow Marxist rhetoric, which is all the Jews have to offer.

Americans are fed up, but at the moment they are looking for political answers and the "Patriot Community" is only offering them war and fear. The Jews have small numbers. It is only media and a lack of organized competition which enables the Jews to shape the public mind and that gives them the effect of having large numbers.

The Jews' Achilles heel is the fact that they are working against the best interests of the American public, which ought to be their death politically because no one wants the enemy to rule over them. The Jews are only successful because we fail to offer a superior political alternative. Ron Paul or Pat Buchanan, is that really the best that we can do? Surely not!

All we need do is take direct aim at the elephant in the room and our message will be so clear, so true and so necessary that the public cannot ignore it or reject it. The elephant is really just a balloon filled with hot gas. A pin prick is all that is needed to deflate it.

Though the majority American will rightly reject terrorism, they will eagerly embrace viable and positive political options. The *POWER PARTY* is such an option.

Military problems require military solutions. Political problems require political solutions. We presently face a political problem and the *POWER PARTY* is the solution.

The Will of the People and the Principles of the POWER PARTY Must Become, and Remain, the Same

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews control the media and with it American public opinion and our elections. Adolf Hitler wrote in *Mein Kampf*:

"The Marxists will march with democracy until they succeed in indirectly obtaining for the criminal aims the support of even the national intellectual world, destined by them for extermination."-- A. Hitler, *Mein Kampf*, Houghton Mifflin, Boston, New York, (1971), p. 376.

Hitler correctly stated that "Western democracy" had been subverted by the Jews and that the

politicians of his day were lazy puppets serving the Jews, who only sought election and reelection for selfish reasons. Hitler did not live in American society, where we face an even worse challenge than the Germanic Peoples of Hitler's era. America has failed to produce enough citizens who are even capable of serving in a democratic Constitutional Republic as statesmen.

The Jews have corrupted our root stock and produced a self-hating, defeatist, ignorant, weak and cowardly "leader" class who are too frightened and too fattened to battle back against the Jew. The Jews pick among those unfit to lead for a special breed of sycophant who will obey their orders, but they have so poisoned the minds and spirits of Americans that they could simply allow the voting process to occur unimpeded and the stupid American public, which has failed itself to produce natural leaders who serve the nation, would choose politicians who worked against the nation's best interests by default, if not by deliberate intention.

Our People and our "leaders" have no sense of what it means to be American and to serve our national interest. The Jews have deprived us of our survival instincts and our survival education. The *POWER PARTY* will remedy that deficiency in the American public.

The Jews have come to dominate and define what Hitler called the "national intellectual world".

The Jews control the universities, the presses, the Freemasons, the politicians, etc. Indeed, just as the Jews mass murdered the intellectuals of the Ottoman Empire, the Armenian People; and just as the Jews mass murdered the intellectuals of the Slavic Peoples, the Ukrainian Kulaks and Russian *Intelligentsia*; the Jews have set up the American intellectual class to put the Marxist

Jews in power and the Marxist Jews will soon commence to mass murder the American intellectual class. We can attempt to use this fact, this very real threat the Jews pose to their lives, to persuade a portion of the wealthy to aid our cause in the same way that the National Socialists obtained financing by promising the industrialists war and the profits to be made from it, though of course we will seek peace and promise the profits of peace.

George Orwell, Yuri Bezmenov and supposedly Christian Rakovsky each declared that the Marxists would mass murder the intellectuals who helped to put them into power. The words attributed to Rakovsky express the situation quite well:

"*Rakovsky*--They were and are such. Masons had learned nothing from that first lesson which, for them, had been the Great Revolution, in which they played a colossal revolutionary role; it consumed the majority of masons, beginning with the Grand Master of the Orleans Lodge, more correctly the freemason Louis XVI, in order then to continue to destroy the Girondistes, the Hebertistes, the Jacobins etc., and if some survived it was due to the month of Brumaire.

***G*.--Do you want to say that the freemasons have to die at the hands of the revolution which has been brought about with their cooperation?**

***Rakovsky*--Exactly so. You have formulated a truth which is veiled by a great secret. I am a mason, you already knew about that. Is that not so? Well, I shall tell you this great secret, which they promise to disclose to a mason in one of the higher degrees, but which is not disclosed to him either in the**

25th, nor the 33rd, nor the 93rd, nor any other high level of any ritual. It is clear that I know of this not as a freemason, but as one who belongs to 'Them'...

***G.*--And what is it?**

***Rakovsky*--Every masonic organization tries to attain and to create all the required prerequisites for the triumph of the Communist revolution; this is the obvious aim of freemasonry; it is clear that all this is done under various pretexts; but they always conceal themselves behind their well-known treble slogan. (Liberty, Equality, Fraternity--Transl.) You understand? But since the Communist revolution has in mind the liquidation, as a class, of the whole bourgeoisie, the physical destruction of all bourgeois political rulers, it follows that the real secret of masonry is the suicide of freemasonry as an organization, and the physical suicide of every more important mason. You can, of course, understand that such an end, which is being prepared for every mason, fully deserves the secrecy, decorativeness and the inclusion of yet another whole series of secrets, with a view to concealing the real one. If one day you were to be present at some future revolution then do not miss the opportunity of observing the gestures of surprise and the expression of stupidity on the face of some freemason at the moment when he realises that he must die at the hands of the revolutionaries. How he screams and wants that one should value his services to the revolution? It is a sight at which one**

can die ... but of laughter."--The purported transcript of the Rakovsky interrogation found in J. Landowsky, translated by George Knupffer, *The Red Symphony*, p. 19.

We face a bit of a dilemma, in that the non-Jews who are helping the Jews to destroy American are some of our best educated and most talented people. Many are beyond breeding age, so the loss of their lives won't necessarily result in the dysgenic mutilation of our gene pool, but we will have to decide whether to class them as traitors together with the Jews they support and eliminate them from our society, or to attempt to win them over to our cause. This will likely have to be decided by trial and experimentation, so I will leave it an open question, for now, and an issue we must eventually face and for which we must formulate appropriate plans and policies.

As Hitler correctly noted, the Jews bring the weight of the proletariat masses against the bourgeoisie to exterminate it, after the Jews have used the bourgeoisie to betray the host nation to the Jews. We must face this reality which works against our natural rights to democratic process.

One method which we can employ is to win the masses over to our cause as the economy deteriorates and the Jewish wars escalate. Another method we can employ is to better our people, or even simply maintain our people, as the rest of nation sinks into poverty. This will show our fellow citizens the benefits of *POWER PARTY* membership, but the Jews will attempt to pit the poor against us.

In America, however, we will have an easy time countering the Jews' propaganda by demonstrating that the Jews are growing ever fatter as they destroy the American economy and

send our people to fight their wars.

We must plan for this conflict and from the beginning make our positions very clear, so that as we win the masses to our side, they hold to our values and pursue our policies as if the only natural course. We must not be shy, or apologetic, nor should we beg for crumbs or applaud half-measures and drool over the bones the Jews toss us to pacify and stall us.

Many of us were astonished and delighted by the books of Jimmy Carter, and Mearsheimer and Walt; but these books contained apologetics that weakened them, and were dilute and imperfect from the outset. We need to be very clear and state that the Jews are the problem and we need to eliminate the Jews to end the problems of poverty and war.

We must demand strong action from the beginning, so that those who join us will never comprise to the Marxist fifth column *intelligentsia* the Jews have planted on our soil, nor cower before the poor the Jews will likely succeed in turning against us as we gain strength of numbers. We must frame our Party so that even if the masses meet us in the middle, they will have moved far enough over towards reality that the Jew is doomed.

We must continually pull the American public in our direction and convince them of the correctness of our path. We must teach them that our way is the natural and successful way to build America. They must come to think like us so that they will understand our message and work with us without hesitation nor susceptibility to Jewish propaganda.

We must shape the mentality of the American People at the most fundamental level. In this way,

the Catholic Church survived for almost two thousand years against a continual Jewish onslaught.

Our *POWER PARTY* will not win every election, and perhaps may not win any election, especially in the beginning. However, our Party will create more than an agenda and a set of candidates. Win or lose elections, we have real power in our beliefs and in our members. We do not need the government to follow our way for us to seize control over our fate.

For example, win or lose elections, we will educate our own children and teach them to be the leaders that are so lacking in our society today. Though the *POWER PARTY* has an Education Policy, we will not wait for Americans to arise to the wisdom of our ways and elect us, in order implement our plans. We can take immediate action to implement our Education Policy among our own members.

This is the major advantage we have over the other parties. Win or lose elections, we will work to undermine the measures the other parties take which harm American, and we will implement those measures which will improve America. Our *POWER PARTY* will excise power both within and without the governmental structure. We will create our own textbooks, whether we win or lose elections. We will create our own schools and home schooling materials, whether we win or lose elections. Our Party will change America for the better and will not depend on the will of the electorate to effect these changes.

But oh what a rapid difference we can make if we can change the mindset of the American People to agree with our policies and put us in office! We must be straightforward and uncompromising in our public statements from the beginning. Our message must initially

welcome those who already are in agreement with our mentality, if not our core beliefs. We must from the beginning build a base that is cut from our cloth so that the fabric of our movement is strong and bullet proof. In the process, we will win the majority of Americans to our side and they will turn to us as we succeed while they fail, but we must let them understand why we are succeeding and who is making them fail, so that the Jews' Bolshevik lies will not turn them against us.

With this message, we will also be able to win business leaders and other wealthy individuals to our side, who ought to fear the Bolsheviks now in power who intend to strip them of their wealth and influence and leave their necks naked on the guillotines the Jews have prepared for all those who have helped to put the Jews in power. We must also teach the poor why they are poor, how much money flows to the Jews, which would immediately end their poverty, and that the Jews' promises of "liberty, equality and fraternity" are a trap, which when sprung wraps them in ever tighter chains which are winding around the globe.

Beware Hillary Clinton, Part 2

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Back on 15 January 2009, in an article which I reproduce below in red, I predicted that since the Jews would try to paint Obama as if our savior, they would use Secretary of State Hillary Clinton to attack Iran and thereby spare Obama's image as if a "peacemaker" from this blatant and illegal Israeli-inspired aggression:

[***]

The World Will Turn on America in 2009: Beware Hillary Clinton, January 15, 2009

In November of 2006, I predicted that the World would quietly counter-attack the United States and destroy our economy:

The Quiet Counter-Attack, November 29, 2006

This article appears below.

On 29 November 2006, I was referring to governments and business leaders. The People of the World have been amazingly patient with America, but their patience is about to run out.

As America defaults on its debts, and ceases to fuel the massive economic engine of the World by consuming as if there were no limits; and as America continues to sponsor illegal Israeli aggression and fight new wars for the Jews, the People of the World will call for their governments to attack America. The UN will take the lead, and there will be boycotts of American goods. Americans will be murdered abroad. The tourism industry in America will die.

Americans will be thought of as the scum of the Earth. Comedians and politicians around the globe will deride America and Americans. The international press will scorn us.

The Jews will attempt to portray Barack Obama as if a messiah, as I predicted would happen, long ago. And as I predicted back on 13 October 2008, the Jews will have Obama borrow from the taxpayer to give the taxpayer cash with which to consume:

To Where Will the Money Flow? October 13, 2008

Barack Obama: A Psychological Profile, November 05, 2008

The Israeli Snake Barack Obama Bites America in the Back and Injects the Candy Coated Venom of Jewish Usury into Our Financial Veins, November 08, 2008

Today, the press reports that Obama is pledging to borrow 825 billion dollars from the taxpayers to "give" to the taxpayers to keep them appeased and to fulfill his contract with the Jewish bankers who put him in power:

House Democrats propose $825 billion stimulus bill

This "gift", together with the Jewish theft of 8 trillion dollars, and the trillions in expenses for the Jewish wars America has been fighting, will finally bury the American economy and the US dollar, and turn the People of the World sharply against us. In such a hostile and turbulent environment, the Secretary of State will wield a tremendous amount of power. Madeleine Albright's crypto-Jewish father, Josef Korbel, gave us two female Secretaries of State, his

daughter and his pupil Condoleezza Rice. See my blog:

The Judaization of American Politics and Universities, the Jewish Controlled Opposition to Jewish Communism, and the Jewish Use of Black Traitors, November 28, 2008

The Jews have long used the position of Secretary of State to warmonger. Recently we have witnessed Madeleine Albright, Colin Powell and Condoleezza Rice promote bloodshed. Hillary Clinton was made Secretary of State for a reason.

Clinton will petition the US Congress, which is dominated by her fellow Democrats, the American People, and the World for war against Iran. She will run around the World declaring that Iran plans to destroy America and that America must defend itself from Iran. Hillary Clinton will attempt to keep Obama's image strong as she takes the lead to bring America into war for the Jews.

If I can find a candidate to run for president, then we will be able to thwart the Jewish campaign to destroy America. We can expose Obama and Clinton as the warmongering Jewish puppets that they are, but much more than this, we can offer Americans a new future of prosperity and peace.

Keep an eye on Hillary Clinton. She will spill venom on Iran, Syria and Russia as no one else yet has, while puppet Obama plays "statesman" and drives American into the gutter.

My blog *The Quiet Counter-Attack, November 29, 2006:*

"The Zionist Bush regime has blackened the image of America around the world. At the behest of Israel and Jewish leaders, the United States of America has committed genocide in Iraq and has sponsored the Israeli genocide in Lebanon. The world cannot but take notice of these events. The pro-Jewish, anti-everyone else racist bias among Jewish controlled American politicians and the Jewish controlled media in America is strikingly apparent. Iran and its leaders cannot be mentioned in the American media without the obligatory mantra of holocaust denial and threats against Israel's existence, as well as the fictional charge of an imminent nuclear threat, also being mentioned.

However, Israel is forever praised, with no mention of its unprovoked and barbaric aggression against defenseless Lebanon, without calling attention to its hundreds of nuclear weapons and open threat to use them, without any condemnation of its repeated threats to wage war on Iran and Syria, or Israel's dehumanization and genocide of the Palestinian People. The American media does not present unbiased reporting of the news of the world. It is instead a forum for Israeli warmongering propaganda and for racist and groundless attacks against innocent, peace loving Moslems. The American media deliberately promotes hatred and cries out for war.

The fact that the American media has not embraced the historic peace initiatives beginning in Iran, Iraq and Syria, but instead ridicules them, demonstrates for the world to see that the fascistic American media/

government combine fully intends to complete its deliberate destruction and balkanization of Iraq and Lebanon, at the behest of racist Jews; and they will fight any and all attempts to bring about peace and establish stability in the region. It could not be more clear that the Jewish controlled media and Jewish controlled American Government are deliberately destroying the region. It is not incompetence which has kept the Zionist Bush regime from engaging in diplomacy and negotiations to stabilize the Iraqi nation America has destroyed. Rather it is obedience to the Israelis who want perpetual war and revolution in the Middle East which has deliberately kept the American Government from solving the problems the Zionists have deliberately caused the innocent nations of the region.

Under the Zionists, the American Government has alienated the United States from the rest of the world and threatened the major powers of the world with world war. The other nations of the world know that the American military machine must be fed with dollars. Its appetite is enormous, and the war profiteers' corruption makes the pig of war even more gluttonous. Racist, traitorous, Zionist Jews have isolated America and given the rest of the world, not only the incentive, but the urgent imperative to destroy the American economy and thereby cut off the flow of funds to the American military beast. In turn, this puts a time pressure on the racist Jews, who have taken over American politics, to attack now, while America can still afford to wage war. We must resist them with all our might. Our

economy cannot endure the pressure of another war. Moreover, if we do not begin to engage in honest diplomacy, the world will subtly and deliberately sink our economy.

China, Pakistan, India and Russia are uniting for self defense. They will discover that they do not need America as a mill through which to produce their wealth, as was the case in the past. Their banking reserves are growing and they can loan their own people the monies needed to grow their own economies. American debt will reach a breaking point very quickly if we engage in more war and continue to push other nations to ruin us economically. Deals are quietly being made by heads of state, and business leaders around the world. They are finally figuring out how to shut down Imperial America without pressuring America into war.

We can thank Jewish financiers and racist Zionists for our decline, but we must also take general responsibility for our own failure to rein in the disloyal Jews who are deliberately destroying us. The information is freely and widely available. If Americans continue to be brutal to the world, complacent with our Zionist puppet government, and consume beyond our means, we will fall hard and fast; and the world will watch with delight as we slide into the abyss of Bolshevik America.

Many nations are presently sawing away the underpinnings of our economy. Racist Jewish bankers are well aware that they are driving America towards

the precipice of a sharp decline. If they do not achieve their world war today, they will try to make war appear to be an economic necessity for America, and will exploit the opportunity of a depression to install a brutal dictator and steal our wealth. They are forming the alliances of great armies in preparation for the insane battle of Armageddon, which Jews have planned for thousands of years.

If so few evil persons armed with money and an evil plan can accomplish so much destruction, one would think that the good people of the human race could band together to oppose them. Is there no collective will to survive among the human race as a whole? Are we so trapped by the inertia of our mundane habits that we cannot act in new ways to save our human race? Are we so easily divided and by our natures so opposed to each other that such a vile plan as Judaic Messianic prophecy can divide and overtake us and destroy our lives?

Indeed, human beings are banding together to oppose this evil which has infected America. It is a strange, unnerving and sickening experience to settle upon the reality that criminal Zionist Jews have converted America into a poisoned well of hatred, war and bigotry, just as they turned magnificent Germany into a force for evil. We had better cure ourselves of this sickness quickly, or the world will be forced to quietly quarantine us and then burn or bury us to keep the infection from spreading. Know that there are at this hour powerful persons and coalitions organizing to put an

end to American aggression and hubris. We had better clean our own house, before others burn it down."

[***]

It did not take long for my predictions to come true. Hillary Clinton has already declared war on Iran. See:

Hillary, Tzipi to stop Iran enrichment

Olmert to Clinton: Israel will do all it can to prevent Gaza smuggling

Obama: We will aggressively seek lasting Middle East peace

As I noted on 15 January 2009, the Jews often use the Office of the Secretary of State as a pulpit for Jewish warmongering. One need only witness the actions of Henry Kissinger, Madeleine Albright, Colin Powell, and Condoleezza Rice to understand how the Jews have used the position of Secretary of State as one of their key roles for their fifth column in America.

We must counter the Jews' strategy by pointing out to the American People and the World, that both Hillary Clinton and Barack Obama are agents of our enemy, Israel. We cannot allow the Jews to draw a distinction between Obama and Clinton. We must make it widely known that Clinton's actions are Obama's actions, for he is her boss, and that their policies are dictated to them by Israel.

It is very important to point out the Obama has two faces. On the one hand, he pretends that he

is opposed to war by proposing an end to the Iraq War and Gitmo. On the other hand, Obama's Secretary of State Hillary Clinton is no sooner confirmed than she is declaring war on Iran together with the heads of the Jewish State, Ehud Olmert and Tzipi Livni.

The Jews do not want peace in Iraq, rather they want Iraq in pieces. It is obvious that the Jews want Iraq to fall further apart, while rendering our troops available to fight Israel's aggressive, unprovoked and illegal war on Iran. The stupid soldiers who voted for Obama are going to jump from the frying pan of Iraq into the nuclear fires of Iran, courtesy our Israeli puppet President, Barack "the First Jewish President" Obama.

Do let the Jews confuse the American public. Point out Obama's hypocrisy, cowardice in hiding behind Clinton, and his duplicity and deceit in attempting to deceive the American People into another war for Israel while concurrently and deceptively pretending to be a "peacemaker" in the Middle East.

How Can Israel Claim to Be a "Democracy" When It Has No Constitution Nor Borders?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish State of Israel has no constitution, nor does it name its borders. Israel's hidden constitution is Judaism. Israel's undeclared borders range from the Nile to the Euphrates rivers. Israel's desired jurisdiction extends over the entire Earth.

It could not be more clear that the Jewish State follows a foreign policy which obeys Jewish Law as iterated in the Hebrew Bible, the Talmud, Maimonedes, the Cabalah, and the many commentaries and refinements of same. The Jews are genociding the native inhabitants of Palestine, just as their religion advises, and because their religion teaches them to do so. They treat non-Jews as if non-humans, just as their religion requires them to do. They make perpetual war on every nation on Earth, just as their genocidal Jewish God has instructed.

The Jews of Israel are simply being Jews. Jews are an existential threat to the human race.

Israel contains one third of the Jews of the World. It is not some aberration of the Jewish spirit, but the condensation and concentration of the perverse Jewish mentality, which malady also pervades the remaining two thirds of Jewry, who almost unanimously support the Jewish State, and who certainly do unanimously support the Jewish People and its consistent and constant crimes against the human race. Israel is Jewry and the danger of Israel is the danger of the Jewish People to all others, as the Jews have demonstrated each and every day of their existence.

The Jews, the entire Jewish People of 15 million, will not relent until they have wiped out all non-Jews in "Greater Israel". They will not stop destroying all other cultures, nations, religions,

ethnicities, races, competition, etc. until they are either stopped, or succeed in their ancient quest to destroy the human race.

What Israel is doing is not some reaction to outside forces, nor was the formation of Israel a response to the Holocaust. Israel is simply following the plan laid out in the Jews' religious texts. The Jews have openly planned to take Palestine and genocide the native population of Palestine for some 2,500 years before the Holocaust. The Jews have openly complained that "anti-Semitism" is a threat that gives them the right to genocide the Palestinians, not merely since the advent of Nazism, but for some 2,500 years.

The Jewish religion is the Constitution of the Jewish State of Israel, and, to a greater or lesser extent, the constitution of the nature of every Jew alive. The borders of Israel are the range the Jew roams over the entire World. The perverse Jewish mentality is inbred by a Jew's exposure to his parents and to his community. Judaism passes in the spit and slobber of Jewish mother telling her Jewish child that he is a "Jew", as much as Judaism passes in the poison and pain of a Talmudic tractate. The secular Jews did not suddenly come to life after the Enlightenment and the Jewish Reformation a body of vampires that appeared *ex nihilo*, *in vacuo*, mostly atheistical and undetached from formally practiced Judaism. Judaism is the Jew. It is a mindset that transcends and supercedes religion. It is a belief set, a way of life, a perception of one's self and one's relation to the World that makes a Jew, a Jew, and a danger to all of humanity.

In fact, the religious shell of Judaism is like the stretched and infected skin of a lycanthropic pustule. When you lance it to cure the infection, the virus only becomes more contagious and spills directly on the non-Jew.

The secular Jew is a deliberate product of the hyper-religious Jew, a monster created out of the hewed corpses of the fanatically religious Jew, a Golem which is conjured up to enter the World of the non-Jew and poison its blood, and boil its brain with a rabid lunacy that bites and spreads, until the infected community feeds on itself and fills the fields with rotting bloating bodies, where once human beings tilled the soil and tended to their families. The religious Jew created the secular Jew as an army of Esthers who seduce with open thighs, broad smiles, and a Siren call that lures in the non-Jew to cast his skull upon the jagged rocks and color the seas with his blood, sickened and blinded by the venereal disease of Judaism in secular form.

Israel is not a secular democracy. It is a religious mockery. It is a rabid bat flying to the ends of the Earth, to end the Earth. No one will be free nor safe until the disease is quarantined and dies out.

When Will Israel Take Revenge on Egypt?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are the most vengeful and vindictive people on the face of the Earth. Though the Romans and then the Christian Church found a special place in the Jews' bowels for their visceral hatred of humanity, the Egyptians have always been hated by the Jews. In addition to the Old Testament, the writings of Philo the Jew and Josephus swell with Jewish venom against the Egyptians.

The Jews pitted the Romans against the Egyptians, and exploited Egyptian wealth from the city of Alexandria. The Jews' puppet Napoleon attacked Egypt. The Jews attacked the USS Liberty in an attempt to pit the Americans against the Egyptians.

I suspect that the Jews are eager to devastate Egypt as never before. They will relish feeding the Egyptians to their dogs, as they claim to have done in the past.

The Jews know that their well paid ally Hosni Mubarak sits on a shaky throne, is old, and by Jewish design is losing favor with the Egyptians. They want to pick their replacement. The Jews want war with Egypt.

It is not a question of "if", but of "when". "When" will Egypt sink into chaos? When will revolution strike Egypt? When will war devastate Egypt?

The *POWER PARTY* has the solution to the Jews' war on humanity. We need only recognize that the Jews are attacking us, and begin to fight back. A US declaration of war against Israel in recognition of Israel's war on the US will put an end to the Jews' plans to exterminate the Egyptians, the Saudis, the Lebanese, the Jordanians, the Iranians, the Palestinians, etc. It will

win us, the US, the support of 1.5 billion Muslims and deflate the six million strong Jewish fifth column in America. By merely recognizing that the 15 million Jews alive today are pursuing our demise, we will win an army of 1.5 billion to our side against this enemy.

Where Will the World's Oil Come From When the Jews Pit the Saudis, Egyptians, Jordanians, Lebanese and Americans Against the Iranians and Syrians?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have been playing games with the Armenian Community for years, toying with them over the issue of recognition of the Armenian Genocide. The Jews rule Turkey and Azerbaijan, and created and actively promote the mythologies of Pan-Turanism and Pan-Turkism. The Jews perpetrated *The Jewish Genocide of Armenian Christians*.

Barack Obama has pledged himself to support an Armenian Genocide recognition Bill. The Jews have always scapegoated the Turks for the Jewish genocide of the Armenians. Indeed, the Turks were the foot soldiers of the Jews, together with the Kurds, in the Jewish campaign to exterminate the Armenians. The Turks have kept a large swath of historic Armenian lands as their reward for killing Armenians for the Jews. The Jews gave the Turks and Kurds all the

wealth they could steal from the Armenians after mass murdering them. The Jews let Turkish murderers free from prisons to serve the Jews as barbaric butchers of Armenian women and children.

The Jews will again attempt to pit the Turks against the Armenians. The Jews will also attempt to pit the Azeris against the Armenians. The Turks and Azeris largely live on the ancestral homelands of the Armenian People. The ancestral homelands of the Armenian People sit atop a vast oil reserve, one that could replace the oil that will be lost during the coming war between the US, Israel, Egypt, Saudi Arabia, Jordan, and Lebanon against Syria and Iran.

The oil of Baku can fill the tanks and heat the homes, supply the plastics and fertilizers to the World. The Soviets left it largely untouched, but why? The Turks and Azeris have yet to exploit it. The Armenians belong to it as it belongs to them. But who is it that will ultimately claim it?

It appears that the Jews want the Turks, Azeris, Iranians, Russians, Armenians, Georgians, Kurds, etc. to consume each other in Jewish manufactured wars, as the Jews sink their fangs into the land and draw out the oil of ancient Armenia. World War One and World War Two gave them the oil of the Arabs and Persians. Baku awaits exploitation in World War Three.

The Jews are spreading lies to deny the Armenians their rights and their history. There is nothing new about this. Some believe the Hyksos were Armenians, and that the Hebrews learned monotheism from the Armenians while both peoples dwelled in Egypt. If true, the Jews stole their plagiarized "Hebrew" (Apiru?) history from the Armenians. There can be no doubt that they built the modern nation of Israel on a foundation of Armenian corpses.

The Jews' next move will be to have the Turks and Azeris again act as their foot soldiers and attack the Armenians with the promise that the Jews will pit the Arabs against one another and the Persians, as the Jews have so often done in the past, and so recently as the Iraq-Iran War, and cut off Arab-Iranian oil, thereby making oil under the control of the "Turanian People" much sought after and highly valuable. The Turks, Arabs, and Persians, though each mostly Muslim, have no love lost for one another. While they should be uniting against the common Jewish enemy, the Jews are using crypto-Jewish leadership to pit them against one another.

The Jews will again try to pit the Muslims against the Armenian Christians and the Russians. They followed this model in the Crimean War, the Russo-Turkish War, and World War One. The Jews often follow the same pattern unless and until it ceases to work for them.

The Jews are eager to turn Arab and Persian cities into nuclear wastelands. They don't need the oil there, because they hope to tap the oil of Baku.

War and chaos are what the Jews want. They already have the money. I hope all the players in the Middle East come to learn who is behind their problems and unite to squash the vampire bats that are fluttering around in the halls of their governments.

Making the Most of Jewish Propaganda, Part 2: How Much Royal

Rump-Armor Can 1 Billion Dollars Buy?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As I predicted, the Arab World is waking up to the fact that Saudi, Egyptian, Jordanian and Lebanese leaders are in bed with the Israelis. The Israelis attacked Gaza in order to split the Arab World and drive a wedge between Muslims, pitting Saudi Arabia, Egypt, Jordan and Lebanon against the Palestinians, Syrians and Iranians. They attacked Gaza to weaken the leaders of Saudi Arabia, Egypt, Jordan and Lebanon and threaten them with revolution if they fail to sign on to an attack on Iran and Syria.

The Israelis' plan has had some success, but we can thwart it and turn their actions and their propaganda against them. Already, the Saudis' are trying to cover their rumps with a billion dollar gift (bribe?) to the Palestinians to forgive the Saudis' sins, sort of a Papal Indulgence to prevent the hellish punishment of revolution. Diana Elias of the *Associated Press* writes:

"The Arab world has struggled to come up with a unified response to the Gaza crisis — with strong Hamas supporters like Iran and Syria facing off against U.S. allies like Egypt, Jordan and Saudi Arabia."--Diana Elias, Associated Press Writer, "Saudi Arabia to donate $1 billion to rebuild Gaza", http://news.yahoo.com/s/ap/20090119/ap_on_re_mi_ea/mideast_diplomacy

For many years now, I have predicted that Gaza would become a death camp and that the Jews would exterminate the Palestinians at their first viable opportunity:

The Israeli Nazis and the Gaza Ghetto, February 21, 2007

The President of Iran, Ahmadinejad, is calling for the criminal prosecution of Israeli leaders. Taieb Mahjoub of the *AFP* writes:

"Israel's arch foes condemned the Gaza onslaught at a summit in Qatar on Friday, with Iranian President Mahmoud Ahmadinejad calling for the prosecution of Israeli leaders by an international court.

Also at the summit, Qatar and Mauritania decided to suspended their relations with Israel, a Mauritanian diplomat said."--Taieb Mahjoub of the *AFP*, "Ahmadinejad demands prosecution of Israel's leaders", http://news.yahoo.com/s/afp/20090116/wl_mideast_afp/mideastconflictgazaqatarahmadinejad_20090116170334

For years now, I have been pleading with Ahmadinejad to initiate criminal charges against the Israelis and Americans, in, among many other places, the following blogs:

Since the Arab governments are thoroughly corrupt, the Arab and Iranian peoples can place pressure on their leaders and put the expensive Jewish propaganda to use for themselves. The

Jews have long called for the prosecution of Muslims and the overthrow of Muslim governments in order to "spread democracy" under the euphemism "regime change". The Jews have been propagandizing us to fight a war against "Terror".

As I suggested in April of 2007, Ahmadinejad should use his fame to Muslims' and Iran's advantage and star in a video documentary demonstrating that the Israelis are undemocratic terrorists who perpetually wage illegal aggressive war against the World. Just as the Israelis try to unite Americans with them against the Iranians, the Iranians should unite Americans with the Iranians against the genocidal Israelis by showing in this documentary how the Israelis have created a fifth column and fourth estate in America which has subverted our Democracy.

I wrote almost two years ago:

"I would suggest that the Iranians put Ahmadinejad's fame to work convincing World public opinion that much of human suffering over the last century has resulted from the Zionists and their international organizations. Take an historico-critical approach and document the facts in video documentaries. Then apply commonly accepted standards of human morality and offer just solutions to the problems the Zionists have created. World public opinion will favor this approach, and the Zionists will further alienate themselves as warmongers and troublemakers, while the Iranians will become increasingly seen as a nation under unjust, inhuman and racist attack. People will soon tire of the Zionist vampires crying out for more Moslem blood, and will turn to the positive and progressive solutions

offered by the Iranians, most especially so if the Iranians and others succeed in uniting Islam for the cause of peace and prosperity. The contrast between Zionist warmongers and Islamic messengers of peace is becoming increasingly strong, and needs only a multimedia PR campaign to hasten the end of Zionist domination of World public opinion.

Show the carnage and injustice the Zionists have committed. Show what a shameful thing it is to be a racist, warmongering Zionist. Document the Zionist attack on humanity with irrefutable evidence. The truth favors the cause of Islam. Trust in the truth. Share the truth with the World.

Use the power the Jewish controlled media has given President Ahmadinejad. Produce a documentary of his career and interject the facts of Zionist corruption. Westerners are very curious about him. A documentary about him would be widely seen. Once you have the eyes and ears of the West, you can persuade Western minds with the facts."-->Use Ahmadinejad's Fame to Maximum Advantage, April 04, 2007

Since the Jews have made such a star out of Ahmadinejad, his video would immediately become an international sensation. It would strengthen his hand against the traitors in the Arab World. It would make him a hero of the Muslim World and win the World's sympathies for the Muslims. It would alienate and isolate the Israelis and turn the World against the Zionists by demonstrating their crimes, their hypocrisy and the danger they pose to the US, the Arabs, and the World.

Surely there is enough video footage of Jews slaughtering Muslims to show the World who that the Jews are the real terrorists. Surely there is enough evidence of Jews corrupting the press, government and churches of America, to show that the Israelis are warmongering subverters of democracy.

The Poisonous Nature of Jewish International Economics and What the POWER PARTY Will Do Instead

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Consider a highly simplified model of an international economy. In this most basic model, we have only production and purchasing power.

Think of America as the only money producer. Think of China as the only goods producer.

Americans will pay themselves high wages for wasteful bureaucracies and unproductive professions, and produce lots of currency, so that they have a great deal of purchasing power with which to buy Chinese produced goods. The Chinese will produce lots of goods in an effort to gain dollars and they will funnel those dollars back into increased production, thereby

reducing their own profits and lowering their own wages.

In this most basic economic structure, those who produce the most have the least purchasing power, and those who produce the least have most purchasing power. This is an unjust and terribly inefficient system. It is a Jewish system. It is the twin-headed hydra of Jewish Capitalism coupled to Jewish Communism. It is the international Jewish economic system of the global economy and it is about to collapse.

In this system it is really the Jewish bankers who literally make the money, and the American and Chinese slaves who produce the goods and consume them in ways that increase the profits of the Jews. The Jews want the poorest human beings to produce the most, and have those goods purchased by the human beings with the most purchasing power and the worst debts. The poor produce goods cheaply, and the comparatively rich pay high prices for them compounded by usurious interest rates and perpetual debt. Such a system maximizes profits for the Jews, but it is unjust, unsustainable, inefficient and highly destructive.

A Communist system will fail because the purchasing power of the individual does not increase with his or her productivity, and therefore eliminates any incentive to be efficient and productive. The profits on an international level increase as the cost of labor is reduced all the way down to slave labor. That is one of many reasons why the Capitalists created and financed the Communist revolutions and "Marxist" economic philosophy. Through their internationalism, they pit countries against one another and drain them all dry.

The country which produces currency and provides its citizens with purchasing power improves

the standard of living of those citizens, but only temporarily. The Jews always attach unnecessary usury to the production of currency, and encourage colonialism; thereby increasing unemployment and debt. The Empire they create inevitably collapses as the debts accrue to unsustainable levels and unemployment skyrockets, and as the colonies are driven into ruin through exploitation. The Jewish parasite kills both the Capitalistic and the Communistic hosts it corrupts. Hence we have the ruined "Third World" and the collapsing "First World".

The Jews are producing dollars out of American debt slavery, and goods out of Chinese labor slavery. The balance must either reverse itself, or both countries must fail and fall into famine and death. The balance cannot reverse itself, because the manufacturing capital and talent is under a different sovereignty from the loan capital. So, unless something is quickly done, both nations are doomed, by design.

Now, let us change our most basic model to one in which the party who produces the most has the most purchasing power, and both nations strive for Autarky. We will forbid the generation of profits through speculation in both stock and commodities markets. We will pay wages based on productivity and contribution to the general welfare of society. None will starve, but those who contribute the most will have the most purchasing power and be rewarded for their labor, skill and talent.

We will ensure that each nation is independent of the other and there will be no Jewish World economy, so that we can neither be exploited by Jewish Capitalists nor Jewish Communists. We will mostly produce for ourselves, and the excess we will barter to other nations.

But we will guard our currency from speculation, debt, and excessive supply or unduly contracted supply. We will maintain a proper amount of currency in each nation to provide purchasing power for the goods we produce, and we will encourage that production by rewarding it and by not allowing the theft of profits taken without work or value added, nor will we allow currency producers to exploit goods producers. Usury and speculation will not exist in our system.

Americans would have to produce their own goods to stock their shelves. The Americans would have to lift their people out of debt slavery. The treasury would provide loan capital to Americans for this end, and attach a time penalty to currency to promote the velocity of money. A proper balance would be struck between the supply of money and the supply of goods and services. The money would be distributed in such a way as to favor efficient production and just consumption.

The Chinese would have to provide their own people with purchasing power and loan capital. The Chinese would have to lift their own people out of labor slavery.

There is an easy way out this mess which I have called the "international Jewish economic system"; but we will have to step over the Jews' lies and eliminate them from public life, because they have demonstrated time after time that they will ruin any people which adopts their philosophies or which allows them access to the media, government, finance, business, or educational systems of the nation.

We must strike a reasonable and fair balance between production and purchasing power. We

must strike a reasonable balance between money supply and production. We must strive for national independence and Autarky.

The Jews' Diversionary Tactics: Bogging Down Russia and Armenia in Georgia and Chechnia: Capturing the Caspian While Turning the Black Sea Sour

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Caspian Sea floats atop a massive, perhaps unequaled, ocean of oil. On either side sit Azerbaijan and Turkmenistan. The Jews want control over Baku and Turkmenistan.

The coming war between Arab traitors, Israel, and America against Syria and Iran, will pinch off the Persian Gulf and shut off the tap of the World's oil supply, by design. That will increase oil prices and turn Azerbaijan and Turkmenistan into gold mines.

Azerbaijan occupies historic Armenia and borders Russia and Iran. The Jews created and promote the mythologies of pan-Turkism and pan-Turianism. They hope to unite the Azeris and

Turkmeninstanis with Turkey, against Russia, Iran and Armenia. Of course, the "pan-Turk" leaders are no more "Turkish" than were the Jewish "Young Turks". They are Jews and crypto-Jews and will rob the wealth of the region and deliver it to the Jewish bankers and the Jewish State of Israel.

The Jews are creating and fomenting problems for Russia and Armenia in Turkey, Georgia and Chechnia. This flanks Armenia and diverts the Armenians attention away from Azerbaijan. It unites Azeris and Turkmenistan with powerful Turkey, which has an enormous military and is a member of NATO. It cuts off Russia at the pass in Chechnia, drawing it away from Baku and Turkmenistan.

If God were to make me King of Armenia for one year, I would covertly obtain a nuclear arsenal from Russia which could easily strike Jerusalem and Tel Aviv. I would initiate a counter-propaganda campaign in Turkey to inform the public that the Jews destroyed the Turkish Empire and with it the Caliphate, and that the Jews have always led the Turks into war, while milking off the wealth the Turks acquired with their Turkish blood and treasure. I would explode the racist mythologies the Jews are promoting in multiethnic Turkey. I would demonstrate to the Turks that it is the Jews who are destroying their ties to Europe; and the Jews who are flanking the Turks by inflaming Greece, the Balkans and Cyprus; while concurrently inciting the Kurds against the Turks and manufacturing a war against Iran and Syria which border Turkey, thereby setting up Turkey for perpetual war and inevitable Balkanization.

Georgians are not stupid and Georgians do not deliberately subvert their own business interests.

I would use counter-propaganda to inform the Georgians that the Jews are making enemies out Georgia's natural allies and neighbors, and are destroying the Georgian economy. I would ask the Georgians why they are working with the Jews to make war against fellow Christians? Who will profit from this unnecessary strife, other than the Jews?

The Russians know that their nation profits from energy production, and that the Jews are getting in the way of their business. If the Russian People can be reached, it will be easy to drive a wedge between Russia and Israel. The Jews have so long massacred the Russians, that suspicion of the genocidal Jews has been wound into Russian DNA.

Why Israel Is Attacking Gaza: The Israeli Orchestrated Imminent Revolutions in Egypt, Saudi Arabia, Jordan and Lebanon, Part 4: The Iranian Scapegoat

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For years, I have been warning that the leaders of Egypt and Saudi Arabia are allies of the Israelis and Americans against the Palestinians, Syrians and Persians. On 4 January 2009, and

in subsequent additions to this series, I outlined the real reasons why the Jews attacked Gaza:

Why Israel Is Attacking Gaza: The Israeli Orchestrated Imminent Revolutions in Egypt, Saudi Arabia, Jordan and Lebanon, January 04, 2009

Why Israel Is Attacking Gaza: The Israeli Orchestrated Imminent Revolutions in Egypt, Saudi Arabia, Jordan and Lebanon, Part 2, January 09, 2009

Why Israel Is Attacking Gaza: The Israeli Orchestrated Imminent Revolutions in Egypt, Saudi Arabia, Jordan and Lebanon, Part 3: Bin Laden Speaks, January 14, 2009

The "Alternative Media" never covered my reports.

REUTERS UK is now reporting that the Egyptians are scapegoating the Iranians, Qataris and Hamas for the Jewish plot to overthrow the Egyptian Government, which I exclusively revealed on 4 January 2009:

"'Some people imagined that a satellite channel could bring down the Egyptian state, without realizing that Egypt is much stronger than that,' Aboul Gheit said.

'Egypt is very big and has extensive influence despite attempts to influence this stance and role, whether in the Al Jazeera channel or other channels,' he added."--Writing by Jonathan Wright; Editing by Samia Nakhoul,"Egypt attacks Iran and allies in Arab world", *REUTERS UK*, http://uk.reuters.com/article/usTopNews/idUKTRE50R4IL20090128

"One World Nazi Party" a Contradiction in Terms

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is a group advocating the formation of a "One World Nazi Party". The "Nazi" Party was a racially based nationalistic party, not an international egalitarian party.

The Germans sometimes refer to socialists as "Sozis" and the term "Nazi", contrary to what one blowhard ignoramus claims, derives from the German for "National Socialist German Workers' Party" or *Nationalsozialistische Deutsche Arbeiterpartei*. It is a reference to a "National Socialist", not an international egalitarian.

Nazism is in part based on the racist mythology of the "Aryan" as advanced by Arthur de Gobineau in his book *An Essay on the Inequality of the Human Races*. The word "Aryan" was used by a tribe of Indo-Europeans as a racist and supremacist title meaning "Lord" or "Noble" which was meant to distinguish this People from their slaves, who were considered subhuman.

In its definition of "Aryan", *Webster's New World Dictionary of the American Language*,

Second College Edition, David B. Guralnik, Editor in Chief, Simon and Schuster, New York, (1984), p. 79, writes:

"(used as tribal name to distinguish from indigenous races)"

The theory of "Aryanism" is a theory of racial inequality, not a theory of a noble personality to be found in every race. The mythology of "Aryanism" as taught by Gobinaeu and by Hitler (see: *Mein Kampf*, "Nation and Race", chapter 11) is that all human culture derives from the "Aryan race" which traveled the World. In every place where the Aryans appeared, they dominated as they were naturally superior and natural leaders. In every place where the Aryans appeared, culture appeared.

As time passed, however, the Aryans' blood became impure by the admixture of inferior races. When this occurred, culture in these regions ceased to advance and stagnated. Miscegenation was the death of culture. Only by copying the high culture of Aryan Peoples could other races achieve anything of value. The blood of Europe was being polluted by the infusion of blood from colonized races and as such the fate of the Aryan was doomed without a eugenics program to purify and preserve the blood of the master race of Northern Europeans.

Such a belief system is the polar opposite of an egalitarian Internationalism. That said, the concept of National Socialism could be applied locally in various nations, with or without its racist ideologies. But it should be clear from the outset that such a party system is different from that proposed by the German Nazis, who believed that the German was a master race, and that Slavs, Gypsies and other supposedly worthless subhuman races have no right to exist. To the extent that Nazism was international, it was a doctrine that the German and Northern European

was the natural leader of the World and the creator of all culture of any value.

The Nazis did indeed set up fifth columns in many nations, including the United States, but they did not view any race as their equal, and did not view any nation as equal to pan-Germany. A "One World Nazi Party" based upon internationalist egalitarianism appears to mirror the Jewish conception of the United Nations.

I believe that the *POWER PARTY* concept can be applied to many nations, though not all. Different nations have different histories, cultures, natural resources, climates, etc. and no one political system fits all nations.

I have observed a couple of images on www.jewishcrimenetwork.com which look quite a bit like the "All Seeing Eye" or "Eye of Horus", which can be seen here:

Eye of Horus

Compare the "Eye of Horus" to the black image imposed over the background of the upper left of the following graphic which appears on www.jewishcrimenetwork.com:

Welcome to the Slaughterhouse

Also compare it to the following graphic from www.jewishcrimenetwork.com, which replaced an earlier image which bore an even more striking resemblance to the "Eye of Horus":

Note also that the logo for the website contains a clock which reads 9:11, an image of the World, and a pyramid:

Sometimes the Path of Least Resistance Is to Resist With All Your Might

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Picture, if you will, a ball tumbling down a hill. It will follow the path of least resistance, but will strike immovable objects and yield to their will.

We come into existence with a spirit, a creative mind that enables us to look into the future and make reasonable decisions as to how to act in the present. We can walk down the same hill that our imaginary ball has traveled, and we can avoid destructive obstacles by choosing to take steps that for the moment require more work, but over the course of our journey make our travels much easier.

Americans seem to me very reluctant to side step the stumbling stones the Jews have tossed on our path if it takes even the smallest amount more effort than sitting down on a trap. We mistakenly believe that the path of least resistance at any given moment results in the easiest journey throughout our entire lives, but this is not the case. It is often easier to endure a specific hardship which makes the rest of our lives better.

For many, it is easier to work hard in school and then coast through a comparatively more rewarding career in our adult lives, than to coast through school and spend adulthood cleaning toilets. So why don't Americans put forth some effort fighting back against the Jew in order to secure a secure future for themselves and for their children?

I remember when they made it a law that one must wear seatbelts. Many objected that this was a State infringement on our rights, but few understood the psychological consequences this would have on our ability to resist threats to our existence against which our government would not only not warn us, but in which our subverted government would participate.

I remember when they first started stamping warnings onto firearms. I thought it absurd, that someone so ignorant as to benefit from these warnings would be foolish enough to handle a firearm. I thought of the fact that there was at one time a culture in America, where we were taught the rules of safely handling guns, and those who did not know these rules did not come into contact with firearms.

Many complain of the "Nanny State" because they do not want to pay taxes to finance the lazy and the incompetent, but few understand the psychological impact that the welfare State and the safety regulations have on our People. Gullible Americans believe that the government, so eager to interfere on our behalf for our safety, would warn us if the Jews were a threat, and would act to protect us.

"Anti-Semites" throughout history have alleged that the Jews come with a warning label, in that their haunted and sneaky eyes and hooked noses were repugnant to most human beings. Mediaeval paintings feature demonic figures with Jewish features, but Jews themselves do not come with warning labels. That is why government after government has required the Jews to wear badges identifying them as the enemy of the human race and warning all normal human beings to never trust the Jews.

We have to awaken Americans to the fact that we have a severely limited time now in which to resist the Jews, who are setting up to destroy us. For us, it is 1916 Russia. We can put forth comparatively little effort and combat the Jews who are attacking us, or we can take what the stupid perceive to be the path of least resistance, which in fact leads into the gates of the

concentration camp, that will quickly become the death camp.

The Jews are in control of the government and the press. They are not going to warn you that they are about to kill you, though they will encourage you to welcome death in the form Christian Zionism with its Jewish mythology of the "Rapture". The Jews want you to believe that the easiest thing for you to do is hide and follow along with the future that they have mapped out for you. But that path will lead you into a house of horrors, and you cannot even begin to imagine the terrors that await you inside.

It will be far easier for Americans over the course of time to endure a little work now in order to spare our lives tomorrow. If we "pay our dues" and rid ourselves of the genocidal Jews, then we can quickly build up our nation to be far better than it ever was in the past. If we are lazy now, the Jews just might succeed in their plans to shackle and then exterminate us. When it comes to paying now, or paying later, the Jews always attach usurious interest to the costs of procrastination and complacency. Shylock will have his pound of flesh and if you fail to jail the Jew, the Jew will fillet you with a dull knife and drink your blood in a cup cut from your child's emptied skull.

The Jews' Behavior Far Exceeds Mere Hypocrisy, It Is Genocidal Racist Jewish Supremacism

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

At this very moment, men and women are imprisoned for merely expressing opinions, and bringing to light inconvenient facts, regarding the "official" Jewish Holocaust narrative. The Jews have made it illegal to argue with the truth and have proscribed freedom of thought and freedom of expression.

Contrast this horror with the horrible fact that the Jews are destroying evidence of Israel's crimes against humanity and are harboring Jewish war criminals. By Jewish instigated law, one class of human being, the non-Jew, has a muzzle put over his mouth which forbids him from speaking the truth; while another class of human being, the Jew, destroys evidence of crimes and harbors criminals. This behavior has the deliberate effect of enabling Jewish crimes against humanity, in the most heinous form of the genocide of innocents, and of covering up Jewish lies meant to create an artificial distinction whereby Jews claim privilege over non-Jews.

The Jews have made their racist hatred of normal human beings the law of the land and have done so in order to carry out genocide with impunity. As such, they have made themselves the enemy of the human race. They rob us of our liberty to think, know, study and express the truth, while they shield themselves from prosecution for committing genocide against their displaced neighbors, whose ancestral homelands they have stolen by force of arms. It is difficult to imagine a more racist and dangerous monstrosity than the genocidal Jew.

The press is reporting that the Israelis are covering up their crimes, obstructing justice, and harboring war criminals. Why was Frederick Toben arrested on a plane, but this Israeli was not? See:

The Jews continually complain that Catholics helped Nazis flee prosecution after WW II. The Jews kidnapped Adolf Eichmann and brought him to Israel for prosecution. How dare the Jewish State shield other Jews from war crimes prosecution?

Charge the Israelis With Obstruction of Justice and the Destruction of Evidence in Addition to War Crimes

The press is reporting that the Israelis are attempting to obstruct justice and destroy evidence of their war crimes, by preventing the prosecution of Israelis for their crimes, and by masking the identity of Israeli soldiers in press video and photographs in Israel. Those bodies pursuing justice for the victims of Israeli war crimes should also prosecute the guilty Israeli officials for

obstructing justice and destroying evidence.

On the Need for the Host to Eliminate the Parasite

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have led a parasitic existence from the very beginnings of their tribe. They have always known the vulnerabilities of normal human beings and have ruthlessly exploited them.

In order for an organism to combat a parasite that is exploiting the organism's nature, the organism must often change from what it naturally is, to become something else, which violates its nature. To combat infections, we take antibiotics that poison us as well as the bacteria that are invading our bodies. The antibiotics come with negative side effects and change the balance of healthy symbiotic and beneficial organisms that live in the body. To fight the infection, we must change what we are by nature, often for the worse.

The Jews force us to change our nature to combat their attack against us. Since they exploit our generosity and natural friendliness, we must become less generous and more hostile to protect ourselves from them. We must become more like the Jew in order to defend ourselves from the

Jew.

It is far healthier to simply remove the parasite from our body, than to pump cyanide into our veins in the hopes of killing the leech. It is far better for us to remove the Jew from our presence, than to change our nature for the worse in order to defend ourselves from the constant Jewish attack which has always traveled with the wandering Jew when it has entered into normal societies courtesy of normal human beings' humanity and kindness.

We must guard against changing our normal and healthy natures to combat the Jew. It is better to weed them out, than poison our garden and ourselves.

On the Need to Recruit Engineers to Our Cause

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

During the years I spent exposing Albert Einstein's irrationality and plagiarism, I came to discover that Engineers, as a class, were far more effective, more courageous, more honorable, more insightful, more dedicated to the truth and more independent, than Physicists. Many of the most outspoken and effective opponents of Jewish lies and Jewish power have been Engineers by profession.

I believe the profession of engineering attracts persons who are independent and inquisitive problem solvers. We would do well to invite them to join us in saving America from the Jews.

I plan to make a special effort to recruit engineers into the *POWER PARTY*.

"The best among the Gentiles deserves to be killed." The Jews Are Practicing Dysgenics Against the Palestinians

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have, for thousands of years, taught their own to mass murder the best non-Jews. The Jewish book of *Obadiah* in the Old Testament instructs the Jews to slaughter the wise men of the Gentiles, of "Esau", and to exterminate all non-Jews. *Obadiah* states, at verses 8-11:

"8 Shall I not in that day, saith the LORD, even destroy the wise men out of Edom, and understanding out of the mount of Esau? 9 And thy mighty men, O Teman, shall be dismayed, to the end that every one of the mount of Esau may be cut off by slaughter. 10 For thy violence against thy brother Jacob shame shall cover thee, and thou shalt be cut off for ever."

The much celebrated ancient genocidal racist Jew Simon ben Yohai is quoted in *Soferim*, Chapter 15, Rule 10:

"The best among the Gentiles deserves to be killed."--*Cf.* "Gentile", *The Jewish Encyclopedia*, Volume 5, Funk and Wagnalls Company, New York, (1903), pp. 615-626, at 617. See also: A. Cohen, "Soferim 41a", *The Minor Tractates of the Talmud Massektoth Ketannoth in Two Volumes*, Volume 1, The Socino Press, London, (1965), pp. 287-288, especially note 50.

The Jews know that true leaders are a rare breed. Human groups produce only a few individuals who are highly intelligent, brilliantly insightful, loyal and devoted to their People, and selflessly brave. It seems that nature has determined that there be just a sprinkling of such persons in each tribe, perhaps because there must not be too much confusion among the leadership.

There are many type A personalities in the human family, who are ready, willing and able to mislead their People. These types are highly aggressive, shamelessly plagiaristic, tend towards psychopathy, and are just smart enough to impress those of average intelligence, but are stupid enough to be easily led and misled by higher powers, while lacking the creative intelligence needed to venture out on their own with any success.

Often, there is a struggle between the noble geniuses, who are quite rare, and the psychopaths, who are far more common, as to who will be the Alpha Male and lead the pack. The Jews try to kill off the noble geniuses and promote the psychopaths of the non-Jews to power. The Jews are murdering specific Hamas leaders and their families in such a pursuit, leaving behind less

capable jackasses to mislead the Palestinians, which jackasses are themselves being deliberately misled by the misadvice of Mossad.

The Jews believe they have the right to murder non-Jews with immunity. The press reports that Ehud Olmert has immunized the Jews of Israel from prosecution for war crimes:

Israel promises troops legal backing over Gaza war

The Jews believe that International Law is Jewish Law and the Gentiles have no right to make, much less enforce, any law. The Jews grant their own immunity for their murder of non-Jews. As I have long stated, Israel operates under this ancient racist, supremacist Judaic Law.

The Jewish book of *Isaiah* in the Old Testament at 2:3 states that all law comes from the Jews:

"And many people shall go and say, Come ye, and let us go up to the mountain of the LORD, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the LORD from Jerusalem."

The Jews of today abide by this supremacist doctrine, which renders non-Jews the slaves of Jews. David Ben-Gurion stated,

"With the exception of the USSR as a federated Eurasian state, all other continents will become united in a world alliance, at whose disposal will be an international police force. All armies will be abolished, and there will be

no more wars. In Jerusalem, the United Nations (a truly *United Nations*) will build a Shrine of the Prophets to serve the federated union of all continents; this will be the seat of the Supreme Court of Mankind, to settle all controversies among the federated continents, as prophesied by Isaiah."--

D. Ben-Gurion, *Look Magazine*, (16 January 1962), p. 20.

The Jewish Talmud in tractate *Sanhedrin* 57*a* states the Jewish law that a Jew may murder a non-Jew with impunity:

"'For murder, whether of a Cuthean by a Cuthean, or of an Israelite by a Cuthean, punishment is incurred; but of a Cuthean by an Israelite, there is no death penalty'"

The Jewish Talmud in tractate *Abodah Zarah* 57*a* also states the Jewish law that a Jew may murder a non-Jew with impunity:

"[. . .] but minim,[*Footnote in the Soncino edition:* Those who act as priests to idols whether they be Israelites or heathen (Rashi).] informers, and apostates may be cast in, and need not be brought up.' "

The Jews mass murdered the intellectuals among the Ottoman Empire when the Jews genocided the Armenians. The Jews mass murdered the intellectuals among the Slavs when the Jews genocided the Kulaks and *intelligentsia* after the Bolshevik Revolution.

It is important for us to inform the intellectual class of non-Jews in America, who are today

helping the Jews to destroy American, that the Jews will soon mass murder them. In this way, we can win the intellectual and wealthy class to our cause, obtain their support, and solicit their financial and creative aid in our organized defense from the genocidal Jew. We must also win them to our side so that we are not forced by their traitorous behavior to remove them from the gene pool, which would have a dysgenic effect on future generations of our People.

The Jews Are Arranging an Arab-Turk Alliance to Smash the Kurds, With an Attack on Iran as the Real Goal

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The press is reporting today that the Arabs in Iraq are flexing their muscle over the issue of Kirkuk, and that Obama's pledge to withdraw troops from Iraq will lead to conflict between the Arabs and the Kurds:

Kurd PM criticizes troop movement in Iraqi north

On 31 January 2009, I went on television to warn people that the staged conflict between Erdogan and Peres was meant to unite Iran hating Sunni Arabs with the Turks against the Kurds, Syrians and Iranians. I warned that Obama's pledge to withdraw from Iraq would lead to a conflict between Sunni Arabs and Kurds over the issue of Kirkuk. I reported on my televised

statements upon my return home in the following blog:

The Staged Conflict Between Peres and Erdogan: Jews Pit Erdogan Against Ahmadinejad as if Rival "Saviors" of the Palestinians, February 03, 2009

For years, I have been warning that the Jews were pitting the Turks, Kurds, Arabs and Iranians against one another, and that the Jews were seeking to Balkanize Iraq in order to spark these conflicts and themselves take the place of the Muslim Kurds, in, among many other places, the following blogs:

Communist-Mossad PKK -Versus- Doenmeh Crypto-Jews: Who Pays for this War? Who Benefits from It? October 28, 2007

Iraqi Turkmen, Kurds, Turks and Israelis, November 13, 2007

With Thanksgiving Approaching, Turkey Will Make the Perfect Scapegoat, November 14, 2007

The Jews want the Turks to unite with the Saudis and with Sunni Iraqis to attack the Kurds and Iranians. The Jews want Muslims to fight with Muslims and leave the Jews standing in "Greater Israel". The Muslims are fools to allow their Jewish controlled leaders to force them into this Jewish manufactured trap.

The Muslims should unite against Israel and use their religion as a bond, rather than a point of contention. There is so much wealth in the Middle East that it is just plain stupid for these countries to go to war with one another, when they could become fabulously wealthy by simply

cooperating for their common good.

The Jews are also setting up Turkey and Russia for yet another Jewish manufactured war. The Jews have been pitting these two great nations against one another for centuries, to the detriment of both the Russians and the Turks, and to the benefit of the Jews and their Western slave nations, especially Great Britain and France.

If Russia and Turkey instead united and improved their trade and relations with one another, many, if not all, of their national problems would be solved, and the Caucusus would become prosperous and a source of stability, rather than war. The Russians and Turks can prosper by helping one another, instead of letting the Jews yet again thrust them into war with one another, which means war between NATO and Russia.

People must stop being so stupid as to allow the Jews to manipulate them into warring with another. The profits to be made from peace will build the middle class of all of these nations and lead to great prosperity for all the World. How many times will Russia and Turkey step into the same Jewish trap of fighting one another, when it is so obvious and so simple that they should join forces to defend themselves from the Jews, and build one another's nation into thriving States that trade freely and peacefully with all the World?

Contra "Muhammad Rafeeq": "Rafeeq's" Jewish Apologetics Are Fatally Flawed Nonsense

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

"Muhammad Rafeeq", who has yet to tell us his birth name, let alone his grandparents' names, posited a nonsensical theory that Bernard Madoff is innocent of the charges leveled against him. "Rafeeq" would have us believe that Madoff's investments were legitimate and simply failed. He further argues that the prosecutions against Madoff are the result of a conspiracy to force the taxpayer to foot the bill for the monies Jews have lost by investing with Madoff, who is legitimate.

What is "Rafeeq's" proof? He asserts that it is impossible for Madoff not to have been earlier caught, and this issue only arose quite recently when the Jews lost money by investing with Madoff. See:

The Madoff Double Bluff By Paul (aka - Muhammad Rafeeq)

"Muhammad Rafeeq's" theory fails to take into account the effects of corruption, incompetence and intimidation. It is fatally flawed pursuant to the testimony of Harry Markopolos.

Markopolos did identify Madoff's schemes in the year 2000 and reported them. This fact is absolutely fatal to "Rafeeq's" nonsensical conspiracy theory:

Markopolos Blasts SEC Inaction on Madoff in Congressional Testimony

It is not possible that Markopolos worked with Madoff in 2000 to expose a Ponzi scheme that did not exist so that they could 8 years later expose the non-existent Ponzi scheme and thereby force the public to foot the bill. Now, "Muhammad Rafeeq" and his pupil have failed to retract the falsehoods they have claimed about me. "Muhammad Rafeeq" has failed to respond to the questions I have posed to him over the course of years. Will "Muhammad Rafeeq" now admit that his apologetics for the Jew Bernard Madoff are disproved nonsense and retract his shameless drivel, or will he continue to peddle his false Jewish apologies to his gullible audience?

"One World Nazi Party" a Contradiction in Terms, Part 2

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have received an interesting response to my article:

"One World Nazi Party" a Contradiction in Terms, January 28, 2009

I think it wise to avoid using more than one definition for a single term, in that the use of several definitions for the same term leads to confusion and contradictions. "Aryanism" as the belief system of an ancient Indo-European tribe is different from "Aryanism" as the belief system of Gobineau and the Nazis. Such being the case, I will in this article distinguish between "Nazism" and "Aryanism", meaning by "Aryanism" the ancient belief system of the "Aryans" and by "Nazism" the belief system of the National Socialist German Workers' Party.

Not knowing the name of the author of the article to which I am responding:

Jewish Racism on Aryanism

I will refer to the author as "Aryan Sanctuary", or simply AS. AS would have me understand that the "One World Nazi Party" does not aspire to "international egalitarianism". Perhaps I have misunderstood the intentions and beliefs of its founders, and if that is the case, I welcome the clarification. However, I ask, is not a "one world" standardization in the sense of race and sensibility the ultimate in international egalitarianism?

I can easily imagine a one World religion, which nevertheless existed in separate and distinct nations, nations with distinct sovereign rights and borders. Citizens with such a religious view need not be of the same, or even of a similar nation or genetic makeup. Members of a political party with common beliefs need not be of the same nation or genetic makeup, but I would assert that Nazism is such a comprehensive formula for government based upon race and historic territory, one which depends upon the precept of *Blut und Boden*, that I see no way of making it multi-national other than a one world government under a confederation of such sovereign

states that would tend toward a one world state as the nature of man tended toward uniformity of what AS refers to as "Aryan personality". Is the "Aryan personality" a function of blood, or indoctrination and environment? What is America to be under the "One World Nazi Party", a purely Native American country? If not, then in what sense is it a party of *Blut und Boden*? Surely, Nazism cannot be applied universally unless the populace of the World is molded and interbred into an egalitarian whole, or have I missed something?

I do not accept the Nazis' or Gobineau's precepts that all high culture stemmed from the Aryans, and I do not believe that the ancient cultures stagnated due to the admixture of Aryan blood with the blood of indigenous peoples. I do not accept the premise that Aryan blood is present in all the World's people, and that it alone accounts for creative genius and nobility of spirit. If genius and nobility are only latent in Aryan blood, than the rest of humanity must be converted to Aryan genetics in order for there to be a "One World Nazi Party". Under such an impossible condition, the World would then have one blood and the entire territory of the World would be its homeland. Hence, a One World Government and One World Race would emerge that segregates the Jews, which is exactly the purpose of Jewish messianic prophecy and the United Nations, with the obvious and important difference that the new universal non-Jew phenotype would presumably rule itself. However, this new man would have no heritage to serve as a basis for protection from the corruption of the Jew, or any other lingering hostile minority. It would on the other hand have the force of numbers and commonality of purpose implicit in its homogeneity.

I find this objective of uniformity uncomfortably in conformity with the Jewish inspired image

of the universally blended "UNESCO man", and nothing like Nazism, which also makes me uncomfortable as I do not wish to obey a racist totalitarian State.

I do not agree that there is an equivalence between the evolution of the Aryan man (itself a mythology) and the use of selective breeding techniques to produce an Aryan from a non-Aryan. For example there is a difference between selecting for specific traits to breed a prototype wild horse from the modern horse, and producing a modern horse from the wild horse. One presumably depends upon selecting extant genetic types, the other on genetic mutations. If such is not the case with humans, and the Aryan is simply a specific set of genes among an original more diverse set, than "Aryanism" is again not likely latent in all human beings, but has been lost to the non-Aryans. Again, I wish to make it clear that I do not believe that there is any such thing as the "Aryan race", but am simply working with the false premise as a basis for analysis.

If the founders of this "One World Nazi Party" envision a World united against Jewry in self defense from genocidal Jewish aggression, the distinctions between party principles of economics, sovereignty, race hygiene, education, monetary policy, trade policy, foreign policy, etc. from classical Nazism should be clarified in a party platform, and I do not see how they could possibly mirror German National Socialism, but I would be happy to review any such proposal and offer my thoughts on it.

The way to win American voters is with issues. The party should be framed in the minds of the public as a series of issues of concern to the average American, such as freedom from Jewish oppression, health care, education, foreign policy, jobs, etc. If you create such a political platform, please let me know.

"LionAxe" Has Responded With More Sophistry and Further Misrepresented My Arguments and the Demonstrable Facts of History

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In a previous article, I responded to a Jewish apologist calling itself "LionAxe" on the *Stormfront* message boards:

An Odd and Misleading Attack Against Me on "Stormfront's" Message Boards, December 16, 2008

This sophist, calling itself "LionAxe", has responded to my article on its blog, and yet again misrepresented what I have said, and the history of the theory of relativity:

A Christopher Jon Bjerknes Debacle: Responsum concerning Albert Einstein, 11 January 2009

"LionAxe" begins by claiming to have correspondence from Prof. Friedwardt Winterberg. "LionAxe" does not quote a single word from this correspondence, but instead makes the self-contradictory claim that, " Now I have emailed Professor Winterberg and he didn't agree that he

relied on Bjerknes for his views, moreso on his own views and work[2]." Prof. Winterberg has acknowledge in a published paper that he has relied on my work. I have never claimed that all of Prof. Winterberg's views derive from me, only that he has, in his own words, at times relied upon my work. In addition, I have a stack of letters from Prof. Winterberg about a foot high, which evinces our working relationship over the course of years. I will not rely upon the unreliable statements of "LionAxe" to infer or attribute any statement to Prof. Winterberg.

I will, however, state that Prof. Winterberg has told me directly that he believes that Einstein plagiarized the work of Henri Poincare and that Henri Poincare is the true father of the special theory of relativity. Prof. Winterberg has also told me directly that he believed it would be impossible to see published any such statement in a mainstream Physics journal, and therefore has himself been forced to exclude his full beliefs when submitting papers for publication, including his paper on the Hilbert-Einstein priority dispute, which even in its inhibited form took years to publish, I being the first to publish Prof. Winterberg's theories on the subject--a demonstrable fact.

"LionAxe" then proceeds to misrepresent my arguments regarding Einstein's plagiarism of Johann Georg von Soldner's prediction of the doubled Newtonian value of the deflection of a light ray grazing the limb of the Sun, *and* Newton's prediction that gravitation should deflect the path of a light corpuscle according to the law of universal attraction. Though I have not confused these separate issues of Newton's theory and Soldner's prediction, "LionAxe" has confused them, and "LionAxe" has failed to acknowledge that I accuse Einstein of plagiarizing the work of both Newton and Soldner, among many others.

"LionAxe" next accuses me of confusing "priority" with "plagiarism", when in fact, that is what "LionAxe" is doing in order to raise a straw man of his own manufacture which he deceptively attributes to me. I correctly point out the obvious fact that one of the elements of plagiarism is the priority of the work of the man or woman whose work is copied by another. It is necessary to establish that priority in order to establish plagiarism. "LionAxe" deliberately misrepresents my statements of isolated facts of priority as if they exist in a vacuum and then picks upon my representations of factual issues of priority of a given element of RT to next address a separate element of RT to falsely claim both that there was no priority and that priority is not the same as plagiarism.

"LionAxe" ignores the fact that I have established the several elements of Einstein's plagiarism, including, but not limited to: priority, knowledge, failure to acknowledge prior works, and claims of originality--in some cases even after publicly acknowledging knowledge of the original work in question. "LionAxe" confuses these sometimes separate issues, while falsely accusing me of doing the same.

"LionAxe" repeatedly misrepresents my statements regarding Einstein's two different predictions for the deflection of a light ray grazing the limb of the Sun and thereby ignores, and in effect confuses, the separate charges I make of Einstein's having plagiarized the Newtonian prediction in 1911 and the Soldnerian prediction in 1915. This demonstrates that he (she, it, they?) is a sophist in search of a false argument with which to attempt to mislead his readers into believing that I am mistaken, when in fact he is deliberately misrepresenting what I have stated and is arguing against a straw man of his manufacture, not mine.

"LionAxe" then makes a lengthy presentation of the falsehoods Jews have been pitching for quite some time in a desperate effort to conceal Einstein's obvious plagiarism of the works of Henri Poincare. "LionAxe" would presume to lecture me on the fact that others stated the PoR before Poincare, when I have given the most thorough proof of same in all the literature on the subject. "LionAxe" ignores the fact that Poincare applies the PoR to electrodynamics, which Newton and Galileo did not do. He was not the first to do so, but he did do so.

"LionAxe" is either ignorant of the commonly known facts, or pretends to ignorance of the commonly known facts, that Poincare dismissed the Ether as a metaphysical concept in the 1800's, and that Einstein declared the necessity of the Ether in 1920. These facts are so well known and so widely discussed, that on the basis of this fact alone, "LionAxe" cannot be taken at all seriously as if a knowledgeable and comprehensive debater on the subject. His (her, its, their?) statements are deliberately tendentious and terribly misleading. In addition, as I have proven, Einstein based his theory on Lorentz' Ether, as Einstein, Pauli, and others have acknowledged. It is not my intent to reproduce my book here, and I refer my readers directly to my book, which is available in its entirety for free at the following website:

The Manufacture and Sale of Saint Einstein

The fact that Poincare eventually developed a more comprehensive theory than Einstein, which sought to include the Ether as a physical basis for observed phenomenon, does not refute the fact that Einstein's theory is a lesser subset of Poincare's more broad and comprehensive theory. Poincare sought a physical theory in addition to the metaphysical and numerological theory

which Einstein plagiarized. As Prof. Logunov has stated, Poincare's theory is far more advanced and encompasses more detail than Einstein's parroted copy, which is a mere subset of Poincare's theories.

I will add in passing, that, as I have repeatedly stated in the past, Isaac Newton was a plagiarist and a Cabalistic Jew. He was often accused of plagiarism and he conjured up lame excuses to account for his plagiarism. He also set Physics back by introducing the pantheistic mythologies and dogmatic absolutes of the Jewish Cabalah into the more advanced Physics of Christiaan Huygens and others. Leibniz accused Newton of these occult beliefs and practices, and John Maynard Keynes has proven that Leibniz was correct, as I have repeatedly demonstrated in the past.

If We Don't Stop the Jews, They Will Kill Them All, and the World Will Do Nothing to Protect Them

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For years, I have been warning the World that the Jews will exterminate the Palestinians at the

first opportunity which arises. This is one of several reasons why the Jews want to instigate World War Three. The Jews know that if they can bring the World into chaos, into war, economic collapse, famine, etc. that the Jews will then have the opportunity to wipe out the Palestinians completely and the World will do nothing to stop them.

For years, I have also warned the World that the Jews will, as an entire People, come to support Israel and Jewish extermination of the Palestinians, as they come closer to building a "third" Temple of Solomon, and that the Jews will become increasingly arrogant. Even those Jews who yesterday considered themselves secular and detached from the Jewish People will come to embrace Israel and join with other genocidal Jews in a quest to exterminate the Palestinians and the rest of non-Jewish humanity. I issued these warning in, among many other places, the following blogs:

Deuteronomy 7:2, Israeli War Policy, December 13, 2006

The Israeli Nazis and the Gaza Ghetto, February 21, 2007

Esau and Jacob, the Palestinians and the Israelis, December 19, 2006

The Set Up: Ahmadinejad and the Saudis, January 18, 2007

Poor Palestine, February 04, 2007

A Lever Long Enough to Move the World and a Fulcrum Upon Which to Set It, December 18, 2006

The Genocidal Siege of Gaza Seen in the Historical Context of Judaic Literature, February 04, 2007

Billions Will Die for the Sake of Racist and Genocidal Jewish Mythology, February 20, 2007

Do Not Trust Abbas, January 14, 2007

If you watch the following YouTube video, you will see average Jews recently stating what I have been warning about for years, and note that when a Jew refers to "Moshiach", he is referring to the messiah of the Jews:

Pro-Israel Rally For Attacking Gaza, NYC, 1-11-09

Some Jews believe the Jewish messiah will appear once the Jews have exterminated the Palestinians, which is to say that the lives of the Palestinians are holding back the arrival of the Jewish King. The Jews' holy books teach them that as the messianic age approaches and the Jews seize absolute power, they will be able to speak more openly about their plans.

I hope that more people will listen attentively to the warnings I am issuing. The Jews do not only plan to exterminate the Palestinians. The Jews plan to exterminate all non-Jews. They relish the thought of the arrival of the messiah, because he is promised to them as the genocidal force which will murder every non-Jew on the face of the Earth. The Jewish extermination of the Palestinians is only a planned prelude to the planned Jewish genocide of every Goy.

Hosni Mubarak: The Two Billion Dollar Whore

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Palestinians of Gaza are trapped between the genocidal Jews of Israel, and the snake of Egypt, Hosni Mubarak. Though Mubarak has seen to it that Egypt maintains a low profile in World politics, Egypt is a key player in the region, and is the largest Arab nation by almost twice in terms of population.

The Palestinians of Gaza depend on Egypt as the only way in and out of Gaza, other than Israel and the Israeli controlled coast of the Mediterranean Sea. The Palestinians have almost no choice but to acquiesce to the demands of the Egyptians, which are dictated by Israel, or become completely isolated in their Israeli imposed concentration camp.

Mubarak takes advantage of the Palestinians' plight to fill his accounts with American dollars. Those charred Palestinian babies are gold for Mubarak.

Expect Egypt to become ever more present in the press as the revolution nears. The Jews hate the Egyptians like they hate the Church of Rome, and the Egyptians have yet to experience the

death and destruction the Jews have planned for them. They will die in the millions in worse famine than Africa has ever known in the coming years, courtesy of Mubarak's ally, the Jewish State of Israel.

The following article describes the gold mine Mubarak believes he owns, but how long will the title of traitor to the Arabs remain his?

Much at stake for Egypt in Palestinian-Israel talks

Hosni Mubarak Admits that He Is an Ally of the Israelis and Scapegoats Iran-Friendly Arabs for Illegal Israeli Aggression

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Israel and its fifth columns of of Arab Quisling leaders is setting up for an inter-Muslim war between Egypt, Saudi Arabia, Jordan, Lebanon and Turkey against Iran and Syria. The Jews are using the Palestinians as bait to pit the Muslim World against itself, by using Muslim leaders to fight with one another over which method is best to protect the Palestinians from the Jews.

To wit, Hosni Mubarak, who cares not for the Palestinians, but is instead a Communist puppet

of the Jews, is trying to drive a wedge between Iran and the Arabs. I believe that the Jews plan to substitute Erdogan of Turkey for the popular Ahmadinejad, in the minds of the "Arab street".

Instead of condemning Israel for disproportionate responses, instead of making accusations of Mossad false flag operations, Mubarak blames the Arabs for Israel's monstrously disproportionate responses to Israeli false flag attacks on itself. See:

Yoav Stern, "Mubarak: Hamas to blame for spilled Arab blood", *Haaretz.com*, (4 February 2009), http://www.haaretz.com/hasen/spages/1061472.html

Egypt's Hosni Mubarak reveals the fact that most Arab leaders are in bed with the Israelis. Their agenda is to promote hostilities with the Iranians and to prevent the Iranians from assisting the Palestinians.

"'Egypt made peace publicly with Israel, and some of those who criticize us maintain warm relations with Israel behind closed doors, and others dearly desire peace with Israel,' Mubarak said."--Yoav Stern, "Mubarak: Hamas to blame for spilled Arab blood", *Haaretz.com*, (4 February 2009), http://www.haaretz.com/hasen/spages/1061472.html

Many traitorous Arab leaders do not want to condemn nor prosecute their ally Israel. Many traitorous Arab leaders instead want to scapegoat Arabs who are attempting to defend themselves from illegal Israeli aggression, for that illegal Israeli aggression.

The Jews have the gullible Arabs struggling between two forces, both of which are working for

the Israelis. The common People of these nations have to become enlightened as to these facts and demand governments which represent their common interests as Muslims and to begin to fight back against the Israelis in a common defense, rather than fight Jewish manufactured inter-Muslim wars.

The Staged Conflict Between Peres and Erdogan: Jews Pit Erdogan Against Ahmadinejad as if Rival "Saviors" of the Palestinians

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are pitting the Prime Minister of Turkey, Erdogan, against Iran's Ahmadinejad, as if they were rival "saviors" of the Palestinians, in order to instigate World War Three on behalf of Israel and the Jews, and in the process destroy Turkey and Iran. On 31 January 2009, I appeared live on Rev. Bedros Hajian's television show and advanced the theory that the Prime Minister of Turkey, Erdogan, made a staged reaction to a staged performance by Israeli President Shimon Peres in Davos, Switzerland, at the World Economic Forum. Erdogan has been supporting the Palestinians and denouncing the Israeli aggression against them in Gaza.

Peres scolded him for it, and Erdogan again denounced Israeli aggression, but was not allowed adequate time to respond to Peres' attack, and left the stage. I believe this event was entirely preplanned.

On 31 January 2009, I set forth the theory that, while everything Erdogan stated is correct and Shimon Peres is a liar, Erdogan is being set up by the Jews as the new replacement "Ahmadinejad" of the Arab World, in covert alliance with Israel, thereby stealing Ahmadinejad's thunder as the defender of the Palestinians and giving it a Sunni face. The Jews are doing this in order to unite the Arabs behind the Turks, as opposed to the Iranians, and to pit the Sunni Arabs and Turks against the Shia Arabs and Persians in a coming conflict, which will commence when the US begins to withdraw troops from Iraq, as Barack Obama has pledged to do.

This gives the Arab controlled opposition to Israel a far more Jew-friendly face and is intended to drive a wedge between the Arab "street" and Iran in order to substitute Turkey, a NATO power, for Iran. If the Jews can manage to bring Turkey and Saudi Arabia into war with Iran, despite my warnings and revelations, NATO would join with NATO member Turkey and with Israel against Iran and Syria.

Should the US withdraw forces from Iraq it will leave behind a power vacuum in Iraq. The Kurds in the North will gain power and the oil fields of Kirkuk and come into conflict with the Turks, Arab Sunni and the Shia. The Shia in the South will gain the oil fields there, as well as Iranian support, and come into conflict the Kurds, Turks and Sunni Arabs. The Sunni Arabs of the West will be left high and dry--of oil profits, and will come into conflict with the Kurds, Shia, and will be supported by the Turks and Saudis. I have long predicted that the withdraw of US

forces sets the stage for a conflict between the Kurds and the Turks--the Kurds have been assassinating Turkmen leaders in Iraq and agitating the Turks with cross-border operations; and a conflict between the Shia and the Sunni in which the Iranians will support the Shia and the Saudis will support the Sunnis. I have also long predicted that Turkey will be a part of this war, and perhaps even instigate it after Mossad directed PKK attacks inside Turkey.

The Jews are making Erdogan the hero of the Arabs in order to subvert the Iranians' influence over the Arabs, and to unite the Turks and the Saudi, Jordanian, and Egyptian Sunni Arabs together against the Persians, Shia and Syrian Arabs. The leaders of all of these nations are crypto-Jews, and/or agents of Israel and the CIA.

In order for there to be a war, there must be at least two opposing factions, and the Jews have made Erdogan the new "Ahmadinejad" of Arab resentment against Israel, thereby controlling Arab dissent and channeling it against Iran and Syria; just as the Jews used the old and true Ahmadinejad and Jewish aggression to unite the Syrians and Persians against Arab traitor states. By controlling anger at the Israelis over the Palestinian issue, the Jews have managed by design to pit Turkey, Saudi Arabia, Egypt, and Jordan against Syria and Iran. Erdogan and Ahmadinejad are the human faces of this staged conflict.

As I predicted, Erdogan is stepping forward to forge alliances with the Saudis against Iran. It is clear that Erdogan and the Saudis are agents of the Israelis who are using the Israeli aggression against the Palestinians as a pretext to forge an alliance to attack Iran, on behalf of the Jews who are slaughtering Palestinians. See the following news reports which appeared days after I predicted these events:

Saudis hope Turks will help stem Shi'ite influence

Turkish president expects his visit to boost ties with Saudi Arabia

I have been reporting for years that Ahmadinejad is a crypto-Jew and that the theocratic leaders of Iran are also crypto-Jews. There are now other reports appearing in the press questioning Ahmadinejad's ancestry:

Charge: Ahmadinejad Rants to Hide His Jewish Roots

Among scores of other articles and interviews I presented in 2006 and 2007 declaring that Ahmadinejad is a Jew working for Israel, see my blog:

Ahmadinejad Is a Crypto-Jewish Pied Piper, January 27, 2007

Perhaps others are now picking up on this story as part of an attempt to harm Ahmadinejad's reputation among Arabs and replace him with Erdogan.

Rather than fighting one another, the Turks, Shia, Sunni, Arabs, Persians, etc. should unite against their, and our, common enemy, Israel. Israel should pay a price for burning alive the children of Gaza.

Muslims, please do not allow the Jews to use their agents in your governments to lead you into destroying one another for the benefit of the genocidal Jews in the name of the Palestinians, whom the Jews are mass murdering. Instead, turn all of your guns towards Israel, and prosecute

Israel in your own newly created and united courts of law.

Commie Obama's Infomercial

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Obama's Fort Myers, Florida, infomercial sounds a lot like the Communists asinine "Five Year Plans". The Commies would promise that in five years, the cows would give three times as much milk, the fields would yield ten times as much wheat, and the Americans would join the Communist revolution. It took the Jews more than five years, but they have now succeeded in turning us Communist under their puppet Obama.

The Jews who own Obama know that Americans have too much common sense to support their destruction of America. The Jews who own Obama know that Americans are against their policies, which Obama obeys.

The Jews are using Obama to subvert our democracy and seduce Americans into believing that

Obama's Jewish plan to ruin America somehow makes sense. The Jews are using their advertising acumen to pitch their plan for our death, so that we clamor for the very things which will destroy us. Hence, the Jews send Obama out on televised infomercials to deceive the American public in the hopes of changing their views. This is one way the Jews control public opinion.

Americans are terribly naive and unfamiliar with this Jewish Communist propaganda. Americans are gullible and vulnerable to these infomercial psychological techniques in which crowds containing plants working for the Jews are led to applaud Obama and make it appear that Obama's views are sensible and are popular. Note that no dissenting voices are allowed. It is just one long sales pitch.

Obama is dangerous. We have to work much harder to discredit him.

Obama is not attacking the banks who are crashing our economy. Obama is not instituting the protectionist measures we need. Obama is not sponsoring domestic production. Obama is not addressing the crisis in Latin America which will soon bite us in the backside. Obama is instead proposing a massive increase in purchasing power which will only increase our debts and send our currency overseas, without increasing our domestic production. The result will be hyperinflation, the loss of the use of the US dollar overseas, and massive unemployment. This is all by design, and the American public would not support this recipe for disaster without the Jewish advertising techniques being used to subvert our democracy.

We must show the American People how they are being manipulated and misled. We must show

the American People that the Jewish bankers and Jewish media put Obama into power, and the Jews absolutely control Obama in the White House. Obama is too stupid and too ignorant to even know how the Jews are using him, though he is their agreeable and knowing slave.

Obama is forcing Americans to overspend on the national credit card and run us into obscene debts so that when the Jews foreclose, they will own everything which was once ours.

Obama is telling us to purchase prosperity on Jewish credit and Obama is running us further into Jewish usurious debt slavery. We should instead be pouring money into production, remove the debt basis from our currency, recover stolen funds from Jewry, and ensure domestic production through protectionism.

The Modern Doenmeh in Turkey

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Back in April of 2007, I exposed the fact that the Doenmeh controlled the military of Turkey and were planning a coup d'etat:

The Doenmeh Crypto-Jews Threaten Coup to Defend Their Grip on Turkey: April 28, 2007

After I published my article, evidence of the coup plot was discovered, in June of 2007. This has led to prosecutions.

Hurriyet Daily News reports:

"The [Ergenekon] gang is alleged to have sought to topple the government by staging a coup in 2009 by spreading chaos and mayhem beforehand."--"General freed on lack of evidence in Ergenekon", *Hurriyet Daily News*, (8 February 2009) http://www.hurriyet.com.tr/english/domestic/10956443.asp?scr=1

The alleged members of the Egenekon are named in a booklet, which is available online. I would appreciate it if someone would e-mail me a link to website which publishes the contents of this booklet. *Today's Zaman* reports:

"The court's statement on the release said that Tolon's possession of the copy of a 29-page booklet allegedly showing the structure of Ergenekon, which was listed as the prosecution's primary evidence against him, could not be accepted as convincing evidence to establish that Tolon was a senior member of the criminal organization because the same document is available on many Web sites."--"Ergenekon suspect Hur•it Tolon released from jail", *Today's Zaman*, (9 February 2009), http://www.todayszaman.com/tz-web/detaylar.do?load=detay&link=166422&bolum=100

Is Democracy a Bad Idea?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

When the Jews attacked the Monarchies, many leaders warned of the faults inherent in a "democracy". From the Russian Czars, the attack on the concept of "democracy" was then championed by the Fascists, for many of the same reasons proposed by the Monarchists.

These forces argued that "democracies" are a fatally flawed system of government, in that they grant Jews equal rights, which affords the Jews the opportunity to use their stolen money to corrupt the government. Jews, acting together, can subvert the will of the majority, by buying up and otherwise controlling the press, and by placing compromised politicians in power through the use of the Jewish controlled press. These are indeed real problems.

However, no system of government is bullet proof and safeguards must always be put in place and updated to protect society from corrupting forces. Fascist states can also be tools of the Jews. Consider Franco's Spain, as in Frankist Spain. Fascist states can work against the best interests of the nation. Consider Hitler's warmongering and the destruction and Balkanization

of Germany.

I argue that the Jews have an easier time controlling the will of one man, than they do of controlling the will of an entire People. If we were to remove the Jews from public life, they would have a much more difficult time manipulating the American People, than if we were to fall into a dictatorship even if it removed the Jews, which dictatorship could potentially be easily controlled by the Jews from outside and be from the outset a product of their machinations.

Is the will of the People truly a threat? It can be, but consider the fact that the American People opposed the banker bailout, oppose Obama's "stimulus package" (knowing where it is directed and the pain and degradation it will cause) and oppose our suicidal immigration practices. If a popular vote were taken, the People would have a far better record on key issues, than do their elected officials.

That said, one man can act immediately and without compromise. Though there is great hazard in placing such power in a single hand, if it is used effectively, it is the most efficient means of governing.

History has revealed to us a cycle whereby powerful men toss out the Jews, or cage them. The Jews then promote revolutions which "democratize" the nation so as to create "tolerance" for a successive Jewish invasion and subversion. The democratized nations succeed because free people are more creative and productive than slaves. The Jews milk this wealth, and replace the democracy with absolute tyranny, often by placing the Jews' puppets into power on an anti-Jewish platform.

In my opinion, the most productive and healthy society to which we can aspire is a more democratic society in which the Jews exercise no influence. The problem is getting there without tripping over the stumbling stones the Jews are tossing on our path. Constantine donned a bold cross and used his power to much effect to build a lasting Empire. The Jews could then be easily recognized as the threat they were by leveling the charge of Deicide at them.

We can obtain prosperity without surrendering our rights to a dictator, if we can remove the dogmatic, silly, and hostile Jew from public life. We either have to remove the Jews from the press, or make the press of no value to the Jews. We either have to remove the Jews from the educational system, or make the educational system of no value to the Jews. We either have to remove the Jews from government, or make the government of no value to the Jews.

We cannot at this time remove the Jews from the press. We can, however, take away the value of the press for the Jews in several ways. We can discredit the Jewish controlled press. We can provide a counter-press which not only exposes the Jews, but which further explains the benefits of normal and healthy gentile society that serves the best interests of the majority. In our counter-press, we must explain to the audience not only that war and debt are stupid and unnecessary products of Jewish influence, but we must also explain the benefits of debt free currency, Autarky, peace, international stability and profitable trade with needed protections for American labor and markets.

One can readily see that the Middle Eastern press is Jewish controlled by the fact that even those sources which criticize Israel almost never decry the stupidity and needlessness of the

hostilities between Muslim nations and sects that the Jews are artificially creating. The Middle Eastern press not only does not condemn the inter-Islamic strife the Jews cause, the Jewish controlled Middle Eastern press instead promotes this very strife. In addition to its failure to condemn the inter-Islamic strife the Jews are manufacturing and in addition to promoting that strife, the Jewish controlled Middle Eastern press fails to ignite the imagination of the Muslim community to the rewards of peace, mutual aid, cooperative trade and unified power that Muslims could exercise for the benefit of mankind.

Our counter-press must not only discredit the Jewish press, we must seduce the public with the facts that we can quickly and greatly improve their lives and the lives of all of humanity. We must not only explain to the public the problems the Jews are causing and how unnecessary are those problems, but we must also explain how we can solve those problems and create a better nation for us all.

Since we cannot at this time remove the Jews from the educational system, we must instead make the educational system of no value to the Jews. We must educate our own and make the products of our educational system superior to those of the Jews. We must give our people a competitive advantage over the Jews and those educated by the Jews. We must provide textbooks which expose and explain the facts of history and of science. It is only by lack of competition, and by forced monopolization that the Jewish system survives. The Jews have sought to drag down the Catholics, but we need not let them destroy us. If we have a natural right to survive the Jewish attack, it will only be because we are strong and willful enough to take our fate into our own hands. If the Jews attempt to shackle those hands, we will have to meet them with force, or perish as cowardly fools.

Since we cannot at this time remove the Jews from government, we must remove the influence of the Jewish controlled government from our lives and substitute our own institutions in parallel to, or in substitute of, the Jewish subverted Government of the United States. We must create our own institutions of assuring the common good, whether or not the *POWER PARTY* wins offices in the official government. The *POWER PARTY* must be just what its name signifies, the taking of power by the exercise of power on a personal and on a collective level. There is nothing which prevents us as a political party from performing the functions which can also be performed by a healthy government. We have no power to tax, but we have instead the power to help one another, which the government does not.

I do not think we will have to struggle for long to make manifest our power. I suspect instead that as we begin to organize to take matters into our own hands we will all come to conclude that it will be much easier for us to use the power of the State for the benefit of the American People and that by that time, the American People will be with us and we will have created the fabric with which to clothe Americans in the truth.

Hamas and Hezbullah are powerful because they provide for the needs of the people as the Israelis and their puppets deny those needs. The *POWER PARTY* will do the same for the American People, and in this way we will quickly win popular support and seize the power of the State.

An Opportune Time for Erdogan to Stand Up for Turkish National Honor and Speak the Full Truth

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For a very long time now, I have been reporting on the fact that Doenmeh crypto-Jews run Turkey and maintain power through their grip on the Turkish military and the Turkish press. They are far and away the wealthiest "Turks" and dominate the country.

Turkish Prime Minister Erdogan has recently criticized Shimon Peres and Israel for the Jewish aggression in Gaza. In 1974, Erdogan published a play entitled "Maskomya," which signifies the Masons, Komunists (Communists), and Yahudis (Jews). Erdogan directed and starred in the production of his play. We, therefore, know that he knows who the Doenmeh are, and surely must know what role they played in the Armenian Genocide.

Even NATO is aware of the machinations of the "Ergenekon" (read "Doenmeh terrorist organization", or more succinctly, "the Jews"), which I have been reporting on for a long time.

See my article:

I Wrote of This One and One Half Years Ago, But the "Alternative Media" Did Not Report the

Story, December 14, 2008

Today's Zaman is reporting:

"The North Atlantic Treaty Organization (NATO) has in its records the names of the individuals who form the nucleus of Ergenekon, a clandestine terrorist organization charged with scores of unsolved murders and other atrocities conducted for the purpose of ruling the country from behind the scenes or triggering a military takeover, according to a claim put forth by Gültekin Avcı, a retired public prosecutor experienced with shadowy formations and illegal gangs inside the state. [***] Avcı also claimed that Turkey's illegal structures are backed by important Masonic connections and individuals, recalling the ties of the Masonic lodge P2 in Italy to the Gladio network. He said if NATO shared its records with the prosecution, it would be of significant help to the investigation; but he also noted that this was a distant possibility."--FATIH YALÇINER SAMSUN, "NATO has names of Ergenekon founders, claims retired prosecutor", *Today's Zaman*, (6 February 2009), http://www.todayszaman.com/tz-web/detaylar.do?load=detay&link=166095

Prime Minister Erdogan can restore the reputation of the Turkish People by publicly announcing a Turkish Armenian Genocide Resolution, which will acknowledge that Turks and Kurds mass murdered 1.5 million Armenian Christians, but that it was the Jews and Freemasons who led them to do so, and while the Jewish masses supported the attack, the Islamic masses were opposed to it.

Erdogan should also make Turkey a unifying force in all of Islam, not just create an alliance of Turks with Kurd-Shia-and-Persian-hating Arab leaders, Arab leaders who are allies of Israel. Erdogan should unite with Iran against Israel.

Prime Minister Erdogan, you have it in your power to change the course of human history much for the better. The Turkish People will support you. Purge the Doenmeh from Turkey, and truly unite Islam, and history will remember you as one of the greatest leaders the human race has yet produced.

On the "Credibility" of Daryl Bradford Smith

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I find it difficult to understand why anyone would take Daryl Bradford Smith seriously. From his ridiculous story that the silly little smearmonger Eric Hufschmid somehow Svengalied him for years (have you ever seen and/or heard Eric Hufschmid?), to his apologetics for the Jew Bernard Madoff, the man is clearly not someone who can be taken seriously. If his story that Eric Hufschmid controlled him for years is true, then he is, by his own accounts, an easily

manipulated fool. If it is not, then he is not telling the truth. His claims made together with "Muhammad Rafeeq" that Bernard Madoff is innocent of the charges against him depend upon the false notion that these charges have only recently been leveled against Madoff. Why haven't Smith and Rafeeq retracted, or amended, their false theories in light of these facts?

Smith has made numerous unsubstantiated claims about me that he has neither attempted to support, nor retracted, though he asserts that he always corrects his mistakes. He has just recently asserted, without any hint of proof, that I claimed that he and his buddy had inside information. Where do you allege I made such a claim, Daryl?

His teacher, "Muhammad Rafeeq", attempted to criticize me for pointing out the fact that there are allegations that a Jewess poisoned the Prophet Muhammad, but "Rafeeq" just recently pointed out that the Jews murdered Jesus Christ. Both "Rafeeq" and Smith frequently reiterate things I have said before them, often in much the same terms, if not verbatim. So why do they attack me?

"Muhammad Rafeeq" made an unprovoked attack against me on the message boards at "Wake Up from Your Slumber" long ago, then recently misrepresented that fact and claimed that I had attacked him. Why have you not retracted that false claim, "Muhammad"? Smith claimed that I had added a books page to my website after he had added one to his, when in fact I had a books page on my website long before him. Why have you not retracted that false claim, Daryl? While I encourage the dissemination of information, I do not encourage the spreading of lies about me.

Why did you attack me for the fate which befell Christopher Bollyn, Daryl? Have you ever

apologized for smearing me? Have you ever retracted your statements? Why did you attack me for leading the Armenian Community in recognition of the Jewish involvement in the Armenian Genocide? Why did you parrot what I had already said, while concurrently attacking me for having said it, before you? Why do you falsely claim that no one has criticized your work, when in fact I have made criticisms, to which you respond with personal attacks alone? Of course, it would be a very lengthy excersize to point out all of the mistakes Smith and "Rafeeq" make, one which does not interest me, since, among many other obvious reasons, anyone who listens to them and whose opinions are of real value is already aware of them.

Daryl, what are your associations with the old time members of the "Islamic Party of Britain"? Do you know how many, and which, of its members are converts to Islam and/or were ever Jews, Freemasons, and/or have Jewish blood? What do you know of David Pidcock, Alexander Baron, etc. and will you tell your audience what you told me about "Muhammad Rafeeq"? Will you apologize for, and retract, all of the falsehoods you have spread about me? Or will you continue to attack the messenger, while parroting my message?

One last note, Daryl Bradford Smith recently attacked someone for pointing out that Kay Griggs has Jewish blood. Daryl Bradford Smith, himself, heard Kay Griggs tell him that she has Jewish blood and that some of her ancestors were involved in Freemasonry. Kay Griggs stated directly to Daryl Bradford Smith:

"I'd love to tell you who my dad was. He was just wonderfull. And, uh, my grandmothers and I'm very proud of my old Scottish roots, but, um, I've got a little bit of, um, Belgian Jew in there, that I found out about. My mother

was trying to hide it. And, um, they brought over the, uh, they came into Teller, Virginia. They brought in the Masonic, uh, training school for Virginia in about eighteen. . . what about. . . the. . . during the war, uh, between the states . And, um, I call tell you, that's uh. . . . I just. . . . My mother doesn't like knowing that. . . or. . . she probably knows it, but, the point is I don't mind telling everything about myself."--Kay Griggs, Audio Interview with Daryl Bradford Smith, beginning at 52 minutes into the interview.

For Daryl's recent mindslop, listen to:

God Save the Palestinians: An Apartheid Whore Versus Moshiach ben Joseph

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The *Associated Press* is reporting that Tzipi Livni is calling for an Israeli proposal of Land for Peace which will sidestep all foreign peace offers, most notably the Arab peace proposal, which is not segregationist enough for the racist Israelis. Livni is prostituting Kadima to Avigdor Lieberman in the hopes of becoming Prime Minister of Israel. Lieberman holds the controlling interest of the votes and must choose between Livni and Netanyahu.

Netanyahu promises wars which will not only claim all of Palestine, but all of "Greater Israel" for the Jews, the region from the Nile to the Euphrates. Netanyahu is popular among American Christian Zionists. Netanyahu is the Jews' "Moshiach ben Joseph" the Messiah son of Joseph who will wage the war of the Apocalypse and clear away the Goyim, making room for "Moshiach ben David", Messiah son of David, who will then rule the Jews as their King and establish a dynasty in Jerusalem to rule the World from the "third" Temple of Solomon.

Livni is a more mundane racist Jew, who is pimping Kadima to Lieberman in hopes that he will like her proposal for a further segregated Israel which will boot out the Arabs, a long term goal of Lieberman's. That racist Jew wants to keep the "Jewish State" Jewish at all costs, including the loss of stolen territory. Better to lose land, than risk assimilation with the Goyim.

Lucky Lieberman must choose between an Apartheid whore who will keep the Jewish blood

pure, or Moshiach ben Joseph, who will spill the blood of billions and usher in the Messianic Age. He is drooling in delight and taking stock of what is in it for him, our Kahane king maker.

The Biggest Story You Never Hear About, Turkey's Ergenekon: They Own Judges, They Assassinate Judges

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Doenmeh crypto-Jews of Turkey have a clandestine terrorist organization known as the "Ergenekon". This group assassinated Hrant Dink, an Armenian journalist who called for improved relations between Armenia and Turkey. In April of 2007, I reported that the Doenmeh in Turkey were planning a coup d'etat. A few months later, in June of 2007, the Turkish Government discovered that the Doenmeh were planning a coup d'etat, and began a series of prosecutions.

I attempted to alert the "Alternative Media" to this story, even before it was discovered by the Turkish Government, but the "Alternative Media" showed no interest in covering the story of the crypto-Jews of Turkey. In fact, the "Alternative Media" appeared to me to be sympathetic to crypto-Jews, because it is mostly composed of Jews and crypto-Jews.

Today, even CNN is reporting on the Doenmeh "Ergenekon", but still no interest in the story in the "Alternative Media". The Doenmeh in Turkey own judges, and murder judges whom they do not own:

Voice recording shows Ergenekon suspects will do anything to avoid trial

Neo-nationalist leader faces lawsuit for aiding Ergenekon

Turkish military denies link to illegal groups

Euro Parliament wants deeper probe into Ergenekon

'Deep State' Investigation Rocks Turkey

Another story I have been reporting about for years is the fact that many Arab leaders are crypto-Jews and yet others are allies of the Israelis. During the Israeli attack on Lebanon, I was reporting on the billionaire bankers who ran Lebanon and their treachery to the Arabs in favor of the Israelis. The "Alternative Media", including a prominent Arab, discouraged me from discussing these facts. Many in the "Alternative Media" are CIA, and or Mossad. Most are Jews, or crypto-Jews, including some of your favorites. It is amazing how gullible some who consider

themselves "in the know" really are.

I have made a video which explains my blog of 22 November 2007:

What Will the Reign of the Anti-Christ Look Like? The Seventh Year and Shmita, November 22, 2007

My video appears on YouTube:

There Is a Desperate Need for an International Organization to Defend Us from Jewish Aggression

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

We desperately need a human rights organization which will respond to Jewish aggression. The Jews are committing genocide, imprisoning people for daring to think, destroying the World economy, agitating for wars and revolutions, subverting governments and religions, engaging in the slave trade, illegally trading in weapons and drugs, etc. Yet there is today not a single body which responds to this organized Jewish attack on the human race.

Why are courageous individuals rotting in European prisons without any support from a human rights organization? Why does no human rights organization criticize Judaism and Jewish supremacism? It is because we have thus far been too stupid, too lazy and too complacent to stand up for our rights and confront the genocidal Jews with an organized counter-attack.

The mere act of founding such an organization will draw attention to the problem of Jewish hostility towards humanity, and will provide a centralized structure for exposing the problem, one which offers the victims of the Jews an outlet to demand justice. The Jews are so vile in their attacks on innocent people, that we will be able to demonstrate that organized Jewry is trafficking in women for prostitution, genociding the Palestinians, subverting Christianity and Islam, and throwing scholars in jail for examining historical issues. We can demand *Habeas Corpus* for victims of Jewish aggression and organize criminal prosecutions of the Jews who are murdering, enslaving and imprisoning us.

#1 Bestseller Proves that Usury Is an Ancient Jewish Plan for World Conquest

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews often lie and claim that Christians are responsible for the fact that Jews are usurious. The Jews also sophistically claim that by identifying an allegedly alien source for their usurious practices, they are thereby absolved of their guilt for stealing from, and ruining, the rest of humanity. Both Jewish claims are false, as proven by the Jewish Old Testament, which in the form of the Bible is still a bestseller.

The Jews assert that since Christians forbade the practice of usury as immoral, the Christians having relied on *Luke* 6:35

"But love ye your enemies, and do good, and lend, hoping for nothing again;

and your reward shall be great, and ye shall be the children of the Highest: for he is kind unto the unthankful and to the evil."

and upon Plato, *Laws*, Book V:

"In marrying and giving in marriage, no one shall give or receive any dowry at all; and no one shall deposit money with another whom he does not trust as a friend, nor shall he lend money upon interest; and the borrower should be under no obligation to repay either capital or interest." http://classics.mit.edu/Plato/laws.5.v.html

and upon Aristotle, *Politics*, Book I, Part 10:

"There are two sorts of wealth-getting, as I have said; one is a part of household management, the other is retail trade: the former necessary and honorable, while that which consists in exchange is justly censured; for it is unnatural, and a mode by which men gain from one another. The most hated sort, and with the greatest reason, is usury, which makes a gain out of money itself, and not from the natural object of it. For money was intended to be used in exchange, but not to increase at interest. And this term interest, which means the birth of money from money, is applied to the breeding of money because the offspring resembles the parent. Wherefore of any modes of getting wealth this is the most unnatural." http://classics.mit.edu/Aristotle/politics.1.one.html

. . .the Jews assert that since Christians forbade usury, and since the Christians limited the Jews' ability to subvert their Christian societies by preventing the Jewish takeover of land, the guilds, etc. the Jews were therefore forced to adopt usury as their only available means of survival and that the Jews are therefore blameless for their Jewish bloodsucking.

In point of fact, the Jews' God instructs the Jews to practice usury against non-Jews as means of taking over the World, but to never practice usury against fellow Jews, because usury is immoral, as immoral as murder. The Jews' racist God tells the Jews to bleed the Goyim dry with usury in the books of Moses, which were supposedly given to the Jews some 1,500 years before the birth of Jesus Christ, and therefore some 2,000 years before the Middle Ages, which is the period in which Jews claim the Christians forced the Jews into becoming usurers.

In the Jewish book of *Deuteronomy* 15:6; 23:20; 28:12-13, the racist Jewish God tells the Jews to take over the World with usury:

"15:6 For the LORD thy God blesseth thee, as he promised thee: and thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shall not reign over thee. [***] 23:20 Unto a stranger thou mayest lend upon usury; but unto thy brother thou shalt not lend upon usury: that the LORD thy God may bless thee in all that thou settest thine hand to in the land whither thou goest to possess it. [***] 28:12 The LORD shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou

shalt lend unto many nations, and thou shalt not borrow. 28:13 And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God, which I command thee this day, to observe and to do them:"

According to the Jews' own records, the Jews planned to use usury to rule the World at least 3,500 years ago. How dare the Jews blame and scapegoat Christians for their most ancient Jewish theft and greed?

Now, as to the Jewish claim that the Jews are free from guilt for ripping off and ruining the Goyim, the Jews' own religious authorities from Moses, to Ezekiel, to Maimonides viewed usury against fellow Jews as the worst of crimes. The racist and murderous Jewish God states in *Exodus* 22:23-24:

"24 And my wrath shall wax hot, and I will kill you with the sword; and your wives shall be widows, and your children fatherless.

25 If thou lend money to any of my people that is poor by thee, thou shalt not be to him as an usurer, neither shalt thou lay upon him usury."

Yet the Jewish God has *commanded* the Jews to practice usury against the Goyim! Again in *Leviticus* 25:36-37 the racist Jewish God, who *commands* the Jews to practice usury against non-Jews, forbids the Jews to practice usury against one another, because usury is immoral:

"36 Take thou no usury of him, or increase: but fear thy God; that thy

brother may live with thee.

37 Thou shalt not give him thy money upon usury, nor lend him thy victuals for increase."

In *Ezekiel* 18:13, 17, the angry Jewish God promises to murder any Jew who practices usury against a fellow Jew:

"13 Hath given forth upon usury, and hath taken increase: shall he then live? he shall not live: he hath done all these abominations; he shall surely die; his blood shall be upon him. [***] 17 That hath taken off his hand from the poor, that hath not received usury nor increase, hath executed my judgments, hath walked in my statutes; he shall not die for the iniquity of his father, he shall surely live."

The "great" Jewish philosopher Maimonides sanctioned these anti-Gentile practices. So we see that not only are the Jews liars when they claim that Christians forced them into usury, they are murderous thieves, who have openly planned for thousands of years to rule the World through the use of usury, this according to their most sacred religious authorities. Not only do Jews lie when they attempt to excuse themselves for their crimes by falsely attributing their own practices to foreign influence and hold themselves blameless for their bloodsucking, the Jews' own religious authorities define usury as the worst of sins deserving of death.

As a result of Jewish usury, billions of human beings are soon going to perish of famine, disease, genocide and war. It is humanity's curse for blessing the genocidal Jews.

Wagner, Jolson and Dylan

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Richard Wagner published an essay in 1850, which was critical of Jewish influence in opera:

Judaism in Music (html)

Judaism in Music (pdf)

It is interesting that the Jews did much the same thing to black American music, that they did to European opera. The Jew Asa Yoelson a. k. a. "Al Jolson" became famous by imitating a black man. The Jew Robert Allen Zimmerman a. k. a. "Bob Dylan" provides us with an example of a Jew singing the music of another ethnicity:

Bob Dylan - Baby Please Don't Go

Big Joe Williams originally recorded this, his song in 1935, and a 1941 version is up on YouTube:

Big Joe Williams *Baby Please Don't Go*

The Jews took over the motion picture and recording industries in America. The blacks suffered as a result. The Jews who owned recording studios worked in collusion to squeeze out black recording labels. They mocked black artists, while profiting from cheapened versions of black culture. Is it just a coincidence that Wagner's complaints are also valid against the Jews of America? It appears that people of European and African descent have a common enemy.

The World's Worst Were and Are Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Bernard Madoff, whom "Muhammad Rafeeq" defended as if innocent, is now the World's worst convicted thief and swindler. Madoff tops off a long list of Jewish thieves, including but not

limited to the Jewish "Russian oligarchs". Of course, the Rothschilds were worse thieves than Madoff, but were not convicted of their crimes.

The Jews have collectively stolen the land of Palestine repeatedly throughout their history. The Jews' Torah itself states that the Jews are not indigenous to Palestine and are a race of thieves in search of a land to steal. *Genesis* 17:8 states:

"And I will give unto thee, and to thy seed after thee, the land wherein thou art a stranger, all the land of Canaan, for an everlasting possession; and I will be their God."

Jews are, by their own accounts, theives who stole Palestine from its native peoples. Yet Jews grew enraged at the Greeks and Romans who created tolerant colonies in Palestine, and the Jewish Zionists of the ancient world, by their own accounts, genocided Greeks and Romans and destroyed the Greek and Roman Empires.

The World's most prolific pornographers are also all Jews, as are the heads of the World's prostitution and slavery rings. The World's worst genocidal murderers were all Jews, including Talaat Pasha, Lev Bronshtein (Leon Trotsky) and Lazar Kaganovich. Mao Tse Tung and the Chinese Communist mass murderers were all working for, and carrying out the genocidal orders of, the Jewish bankers who placed them in power. They followed the ruinous political philosophy of the Jew Karl Marx. The Jews claim that Reinhard Heydrich and Adolf Eichmann conspired to murder six million Jews. Heydrich's father was a Jew and Eichmann was a full-blooded Jew and self-described fanatical Zionist.

Are we to ignore the fact that Jews represent the worst of the human race in the worst way? Have we no right to inquire into the source and nature of the problem and bring it to a final end, so as to save the human race from this murderous degenerate group which openly conspires to murder us all? Is it better that 15 million should destroy a race of 6 billion normal human beings, rather than the 6 billion acting to defend themselves from the aggressive, murderous, thieving, degenerate 15 million Jews? Where is justice to be found when a minority wages an aggressive and unabated war of extermination on the human race for 2,500 years?

From the Torah Pentateuch to the books of the Maccabees, to the Talmud and Cabalah, the Jews have openly declared war on the "Goyim" and declared that the Jews alone will rule the World and genocide the human race. Is this a fact we can afford to pretend away?

Pick up a Christian Bible and read the Jewish Old Testament, or "Hebrew Bible". You will quickly discover that the Jews are a perverse, murderous, racist and supremacist group and have been from the beginning. Is it just a coincidence that the Jews of today believe that they are a master race chosen by God to be above all others (*Exodus* 19:5-6. *Deuteronomy* 7:6; 28:1-13. *Zechariah* 8:23); have taken over the governments of the World in the name of the Jewish God (*Numbers* 24:17-20. *Psalms* 2:1-12; 18:40-50; 72:8-11; 110:1-7. *Isaiah* 40:23; 49:7, 23; 60:12; 65; 66. *Jeremiah* 10:10. *Ezekiel* 36-39. *Micah* 17:16-17); are waging war on all non-Jewish religions in the name of the Jewish God (*Exodus* 34:11-17. *Zechariah* 14:9); seek a one World language and one World slave race in the name of the Jewish God (*Zephaniah* 3:9. *Zechariah* 8:23); steal the wealth of Gentiles through usury but grow enraged when Jews practice usury against other Jews (*Exodus* 22:23-24. *Leviticus* 25:36-37. *Deuteronomy* 15:6; 23:20; 28:12-13.

Ezekiel 18:13, 17); take non-Jewish women as sex slaves (*Numbers* 31:15-18); have stolen the land of Palestine and are actively genociding the Palestinians in the name of God (*Genesis* 15:18-21; 17:8. *Exodus* 34:11-17. *Numbers* 33:50-56. *Deuteronomy* 11:24-28. *Joshua* 1:3-4. *Isaiah* 52:1. *Ezra* 1:5); and view non-Jews as animals (*Ezekiel* 23:20; 34:31. *Ezra* 9. *Nehemiah* 9:2; 13:3, 23-30. *Isaiah* 61:9); when it is a proven fact that all of these actions are commanded by the Jewish Old Testament and are accomplished in the name of the Jewish God by Jews today?

There are obviously at least three forces at work which produce the abnormal and inhuman Jew, the enemy of the human race. The Jews crawled out of Babylon ca. 500 BC. The Jews fabricated a degenerate, hostile, genocidal, supremacist religion and false history to match their nature, their culture and their objectives. They were usurers from the beginning. These Chaldeans who came to be called "Judeans" were spiritually sick, murderous and dishonest by nature and came to occupy the land of Canaan, which was already a spiritually sick land. The Canaanites murdered their own first born children, a practice adopted by the Jews. The Canaanites and Jews used their Temples as homosexual whore houses to lure in the most degenerate members of other groups and convert them to the sick religion, which held no appeal of its own. The "Holy Land" is and was a sick center of the most perverse and murderous practices yet known to mankind. It attracted the Chaldeans like flies to dung and they have repeatedly been trying to steal it ever since and make it a World-center of murder, slavery and destruction, with varying degrees of success. Never were the Jews natives of Palestine, and never have they lived there as long as the Palestinians have lived in Palestine.

So what is it that makes the Jews so sick? Is it their religion, their inbreeding, their racism, or

something else which renders them abnormal and detrimental to the human race?

The sickness preceded the plagiarized and corrupted religion. The Jews took the legends and religious beliefs of the Egyptians, Greeks, Mesopotamians and others, and turned those into a plot to murder the human race. They were sick, racist and hostile before they fabricated their religion to match their nature. There must be some genetic component to their hatred of humanity and their reflexive and unremorseful dishonesty by nature to a degree not found in normal human groups. The Jewish religion supports this genetic component and selects for it.

We know that when specific traits are selected for in animals, such as "tameness", other unexpected traits appear, such as variegation of pelts and barking behavior in foxes, which makes them similar to dogs. I suspect that the Jewish religion places a breeding pressure on Jews and encourages inbreeding that has affected them in many ways, most of them negative. These forces work together to drive the Jews away from normal human behavior towards dishonest, murderous, selfish, clannish, racist and hateful behavior.

Let this be a lesson to non-Jewish eugenecists that if you mess with mother nature, you should expect unexpected, and often disastrous, consequences. You may try to select for superior intelligence and end up producing a race freakish in some unexpected sense. I would move slowly and with much care and study, though there are certainly benefits to encouraging healthy, intelligent, and sane children from like parents.

It is apparent that Sephardic and Ashkenazic Jews have suffered some genetic mutations at some point in their evolution which renders them different from normal human beings in

negative ways. Their inbreeding and its negative genetic consequences are well studied historic and scientific facts. Their willingness to steal from and murder their benevolent neighbors from the very beginnings of the Tribe indicate some abnormal genetic component which might well be identifiable.

Perhaps we could study similar individuals from non-Jewish populations, psychopaths perhaps, and see if there are common markers to both Jews in general and these aberrant individuals of non-Jewish populations. We have a right and a duty to protect ourselves from the genocidal Jews. They have recently robbed the wealth of my country and made my fellow citizens commit genocide against helpless Iraqis and Afghanistanis. We must study the problem and quarantine the sickness before it is too late to stop the Jews from carrying out their quest to slay humanity. Where there is no antidote, the poison is especially dangerous.

The Jews Are Fighting a Religious War Against Humanity: When Will the Human Race Begin to Fight Back?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is a CIA agent and a crypto-Jew out there on internet radio who perpetually lie to the anti-

Zionist community by falsely claiming that the "Torah" contains no Jewish racism or Jewish supremacism and is devoid of any anti-Gentile sentiment. This crew also lies and claims that the poor Jews have been hijacked by the wholly political "Zionists" who do not care about religion. Unfortunately, many gullible, ignorant people in the anti-Zionist movement are taken in by the lies of this troop of crypto-Jewish clowns, though most see them for what they are.

The Jews on the ground in occupied Palestine, the Jews who are murdering the Palestinians en masse pursuant to the criminal dictates of the genocidal "Torah", know differently from the lies of their co-religionist intelligence operatives who have thoroughly infiltrated the media of the anti-Zionist movement. The murderous religious Jews of Israel are sniping at women and children as a religious exercise, one commanded to them by their genocidal Jewish God in their horrific, anti-human "Torah"; which was itself a product of abnormal Jewish brains and abnormal Jewish genes.

The *BBC* reports:

"The soldiers' testimonies also reportedly told of an unusually high intervention by military and non-military rabbis, who circulated pamphlets describing the war in religious terminology.

'All the articles had one clear message,' one soldier said. 'We are the people of Israel, we arrived in the country almost by miracle, now we need to fight to uproot the gentiles who interfere with re-conquering the Holy Land.'

Many soldiers' feelings were that this was a war of religion,' he added."--

Israel troops admit Gaza abuses, *BBC News*, (19 March 2009), http://news.bbc.co.uk/1/hi/world/middle_east/7952603.stm

I have been warning you about these liars in the "alternative media" for quite some time. Notice how easily and how often they lie about matters trivial to deadly serious. It is their nature to lie. They have been doing it for at least 2,500 years.

This cabal of liars are advising you to gather silver and gold and hide in fear. What we need to do is organize politically. Overcome your fear and stand up against the enemy, or you have already defeated yourselves, with the help of "friends" and "advisors" in the crypto-Jewish "alternative media".

By concealing the fact that the Jews are carrying out their religious prescriptions easily found in the readily accessible Old Testament, these liars are concealing the fact that the Jewish religion compels the Jews to take over every nation, enslave every non-Jew, and then murder the human race. It is written in their "Torah" and in their genes which have selected for liars and murderers for thousands of years, based upon their religion, and with terrible effect. Jewish culture and Jewish behavior are the products of Judaism and even atheistical Jews are carrying out the mandates of the "Torah" as they murder babies and steal land. What the Jews are doing to Palestinians the "Torah" commands them to do to the entire human race. The atheistical Jews join in the blood bath because from birth they are taught to be Jews and Jews are Judaism. It is their inner voice commanding them to hate the human race and destroy it. They cannot separate from the "Torah" because it is their People from birth to grave.

The Jews are Judaism and you cannot defeat genocidal Judaism without defeating World Jewry. You cannot know World Jewry without knowing Judaism. Know your enemy and utterly defeat it, or it will kill you just as the Jewish God commands in the murderous and hatefilled "Torah".

We know that the CIA agent and his crypto-Jewish friend are trying to confuse you and protect their Jewish brethren based upon the fact that Judaism is also a product of the Talmud, and these two liars try to pretend that Jews do not follow the Talmud by falsely claiming that the "Torah" is innocent, and that Judaism is different from the Talmud. The "Torah" is as genocidal as the Talmud, in places, more so, and Judaism is Talmud as much, or more so than Judaism is the Pentateuch. The perverse mentality of the average Jew is a product of Judaism, which perversely demands the enslavement and murder of the human race at the hands of Jewry. The liars obviously only want you to argue perpetually about the nature of problem, rather than ever even begin to understand it, let alone solve it. Theirs is a standard CIA tactic to control dissent.

The Dangerous Delusion that American "Fiat Money" Is Just Printed Up

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have long been a critic of the "Ron Paul Revolution" and other forms of gold buggery. There is a related issue to which I would like to draw my readers' attention.

Gold bugs have a tendency to falsely claim that our money is just printed up from nowhere. Most, if not all, of them know better and realize that the manufacture of our currency concurrently manufactures an interest bearing debt obligation to the taxpayer. But I do not think enough emphasis is placed upon this creation of debt.

It appears to me that a delusion is being created by many, in the minds of most, that the government just prints up money from nowhere and that the only cost to us is possible inflation. The price we ultimately pay is far worse than mere inflation. We also face the likely loss of our currency as the reserve currency of the World, and the cost to us of the interest bearing debt that is created as the money is created and spent.

It is not a necessity that such a debt be created in order to create our money. Our government could in fact just print money without creating any debt, but that is not what presently takes place. I think, therefore, it is irresponsible to mislead people to believe that the only problem we face from unnecessary government spending and reckless Treasury practices is that there might be inflation down the road.

We cannot simply inflate our way out of debt, because we create more debt as we create more inflation, and we raise the interest rate we must pay back on that debt at a greater rate than the inflation itself rises, which inflation rate usually lags behind the debt creation, making it

impossible for us to refinance our national debt at better rates, such that the debt is forever growing, especially so when the Jews force needless taxpayer spending which spending generates no sustainable growth in the economy.

It would be wiser to advise people that the government, under the misdirection of the Jews, is running up our debts faster than the devaluation of our dollar, without giving us any benefit from the spending; rather than to claim that the government is just printing money with no consequence to us other than potential inflation.

The government is not "just turning up the printing presses" when it creates money. The government is taking our money without our permission, and giving it to the usurious Jews, and with it our future, our childrens' future, and their childrens' future. The government is running us into debt without our consent. The government is mortgaging away our lives against our will.

When a private individual spends on a credit card, he does not just print money to pay off that debt, nor does the government just print money to pay off the debts the government accrues, debts which we as citizens and taxpayers are obliged to pay, because the "full faith and credit" of the United States are the assets, private and public, of the American citizen and our money is created as debt backed by our assets. The Jews are forcing our government to mortgage everything we have just to pay the Jews' "vigorish" on the debts the Jews have already forced us into, and the Jews are openly stealing more money from us, which also bears interest as our debt.

Not only can we not pay down the principal, we will soon not be able to pay the Jews their

vigorish (interest) on that principal. The Jewish loan sharks are taking everything we have, because the loan sharks have rigged the system so that we cannot pay back the debts they themselves have deliberately caused us. So how do the Jews plan to "break our knee caps" when we default?

The Jew have walked into our house, stolen our wallet, then demanded that we borrow money from the Jews at interest to pay the Jew the same amount the Jew has just stolen from us, plus interest. All this is done under the color of the "Law" by a government the Jews have subverted. Not only do we not have the benefit of the monies stolen from us, which could otherwise be spent on schools, financing production, healthcare, retirement benefits, paying down debt, etc. but we must borrow the money to make the money they have stolen, and pay ever increasing interest rates on it, because it is an interest bearing debt.

Eventually, there will be no one left willing to buy the debt obligations of the United States, and then the government will loan us money directly from the Jews without any markets involved, and the Jews will demand ever increasing interest rates, to cover the ever increasing risks they are deliberately creating, only they will bear no risk, because they will simply "print the money" they are forcing us to borrow from them at interest. But bear in mind that this creates debts for us as it creates money to pay the interest on our debts, it is not just "printing money" from our perspective, but rather the Jews are loaning us money they do not have and demanding that we pay it back plus interest. Since markets will not be involved, the Jews will charge us usurious rates that no one would voluntarily accept, and we will not be able to refuse the loans. The Jews will pretend that this usury is justified based on the inflation they create. When we default, as

we must, the Jews, and their surrogate governments including Communist China, will claim title to everything we have based on loans we never had a need to take, to which we never consented, and from which we never benefitted.

The Jews want us to flirt with a gold standard so that they can harvest the gold, because interest accrued to a hard asset cannot be inflated away even under a change of government, or government policies, which otherwise could just print up money to inflate away the debt without creating more debt. The Jews want to loan us gold (which they do not have) as electronic credits, to be paid back with interest, because we will immediately be forced to pay the interest, the vigorish, diminishing the gold supply we have borrowed to use as money (which is an illusion), thereby forcing us to borrow ever more illusory gold, until we cannot pay the interest, and must surrender all we have, house, land, the gold from our teeth, our sovereignty, etc. to the Jews.

When it comes time to reap the harvest, the Jews will contract credit as never before and deflate the currency, exposing nearly everything to the marketplace at bargain basement prices, and forcing nearly everyone to sell off their assets, or surrender them for taxes, and enabling the Jews to steal our entire nation out from under our feet because we tolerate the Jewish thieves.

This is what Jefferson was warning us about when he said,

"I believe that banking institutions are more dangerous to our liberties than standing armies. If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks and corporations that will grow up around [the banks] will deprive the people of all property until their children wake-up homeless on the

continent their fathers conquered. The issuing power should be taken from the banks and restored to the people, to whom it properly belongs."

In order to end this Jewish process of destroying America, we must organize politically. If the *POWER PARTY* takes over the reins of government of the United States, we will seize all of the assets of the loan sharking Jews, and officially name them all as military targets of opportunity. We will confiscate our stolen wealth and imprison and/or execute the thieves who have stolen it from us. We will in fact print our own money and regulate its supply to match the needs and best interests of the American People. We will declare all of our national debts as obligations owed by the Jews, not the American People; because the Jews created these debts and are obliged to pay them.

To the Chinese, Japanese, and other nations which have purchased our debts, we will offer American goods and services in exchange for debts not recoverable from the Jews, but which can be proven to be valid obligations to us, in that the American People have accepted goods and services in good faith from these nations, and must make good on those debts; but we will also tack on a retroactive tax for the military and other spending we have made to create and maintain the corrupt World Empire the Jews have built on our backs, and from which the nations of China and Japan have profited without sharing in the expense, including the expense to the American worker and the Chinese worker. Unlike the Jews, it will be our policy to help the World to prosper, though we will never sacrifice the best interests of the American People for any foreign interests. We will not cheapen the value of American labor, nor make our nation dependent on others for the stock in our stores, or for the employment of our own people. And

we will not buy nor trade for the products of slave labor, nor allow our citizens to profit from foreign labor without sharing those profits with the American People generally, the American People who enforce their power and provide their opportunities.

We have indeed received goods from China and Japan. We are not thieves, but neither are we fools. We will pay for what we have received, but we will also tax for the exploitation of our people through the connivance, knowing or by mere opportunity, of those nations which the Jews and which the wealthiest class of the World have stolen from us; i.e. the wealth, prosperity, opportunities and future of the masses of American citizens and the "Third World".

If the *POWER PARTY* succeeds, no more will the super-rich in collusion with the Jews steal from the majority of Americans, exploit the Third World for profits which never come home to middle and under class America, or benefit from the government of the United States and the blood and treasure of the American People, without giving back anything in return but more theft and degradation. We Americans will make for ourselves the vast majority of what we Americans consume. We will produce in abundance and pay off our debts with profits from production, not by increasing our debts to loan sharking Jews, who use usury to steal everything we have and who loan us our money then harvest it with interest and harvest everything else we produce and accumulate.

We have the resources in America to provide every American with a debt free home and a high standard of living. The resources are here. The talent is here. The knowledge is here. Why do our politicians never make clear this fact? Why do our politicians never enable us to make every American family a home owner without debts, but instead with ever increasing assets? The

potential is there. We need only tap into it, and it is the Jew usurer who prevents this from happening.

The only obstacle we face to complete financial freedom for every American family is the Jew money lender, who never lets us rise above debt to build without owing what we have built to World Jewry. We have freed ourselves of the monarchs. Now let us free ourselves of the bloodsucking Jews.

If ever there must be a second "revolution" let it be that necessary step over the bloodsucking Jew, unshackling ourselves from the Jews, and let it be political rather than military if at all possible, though the possibilities for peaceful political change are rapidly disappearing as we waste more and more time arguing over the definition and appellation of the problem, even though the nature of the problem is obvious and is staring us in the face with bloodthirsty Jewish eyes.

Ron Paul Opposed the Armenian Genocide Recognition Bill

Christopher Jon Bjerknes

I have been the most outspoken opponent of Ron Paul in the World, and I just came across another incident which leads me to further distrust him, Paul's resentment of the Armenians and his desire to bury the history of The Jewish Genocide of Armenian Christians:

Ron Paul Speaks Against Armenian Genocide Bill

Wolf Blitzer and Ron Paul found common ground on the Armenian Genocide issue.

"Obama and the Bankers: Part Two" in Transcript

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I thought it would be helpful to post a transcript of my video "Obama and the Bankers: Part Two":

Exodus 12:35-36 (CEV)

"The Israelites had already done what Moses had told them to do. They had gone to their Egyptian neighbors and asked for gold and silver and for clothes. The LORD had made the Egyptians friendly toward the people of Israel, and they gave them whatever they asked for. In this way they carried away the wealth of the Egyptians when they left Egypt."

A Brief Recap

of

Part One

of

"Obama and the Bankers"

Peter Gosselin Fitzgerald is the Senator who preceded Obama. Fitzgerald is a banker and a banker's son. Though a quite popular Senator, Fitzgerald did not run for reelection, which made room for Barack Obama.

Blair Hull was the founder and CEO of Hull Group, which sold to Goldman Sachs for over 500 million dollars. Hull was the frontrunner in the Democratic Primary against Obama to fill Fitzgerald's seat. A Chicago Tribune report related to Hull's divorce proceedings destroyed Hull's campaign. The ensuing scandal resulted in an easy victory for Obama in the Democratic Primary for the US Senate. Influential Jewish power broker David Axelrod was the chief strategist for Barack Obama's campaigns. Axelrod is a former Chicago Tribune employee. He is believed by some to have leaked the Hull story, though Axelrod denies it.

Jack Ryan won the Republican Primary to fill Fitzgerald's seat. Ryan is an investment banker and former partner at Goldman Sachs. Ryan dropped out of the race because the Chicago Tribune sought to unseal Ryan's divorce proceedings and make them public. The ensuing scandal ensured Obama an easy victory in the general election for the US Senate.

The Republican Party chose Alan Keyes to replace Ryan against Obama in the general election for US Senate. Keyes is an old friend of Jewish neo-Conservative William Kristol. Keyes embarrassed himself in the race ensuring an easy victory for Obama.

Jewish neo-Conservative William Kristol supported Christian Zionist Sarah Palin to be McCain's running mate in the presidential election against Obama. Palin badly embarrassed herself in the race against Obama ensuring an easy victory for Obama. Note that Palin lost the race for

McCain when she embarrassed herself in an interview with Katie Couric, whose mother was a Jew. Palin was lampooned on Saturday Night Live, which was headed by Lorne Michaels (born Lorne David Lipowitz) and Seth Adam Myers, both Jews.

Goldman Sachs, a very old Jewish firm, was the leading contributor to Obama's presidential campaign. Obama was also heavily supported by numerous other banking institutions and by Wall Street.

Obama has since stolen trillions of taxpayer dollars and given them to the Jews.

Deuteronomy 15:6 (KJV)

". . . thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shall not reign over thee."

Deuteronomy 23:19-20 (KJV)

"Thou shalt not lend upon usury to thy brother; usury of money, usury of victuals, usury of any thing that is lent upon usury: Unto a stranger thou mayest lend upon usury; but unto thy brother thou shalt not lend upon usury: that the LORD thy God may bless thee in all that thou settest thine hand to in the land whither thou goest to possess it."

Deuteronomy 28:12-13 (KJV)

". . . thou shalt lend unto many nations, and thou shalt not borrow. And the

LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath;"

Deuteronomy 7:6 (KJV)

"For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth."

The Coming Hyperinflation Will Further Erode Domestic Production

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As Obama and the Jews run us ever deeper into debt, they will hyperinflate our currency. Since Obama's "remedy", the theft of trillions of dollars of our money and concurrent gift to the Jews of trillions of dollars, fails to recover real wealth from those who have stolen real wealth from Americans, it will simply inflate the currency without restoring health to the system. This will also create a loss of confidence in America and American currency which will have very negative effects on our economy, because we will no longer receive inexpensive goods from nations eager for American dollars.

Concurrently cashing out debt and forgiving debt, without any mechanism in place to regulate the money supply, will immensely increase the money supply, and national debt, causing more

dollars to chase fewer domestically produced goods as the American economy plummets into free fall. Those dollars will necessarily chase imports as domestic production decreases, because the incentive will be to consume by buying goods, not invest in iffy domestic production. If you expect that your dollar will have half its value in one month, you will buy something solid today, not invest in future prospects, especially not in a crumbling America.

There will be an incentive to get rid of dollars as soon as possible, which is not accomplished by investing in domestic American production, but is accomplished by buying hard goods. Those goods, mostly imports, will become increasingly more scarce as the dollar declines in value and foreign suppliers decide not to invest in an unstable currency, and cannot afford to ship goods here that are paid for in worthless dollars, and Americans cannot afford to buy more stable currencies and have nothing of value to offer in trade.

This will further raise prices and increase inflation in a vicious cycle that will not inspire investment in domestic production, but instead discourage it due to hyperinflation, in favor of a run from the dollar to real goods, most of which will be imports.

The *POWER PARTY* will take a different approach from Obama and the Jews. We will seize the wealth the Jews have stolen from Americans, rather than assist the Jews to steal more money from the taxpayer. We will use this wealth to pay off legitimate debts, and will direct creditors to recover debts from the Jews who caused them.

We will provide monies for investment in productive activities and regulate the supply of money to match that domestic production. We will not print ridiculous numbers of dollars destined to

chase foreign goods in rapidly increasing hordes.

Currency will serve domestic production and the American family, and it is domestic production which will give our currency its value. We will not run a Ponzi scheme which steals the future away from the American worker and the Third World, for the benefit of the Jews and a very small number of billionaires and trillionaires who care not one whit for their fellow American citizens.

Inhuman and Cowardly Jews Use Palestinian Children as "Human Shields"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The lying Jews falsely claim that Palestinians use human shields as a defense against Jewish

aggression. The deceitful, savage and barbaric Jews are themselves guilty of using Palestinian children as human shields.

"Barack Obama's New World Order"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The press is reporting that Barack Obama is establishing a "New World Order", in which the US is crumbling and Europe and Asia are rising. Somehow, we are supposed to believe that these are good signs for Americans:

Barack Obama's New World Order

The truth is that the Jews are destroying the United States of America in hopes that the World will fall with America's demise. The Jews are pledging to run the Third World into trillions of dollars more debt, which loans will quickly filter back to the Jews because the monies will be spent on wasteful and failed projects which profit the Jews but which do nothing to improve the Third World. When the Third World fails to pay the debts the Jews have brought to them, the

taxpayers of America and other more economically wealthy nations will pay the Jews their usury. The Jews make several profits in this way.

The Jews profit from the creation of the currency used to fund these usurious loans. The Jews profit from the spending of this money, which is spent for their gain, not to help the Third World. The Jews profit from the vigorish on the loans. The Jews pay no taxes back into the system. The Jews profit by dragging down all of the Goyim and enslaving humanity in debt so that the human race can never challenge Jewish hegemony.

The Jews have always been usurers. The Jews have always planned to use usury to conquer every nation on Earth. The Jews are a poisonous plague.

"Barack Obama's New World Order" is the fulfillment of an ancient Jewish plan for World domination (Deuteronomy 15:6; 23:19-20; 28:12-13). It is Jewish usury which will enslave the human race. Though the Jewish controlled press reports that this Jewish loansharking is good for humanity, it will in fact cause the deaths of billions of human beings, by design.

The Protocols of the Old Testament, Part 1, Protocols 1 & 2

Direct quotations from the Old Testament prove that the Jews are fulfilling an ancient Jewish plan to steal the land of Palestine from the indigenous peoples, and rule the World from Zion.

Professional Liar Barack "Commie" Obama Always Reminded Me of

a Lying Car Salesman and Now He Is One

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As I have already proven, the Jewish bankers put Barack Obama into power. The Jewish bankers also put Woodrow Wilson, Franklin Delano Roosevelt, Talaat Pasha, Ataturk, Adolf Hitler, Leon Trotsky, Joseph Stalin, Mao Tse Tung, and other mass murdering socialist dictators into power. As happened when the Jews put those lying tyrants into power, Obama is socializing America and leading us towards a (world) war production economy, and Obama is taking over the automobile industry to introduce a "People's Car", exactly as I predicted would happen back in November of 2008:

A New "Peoplescar": The Implications of Government Equity in the Auto Industry: Part 2, November 22, 2008

A New "Peoplescar": The Implications of Government Equity in the Auto Industry, November 11, 2008

Label Obama as a Liar, a Dictator and a Puppet of Israel, November 06, 2008

Barack Obama: A Psychological Profile, November 05, 2008

My predictions have come true:

Obama asserts gov't control over the auto industry

Video: Obama On Automakers Future CBS

Obama is a liar and a car salesman, a socialist car salesman, a Jewish communist car salesman. Note how Obama lies and pretends that he is being good to the American People and the automobile industry, when in fact he has stolen the automobile industry for the Jews, and has ruined America. Obama said something on the level of, "Here's what we are not going to do. We are not going to cut off your feet, no, we are going to be good to you and cut off your heads! Your investment is safer than ever before because when the Jews destroy your automobile industry, and with it your jobs and your economy, your tax dollars will pay to fix your Mexican neighbor's car! You see, you won't be burdened with your heads, and everything is safe and free!"

Like the other puppets of the Jews, Obama will mass murder unprecedented numbers of innocent human beings. I predict that Obama will be the first human being to cause the deaths of more than one billion human beings, and he is doing it with a deceitful smile on his turd munching face. Of course, Obama is an empty headed puppet obeying orders issued from World Jewry and they are the ones planning and causing this genocide, but Obama will obey, and the American People are thus far also following Jewish orders for the ruin of the human race.

History will record Obama as the bloodiest tyrant ever to darken humanity. He is a hero to the Jews, strings strategically attached.

Metaphysical Food for Thought: The "Holy Land" Is Hell. . . Which Is Why the Jews Feel So at Home in It

The Jews have duped billions of Gentiles into believing that Palestine and Lebanon are the

"Holy Land", but what do the Jews themselves say about this "promised land" and why did their evil god invite them there? According to the Jews, they are descended from a Babylonian from Ur in Chaldea named Abram (*Genesis* 11:28; 15:7).

The people of Chaldea were noted for their evil practices and worship of Satan. According to the Jews, the self-described Uranians, the "Holy Land" was an even more evil place than was Ur in Chaldees and therefore held an irresistable lure to the Jews. Leviticus 18:25; 20:23-24, states,

"And the land is defiled: therefore I do visit the iniquity thereof upon it, and the land itself vomiteth out her inhabitants. [***] And ye shall not walk in the manners of the nation, which I cast out before you: for they committed all these things, and therefore I abhorred them. But I have said unto you, Ye shall inherit their land, and I will give it unto you to possess it, a land that floweth with milk and honey: I am the LORD your God, which have separated you from other people."

Deuteronomy 9:4-6; 18:12 states,

"Speak not thou in thine heart, after that the LORD thy God hath cast them out from before thee, saying, For my righteousness the LORD hath brought me in to possess this land: but for the wickedness of these nations the LORD doth drive them out from before thee. Not for thy righteousness, or for the uprightness of thine heart, dost thou go to possess their land: but for the wickedness of these nations the LORD thy God doth drive them out from

before thee, and that he may perform the word which the LORD sware unto thy fathers, Abraham, Isaac, and Jacob. Understand therefore, that the LORD thy God giveth thee not this good land to possess it for thy righteousness; for thou art a stiffnecked people. [***] For all that do these things are an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee."

The Jews clearly describe the "Land of Canaan", the lands of Palestine and Lebanon, as the most evil place on Earth. Note that the Jews desired this land, which was not theirs, for their very own, and left Ur to conquer an even more evil place, which the Jews today call "Israel" after Abram's grandson, Jacob/Israel. Israel, by the Jews' own depictions, was hell on Earth and has always held a powerful magnetic attraction to the Jews.

And what commandments do the Jews put in the mouth of their Satanic god? The Jews have their god command them to commit genocide against the natives of Palestine and Lebanon, so that the Jews can steal this evil land and make it entirely and exclusively Jewish.

Exodus 34:10-16 states,

"And he said, Behold, I make a covenant: before all thy people I will do marvels, such as have not been done in all the earth, nor in any nation: and all the people among which thou art shall see the work of the LORD: for it is a terrible thing that I will do with thee. Observe thou that which I command thee this day: behold, I drive out before thee the Amorite, and the Canaanite,

and the Hittite, and the Perizzite, and the Hivite, and the Jebusite. Take heed to thyself, lest thou make a covenant with the inhabitants of the land whither thou goest, lest it be for a snare in the midst of thee: But ye shall destroy their altars, break their images, and cut down their groves: For thou shalt worship no other god: for the LORD, whose name is Jealous, is a jealous God: Lest thou make a covenant with the inhabitants of the land, and they go a whoring after their gods , and do sacrifice unto their gods, and one call thee, and thou eat of his sacrifice; And thou take of their daughters unto thy sons, and their daughters go a whoring after their gods, and make thy sons go a whoring after their gods."

Numbers 33:51-54 states,

"Speak unto the children of Israel, and say unto them, When ye are passed over Jordan into the land of Canaan; Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places: And ye shall dispossess the inhabitants of the land, and dwell therein: for I have given you the land to possess it. And ye shall divide the land by lot for an inheritance among your families: and to the more ye shall give the more inheritance, and to the fewer ye shall give the less inheritance: every man's inheritance shall be in the place where his lot falleth; according to the tribes of your fathers ye shall inherit."

Deuteronomy 7:1-5; 20:16-17; 25:17 states,

"When the LORD thy God shall bring thee into the land whither thou goest to possess it, and hath cast out many nations before thee, the Hittites, and the Girgashites, and the Amorites, and the Canaanites, and the Perizzites, and the Hivites, and the Jebusites, seven nations greater and mightier than thou; And when the LORD thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them: Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son. For they will turn away thy son from following me, that they may serve other gods: so will the anger of the LORD be kindled against you, and destroy thee suddenly. But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire. [***] But of the cities of these people, which the LORD thy God doth give thee for an inheritance, thou shalt save alive nothing that breatheth: But thou shalt utterly destroy them; namely, the Hittites, and the Amorites, the Canaanites, and the Perizzites, the Hivites, and the Jebusites; as the LORD thy God hath commanded thee: [***] Therefore it shall be, when the LORD thy God hath given thee rest from all thine enemies round about, in the land which the LORD thy God giveth thee for an inheritance to possess it, that thou shalt blot out the remembrance of Amalek from under heaven; thou shalt not forget it."

Joshua 3:10; 6:17, 21; 13:6 states,

"And Joshua said, Hereby ye shall know that the living God is among you, and that he will without fail drive out from before you the Canaanites, and the Hittites, and the Hivites, and the Perizzites, and the Girgashites, and the Amorites, and the Jebusites. [***] And the city shall be accursed, even it, and all that are therein, to the LORD: only Rahab the harlot shall live, she and all that are with her in the house, because she hid the messengers that we sent. [***]And they utterly destroyed all that was in the city, both man and woman, young and old, and ox, and sheep, and ass, with the edge of the sword. But Joshua had said unto the two men that had spied out the country, Go into the harlot's house, and bring out thence the woman, and all that she hath, as ye sware unto her. [Note the Jewish love of whores, whom as Chaldeans, they worshiped viz. Ishtar.] [***] All the inhabitants of the hill country from Lebanon unto Misrephoth-maim, and all the Sidonians, them will I drive out from before the children of Israel: only divide thou it by lot unto the Israelites for an inheritance, as I have commanded thee."

Numbers 596-600 of the 613 divine commandments of the Satanic Jewish god, which Jews are obliged to follow, tell the Jews to commit genocide against the natives of Palestine and Lebanon. The Jews have never renounced this illegal and inhuman evil plan to commit genocide. Quite the contrary, the Jews, as a people, are at this very hour dutifully fulfilling it.

Evil has always poured out from the "Holy Land". The ancient Jews destroyed Egypt, Greece and Rome. The Jews brought Muslim invaders into Europe to destroy and Judaize it. The Jews manufactured the Crusades to take the "Holy Land" for the Jews. The Jews manufactured two world wars to steal the "Holy Land" and are manufacturing a third world war to secure and expand their grip on this evil place.

The Jews plan to build a Temple to Satan in Jerusalem. The Jews insist that all laws issue forth from this Temple (*Isaiah* 2:3) and that all the World must worship their King as their god Satan in this Temple of Hell (Zechariah 14).

Had there been no Jews, the ancient world would have continued to prosper and grow. Ancient wisdom would not have been lost, nor supplanted with Jewish devil worship. The world wars would never have taken place. Beauty and truth would have remained virtuous, and the law, science and art would have remained the revered products of human thought and reason, rather than the fatally defective dictates of the Jewish devil.

Today, the "Holy Land" threatens to kill off the human race and is poisoning the Earth and the collective human spirit. The Jews are the desire of this evil to destroy all that nature has created, all the blessing of life, love and freedom. We must defend ourselves from this evil, the Jew, or it will soon devour us all and the mysterious universe will then forget us forever, as she has forgotten the ancient Egyptians, Greeks and Romans.

The "Holy Land" isn't holy. If anything, it is hell and the devil himself would dwell there among his chosen people.

So don't let the Jews who pretend to be your friends lie to you and claim that the "Zionists" have nothing to do with Judaism and that Judaism is a religion of compassion and love. It is the Jews' own god who commands the genocidal Jews to steal the land of Palestine and exterminate the Palestinians and Lebanese, conquer the World and destroy humanity. The Jews' Torah tells them so, and they are true to it. Tragically, many stupid and suicidal gentiles are as well.

How the Jews Are Converting the Facts of History into "He Said, She Said" Nonsense

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Judaism has sponsored a perverse Jewish mentality, which promotes deceit and injustice. Obviously, this Jewish mindset of murder and deceit predates Judaism, since Judaism is a product of the perverse Jewish mentality.

A prime example of the perverse Jewish mentality is found in The Babylonian Talmud, in Tractate Baba Kamma, folio 113, which states that the Jews are to use the laws of non-Jews to subvert the courts when it favors the Jews, but to appeal to Jewish laws when that works against the Goyim and favors the Jews (note that the Jews are not concerned with truth, justice or fairness),

"'Where a suit arises between an Israelite and a heathen, if you can justify the former according to the laws of Israel, justify him and say: 'This is our law'; so also if you can justify him by the laws of the heathens justify him and say [to the other party:] 'This is your law'; but if this can not be done, we use subterfuges to circumvent him."--Here quoted from the Soncino edition, http://www.come-and-hear.com/babakamma/babakamma_113.html

The Jews believe that their satanic god offered his evil law to the entire World, but the Gentiles rejected it, while Moses accepted it on Sinai. The Jews claim on the basis of this superstitious nonsense that the Jews have no legal obligations to Gentiles and can steal all Gentile wealth and murder Gentiles with impunity. The Jews also believe that their satanic god has declared that only Jews are human, are divine and have the power and the duty to cheat the Goyim and take their lives because Goyim are not only mere animals with cockroach souls, but also carry the seed of the Devil (never expect the opportunistic and deceitful Jews to be consistent or rational in their hateful and racist beliefs). The Jews justify their racist god's commandments to them to steal all the wealth of the Goyim and genocide the human race, on this basis.

Obviously, the Jews first planned to steal the wealth of the World and murder off the human race, then crafted their crafty god in such a way as to justify their evil intentions.

One such Jewish attack on the human race occurred in the period from 1894-1923, when the Jews attempted to exterminate the Armenians under their control. The Jews want to deny this atrocity, when it favors their interests to do so, while demanding that it be acknowledged when that incomplete acknowledgment, which ignores the Jewish role, favors the Jewish agenda to pit

Christians against Muslims and Muslims against Christians. The Jews never worry about such irrelevant issues as justice, truth or fairness, unless invoking those concepts favors their ancient agenda to rule the World, steal all the wealth of humanity, and kill off the human race.

The Jewish press is increasingly attempting to turn the issue of the Armenian Genocide into a matter of "he said, she said", again pitting the Turks (who are still under Jewish control) against the Armenians (who are also still under Jewish control). The Jews are using their control over the press to pretend that there is great doubt over which claims are correct and that scholars have not arrived at a consensus opinion regarding the fact that the genocide occurred. Instead of recognizing the significance of the historical fact to all of humanity, the Jews are attempting to frame the debate as if a political question, rather than a historical and criminal question, while at the same time stating that the issue is historical rather than political, based upon which assessment favors Jewish interests, rather than the truth, justice and fundamental fairness.

The Jews want the World to believe that the Armenians and the Turks are engaged in a skunk spraying contest, rather than look into the facts and understand the overwhelming significance of the genocidal Jewish attack on the human race to us all. The Jews employ similar tactics with regard to their genocide of the Palestinians. They claim, when it suits their purposes, that they own the land which they were always forced to steal, given that it was never originally theirs, because their genocidal satanic god has promised it to them and has commanded them to exterminate the native residents. The Jews concurrently claim, when it suits their interests, that their genocide of the Palestinians is a purely political, and not religious matter, and is the product of a need for self-defense--that they are entitled to genocide the Palestinians because

the possibility exists that someone might attempt to genocide the Jews.

In both instances of Jewish genocide, *The Jewish Genocide of Armenian Christians* and the Jewish genocide of the Palestinians, the Jews disregard the truth and selectively force public opinion to focus on the lies the Jews generate to keep the public bewildered and on the side of Jewish interests.

This is one of the reasons why the *POWER PARTY* will introduce legislation to bar the Jews from government, the press and the educational system. Jews must not be permitted to corrupt public opinion.

The Armenians now face a situation where they are asked to justify historical fact which the public is falsely being led to believe is merely an Armenian opinion and political agenda. The press is increasingly stating that the Armenian Genocide is a matter of "he said, she said" between Armenians and Turks, rather than a historical fact recognized by a consensus of modern scholars. Again, this lie, which is not based on new facts or arguments, but rather on Jewish butt-shielding, horrifically diminishes the significance of this event to all of humanity.

Since the Armenians pinned their hopes on the professional liar and Jewish puppet Barack Hussein Obama, they face a situation in which the tables have turned on them and the deceitful leadership of Turkey can claim that the Turks would have been asked to continue to pursue proper relations with Armenia even if Obama had recognized the genocide as he has promised to do, so the Armenians must now submit to the new standard of "he said, she said" and let Turkish liars with Jewish backing obfuscate the issue and deny reality. Armenians will now be

asked to do as they would have asked the Turks to do, and leave out the Armenian Genocide issue from territorial claims, and leave open to questions recognized historical facts. The Jews have played the Armenians, doubtless with the assistance of traitors in the Armenian government, the Armenian press, and Armenian academia.

So what to do now? My suggestion remains that the Armenians produce a professional video, which discloses all of the facts surrounding the Armenian Genocide, including the demonstrable facts that the Jews are the leading genocide deniers in the Western World, and that the "Young Turks" were Jews and Freemasons. I would also continue to suggest that the Armenians sponsor politicians who will defend America from the Jews, and run ads against politicians and others who deny the genocide. The Armenians must also combat the traitors in their midst who defend and praise the Jews and help the Jews hide the facts from the public. The Armenians must produce a new generation of scholars, journalists and politicians who favor truth, justice and fairness.

But I also strongly suggest that the Armenians not act like the Jews, and take a consistent and entirely honest stance from this point forward, which takes into account the Jews' murderous actions against them during the genocide and today, instead of playing around with the Jews in the hopes that they can use the Jews to make gains against the Turks and Azeris. If the Armenians continue to dance with the Devil, instead of taking matters into their own hands, if the Armenians act in an opportunistic way, I suspect that this will continue to work against their interests in the long run, and ultimately they will look like fools when it comes time to expose the Jews with all the resources available to the Armenian community; because the Jews will be

able to point out how the Armenians have been praising the Jews and building up Morgenthau as if a hero to the Armenians.

Siding with the Jews, who take all sides in order to subvert all sides but their own, will ultimately backfire on the Armenians as it did in the period from 1894-1923, and the end result will be another Jewish genocide of Armenian Christians and the disappearance of Armenians from all of ancient Armenia. The Armenian diaspora will not last for another three generations, in the age of television and universal Jewish Bolshevism. With Armenia gone forever, Armenians will also be gone forever.

Professional Liar and Jewish Puppet Barack Hussein Obama Again Breaks His Word and Spits on the Truth

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For a very long time now, long before others, I have been warning my audience that Barack Hussein Obama is a psychopathic liar and a puppet of the Jews. Today, despite his campaign promises to the contrary, Obama refused to call the Armenian Genocide a genocide.

This slap in the face to humanity, this insult to the Armenian dead, comes on the heels of Obama's commemoration of the Jewish Holocaust, in which he called the Jews the "chosen people" and pledged himself to combat genocide denial. Well, in short order Obama has himself denied an actual genocide, by deliberate and self-admittedly calculated omission of the needed term. Forever lying through his deceptively smiling teeth, Obama stated in a press release which he issued today,

"My interest remains the achievement of a full, frank and just acknowledgment of the facts."--President Obama, press release as quoted by Ben Smith, in his article, "Obama avoids calling Armenian slaughter 'genocide'", http://www.politico.com/blogs/bensmith/0409/Obama_avoids_calling_Armenian_slaughter_genocide.html?showall

Obama was neither full, nor frank nor just. He instead lied by omission about the history and existence of *The Jewish Genocide of Armenian Christians*, and broke his promise to acknowledge that a genocide took place. Obama lied when he stated that he would combat genocide denial, by himself denying, through omission, the Armenian Genocide.

This comes as no surprise to me given the cadre of Armenian Genocide denying Jews and Zionists who control Obama, including Rahm Emanuel. Obama also lies about the Jewish genocides of the Palestinians, Iraqis, Afghanistanis, etc.

We Americans will soon taste our own blood as the Jews genocide us. Obama is their agent. He will bring us their death with a broad smile on his lying face.

Corrupt Jewish Clannishness: The Jewish Press Lines Up to Defend the Jewish Traitor Jane Harman

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews yet again exhibit their corrupt clannishness. The Jew Andrea Mitchell, who is married to the Jewish former Chairman of the Federal Reserve Alan Greenspan, defended Harman and allowed her to spit out her deceptive talking points without challenge:

Andrea Mitchell Interviews Jerusalem Jane Harman

The Jew Wolf Blitzer, a radical Zionist who worked for the *Jerusalem Post* and other Israeli publications and who was a lobbyist for AIPAC, gave Harman a platform from which to confuse the issues and the public:

Wolf Blitzer Interviews Jerusalem Jane Harman

Note that Harman, the Armenian Genocide denying Jew who has herself introduced legislation

stripping Americans of our fundamental rights, plays the victim and declares her rights as an American have been violated, in order to obfuscate the fact that she is a traitor to America, a disloyal Jew, who like Trotsky wants to legalize Jewish Bloshevism and its denial of human rights. There it is, right before your eyes, many supposed "anti-Semitic" canards manifested as fact in the actions of these Jews.

We see that Jewish politicians are disloyal. We see that the Jews control the press and support one another. We see that the cabal of Jews defending the Jewish traitor Harman in the press are directly tied to Israel and the Jewish bankers. We see that Jews are loyal to each other even when it conflicts with their duties to their fellow American citizens and their professional duties as journalists. Etc. Etc. Etc.

"The Jews Killed Jesus" and "The Jewish Year 6000" Again Online

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Obviously unable to counter the facts I have presented with any sort of counter-argument, yet unwilling to ever allow the truth to be told, the Jews censored my YouTube account and with it the following two videos:

The Jews Killed Jesus

The Jews Killed Jesus

The Jewish Year 6000

The Jewish Year 6000

If the Jews are a noble people, why do they censor the truth?

I will be posting higher quality renditions of my videos, which will be much clearer files, in the near future. I plan to make a DVD image of *Protocols of the Old Testament* when I have produced an hour's worth of video or more.

Ron Paul and the Rothschild Agenda

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ron Paul is now asking us to consider the prospect of States seceding from the Union. He once again evinces that he is an agent of the bankers whom he pretends to oppose.

Ron Paul Secession

The Rothschilds created the Civil War, which was about dividing America into opposing camps between the Latin nations of Europe and the Anglo-Saxon nations of Europe, so as to impede American progress, prevent the rise of American opposition to the Jews, and provide the Jews with a means to create perpetual war on the North American continent as they had successfully done to the European continent. The Jews hoped that America would split into Mexican and Canadian factions, which would enable the Jews to profit from the strife which they deliberately created by pitting brother against brother as the Jewish Old Testament instructs the Jews to do in *Judges* 7:22 and *Haggai* 2:22.

Ron Paul represents Jewish revolution and the destruction of America. Ron Paul represents the aspirations of the Jewish bankers to do to America what they have long done to Europe, to pit us against one another and have us fight each other for their profit, to have us weaken one another as they grow comparatively stronger through our increasing weakness.

Ron Paul is a snake nipping at our ankles, whispering in our ears to gnaw on the apple and know of our deaths.

The Union is strong, disunion is weakness. Ron Paul advocates American weakness, and he himself is a wimpish twit, slavishly calling for Jewish "economics" which he together with his Jewish advisors calls "Austrian", professional coward that he is.

Ron Paul should be pointing his old finger at the Jews and decrying their ruin of America. Instead, he advocates the ruin of America as if a defense from the bankers.

We should be counter-attacking the Jews with our military might. We should be fighting back against Israel and the Jewish bankers. That is what Ron Paul ought to be trumpeting. Instead he asks us to trust the Jewish bankers and let them issue golden money which does not exist other than in Jewish electronic lies.

Americans, love yourself and one another! Stand strong together and listen not to the Jewish lies that the destruction of America is the salvation of America. Stamp out the Jewish gold merchants. Stand by your brothers and crush the Jewish usurper.

Unite against the ancient devil which snakes its way into the swamps of power. Hold strong to our lands and our common purpose to remain free and help one another in our defense against tyranny. The Jew is our foe and Ron Paul will NEVER tell you so. Follow him not, but follow the fifty States to crush the Jew and free ourselves of the yoke of Jacob, forever.

All we need do is help each other in our fight against the Jews. Never lose this focus. Never abandon our nation. Fight the Jew who has attacked us from the beginning. The Jew brought

the British against us. The Jew divided us and pitted brother against brother. And it is the Jew who today is ruining us. Defeat the Jew and you defend America!

Jewish Traitor Jane Harman Again in the News

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For quite some time now, I have been warning my readers about the disloyal and dangerous Zionist Jew in Congress, Jane Harman. She has lived up to my expectations. I wrote the following blogs about her, her traitorous behavior against the US, for Israel, and her efforts to steal away our liberty:

Jewish Zionist Jane Harman Convenes a Sanhedrin in Congress in Order to Trick Americans into Clamoring for the Loss of Their Liberty, December 13, 2007

Mockingbirds, When Politicians / Intelligence Officials Write the News Israel's Voice Mysteriously Sounds, December 10, 2007

Should Armenians Grovel and Lick Jewish Boots, or Should Jewry Apologize to the Armenians,

Stop Obstructing Genocide Recognition and Make Reparations? December 06, 2007

"The 8 Stages of Genocide" and Jewish Laws Which Stereotype Moslems as If Enemies of the State, October 25, 2007

11th Hour Attempt by Jewry to Sabotage the Armenian Genocide Resolution, October 08, 2007

"Jerusalem Jane", the Armenian Genocide denying Jew, is again making news for her disgusting betrayals of the American People in favor of "what is good for the Jews"--herself included. She is a prime example of why the *POWER PARTY* will introduce legislation to bar Jews from public life, as so many other nations have done in the past as a reasonable measure of self-defense.

Like Vampires Running from the Rising Sun. . .

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Like vampires running from the rising sun, they turned their backs to the truth and scampered away, hobbling along like rabid wet rats to suck spittle and lick up the syrupy blood the Jews spill onto their stolen boots for "our leaders" to clean with filthy tongues and dirty deeds. The World is going to Hell and I am unlucky enough to live amongst the foaming and fuming scum who collect their moldy bread from the murderous Jews to betray the human race to the satanic snake that has slithered onto every shore and spit in every cup that carries a word of truth, hissed on every true tone that should resonate with all human beings who have the will to survive, a conscience that demands justice, and the self respect to reject Jewish lies and embrace reality.

Instead of celebrating the truth, the glory and healing properties of a moment's clarity in the ugly face of a global charade orchestrated by unholy World Jewry to honor the Jewish genocide of the Palestinians, a parade of cowards, liars and sycophantic psychopaths betrayed the truth, betrayed the human race, and collaborated with the genocidal Israelis to silence any and all expressions of the horror that is the Jewish People, as the Jews actively and aggressively genocide the Palestinians, destroy America, murder millions of Iraqis and Afghanistanis, starve hundred of millions of the most vulnerable of our human race, and plot and connive to instigate a nuclear World War III by attacking the innocent Iranian People. This fallen faction of the "United Nations" is a tribe of Jews who are united to destroy all nations.

To say that these leprous vermin are deserving of shame is to count them among the human race, which they are not. Rather, they are the venom of the snake that blackens the blood of humanity and quiets the heart with the poisonous reassurance that the mortal enemy carries candied treats and monied sweets in its warty hands, which truly bear death and destruction, a sack of human heads gathered up until that last flash of light is seen as the eyes of the last human being roll up into the hard shell of a skull shattered by a Jewish scepter of iron ringing in the bell blast of a nuclear bomb, the pledge of the Jews to their demon god to kill us all, at last fulfilled, the covenant kept and the human race dead, forever dead, as if we had never lived completely dead.

And I must ask myself how it is that our blood could become so polluted with Jewish cash and Jewish selfishness and Jewish lies, that it has congealed into these pernicious traitors in our midst who pretend to righteousness as they condemn us all to death with their deadly aid and comfort for our genocidal enemy, the Jew--the Jew who murders the Palestinians, the Jew who steals from the taxpayer, the Jew who celebrates himself in his press as he kills and cuts and maims women and children.

How is that one born of us can succumb to support such evil as would kill us all? What is the power of this diseased Jewish People that crawled out of the underworld of Babylon to cut us off from life, that among us, born from us, are such as the scum that applaud the Jews and ridicule the truth? Nothing is so dangerous as this community of Jews and their virulent impact on normal life. They are so vile as to teach brother to slay brother, mother to kill child, and mankind to destroy itself. Where does it come from, this infectious murderous Jewish love of

death? The Devil himself cannot pretend to such evil as the Jew, because the Devil himself does not pretend to be human so that he kill off the human race through betrayal, or does he?

There will no peace, no justice and no respect for the truth until the Jewish People cease to have any influence whatsoever, anywhere. The Jews are a concentrated poison that turns the leadership of nations into the enemies of those very nations. The Jews are a confusing poison that turns lies into truth, and truth into shame.

The Jews are death. They stink of it and rotting death follows wherever the wandering Jew goes to the ends of the Earth until, as is their ultimate aim, the living Earth weary of their vile presence, ends and death begins.

Death was with the Jews, as they murdered 1.5 million Armenians. Death was with the Jews, as the Jews brought humanity the First World War. Death was the way of the Jews as they slaughtered hundred of millions of men, women and children who fell under total Jewish control in the Communist Jewish World. Death fed well when the Jews gave us the Second World War.

Americans are again dining with death, mass murdering Muslims. We send death abroad at the Jews' request, but death has not forgotten us, for we are rotten with Jewish influence and are therefore rotten and bloated with death. Death is in our bellies now, snaking through our guts. We can puke it out, rid ourselves of Jewish influence, or we can writhe in pain and die a cowardly death as the Jewish worm inside us eats us alive.

Due to the Jews, we kill cowardly. Will we die cowardly, as well?

How hard is it to kill a snake? All it requires is the will to crush its head, which is why the Jews scream out in pain in a shrill chorus when the truth is told, for no human being will bear the sight of them when their monstrous form is unveiled for all to see.

Why Secession Is at Present a Bad Idea

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jews, including Murray Rothbard, and Jewish agents, including Ron Paul, have been attempting to build a secessionist movement in America. Recall also that it was the Jews who created the American Civil War.

At the present time, secession would be a very bad idea for Americans. We enjoy many advantages due to the immense territory of our nation, many of which are yet to be fully exploited.

America has two long coasts, plus the Alaskan coast and the Hawaiian Islands. These provide us with access to the World, as well as facilitating travel within our borders. The oceans have yet to be properly exploited as a source of food, year round, for our people. We would be very foolish

to give up our access to these waters, which also serve as highly defensible boundaries to invasion. Water makes a far more stable neighbor than bordering countries. Our goal should be Autarky, and our coastlines facilitate Autarky.

Our many States provide us with varied climates. This may become a tremendous advantage as the climate changes. Our populations can transfer from one region to another within our borders. The varied climates which exist within our borders are also essential to our internal agricultural production of food, ensuring us food independence, a vital aspect of Autarky.

Our varied States offer us vast natural resources, which again promotes Autarky. While one region engages in agriculture, another region can provide our needs through heavy industry, while a third provides us with minerals. This is an advantage we would be most unwise to surrender.

Subdividing our nation would create potential conflicts and perpetual wars. Where would our subdivisions end? Would each State have natural rights to access to the seas? If so, how would those be guaranteed? How would each new nation ensure its independent means to provide itself with food and resources, should war erupt between these new nations?

One tell tale sign that the Jews are behind these secessionist movements, is the fact that they are meant to appeal to white Americans, who represent the majority population in America, and therefore stand the most to lose from a secessionist movement. It is usually the minority who seeks secession, since the majority has the ability to disadvantage the minority and drive it out without surrendering any territory.

The Jews are instead disadvantaging the majority white population, and then advising the majority to further destroy itself with secession and revolution. The Jews want white Americans, like white Europeans, to disappear from the human family. The Jews want to destroy the European, and his descendants, and especially the Northern European, because the Jew views the Northern European as the strongest challenge to Jewish hegemony. The Jew also views the Northern European as the most noble and creative branch of the human family, and the Jew wants to elevate himself by dragging down European man.

I hope that I can convince a majority of Americans that Ron Paul and his Jewish backers are out to destroy you in the name of saving you. Do not be so childish and consider the necessary consequences of the actions Ron Paul is trying to persuade you to take. Look at what you will lose, and what the Jews will gain, if you institute Ron Paul's Jewish policies.

Rather than bemoaning the fact that we own a wonderful territory, we should take advantage of it. Rather than handing over our wealth to the modern Jewish robber barons behind Ron Paul, we should achieve national independence in the form of Autarky. If anything, we should expand our national territory to include regions south of the equator, which would further our goal of Autarky. Instead of cutting up our country so that the Jews can pit us against one another in perpetual war for their profit, we should be strengthening our national identity and re-Americanizing our population. Instead of blaming Mexicans for our woes, we should help Mexico become a place where Mexicans want to stay and to which they will happily return. America should not allow itself to lose our culture, our language or our customs to any foreign invasion.

We should be strengthening and expanding America, not destroying it. It is only the Jews who want us to weaken ourselves--the Jews and their well paid fifth column, that is. How much is it that Ron Paul received in donations, thanks to the Jewish "Ron Paul Revolution"? The whole movement was hype created around him. Ron Paul did nothing to merit the adulation he received as a result of Jewish propaganda and the work of others.

Instead of destroying America on the advice of Jewish puppets like Ron Paul and the Jewish revolutionaries on both the left and the right, we should eliminate the tiny Jewish minority, so that the vast majority of Americans can strengthen America and prosper.

Beware, the Jews are driving you to the point of despair so that they can then misadvise you to express your frustration through the destruction of your own society. Do not become discouraged or self destructive. Consider instead the potential we have to build a glorious civilization after we have removed Jewish influence from the World. Express your anxieties in ways which will benefit our society, instead of falling into the trap of Jewish nihilism. Do not burn down the barn in order to kill the rats. Just get rid of the rats.

Rights, Citizenship and Statehood: Piercing the Achilles' Heel of Jewry

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In nations where the Jews had not the means to brainwash the citizenry with whatever form of Holocaust propaganda was then current--the Jews have always created lies with which to paint themselves as victims and justify the Jewish genocide of Gentiles, from the Jewish myth of Egyptian slavery, to the Jewish myths of Assyrian and Babylonian captivity, to the Jewish myths of the Amalekites and Haman, to the Jewish myths of persecution by Antiochus IV and Caligula, down through to the present day myths of Jewish victimhood--in countries where the citizens had self-respect and a healthy and natural (unperverted) will to survive, the Gentile citizenry freely thought about, discussed and implemented rational means to defend themselves from the aggression of World Jewry. In places where normal human beings did not allow the Jews to mold their minds into Jewish serving mush, people took action to protect themselves from the murderous Jew.

The Jew considers himself to be a member of the Jewish nation, of which the nation of Israel is only a part, the sovereignty of the Jew exists in his personal being and the existence of his fellows who have traveled to the ends of the Earth to conquer it for the Jews. The World is the Jews' territory, in his beliefs and practices.

The Jew considers himself to be a citizen of the Jewish nation and believes it is his duty to destroy every other national identity. The stated mission of the Jews is to make the World a Jewish World. The Jew is determined to spread the "light" of Lucifer to the entire globe and

"illuminate" all to practice Jewish devil worship.

The Jew believes that only Jews have rights and that Gentiles are not human and must be eradicated. The Jew believes that it is "moral" to use immoral tactics and strategies to destroy the Gentile and everything that the Gentile owns and represents.

The Jews, therefore, have no loyalty other than to fellow Jews and to their devil god. They do what they can to destroy everything good and natural in the World. The only land they revere is Canaan, the homeland of the devil. The only nation in which they are faithful citizens is the Jewish people. The only right the non-Jew has, is to serve, and die serving, the divine master race of the Jews. As such, the Jews deliberately destroy every other human endeavor.

Back when normal human beings respected themselves and their own peoples, they fought back against the Jew. Normal human beings used to view the Jew honestly and rationally, and the rational and natural response to the Jew is to refuse the aggressive Jew any rights to destroy you, to refuse the Jew citizenship which enables the Jew to infiltrate and subvert your nation, and to deny the Jew the ability to genocide the native peoples of Canaan, steal their land, their wealth and their lives, and establish a formal State in Canaan to be ruled by a Jewish King in league with the Jewish devil from the Jewish Temple of Satan.

It does not require any intense effort to conclude that it is reckless, dangerous, indeed suicidal, to allow a declared enemy, the Jew, rights, citizenship and a State by which to murder you, destroy your nation, culture, religion and genetic heritage. The intense effort is exhausted by the Jews, who pollute the minds of the Gentiles to have them hating themselves and worshiping the

Jews and the Jewish devil.

In order to counter-attack the Jew who is attacking us and has been for 2,500+ years, we must take away the Jews' ability to subvert public opinion and influence religion. Only then will the normal human instinct to survive restore itself and function normally and healthfully. At present, the Jews are able to misdirect the will to survive of the Gentile into self-destructive reactionary behaviors which favor the Jews.

At present, the Jews torment and frustrate the Gentiles and prod them to kill one another. A normal and healthy reaction against the Jew is instead to unite against the common enemy of mankind, the Jew, and to use the State and the Church to remove the Jew from influence in any form, to quarantine the virus and prevent it from ever reinfecting the nations.

At present, the Jews divert the energy of the Gentiles into a desire to destroy their own States, rather than use the power of their own States to defend them from the aggressive Jews. The Jews confuse and frustrate the Gentiles and covertly advise them to use nihilistic self-destructive means to combat the Jews, which only strengthens the Jews as the Gentiles turn on themselves.

We require a healthy, normal, natural and powerful State to defend ourselves against the Jew. We need to take rational and productive actions which increase our collective power and gain us allies against the Jew. We need to strengthen our societies and have them serve our own interests.

A very good first step, and one which many nations whose spirit had not been destroyed by the

Jew took, is to strip the Jews of rights, citizenship and their illegal and genocidal nation in Canaan. But we must also quarantine, though not concentrate, the virus. This will be a costly endeavor, one for which we must take the wealth of the Jews to pay the burden they have imposed on us, but it will only require one generation to solve the problem forever.

We must respond rationally to the Jewish problem and solve it in a scientific and healthy way. We must restore the human race and its natural processes to health. We have thousands of years of precedent to examine, and when we do we discover that the normal reaction to the Jew is take away his means of attack, which are rights, citizenship and Statehood.

The Jews have no right to betray us, and the Jew always views all of his granted rights and citizenship in a Goy nation as an opportunity, a right and a means to betray the host nation to its death. The Jews have no right to destroy our democracy and subvert our press with anti-American lies and propaganda. The Jews have no right to use their press, which they misrepresent as if our press, to force our enemies, the Jews' agents, into our political offices. The Jews no have right to convert our nation into a lumbering slave serving Jerusalem. The Jews have no right to pretend to be Americans so that they can destroy us from within, subvert our nation and have us as slaves of Jewry. The Jews have no right to genocide the native peoples of Canaan and steal their land.

It is only through a suicidal mass psychosis the Jews have imposed on the American People by pretending to themselves be Americans and therefore gaining the ability to mislead Americans, which blinds Americans to these simple truths which were evident and obvious to those nations

which preceded us and dealt realistically with the Jewish problem. It is the Jews who force us to solve the problems they create and we are not to blame for fighting for our survival. We are instead to be blamed for slaving for the Jews and destroying ourselves and others at the Jews' behest.

Jews Are Above the Law in America: "Thou shalt not avenge, nor bear any grudge against the children of thy people"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have succeeded in preventing justice against the accused AIPAC lobbyists. The Jews believe that God commands them to obey 613 divine commandments, or Mitzvot. Numbers 13, 15 and 569 of these commandments instruct the Jews to place other Jews above any Goy criminal justice system. The Jews base these three commandments on the Torah at *Leviticus* 19:14, 17-18:

"14 Thou shalt not curse the deaf, nor put a stumblingblock before the blind, but shalt fear thy God: I am the LORD. [***] 17 Thou shalt not hate thy

brother in thine heart: thou shalt in any wise rebuke thy neighbour, and not suffer sin upon him. 18 Thou shalt not avenge, nor bear any grudge against the children of thy people, but thou shalt love thy neighbour as thyself: I am the LORD."

The Goyim are supposed to obey the seven Noahide laws (Sanhedrin 56-60, 99), but have no right to impose justice on Jews, who are to subvert every effort the Goyim make to impose justice on the Jews (Baba Kamma 113). Of course, the Jews are primarily concerned with the prevention of the exposure of their complete control over the American legislative process, and I am only pointing out the facts of the perverse Jewish religion to clarify the abnormal Jewish mindset which has produced the treacherous, disloyal and subversive modern Jew and the means by which he justifies his inhuman behavior and the basis for his expectation that all other Jews will defend his indefensible actions.

Where is the Jewish controlled press decrying the injustice of freeing the accused Jewish criminals, this same Jewish press which hounds anyone accused of Nazi crimes against the Jews allegedly committed long ago? Where is the Jewish press condemning the disloyalty of Jews? Where is the Jewish press placing the interests of Americans above Jewish/Israeli interests? The Jewish press is nowhere to be found when it comes to defending America from subversive Jews.

If we want justice, we should seize control over the powers of the State through the *POWER PARTY*. The Jews will then be removed from the press, and their influence over the Judiciary, Legislative and Executive branches of our government will be eliminated by the full force of the State and for all time. Not only that, but we will serve justice upon the Jews and recover as much

as they have stolen from us as is possible.

We will also shut down the Jewish State, so there will be no Jewish State of Israel subverting our country or deliberately provoking wars, though there will still be Jews attacking us from abroad.

But the Jews are a cowardly and weak bully that has no punch and a glass jaw. We need only stand up to them to crush them forever. We have 2,500 years of legal precedent to serve us as justification when we counter-attack the Jews who have been attacking us. We also have our human will to survive and fundamental rights to self-defense.

The Jews are trying to kill us. We need not apologize for crushing this poisonous snake, the Jew, that spits in our eyes. It is we who are blind in cloud of Jewish venom, not justice under the Jews. There can be no justice where the Jews are free to practice their ancient arts of subversion, treason and mass murder.

Look to the fact that the Jews are free to commit treason in the traitorous American courts the Jews have subverted, to know that you are a slave to the Jews and that there can be no freedom nor justice where there are Jews. Look to the fact that the press does not even begin to defend us from this obvious attack against us, to know that the press is in Jewish hands and is a flank of the Jewish attack on the American People.

If you have no will to survive, no will to fight back against the Jews who are destroying you, your families and your country, nature will forget you as it has forgotten the stupid and weak dodo bird, as it has forgotten the ancient Egyptians, the Greeks, and the Romans. Had the Egyptians,

Greeks or Romans done what was necessary to solve this recurring problem, we would not be dying at the hands of Jews today. If the Jews succeed in killing us off, there will be no one left to fight them and their ancient plans will have been fulfilled.

"Let my people go": The Jewish Origin of the Plagues Striking America

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jewish leaders are concerned that the Jews in America have it too good, and that Americans love the Jews too much. The Jews in America are beginning to assimilate and the Israelis want them to move to Israel. The Jews want there to be the prophesied "ingathering" of the Jews of the World to the stolen lands of Canaan.

The Jews tell a fictitious story and pretend that they once lived in Egypt as slaves of the

Pharaoh. In this story, the satanic Jewish god instructs the fictitious character "Moses" to demand that the Pharaoh let the Hebrews leave Egypt so that they can worship this devil in the land of Canaan. The devil promises to help the Hebrews commit genocide against the native people of Canaan/Palestine and steal their land. The Jews claim to be descended from Babylonians from Ur, Babylonians who have no Earthly right to live in Canaan/Palestine.

The satanic Jewish god visits ten plagues upon the Egyptians in an act of collective punishment, though this devil has himself hardened Pharaoh's heart, the devil thereby causing that which the devil condemns. When the Jews do go, they steal the wealth of their Egyptian neighbors who so love the Hebrews, that they loan them their gold and silver, which the Jews gladly steal.

This is the nature of the perverse Jewish religion, which is fabricated from lies, and from the plagiarism and perversion of other religions. The satanic Jewish god gives the Jews land which belongs instead to the indigenous peoples, and the devil god of the Jews instructs the Jews to exterminate the native peoples so that the Jews can worship the devil in a Temple of Satan built on lands taken through genocide. The evil Jewish god also visits murderous plagues on the Egyptians and enables the Jews to steal the Egyptians' wealth through an act of betrayal.

The Jews themselves claim to have spread disease, famine and genocidal war throughout the ancient World, just as they do today. Their religion is a plan to genocide the human race.

The Jews of today are no less perverse and evil than the ancient Jews who fabricated Judaism from lies and through plagiarism. The Jews of today are visiting plagues on America and the World, in part to provoke an artificial "ingathering" of the Jews to the stolen lands of Canaan/

Palestine.

The Jews are poisoning our waters, spreading disease, destroying the brains of children with poisons, poisoning American soldiers with radioactive substances in wars the Jews manufacture, ruining the living environment of the United States, sponsoring foreign invasions, etc. in the Jews' war on the American People. The American People respond to the war the Jews are waging on us, by handing over all of our wealth to the Jews.

The Jews are planning an Exodus. They will leave our body like the leeches they are, sucked dry of all of our blood. It is amazing to witness the American People actually help the Jews, and praise the Jews, as the Jews wage a war of extermination on Americans--300 million "useful idiots" who have outlived their usefulness.

Our future generations of children, if any there are, will suffer terrible birth defects, because of the Jews. Our waters and lands are poisoned forever, because of the Jews. Our agriculture is being converted into unnatural poison, because of the Jews. Our liberty is disappearing, because of the Jews. Our lives are filled with stress and horror, because of the Jews. The whole World has come to hate us, because of the Jews.

And what do we do about it? Just like the fictitious Egyptian of Jewish myth, we praise the Jews and give them more money and power as they screw us into the grave.

Turning the other "cheek" while bent over is the surest way to get stuck. It is instead time to turn and face the enemy that is prodding us, and destroy it forever.

The plagues will worsen as Americans grow weaker under the constant Jewish attack on our health, spirit, society and government. If we do not start fighting back now, the Jews will soon start to mass murder millions of us in a matter of months. Those left behind, if any there are, will face perpetual war, omnipresent poisons, mutant foods, freakish children, and especially degrading forms of slavery.

Have the American People no memory of what the Jews did to the Slavs in the Soviet Union? The plagues the Jews will bring to America will be exponentially worse, just as each new Jewish attack grows ever worse through history, as the Jews gain more and more power and the technology to control and destroy humanity becomes ever more destructive.

The Jews are out to kill you. They always have been and this fact has been acknowledged by some of mankind's greatest minds.

There is little left to fear, other than dying in cowardice. Prudent action now can save us, but don't wait for the Jews to hold your trembling hands and start a protest movement against these same Jews. Don't relegate your power to defend yourselves to the Jews who are out to kill you.

The Jews have specialized in dissent, and you have let them, and left yourselves vulnerable to their clenching teeth which gnaw at you from above and below. You must learn to lead from above and dissent from the masses, without allowing the Jews to subvert you from both ends, leaving you stuffed in both sets of cheeks.

Time is short and the Jews are growing relatively stronger as we grow increasingly weaker. The Jewish angel of death has risen from his ancient tomb, stretched out his gangrenous limbs, and

is flying towards us, swooping down and stirring up disease, famine, and death in the dry and barren soil the Jews leave behind wherever they travel. The tenth Jewish plague will number the dead in the hundreds of millions, if not in the billions. America will be forgotten if we do not fight back against the Jews.

The Jews have painted their doorposts with the blood of the lamb. Let their segregationism and greed be their undoing. They are easy to spot. They are the ones who are always blaming others for the murders and theft they themselves commit.

Is Bolshevist Oppression Coming to America? July 15, 2007

Dubbing Barack Obama a "Jewish Democrat", Bryan Schwartzman of the *Jewish Exponent* writes of Arlen Specter's change of political parties, *inter alia*,

"Specter has long enjoyed strong support in the local and national Jewish community, reaching across party lines for financial support as well as for votes.

Moderates have long hailed him as a reliably pro-Israel lawmaker not beholden to any party. Opponents, particularly on the right, have assailed his failure to articulate and adhere to a political philosophy.

Many Jewish Democrats, even liberals who have disagreed with him on some key issues, lauded his defection -- from President Barack Obama on down."--Bryan Schwartzman, "Specter Surprises All With Move to the Left", *Jewish Exponent*, Volume 226, Issue 5 (30 April 2009), http://www.jewishexponent.com/article/18761/

Arlen Specter has no loyalty to the United States of America, let alone the Republican Party or its principles. Specter's loyalty is to the Jews. He is an agent of our worst enemy. Specter is a member of the Israeli fifth column that is destroying America, stealing away our rights, our wealth and our future.

We must establish the *POWER PARTY* as a viable alternative to the American People to the subversive Jewish parties that are ruining us.

Another Example of the Perverse Jewish Mentality and How It Perverts World Politics and Spills Human Blood Around the Globe

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish Old Testament states in *Haggai* 2:22:

"And I will overthrow the throne of kingdoms, and I will destroy the strength of the kingdoms of the heathen; and I will overthrow the chariots, and those that ride in them; and the horses and their riders shall come down, every one by the sword of his brother."

For several years now, I have been warning that the Jews are pitting Arab Muslims against Iranian Muslims, despite the fact that Islam compels all Muslims to unite against a threat to the Muslim community. I have also been warning for years that "Arab" leaders, many of whom are crypto-Jews, and "Iranian" leaders, many of whom are crypto-Jews, are working with the Jews to create a war which will divide Islam and pit Muslims against Muslims and Christians against Muslims, which war will leave the Jews standing in all of "Greater Israel" after Muslims and

Christians annihilate one another for the benefit of the Jews.

The Jews have perverted the reality of the situation in the Middle East to make it appear to the World public that the solution for the Jewish genocide of the Palestinians is for Arabs to attack Persians. The Jews are making allies out of the Arabs, so that the Arabs and Persians will weaken one another to the point where the Jews can exterminate both communities of Muslims. The Jews are using the Palestinian crisis the Jews create, to coerce Muslims into murdering other Muslims, and the Jews will then themselves exterminate the Palestinians as the satanic Jewish god commands the Jews to do in the Jewish Torah and throughout the Jewish Old Testament (*Genesis* 15:18-21; 17:8. *Exodus* 34:11-17. Leviticus 20:22-26. *Numbers* 33:50-56. *Deuteronomy* 6:10-11; 7:1-6; 11:24-28. *Joshua* 1:3-4; 23. *Isaiah* 52:1. *Ezra* 1:5; 9).

Of course, the "Arab" leaders and Hillary Clinton are traitorous agents of the Jews, modern Esthers, who are subverting the nations they are duty bound to protect, on behalf of the genocidal Jews. The Jewish press reports on the latest incarnation of the Jewish plan to pit Arabs as direct allies of the Israelis, against the Persians who are deliberately stepping into this trap, the plan I have been exposing for several years now, and which dates back at least some 2,500 years, and which has seen the Jews allied to the Persians in one phase, allied to the Arabs in the next, forever murdering and maiming these peoples for the benefit of the Jews so that the Jews can steal Palestine from the indigenous peoples--*the Jews, by their own accounts, were never the native people of Palestine:*

Jerusalem, U.S. Hint Israel-PA Talks will Enable Action vs. Iran

Note that the perverse Jewish mentality seeks war, not peace, despite the fact that a normal human being would prefer to live in peace. Instead of the Muslims uniting in defense of the Palestinians against the Jews who are the sole aggressors against the Palestinians, the Jews have perverted the Muslims to kill one another off and bring war to the region, in the bogus name of preserving the Palestinians and instituting peace. The Persians are trying to help the Palestinians, yet the Jews have perverted this reality into the Jewish manufactured illusion that the Arabs must kill the Persians in order to preserve the Palestinians. The reality is that the Muslims, and humanity at large, must fight back against the Jews who are genociding the Palestinians and the best way for this to happen is for Arabs, Persians, and the rest of normal humanity to join forces to combat and counter-attack the Jews who are attacking us, the Jews who plan to exterminate the human race and who have been waging war on us for at least 2,500 years.

The Jews spread war, famine and disease wherever they go, by their own accounts, from ancient times until today--consider their own boasts of how the Jews spread disease, death, famine and war in Egypt, Palestine, Iraq, Iran, Greece and Rome in the ancient World. They are a plague on the human race and have been from the beginning. We will either fight them back, or die at their hands through our brothers' hands.

If you don't believe it, ask the tortured ghosts of the Armenian dead, betrayed by their Armenian brothers who worked with the Jews. Ask the bloodless ghosts of the Slavs who butchered tens of millions of the best of their fellow Slavs at the behest of the Jews.

The Jewish Death is coming to us, America. We are infected with one of the World's largest

Jewish populations. Fight them now, or share the fate of the dead.

An Interesting Development and a Nit to Pick: "Montana Firearms Freedom Act"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It appears that the State of Montana has passed a new law exempting itself from Federal jurisdiction over its domestic gun production and gun ownership. The States have long held that they are separate sovereigns from the Federal Government, such that the citizen is subject to double jeopardy by both the State and the Federal Government. Let us see if this can, for once, work in favor of citizens' rights, given that the Federal Constitution constrains the powers of the Federal Government:

"Montana Firearms Freedom Act"

If I am reading this legislation correctly, it would legalize the production and ownership within

the borders of Montana of shotguns with a bore size greater than 10 gauge, but less than 1.5 inches. However, my reading of the law would indicate that shotgun ammunition would be restricted to slugs? The law reads:

"Section 5. Exceptions. [Section 4] does not apply to: [***] (4) a firearm that discharges two or more projectiles with one activation of the trigger or other firing device."

While this is an obvious reference to automatic weapons firing multiple *cartridges* with each activation of the triggering mechanism, it could be misunderstood to proscribe the use of shotgun shells firing *multiple projectiles* from a *single cartridge*, such as bird and buck shot, or even a "pumpkin ball" with wading or a sabotted slug. Of course, this is not the intent of the law and the Montana legislature could state its intent or amend the law if ever the issue arose, which it won't.

Some are speculating that this new law could result in a showdown between the State and the Federal Government which could provoke a move for secession. I believe in the law, and would even broaden it. However, I believe that it should be used as a means to strengthen the Union, rather than weaken it.

Rather than making this law a call for the disintegration of our great and beloved country, I suggest we make it a rallying cry for the empowerment of the American People to remove subversive agents from the Federal Government through lawful political means. Montana would have a hard time maintaining itself as a nation against the nuclear armed US. It is landlocked

and would have a difficult time supplying itself with food and other resources, should hostilities break out. It could be taxed to death quickly or simply cut off from the rest of the World, by the US and Jewish controlled Canada.

We have the power to change the complexion of the Federal Government. We need only exercise that power. It will be far easier to simply restore the Union and purge it of Communist Jews, than to fight out another Civil War which will only weaken us and make room for the Communist Chinese to invade the Americas and wipe out all traces of Europeans from the continent and from the Earth, which is the Jews' goal. We have a wonderful country with advantages others can only dream about. We also have an enemy population destroying us within our borders. The war is not against ourselves, but rather against the Israeli fifth column.

Fighting a War by Patching up the Bullet Holes and Handing the Enemy More Ammo?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish People have been engaged in an aggressive war on the human race for at least 2,500

years. Today, America is falling apart because the Jews are actively attacking us. Yet, the Jews have our "leaders" pretending that the problems we face are due to problems with the system. So instead of fighting back against the Jews, we offer them more money and more control, supposedly so that they can fix the system they have deliberately subverted to work in the interests of the Jews and against the interests of Americans and the rest of humanity.

The Jews are shooting at us, and instead of fighting back at them, we congratulate them on their marksmanship and pretend that we can fix the situation by paying the Jews to patch up the bullet holes and by giving the Jews more guns and ammunition with which to shoot at us. We also pay Jewish doctors to sew up the wounds the Jewish soldiers cause, and compliment the Jewish doctors on the difficulty of the task of acquiring the poisons, when the Jewish doctors murder the gun shot victims with poisoned thread.

The reason why our systems are failing is because the Jews are waging war against us and undermining all that we do. The problem with the dollar is not that it is a "fiat currency", but rather that the Jews are deliberately undermining its use as the reserve currency of the World, are cutting back on credit, and are openly stealing tens of trillions of dollars from us. No currency could survive this unchallenged attack, and had there been no such attack, the dollar would be serving us very well, and would serve us even better if we unhitched it from Jewish usury. The dollar is not problem, nor is the American worker the problem, nor is the Chinese worker the problem.

The problem we face is the aggressive Jew, who is warring against us, and the only solution is to fight back and defeat the aggressive enemy. Once we begin to fight back, there are many

different systems which can serve our needs. Until we begin to fight back full force, no system will serve our needs, because the hostile Jews will remain free to steal and destroy all that we build.

How can we complain that we are losing our nation when the Jews are waging war on us and all we do to rescue ourselves is hire the Jews to patch up the bullet holes with dung and slay the wounded? The enemy is running, and deliberately ruining, our country. We have to respond to this Jewish attack and purge ourselves of the enemy forces mingling among us as if our best. We have to recognize that the Jews are warring against us, and destroy this enemy. There is no other way to survive. It is suicidal to pretend otherwise. Every nation which has failed to respond full force to the Jewish problem has perished under the Jewish attack, which never relents.

But beware, the Ghetto also serves the Jew. The key is to prevent the quarantined Jews from concentrating, or running somewhere else to continue their war against you from abroad.

The largest Jewish populations are in the US and Israel. By fighting back against the Jew, we Americans can easily shut down Israel and defang the enemy Jews in America. We can also destroy the Jewish banking establishment and use our military to hunt them down.

America can do more to defeat the aggressive Jews than any other nation on Earth. Rather than ruining the World, we can save it. Quarantining the Jews in America and isolating Israel will fetter at least ten million of the enemy. Without these liars and subversives running free in the World to wreak havoc on the nations--"Goyim" means "the nations" and is a racist Old

Testament term for non-Jews--we can also assist other nations to purge themselves of the Jewish enemy who is attacking us all and who will never relent until either the Jews disappear, or the Jews exterminate the human race, which is their self-appointed mission.

Clamping Down on the Jew While Giving America Back to Americans

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

When the *Power Party* takes over the reins of government, we will do more than removing the Jews from public life. We will also fix the damage the Jews have done to our society.

The Jews not only view the Gentile as subhuman, as insects, they have stolen away the dignity of man from the law by instituting the corporation and the publicly traded stock based company. The Jew has created artificial persons behind which to hide and upon which to base the economies of the World on speculation–which is to say, the Jew has rigged the system so that the Goyim must guess as the Jews trade on insider information and manipulate ownership and value to serve Jewish interest while bankrupting and destroying the non-Jew. The Jew has taken

away the value of citizenship and land ownership and replaced them with the love of money, money which the Jew makes as the Jew destroys real production in the American economy.

A fitting example exists in the state of American agriculture. The Jewish owned corporations have taken over agriculture just as the Jewish Communists took over the agriculture of the Slavs and Romanians under their control. The Jews created the Great Depression, in part, to win themselves ownership of the land, which they themselves never work, and to subject the "commodities", the life blood and sustanance of the People, the produce of labor, to the impersonal Jewish marketplace where the Jews can internationalize and exploit the products of American labor for their personal profit, while degrading the nutrition and economic well-being of the American People in general.

We must not only cut off the Jew from public life, but take away the production of our food and other economic necessities from the Jewish owned corporations. We must take away the right of Jews and their agents to own that which they do not work. We must return the land and the houses to those that rightfully own them, to Americans who are loyal to America.

In the Soviet Union and its Jewish controlled satelites, the Jews stole all of the land, houses and businesses and put them under Jewish control. The Jews took away the incentives of the peoples of the nations of the countries they controlled to better the nation and provide the people of the nation with food, goods and services which served the national interest. The Jews have done the same to America, calling the hostile Jewish subversion and destruction "Capitalism" and the "free market", by corporatizing the farms, houses and businesses and subjecting those properties to the marketplaces the Jews corrupt and to the credit institutions the Jews own,

thereby stealing all, just as the Jews do under Communism, and with the same ultimate results.

We must offer the American People ownership and credit to build America. To rid America of poisons and inefficient housing and infrastructute and to provide Americans with healthy food and safe medical care; we must return America to its People as well as excluding the hostile and genocidal Jew. The Jews have deliberately taken over and subverted the very things which make Americans a People serving one another while serving their own individual interests, and have substituted empty dollars for American citizenship, business and land ownership.

We do not only have to clamp off the arteries and close off the hemorrhaging which will always exist where the Jew exists, but we must mend the wound and restore the body of our nation to health. I increasingly hear agents of the Jews calling for secession and forgiving Jewry as is the Jews themselves are victims of "political Zionism". Imagine what will become of us if States break away from the Union, lose power over the armed forces and our nuclear arsenal and surrender the power of our nation to hostile minorities who will join with the Communist Chinese against us?

Shun these agents of the Jews!

Become again Americans, pioneers, entrepreneurs and most of all fighters! Do not give away what our forefathers earned with blood and other immense sacrifice. Just face the enemy and shut down the Jew and Jewish institutions. Do not let the Jew steal our lands through corporations. Do not let the Jew steal our wealth with debt based currencies including the gold standard and Federal Reserve System. Do not let our Autarky, our food, depend upon Jewish

owned corporations which deliberately feed us poisons that corrupt our genetics and rob our descendants of health and unmutated human existence, as the Jews through debt rob them of their future.

Do not listen to the agents of the Jews who tell you that there is no hope and that you must hide rather than fight. Our nation has lost none of our territory. We still have our property, if only we claim it and deny the Jew the ability to steal it with such artifices as the corporation and usury based taxation.

When the *POWER PARTY* clamps down on the Jew, we will also free the non-Jew and give back what the Jews have stolen. We will eliminate taxes. We will give back not only land, homes and businesses, but also hope, health, peace, stability, comfort, families, love and prosperity. We will ensure that the purpose of America is to serve Americans, not Jews.

The Jews Are Deliberately Destabilizing Our Borders

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have long oppressed the Mexican People. The Rothschilds first drove Mexico into

unpayable debts. Mexicans could not even pay the interest on the debts the Jews caused them through their agent Juarez. The Jews then installed Maximilian, then reinstalled Juarez when Maximilian failed to fulfill their plans and had Juarez murder Maximilian. After destroying Mexico and providing the British and French with a pretext to attack Mexico, the Rothschilds tried to split America between Mexico and Canada. The Rothschild plan to divide America between Mexico and Canada was detailed by Bismarck and his description is given in Maj.-Gen., Count Cherep-Spiridovich, *The Secret World Government, Or, "The Hidden Hand": the Unrevealed in History: 100 Historical "Mysteries" Explained*, The Anti-Bolshevist Publishing Association, New York, (1926).

Again in 1912, Rothschild agent "Colonel" Edward Mandell House called for an American war against Mexico to steal its gold and oil in his book *Philip Dru: Administrator,* B. W. Huebsch, New York, (1912). Shortly thereafter, House put Woodrow Wilson into the White House and fulfilled many of the plans spelled out in his book.

On 30 October 1939, Congressman Thorkelson warned the American Congress that the Jews were out to destroy America with another world war and by seeding Mexico with Communist revolutionaries. The Jews have continued to oppress the Mexican People with NAFTA, the drug trade and corrupt leadership including the crypto-Jew Vincente Fox.

The Jews are not only hurting Mexicans. They are destabilizing our southern border and changing the demographics of our nation so as to destroy our national cohesion and bring us problems which they had first deliberately generated in Mexico, problems including poverty, disease, ignorance, Communism, gangs, drugs, etc.

The Jews are out to disadvantage the American majority and create divisions and problems which drag us down. They want Mexico to be as weak as possible so that when they align it to part or all of America, the Mexicans will drag us down. They also want Americans to live in a state of perpetual turmoil and terror, and the Jews are brewing this soup of despair for us, just as the Jews have oppressed the Kurds to make them the bane of the Turks, Iraqis, etc.

The Jews also hate the Mexicans because they are Catholic and therefore have a natural repulsion to the Jews. By keeping Latin America weak and forever struggling for its mere survival, the Jews have kept the Catholic Church far weaker than it would have been with a thriving Latin America. The Jews perpetually drag other people down so that the Jews are comparatively stronger.

We need to educate the Mexicans and other Latin Americans as to how and why the Jews are destroying them. We should ally with the Mexicans against the Jews. America will be much stronger with a stable and friendly southern border, with a natural ally that helps us fight back against the Jews who are attacking us both, and have been from the beginning.

I predicted that the Jews would destroy Mexico and pit them against us, and us against them, in my book *The Manufacture and Sale of Saint Einstein.* You can search through my book with the keyword *Mexico* to find quotations from primary sources which served as the basis for my conclusions.

Consider what will happen to us as the Jews continue to ruin Mexico, while inviting the

Mexicans into America. Both nations will be destroyed, by Jewish design. Consider also that the Jews are planning to unite China and Latin America against us.

Next consider how easily we can overcome the Jewish attack against us, if America and Mexico unite to counter-attack the Jew, while bolstering our national independence from one another.

How to Deprogram a Jewphile

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have raped the minds of the American People. The Jews have us mass murdering Iraqis and Afghanistanis. The Jews have us hating Muslims and Muslims hating us. The Jews are Judaizing Christianity and subverting other religions. The Jews are even subverting atheistical and agnostic beliefs in ways that forgive Judaism as if quaint and harmless, while viciously attacking other religions as if a threat to mankind.

The Jews have successfully built up a cult of the Jew in America. Christian Zionists worship the Jewish people, rather than Christ. The American People defend Israel's interests rather than our

own. We tolerate and even sponsor the Jewish attack against us. We place the Jews above the law, and criminalize any defense that arises against the Jewish attack against us.

The Jews created and maintain this cult of the Jew by controlling the information and contacts that the American people receive. The Jews control the press and educational process. The Jews have their people in the government. The Jews control the secret societies and dissent groups.

So how do we deprogram the members of the cult of the Jew? How do we free the minds of the Jewphile?

There are known and successful techniques for undoing the work of cults on the minds of their victims. We must:

1). Isolate members from the propaganda of the cult. This will be completed when the *POWER PARTY* seizes control over the powers of the State. For now, we must content ourselves with providing alternative sources of information which contradict the cult of the Jew's propaganda. We have to provoke people to think. The main objective of the Jew cult is to stop the thought process, and where that cannot be accomplished, to direct the thoughts of the Goyim to favor Jewish interests. Ron Paul and Naomi Wolf are modern examples of how this is done, which leads to method 2.

2). Discredit the cult leaders. Point out how their assertions contradict one another and disagree with proven fact and the basic rules of logic. This forces cult members to begin to think and make judgements on their own. It also diminishes the power of the Jew to control the debate and shakes members' blind allegiance to destructive ideas and personalities.

3). Provide an alternative paradigm which meets the psychological and practical needs of the former cult member. Show how the cult of the Jew is antithetical to all things truly American and how the cult consumes its members and destroys them.

4). Prompt cult members to consider past atrocities the Jews have committed and how these contradict cult propaganda. Teach cult members how the Jews have attacked America, when cult members falsely claim that Israel is an ally of the United States. Bring up the USS Liberty attack, Jewish spying on America, etc. Shake up the dogmatic and false belief systems the cult has imposed through brainwashing on cult members. Again, it is critical to prompt cult members to think, to open up their minds and to help them make rational decisions which benefit them, instead of the enemy.

5). Focus on logic and fact, rather than emotion. You will be shaking up the indoctrinated beliefs of deluded individuals and groups. This will provoke emotional responses. Your goal is to quell emotion and direct cult members to use the power of their own minds to determine what is true and what are lies.

6). Direct cult members away from their fanatical associations. Try to offer up a better support system for cult members than the Jews offer. Instruct cult members that the lies and bad situations the Jews create for them are destroying them, and then provide healthy alternatives. People tend to revert to past behaviors and beliefs when immersed in those same environments and when surrounded by those same people. Try to prevent recidivism.

7). Obey all laws and coax gently. Do not violate anyone's rights, nor break any laws. Do no

harm.

8). Study deprogramming techniques and accumulate data on methods and their success rates. Use different methods for different types of people. For Christian Zionists, show how the Jews contradict the teachings of Jesus and the New Testament, and how the Jews hate Christians, seek to forbid Christianity on pain of death by decapitation, and how Christians have always warned against the mad aggression of the Jews. Of course, not all of these methods will work for Hindus or agnostics.

9). Demonstrate how the Jews censor and attempt to cut off discussion and close off the minds of cult members to alternative points of view. This will create suspicion in cult members and prompt them to think for themselves. Demonstrate Jewish hypocrisy by pointing out that the Jews are racist segregationists who accuse others of racism as a means of promoting their own racism and stifling debate and preventing any awareness of Jewish crimes. Show cult members the various means by which they are controlled and the price they pay for following the Jews.

A Few Words for the Liars, Cowards and Other Jews Who Want You to Call Jews, "Zionists"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

News From the West has posted a series of links to interesting articles by Edwin M. Wright , including one entitled, "Torah, Zionism and Palestine", which states, *inter alia*,

"Whether or not Herzl recognized it, his ideas were expressed in secular language but were thinly veiled interpretations of Torah dogmas. The Torah divides humankind into the Holy Community of the Covenant and the unclean, uncircumcised goyim. Herzl uses the same sweeping division of mankind into Zionists and anti-Semites."--E. M. Wright, *Torah, Zionism and Palestine*, AMERICANS FOR MIDDLES EAST PEACE, INC., Houston, Texas, (1983), http://www.ziomania.com/edwin%20m%20wright/TORAH,%20ZIONISM%20AND%

20PALESTINE.htm"

Wright explains that Zionism is an even less radical expression of Judaism than the Torah itself, which Torah explicitly demands that Jews commit absolute murderous genocide against the natives of the lands the Jews wish to steal by force. Herzl was a lightweight genocidal maniac compared to Moses, Joshua and Ezra–but the Jews have not forgotten their original spiritual guides.

News From the West has also published links to videos by Brendan O'Connell which will be of great interest to my readers:

Bloodthirsty Religious Jews Who Sought to Steal "Greater Israel" From the Natives, But Who Were NOT "Political Zionists"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The story of the Jewish desire to steal the land from the Nile to the Euphrates and conquer the World begins with the grandfather of the Jews, Abram/Abraham. Abraham was a Babylonian from Ur, not a Canaanite. He sought to conquer the land where he and his following were strangers, which is to say, the Jews were always genocidal foreign invaders, not natives of what is today the nation of "Israel"–itself a religious name for Jacob.

The genocidal Old Testament Jew Moses sought to mass murder the natives of "Greater Israel" and steal their land. The murderous slaver Moses wanted to conquer the World with usury and enslave the human race for the benefit of the Jews.

The genocidal Jew Joshua also sought to kill off the natives of "Greater Israel" and steal their land. Among scores of other such bloodthirsty racist Jews we find the Jews' personal favorite mass murderer, King David, a treacherous snake who was so venomously evil the Jewish devil chastised David for his wretched treachery, but the Jews to this day love their King David.

Skipping over centuries of Jewish genocide and slave taking, we have the Maccabees, another favorite of modern Jews, who slaughtered Greeks and assimilated Jews in pursuit of Jewish racial purity and the conquest of lands in which the Jews were strangers. Nero's Jewish wife burned Rome and blamed it on the Christians. Jews led the "Roman" persecutions of Christians, as the early Christians thoroughly recorded. The murderous Jew Bar Kochba also sought to take

the land of "Greater Israel" and chase out all others. Mind you, these were highly religious Jews who lived thousands of years before Theodor Herzl.

Again fast forwarding through the centuries of highly religious genocidal Jews who sought to steal "Greater Israel" from the natives and to conquer the World, we have Isaac Luria, Shabbatai Zevi and Jacob Frank. The Rothschilds were and are highly religious Jews, as were the Schiffs, Warburgs (Del Bancos), and the other prominent and interrelated Jewish bankers who created Zionism and Communism.

Moses Hess and Karl Marx were religious Jews. Marx loved his Talmud which is the pinnacle of Jewish religious literature. The Chabad Lubavitch are highly religious Jews. Watch for yarmulkes at ADL and AIPAC meetings.

Clearly, the Jews and crypto-Jews who are attempting to mislead you to believe that Judaism has nothing to do with Zionism are liars who are attempting to camouflage their fellow Jews as the Jewish People wage war on the human race. Zionism is the fulfillment of Jewish religious myth. Political Zionism is but one branch of Zionism. There are millions of Jewish *Religious* Zionists, and tens of millions of religious Christian Zionists–which itself proves that the vast majority of "Zionists" are highly religious persons. However, if the Jews are removed from influence, Christian Zionism will almost immediately fade away.

The vast majority of the worst of the Jews and mass murdering agents of the Jews were either not Political Zionists, or were religious Jews pursuing Judaism and/or the perverse Jewish mentality in their insane quest to conquer the World. To this long list we should add as a good

example Leon Trotsky (Lev Bronstein). Communist Jews led the anti-Zionists of the World, but were still infected with the Jewish, not merely "Political Zionist", desire for the Jews to conquer the World, murder off the best of the Gentiles, and enslave all non-Jews. Many Jews who were not Political Zionists, and/or who were religious Jews, were the worst enemies the human race has ever faced. The vast majority of the expulsions of the Jews took place before Theodor Herzl was born.

"Political Zionism" is effectively dead, a fulfilled relic of a bygone era. The Jewish State exists. We live in a post-Zionistic era. It is the Jewish People, and their "Christian" slaves who foolishly call themselves "Christian Zionists", who are attacking us. It is the Jewish People who are ruling over us and directing their "Christian" slaves to attack us. It is the Jewish People whom we must defeat. It is the Jewish People who are demanding that we call Jews, "Zionists", as one of their endless series of deceptions to buy themselves more time in which to destroy us.

Censored Again: Yet Another Instance Where the Jews Have Attacked My Rights to Speak, and Your Rights to Hear What I Have to Say

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Metacafe.com has censored my video:

The Jews Killed Jesus

The Jews Killed Jesus

This latest attack on my rights of freedom of speech is another reminder that Jews must be removed from influence in the World. None of us will be free to speak the truth as long as Jews are allowed to attack our rights and control the means of expression in our societies. The Jews have always been intolerant of the rights of others and have always been censors, because the Jews have always been murderers with countless crimes to hide.

The self-proclaimed Jewish murder of the prophets, including Jesus Christ, Muhammed and several others, is itself proof that the Jews always sought to silence anyone who held different views from them. The Jews desire to murder any person who speaks the truth. Jewish censorship is a deliberate part of the Jewish plan to kill off the human race.

It is easier for the Jews to murder compliant and ignorant slaves, than to ever attempt a fair fight. The Jews are cowards and have always been mass murderers. The Jews seek to silence these facts, and in so doing provide more proof of what they are and what a danger they pose to the human race.

It is not irony that the Jews have silenced my voice telling of how the Jews silenced Jesus and poisoned Muhammed. It is rather proof of the timeless consistency of the anti-human nature of the Jew and the threat that the Jews pose to us all with their never ending attack on our rights, our freedoms and our very lives. The Jews have always acted in this way and will continue to act in this disgusting and aggressive manner as long as they are permitted to share the Earth with normal human beings.

We are engaged in a struggle to the death with World Jewry. The Jews are determined to kill us. We must defend ourselves or perish. I hope you heed my words before my voice is silenced forever. There is no one else revealing to you the truths I am telling you.

Why Our Rights Must Be Enforced Against the "Private Sector"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The reason why we have traditionally framed our rights in terms of a defense against the tyranny of the State, is that the State has far greater power than the average individual. We ask the State not to trample on the freedom of speech of the individual, because the State, with its vast resources, is not fair competition to the common man.

However, wealthy and/or famous individuals and corrupt coalitions wield more power than the State, which they corruptly control. We must, therefore, view these corrupt powers as an even greater enemy of our liberty than the State, and must enforce our rights against those who have far more power than do we. There is no right to free speech where the means of communicating in politically effective ways are controlled by private individuals who are hostile to the interests of the State and the People.

Government is just as human an enterprise as is the private sector. If we can enforce our rights against what we call "government", we must also enforce them against individuals and coalitions which deny our rights. Freedom of speech comprises both my right to speak in ways which enable me to be heard and your right to hear what I have to say. Private enemies of the

American People, and the enemy nation of Israel, are denying my right to broadcast my voice, and your right to hear me. This is an even greater infringement of my rights than those of the government, because I can not vote out private individuals.

If it is my right to speak in ways in which I can be heard, then no human being or institution, be it private or public, should have the ability to silence me, where they allow my enemies to be heard, most especially in forums which offer themselves up as a means to mold public opinion.

We live in a nation where only the Jews and allies of the Jews against the American People have the right (which right incorporates ability to speak and to be heard--for where there is no ability to speak and to be heard there is no right) to speak and be heard. Those who defend America against the Jewish attack are routinely censored, which is a violation of their rights to speak, and everyone's right to hear what they have to say. This fact is not only egregious when the censorship occurs with the force of the State, but also when the still more powerful private sector closes off the venues of speech to the most loyal of Americans.

Down through history, the Jews, and those who believe in the Jewish god including Christians and Muslims, have closed off free speech in the name of tolerance for Jewish beliefs. From the proclamation of tolerance of Cyrus (*Ezra* 1:1-4) which enabled the Jews to attack the Canaanites and steal Jerusalem from the natives, and to proscribe all other religions in places where Jews lived, to the edict of Claudius, which enabled the Jews to continue to enslave the Egyptians and practice intolerance of the Roman authority, to the "emancipation" of the Jews by Napoleon which led directly to the Jewish instigated World Wars and Jewish instigated Communist genocides.

Tolerance of the Jew is the tolerance of the Jewish attack on humanity. Tolerance of the Jew is intolerance of the majority, whom the Jew seeks to oppress.

Though enemies of the people do not have the right to engage in a war of aggression against the nation, as the Jews always do, loyal citizens of the nation do have the right to express themselves in all venues of public debate, and this is a right that the State must enforce if it is to abide by the social contract. Otherwise, as was the case when the Jews, by their own accounts, subverted the governments of Cyrus, Claudius and Napoleon, the majority people become the slaves of the Jews in the name of "tolerance".

The Jews do not have the right to create or own private enterprises which mold the public mind, and to concurrently exclude voices which oppose the Jewish war on humanity; any more than the government has the right to silence its citizens. Where private individuals and entities acquire powers vastly greater than those of the average citizen, they are a danger to liberty at least as great as the State, and they must be *forced* to honor the rights of all citizens, or surrender those advantages which enable them to quash the rights of others. If a Jew complains that he should not be obliged to honor my right to criticize Jews and Judaism, then let the Jew be unburdened of the opportunities about which he complains. Let the Jew surrender his wealth, ownership of the means of communication, and his abilities to engage in the public debate, which he has declared are a burden on his liberty to subvert the nation.

We need not live under Jewish tyranny, but we will as long as we pretend that the private sector is not bound to honor our freedoms and our rights. We are currently the oppressed subjects of

rich Jews, and the revolution that is needed is not to overturn the State, but rather to unseat the real power, the Jews. The State has become a mere expression of Jewish power. We cannot acquire those powers without taking them from the Jews who presently hold them and disenfranchising the enemy among us whose stated mission is to destroy us.

For Cowards and Liars, "Zionism" Is the New "Communism"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It used to be that cowards who were afraid to call Jews, "Jews", would speak in couched terms and euphemisms for Judaism and Jews, often referring to Jews instead as "Communists" and "Bolsheviks". Not all Jews were Communists or Bolsheviks, but most all Jews had the perverse Jewish mentality which the cowards meant to describe with the euphemisms of "Communist" and "Bolshevik". Many of the worst Jews then, as now, pretended in public to be something they were not, making it difficult, if not impossible, to defend against Jewry without directly identifying the Jews as the proclaimed enemy of humanity that they are.

The most ardent truly communistic Jews were the most ardent anti-Zionists, but they remained Jews, loyal to the tribe, disloyal to the host nations, and hateful of the human race. The most

ardent truly Zionistic Jews were anti-Communist, but they remained Jews, loyal to the tribe, disloyal to the host nations, and hateful of the human race.

It is a cowardly mistake to call Jews simply Communists or Zionists. It is an admission of fear and defeat. It is a proclamation that the Jew is your master and you dare not speak the name of your lord and master. When you call a Jew, a "Zionist" when it would be more appropriate to call that same Jew simply a "Jew", you are groveling, demonstrating your fear and supplication, and defeating your cause before you have even begun to fight back against World Jewry. You are letting the Jew know that you are afraid and will not fight back, as the Jew knocks you down and picks your pocket. You are lowering your tail and whimpering as the Jew trots by, head held high, crown untoppled, and pockets stuffed to overflowing with your wealth.

The Jews and crypto-Jews who advise you to defeat yourselves by camouflaging Jewry with euphemisms like "Communist" and "Zionist" are on the same team as the Jews who advise you to defeat yourselves with euphemisms like "Illuminist" or "Luciferian". Indeed, many of these same Jews and crypto-Jews deliberately distract you and destroy your cohesion by prompting you to fight with comparatively unimportant Jews who use such terms, while discouraging you from taking on the big players, World Jewry as an entity, and from becoming politically active and organized. They waste your time with petty infighting, which they stage amongst themselves, as World Jewry lays waste to the human race.

Call the Jews, "Jews". If they are ashamed of what they are, there are good reasons why. If you are too cowardly to call them what they are, then you are on their side and share in their shame.

The American People Are Shameful, Suicidal, Silent Cowards: How Can You Fight an Enemy You Are Too Frightened of to Even Name?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A recent poll by the *Boston Review* proves that at least one third of the American People know that the Jews are to blame for the financial crisis:

State of the Nation: Anti-Semitism and the economic crisis

The financial crisis the Jews have caused is destroying our nation and has already cost the average American dearly. Home values have plummeted. Americans, that is money stolen straight out of your pocket and you know who is to blame, so why are you vile cowards too afraid to ever publicly point your finger at the guilty Jews and demand justice?

Are you shameful, spineless, gutless, murderous fools just going to ignore the fact that the Jews are stealing millions of dollars from your family and are ruining your country? Are you such wretched stinking cowards that you would never put a sign in your yard warning against the

Jews, or tack a bumpersticker on your car with a website that told the truth about the Jews?

The Jews have already pounded your sick brains into pulp if you know that they have ruined your lives, and yet you are too scared to ever publicly state the truth. You have no chance to effectively fight back against them if you are too cowardly to even speak their name. And this is one of the reasons why the crypto-Jews want you to never blame the Jews for what you know the Jews have done, but rather to hide in your wet trousers and parrot the line that it is the "Zionists" not the Jews. Frightened little scum, and you think you can battle back the Jews when you cannot even utter the word "Jew"?

Yet you send money and arms to Israel and mass murder Iraqis and Afghanistanis who have done you no harm, but you are too gutless to say the word Jew and speak the truth you believe. It is disgusting what self-defeating cowards Americans have become.

A poll reveals that one third of Americans know the truth about the Jews, so why do we hear nothing from them? Where are the banners hanging from windows condemning the Jewish thieves? Where are the billboards warning against the disloyal Jews? Where are the journalists, academicians and politicians who not only cannot NOT know what Americans in general know, but are even more likely to know the truth about the Jews?

Our nation is under an intense attack. People are dying. The Jews are deliberately destroying the World economy and billions will die. Why are you cowards who know this remaining silent? How much longer will you hide in quiet as the Jews rape you and our nation, as the Jews slaughter billions?

Since one third of Americans know this truth, why is it not heard often in public? Where are the mainstream protests against the Jews?

Every time you chastise someone for honestly uttering the name of the Jew to instead lie and claim it is the "Zionists" who are destroying us, you are fighting this war on the side of the Jews and are betraying and destroying the American People and the rest of humanity. You are a coward and a liar and a soldier fighting for the Jews against the innocent. You are demanding that others become the same type of lying coward that you are and you are preventing the first necessary phase of counterattack, identifying the enemy. You are demanding that honest and courageous people fear the Jews so much that they are afraid to ever tell the truth again, afraid even of cowards like you who are there to defame them for speaking the truth.

The Jew is the enemy, and the Jew's declaration of war on humanity is written for all to read in the Torah and every other major Jewish work written since the Old Testament first put voice to the murderous curse on the human race that is World Jewry.

When the Jews Will Begin to Naked Short Sell Our Currency, and Why We Should Consider it an Act of War When They do

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews want to bleed America as they bled Germany after the First World War. One of the reasons why the Jews want to destroy the American dollar as the reserve currency of the World, is so that they can increase speculation in dollar trading and effectively naked short sell the dollar, thereby dramatically increasing the apparent money supply of dollars and artificially prompting run away hyperinflation through market manipulation.

When the Jews begin to make trades in dollars which do not exist, these ghost dollars will supplement the large numbers of extra dollars the Jews must also pump into the system to "ease credit", which cannot be eased by this speculation, and to pay the interest on the debts the Jews have deliberately dumped on our heads. While these pseudo-dollars created through naked shorting the dollar will have the effect of reducing the value of real dollars, they will not serve to stimulate growth as would the proper creation and circulation of real dollars into the economy. Instead, the ghost dollars will have the opposite effect and will reduce growth.

This is the same effect that the naked short selling of stocks has on corporations. The value of the naked shorted stock decreases as the apparent supply of stocks increases, but there is no capital injection into the corporation by these ghost stocks to provide for growth.

So it will be with the naked shorted American dollar. The Jews will decrease the value of real dollars by increasing the supply of ghost dollars which do not exist and do not provide capital for the growth of the economy.

This is one of the ways the Jews will soon bury us. Another is the Jews will want to barter off our land and seat our enemies on our soil. Imagine what will happen to us when the Communist Chinese acquire Hawaii, California and Latin America? This is one of the reasons why Jewish agents like Ron Paul are trying to condition us psychologically to accept the disintegration of America as if a good thing for patriots. Once we begin to clamor for the break up of our nation, it will be a small thing for the Jews to transfer the titles to our States to the Chinese. And what will they care in Texas and Montana if the Chinese take over California in exchange for excusing the Jewish created debt?

Imagine a 100 million man Chinese army on our soil, and Chinese supply lines all through Latin America, with China having cut off our Pacific coast and Russia having taken Alaska from us? We will not last long, and the Jews care not if we kill tens of millions, or hundreds of millions, or billions of Chinese. The Jews will delight to force us to kill each other off. It is the Jewish religious duty for the Jews to undermine our countries, pit us against one another and weaken us, so that the Jews can easily control us and kill us off.

As soon as the dollar hits the tipping point and some other currency system emerges whereby the Jews can shuffle the deck and trade dollars for something else, they will begin to naked short sell dollars which do not exist, hyperinflate our currency, and bury our economy as never before. There is hope and an easy cure. We need only to fight back against the aggressive Jews and take control over our currency. We should declare currency speculation an act of war. We should declare that the Jews who created our debts are responsible to pay them. We should engage in international barter and promote our own Autarky.

Recall that Nazi Germany did not recover from the hyperinflation by merely taking over control of its currency. The Nazis also engaged in trade, including trade with the Jews. And most importantly, the Nazis declared that the debts under the Jewish Versailles Treaty were invalid. The Nazis also purged the Jews from public influence.

We, too, must pass off the debts the Jews have created, back to the Jews. We, too, must purge the Jews from public influence. We, too, must take control over our currency. We, too, must promote domestic production and Autarky through engaging in real trade which benefits our American economy, instead of International Jews.

There is much more that we must also do, but it will be infinitely more difficult to do these things if we wait until the Jews force us into hyperinflation and give away our land to our enemies. We must toss the Jewish money changers out of the temple of liberty which is America and we must do it now.

The False Dilemma: "Zionism versus Bolshevism"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Winston Churchill was a radical Zionist, by his own admission. Like the radical Zionist Jew Chaim Weizmann, Churchill offered a false dilemma to the World and demanded that normal human beings accept Zionism, or be destroyed by Jewish Bolshevism. The false dilemma of "Zionism versus Bolshevism" neglects the other options of assimilation, re-education, defeat in war, quarantining, imprisoning or eliminating Jewry. The choice between Bolshevism and Zionism is also an Hobson's choice, as well as a false dilemma, in that both supposed options produce the same result, a Jewish World Order as foretold in the Old Testament.

Though many careless and uninformed readers have misinterpreted Winston Churchill's article of 8 February 1920, "Zionism versus Bolshevism", originally published in the *Illustrated*

Sunday Herald, on page 5, as if an anti-Zionist statement, it is in fact an endorsement of Zionism containing the threat of Bolshevism as a sweetener. Churchill's article appears in full in my book *The Manufacture and Sale of Saint Einstein*, in chapter 7, section 6, on pages 1579-1582.

Both Zionism and Bolshevism are direct paths to the fulfillment of Judaism, Jewish World rule and the destruction of humanity. The choice between the two is an Hobson's choice stated as a false dilemma, as Adolf Hitler came close to pointing out in his book of 1924, *Mein Kampf*,

"Slowly the fear of the Marxist weapon of Jewry descends like a nightmare on the mind and soul decent people.

The begin to tremble before the terrible enemy and thus have become his final victim.

The Jew's domination in the state seems so assured that now not only can he call himself a Jew again, but he ruthlessly admits his ultimate national and political designs. A section of his race openly owns itself to be a foreign people, yet even here they lie. For while the Zionists try to make the rest of the world believe that the national consciousness of the Jew finds its satisfaction in the creation of a Palestinian state, the Jews again slyly dupe the dumb *Goyim*. It doesn't even enter their heads to build up a Jewish state in Palestine for the purpose of living there; all they want is a central organization for their international world swindle, endowed with its own sovereign rights and removed from the intervention of other states: a haven

for convicted scoundrels and a university for budding crooks."--A. Hitler, English translation by Ralph Manheim, Mein Kampf, Houghton Mifflin, Boston, New York, (1971), pp. 324-325.

Does this not prove that Hitler was an enemy of the Political Zionists? No, on the contrary, Hitler was in agreement, as was so often the case, with the most vocal of Political Zionists, at the same point in history. Israel Zangwill, at precisely the same time, was also denouncing the Political Zionism for which he was the most outspoken advocate in the English language. *See:* I. Zangwill, "Is Political Zionism Dead? Yes", *The Nation*, Volume 118, Number 3062, (12 March 1924), pp. 276-278.

After the publication of *Mein Kampf,* Hitler accepted the Jews' money and it was only with the Jews' money that the NSDAP went from a declining, insignificant party, to a victorious and ruling party. As Eustace Mullins and Douglas Reed have pointed out, the Jewish bankers even marched in Hitler's parades carrying signs which read, "Throw us out!" So the sequence in time is that Hitler first denounced Zionism, not because it would create a Jewish nation, but rather that it would fail to create a Jewish nation in which the Jews largely resided, then later openly joined forces with it. This was the same complaint of the Zionists at the time, who were forced to concede to their reluctant Jewish brethren that they could remain in their lives of luxury in America and Europe, while Rothschild imported bribed Jewish ne'er-do-wells from Russia into Palestine to build palatial estates for rich Jews. In *Mein Kampf,* Hitler was effectively parroting the Zionists' own words of the time.

When the Zionists (Jewish bankers) decided to place Hitler in power to chase the reluctant Jews

into Palestine, Hitler took their money. Hitler then participated in the Transfer Agreement with the Jews. So we see that Hitler's active and open collaboration with the Jews came after the publication of *Mein Kampf* and therefore Hitler's statements in *Mein Kampf* contradict his later actions.

It was only after the Transfer Agreement proved a failure, that Hitler ended the public collaboration with the Jews. Here again, Hitler was doing exactly what the Jewish Political Zionists were doing at the same time. The Jewish Zionists of England and America were standing in the way of Jewish emigration to Palestine, because the Jews who went there largely soon left. The Zionist project in which Hitler was a participant, had failed, and the Jews knew that they had to terrorize the Jews of the World through Hitler in order to leave them no choice but to emigrate to Palestine. Even after the war, in places like Iraq, the Jews continued to terrorize other Jews to chase them to Palestine.

Hitler was a fairly consistent mirror of the Jewish Political Zionists, and again and again forwarded their agenda. It is also worth pointing out that the NSDAP created a revised Uganda (Jewish Zionist) plan for the Jews which sought to create a Jewish nation in Madagascar. This plan can legitimately be described as a Zionist plan. The Jews also sought to establish a Jewish state in the Soviet Union at the same time as Hitler discounted the plan for Palestine in *Mein Kampf*. The Jews ultimately succeeded in creating a Jewish Oblast in the Soviet Union. All of these facts are discussed in my above mentioned book of 2006. Hitler, Stalin, Lenin and Trotsky each forwarded the Zionist agenda, even if they would sometimes speak out against it. It was the Jewish agenda, and they were each paid agents of Jewry, which is an indisputable historic fact.

There were, however, sincerely anti-Jewish members of the NSDAP, and the Jews were forced to teach the Nazis monetary policies which would capitalize the expulsion of Jews from Europe. We can learn from these measures and need not hesistate to learn from the NSDAP and employ effective measures which they proved were successful.

RE: Curt Maynard. . . What?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Someone named "Curt Maynard" has written some strange accusations against me. In his blog,

"Mike Delaney of Prothink Denounces Ernst Zundel and Kevin Macdonald; Shills For Eric Hufschmidt"

in the comments section, Maynard writes, *inter alia*,

"Christopher Bjerknes had a [vulgarity deleted] for me about 18 months ago, gave me a lot of [vulgarity deleted] for supporting Ron Paul and a monetary

standard based on precious metals."

Maynard continues to misinform his readers with incorrect information about my ancestry. In fact, my mother's father, who died long before I was born, was at least half Jewish. My mother died when I was 8 years old. On the basis of the fact that there is Jewish blood in my veins, and despite the fact that I have done more to oppose World Jewry than he is capable of doing, Maynard distrusts me. I have much more scientific reasons for distrusting him, based on his claims which are odd and inaccurate.

When did I ever criticize Curt Maynard? I don't ever remember uttering the man's name, let alone criticizing him. Has Maynard written to me anonymously and elicited a response from me in that manner? I do recall some anonymous psychotic rants from an obvious lunatic to which I responded, but have not a clue as to who wrote them.

I have never asked Curt Maynard for his opinion nor for his trust and have no use for either. He is speaking out against Eric Hufschmid and Daryl Bradford Smith, as I have long done. We both oppose their false dialectic. But I must ask myself, why is Mr. Maynard acting like they act? Does he wish to add new episodes to the soaps operas of his fellow drama queens and spread them across the internet by attacking people who have never attacked him?

Why the Jews Do Not Want Me Quoting the Old Testament

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Perhaps history's most articulate authority on the Jews, Eugen Karl Duehring wrote in his transformative monumental work *The Jewish Question: A Racial, Moral and Cultural Question With a World-Historical Answer*, first published in 1881 with several subsequent editions,

"Accordingly, one need not hesitate in the least–with regard to the activity of the Jews which is precisely against the purely human and historically better traits of Christianity–to take the Old Testament as the real Jewish original document and as the characterising mark of the Jewish race and its religion. The predilection with which one has advanced the Talmud exclusively as a self-depiction of the Jewish morality is explained by the constitution of the parties by which the Jews upto now have been most attacked externally and through agitations. Since indeed, here, not just the conservative, but, drastically expressed, the reactionary elements of all sorts not merely predominate but were at first almost alone on the spot, there stood against an uninhibited and thorough judgement of the Jews, partly, real religious prejudices, but, chiefly, the political principles of taking into consideration the would-be Christian people and, accordingly, of leaving the Bible out of

consideration in the determination of the Jewish character. But thereby one has oneself closed off the most natural, truest, and most popular way to a criticism of the Jews and robbed oneself of the most powerful instrument which alone can last in the long run. How does it help to cite the Talmud? Our modern national society does not, fortunately, read this work; indeed the Jews themselves satisfy themselves with extracts from this colossal collection of glosses filled with trivialities and trifles. On the other hand, from the Bible, and indeed precisely from the biblical history, through the school instruction among us and in the different nations, much is still retained in our memory, so that one needs only to awaken the natural understanding in order to show how one may penetrate with well-known facts into the original character of the Jewish people. The Bible is really not uninteresting if it helps in this way to a better explanation of the Jews. Many a person to whom it is at hand will, through occasional reference to the same, learn and grasp things in this direction which lie far beyond the horizon of common understanding.

[***]

The small group of people in the corner of the world called Palestine however had, from the beginning, instincts and laws which announced basic disregard and hostility against the rest of the human race. One has brought forth places from the Talmud in order to demonstrate tangibly that the Jews are authorised by their religion to betray and harm non-Jews. But we do not

need the Talmud at all to get this insight. If it did not exist at all, the Jewish ethics would not be better for it and would not be less documented. What we observe here in the actual communication are really not other characteristics than those which were embodied already even in the Mosaic times. The Old Testament is a sufficient mirror of the Jewish nature. One must only watch objectively and one will once again recognize the little chosen people of today in their involuntary self-characterisation of that time. How often is that not expressly allowed to the Jews against foreigners which is forbidden to be practised among themselves! Even the Old Testament recommendation of a sort of love of one's neighbour is expressly limited to the Jews among Jews."--E. K. Dühring, *Die Judenfrage als Racen-, Sitten- und Culturfrage: mit einer weltgeschichtlichen Antwort*, H. Reuther, Karlsruhe, (1881); English translation by A. Jacob, *Eugen Dühring on the Jews*, Nineteen Eighty Four Press, Brighton, England, (1997), pp. 77-78, 89.

Duehring points out that many self-deluding Christians have stood in the way of a solution to the Jewish question. Several Jews have asked me to stop quoting the Old Testament and restrict myself to the works of the Rabbis. I will do no such thing. Unlike them, I want to solve the Jewish problem so that humanity can live in peace. The Jewish problem is at least 2,500 years old and was recorded by the ancient Egyptians, Greeks and Romans, who observed what a sickening religion Judaism has always been.

The Jews do not want me to reveal these facts to you, because they want your critiques of the

Jews to be obscure and ridiculous on their face, inaccessible to those who are not already initiated into the ranks of the awakened. In this way, the Jews subvert our efforts to grow our numbers.

The Jews want you to make asses of yourselves by demonstrating what ineffectual cowards you are as you speak of "Ashkenazis" and "Zionists", couching your arguments in euphemisms so as not to upset the enemy, too frightened to call the Jews, "Jews" and asinine and childish enough to resort to obscurities to hide behind in your fear and insecurity–you dare not offend the enemy, lest you might actually start to fight back and begin to win major victories against the Jewish aggressor.

What the Jews are doing to you today, they did to your ancestors long ago. The Jews wormed their way into Germany and England by bribing officials and clergymen to deceive the good people of their nations into welcoming the hostile Jewish invader, because, so they were paid to claim, these were the good Jews of the Bible whom god so loved and if they blessed these murderous Jews, then the Jewish god would bless them. The Jews are playing the same game on you today when they insist you call the Jews by euphemistic names, while disclaiming everything you say against the enemy by stating that not all Jews are involved and that the Jewish attack against you is not religious, because religious Jews are the saints of the World.

The enemy has you dancing on its strings, and many of you are too stupid to realize it. Shame on you. You are dead weight that has been attached as a poisonous corpse, you are a disease spreading cowardice and self-defeat to the rest.

Mike Rivero of WhatReallyHappened.com Should Stop Trying to Sell Us on an Israeli Attack on Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For some time now, I have observed that Mike Rivero of WhatReallyHappened.com has been trying to sell us on an Israeli attack on Iran, in that he responds to articles discussing the Israeli desire for an attack on Iran by commenting that the Israelis should go ahead and attack Iran but should leave the United States out of it. His approach to the problem is wrongheaded at best.

Typical of Rivero's comments is his statement of 20 May 2009,

"[. . .] It seems to be yet another trial balloon for American consumption, threatening that if the US won't knock out yet another of Israel's "existential threats" (just like Saddam and Iraq's non-existent nukes), Israel will go ahead and knock Iran over the head militarily.

And you know what?? Let's just let them do just that, and sit this one out. Our military has its hands full with Iraq, Afghanistan, and (very soon) Pakistan. [. . .]"

Israel has no right to wage aggressive war on Iran and Mike Rivero must know that, so why is he

encouraging such an attack? Is he being sarcastic? If so, I am not an unsophisticated reader, and do not detect it.

I am reminded that some White Nationalist websites and posters on message boards often state that we should let the Jews and the Muslims fight it out. I guess we are to abandon morality and to ignore our own interests in preventing a war which will likely escalate to involve us and which will likely escalate into a nuclear World War Three, by Jewish design.

Rivero is not a white nationalist, but is the descendant of Marrano Jews. Why would he want Israel to attack Iran? What has Iran ever done to Mike Rivero?

On the Zionist Myth that the Formation of a Jewish State Would Cure the Jews of Their Perverse Mentality

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The leadership of the Jews created the mythology of Zionism as a means to cover up the fact that they were deliberately and artificially fulfilling the religious prophecies of the Jews. The Jews

knew that Christians and Muslims would oppose the Jewish takeover of Palestine, because the Christians and Muslims would recognize this devilish genocide of the indigenous peoples from the Nile to the Euphrates as the fulfilment of the prophecies of the rise of the Anti-Christ/Al-Dajjal. So, the deceitful Jews created an apparently secular movement meant to rid the World of the perverse Jews and free the Goyim from the yoke of Jewish tyranny by unseating the subversive and hateful Jews from among the host nations and planting them in Palestine.

It is factually incorrect to claim that the top leaders of the Jews, past or present, were or are "Zionists". These Jewish leaders created the ideology of "Zionism" just as they created the ideology of "Communism", but the top Jewish leaders are not now, nor have they ever themselves been Zionists or Communists. Instead, they are just Jews in the worst sense of the term, the ancient sense of the Torah with its hatred of the human race and desire to exterminate humanity and replace it with Jewry.

The Jews put forth the Zionist myth that the Jews were such wretched beings because they were obliged to live in foreign nations with normal human beings, who were unlike Jews, and that Jews pretended to be like the Goyim, which pretense made the Jews into duplicitous snakes. The Jews put forth the myth that the Jews would be cured of the perverse Jewish mentality if only the Jews could have a nation of their own. The Jews, or so goes the Zionist myth, would then take pride in being Jews and leave the poor Goyim in peace.

In fact, now that the Jews have stolen the land of Palestine, the Jews as a people are even more perverse than ever before. The Jews now want to destroy the Earth with a nuclear World War Three, are constantly genociding their neighbors, and have more deeply than ever before

subverted the governments of the Goyim, the nations of Gentiles.

Far from becoming normal human beings, the Israeli Jews agitate in every nation for war and revolution. They steal monies from the American People. They kidnap, enslave, murder and rape the women of Eastern Europe. They slaughter and poison their neighbors and constantly strive to bring the World into murderous chaos.

The Zionist myth, never believed by the Jewish leaders who invented Zionism from Judaism, that Jews would become normal human beings after the formation of a Jewish State, has been proven false by the fact that the Jews are now more perverse than ever. This is one of the reasons why the *POWER PARTY* will NOT seek to segregate Jews, but rather to isolate and quarantine Jews, not in Ghettoes, and certainly not in a World Ghetto of Israel, but instead place them in absolute isolation from other Jews so that the perversion of the Jews knows no comfort or mutual support. Let the Devil of the Jewish god be forgotten, and let the Devil's army be disbanded forever.

Segregating and concentrating Jewry only leads to intensified Jewish perversion. Tolerance of the Jews among the nations only leads to the subversion and ruin of those nations. Jewish leaders have always known that the secularist myths of Communism and Zionism would accomplish the goals of Judaism, and Jewish leaders have always been faithful Jews and never were Communists or Zionists.

Douglas Reed on the Torah

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is a group of Jewish disinformation specialists headed by a CIA agent, who are falsely claiming that Judaism has nothing to do with Zionism, the Talmud, or Cabalah; and that Mosaic law is a benefit to humankind. This group falsely claims that Talmudism is substantively different from the Torah and that Talmudism is not Judaism. They often falsely state that Ashkenazi Jews created the Talmud.

One need only consider the fact that the goal of Zionists was identical to the goal of Torah, that is to steal the land of the ancient Canaanites and create a Jewish empire on this stolen land, to see that Zionism is Torah doctrine. Mosaic law is not merely the plagiarized ten commandments, but is the law of the entire Pentateuch, the Old Testament books of *Genesis*, *Exodus*, *Leviticus*, *Numbers* and *Deuteronomy*. Mosaic law established the doctrines reiterated in the Talmud, that Jews are a divine master race which must steal the land today called "Israel" after the Old Testament thief Jacob. Mosaic law expressly instructs the Jews to use usury as a weapon against non-Jews with which to take over the entire World. Mosaic law instructs the Jews to commit genocide against several nations, and to absolutely exterminate "Amalek".

Mosaic law is the source of Jewish tribalism, the false Jewish claim that Jews are the rightful owners of "Greater Israel", that non-Jews are not human, and that Jewish law, Mosaic law, applies only to Jews, for how can the Jews claim that murder is wrong, yet insist upon genocide, unless those they mass murder are not subject to the protections of Mosaic law and are not human?

Ashkenazi Jews did not create the Talmud. Sephardic Jews are not, in large part, the descendants of the Judeans who created the Pentateuch *and* the Talmud. The Talmud is the highest authority in Judaism and the racism expressed in the Talmud is a mere echo of the racism of Mosaic law found in the Pentateuch. Jews believe that the Talmud is also Mosaic law and a part of the Torah given to Moses on Sinai.

The CIA agent spouting these myths claims to have read Douglas Reed's book *The Controversy of Zion*. If he had in fact read it, then he would have read the following from pages 13 and 14,

"During the hundred years that followed the Assyrian conquest of Israel, the Levites in Judah began to compile the written Law. In 621 BC they produced *Deuteronomy* and read it to the people in the temple at Jerusalem.

This was the birth of 'the Mosaic law', which Moses, if he ever lived, never knew. It is called the Mosaic law because it is attributed to him, but the authorities agree that it was the product of the Levites, who then and later repeatedly made Moses (and for that matter, Jehovah) say what suited them. Its correct description would be 'the Levitical law' or 'the Judaic law'.

Deuteronomy is to formal Judaism and Zionism what the Communist Manifesto was to the destructive revolution of our century. It is the basis of the Torah ('the Law') contained in the Pentateuch, which itself forms the raw material of the Talmud, which again gave birth to those 'commentaries' and commentaries-on-commentaries which together constitute the Judaic 'law'.

Therefore _Deuteronomy_ is also the basis of the political programme, of worldly dominion over nations despoiled and enslaved, which has been largely realized in the West during this Twentieth Century. _Deuteronomy_ is of direct relevancy to the events of our day, and much of the confusion surrounding them disperses if they are studied in its light.

It was read, in 621 BC, to so small an audience in so small a place that its great effects for the whole world, through the following centuries into our time, are by contrast the more striking.

Before _Deuteronomy_ was compiled only the 'oral tradition' of what God said to Moses existed. The Levites claimed to be the consecrated guardians of this tradition and the tribespeople had to take their word for it (their pretensions in this respect chiefly caused the anger of the Israelite 'prophets'). If anything had been written down before _Deuteronomy_ was read, such manuscripts were fragmentary and in priestly keeping, and as little known to the primitive tribesmen as the Greek poets to Kentucky

hillsfolk today.

That *Deuteronomy* was *different* from anything that had been known or understood before is implicit in its name, which means 'Second Law'. *Deuteronomy*, in fact, was Levitical *Judaism*, first revealed; the Israelites (as already shown) 'were not Jews' and had never known *this* 'Law'.

Significantly, *Deuteronomy* which appears as the fifth book of today's Bible, with an air of growing naturally out of the previous ones, was the first book to be completed as a whole. Though *Genesis* and *Exodus* provide the historical background and mount for it, they were later produced by the Levites, and *Leviticus* and *Numbers*, the other books of the Torah, were compiled even later.

***Deuteronomy* stood the earlier tradition on its head, if it was in harmony with the moral commandments. However, the Levites were within their self-granted right in making any changes they chose, for they held that they were divinely authorized to amend the Law, as orally revealed by God to Moses, in order to meet 'the constantly changing conditions of existence in the spirit of traditional teaching' (Dr. Kastein).**

For that matter, they also claimed that Moses had received at Sinai a *secret* oral Torah, which must *never* be committed to writing. In view of the later inclusion of the Old Testament in one volume with the Christian New Testament, and the average Gentile's assumption that he thus has before his eyes the whole of 'the Mosaic Law', this qualification is of permanent

interest."--D. Reed, *The Controversy of Zion*, Veritas Publishing Company Pty. Ltd., Australia, (1985), pp. 13-14.

If you are to awaken and want to fight back, you must stop listening to the lying Jews who would lull you back to sleep with their deceitful apologies for Jews and for Judaism.

Revealing the Nature of the Enemy

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I suggest someone create a website dedicated to testimonials which disclose the inhuman, disgusting, subversive, racist and aggressive nature of the Jewish People. The website could post links to videos on Israeli white slavery operations, where women describe how the Jews enslaved and raped them. Adjacent to such posts, the website could include a comment section so that others can reveal their testimonials. Such videos already exists, and it would be a benefit to the human race to produce more and interview victims of Jewish perversion and barbarity.

There are already videos on Jewish child abuse and ritual murder of infants. The website could

link to these, and again allow a comments section.

The website should document the Jewish genocide of the Palestinians and offer a comments section for Palestinians to record Jewish attacks against them. The comments sections will afford victims the opportunity to document the Jewish war on mankind, and create interest in the subject as people discuss these issues and convey their personal experiences with the enemy.

The website and each entry should include some sort of disclaimer and cautionary advisory that the Jews have always sought to sabotage, subvert and discredit such revelations of Jewish atrocities against the human race, by themselves acting as agents provocateur and impostors. That way, when the Jews commit such duplicitous, deceitful and utterly dishonest actions, it will work against them, not against non-Jews. The Jewish subversion will then only serve as another example of what wretched creatures the Jews have always shown themselves to be.

Since the Jews insist upon destroying humanity in almost every way imaginable, the potential threads of testimonials against Jewish criminality are nearly endless. I suspect such a website would attract great attention and accomplish much. I do not have the time to create it–too many irons in the fire already. I merely put out the idea as a possibility.

When the American People learn what vile and murderous people are the modern Jews and the identical historical Jews, the awareness will trigger their will to survive and their desire to fight back against the aggressor, lest we all face the fate of the Palestinians, Iraqis, Armenians, Ukrainians, etc.

Indictments and Rallies Against the Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I believe we need to organize rallies against the Jews. It would be good to begin this process with some form of internet rally. We need an army to battle back the Jew, and we must develop the mass psychology in our people that recognizes we are under attack and that we are united in our defense.

Rather than childishly, sheepishly and euphemistically calling hostile Jews, "Zionists", we should instead call them "enemy Jews", or "members of the Israeli fifth column". Rather than ascribing enemy Jews' behavior and psychology to a "Zionist" mind set, we should correctly ascribe it to the "perverse Jewish mentality".

We should point out that the Jews have always been tribal, loyal only to each other, and hateful towards all non-Jews. We should point out that disproportionate Jewish influence, wherever it appears, is a sure indication that the Jews are practicing their ancient supremacist arts to the detriment of the majority. Not only are the Jews corruptly undemocratic, they are also

antagonistic to the majority. They are the enemy, by their choice, through their actions, and no one else's.

Our language and our actions must reflect the fact that the Jews are waging war against us, and that we have begun to fight back against them. Identifying the Jew as the enemy has a unifying effect. It promotes commonality, clarity and urgency of purpose among normal human beings.

For example, pointing out that a member of the government is a Jew carries with it the history, connotation and understanding that the Jews have from the beginning of the Jewish tribe declared that the Jews are a master race above all others and are engaged in an aggressive perpetual war against the human race with the stated objective of exterminating all non-Jews, that Jews are united against all others, that Jews believe that they should lie to, cheat and murder non-Jews, that Jews believe that they should subvert every non-Jewish government, that Jews believe that they must always do what is good for the Jews and no other, and that the Jews believe that they must use usury to enslave non-Jewish humanity. It is the Jews who chose to war against humanity. Humanity will now solve the problem for the benefit of the present and all future generations.

I suggest that we generate interest in rallies against the Jews by means of testimonials, open and anonymous. We could create simple video testimonials of how the Jews have harmed us. People could speak of Communist atrocities, economic atrocities, political atrocities, etc. that they have personally experienced, or that they have learned of from relatives, friends, co-workers, etc. People could tell how Jews have cheated, connived, lied, etc. Journalists, and even YouTubers and message boarders, could relay their experiences with Jewish censorship. Politicians could

speak of how the Jews have exercised undue influence to corrupt the political process. Doctors, lawyers, and researchers could disclose the tribalism of the Jews in the professions and universities. The idea is to get people talking, to let people know they are not alone and need not be afraid, and to create a common understanding of the war being waged against us and the fact that we are now fighting back.

I also suggest we generate interests in rallies against the Jews by preparing indictments of the Jewish People. I suggest we break the indictments down into categories and subcategories, including Jewish mass murder, Jewish subversion of governments, Jewish murders and intimidation of religious prophets and other religious figures and historical instances of the Jewish subversion of other religions, Jewish corruption of the professions, Jewish corruption of the courts, Jewish corruption of the universities and peer review processes, Jewish corruption of business interests, Jewish corruption of the press, etc.

I will get the ball rolling by preparing tentative lists of these crimes, and naming sources who have leveled these accusations against the Jews through the millennia. I ask my readers to email me additions, preferably with sources. Please date stamp your submissions and if you would like your name to be identified when your submission is published to the public, then so indicate. One of my goals here is to demonstrate that the Jews are not just individuals, but a history of a parasitic, racist tribe waging war on the human race. The Jews must be viewed in the historical context of the Jewish war on humanity. We must defend ourselves, in part, by recognizing what the Jews have already done to destroy us and elevate themselves; and by acknowledging the historical and proven fact that the Jews are still a hostile tribe waging aggressive war on

mankind.

Another of my goals is to prepare evidence for the court of public opinion as to the threat that the Jews pose to us all, and to awaken the public to the Jewish attack and the substance and form that it has traditionally taken. If I can attract interest in these projects, they will themselves become a sort of rally against World Jewry, but I envision something far greater in the near future as mankind suffers the "birthpangs of the Jewish messianic era", suffering the Jews are deliberately bringing to the human race.

Our political army should rise up organically as an immunological reaction on a societal level to a foreign and fatal infection. Our purpose should be to identify the enemy, use political means to quarantine it and prevent it from doing further harm, and to prevent its access to the body of our nation and the organs of power. We should adopt something like a uniform, with the anonymity (both through numbers and through cover), power and common purpose that a uniform implies. But that will come a little later as the political army forms.

First we must trigger the will to survive of our People. We must awaken them, organize them and direct them.

What We Have and What We Lack

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

One of the terrible effects of the recessions and depressions the Jews deliberately cause us, is that resources go underused or unused for lack of money to properly employ and exploit them, and our citizens suffer the loss. Idle land, idle factories, idle workers benefit no one, other than the Jews who intend to destroy the human race.

The resources exist to clothe, house, feed, educate and provide employment and medical care for every human being on Earth. We here in America are blessed to have the resources, the manpower, talent and raw materials to provide our own People with all the requirements of a good life. We have the lumber and steel within our own borders. We have the labor and brains to make these things happen. So why do our People suffer as the Jews grow ever richer at our

expense?

Americans also suffer under the delusion that the Jews have the right to steal all our wealth, because permitting the Jews this "right" shows that we are "free" while we struggle to pay the interest on our debts to the Jews, personal and public. Americans have been taught that it is freedom to be a debt slave. Americans believe that the rich have the right to internationalize our economy, which drives down our wages, reduces the value of goods produced domestically, lowers the quality of American products, and allows the rich to grow richer and enjoy all the benefits of American citizenship, while giving nothing back to American society. As the rich send your job overseas, they increase their profits, if only temporarily, while reducing your share of the wealth and increasing your tax burden as a citizen of a nation in perpetually growing debt.

If you think things are grim today, wait until the Jews destroy the American dollar as the reserve currency of the World. We have been receiving goods more cheaply than other nations, because many nations strive to acquire our dollars. That process is about to end, and with it the free ride it gave us.

We do not have the production to back the dollars we have pumped into the World economy, such that when these dollars come home there will not be the domestically produced goods and the purchasing power of American labor needed to give them value, and all the public works projects one can imagine will only give a short lived injection of purchasing power to the American worker, without creating goods, so that the dollars will again fly away to overseas production and come back like boomerangs to decapitate us when we have no surplus production to offer the World in exchange for its goods. The public works projects will only

drive us further into debt and reduce the value of our currency.

The Jews will also look to other currencies and commodities as a means to drive down the value of the dollar through effectively naked shortselling it through currency speculation scams that create the illusion of an increase in the money supply without providing any currency capital to American business. Just as with the naked shortselling of stocks, the apparent number of shares, dollars, increases, causing a loss of value for the real shares without any benefit to the company being raped, in the case of the dollar, without any benefit to America. The Jews will make immense profits in this way, at our expense. We will not be able to sustain this attack.

We have the resources to counterattack the Jews. We have the manpower and raw materials to eliminate the Jews from our lives. Just as we already have what we need to build our economy and give each citizen a good life, we already have what we need to defeat the Jews.

So why do we fail to build for each citizen a house and provide for every community adequate health care and educational institutions, despite the fact that we as a nation own the raw materials needed and have the manpower to accomplish these ends and far more? Why do our citizens never even consider the fact that we already have all that we need to give each other a wonderful life, if only we were step out of debt slavery to the Jew, and work together for our common good and produce our own currency to fuel our own growth?

Why do we let the Jew rob us and destroy our children, when we have the numbers and the means to crush the Jew? Why do we submit to Jewish ownership of our media, when we could instead drive out the Jew and free ourselves? Why do we belittle ourselves and internationalize

our nation for the benefit of the Jew, when we could instead remove the Jew from our lives?

We lack the national spirit, the *Volksprinzip*, the love of ourselves and our fellow citizens to even consider such obvious facts. We are instead taught that it is the fault of the individual, not the society, that our cities are slums and our educational systems and medical facilities are rapidly deteriorating, when in fact this decay is the result of a concerted Jewish effort to subvert our nation.

We lack the money, because we allow the Jews to create our money through debt and we can never climb out of the pit of Jewish usury. But the money would be there if we only started to produce it for ourselves. The money would free the flow and put our resources to work for our benefit. With the money to provide the incentive and the means, the American worker and the American brain can and will build America to provide each American with a good life. We need only properly use the money as fuel for our interests, instead of allowing the Jews to speculate in our currency, to create it through debt and internationalize it, and to profit from our production without contributing any labor towards building our nation. We have what we lack lying unused, though the Jews blind us to the fact.

We lack the will to better our People through cooperative action. But this is a mere matter of leadership and attitude. With a media interested in improving our nation, we can create the public psychology needed to combine workers and materials and turn them into the things we all desire to possess. Why do we let land sit idle? Why do we let the unemployed languish in idleness? Why do we allow other nations to supply us with goods we can manufacture for ourselves? We have what we lack, we need only wrest it from subversive Jewish control.

Imagine how stupid we would appear to our ancestors. Can you imagine a society 25,000 years ago allowing a Jew to walk into its camp and insist that it is his right to create money, to charge interest on it, and to reap all the benefits of the labor of the society, while contributing nothing to it but misery? Can you imagine a society celebrating its delusion of freedom and tolerance as it declines into death by starvation because the Jew has hoarded all the bows and arrows and claimed title to all the bountiful land and waters teaming with food? Can you imagine a society huddled together naked against the cold while the Jew sits atop a pile of clothes once owned by the people? Why do we sit naked, cold and starving, surrounded by plenty and empty shelters, while the Jew picks his teeth with our gold and tells us to quietly leave the lands we once owned?

A society which works against its people is not a society. It is a slave camp and a death camp. It is only the mind of our People that prevents us from realizing that we have all that we are led to believe we lack. We need only knock over the Jew and open the gates to the corral to lead our cattle back to us. We need only step back into our homes, turn on the lights in our factories, and start to work for our own interests, instead of the international Jew, and we will find that all we need is right here waiting for us to use.

We have each other. We have the land. We have the lumber, the steel, the food, the children to become engineers and doctors. We need only develop the will to force the Jew out, and we can build a far better nation than we have today. If we produce our own money, we can create the incentive among our own People to put all the resources we have at our immediate disposal to use for the betterment of our People. The alternative is to let the Jew steal, give away, destroy and leave idle all that would save us, all that is ours if only we claim it and push the Jew out of

the way.

On the Failure to Utilize Resources, Protectionism and Autarky

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It is funny, in the sense of "odd", that the Jews have us railing against protecting our own interests. The Jews have us decrying Protectionism, as if protecting our interests will destroy us. The Jews have us maintaining open borders as if protecting our sovereignty would destroy our moral souls and rob us of immortality granted by a Jewish god. The Jews have blacks hating blacks, whites hating whites, Christians hating Christians, etc. as if our worst enemy is ourselves and the only way to save ourselves is to destroy ourselves.

When the Jews send machine guns and propaganda pamphlets into Third World nations, the masses the Jews have frustrated through exploitation celebrate the chance to lash out and murder. They feel a sudden sense of empowerment and independence. They go from being a common peasant to being a soldier. But these guns aren't given to the peasants for them to kill their true and ultimate enemy, the Jew. Rather, the guns are given to the peasants and their nations so that they can kill, weaken and enslave one another.

If the Jewish controlled CIA and KGB had ever really wanted to help the Third World, they would have given them schools and investment capital directed to production and without usury attached. They would have opened markets for export and reduced tariffs. They would have increased local profits while reducing or eliminating the profits of foreign investors.

Consider these facts as you ponder the Jewish organized Libertarian Party and "Patriot Movement". Do they want us to arm ourselves so that we can battle back against Jewry, or so that we can slaughter one another? Do they want to deregulate business so that local profits increase, or so that robber Baron Jews can again exploit our resources without giving anything back to the local community? Do they want us on a gold standard so that prices are stable, or so that they can profit from gold which does not exist and privately control our money supply, while internationalizing our markets to reduce our wages and purchasing power to the lowest levels possible?

The Jews have deliberately destroyed American domestic production, American housing markets, and the American automobile industry. Concurrently, the Jews have increased unemployment, homelessness, and personal and national debt. The Jews have promoted inefficiency, reckless energy consumption, and service jobs. The Jews drive the youth into poverty, then offer up military service as the only viable alternative.

These are terrible crimes against our nation. Whenever the citizens request assistance from the State and government spending, the Jews cry foul, while the Jews steal trillions of dollars from the taxpayer, which could instead fund all that is needed to make America a paradise in which to

live. The money is there, but the Jews are stealing it and concurrently throwing Americans deeper into unpayable debt.

Now the Jews want us to turn against ourselves and destroy any and all hope of realizing the potential that America offers us. Unemployed people are a wasted resource. Crumbling buildings where industry should thrive is a waste of resources. Battles between the States, where the States should be cooperating to benefit the American People, waste resources. Allowing the super rich to internationalize our national resources without benefitting the general welfare of Americans sends our jobs overseas, destroys our independence and strength, and burdens our future generations with debt, ignorance, a lack of infrastructure and a lack of economic culture which should instead make America the best place on Earth to live.

The resources exist today, as they existed in the past, to build America into the greatest community mankind has ever known. Russia, too, has the potential for Autarky and as yet unrealized greatness. It is the Jews who destroy the leadership and the mind of the public, who prevent us from realizing our potential. We are not free to "lift ourselves up by the bootstraps" because the Jews control the mechanisms power, information and politics. You can not free yourself from bubonic plague while declaring the rights of rats to run free in the streets and open up your cupboards and storehouses to the rat population. You cannot win a war by inviting the enemy into your homes. There is no fair competition because the Jews wage psychological warfare on all others, while working together to strengthen their common hand and weaken all others. For there to be fair competition, and for us to improve ourselves, we must fight back against the enemy who, figuratively and literally, bombs our factories, poisons our wells and our

minds, and denies us our liberty in the name of freedom, their freedom to enslave us.

Just as the Jew cries, "Anti-Semitism" whenever anyone tries to prevent the Jews from enslaving them; the Jew cries "tyranny" whenever anyone tries to open up the marketplace of ideas to the majority and take away the Jewish monopoly on the public debate. The Jew owns the means of communication in politically meaningful ways, and the Jew sophistically declares it is his democratic right to monopolize the marketplace for the benefit of his minority against the interests of the majority.

Democracy must serve the majority as well as protecting the rights of the minority. A system which protects the rights of the minority so as to deprive the majority of its rights is not a democracy. In a democracy, the minority only has the right to its minority share. The Jews have twisted this simple fact to overstep democracy and make it rule by minority. The right of the minority to its minority share has become, in Jewish hands, the right for the hostile Jewish minority to steal everything by acting as a unit, while engaging in psychological warfare against the majority to prevent it from acting in its interests.

The *POWER PARTY* will ensure that minorities do not take more than their proportional share, and that any hostile minorities will be recognized as enemies of the nation at war against the American People.

The maintenance of liberty and democracy requires eternal vigilance and must often take the form of the protection of the majority from a hostile minority which is monopolizing the resources of the nation against the best interests of the majority. Where a minority has

corrupted the system to take more than its proportional share of the wealth, public discourse, political representation, etc. of the nation, its has exceeded its right to an equal share and has engaged in an attack on the rights of the majority to their proportional share. This is an even greater crime against the People than when the majority conspires to deprive a minority of its proportional share, for the simple reason that the tyranny ruins the lives of a larger percentage of the citizenry.

In a democracy, the minority must be protected from the tyranny of the majority, but this requires the definition that the minority is only entitled to its proportional minority share. What goes unsaid is the fact that in a democracy, the majority also must be protected from the tyranny of the minority. Stupid people fail to realize that a majority can be subverted by a minority and that a minority can rule a nation which seeks to be a democracy by controlling the public debate, controlling the wealth, etc. When a minority controls the majority of the wealth, the majority of the sources of public information, the majority of political dollars, etc. it is not a minority but instead a majority share of the means of control, and in this way imposes the tyranny of a minority population over the majority population, where the minority population controls the majority of power.

In order for us to maximize our resources for the best use by our people, we must break the yoke of the tyranny of the minority Jewish population and ensure our equal and proportional share of the benefits of the nation. We are not utilizing our resources, because to do so would free us from the Jew, and the Jew has chosen to oppress the majority by limiting its growth and success. The Jew is the majority money holder, especially when calculated as a group interest

competing against individuals who are not corruptly working together against all others. The Jew is the majority owner of media and political power. This is how the Jewish minority exercises tyranny over the non-Jewish majority, by controlling the majority of things abstract and non-human. The majority population has the right and the duty to protect itself from the tyranny of the hostile Jewish minority.

Pitting a People Against Itself: Beware Secessionists, Especially Those of the Ron Paul, Goldbug, Jewish Variety

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The current crisis between North Korea and South Korea, in which a proud people threatens to destroy itself, highlights the need to be wary of Jewish manufactured revolutions and secessionist movements. After the Jewish created Second World War, the Jews took over several nations which were occupied by Japan and the Soviet Union, and the Jews pitted these peoples against themselves.

Korea is one of these nations which suffers from this Jewish aggression against the human race. Just as the Jews caused the bloodiest conflict Americans have yet fought, the American Civil War, the Jews are driving the Korean People to slaughter one another, and destabilize the World.

After World War II, and the breakup of the empires, the Jews also pitted the Vietnamese against the Vietnamese, the Germans against the Germans, the Chinese against Chinese, the Indians against Indians, etc. Today, the Jews want to break apart the American Empire. Not only do the Jews want to destroy America's leading role in the World, they want the Empire to also crumble from within, such that the American People once again battle against the American People.

That is why we see the Jewish created Ron Paul movement advocating revolution and secession, as an outgrowth of the Ayn Rand and Ludwig von Mises Rothschild school of controlled opposition to the Jewish World Empire that is presently being finalized. The Ron Paul controlled opposition to Jewish Empire seeks to implement the very things which will destroy America forever and leave us absolute and defenseless slaves of Jewry: revolution, secession, gold money, aversion to unity and commonality of purpose, and the refusal to identify Jewry as the enemy of mankind together with the institution of Jewish ideology and leadership as if Americanism.

If you believe that Jewish inspired revolution and secession bear beautiful fruits, look to the Soviet Union under Trotsky and Kaganovich, Communist China under Mao, North Vietnam under Minh, North Korea under Kim Jong-il, India/Pakistan, Cambodia under Pol Pot, etc.; and you will observe the horrors of Jewish puppet dictatorships which often begin as revolutions and secessionist movements. Now imagine Americans battling one another, or simply in constant conflict over borders, water rights, railway routes, tariffs, citizenship, etc. Think of what we will lose, if we surrender our territory and our unity. Imagine the difficulties that will

arise in food production, industry and the movement and use of resources, should we become hostile towards one another.

If you think the Jews are making your lives needlessly difficult and complicated today, imagine the horrors of Americans dropping bombs on Americans, Americans placing Americans in concentration camps, Americans destroying American cities and infrastructure. If you think it can't happen, you have forgotten your history.

Just as the neo-Conservative crowd were the architects of the plan to Balkanize Middle Eastern nations, including Iraq; the Ayn Rand-Ludwig von Mises-Libertarian-Ron Paul crowd are the architects of the plan to Balkanize and destroy America. We can read their plans in their position statements, just as we see the plans of the neo-Conservatives and Israelis in their position statements. Do not take these issues lightly. The death of our nation is at hand if we do not organize politically to defend ourselves from Jewry, including Jewish controlled opposition.

The Games Being Played and the Players Playing Them: A "Two-State Solution" = War on Iran and the "Final Solution of the Palestinian Problem"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Obama, Ahmadinejad, Erdogan, Sarkozy, Brown, Merkel, Medvedev, Netanyahu, Avigdor Lieberman and the full cast of Jewish puppet leaders and Jews are playing a clever game with the Arab street, the Israeli public, the American public and the Iranian public.

Obama, Clinton and others are talking about forming a Palestinian State, should the Palestinians surrender their birthright to Jewry. Lieberman of Israel is attempting to convince the Israelis that the expulsion of Arab Israelis from the Jewish State coupled to the loss of some unimportant Israeli stolen territory and the formation of a Palestinian State is good for the Jews, because it will ensure the demographic integrity of the racist Jewish State as a Jewish

State.

At the same time, Netanyahu is relatively quiet, given his nature, but holds the stick against the idea of a Palestinian State, and is serving as the man who must be convinced through concessions to his agenda.

All these "leaders" have one goal in mind, and it is NOT the formation of a Palestinian State, but rather war on Iran. The Palestinians, as usual, are simply the bait.

The Jews, who own Arab leadership, are trying to convince the Arab street that if the Arabs ally with the Jews against the Persians, the Jews will give the Palestinians a country of their own and thereby stabilize the region. I have been detailing this plan for years and have repeatedly proven its existence with direct quotations from Israeli and Arab leaders.

The Palestinians will NOT obtain a nation from this treachery against fellow Muslims. Rather, in the chaos of a war between Arabs and Persians at the behest of the Jews, which will escalate into World War Three, the Jews will exterminate the Palestinians, just as the Torah and the 613 Mitzvot of Judaism command them to do. As the Arab street learns that it has been betrayed by its leadership, the Arab governments will be overthrown and Arab countries will become increasingly weakened. Egypt will suffer terrible famine and tens of millions will die. Israel will grow into the Sinai and take over the territory up to and perhaps past the Nile. Saudi Arabia, Jordan, Syria, Iraq and Lebanon will fall to the Jews as territories needed to secure the borders of the Jewish State, and no one around the World will care as they face their own horrific problems and as their governments fall to pieces.

The proposed "Two-State Solution" in exchange for Arab cooperation with Jewry against Iran game is the Jews' final solution to the Palestinian problem, extermination. The fact that Ahmadinejad does not come out and expose this treachery against Islam is further proof of his, and his superiors in Iran's, complicity with the Jews.

What is needed, and what the Muslim religion has always provided for, is Islamic unity in the face of Jewish aggression. The issue should be the continued flow of oil, not a war on Iran, in exchange for the recognition of Palestinian sovereignty over their ancestral homelands. The Muslim World has tremendous leverage at this time over the failing economies of the West. The Muslims should use this leverage to demand, instead of begging for and cooperating with the enemy as if a basis for, Palestinian liberation from the yoke of genocidal Jewry.

The American People will not support, and cannot afford, more naked aggression against Islam, and is everyday growing increasingly disgusted with Jewry. Instead of groveling, the Muslims have the opportunity to take control over their own fate. This is why the Jews are forced to play games and pretend that Obama and their other puppets are concerned for justice for the Palestinians. It is in reality a trap meant to bring war and devastation to all Islam, including the Palestinians. Recall that these venomous snakes did nothing to rescue the Palestinians as the Jews invaded Gaza, to know their true intentions and loyalties.

The Jews must advance their pieces on the board one move at a time, but the oil of the Middle East can easily checkmate them, which is why their war on Russia has not yet turned more aggressive, as it will in the near future. If the Muslims united to leverage the West with the flow

of oil, at this time when the withdrawal of oil from the market would quickly collapse the West, they could insist upon, rather than begging for, Palestinian sovereignty. The Muslims could easily control the board.

If the Muslims wait until the Jews lead the Arabs in an attack on Iran, it will then be the Muslims through their internal conflicts who cut off the oil, not the Jews through their apartheid racism, and the World will blame Islam, not Jewry, for the crisis, and the American People will then support nuclear war on Islam as the only cost effective means to wage war in an economic collapse. Remember that America is the only nation to have waged nuclear war and that we not only have the stomach for it, we have already done it, and our pundits regularly publicly call for a nuclear attack whenever hostilities arise. "Turn the nation into a sheet of glass" falls off the lips of Americans as easily as "blitz and sack the quarterback". Vietnam came very close to nuclear annihilation not so very long ago.

Of course, the Muslim World must also wage a propaganda war to counter the Jews. When has an Arab government, which governments are now lining up to genocide fellow Muslims in Iran on behalf of the Jews, ever produced documentaries for Western consumption which exposed the plight of the Palestinians and which exposed the genocidal attacks of the Israelis? Would it not be easier to produce an information campaign to favor Palestinian interests, than to go to war against fellow Muslims on the Jewish promise that they will then cease to genocide Muslims? After all the ignored UN Resolutions and broken promises of the Jews, are you now going to trust the Israelis and their puppets around the globe just because they speak of a Palestinian State? Do you not realize that this talk is merely their means of ensuring that there will never be a Palestinian State? Why do you let your sworn and ancient enemies dictate your

actions which work against your own best interests?

First unite. Then tell the West that the injustice and genocide the Jews are perpetrating against the Palestinians is a crime against the human race which cannot be tolerated. Then cut off the oil for a week. Then negotiate for a Palestinian State, if that is your goal. The Palestinian State, however, already exists and is occupied by an illegal aggressor, the Jews. They have been expelled in the past and can be expelled again, but not if you act stupidly and allow them to make demands on you.

Muslims Beware Obama's Lies

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Barack Obama is a pathological liar. Barack Obama is a puppet of the Jews. The bankers put Obama in power, and Obama has stolen trillions of dollars and given them to the Jews. He likes to betray people who foolishly believe his Jewish lies.

When Obama, like both Presidents Bush before him, states that he is not at war with Islam, he,

on behalf of the Jews, is seeking to pit Muslims against Muslims. Americans did not declare war against all Koreans, or all Vietnamese, rather, at the behest of the Jews, Americans slaughtered Koreans and Vietnamese in the name of defending Koreans and Vietnamese.

Obama is indeed waging war on Islam, by seeking an alliance of Sunni Arabs and Turks with the Israelis and Americans, against all Shia and the Kurds. Obama wants to side with the Arabs who wage war on Shia, just as Americans installed and sided with Saddam against the Persians, but as with Saddam, the Jewish goal is for Muslims to murder as many fellow Muslims as possible. And just as with Saddam, once the Jews have used the Persians and Kurds to weaken the Arabs and the Turks, and the Arabs and Turks to weaken the Persians and Kurds, the Jews will then aim American and European guns on Arabs and Turks, as well as Persians, Kurds, Pakistanis, Indonesians, etc.

So, be advised Muslims, Obama is lying to you, just as he lied to Christian Armenians when he promised to recognize the Jewish genocide of Armenian Christians. Obama is, at the behest of the Jews, out to destroy you all by first enabling and encouraging you to destroy one another.

If you think America and Israel will be faithful allies of the Arabs and create a viable Palestinian State if the Arabs help the Jews to destroy the Persians, remember how the Americans, at the behest of the Jews, set up Saddam and the Iraqis to then knock them down.

Joseph Goebbels and Carl von Clausewitz: Total War, Absolute

War and Real War

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

On the 18th day of February, 1943, Joseph Goebbels called upon the German People to wage "total war" upon the enemies of the Reich, in particular upon the Jewish Bolsheviks who were waging war on the World. Goebbels notes in his speech that the English had accused the Germans of acting just as the Bolsheviks acted by waging total war, thereby leaving no difference between the two. Goebbels responded that the difference lay in the outcome. Goebbels famously stated,

"Ich frage euch: Wollt ihr den totalen Krieg? Wollt ihr ihn, wenn nötig, totaler und radikaler, als wir ihn uns heute überhaupt erst vorstellen können?"

You can watch Goebbels make this statement at about 2 minutes 25 seconds into the following YouTube video:

Joseph Goebbels - The total War

Scroll down the webpage at this site for Joseph Goebbels' full speech in English translation *Nation, Rise Up, and Let the Storm Break Loose* which translates the German as,

"I ask you: Do you want total war? If necessary, do you want a war more total and radical than anything that we can even imagine today?"

By "total war", Goebbels meant that the Germans and all the nations the Germans controlled should devote their full resources and efforts to waging war. Prior to Goebbels, Carl von Clausewitz had proposed the idealized notion of "absolute war" and opposed it to "real war". By "absolute war", Clausewitz meant a campaign to eradicate the enemy. By "real war", Clausewitz meant a war to defang the enemy such that it no longer poses any threat.

We need a total and absolute war on the Jewish People, because the Jewish People have been waging a total and absolute war on the human race for at least 2,500 years. The declaration of the Jewish total and absolute war on humanity appears for all to read in the Torah, and Rabbis to this day lament that the Jews fail to live up to the standards of inhumanity iterated in the Torah for the treatment of non-Jews. Moses demanded that his people murder men, women, children and animals. Joshua also demanded total and absolute war on the Goyim, as did the Jewish god of the Torah, who can more correctly be described as the Devil.

And the Jews oblige their Devil. From the Maccabbees to the Bolsheviks, the Jews have continued the Torah tradition of committing genocide against the Goyim. Like the Torah, the Jewish Cabalah calls for the Jews to destroy all the nations and exterminate the human race by all means, including deception. The Mossad's credo of war by deception is straight out of the Cabalah. The Torah itself is a deception, being a limited written statement of Jewish intent, the full version having been left an oral tradition so as to prevent its falling into Goy hands and

serving as evidence for "anti-Semitism". The more the Jews put to writing in the Talmud and the increasingly murderous incarnations of the Cabalah, the clearer the Jewish plan to kill us all became, and the Torah tales of genocide could no longer be doubted as the product of a Jewish plan to destroy all human life and replace it with Jewish death.

Do not make the mistake of doubting that the Jewish People are engaged in a war against us because not every Jew is involved in this total war against us, this absolute war to exterminate us. Not every German participated in Goebbels' total war, either, but it was nevertheless express NSDAP policy, just as it is expressly Jewish policy to engage in total war on mankind. The Jews, in their fundamental and foundational documents, call upon every Jew to use his full powers to destroy his Gentile neighbors.

The Jews propagandize against the peoples and nations they seek to destroy, and simplistically build an image of an absolute enemy, just as their devilish god does with the mythology of the absolutely evil Canaanites and Amalekites, whom the Jewish god commands the Jews to completely kill off down to the last man, woman and child; which commandment remains Halakha in the works of Maimonides and the subsequent 613 Jewish Mitzvot that Jews follow today. Do not expect the Jews as individuals to live up to the myth of an absolute, completely evil enemy which they project upon us as individuals. This is Jewish fantasy which will not be met in reality.

The Europeans had a more noble concept of war than the Jews. Europeans did not believe that the societies against which they fought were composed of animals whose souls had been infected with the blood of Satan in the Garden of Eden, which is what Jews believe. Europeans once

allowed their armies to line up and fight battles as competitors in a way Jews could not conceive. Not every Jew is going to fulfill the expectation of a Jewish style myth of an absolute evil enemy, but this does not mean that the Jewish People are not engaged in an absolute and total war against us. Nor does it mean that we are deprived of our right to fight back against the Jewish People, who as a people are waging aggressive war on us.

Just as the American People are not each fighting and killing Iraqis, America nevertheless is waging war on Iraq, and for Iraq to bring this war to a halt, it would have to destroy the American People, even though not every American is directly fighting against Iraq, nor has even the slightest animus towards Iraqis. In like fashion, the Jewish total and absolute war against us compels us to wage total and absolute war on Jewry. It is not our choice, but theirs. It does not result from aggression on our part, but from Jewish aggression. We must defend ourselves in the only we can, for if Jewry is left behind, Jewry will continue to war on humanity. Their war of extermination on us is their *raison d'etre*.

It is not necessary to believe that every Jew is actively warring on us for us to fight back against the Jewish People as a people which is waging war on us. Since the Jews are engaged in an active campaign to destroy us, our war must shut them down completely and we must devote all of our available efforts towards achieving this end as soon as possible so that we can save humanity from the Jewish campaign to destroy it. If in order for us to defend ourselves from an aggressive nation or people, we would first have to prove that each individual member of that nation or people were devoting his full efforts to warring against us, we would never be able to defend ourselves from any aggressive attack. It is enough that Jewry has openly declared war on

us for 2,500 years and is openly attacking us for us to be justified in our defensive war against the Jews. Nothing more need be proven.

The Jews as a people and as a nation are attacking us. We are not only justified, but obliged, to fight back and destroy the Jews as a people and as a nation. That means we must wage total and absolute war on the Jews in response to their aggressive total and absolute war on us. We must do so through our government by issuing a Congressional declaration of war on Jewry and then employ our military to destroy the aggressive enemy.

The only way we can achieve this needed measure is to elect officials who represent us and our interests. We need candidates and political organization. It is our job to do and no one else can or will do it for us.

Addendum to My Blog: "The Jewish Year 6000 as Manifest in the Media"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In my blog "The Jewish Year 6000 as Manifest in the Media" I referred to the ABC production, which can be viewed here:

Earth 2100

I would like to call attention to some of the persons involved in that production, including John Podesta, who, like Rahm Emanuel, was White House Chief of Staff and who heads the Center for American Progress, and who was co-chairman of the Obama-Biden Transition Project. The annotated transcript of "Earth 2100" states,

"THOMAS HOMER DIXON

And until we have a crisis of some kind, I don't think we're going to be motivated to wake up and say, "Okay, now we have to change."

JOHN PODESTA

President, Center for American Progress

Sometimes it takes a big shock to get people, you know, out of the inertia that's built into the system."

I am reminded that Zbigniew Brzezinski wrote in his book *The Grand Chessboard: American Primacy and Its Geostrategic Imperatives*, Basic Books, New York, (1997), pp. 24-25,

"The attitude of the American public toward the external projection of American power has been much more ambivalent. The public supported America's engagement in World War II largely because of the shock effect of the Japanese attack on Pearl Harbor."

Project for the New American Century published a report entitled *Rebuilding America's Defenses: Strategy, Forces and Resources For a New Century*, Project for the New American Century, Washington, D.C., (September, 2000); which states on page 51,

"Further, the process of transformation, even if it brings revolutionary change, is likely to be a long one, absent some catastrophic and catalyzing event—like a new Pearl Harbor."

Another famous personality appearing in "Earth 2100" is Robert James Woolsey Jr. former Director of Central Intelligence and head of the Central Intelligence Agency. We also find "Former CIA Scenario Designer" Stanley Feder, Thomas Friedman a prominent Jewish supporter of Israel, Alan Weisman author of *The World Without Us*, Jared Diamond author of *Collapse*, Elizabeth Economy

Director for Asia Studies, Council on Foreign Relations, Peter Gleick President, Pacific Institute, and numerous other representatives of think tanks and policy formation institutes. These individuals and their contributions to "Earth 2100" can be found in the annotated transcripts here:

The Irony of "Planned Obsolescence" and the American Automobile Industry

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

American auto manufactures have long been accused of incorporating "planned obsolescence" into the cars they produced, forcing the consumer to repair or replace their vehicles in unnecessarily short intervals. The Jews long ago planned the obsolescence of American industry, itself.

That Jew who so inspires Ron Paul and like-minded dolts, Ayn Rand, born Alisa Zinov'yevna Rosenbaum, foreshadowed the planned and coordinated Jewish attack on American industry in her propaganda book *Atlas Shrugged*. The Jews deliberately destroyed British industry long ago, and have refined the art to a true science.

But the Jews have not yet destroyed or stolen away all of our territory, or our natural resources, or our minds, though Jews like "Rand" have corrupted many minds, and the Jews have polluted our waters, our air and wasted much that is ours by birthright. The Jews want us to pawn off what remains of our American inheritance to their top usurers, hawk it to the Chinese for a little more fun, and otherwise steal from us what is ours. As Rand openly stated, the Jews want to loan us gold which does not exist, and expose and surrender everything that is forever ours to the open Jewish market where that which is priceless is exchanged for the abstract value of paper and gold credits loaned to us at interest, the vigorish to be paid in our blood and with our childrens' souls and futures.

It is sickening to watch the Jews in the media try to conceal their overwhelming joy at the demise of America. They love to ridicule General Motors, and with it all the Goyim.

The Jews did indeed plan the obsolescence of America long ago. They stole our wealth as we built ourselves up, and now they use their media to place politicians into office who knock us down. The Jews do this to every nation they infest. The more the nations bless the Jews, the more hateful the racist and segregationist Jews become. The self-destructive generosity of the Goyim disgusts the Jews and causes them to revile the host with ever worsening bloodlust, the fatter the cow, the fitter for kosher slaughter. The dumber the cow, the easier the kill.

America is falling fast and with it the World is dying. Americans have done nothing to dethrone the Jewish puppet Barack Obama, who was placed in power by the Jewish bankers, and then abused his office to steal trillions of our dollars and hand them over to the Jewish bankers. We

should be demanding that the Congress impeach Obama, and we should be running candidates who pledge to do so.

When the strangled cow ceases to give milk, the Jews slice its throat and bleed it dry, then hack it apart until even salt cannot withdraw more of its life's blood. That is Jewish kindness to the animal kingdom. Welcome to your fate for blessing the Jews, America. They are aiming for one clean cut across your veins and arteries to finish you off, and their rusty razor, stained by the blood of a thousand nations which fell before you, is at your throat. You could at least try to kick a little, or do you lack even the will to survive of a confused and dying cow?

America needs the *POWER PARTY*, and the *POWER PARTY* needs you. The ancient Jewish war on humanity is raging against us. We must fight back. There is no other option but a COWardly and confused death.

The Jewish Year 6000 as Manifest in the Media

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have witnessed an alarming trend in the media to push the idea that human beings have

outlived their welcome on planet Earth, and that the Earth will benefit from a long period of rest, much like the Sabbath millennium described in the Talmud. The *History Channel* has produced the following series:

Life After People

and *ABC* just aired:

Earth 2100

I ask you to please watch my video *The Jewish Year 6000* and consider its import in light of these mainstream productions:

Utilizing Testimonials to Inspire Interest in the POWER PARTY

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I propose that we create a list of Jewish crimes against the human race throughout history. This list can serve many purposes. It can serve as a series of hyperlinks to more indepth articles which provide primary source materials and factual and sound logical arguments which establish these historical facts.

The List of Jewish Crimes Against the Human Race can also be made into a set of hyperlinks linking to testimonials which promote the *POWER PARTY*. This will accomplish several goals at once, by educating, informing and providing an outlet for outrage and concern, all at the same time.

I suggest the following format: Members of the Party from diverse ethnic, religious and national backgrounds should create personal testimonials describing how the Jews have harmed them, or their ancestors, with a concluding statement something like, "Join the *POWER PARTY*.

Together we can prevent the Jews from doing this to America."

For example, an Ukrainian-American could describe how Lazar Kaganovich and the Jews starved some ten million Ukrainians and mass murdered the Ukrainian Kulaks, thereby permanently harming and degrading the genetic heritage of the Ukrainian People. This witness can also testify as to how the Jews are presently enslaving Ukrainian women and murdering and raping them in several nations, including Israel. This will serve as a powerful and compelling indictment of Jewry, our Jewish controlled politicians and the Jewish press which collaborate with the other arms of Jewish power to suppress these facts from public view. The video testimonial will bring in the audience, and humanize the history, in ways documents and articles cannot, but the list will also provide links to such documents and articles which substantiate and prove the claims being made in the videos.

At the conclusion of the video, the Ukrainian-American witness will declare, "I am a member of the *POWER PARTY*. Join the *POWER PARTY*. Together we can prevent the Jews from doing this to America."

As our numbers grow, we can employ these methods at our rallies with projectors and large screens showing the corpses of the victims of Jewry together with quotations from Jewish literature which declare and attempt to justify the Jewish war on the human race. Our speakers will inspire various communities to join us as communities, and those who speak against us will be viewed as traitors to America and the various ethnic, religious and national origins we represent in our struggle to free ourselves from Jewish oppression and genocide.

POWER PARTY Policy: The Power of the Pardon and the Right to Political Asylum in America

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The *POWER PARTY* can garner support, improve humanity, aid our cause, and embolden and motivate our members by instituting a policy that when elected, we will pardon those who have been persecuted by the Jews for fighting back against World Jewry, and we will grant political asylum to those who fight the Jews on foreign soil, and those who engage in normal human discussion of Jewish issues, and who are imprisoned by the Jews or are likely to be imprisoned by the Jews for engaging in this needed conduct. We will also send our military to foreign lands in rescue operations to free those who have fought with us against Jewry and who have been imprisoned for doing so. We will embargo, boycott and utilize other pressures on foreign governments which act on behalf of the Jews to persecute normal human beings.

This will motivate our citizens to vote for our Party and promote interest in our cause. It will also raise public awareness of the Jewish campaign to strip us of our most fundamental rights and to imprison us for defending ourselves from Jewish aggression.

We can invoke the names of our heroes and champion the cause of freeing them as reasons to vote for the *POWER PARTY*. We will also show our heroes that they enjoy broad support, which will give them hope and purpose to continue to stay strong and fight on against the aggressor. The public will recognize the urgent need to elect *POWER PARTY* officials both to free those who have defended us, and to prevent the further erosion of our rights and the consequent empowerment of Jewry.

Note the Media Hype After the Iranian Elections, As Opposed to the Media Silence Leading Up to the Iranian Elections

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Now that Ahmadinejad has won, the Jews are calling attention to the Iranian elections and using them as a weapon with which to defame Persians. However, the Jews were largely silent leading up to the elections so as to help guarantee Ahmadinejad's victory.

There is even a descendant of Marrano Jews who supported Obama, who now tries to take credit for my insights about Ahmadinejad, Russia and the Jews' celebration of Ahmadinejad's victory which they helped create. He has been trying to sell us on an Israeli attack on Iran, as if that were in our interests. In reality, it is only in the interests of his Jewish friends.

Note how such Jews claim to be free of Jewish bias because they are not religious Jews, but

scratch the surface and you discover that their wives are or were Jews, and that a far larger percentage than 2% of their friends, colleagues and supporters are or were Jews, despite the fact that Jews represent at most 2% of the general population. This is further proof that Jewish tribalism survives Jewish atheism, and that most of the Jews who are pretending to be unbiased are instead feeding you Jewish propaganda on an anti-Zionist plate.

The media, which did nothing to prevent an Ahmadinejad victory, now complains about it. The Israelis are celebrating as they near war.

Chinese Checkers and the Star of David

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The board for the game of Chinese checkers takes the form of a Mogen David. So, too, do the games the Communist Chinese and the North Koreans are playing with South Korea, Japan, Taiwan and America bear a Jewish trademark.

The North Koreans are agents of the Jews through Communist China. The Jews do not want America to grow strong, and so will resist protectionism which would rebuild American

industry. Like "Chinese" checkers itself, these games do not originate in China, but the political deceptions originate in World Jewry.

The Jews, through the Communist Chinese, through the North Koreans are posing the threat to South Korea, Japan, Taiwan and America, that if Americans default on their debt to China and fail to surrender land and other resources to the Chinese, and/or engage in any form of protectionism, including protection from Chinese protectionism, then the Communist Chinese will supply North Korea with nuclear bombs, falsely claiming that they were domestically produced in North Korea, and China will have North Korea bomb and attack South Korea and Japan. The Communist Chinese will then move on Taiwan.

The Jews are blackmailing Americans and Japanese into destroying themselves.

It would be better for the Asians to unite with real Americans against the Jews. As I stated long ago, in, among other places, my blog of December, 2007:

Pawning Off America, December 14, 2007

which has since been plagiarized by a CIA agent who often parrots my work without any attribution (one of several such government scumbags who try to take credit for my insights), the Chinese will increasingly internalize their economy, which is good for them and good for the World. We Americans must also internalize our economy and strive for Autarky. It is the Jews who stand in the way of this process. Rather than slaughtering one another, we should join with the Chinese in fighting back the aggressive Jewish enemy of our peoples.

Jewish Puppet Barack Obama and the Jewish Controlled Press Helped World Jewry to Re-Elect Ahmadinejad: Top Jews Celebrate the Prospects of a New War

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish controlled press was largely silent about the then approaching elections in Iran. Had the Jews wanted Ahmadinejad to lose, they would have lambasted him through each of their countless venues for attack. Comedians, journalists and politicians around the World would have raised a stink about Ahmadinejad and attempted to interject their views into Iranian internal politics, but this did not happen because the Jews wanted Ahmadinejad to win so as to afford themselves with false pretexts to aggressively attack Iran.

I explained this process, and the reasoning behind Obama's war friendly policy in the Middle East in the following blog:

Primary Reasons for Obama's Approach to the Middle East, June 07, 2009

The media was silent on Ahmadinejad and the elections to help re-elect him. Obama helped re-elect Ahmadinejad by appearing to take a more moderate stance on the Middle East. In fact,

Obama was, at the Jews' behest, creating the conditions the Jews require for a Jewish attack on Iran.

Now, Ahmadinejad, like Bush, can claim a mandate and declare before the People of Iran that his policies put Obama in power and Obama has favored Islam because of the wise actions of Ahmadinejad. Now, the Israelis will lie and claim that Ahmadinejad's second term will provide Iran with the time needed to manufacture an atomic bomb. The Jews will claim that Ahmadinejad's re-election proves that Persians are intrinsically evil for wanting such a man to lead them after he has demonstrated his "antiSemitism", and thereby attempt to justify their genocidal Jewish desire to drop nuclear bombs on millions of Persians as an act of collective punishment. Israeli leaders will demand that the Israeli People support an attack on Iran. Israelis, through their Jewish puppet agents in leadership roles in the Arab World, will form a Jewish–Sunni-Arab alliance against Iran, the Kurds and the Shia.

The Arabs (crypto-Jews and Jewish funded traitors) will now join with the Israelis in calling upon the US to attack Iran, and will join with, and support an Israeli attack on Iran. The Israeli People will also be whipped into a frenzy, fearing the withdrawal of US support and a second term for Ahmadinejad, to make an illegal, aggressive attack on Iran.

It will be interesting and telling to watch how Netanyahu plays the game in the coming days. Syria's silence is also quite telling. Syria has a great deal at stake in this Jewish game to draw Syria and Iran into war. I do not envy honest Syrians who are caught between Iraq and a hard place coming up their rear.

It is truly fascinating how successfully the Jews have misled the public to believe that Obama is

working for peace, when he is creating the needed conditions for war; and to believe that the Jews are opposed to Ahmadinejad when the Jews in fact love Ahmadinejad and use him to satisfy their desire to genocide the Persians. It is the Jews who want to attack Iran, not Iranians who want war with the Jews. Obama is a war monger, not a messenger of peace. But, alas, many human beings are far too stupid to comprehend these facts and processes even when they are explained to them.

KILL THE BEST GENTILES by James W. von Brunn

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Someone has emailed me a link to a book by James Wenneker von Brunn:

KILL THE BEST GENTILES by James W. von Brunn

I have briefly looked at it, as well as some of von Brunn's writings on a website which once belonged to him, as recorded in Google's cache. Some are questioning whether or not von Brunn was working for the Jews as part of a false flag operation. After perusing his writings, I am

doubtful that this is case, unless some major change occurred since the composition of those writings.

There are some tells of an agent of the Jews by means of outside support from a close friend, and the nature of the alleged crimes themselves, but the nature of his writings weigh heavily against this inconclusive evidence. My gut feeling is that he determined that life did not hold much more for him and that he would sacrifice what little time he had left, before senility or disease claimed his mind, to act.

I do not condone his actions. I find his much earlier actions of greater interest than his recent actions, but do not condone those either especially in the form they took. I will perhaps write more about this later.

POWER PARTY Economic Policy: What We Value

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The common perception of what is valuable and what is not has tremendous impact on the

nature and survivability of a people and its social mechanisms. Do we value housing, and if so, for whom, of what type and for what purposes? These are questions which frame our decision making processes and the common sense perception of the answers and indoctrinated responses to these questions, and whether or not they are even being asked, define a people and are defined for a people by its ruling class, as well as by its circumstances and its history. What we believe to be common sense is often mental manipulation by a hostile party against the interests of the majority.

If we value housing, and we in America do, then what type do we value? Can we measure value only through its dollar price, as if market forces do not depend upon manipulation and perception? Cannot value be a measure of use, or of labor and resources not calculated in dollars trading hands, but measured with logic and facts? Can our decisions as to what has value, and how much value it has, depend upon our minds or must they be measured in dollars and thereby be equatated to all other things and abstractions through this one abstraction which robs everything of its identity and importance as being separate from everything else?

In America, we place far greater emphasis and importance on the square footage and superficial appearance of a house, than on quality of materials, quality of construction and efficiency of the house. Housing is largely a matter of vanity for Americans. This has had a tremendous impact on our economy and the long term effect of the decisions we have made to date will be negative.

The Jews have wanted us to buy on credit, and build beyond our means. The Jews want us to waste money and resources on vanity items which do not improve our lives or our society, but

instead contribute poisons to our environment and waste resources which would be better devoted to more sustainable products, systems and lifestyles. Since the Jews take a large cut of everything we produce, they encourage and manipulate us to produce disposable items. Since the Jews make enormous sums from our debts, they want us to go deeply into debt. Since the Jews make money from credit, they want us to spend rather than save, and to base credit on Ponzi schemes and other illusions which will eventually collapse, leaving them with all the wealth and the rest of us with all the debts from which they will continue to profit.

The *POWER PARTY* places great value on housing, so housing will play a very important part in the American economy under the *POWER PARTY*. But we also very much value the health of the American People, the employment of the American People, and the freedom of the American People from debt and disenfranchisement. We will not build a bubble economy destined to collapse. We will not run the nation into debt. And we will not ruin the living environment of the Earth to create unnecessary and mismanaged living spaces which destroy the common environment of humankind.

It is important to understand how these perceptions of what is valuable impact the nature of our World and general economy. When we build higher quality, healthier and debt free housing, housing markets will be far more stable. We will not base the construction industry on the whims of vanity and the means to feed vanity which depend on the illusory wealth of debt.

Instead we will build wealth, not debt. We will build homes which last and which conserve energy in various ways, including new zoning laws. Our People will come to value these homes in ways in which that value will remain and will not depend upon vanity over other more

important considerations. As a result, our monetary system will benefit our People by being the force for creating real wealth, rather as a store of value as a means to purloin the wealth of others. Real wealth stores value in clean land, clean air, clean water, sound genes, healthy food, good international relations, normal and healthy human moral values, strong and prosperous families, well organized and productive communities, etc. Money should not be what we consider stored value. Rather, money should be the means to produce that which is of value and the means to preserve the value we have already created and which is our blessing as a People on a territory we commonly defend.

Why do we let foreigners buy with currency land which we defend with our blood and our lives? Why do we let foreigners profit from our labor and obtain the means to steal our stored value and destroy it with pollution and corrupt our politics and thought processes through ownership of the means and production of mass communications? It is because we have been tricked into believing that money stores value, when it stores nothing and should only be used as a motivation to produce real value. Money under the Jews is often used to destroy real value and to transfer real wealth into Jewish hands and away from the People. We foolish Americans allow the Jews to internationalize our nation because we dream that this allows us to steal from other nations, but it is only the very richest who grow richer from this process and they do so by lowering the value of our labor as they profit from our protection to rob other nations as well as our own. We, as a people, do not profit from surrendering our sovereignty in hopes of stealing from other nations. The *POWER PARTY* will end this destructive process.

A sound and sustainable economy must first and foremost value its people. Health, vitality,

family, community, these must be things for which we will sacrifice and labor, the things we most prize, not wasteful housing, wasteful cars, wasteful jewelry, etc. What in a thousand years will become of our wasted wants? Will our future children in a thousand years be healthier, happier and stronger because we doted on our vain wants rather than valuing our future children?

The Jews want us to value money so that we accumulate it for them to steal so that they can then steal everything else we have in our pursuit to recover what we had before they stole it. We do not just chase good money after bad through usury, we give away everything we truly need to recover what they have stolen by making us believe that money is an end rather than a means to real wealth.

There is real wealth in political power, which is why the Jews dump so much money into politics and ensure that politics depends not upon that which is good for the People, but rather who devotes the most money to politics. Such a corruption would not work in a society which valued its own health more than other people's money. If we valued, truly valued, a healthy society, we would not surrender our labor to the money the Jews have accumulated as a means for them to subvert our political culture with money. Instead, we would refuse to accept the money they offer and devote our labor and resources to bettering our political systems. We should value our political systems not our currency. We should ensure that labor and resources chase after those things which better our World, rather than those things which corrupt and destroy our World.

The Jews are manipulating our needs and wants with abstractions that work against our best interests. Psychologist have thoroughly studied human processes of risk assessment and

decision making, and we often make poor choices. We have far more to fear from toxic chemicals than from weeds and bugs, and yet we poison ourselves to vainly ensure green lawns. We risk our lives in poorly designed automobiles and by smoking tobacco, but run scared at the possibility of a new disease that has not yet killed anyone.

Consider the risk of not joining the *POWER PARTY* or some like-minded political effort. The Jews have stolen trillions upon trillions of dollars worth of real wealth and perceived wealth from our economy in lost value. By making us base our perceptions of wealth on the vanity of owing poorly conceived housing, the Jews have our job market depending on construction and automobile production, which they have deliberately subverted and have had an easy time doing so because they have also subverted our natural sense of that which is of true value. The Jews raise us up like genetically modified corn, to decapitate and harvest us, and all that is left of us is depleted soil of no value.

Yet, we fear burglars and taxes more than the Jews and Jewish systems which have stolen trillions from our nation and millions from individual families. We invest in a shotgun to protect our homes from intruders, and lock our doors so that we do not lose a few thousand dollars worth of goods to a random thief, but we are not vigilant to defend our economic system from the Jews who regularly steal from us through usury on the home we occupy as debt slaves, the taxes the Jews take from us to pay debts on the currency they needlessly loan to us, and to pay for debts they create against our interests through wars, the loss of international good will towards us, and by manipulating our psychology to waste our wealth on things we don't need and which harm us.

If we valued living in a debt free society, if we valued health and family, and if we measured that value pragmatically rather than with the illusory weights and scales of Jewish currency, then we could build our wealth in ways which benefit our People and measure that wealth in the happiness and health of our nation, rather than in the size of our debts as individuals, families and as a nation. For when we use money to measure our wealth, rather than our real holdings and the value of our bodies and of our souls, the Jews have entered our abode and will pick it clean leaving us wasted corpses in the river of history.

Money is only of use if it increases the value of our land, the value of our health, the value of our education and culture, the value of our children for all generations to come. Where money is itself value, all else will fail, because it cannot compete with a universal caustic agent that consumes through ubiquitous greed to the detriment of all but the Jew who thrives on greed. The greedy who love money take from themselves and from the People and give to the Jew. If greedy you must be, lust after freedom, it has real value; desire love and healthy children, they are a real future; preserve and increase clean land, air and water, they are to become our bodies and our childrens' bodies and the bricks of our souls.

To manage this new economy which encourages a change of perception of that which has value, we must eliminate Jewish influence. This will be a major priority of the *POWER PARTY*. Then we will be able to convince our People that their labor and resources are best preserved in the assets of our nation, and it will restore human nature to value real cleanliness instead of the many poisons packaged in Jewish illusion.

How can a dollar bill, or golden bar, compare as a store of value to our healthy chromosomes?

Why do we poison our genes in hopes of increasing our dollars? And tragically, the costs of all our waste and foolish vanity, which only ultimately benefits the Jewish usurer, far outweigh any short term gain to us. . . . The money we have given the Jewish bankers, which is to say the money they have stolen from us, and the value of houses which we have lost, could more effectively have been spent by paying off all our debts. Instead we have lost value and increased our debts. Such is the curse of blessing the Jews and it is a worm that eats our vanity as we value that which destroys us, instead of valuing ourselves.

When we give up our land to foreigners or poison our water, we are not just losing dollars, we are losing our lives and our nation. Dollars trading hands is not good measure of value, nor does the abstraction which facilitates trade ensure benefit to the People. A house is not a car, which is not a healthy child, and yet we foolishly try to define each as if a value in dollars. Instead, dollars should be used to build, not steal, and a dollar should never be prized over our health as a People.

With Obama Constantly in the Spotlight, It Is Important Not to Lose Sight of the Treachery of the Congress

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

We have a tendency to use most of our resources exposing the criminal treachery of the President, while largely ignoring the treachery of the Congress, especially on the level of individual members. This is a mistake for several reasons.

The Congress will have the power to declare war on Iran and oblige the President to fight that war. The Congress will also assume the power to delegate that authority to the President and short circuit the Constitution and thereby deny the rights of the American People to representation. Members of the Congress are more frequently elected in the election cycle and therefore it is easier to change the complexion of Congress as a whole and send signals to Congress than to the President, thereby making the Congress more easily influenced than the Presidency. Congress has the power of impeachment and can hamstring or remove the President with this power. Congress is more easily and effectively reached and more effective to lobby than the Presidency. Individual members of Congress are easier to defeat in elections with pooled resources than is a Presidential candidate. Etc. Etc. Etc.

It will be the Congress that will hold hearings on the banks. It was the Congress that enabled the President to steal trillions of dollars from the American taxpayer and hand it over to the Jews. It was the Congress that together with the President helped the Jews to destroy the American automobile industry. It is the Congress that has passed legislation meant to strip of us of our fundamental rights, which the Jewish controlled President will eagerly sign.

We are foolish to neglect the crimes of the Congress and to miss the opportunity to seize control of the State by criticizing and replacing the current Congress. We are more likely to elect at least one person to Congress than to win the White House, and one voice in the Congress can stir the American People to action.

There ought to be at least one sophisticated web site that records the votes, speeches and actions of the individual members of Congress as they relate to the Jews and the fifth column of traitors who sponsor Jewish crimes against America and the World. The Jews never neglect to focus on the Congress, and neither should we. We can put tremendous pressure on these politicians by focusing attention directly at them both individually and collectively and we can replace them in the election cycle.

How to Spot a Jewish Political Philosophy by Means of Its Personality

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jewish politics features two distinguishing characteristics: The "cult of personality" which

substitutes emotion for reason and follows the Jewish messiah model, and the concept of the State as *Volk* (People) which enables destructive Jewish dogmatism to stand against the People's instincts of self-preservation and which promotes the illusion of the divine right of the pop star messiah to rule.

The Jews love to advertise. They promote themselves as if superior and noble. They exclusively promote Jewish interests. They exclude all dissenting voices and never praise the Goy unless doing so creates an even greater love of the Jew.

In a normal, healthy human society, the State is a mere organ of the entire body which is the *Volk*, one of many separate and distinct organs which keep the body of the *Volk* alive and productive. The brain reasons and reacts, the heart pumps blood, the intestines digest food, the muscles contract and relax, etc. but never in a healthy society does the State presume to be the entire body, and the *Volk* a mere organ of the body of the State.

However, you can detect a Jewish political philosophy by its personality. The Jews promote the myth that the State is the supreme body and greater than the *Volk* who are a mere organ which exists to serve it and the other organs of the State, because the State is the Jews. In a Jewish dominated society, the *Volk* are a mere subservient organ serving the Jewish body, the State.

In a Jewish system of governance, the State controls not only the organ of the *Volk*, but also creates new categories of citizens through charter, law and convention, which also serve the State as organs of the body of the Jewish People. The Jewish State converts abstractions into persons who work for the interest of the Jews, the State. Money, land, debt, corporations,

stocks, bonds, contracts, treaties, religion, education, media, press, etc. become organs of even greater importance to the body of the State than the *Volk* itself. The *Volk* is sacrificed to the interests of these other bodily functions. The People are sacrificed to the Jews.

The State under the Jews is an abstract inorganic body of greater proportions than reality. It is a dogma which cannot be challenged, a mind set of slavery, the deliberate destruction of the *Volk*.

In the healthy, normal society the *POWER PARTY* seeks to build, the State will not be greater than the People, but will instead be a minor organ serving the other healthy and fully functional organic tissues of society which are made up of families. The State will not consider the business sector of society to be its function, nor will it arbitrarily define education, nor religion, nor family, nor any of the other parts of the body of the *Volk* which function best as interdependent structures, not submissive structures serving a Jewish abstraction which is held to be greater than the People itself. The abstract will not through illusion and sophistry become real and meta-human, nor will mandated chimeras or occult principles throw shackles on the human being or his mind.

Thomas Paine declared, "That government is best which governs least." This discounts the fact that the private sector often obtains powers equal to or greater than the government. We need to view society as an organic whole and not succumb to the illusions of words which blur the reality of the mechanisms of society, power and control. We need systems which benefit and serve the *Volk*. Official government is but one part, and it is usually the Jews who want us to pretend that government is of its nature a beneficent and infallible body that should rule over the *Volk* rather than serve us, or, alternatively, that government is the enemy of the *Volk*.

The Jews often promote rule by personality cult, be it absolute monarchy or other forms of dictatorship. Only rarely do truly good absolute leaders appear, and it is even rarer that a succession of good leaders emerges and resists corruption. It is better to have several functioning organs of society serving the interests of the *Volk* than to have the *Volk* become a collective slave of a dictator. The brain of a healthy body contains many regions which serve different functions. Many brains working together are needed to regulate a society. Dictators tend to rule through fear and war, rather than serving the organic interests of the *Volk*. The Jews even attempt to blur and obliterate the separate organs of society and combine all power unto themselves with the myth of the dictatorship of the proletariat, which is of course in practice the dictatorship of the Jews, free reign of the parasite to eat away the healthy organs of the *Volk*. Alternatively, the Jews make everything of value abstract through currency, which enables them to practice usury and seize the assets and public debate of the *Volk*, thereby once again subsuming the *Volk* with an absolute, abstract and inorganic State which serves as a front for Jewish dominance.

The Jews always engage in the process of rendering that which is real, abstract, so that everything of value to the People, including their own lives, are open to the market and can be stolen by the Jews through corrupt means. We can build better systems than those of the Jews. We can safeguard ourselves from Jewish influence by learning to recognize its trademark features and shun them.

We must empower the People without allowing money manipulation to enable a hostile minority to define the mind of the common man. This is one area in which the Party itself will

serve a greater function than the State it defines.

Primary Reasons for Obama's Approach to the Middle East

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Obama is working for the Jews to achieve an Arab and Turkish alliance with Israel against Iran and the Kurds, to reelect Ahmadinejad, and to generate unease in Israel which will increase domestic support for an Israeli attack on Iran.

Jewish leaders want to up domestic support for an Israeli attack on Iran, so they have instructed Obama to cater to Arab leaders and to court Palestinians. This accomplishes two things at the same time for Jewish leaders. It increases anxiety in Israel that Iran will continue its nuclear program without a threat of American attack, because Obama is deliberately appearing to be softer on Iran than was Bush. It wins the Arabs as allies of the Israelis for an Israeli attack on Iran.

The Jews are lying and promising Arab leaders that if they help to destroy the Iranians on the premise that Iranians are a threat to Arabs, then the Jews will grant the Palestinians a semi-

autonomous State. In order to give the appearance that this is about to happen, Jewish leaders must have the Jews in Israel anxious that their best option is to talk as if a Palestinian State is imminent, on the pretext that it will help maintain the racial integrity of the Jews, and that it will win Arab support for an attack on Iran. Therefore, the Jews of Israel must be made anxious that the US is starting to look after its own interests and is just beginning to recognize the injustice and inhumanity of the Jewish genocide of the Palestinians.

Jewish leaders accomplish this goal with Obama's lectures to the Muslims. This also gives the Arab street false hope that a Palestinian State is soon to arrive, and that the Jewish grip on American politicians is loosening. In turn, this allows traitorous Arab leaders to plan for an attack on Iran in collaboration with Israel.

By talking peace with Arabs, Obama is instead deliberately leading them into unnecessary and self-destructive war. By challenging Israel's hegemony over the Palestinians, Obama is tricking the Palestinians into surrendering their fate entirely to the lying Jews and making the Palestinians the allies of the Israelis in their own demise and the destruction of Islam.

The Jews want to see Ahmadinejad reelected, so they are instructing Obama to make it appear that Ahmadinejad has succeeded in changing the Jewish controlled American attitude and posture towards Iran, and thereby garner support for Ahmadinejad. Note that the Jewish controlled media is not talking up the benefits of an Ahmadinejad loss to the extent they would if they actually wanted him to lose. The Jews are the aggressors against Iran and they want a pretext to attack. Ahmadinejad affords them that opportunity, at least with the Israeli public. It is Israel which seeks to attack Iran, not Iran which seeks to attack Israel.

So do not be mislead by Obama's games. The American public is not eager to attack Iran, so the Jews are making the Israelis and Arabs rabid with hate towards the Persians, and fearful the Americans will do nothing to kill the bogey man. Wait to see what happens after the election in Iran. I suspect Obama will rediscover Israel and suddenly come the conclusion that Iran must be stopped at all costs. Why else would the Jews' puppet in North Korea begin to tap dance at this time, if not to provide a pretext for the Jewish controlled media and Jewish controlled politicians to gin up hatred towards Iran and Pakistan?

Note that Obama's lies have the opposite impact they appear to have. Whereas Obama makes it appear that he is appeasing the Arabs and working towards peace with Iran, he is in fact creating the conditions the Jews need to exterminate the Palestinians and attack Iran. Whereas Obama makes it appear that he is moving away from the Israelis, he is instead deliberately conditioning them for a domestic attack on Iran which will of course be supported by an American and Arab alliance. Whereas Obama makes it appear that he is working towards peace with Iran, he is in fact creating the needed conditions for an aggressive attack on Iran.

Obama is a genocidal liar, working for the Jews to destroy America and to bring the World into war.

In Rejoinder to Curt Maynard's Response

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Curt Maynard has stated that he had received email from someone pretending to be me and that was the source of his erroneous belief that I had in some way criticized him. If anyone else has received such spurious email, kindly let me know. If you received such email under my name and you have not spoken to me by telephone, and/or you have not received a letter from the regular email accounts posted on my websites, then you have almost certainly received correspondence from someone other than myself. I very seldom respond to the email I receive at those accounts, and with those to whom I have written, I have most often also had telephone contact.

Other than that there is little in Mr. Maynard's response which merits attention despite the

unimportant contradictions in some of what he states. He has posed questions to me which were already answered by the blog I posted and to which he has responded (RE: Curt Maynard. . . What? May 22, 2009). Mr. Maynard inquires,

"Being that you've made this an issue, would you kindly provide us [your readers and mine] with additional information, i.e. which grandparents were in fact Jews? I allow commentary on my blog, so feel free to leave a comment. Oh yes, one last thing, you suggest in this post that I misinform my readers about your Jewish ancestry - If I've noted that you're part Jewish and you admit the same, how exactly do you figure that I've misinformed anyone? "–C. Maynard, In answer to Christopher Jon Bjerknes, June 17, 2009

In his commentary which was the source of this exchange, which he has since deleted, Mr. Maynard stated that it was his impression that my father was Jewish. A more careful reading of my initial response to his initial comments should answer his questions.

An as Yet Unrealized Opportunity for Real Reform in Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

When the Jews destroyed Russia by ruining its economy and blaming that destruction on the Czar who tried to prevent it, they placed Kerensky in power only to replace him shortly thereafter with Lenin and more importantly Trotsky who began to slaughter the best of the gentiles. I suspect the Jews have similar designs on Iran and Iranians.

Mir Hossein Mousavi does not represent a real departure from Ahmadinejad and the Jewish revolution begun in Iran is a sham built on discontent with Ahmadinejad, and not any reforms promised by Mir Hossein Mousavi. Since Mir Hossein Mousavi is not promising to make substantial changes, he is instead simply a means for the Jews to destabilize and weaken Iran for attack and for other major destructive changes. The Jews are not out to create a lasting government under Mir Hossein Mousavi, but rather are only using him to dispose of him when the time is right.

Since Mir Hossein Mousavi does not represent any substantial change and certainly does not represent an opportunity for substantial improvement in Iran, there is an opportunity for a genuine reform party and leaders to emerge from the ashes the Jewish flames will cause. Such a movement can also serve to atomize and diffuse the Gang-Green Revolution and point out that it is only a trap and is not of any real substance, but is instead exploiting discontent to only cause Iran and Iranians further harm and despair.

Wealthy Iranians should put some money into creating a real alternative for Iranians to both Ahmadinejad and Mir Hossein Mousavi. Mousavi at any rate is a big step in the wrong direction. He is a phoney like Obama who promises change without change. He is as shallow and insubstantial as the green paint on his supporters' signs. He is as monochromatic and dull as his

Jewish color revolution. It is time to add some real color to the debate.

The Unsustainable Nature of the Present Economy: Gambling With Monopoly Money, While Trying to Save It

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The American economy remains afloat on two tenuous and opposing tendencies among American consumers. On the one hand, Americans feel a pressure to buy while their purchasing power retains its value. In other words, Americans are worried that hyperinflation will soon strike, and that the American dollar will fail. As such, Americans are buying goods now which they believe will tend to retain their value and depreciate less than other goods. This affords some measure of protection against rising prices. Down the road, as prices rise, they will have on hand those items whose prices will likely increase at the fastest pace.

On the other hand, Americans feel an enormous pressure to hold onto cash for fear that their wages will decrease or disappear altogether, and knowing that higher taxes have already begun to take a bite out of their income and will only increase in the future. This encourages Americans to save, which has also kept the banks from completely collapsing.

There will be a tipping point when inflation escalates and the banks fail to provide a return on savings that even begins to match the rate of inflation, when Americans will be forced to dump their cash holdings in favor of hard assets likely to depreciate least in adjusted dollars. At this point when the savings versus spending conundrum collides with itself, the economy will completely crash as will the currency, because the banks will fail, credit will disappear, and there will be no means nor incentive to produce all the goods and services needed to keep an economy running as money finds fewer and fewer avenues of expression. The game of gambling with monopoly money between savings and spending will end in a bloody whirlwind flushed down the toilet of history.

Therefore, we must go after the Jews and foreigners who are today hoarding hard assets and land and take them back. But we must be extremely vigilant to not fall into the trap of Jewish revolution promising debt forgiveness and land ownership at no cost in labor or production.

Lenin and Trotsky promised debt forgiveness and land ownership to the Russians in exchange for destroying Russia for the benefit of the Jews. When the Russians found themselves with no debts they also found themselves with no credit. When the Russians found themselves with land, they discovered that they were slaves who were forced to work it for the Jews who owned the land through the State. Soon after the Jewish Bolshevik Revolution, the Jews shipped the gold of Russia to the Jewish bankers who had financed and orchestrated the Jewish takeover.

The same will happen here in America. In fact, the Chinese and other foreigners are already buying our land, land which we defend with our blood and treasure. This land will be used to

fund a foreign State which in turn is under the control of the Jews.

The American worker will only enslave himself by succumbing to the promises of a Jewish revolution (observe that the Gang-Green Revolution in Iran is a Jewish revolution as are most if not all revolutions). The Jewish Ron Paul Revolution offers the same trap, just as Boris Yeltsin again entrapped the Russians when Communism was eliminated in Russia. Ron Paul will open the door for the Jews to rape our land and industry for their profits, while degrading our environment, selling us drugs, alcohol and tobacco (the Jews have been destroying the Slavs for centuries by forcing them to buy and consume Jewish manufactured liquor), and lowering our wages and deflating our currency so that all our wealth will flow overseas into Jewish coffers. It is always heads you lose, tails the Jews win, with any Jewish revolution.

It will not be enough to simply replace our currency and eliminate the Fed. The *POWER PARTY* will also go after the Jewish criminals and seize the assets they have stolen from us, wherever they are around the globe. We will also make it illegal for foreigners to own or even lease land which we hold to be our territory. We will also make it illegal for our citizens to lower our wages by sending our jobs overseas and by schemes meant to deflate or hyperinflate our currency.

We must wage total and absolute war on Jewry if we are to succeed in breaking the Jewish yoke and rescuing the hurting Earth for our children a thousand generations from today.

Beware Recount Chicanery

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ahmadinejad must beware recount chicanery. A single real or fabricated instance of fraud or miscount will be misrepresented by Mir Hossein Mousavi and the international Jewish press as if proof that the entire election was a sham. It is a virtual certainty that Mir Hossein Mousavi and his backers have engineered some fraud into the election through *agents provocateur* which they can point to in order to claim the election was rigged, since they have probably rigged some part of it to favor Ahmadinejad.

I also anticipate that the Jewish media, and the Jewish controlled Christian Zionist media will start to trot out Iranians and feature their contrived testimonials against Ahmadinejad and the election. Ahmadinejad's supporters should feature testimonials of appreciation for what he has done to head off this move, and display them on YouTube. The Iranians should have started fighting the propaganda war long ago. These must be well done so they cannot be easily ridiculed. In addition, they must discredit Mir Hossein Mousavi.

Why Would Mousavi Slip a Noose Around His Own Neck?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

We know that there are external forces behind Mir Hossein Mousavi, and we know that he has rich backers in Iran who were able to garner him a surprising 1/3 of the vote. But money can only buy you so much love with the public.

So why is Mousavi pushing so hard for things he cannot achieve through normal means? He cannot expect that Ahmadinejad will surrender his victory. Mousavi cannot expect that a recount will favor him.

Are Mousavi and his backers aiming for a revolution, a civil war, a *coup d'etat*, or a foreign attack and/or invasion? How can they hope to survive this without a "regime change" in Iran? What do they know that we do not, that they take such enormous risks?

What members of the military are on their side? If they were able to muster 1/3 of the Iranian electorate to their cause, and can marshal large crowds even after some have been killed, what support do they have in the military? What is it that they are planning to achieve and how do they plan to achieve it? Who are they betraying and who will betray them?

Ahmadinejad has to be careful not to slide into paranoia and accuse innocents of treachery, but he also has to be vigilant. One wonders at what point he will declare that his rivals have committed sedition and execute them in the public square. One wonders at what point the plans of Mousavi and his backers will unfold.

None of this is good for Iran, or for the World. It is a real shame that the Iranians are forced to choose between bad and worse.

Mousavi and his backers have crossed the Rubicon and there is no turning back for them now. They must be waiting for some form of coup, because there is no chance for their efforts to overturn the election results to succeed. They must also have friends in the theocracy. Are assassinations in the works? Will the CIA and Mossad bring in troops to aid a coup? Will Israel bomb Tehran?

Why do we human beings endure all this mayhem and misery so that 15 million Jews can play god? Why do not we simply get them out of our lives? None of this would be going on today if the Jews were removed from influence in the World.

Diffusing the Gang-Green (Gangrene) Revolution in Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As went the Ukraine and Georgia, so goes Iran, Rose, Orange and now the gangrene of the Gang-Green? Back on 29 September 2006, I predicted that the CIA and Mossad were arranging a *coup d'etat* in Iran in the following blog:

Coup d'Etat, September 29, 2006

"It smells like a coup is brewing in Iran. Iran's neighbors have recently met with Washington. Plans have been discussed. Deals have been made. Both Ahmadinejad and Chavez have met with their contacts in America. Ahmadinejad may have outlasted his usefulness. The press is beginning to talk a little bit more about "Tehran" and a little bit less about Ahmadinejad. In the eyes of Israelis, it is the Syrians who are encroaching upon the ancient lands of the Israelite tribes. A coup in Iran could place Syria in a precarious position. Then there are the Kurds, who are allies of the Israelis, and who would be strengthened by a weakened Syria and Iran, and seize the opportunity to make their bid for independence and secession from Iraq, Turkey, Syria and Iran—this could spark the broad war the Israelis have been trying desperately to foment.

If it becomes overly obvious to the Iranians that Ahmadinejad is leading them over a cliff, a true leader might emerge and take charge of the nation. Jewish leaders do not like to wait. It leaves them doubting. It confuses them. Dissensions arise. Deadlines approach. Expenses increase. Public opinion changes. More and more people become involved in the planning, which inevitably increases the risks of detection and failure. Within Iran the populace is growing impatient with its crypto-Jewish theocratic leadership. There is a massive amount of oil at stake. Pressures are mounting, but are they mounting a coup? The Mossad and the CIA must reason that if their boys in charge of Iran today are to be ousted, it would be best to find suitable

replacements and install them before control is lost."

Ahmadinejad is also working for the Jews as are his crypto-Jewish theocratic bosses. They created the conditions for the Gang-Green Revolution. The Jews are practicing their old Parvusian strategy of "perpetual revolution" in Iran, whereby the Jews maintain control by creating civil war and revolution on the premise of an ever changing perpetual enemy among the People itself who must be destroyed in order for the revolution to be fulfilled leaving room for a paradise on Earth. This Jewish Gang-Green Revolution feeds off the Iranians' discontent with Ahmadinejad, not the love of Mir Hossein Mousavi, who is a mere symbol of that discontent.

It is a protest against Ahmadinejad which does not identify the true enemy, not a thorough proposal for reform, and therefore forms a shallow and easily diffused basis for a true revolution. Just as the Communists promised paradise if the Shah could be deposed, Mousavi promises paradise if Ahmadinejad can be deposed. This will not solve Iran's problems which are external as well as internal.

Iran, like America, needs a political party and candidates who are honestly opposed to World Jewry, not working for it. That said, Ahmadinejad could easily diffuse the contrived movement following Mousavi in several ways. He must provide an outlet for the youthful energy which is being focused at him in a negative way and capture that energy to better the nation. A leader must act like a parent of the nation and provide the child with direction and perspective. Ahmadinejad needs to lead rather than react. Recounting only buys time for Ahmadinejad, but it also buys time for Mousavi.

Ahmadinejad needs to subvert the cult of personality building around Mousavi by introducing confusion into the dissent. He needs to have other dissenting voices which disagree with Mousavi and introduce them into debates he oversees as leader, in the interest of the nation. This will atomize the resistance and he can then capture it for his own purposes. For example, after I announced the formation of the *POWER PARTY* the Jews introduced competing parties hoping to steal my thunder, my ideas and channel it towards their objects. I will profit from their efforts and ultimately consolidate all they have done under my umbrella. Ahmadinejad should do the same, but he must lead, not react.

He should raise doubts about Mousavi not in a reactive and angry fashion, but with humor which will make it uncool for the youth to follow such a jackass as Mousavi. He should follow the money and organization trail and it will reveal many crypto-Jews and CIA operatives. He should offer rewards for information that reveals the organizers of this Jewish revolution, which is working towards a civil war. Most importantly he should always position himself as the defender and leader of the Iranian People. Mousavi is really in a weak position and the cult surrounding him is an illusion built of discontent not substance.

This is a propaganda war at this stage, and Ahmadinejad is playing it badly.

Could Be We Are Getting Close

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are delighted that Ahmadinejad won the election in Iran. The Jews are also delighted that supporters of Mir Hossein Mousavi are protesting Ahmadinejad's victory. These events weaken Iran both externally and internally and the Jewish vampires smell the blood.

As Iran grows weaker, the Jews become less dependent on Arab support, and more dependent on Israeli public opinion as a necessary precondition for an aggressive attack on Iran. As a result, Arabs in the pockets of the Jews can pretend to reject Netanyahu, which strengthens his hand with the Israeli People. Now, Netanyahu can claim that the Arabs refuse to make peace with the Jews, increasing Jewish paranoia and the Jews' desire to attack Iran, which nation Netanyahu claims aids the enemies of Israel and is about to produce nuclear bombs.

These conditions make it even easier for the Jews to attack the Muslims than the previous necessity of allying with the Arabs against the Persians, to then turn on the Arabs. If Iran can be provoked into revolution and then attacked from Israel, the Mossad will have an even easier time provoking revolutions in Egypt, Saudi Arabia, Jordan, Syria, Lebanon, Turkey, Pakistan, Indonesia, etc.

Ahmadinejad should turn the destructive energies in Iran into constructive energies, and offer Mir Hossein Mousavi some kind of post and offer to create for his followers some means of

participating in the government and improving the lot of all Iranians, not because the election was rigged, but because he loves all of the Iranian People and wants to see Iranians united and working together for the benefit of all. Ahmadinejad would be wise to first attempt to placate this group, rather than polarize Iran. If that fails, then there are other options.

Should Mousavi spit on Ahmadinejad's overtures, then it will look bad for Mousavi in the eyes of most Iranians.

Should the Instability in Iran Increase, the Israelis May Seize the Opportunity to Attack

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

If Iran were to descend into chaos, the Jews would have an open window of opportunity in which to attack. Facing domestic turmoil, it would be difficult for Iranians to initiate a counter-attack against the Israelis.

The Jews would face many fronts around the World, but the counter-attack would be weakest if they were to strike while Iran is in tumult. I suspect the Israeli generals are chomping at the bit

for Ahmadinejad to declare martial law and for Iran to fall apart, so that they can send their bombers to Tehran. Netanyahu need only win popular support for such an attack among the Israeli population.

Crucifying the Christ: As Obama's Star Fades, the Arabs Will Meet Their Graves

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews know that the crashing economy and increasingly destabilizing World will eventually turn the American public against the Jewish puppet Obama. They have carefully planned for that day, which is why they are aligning Obama with the Arabs, whom the Jews are about to betray.

Netanyahu spoke of a Palestinian State and called on the Arabs to join with the Israelis in a quest for peace. When such a Jew speaks of peace, we know that war is coming, and Netanyahu's statements are code for an Arab alliance with Israel against Iran, whom he blames for alleged Palestinian violence against Israel.

The Arabs' new false messiah, Obama, is preparing to betray them. At the same time as Obama's popularity declines, the Jews will whip up the Christian right to embrace their old friend Netanyahu. But Israel and Iran are separated by Arab nations and the Jews want the Arabs to help them slaughter Muslims in Iran and spark a regional conflict. Once this starts, Netanyahu is positioned to be the one who warned us about Obama and how his policies would fail. Netanyahu will also cry to Israelis that we poor Jews are again alone in the World and must defend ourselves, for who came to our rescue in the camps, or in our wars against the Arabs, not even the US!

Netanyahu is appealing to Israelis and Arab leaders to attack Iran. I suspect his appeal will be successful and Obama and the Congress will be on the side of the Jews, as they always are, but the wicked guile of the Jews will have the American People crying out for war and blaming Obama for what the Jews have wrought upon the World, just as they put Obama in power by blaming Bush for what the Jews had done.

Obama's popularity was great enough to enable the Jews to steal trillions from taxpayers. His star will fade and the Americans do not have the stomach for war, so the Israelis and Arabs must be talked into it in the name of "peace" and "Palestinian sovereignty". That is what these games are all about at present.

I suggest Netanyahu follow his own advice and disarm Israel and recognize the Palestinians' right to exist on their own land. That would be a true move towards a more peaceful World.

I Really, Really, Really Hate to Say, "I Told You So!", But I Did!

When you predict that the Jews are leading us towards a nuclear World War Three, it is really painful to be proven right:

NKorea warns of nuclear war amid rising tensions

I could say that it did not take long for my prediction of this Korean threat to come about, given my blog:

Chinese Checkers and the Star of David, June 13, 2009

but I have been predicting these events for years, in, among other places, my blog of 15 October 2006:

Japan and South Korea Are in a Vise, October 15, 2006

I do hate to say, "I told you so!", but the truth is, I did, long ago. . .

I Predicted a False Flag Attack Back on June 17, 2008, But Do NOT Believe von Brunn Is It

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I predicted that there would be a false flag attack meant to discredit the Anti-Zionist Movement, in, among other places, a blog I posted way back on 17 June 2008:

Will There Be a False Flag Attack Meant to Destroy the Anti-Zionist Movement and Breach the First Amendment? June 17, 2008

I still expect the attack is coming, probably several, but I do not believe that von Brunn's alleged assault on the Holocaust Museum was a false flag attack. I again repeat that I do NOT condone von Brunn's alleged illegal acts.

There are some strange things about the story coming out of the media. The media claim that von Brunn used an ancient slide/pump action rimfire .22 cal. shooting gallery type rifle--hardly an assault rifle! But, if true, a .22 (long rifle?) is very light recoiling, especially in such a rifle--just what such an old man would need. A pump is somewhat difficult for an 88 year old man to operate, especially under stress, but those old Winchesters were smooth out of the factory and

loosen up even more with time.

Brunn is a convicted felon, which would make it difficult for him to obtain a firearm, which may explain the rifle. He is also quite old and unlikely to have contacts in the gangbanging community who could supply him with arms. Perhaps we will learn how he acquired the gun, why he chose it, etc. My guess is it was an unregistered antique (clearly pre-1968) an old man could pick up, or store for decades, without any red flags going up. If von Brunn was out to make a statement, anything that went bang would suffice.

A .22 rimfire has been known to drop deer, but is not a particularly lethal round, especially in long, or short versions, as opposed to some of the hot new .22 long rifle high velocity loads. Before the days of antibiotics, people used to dread being shot by the dirty greased bullets typical of a twenty-two because they could kill days later from infection, rarely having the power to make it through the body. Quick kills with a .22 rimfire are rare even with the magnum version, which was not what von Brunn used. This opens up a can of worms, but the death of the security guard may explain many other anomalies and I have learned to wait for further reports and not rely on news reports or the first thing the cops say. I hope there is a trial and we hear what von Brunn has to say.

Contrary to the legend some of the Jews (not Hoffman) who claim von Brunn was an agent of Jewry want to build, von Brunn did not appear from nowhere. He attempted to arrest members of the Fed decades ago, and was well known for his anti-Jewish sentiments for a very long time and was known for his book which was copyrighted in 1999. He served a long stretch in prison. Was his prior attempt to arrest members of the Fed a false flag attack? I doubt it. The website

featuring his writings is typical of such websites belonging to, or dedicated to old men who did most of their work before the age of the internet, again contrary to the legends the Jews are attempting to craft of a supposed contrived website meant to deceive. It is not surprising that it was immediately taken down given the heat was turned up to solar degrees.

The Jew Michael Hoffman calls von Brunn a "Manchurian Candidate" and quotes, in full, one of von Brunn's anti-Christian writings, which has since been pulled off the web by the Ron Paul supporter who had originally allowed it on his website:

James von Brunn hated Christianity

which includes von Brunn's article *CHRISTIANITY and the HOLOCAUST* that originally appeared here:

http://www.antichrist.net/vonbrunn.html

A good many highly intelligent German scholars have agreed with von Brunn in this article both as to the subversive nature of Christianity and the heinous nature of Jewry. Hoffman's shallow and disappointing analysis is contradicted by an eminent Jew named Disraeli, whose freely given statements vouched for every one of von Brunn's main contentions and arguments against the Jews and the child of Judaism which destroyed Rome and held back all of Europe, Christianity. Disraeli wrote, in contradiction to the shallow sophistry and converted Christian religious fanaticism of the Jew Hoffman:

"Nor is it indeed historically true that the small section of the Jewish race

which dwelt in Palestine rejected Christ. The reverse is the truth. Had it not been for the Jews of Palestine the good tidings of our Lord would have been unknown for ever to the northern and western races. The first preachers of the gospel were Jews, and none else; the historians of the gospel were Jews, and none else. No one has ever been permitted to write under the inspiration of the Holy Spirit except a Jew. For nearly a century no one believed in the good tidings except Jews. They nursed the sacred flame of which they were the consecrated and hereditary depositories. And when the time was right to diffuse the truth among the ethnicks, it was not a senator of Rome or a philosopher of Athens who was personally appointed by our Lord for that office, but a Jew of Tarsus, who founded the seven churches of Asia. And that greater church, great even amid its terrible corruptions, that has avenged the victory of Titus by subjugating the capital of the Cæsars and has changed every one of the Olympian temples into altars of the God of Sinai and of Calvary, was founded by another Jew, a Jew of Galilee.

[***]

They may be traced in the last outbreak of the destructive principle in Europe. An insurrection takes place against tradition and aristocracy, against religion and property. Destruction of the Semitic principle, extirpation of the Jewish religion, whether in the Mosaic or in the Christian form, the natural equality of man and the abrogation of property, are proclaimed by the secret societies who form provisional governments, and

men of Jewish race are found at the head of every one of them. The people of God co-operate with atheists; the most skilful accumulators of property ally themselves with communists; the peculiar and chosen race touch the hand of all the scum and low castes of Europe! And all this because they wish to destroy that ungrateful Christendom which owes to them even its name, and whose tyranny they can no longer endure.

When the secret societies, in February 1848, surprised Europe, they were themselves surprised by the unexpected opportunity, and so little capable were they of seizing the occasion, that had it not been for the Jews, who of late years unfortunately have been connecting themselves with these unhallowed associations, imbecile as were the governments the uncalled for outbreak would not have ravaged Europe. But the fiery energy and the teeming resources of the children of Israel maintained for a long time the unnecessary and useless struggle. If the reader throws his eye over the provisional governments of Germany, and Italy, and even of France, formed at that period, he will recognise everywhere the Jewish element. Even the insurrection, and defence, and administration of Venice, which, from the resource of statesmanlike moderation displayed, commanded almost the respect and sympathy of Europe, were accomplished by a Jew—Manini, who by the bye is a Jew who professes the whole of the Jewish religion, and believes in Calvary as well as Sinai, 'a converted Jew', as the Lombards styled him, quite forgetting, in the confusion of their ideas, that it is the

Lombards who are the converts—not Manini.

[***]

Is it therefore wonderful, that a great portion of the Jewish race should not believe in the most important portion of the Jewish religion? As however the converted races become more humane in their behaviour to the Jews, and the latter have opportunity fully to comprehend and deeply to ponder over true Christianity, it is difficult to suppose that the result will not be very different. Whether presented by a Roman or Anglo-Catholic, or Geneveve, divine, by pope, bishop, or presbyter, there is nothing one would suppose very repugnant to the feelings of a Jew when he learns that the redemption of the human race has been effected by the mediatorial agency of a child of Israel; if the ineffable mystery of the Incarnation be developed to him, he will remember that the blood of Jacob is a chosen and peculiar blood, and if so transcendent a consummation is to occur he will scarcely deny that only one race could be deemed worthy of accomplishing it. There may be points of doctrine on which the northern and western races may perhaps never agree. The Jew, like them, may follow that path in those respects which reason and feeling alike dictate; but nevertheless it can hardly be maintained that there is anything revolting to a Jew to learn that a Jewess is the queen of heaven, or that the flower of the Jewish race are even now sitting on the right hand of the Lord God of Sabaoth.

Perhaps too in this enlightened age as his mind expands and he takes a comprehensive view of this period of progress, the pupil of Moses may ask himself, whether all the princes of the house of David have done so much for the Jews as that prince who was crucified on Calvary? Had it not been for Him, the Jews would have been comparatively unknown, or known only as a high oriental caste which had lost its country. Has not He made their history the most famous in the world? Has not He hung up their laws in every temple? Has not He vindicated all their wrongs? Has not He avenged the victory of Titus and conquered the Cæsars? What successes did they anticipate from their Messiah? The wildest dreams of their rabbis have been far exceeded. Has not Jesus conquered Europe and changed its name into Christendom? All countries that refuse the cross wither while the whole of the new world is devoted to the Semitic principle and its most glorious offspring the Jewish faith, and the time will come when the vast communities and countless myriads of America and Australia, looking upon Europe as Europe now looks upon Greece and wondering how so small a space could have achieved such great deeds, will still find music in the songs of Sion and solace in the parables of Galilee.

These may be dreams, but there is one fact which none can contest. Christians may continue to persecute Jews and Jews still persist in disbelieving Christians, but who can deny that Jesus of Nazareth, the Incarnate Son of the Most High God, is the eternal glory of the Jewish race?"--B. Disraeli, *Lord George Bentinck: A Political Biography*, Chapter 24, Third

Revised Edition, Colburn, (1852), pp. 485, 497-498, 505-507.

I do not condone what von Brunn has done, and it has thus far proven to have been counter-productive especially with the help of the Jews who have attacked his historical arguments, but between Hoffman and the other Jews, and von Brunn, von Brunn clearly has the better mind and more lucid and historically accurate arguments. But as I predicted, any kind of illegal action will prove counter-productive.

Those Jews aside, I suspect there are some who do not want von Brunn to become a martyr or to spark any kind of mass movement. I suspect there are some who do not want von Brunn's written work to become popular–quoting it to attack it does not tend to make it more popular, though it does afford one the opportunity to read it!

Much more interesting than the Holocaust Museum incident was von Brunn's attempt to make a citizen's arrest. I do not condone it. It does, however, raise interesting questions. When, as is the case, a hostile and alien power subverts the nation and controls the law enforcement powers of the State, what recourse does a citizen have to secure the interests of the nation, and defend the nation from illegal attack?

I think rather than acting alone as individuals, we should pass laws which empower the People to indict by means of a million signature or more petition. Any person so indicted must then be subjected to a trial by the People and be sentenced by the People. Since a corrupting organization which has subverted the State has the means to prevent the enactment of laws which proscribe its criminal behavior, the People shall have the power to make law in the

Petition for Indictment and the power to enforce it and to sentence by it, and the accused shall be denied recourse to an *ex post facto* defense.

A Heads Up on Internet Versions of Woolfolk's "Red Dragon"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Back on 30 September 2007, I linked to an online version of L. B. Woolfolk's *Great Red Dragon, or London Money Power: The Foreign Money Power in the United States* in the following blog:

A Good Book on How the Rothschilds Subvert the Best Interests of Humanity, September 30, 2007

with the following link:

L. B. Woolfolk, *Great Red Dragon, or London Money Power: The Foreign Money Power in the United States*, George E. Stevens, Cincinnati, (1890).

A couple of days after I posted this blog and added the book to the books page of my website, a mindless parrot who follows me around echoing my work added a copy of the book to his

website, which after mine had incorporated a books page that largely mirrored mine and which would sometimes subsequently add the books I added or mentioned on my blog. So much the better, for it is an important set of books!

However, a problem arises in that the version of Woolfolk's book to which I linked, and which was copied by my faithless parrot, is an incomplete version of the book. I have the full book, and can therefore state that the part which is missing is a very important part of the work. I want to let people know this and encourage someone with the time, which I do not have at the moment, to scan this missing part of the book and make it available to all. The book is in the public domain.

Eventually, if no one has the means or desire to do this, I will do it myself, but it may be quite some before I am able to do so.

A pdf of the much abbreviated versions appears here:

L. B. Woolfolk, Great Red Dragon, or London Money Power: The Foreign Money Power in the United States, George E. Stevens, Cincinnati, (1890);

I would also like to add that I recall that there was a redacted version of one of Benjamin Freedman's speeches on the web for years before the parrot reposted it. He also posted a full version, but I suggested to him that the redacted version was easier to sit through and contained the most vital information. Freedman's most substantive contribution by far was to expose to the broad public the *quid prod quo* deal between the Zionist Jews and the British Government by means of which the Jews brought America into the First World War on the side of the British

at a time when the Jews pulled Russia out of the war, hurting the British, in exchange for the Balfour Declaration.

Freedman explained quite well the "Mrs. Peck" scandal which the Jews used to blackmail President Wilson. On other issues, Freedman's work is less reliable and he appeared on the scene to lay the groundwork for McCarthy and Roy Cohn to force the Jews out of International Communism and into Zionism just as the Jewish State was created out of terrorism and political corruption. At the same time, Joseph Stalin also helped the Jews to motivate Jews to abandon Communism in favor of Zionism.

I wonder if my insights on these issues will now crudely and cruelly cackle through the hooked beak of my parrot as if his own?

The Hallmarks of Jewish Revolution in Iran and America: The Jews Always Want to Tear Down the Nations, to Rebuild Them in the Jewish Messianic Image

The Jews have never wanted welfare or any other social safety net to work to improve America. The Jews have always planned to destroy American industry and agriculture. The Jews have been planning plagues on the Goyim for thousands of years and the Jewish book *Abkas Rochel* reveals some of the Jews' designs on the Earth including the plagues we are now beginning to experience. Johannes Buxtorf wrote of *Abkas Rochel*,

"{*Abkas rochel pulvis aromatarius*, the author *Rimchar* a little book in *octavo* it hath 3 parts, the first of the miracles, before the coming of the *Messias*, two of the soule, and the state of it after this life. The third of *Moses*

his tradition about Mount Sinai, mans creation, &c. It was printed at *Venice anno Dom*. 1597.}

The first miracle, God shall stirr up and produce three kings, who proving traitors to their own faith, shall also turn Apostates: so living before men as though they served the true God: yet in very deed practising nothing less; seducing silly souls, and after such a manner tormenting their consciences, that they may abjure God and their own faith, even so that many of the sinners of Israel shall utterly despair of redemption, being ready to deny God, and forsake his fear. Concerning these things *Isaiah* speaketh, c. 59. 14,15. *Judgment is turned away backward, and justice standeth afar off; for truth is fallen in the street, and equity cannot enter, yea truth faileth.* What? All they why shall love the truth shall flee in troops, and flying hide themselves in the caves and holes of the earth, and shall be massacred by the great, and mighty, and tyrannical persecutors. At that time shall be no king in Israel, as it is written. {Hos. 3.4.} *The children of Israel shall abide many dayes without a King, and without a Prince, and without a sacrifice, and without an Image, and without an Ephod, and without a Teraphin:* There shall not be any more *Rosch Ieschibhah* (*b*) {*Jascbhah*. [***] a Synagogue from [***] to sit or rest.} that is head of the Synagogue, no faithful teachers who may feed the people with the word of God, no merciful and holy, no famous and eminent persons shall remain. The heaven shall be shut up and food shall fail; these three kings shall enact laws so many, so burdensome,

and so tyrannical, pronounce such heavie judgments upon men, that but a very few shall be left, because they had rather die, then living deny their maker. Yet these three kings by Gods ordinance and disposition shall only reign three moneths.

In the time of their reign, they shall double the ordinary tribute, so that who formerly paied only eight pieces only eight pieces, shall then pay eighty, he who formerly paied ten, shall then be forced to give an hundred. He that hath nothing at all to give, shall be punished with the loss of his head: yea also, the longer they shall reign, the greater and heavier will the burdens be which they shall impose upon the children of Israel. There shall also come certain men from the ends of the earth, so black and abominable, that if any man look upon them he will die through fear. Every one of them shall have two heads, and eight eyes, shining like a flame of fire. They shall run as nimbly and swiftly as an hart. Then shall Israel cry out, woe unto us, woe unto us, the frighted little ones cry alass alass, dear father what shall we doe? then shall the father answer, the deliverance of Israel is now at hand, and even at the door.

{The second miracle.} The second miracle, God shall make the sun to exceed in heat, that many burning feavers, plagues, and other diseases shall be scattered abroad upon the earth, by reason of which, a thousand thousand of the Gentiles and people of the world shall die daily. Hereupon, the Gentiles at length weeping, shall bitterly cry out, woe and alass whither shall

we turn our selves? where shall we hide us? Thus with expedition they shall goe and dig their own graves, wish for death, and oppressed with thirst and grief, hide themselves in the Caves and Dens of the Earth. But this great heat shall be as physick and a refreshing to them that are just and good in Israel, as it is written, {Mal. 4.2.} ***unto you that fear my name shall the sun of righteousness arise with healing in his wings, and ye shall go forth and grow up as calves of the stall*****; by this sun of righteousness understanding that in the heavens. {Num. 24.23.}** ***Balaam*** **(say they) also prophesied of this; saying,** ***alass who shall live when the Lord hath brought it to pass.***

{The third miracle.} The third miracle, God shall make a dew of blood to fall upon the earth: which all Christians and people of the earth thinking to be watery and most delightful, shall take and drink, and drinking die. The Reprobate also in Israel who despaired of redemption, shall also die by drinking of it, but it shall not be hurtful to them who are just among the Iews, who in true faith firmly cleaving unto God, do persevere in the same, as it is written. {Dan. 12.3.} ***They that be just shall shine as the brightness of the firmament, and they that turne many to righteousness, as the stars for ever and ever:*** **again, the whole world for three dayes space shall be full of blood; according to that which is written: {Joel 2.30.}** ***I will give signes in heaven and in earth, blood and fire and pillars of smoke.***

{The fourth miracle.} The fourth miracle, God shall send a wholsome dew upon the earth. They shall drink of this who are indifferent honest: It shall

serve as a salve to them who were made sick by drinking of the former, as it is written. {Hos. 14.5.} ***I will be as a dew to Israel, he shall grow as the lillie, and cast forth his root as Lebanon.***

{The fifth miracle.} The fifth miracle. God shall turn the sune into so thick a darkness, that it shall not shine for the space of thirty dayes, as it is written, ***The sun shall be turned into darkness, and the moon into blood, before the great and terrible day of the Lord come.*** **At the end of thirty dayes God shall restore its light; as it is written, {Es. 24.22.}** ***They shall be gathered as prisoners are gathered in the pit, and shall be shut up in prison, and after many dayes they shall be visited.*** **The Christians being sore afraid to see these things, they shall be confounded with shame, and acknowledg that all these things come to pass for Israels sake: yea, many of them shall embrace the Jewish religion: as it is written, {Jon. 2.8.}** ***They that observe lying vanities forsake their own mercy.***

{The sixth miracle.} The sixth miracle, God shall permit the kingdom of ***Edom*** **(to whit that of the Romans) to bear rule over the whole world. One of whose Emperours shall reign over the whole earth nine moneths, who shall bring many great kingdoms to desolation, whose anger shall flame towards the people of Israel, exacting a great tribute from them, and so bringing them into much misery and calamity. Then shall Israel after a strange manner be brought low and perish, neither shall they have any helper: of this time** ***Esay*** **prophesied, {Esa. 59.16.}** ***And he saw that there was no man,***

and wondered that there was no intercessor: therefore his arm brought salvation unto him. **After the expiration of these nine moneths, God shall send the *Messias son of Joseph,* who shall come of the stock of *Joseph,* whose name shall be *Nehemiah,* the son of *Husiel.* He shall come with the stem of Ephraim, *Benjamin* and *Manasses*; and with one part of the sons of *Gad.* As soon as the Israelites shall hear of it, they shall gather unto him out of every City and nation, as it is written: {Jer. 3.14.} *Turn ye backsliding children saith the Lord, for I will reign over you, I will take you one of a City, and two of a tribe, and bring you to Sion.***

Then shall *Messias* the son of *Joseph,* make great war against the king of *Edom,* or the *Pope of Rome,* and being conqueror shall kill a great part of his army, and also cut the throat of the king of *Edom,* make desolate the Roman Monarchie, bring back some of the holy vessels to Jerusalem, which are treasured up in the house of *Ælianus.* Moreover the king of Egypt shall enter into league with Israel, and shall kill all the men inhabiting about Jerusalem, Damascus, and Ascalon: which thing once noised over the whole earth, a horrid dread and astonishment shall overwhelm the inhabitants thereof.

{The Seventh miracle.} The seventh miracle. They say that at *Rome* there is a certain piece of marble, in shape resembling a Virgin, so framed and fashioned, not by mans workmanship, but by the Lords hand. To this Image

shall all the wicked livers in the world gather themselves, and burning in lust towards it, shall commit incest with it. Hereupon, in the same marble will the Lord forme an infant, which by a certain rupture shall issue out of it. This infant shall be called *Armillus Harascha*, *Armillus* the wicked, and shall be the same which the Christians call Antichrist. His length and bredth shall be tenn els, the space betwixt his eyes and the palm cross wise. His hollow eyes red, his hair yellow like gold, the soles of his feet green; and to make his deformity compleat, he shall have two heads. He coming to the wicked king of Rome, shall affirm himself to be the *Messias* and god of the Romans, to whom they easily give credit: and make him king over them. All the sons of *Esau* shall love and stick fast unto him. He shall bring under his yoak the whole Roman Monarchie, and to all *Esaus* ofspring glorying in the name of Christian, he shall say, bring me the law which I gave unto you. Which they shall presently deliver, together with their book of Common-prayer, which he shall receive as true and legitimate, acknowledging that he gave that law and book unto them, desiring that they will beleeve in him.

These things once finished, he shall send his Embassadors to Jerusalem to *Nehemiah* the son of *Husiel*, and to all the Congregation of Israel; with this mandate to bring their law unto him: and confess him to be God: At the report of this, fear and wonder assault their souls: and *Nehemias* accompanied with three hundred thousand voluntiers of the tribe of *Ephraim*, carrying also the book of the law with him, shall come unto

Armillus, and out of it read him this sentence, {Exod. 20.} _I am the Lord thy God, thou shalt have none other Gods before me_. To whom _Armillus_ making answer, shall deny any such sentence to be extant in their law, and that therefore they ought to acknowledg him for a God, following the example of the Christians, and other people of the earth. Then shall _Nehemiah_ the son of _Husiel_ in that instant command his followers to binde _Armillus_, and entering the field with thirty thousand armed Nobles, shall put to the sword two hundred thousand of his assistants. For this cause _Armillus_ greatly enraged, shall gather together all his forces in a deep valley to fight against Israel, and to destroy no small number of _Jacobs_ posterity. There shall _Messias_ the son of _Joseph_ breath his last, whom the holy Angels shall take, hide, and casket up with other Patriarks of the world. The Israelites shall be struck with such astonishment, their hearts shall fleet like water; but _Armillus_ himself shall not know of the death of their Messias, who otherwise would not leave one of them alive.

Then shall all the Nations of earth banish the Jews out of their dominions, no way permitting them any longer to be their co-inhabitants. Moreover, such trouble and distresse shall at that time perplex the Jews, as hath not been from the beginning of the world.

{The coming of Michael.} Then shall _Michael_ come and fan away the wicked in _Israel_, as it is written; {Dan. 12.1.} _At that time shall Michael stand up, the great Prince, which standeth for the children of thy people, and there_

shall be a time of trouble, such as never was since there was a nation even to that same time*. Then the remnant shall flee into the wildernesse, where God shall try and purge them after the same manner that silver and gold is tried in the Furnace. For the Lord saith, {Exek. 20.38.} *I will purge out from among you the Rebels, and them that transgresse against me*. And again, {Dan. 12.10.} *Many shall be purified, made white, and tryed; but the wicked shall do wickedly, and none of the wicked shall understand: but the wise shall understand*. Then shall the whole remainder of Israel be in the wildernesse for forty five days, the chief of their fare being grasse, leaves, and herbs; and that Scripture shall be fulfilled in their ears, {Hos. 2.14.} I *will allure her, and bring her into the wildernesse, and speak comfortably unto her*. The truth of this appears out of that of the Prophet, *From the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate, set up, there shall be a thousand two hundred and ninety dayes. Blessed is he that cometh to the thousand three hundred and five and thirty dayes. But goe thee thy way till the end be: for thou shalt rest, and stand in the lot at the end of the dayes.

Conceive that forty five being added to the precedent number of ninty, the last number of 1335 daies doth arise. In that time all the wicked in Israel shall perish; who are unworthy to be copartners in such a deliverance. Finally, *Armillus* invading Egypt with great power shall subdue it, as it is written: {Dan. 11.42.} *The land of Egypt shall not escape*. From Egypt he

shall muster his forces for Jerusalem, striving with might and main once more to make it a desolate heap. {Dan. 11.45.} ***And he shall plant the tabernacle of his palace, between the Seas, in the glorious holy mountain, yet he shall come to his end, and shall help him.***

{The eighth miracle.} The eighth miracle. The Archangel ***Michael*** **shall arise, and shall thrice winde a mighty trumpet, as it is written; {Jsa. 27.13.}** ***It shall come to pass in that day, that the great trumpets shall be blowen, and they shall come that were ready to perish in the land of Assyria, and the outcasts in the land of Egypt, and shall worship the Lord in the holy mount at Jerusalem.*** **Again, {Zech. 9.14.}** ***The Lord God shall blow the trumpet, and shall goe with the whirlewinds of the South.*** **At the sound of this trumpet the true** ***Messias the son of David,*** **and the Prophet,** ***Elias*** **shall appear and manifest themselves to the devout Israelites inhabiting the wilderness of Judea. Then shall they receive incouragement, the weary hands shall be lifted up, and strength shall visit the feeble knees. All the Jews also wheresoever dispersed over the whole earth shall hear the sound of the trumpet, and at last confess, that God in mercy hath visited his people, and by a plenary deliverance hath been gracious to his inheritance, and all the captives of** ***Ashur*** **shall be gathered together. But the sound of this trumpet shall blast the Christians and people of the world with fear and astonishment, casting them into horrid maladies, Then shall the Jews gird up their loins, and with many a weary journey seek to revisite their**

Jerusalem. Messias also the son of *David*, together with his harbinger *Elias*, and all the faithfull his followers in Israell with great joy shall come into Jerusalem. So soon as this pierceth the ears of wicked *Armillus:* he will babble out, how long will this abject and base people thus behave themselves? and shall once more with a great army of Christians hasten to Jerusalem to give battel to to their newly inaugurated soveraign. But God shall not permit that the Israelites should fall out of the fire into the pit, but speaking unto the *Messias* shall say unto him, Come thou and sit at my right hand, and to the children of Israel, sit you still, hold your peace, and quietly expect that great deliverance which the Lord this day will impart unto you. Then shall the Lord rain from heaven fire and brimstone, as it is recorded, {Ezech. 38.22.} *I will plead against him with pestilence, and with blood, and I will rain upon him, and upon his bands, and upon the many people that are with him, an overflowing rain, and great hailstones, fire and brimstone.* Then shall *Armillus* with his whole army die, and the Atheistical Edomites (the Christians they mean) who laid waste the house of our God, and led us captive into a strange land, shall miserably perish; then shall the Jews be revenged upon them, as it is written, {Obad. 18} *The house of* Jacob *shall be a fire, and the house of* Joseph *a flame, and the house of Esau* (that is, we Christians, as the Jews interpret, whom they Christen Edomites) *shall be for stubble.* This stubble the Jews shall set in fire, that nothing be left to us Edomites which shall not be burnt and turned into ashes.

{The ninth miracle.} The ninth miracle. At the second blast of *Michael* his trumpet being long and loud, all the graves in Jerusalem shall open, and the dead arise, *Messias* also the son of *David* together with *Elias* the Prophet shall restore to life *Messias* that good son of *Joseph* reserved under a certain gate.

At the same time shall all the Congregation of Israel send *Messias* the son of *David* as an Embassador to the remnant of the Jews superviving the last slaughter, dispersed here and there among the Christians and other people of the earth, to summon them to Jerusalem. Then shall the kings of the nations without delay, carry the Jews inhabiting their quarters, upon their shoulders, and in Chariots unto Sion. I think this will come to pass much about the Greek Calends. {i. never.}

{The tenth miracle.} The tenth miracle. At what time the Angel *Michael* shall blow the trumpet the third time, then shall God bring them forth who border upon the rivers *Gosane Lachlacke, Chabore,* and also inhabited the cities of Juda, and they in number infinite and immesurable, together with their infants shall enter into *Moses* Paradise; the earth before and behinde them shall be nothing but a flame of fire, which shall consume all which is needful for the preservation of life among the Christians and other people.

When the ten tribes of Israel shall return out of the land of their captivity, then the pillar of the cloud of the divine glory and majesty shall encompass

them, as it is written: {Micah 2.13.} the breaker up is to come before them: *they have broken up, and have passed through the gate, and are gone out by it, and their king shall pass before them, and the Lord on the head of them*. Moreover God shall open unto them fountains flowing out of the tree of life, wherewith he shall refresh them in their journey, lest at any time thirst should annoy them. For the Lord saith, {Jsa. 41.18.} *I will open rivers in high places, and fountains in the midst of the vallies: I will make the wilderness a pool of water, and dry land springs of water*. Again, {Jsa. 49.10.} *They shall not hunger nor thirst, neither shall the heat nor sun smite them, for he that hath mercy on them, shall lead them, even by the springs of water shall he guide them*. {The Jews ten fould comfort against the foresaid signes.} To comfort them against these ten signes foregoing the coming of the *Messias*, the most of which pretend great calamity and affliction to the Jews, they have a tenfold consolation. {Consol. 1.} The first is, that the *Messias* is certainly yet for to come: according to that of the Prophet, {Zach. 9.9.} *Behold thy king cometh &c.*

{The 2. Cons.} The second that he shall again gather them together being dispersed over the face of the whole earth, as it is written: *I will bring them from the north country, and gather them from the coasts of the earth, and with them the blinde and the lame, the women with childe, and her that travelleth with childe together, a great company shall return thither:* From which place we may learn thus much, that if any went unto his grave blind or lame, the same shall God raise up cloathed with the same imperfections:

that one may more easily know another, yet the Lord shall so perfectly cure the lame, that they shall skip like Roes, as the Scripture witnesseth, {Esa. 35.6} ***Then shall the lame man leap as an hart, and the tongue of the dumbe sing; for in the wilderness shall the waters break out, and streams in the desert.***

{The 3. Cons.} The third is; that God shall raise up the dead: as it is written; ***Many that sleep in the dust of the earth shall arise: these to life eternal, they to shame and everlasting contempt.***

{The 4. Cons.} The fourth is, that God shall build them up a third temple, according to that plat-form and fashion which *Ezekiel* hath described *cap.* 41. *ver.* 1, 2, 3.

{The 5. Cons.} The fift is, that the people of Israel shall be the sole Monarchs of the whole world, their dominion stretching from one end of the earth unto the other, according to that of *Esay* 60.12. ***The nation and kingdom that will not serve thee shall perish: yea, these nations shall be utterly wasted.*** **Yea, the whole world being turned unto the Lord shall be subject to his law, as it is recorded, {Zeph. 3.9.}** ***For then will I turn to the people a pure language, that they may all call upon the name of the Lord, to serve him with one consent.***

{The 6. Cons.} The sixth is, that God at that time shall defeat and destroy all the enemies of his people (that is, the Christians) and mightily to revenge

himselfe upon them: as it is written, {Ezek. 25.14.} ***I will lay vengeance upon Edom by the hand of my people Israel, and they shall do in Edom according to mine anger.***

{The 7. Cons.} The seventh is, that God shall take away all diseases and maladies from among the people of Israel, according to that; {Jsa. 33.24.} ***The inhabitants shall not say I am sick: the people that dwell therein shall be forgiven their iniquitie.***

{The 8. Cons.} The eight is, God shall prolong the dayes and yeares of the life of the Israelites. So that they shall live as long as the oake or other of that kinde: {Jsa. 65.22.} ***for*** **saith the lord,** ***as the dayes of a tree are the dayes of my people, and my elect shalt long enjoy the works of their hands,*** **and againe,** ***there shall be no more thence an infant of dayes, nor an old man that hath not filled his dayes: for the child shall die an hundred yeares old, but the Sinner being an hundred years old shall be accursed,*** **which is as much as to say, {See** ***Reschaim*** **in the Talmud c. 6. p. 68.} if any die at an hundred years of age, it shall be said of him, that he died as a little infant, or in his infancy: for at that time the years of life of the Israelites shall be equal to them of the fathers from** ***Adam*** **to** ***Noah,*** **as** ***Abenezra*** **comments upon the place.**

{Ninth Cons.} The ninth is, that God shall so clearly manifest himself to the Israelites, that they shall see him face to face. As it is recorded: {Isa. 40.5.}

The glory of the Lord shall be revealed, and all flesh shall see together: because the mouth of the Lord hath spoken it. **Yea, all the Lords people shall be Prophets, as it is written:** ***It shall come to pass afterward that I will powr out my spirit upon all flesh, and your sons and your daughters shall prophesie: your old men shall dream dreams, your yong men shall see visions.***

{Tenth Cons.} The last degree of comfort is, that God shall quite root out of them all imbred lusts, and inclinations unto evil, as it is written: {Ezek. 36.26.} ***A new heart also will I give you, and a new spirit will I put within you, and I will take away the stony heart out of your flesh, and I will give you an heart of flesh.*** **Hitherto we have delivered what we promised out of the book called** ***Abhkas rochel,*** **in which though it be summarily set down what the Jews beleeve concerning their** ***Messias,*** **as also the manner how he is to bring them back to Jerusalem: yet I think not impertinent in this place a litle more largely to declare with what solemnities their** ***Messias*** **shal give them intertainement in their own land, and with what happiness and felicitie they shall lead their lives under him.**

{The feast which the ***Messias*** **shall make unto the Jews at his coming.} When then the Messias hath gathered all the Jews together out of all the nations under heaven and from the foure winds of the earth, and hath brought them unto the land of Canaan flowing with milk and hony; then shall he cause to be prepared a sumptuous and delicate banquet, inviting and friendly**

welcoming unto it all the Jews with great pomp and joy inexpressible.

At this banquet shall be dished up and served in, the greatest beasts, fishes and fouls that ever God created. The worst wine that they shall drink shall be whose grape had its growth in paradise, and hath been barrel'd up and reserved in *Adams* Cellar unto that time.

{The first dish. *Behemoth*. Job. 4.10.} The first dish in this feast shall be that huge oxe described in the book of *Job*, to be of such great strength and magnitude, named *Behemoth*. This is the Rabbines affirme to be the same oxe whereof *David* makes mention in his 50 *Psalm* and 10 verse. *All the beasts of the forrest are mine, and the cattel (Behemoth) feeding on a thousand hills*, that is to say, which every day eateth up the grass of a thousand hils. But a man will aske what at length would have become of this oxe, if he had lived so long, seeing he had long since eaten up all his fodder. The Rabbines (*a*) {(a) *Rabbi Sal: Jarchi, & Rabhuenski.*} learnedly answer that this oxe is stall-fed, and remains always in the same place, and that whatsoever he eateth on the day grows again upon the night in the same length and forme.

{The 2. dish. *Leviathan.*} The second dish adorning the table shall be that vast whale, *Leviathan*, (according to the Jewish tone Pronounced Lipiasan) who is also described in the book of Job, and mentioned in other places of holy writ.

Concerning these two beasts there hath bin handsomly compiled this tradition by the wit and ingenuity of the solid pated Rabbins in their Talmud, {*Babha Basra*. c. 5. p. 74.} it runs thus, Rabbi Jehudah saith that what thing soever God created in the world he created it male and female, and that without all doubt; for he created the Leviathan yet least the he and she Leviathan: by engendring should augment the number, and at length by there monstrous magnitude and multitude destroy the whole world, God gelded the male, and killed the female, reserving her in pickle to be meat for them that are just in Judah and feared him, in the dayes of the Messias, as it is written: {Jsa. 27.1} *In that day will the lord with a sore and great and strong sword punish Leviathan the piercing serpent, even Leviathan that crooked serpent, and he shall slay the dragon that is in the sea*. In the same manner he created that great ox called *Behemoth* feeding on a thousand hils male and female: yet lest by multiplying they might fill and destroy the earth, he gelded the male and killed the female, reserving it for the Jewes diet in time to come, as it is written: {Job 40.16.19} *Loe now his strength is in his loynes, and his force in the navell of his belly, he that made him can make his sword to approach unto him*.

{The third dish. *Barinchue*.} The third dish in this banquet as Elias Levita in his dictionarie named Tesbi out of the Rabbins reports, shall be that horrible huge bird called *Barinchue* which killed and unboweld shall then be rosted. Concerning this bird it is written in the Talmud {*Bechoros* c. *ult*. p.

57} she cast an Egge out of her nest by whose fall three hundred tall Cedars were broken down, and the Egge breaking in the full drowned three score villages. By this relation it is easie to conceive this bird to have been little inferiour in greatnes to the forementioned oxe and fish; whence we may also collect how glorious a dish the Messias is to make of it for his guests, and when there are many such birds (Guls I think) found in the land of Judah, none ought to think that which is reported of this to be fabulous.

{The Crow. *Babha basra*. c. 5. p. 72.} In the forementioned book of the Talmud, we read of a certain great crow which was seen of a Rabbine, worthy to be credited. The relation runs thus. *Rabbi barchannah* saith, At a certain time I saw a frog, which is as great as the village *Akra* in *Hagronia*, well how big was the village? It consisted of no fewer then threescore houses. Then came a mighty serpent and swallowed up this frog. Instantly upon this, a great crow flying that way picked up as a small morsel both the frog and the serpent; and taking him to flight sat upon a Tree, now think with your selves how great and strong this tree must be. To which *Rabbi papa* the son of *Samuel* making answer, unless I had been in the place, and with these mine eyes seen the very tree, I would not have beleeved it. Thus much the Talmudist. Who dare give the lie to this *Rabbine?* When that good man *Kimchi* commenting on the fifty Psalm, {The great bird. ziz.} and explaining the word Ziz hath there witnessed that *Rabbi Judah* the son of *Simeon* did avouch Ziz to be a bird of that bigness, that when he spreads

abroad his wings he hides the body of the sun, and wraps the world in darkness. Furthermore, on a certain time, a certain *Rabbine* was upon the sea in a little ship, in the middle of which he saw a bird standing of such an height, that water came only to her knees: {Talmud in the same place.} which the *Rabbine* observing, bespeaks his companions that there they might wash themselves seeing the water was not deep. But a voice from heaven hindred the attempt, saying unto the *Rabbine*, see that thou do it not: for now seven whole years are gone and past, since a certain man let a hatchet fall in this very place, which hath been ever since a falling, and is not as yet come to the bottome. By which a man may easily gather how long legs this bird had, and how great her body ought to be in proportion to her feet. Without doubt these birds keep their residence in the wood *Ela*, in which, a Lion is reported to live of such an unheard of portraicture, that only to relate would strike a man with astonishment. {The great Lion *Chohn*. cap. 3. p. 59.} Of this Lion the Talmud thus fables. When upon a certain time the Emperor of *Rome* asked Rabbi *Joshua* the son of *Hananiah*, what the reason was why their God compared himself unto a Lion; and whether he was of so great strength that he could kill a Lion? the *Rabbine* made answer, that God did not compare himself unto an ordinary Lion, but unto such an one as lived in the wood *Ela:* to whom the Prince replied, shew me that Lion. Then the *Rabbine* by prayer obtained of God that the lion should leave the wood, and come, when hs was yet foure hundred miles distant from the Emperour, he roared so terribly, that all the women with child in Rome

became abortive, and the walls of the City fell flat unto the ground. When he had come an hundred miles nearer, he the second time roared so fearefully that all the teeth of the Romanes fell out of their heads, & the Emperour falling from his throne, lay prostrate upon the earth half dead; who with vehement entreaties begs of the Rabbin to send back the Lion; which was likewise put in execution. But these fables draw us too far from the smell of that feast which the Messias hath provided for the Jews in the land of promise.

The flesh of the foresaid Behemoth and Leviathan will not digest well without a Cup of older wine; therefore the Messias shall broach that wine and give it unto his guests, {The wine for the feast.} which was made in Paradise, and was kept from the begining of the world to that time in *Adams* Cellar, as it is written: {Esa. 27.2.3.} *In that day sing you unto her a vineyard of red wine. I the Lord do keep it, I do water it every moment: lest any hurt it, I will keep it night and day:* again, {Psal. 75.9.} *There is a cup in the hand of the Lord, and the wine thereof is red: it is full mixt; he shall poure it out, and the dregs thereof all the ungodly of the earth shall drink and suck them up.*

{The sports where with the Messias will delight the Jews.} Before the supper be served in, the *Messias* after the manner of Kings, and Princes, and others celebrating Festivals and Marriages, shall present the Jews with pleasant

sports and plaies to make them merry. He will cause *Behemoth* and *Leviathan* to meet in some spacious place, and there they shall play before the *Messias* to pass away the time, and for his minds refreshing, as it is written: {Job 40.20.} *Surely the Mountains bring him forth food, where all the beasts of the field play*. And again, {Psal. 104.26.} *There go the ships, there is that Leviathan whom thou hast made to play therein*. Then the oxe running hither and thither shall bend his hornes against the *Leviathan*; which will greatly affect the *Messias*, according to that, {Psal. 69.32.} *It will be more grateful to the Lord then a bullock that hath horns and hoofs*. The *Leviathan* also shall come to encounter the oxe, armed with his fins as an helmet, not easie to be seen, as it is written: {Job 40.14.15.} *Who can open the doors of his face, his teeth are terrible round about. His scales are his pride, shut up together as with a close seal*. Here shall be the summons to the battle, and the first encounter begin most hot and furious, but to small purpose, for they being of equall strength neither can overcome the other, but at last wearied out both shall fall upon the ground. Then the Messias drawing out his sword shall slay them both, as it is written: {Jsa. 27.1.} *At that day will the Lord with a sore, great and strong sword punish Leviathan*.

Now comes the Cooks part, nothing but boyling and roasting: and great provision for this sumptuous supper, as it is recorded: {Esa. 25.6} *The Lord of hosts shall make unto all people in this mountain a feast of fat things, of fat things full of marrow*. The fish shall be served up in parcels to the guests,

which done, every one shall greatly rejoyce, as it is written: {Job 41.6} ***shall thy companions make a banquet of him? shall they part him among the merchants.***

{The marriage of the Messias} This donative supper being ended, the ***Messias*** **shall marry a wife: the Scripture being witness: {Ps. 45.10.}** ***Kings daughters were among thy honourable women: upon thy right hand stood the Queen in a vesture of gold.*** **So the Jews themselves interpret: {*Schegal* [***] properly signifieth the wife of a King from [***] *Shagal* which is to exercise the very act of venery.} and the meaning is this, as *Kimchi* professeth in his great gloss: Among the honourable women which the *Messias* shall have, shall be the daughters of Kings. For every King of the earth shall esteem himself highly graced, so that he may give his daughter in marriage unto the *Messias*. But the genuine and rightly so named wife of the *Messias* (properly signified by the word *Schegal*) shall be one of the most eminent beauties among the daughters of Israel; she shall sit at his right hand, without intermission abide in the Kings closet: whereas the other shall stay in the supping room, or house of the women: not approaching the King, unless it be his pleasure to send for them. In this bond of Wedlock the *Messias* shall beget children; after he shall die as other mortals, and his children shall sit upon his throne after him, as it is written: {Isa. 53.10.}** ***He shall see his seed, he shall prolong his dayes, and the will of the Lord shall prosper in his hands,*** **that is, as a *Rabbine* expounds it, The *Messias* shall**

live to a good old age, and at last shall be brought to his grave with great solemnity: and his son shall reign after him, and after his death his posterity shall possess his seat.

{The manner of life the Jews shall have under their Messias.} For the manner of life which the Jews shall have under their *Messias*. First of all the remnant of the Christians and other people which fell not by the hand of the Jews shall make hast and build the Jews houses and Cities, not for hire, but of free accord, till their ground, plant them vineyards, yea, bestow their very goods upon them; moreover Kings and Princes shall be their servants whom they have subdued. They themselves shall be cloathed in costly aray: all their Priests anointed shall be holiness to the Lord; as it is written: {Jsa. 60.10,11,12.} *The sons of strangers shall build up thy walls, and their Kings shall minister unto thee: for in my wrath I smote thee, but in mercy have I had favour on thee, therefore thy gates shall be open continually, they shall not be shut day nor night, that men may bring unto thee the forces of the Gentiles, and that their Kings may be brought, for the nation and kingdom that will not serve thee shall perish, yea those nations shall be utterly wasted, and again* {Jsa. 61.5.6.} *strangers shall stand and feed your flocks, and all the sons of the alien shall be your plow-men, and your vine-dressers. But you shall be named the Priests of the Lord, men shall call you the Ministers of our God: you shall eat the riches of the Gentiles, and in their glory shall you boast your selves.* (Oh here with hunger and thirst

how are the Jews opprest? Although some of them satisfie and appease both, without the sweat of their own brows gaining many a million: for which many a poor Christian suffers toile and vexation.)

{The 2 benefit.} 2. They shall have a new and wholsome aire, as it is written: {Jsa. 65.17.} ***Behold I create a new heaven and a new earth, the former shall not be thought upon,*** **by the benefit of this aire they shall enjoy their health and prolong their life, even as the men before the flood. In their hoary old age their strength and agility shall not forsake them, but remain in the same temper as in their youth, as it is written, {Psal. 92.14,15.}** ***They who are planted in the house of our God, shall flourish in the courts of the Lord, they shall bring forth more fruit in their age, they shall be fat and well liking.***

{The 3 Benefit} 3. The seed once sown shall for ever grow up, increase, and ripen of its own accord: after the manner of Vines which require but one plantation, as it is written, {Hos. 14.8.} ***They shall revive as wheat, flourish like a vine, his smell is like Lebanon.***

Whensoever any one shall desire rain for the watering of any particular Field, Garden, or the smallest herb therein, the Lord will pour out upon that place, and on that onely, without delay: for saith the Prophet, ***Ask you rain of the Lord, and he shall create lightnings, and give you showres of rain.*** **Then shall they gather their fruits and wine with great quietnesse and**

security, and shall not be molested by any enemy: as it is written, The Lord hath sworn by his right hand, and by the arm of his strength, {Isay 62.8,9.} ***I will no more give thy corn to be meat for thine enemies, and the sons of strangers shall not drink thy wine for the which thou hast laboured, but they that have gathered it shall eat it.***

{The 4 Benefit} 4. No war nor rumour of war shall any more be heard in the land: and there shall be a firm and secure peace established, not only between man and man, but also between man and beast; as it is written, ***I will make a covenant for them in that day with the beasts of the field, with the fowls of heaven, and creeping things of the earth: I will put away the bow and the sword and war from the earth, and make them to sleep secure. And I will espouse thee unto me for ever and ever: I will marry thee in justice and judgement, in mercy and commiseration.*** **Again, {Esay 11.17.}** ***The Cow and the Bear shall feed: their young ones shall lie down together, and the Lion shall eat straw with the Ox. The Wolf shall lie down with the Lamb, and the Leopard with the Kid: and the Calf and the young Lion and the fatling together, and a little childe shall lead them.***

{The 5 Benefit} 5. When any war or discord ariseth among the Gentiles, then the Messias shall reconcile them, and renew the league amongst them: so that there shall be no more mutiny; as it is written, {Isay 2.4} ***He shall judge among the nations, and rebuke many people; he shall beat their swords into plowshares, and their spears into pruning-hooks: nation shall not lift***

up sword against nation, nor learn war any more. **Then shall the Iews live in everlasting joyes, make new marriages, sing praise and glory to God without ceasing: shall be full of the wisdom and knowledge of the Lord: as it is written,** ***In this place of which you say that it is forsaken, shall again be heard the voice of joy, the voice of exultation, the voice of the Bride and the Bridegroom, the voice of them that say, Give thanks to the Lord of hosts.*** **And again,** ***the earth shall be full of the knowledge of the Lord as the sea is full of water.***

Briefly, the happiness of this holy people shall at that time be so immeasurable, that neither can the heart of man conceive it, or the tongue yeeld the least expression thereof. Which things thus ordered and declared, leaving the Iewes in this their prosperous estate, I will put a period to my labours, and hide the secret of their faith from the Christians; seeing I have attempted more then they themselves, if they could have ruled the matter, would have permitted. What I have done already will not be pleasing unto them, in which I have exposed to every mans eye the full anatomy of their life and belief."

It has always been the policy of the Jewish Socialists and Communists that it is necessary to do the maximum damage to society in order to weaken it and leave it ripe for Jewish takeover, or "revolution". My knowledge of this fact was one of the reasons why I knew that the Jew Aaron Russo was an agent of the bankers who was trying to coax us to destroy ourselves so that the Jews could completely take over our nation. Russo talked of planning massive strikes and taking

other actions which Jewish subversives took in Russia in 1905 and in 1917 in order to destroy Russian society, blame the Czar for the damage and misery the Jews deliberately caused, and create the chaos and despair the Jews require for their "revolutions". The Jews always try to coax the Goyim into destroying their own nations for the benefit of the Jews.

In Iran, we hear word that Mir Hossein Mousavi will call for general strikes and actions meant to weaken and debilitate Iranian society. He will then blame the misery and despair he will cause the Iranian People to cause themselves, on Ahmadinejad, just as he is blaming the current economic hardships the Iranian People face on Ahmadinejad, rather than International Jewry who caused them.

The same happened in Russia in 1905 and 1917. The Jews prevented the Russians from obtaining loan capital, and undermined Russian business with crippling strikes. The Jews provoked the Russians to destroy their own country, while blaming the Czar for the harm the Jews were doing, in the Jewish controlled press, and through Jewish agitators throughout Russia and the World. The Jews brought Russia into war with Japan, financed the Japanese while blocking Russia's access to the money markets, and propagandized captured Russian troops, especially the officers, with Jewish revolutionary propaganda, thereby creating a fifth column of disloyal Russian Jewish puppets within Russia.

The Jews are calling for Americans to do the same to destroy America. After bringing us into war, after running us into unprecedented debts, after stealing trillions of our dollars, the Jews are blaming our nation and are agitating for us to further weaken ourselves with strikes and

Jewish orchestrated revolution. Recognize the Jew in the present crisis in Iran. Recognize the Jew in the "Russian" revolutions. Recognize the Jews in current calls for destructive revolution in America.

We face political problems. We have politcal solutions at our disposal. Join the *POWER PARTY* and build up, rather than tear down, America.

RED DRAGON Yet Again

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A while ago, I noted that many online versions of *Red Dragon* feature the same redacted edition of the book, which is lacking a very important part. Someone has provided links to the full version of the book:

http://crashrecovery.org/woolfolk/greatreddragonor00wool.pdf

http://www.archive.org/download/greatreddragonor00wool/greatreddragonor00wool.pdf

http://openlibrary.org/b/OL14010345M/Great-red-dragon

I have not read the book recently, but my impression is that it was a subtle way of slipping Communism into America by way of criticizing the bankers, just as the bankers would later slip in the Federal Reserve as if a solution to the problems they had caused the markets and the banks for this very purpose of proposing a replacement system which would benefit them.

The solutions proposed in *Red Dragon* are deficient in several respects, and in one way the book suffers the same defect as the solution proposed in the *Money Masters* video and in David Pidcock's proposal: It lets the Jews and the bankers off the hook, and therefore leaves capital in their hands with which to destroy the Goyim and keeps them out of jail and off the gallows, to strike again. It also forces the Goyim to labor to recover or replace what the Jews have stolen, while paying off the Jews just to leave us alone, letting them keep what they have stolen from us which will enable them to subvert anything and everything we do in the future since they act as a corrupt and cohesive suberversive group. There are other defects in the book, but I will have to reread the book to refresh my memory. For more on this, I recommend my blog article of 3 December 2007, which forecast what has occurred in the interim period, what is occurring today and what will occur tomorrow:

Banking Reforms, or Bank Bailouts? How the American People Will Suffer the Fate of the Third World If We Are Not Vigilant, December 03, 2007

That said, the book does offer some valid solutions, and presents facts which reveal the work of the Jews to destroy America, as well as India, China, etc. It is always necessary for the Jews to reveal their past crimes in order to provide their false solutions as if resolutions of the problems they have created. My suggestion is to cull the cream from the book and flush the buttermilk. It

is poisoned.

Ron Paul, like Nelson Aldrich before him, is another agent of the Jews who points out some of the problems the Jewish usurers have caused, only to propose false solutions crafted by the bankers and their agents, including Ron Paul's Jewish mentors and philosophical guides, Ludwig von Mises and Ayn Rand, both of whom were agents of the Rothschilds.

Note that my contentions regarding the *Red Dragon* and redacted copies of same are proven correct by the complete online files. Note my familiarity with the book, as opposed to Daryl Bradford Smith's drivel.

The Suspect Hypocrisy of Daryl Bradford Smith & Co.

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jack Bernstein wrote in his book *The Life of an American Jew in Racist Marxist Israel*

"I am well aware of the tactics of you, my Zionist brethren, use to quiet

anyone who attempts to expose any of your subversive acts.

If the person is a Gentile, you cry, 'You're anti-semitic' which is nothing more than a smokescreen to hide your actions

But, if a Jew is the person doing the exposing, you resort to other tactics.

First, you ignore the charges, hoping the information will not be given widespread distribution.

If the information starts reaching too many people, you ridicule the information and the persons giving the information.

If that doesn't work, your next step is character assassination. If the author or speaker hasn't been involved in sufficient scandal you are adept at fabricating scandal against the person or persons.

If none of these are effective, you are known to resort to physical attacks.

But, NEVER do you try to prove the information wrong."

You will notice that Daryl Bradford Smith, who frequently parrots things he has heard me say, has not responded to my questions, nor retracted the falsehoods and innuendo he has spread about me. "Muhammad Rafeeq" has yet to tell me his birth name, nor has he retracted false statements he has made about me, nor has he answered the questions I have posed to him.

Daryl Bradford Smith worked with Eric Hufschmid for years smearing people. He now claims that Hufschmid manipulated him. If this were true, then it would be grounds to dismiss Smith

as a fool and a self-described tool of the obvious clown Eric Hufschmid.

As for the squad of cheerleaders around Smith, many of whom send me unsolicited emails (most of the creepy email I receive comes from supporters of Smith and Hufschmid), why would anyone take seriously a man who worked with Eric Hufschmid for years at a time when the vast majority of people familiar with his work rejected Hufschmid? Why would anyone criticize and dislike Hufschmid, but embrace Smith who worked with him and spread the same malicious venom? Why would anyone take seriously a man who regularly insists that many people are working as the tools of others, when he himself states that Eric Hufschmid manipulated him to attack other people?

As if a six year old child, Smith is effectively stating that, Eric made me do it! Even a small child is admonished when he attempts to deny his personal responsibility by stating that someone else put him up to something bad, that, "If Eric asked you to jump off a bridge, would you do it?" Yet people who claim to be sophisticed and mature adults pretend to accept Daryl Bradford Smith's excuses and accept them without critical thought or comment. Is Daryl Bradford Smith a man who is capable of standing up against someone who is doing wrong, or is he a weakminded ass who can be talked into harming others for years? Why would anyone forgive a man who followed someone else's advice to harm others? Do the courts forgive someone who claims that another asked him to do harm to someone else?

There is obviously something rotten about this and I have no faith in the judgement of anyone who takes Daryl Bradford Smith seriously and I question their sincerity. Add to that Daryl Bradford Smith's hysterical rants, his constant whining, his begging for money, and his

continued accusations while placing himself above criticism or question from others, and the hypocrisy stinks to high heaven.

Why is it fair game to delve into Alex Jones' familial connections, but not to ask "Muhammad Rafeeq" for his birth name? Why is it fair game to question Bill Deagle about his off the wall nonsense, but not to question Smith and Rafeeq when they promote the Torah as if entirely righteous and devoid of the racist and genocidal madness of the Talmud and Cabalah, or the theory that convicted criminal Bernard Madoff is innocent, or the claim that Zionism is the only problem we face from World Jewry and that there is supposedly no ancient Jewish religious plan to take over the World, to genocide the Palestinians and steal their land, and to enslave the Goyim? Smith is not a religious person, so why does he defend the Jewish Torah, and why has Smith allowed guests on his program to misinform his audience with the falsehood that Neturei Karta Jews reject the Talmud?

You will note that I respond promptly and fully to my detractors if I address them, and that rather than shoot the messenger, I argue with facts and logic, not name calling or other emotional distractions from the relevant issues. You will note that far from attempting to refute my work, most of my detractors parrot it without attribution, some of them doing so to win themselves credibility, confident that my work is solid. I have pointed out many instances where Smith and Rafeeq's claims are false, and have demonstrated the truth with facts and logic. To correct all of their false claims would be an endless task.

As Above, So Below: The Jews Will Kill All the Nations (All the Goyim)

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

One of the Jews' favorite passages in the Old Testament is *Jeremiah* 30:11

"For I am with thee, saith the LORD, to save thee: though I make a full end of all nations whither I have scattered thee, yet will I not make a full end of thee: but I will correct thee in measure, and will not leave thee altogether unpunished."

In the New American Standard Bible version, this passage is translated as:

"'For I am with you,' declares the LORD, 'to save you; For I will destroy completely all the nations where I have scattered you, Only I will not destroy you completely But I will chasten you justly And will by no means leave you unpunished.'."

The Jewish god, the Devil, clearly states in the Old Testament that he is going to kill off the

human race and leave only Jews alive. This is precisely how the Jews interpret this passage.

Judaism is an ugly religion. The Old Testament is completely devoid of spirituality or any sophisticated Metaphysics. It is instead a set of laws, prophecies, and a fabricated history which the Jews created around 500BC so that they could petition the King of the Persians to give them back their religious lands which they never in fact owned.

As such, the Jews created a work which plagiarizes the history and laws of the Egyptian gods and of the Babylonians, without even attempting to answer such questions as what is the human soul or what is the meaning of life.

Instead, the Jew is taught to obey a rigid and racist absolute set of laws, which instruct the Jews to genocide the Palestinians, steal their land, and to conquer and genocide the human race. Later Jews attempted to fill this complete spiritual void left by the OT with Christianity and with the Talmud. Later came the Cabalah. However, while still in Jewish hands, these works are childish and mundane, far less sophisticated than the works of their contemporaries and predecessors. The Talmud and Cabalah continue the hatred, racism and genocidal intent of the OT.

"As Above, So Below" is the occultists' mantra, and the Jews are, and have always been, occultists. The Star of David is made up of a triangle pointing upwards and a triangle pointing downwards. The Freemasons compass and square is a thinly vieled disguise for the Star of David, and both indicate, "As Above, So Below".

The Jews believe that there are seventy gods who watch over the Goyim, the nations. The

seventy angels, or princes of the Gentiles are overseen by Sammael, Satan. The Jews sacrifice a goat every year, known as the "scapegoat", to Sammael so that he will convey all of the sins of the Jews onto the Goyim and mediate for the Jews with god. Sammael sells out the Goyim he is bound to protect for a mere goat and the Goyim are thereby blamed for all the crimes of the Jews. We can see how the Jews also scapegoat the Goyim for their Jewish crimes here on Earth. As Above, So Below.

The Jews believe that by controlling the human opposition to Jewry, by employing corrupted and crypto-Jewish leadership to mislead the Goyim, they can provoke wars between the 70/71 nations of non-Jews and kill them off. The Jews believe that by doing this, they can effect the heavenly battle between the 70 gods of the Goyim, the Elohim, and Sammael, against the Jewish god, the Devil.

I am risking my life telling you all of this, because the Jews believe that if these facts are known to the Goyim, the Goyim will exterminate the Jews,

"And if the Nations [the Goyim] should know, that through this Goat the Sins of *Israel* came upon their Necks, they would (which God forbid) not suffer an *Israelite* to live, not a single Day."

When the Jews lie to you and state that Zionism has nothing to do with Judaism, and that it is political, not religious, know that politics is religion for the Jews. Their religion has no real spiritualism. The Jews believe that the goings on in the political World are mirrored by the heavenly World, and that the battles they provoke between Goy nations provokes the Goy gods

to destroy one another, and thereby leave the Gentiles without supernatural protection. Politics on Earth is politics in Heaven for the Jew. The Jew associates Sammael with Esau, Amalek, Haman and Edom, and therefore, Blacks and/or Christendom are the primary targets for Jewish bloodlust, witness the slave trade and the genocides of Christian Armenians and Slavs.

Remember that as Zionism conquered the Palestinians on Earth, the Jews believe a like battle was and is being fought in Heaven. As Above, So Below. Never forget that the Jews want to kill these angels, and with them mankind, and openly state this fact in the genocidal Old Testament in *Jeremiah* 30:11, which is repeatedly cited in the later literature as justification for the Jewish call to kill all non-Jews. The Jews' spiritualism is politics, in particular the politics of war, genocide and usury. The Jews believe that they are god, the Jewish Devil, As Above, So Below, the Devil in the Jewish heavens and the Jews on Earth are mirror images of one another in Jewish beliefs. The flag of the Nation of Israel bears this mystical belief, which calls for the complete extermination of all non-Jewish nations, all non-Jewish peoples, all non-Jews. The flag of the Jews is an open declaration of war on the human race.

The Jews believe "As Above, So Below". We had better adopt the slogan, "Us or Them".

RED DRAGON REVISITED

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Perennially whining drama queen Daryl Bradford Smith complains about the fact that I posted a link to a redacted copy of *Red Dragon* on my blog and on the books page of my website a few days before he added a redacted copy of the book to his website, the same redacted copy (at about 37:49 into the file). So much for gratitude!

Smith claims he added the book to his website three and one half years ago. Let him offer proof. When did he ever mention the book before I linked to it on 30 September 2007? The first mention in his audio files appears on 4 October 2007, where he feels compelled to apologize for the book because it refers to Jews as Jews, instead of referring to Jews as "Zionists".

Listen at 2:53, 17:42, 28:20 into the 4 October 2007 file and note how Smith stumbles over the name of the author and the title--not surprising coming from a man who has repeatedly called Disraeli, "Drisselli", Cromwell, "Cornwallis", etc. etc. etc.:

http://www.iamthewitness.com/audio/Daryl.Bradford.Smith/TFC.2007.10.04.Thu.Smith.mp3

Likewise, Smith mentions *Red Dragon* on 5 October 2007. Why was he discussing it at this time so soon after me? Because he had just added the book to his website after I had added it to mine.

It would be interesting to juxtapose my criticism of Ron Paul, my work on the Armenian Genocide, as well as many, many, many other subjects, which Smith then discussed after me,

often in the same terms if not in the exact same words.

I have a question for Daryl. I do not expect he will answer it. He has not retracted several falsehoods and innuendos he has stated about me and my work. But I will ask, "Daryl, was it I or 'Muhammad Rafeeq' who appeared on your program on GCN just before your show was cancelled, and discussed the Chabad Lubavitch?" Has Smith ever retracted his and "Muhammad Rafeeq's" absurd claim that Bernard Madoff is innocent of the charges which were filed against him? Has Smith ever retracted the numerous falsehoods he has stated about me and my work? The man clearly has no credibility.

It can also be shown from Smith's audio files that I had a books page on my website long before he added one to his, given that he promotes the newly added page after my page had already long been on the internet. Strange how that fact bothers him. Of course, I do not just add others books to my website, I write books.

Has "Muhammad Rafeeq" ever told us his birth name and/or the birth names of his grandparents? If not, why not?
